

- NOTES:**
- This Condominium Plat relates to real property which is subject to that certain Declaration of Covenants, Conditions and Restrictions for The Residences at Empire Canyon Resort, recorded simultaneously herewith, and subsequent amendments thereto (the "RESIDENTIAL DECLARATION") and that certain Master Declaration of Covenants, Conditions and Restrictions for The Hotel and Residences at Empire Canyon Resort, recorded simultaneously herewith, and subsequent amendments thereto (the "MASTER DECLARATION") (the Residential Declaration and the Master Declaration shall be referred to in these notes collectively as the "DECLARATIONS"). The Declarations set forth the easements, restrictions and general plan of improvement for the Resort as described in this Condominium Plat, and the details concerning the rights and obligations of the owners having or acquiring an interest therein including the applicability of the Transfer Assentment to the sales of individual Units. Unless the context clearly indicates otherwise, all capitalized terms as used on this Condominium Plat shall have the meanings set forth in the Declarations. To the extent there are any inconsistencies or conflicts between these notes and provisions of the Declarations, the Declarations shall control.
 - This Condominium Plat depicts two separate ownership regimes. The Hotel at Empire Canyon Resort (the "HOTEL") and The Residences at Empire Canyon Resort (the "CONDOMINIUM PROJECT"). The lower floors of the building are comprised of hotel rooms, lobbies, conference facilities, spa, back-of-house and other facilities associated with the use and operation of these areas as a commercial resort hotel. The Condominium Project includes the AHU Units as shown on this Sheet 1 refers (located on Level B-1 as shown on this Condominium Plat); the ADA Units to which Note 8 on this Sheet 1 refers (located on Levels 2 and 3 as shown on this Condominium Plat); and all of the other Units shown on this Condominium Plat (located on Levels 4 through 9 as shown on this Condominium Plat), all of which are referred to in the Declarations and this Condominium Plat as the "Units". The improvements located outside of the Units, including but not limited to the Hotel Areas, Restricted Areas, Access Areas, Parking Areas, Storage Areas, and Balcony/Patio Areas on this Condominium Plat are not part of the Units and do not constitute "common area and facilities" under the Utah Condominium Ownership Act (the "Act"). Owners of the Units are granted easements to use and enjoy certain portions of such components of the Resort, as set forth in the Declarations, but do not receive any fee simple ownership interest therein. PURCHASERS ARE STRONGLY URGED TO REVIEW THE DECLARATIONS WITH THEIR LEGAL COUNSEL IN ORDER TO FULLY UNDERSTAND THE RIGHTS, INTERESTS, LIMITATIONS AND OBLIGATIONS APPURTENANT TO OWNERSHIP OF A UNIT WITHIN THE CONDOMINIUM PROJECT.
 - The Resort as depicted on this Condominium Plat is subject to the rights of the Hotel Owner as described in the Declarations and Hotel Owner shall have the right to exercise any applicable right provided for in the Declarations, including, without limitation, the reservation and granting of certain easements, reducing or relocating improvements within the Resort, adding additional recreational and service facilities and making such other development decisions and changes as Hotel Owner shall determine in its sole and exclusive discretion.
 - Pursuant to the Master Declaration, the Empire Canyon Resort Master Association, Inc., a Utah non-profit corporation (the "MASTER ASSOCIATION") is responsible for maintaining all Non-Hotel Use and Support Areas and the Master Association shall have a perpetual non-exclusive easement over the Resort for such maintenance purposes as further described in the Master Declaration.
 - Building ties on this sheet are from the property line to the building foundation as shown.
 - All land located outside of the footprint of the building is dedicated as a non-exclusive easement to Park City Municipal Corporation, Snyderville Basin Water Reclamation District, Park City Fire Service District and Summit County for the purpose of providing access for utility and drainage installation, use, maintenance and eventual replacement.
 - The Units are served by common private lateral waste water lines that are not maintained by the Snyderville Basin Water Reclamation District. Under the Master Declaration, these lateral waste water lines are to be maintained, repaired and replaced by the Hotel Owner, and costs of such maintenance, repair and replacement are to be allocated among the Hotel Owner and the Unit owners in the manner described in the Master Declaration.
 - AHU Units 1-10 as shown on Sheet 5 of this Condominium Plat are "employee/affordable housing units" ("AHU UNITS") under Section 2.10.5. of the Amended and Restated Development Agreement for Flagstaff Mountain, Bonanza Flats, Richardson Flats, the 20-acre Quinn's Junction Parcel and Iron Mountain recorded on March 2, 2007 as Entry No. 00806100 in Book 1850, Page 1897. Details regarding the restrictions applicable to the AHU Units will be set forth in a separate restrictive covenant recorded against the AHU Units. ADA Units shall be constructed, maintained and managed in accordance with International Building Code Chapter 11, 2006 Edition.
 - All conditions of approval of the Empire Pass Pod B-2 Master Planned Development, The Parcel B-2 Empire Village Subdivision, and The Montage Conditional Use Permit shall continue to apply.
 - The Hotel Owner has reserved the option to expand the Condominium Project by adding one or more Units to the Condominium Project, and has reserved the right to contract the Condominium Project by withdrawing one or more Units from the Condominium Project, in accordance with the terms and conditions of the Residential Declaration.
 - Ski runs and trails cross through and around the Resort as shown on this Condominium Plat. The location and configuration of the ski runs and trails as shown on this Condominium Plat may be modified, relocated, expanded, reduced or eliminated from time to time and new ski runs and trails may be added.
 - Pursuant to the terms and conditions of the Declarations, Hotel Owner reserves the right to unilaterally amend this Condominium Plat at any time and from time to time by Hotel Owner if such amendment is necessary to make technical corrections, to satisfy the requirements of Park City or any other governmental authority, to correct mistakes, remove/clarify ambiguities or to accurately reflect the "as-built" conditions on the Condominium Plat.
 - Certain ceilings in the Units shown on this Condominium Plat have variations, insets, vaulted ceilings, enclosed duct work, and other similar architectural features that result in the ceilings having numerous different elevation measurements which are difficult to show on this Condominium Plat. As a result, and notwithstanding the fact that the actual boundary of each Unit only includes the interior finished surface of the ceiling, the elevations shown on this Condominium Plat are measured from the lower surface of the concrete slab that is on the top of each Unit.
 - The easement shown on the Condominium Plat has been granted to the Jordanelle Special Service District (the "JSSD") and is for ingress and egress to the JSSD water facilities located in the Daily West Mineshaft. This easement may be subject to vehicular traffic over the easement from time to time.
 - The Hotel Owner shall adopt a fire protection plan approved by Park City Municipal Corporation, and the Master Association shall be responsible for the ongoing maintenance of the various components of such plan. The expenses of such maintenance shall be part of the Shared Expenses under the Declarations.
 - Reference Bearings are provided on the long axis of main building wings.
