ARTICLE V

DESCRIPTION OF PROPERTY

1. Description of Land. The land is that tract or parcel more particularly described in Article I and Exhibit "A" of this Declaration.

2. Description of Improvements. The Project will be constructed on said land in accordance with the information contained in the Map. The Map shows the number of stories to be contained in each of the buildings within the Project which will contain Units. None of said buildings will contain basements. The buildings in the Project will contain a total of fifty (50) Units. Each of the buildings in the Project will be of wood-frame construction with wood veneers and concrete foundations and will contain either one or two Units. Each of the Units will contain one bedroom and either one and one-half or one and three-quarters baths. The Project will also include walkways, three (3) storage buildings and one hundred (100) uncovered parking spaces; provided, however, that Declarant may, at its sole option, elect to cover said parking spaces. Electricity will be separately metered to each Unit to

BOOK 2316  
PAGE 20

provide power, hot water and heat. Each Unit will contain carpets, floor coverings and drapes, will be equipped with kitchen appliances, including a refrigerator, will be completely furnished and will contain normal and usual household supplies, including bedding, towels, china, cutlery, glassware, utensils, pots and pans and similar items. The Project will be subject to the easements which are reserved through the Project and as may be required for Utility Services.

3. Description and Legal Status of Units. The Map and Exhibit "C" attached hereto and hereby made a part hereof by this reference show the unit number of each Unit, its location, and the Common Areas and Facilities to which it has access. All Units shall be capable of being independently owned, encumbered and conveyed.

(a) Each Unit shall include that part of the building containing the Unit which lies within the boundaries of the Unit, which boundary shall be determined in the following manner:

(1) The upper boundary shall be the plane of the unfinished lower surface of the ceiling;

(2) The lower boundary shall be the plane of the unfinished upper surface of the floor; and

(3) The vertical boundaries of the Unit shall be the unfinished interior surface of the walls bounding a Unit.

4. Description of Common Areas and Facilities. The Common Areas and Facilities are as indicated on the Map and include, but are not limited to, private streets, covered common walkways, uncovered common parking spaces and three (3) storage buildings. Except as otherwise provided in this Declaration, the Common Areas and Facilities also consist of the areas and facilities described in the definitions and constitute in general all of the parts of the Property except the Units. Without limiting the generality of the foregoing, the Common Areas and Facilities shall include the following, whether located within the bounds of a Unit or not:

(a) All structural parts of the building including, without limitation, foundations, columns, joists, beams, supports, supporting walls, floors, ceilings and roofs;

(b) Common hallways, walkways, driveways, parking areas, landscaped areas, balconies, patios, lawns, shrubs, trees and entrance ways;

(c) Any utility pipe or line or system servicing more than a single Unit, and all ducts, wires, conduits, and other accessories used therewith;

(d) All other parts of the Property necessary or convenient to its existence, maintenance and safety, or normally in common use, or which have been designated as Common Areas and Facilities in the Map;

(e) All repairs and replacements of any of the foregoing.

#### ARTICLE VI

##### ALTERATIONS

For three (3) years following the recordation hereof (and, as to any Units contained within any Additional Land added to the Project pursuant to Article XXXI hereof, within three (3) years following the recordation of any amendment hereto adding such Additional Land to the Project), Declarant reserves the right to change the interior design and interior arrangement of any Unit and to alter the boundaries between Units, or to combine Units, so long as the Declarant owns the Units so altered or combined and the total square footage of the Units so altered or combined is not affected. Any change of the boundaries between Units and any resulting alteration of the Common Areas and Facilities shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in Article XXVII of this Declaration. Any change in Unit size shall be accompanied by a reallocation of percentage interests in the Common Areas and Facilities on a square foot basis. However, no such change shall increase the number of Units nor materially alter the boundaries of the Common Areas and Facilities nor change the percentage of ownership of Common Areas and Facilities associated with the non-altered or non-combined Units without amendment of this Declaration and of the Map in the manner described in Article XXVII of this Declaration. Further, nothing in this Article shall impair, restrict or prevent the exercise of Declarant's right to expand the Project pursuant to Article XXXI hereof or to contract the Project pursuant to Article XXXII hereof.

#### ARTICLE VII

##### STATEMENT OF PURPOSE AND RESTRICTION ON USE

1. Purpose. The purpose of the Condominium Project is to provide residential housing space for Unit Owners, their families, guests, lessees and tenants, and the family and

BOOK 2316 PAGE 22

guests of such lessees and tenants, and to provide parking for use in connection therewith, all in accordance with the provisions of the Act.

2. Restriction on Use. The Units and Common Areas and Facilities shall be used and occupied as hereinafter set forth:

(a) Each of the Units shall be occupied only as a residence and for no other purpose. No business shall be operated in or from any Unit itself other than the rental of the Unit itself, subject to applicable zoning and business regulation laws and ordinances.

(b) The Common Areas and Facilities shall be used only for the purposes for which they are intended. All of the parking spaces constitute Common Areas and Facilities and are not reserved for the exclusive use of the respective Owners of any particular Units unless subsequently so reserved by rules and regulations promulgated by the Board of Trustees. Each parking space shall be used for the parking of operable motor vehicles of a size no larger than a standard automobile or a 3/4 ton truck and for no other purpose. No more than one (1) vehicle may be parked in any parking space at one time. No more than one (1) parking space may be used at any one time by a Unit Owner or occupants of any one Unit and their guests, and invitees, except with the prior consent of the Association.

(c) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities which will increase the rate of insurance on the building or contents thereof beyond that customarily applicable for residential use, or will result in the cancellation of insurance on the building, or the contents thereof, without the prior written consent of the Association. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Areas and Facilities which is in violation of any law or regulation of any governmental authority.

(d) No Unit Owner shall cause or permit anything (including, without limitation, an awning, canopy, shutter, storm door or screen door) to hang, be displayed, be visible or otherwise be placed on the exterior walls or roof of any building or any part thereof, or on the outside of windows or doors, without the prior written consent of the Association. No sign of any kind shall be displayed to the public view on or from any Unit or the Common Areas and Facilities without the prior written consent of the Association.

BOOK 2316 PAGE 23

(e) No noxious or offensive activity shall be carried on in any Unit or in the Common Areas and Facilities, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants.

(f) Nothing shall be done in any Unit or in, on or to the Common Areas and Facilities which will impair the structural integrity of the building or any part thereof or which would structurally change the building or any part thereof except as is otherwise provided herein.

(g) No pets or animals of any kind shall be allowed, kept, bred or raised in any Unit or on any of the Common Areas and Facilities in the Project, except pursuant to rules and regulations established by the Association.

(h) The Common Areas and Facilities shall be kept free and clear of all rubbish, debris and other unsightly materials.

(i) No admission fees, charges for use, leases or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas and Facilities without the prior written consent of the Association.

#### ARTICLE VIII

##### PERSON TO RECEIVE SERVICE OF PROCESS

The person to receive service of process in the cases provided herein or in the Act is Rob T. Smith whose address within the County in which the Project is situated is The Lodge at Sundance, RR 3, Box A-1, Sundance, Utah 84604. The said person may be changed by the recordation by the Association of an appropriate instrument.

#### ARTICLE IX

##### OWNERSHIP AND USE

1. Ownership of a Unit. Except with respect to any of the Common Areas and Facilities located within the bounds of a Unit, each Unit Owner shall be entitled to the exclusive ownership and possession of his Unit and to the ownership of an undivided interest in the Common Areas and Facilities.

BOOK 2316 PAGE 24

2. Nature of and Restrictions on Ownership and Use. Each Unit Owner shall have and enjoy the rights and privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own Units, it being intended that they may and shall be owned as any other property rights by persons, corporations, partnerships or trusts and in the form of common or joint tenancy. The Unit Owners may lease or rent their Units with their appurtenant rights subject to terms and conditions chosen solely by the Unit Owner and his lessee or tenant, except that all Unit Owners, their tenants and other occupants or users of the Project, shall be subject to the Act, this Declaration, the Bylaws, and all rules and regulations of the Association.

3. Prohibition against Subdivision of Unit. Except as provided in Article VI above, no Unit Owner, by deed, plat or otherwise, shall subdivide or in the manner cause his Unit to be separated into physical tracts or parcels smaller than the whole Unit as shown on the Map, nor shall any Unit Owner cause, suffer or permit the fee ownership of his Unit to be separated or divided in annually recurring or any other time periods for which the Unit will be separately owned.

4. Ownership of Common Areas and Facilities. The Common Areas and Facilities contained in the Project are described and identified in Article V 4. of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants in common. No percentage ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, such a percentage of undivided ownership interest shall automatically accompany the transfer of the Unit to which it relates. A Unit Owner's percentage ownership interest in the Common Areas and Facilities is computed on the basis of square footage of such Owner's Unit as compared to the total square footage of all Units within the Project, computed by reference to the Map and rounded off to a whole number, and shall be the same for all purposes, including voting and assessment of Common Expenses. The percentage ownership interests in the Common Areas and Facilities are set forth in Exhibit "C" hereto.

5. Use of Common Areas and Facilities. The Common Areas and Facilities shall be used only in a manner which is consistent with their community nature and with the use restrictions applicable to the Units contained in the Project, subject to this Declaration, the Bylaws, and the rules and regulations promulgated by the Association. This right of use shall be appurtenant to and run with each Unit.

BOOK 2316  
PAGE 25

ARTICLE X

LIMITED COMMON AREAS

Each Unit Owner shall be entitled to the exclusive use and occupancy of the Limited Common Areas reserved to his Unit as set forth herein and/or as shown on the Map, subject, however, to the same restrictions on use which apply generally to the Common Areas and Facilities and to rules and regulations promulgated by the Association. Such right to use the Limited Common Areas shall be appurtenant to and contingent upon ownership of the Unit associated therewith, and even though not specifically mentioned in the instrument of transfer, shall automatically pass to the grantee or transferee of such Unit. Such right of use shall not be revocable, nor may it be voluntarily or involuntarily relinquished, waived, or abandoned.

ARTICLE XI

VOTING - MULTIPLE OWNERSHIP

The vote attributable to and exercisable in connection with a Unit shall be the percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to such Unit. In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such Owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

ARTICLE XII

MANAGEMENT

1. The Association. The business, property and affairs of the Project shall be managed, operated and maintained by the Association as agent for the Unit Owners. All duties, responsibilities, rights and powers imposed upon or granted to the "management committee" or to the "manager" under the Act shall be duties, responsibilities, rights and powers of the Association hereunder. In addition to its other authority and powers set forth in the Act, the Articles of Incorporation and elsewhere in this Declaration, the Association shall have, and is hereby granted, the following authority and powers:

(a) the authority, without the vote or consent of the Unit Owners or of any other person(s), to grant or create, on such terms as it deems advisable, utility and similar easements, over, under, across and through the Common Areas and Facilities;

(b) the authority to execute and record, on behalf of all Unit Owners, any amendment to the Declaration or Map which has been approved by the vote or consent necessary to authorize such amendment;

(c) the power to sue;

(d) the authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(e) the power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained;

(f) the authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Unit Owners; and

(g) the power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Association to perform its functions as agent for the Unit Owners.

Any instrument executed by the Association that recites facts which, if true, would establish the Association's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

2. Composition of the Board of Trustees. Declarant shall have the exclusive right to appoint and to remove all members of the Board of Trustees of the Association until the first to occur of the following; provided, however, that Declarant may, at its sole option, transfer this right to the Owners by written notice thereof prior to the end of such time period:

BOOK 2316 PAGE 27

(a) The date which is six (6) years after the date this Declaration is recorded in the office of the recorder of the County in which the Project is situated; or

(b) The later to occur of:

(i) the date Units to which three-fourths (3/4) of the undivided interest in the Common Areas and Facilities appertain have been conveyed by Declarant; or

(ii) the date all Additional Land (as defined in Article XXXI hereof) has been added to the Project.

3. Responsibility of the Board of Trustees. The Board of Trustees shall be responsible for the control, operation and management of the Project in accordance with the provisions of the Act, this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by said Board of Trustees.

4. Approval Required. The Board of Trustees shall not, without the prior favorable vote or the written consent of the Owners of a majority interest in the undivided ownership of the Common Areas and Facilities, have the authority to purchase or sell any real property or add any property to the Common Areas and Facilities, except for property used in the management of the Project.

5. Additional Facilities. The Board of Trustees shall, subject to any necessary approval, have the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the best interests of the Unit Owners and to effect the necessary amendment of documents and maps in connection therewith.

6. Manager. The Board of Trustees may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged shall be responsible for managing the Project for the benefit of the Association and the Unit Owners, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Board of Trustees itself. Any agreement for professional management of the Project or any other contract providing for services of the Declarant which may be entered into by the Board of Trustees or the Association shall call for a term not exceeding three (3)

BOOK 2316 PAGE 28

years and shall provide that such agreement may be terminated by either party thereto without cause and without payment of a termination fee upon not in excess of ninety (90) days written notice.

#### ARTICLE XIII

##### EASEMENTS

1. Each Unit shall be subject to such easements as may be necessary for the installation, maintenance, repair or replacement of any Common Areas and Facilities located within the boundaries of such Unit or reasonably accessible only through such Unit.

2. In the event that, by reason of the construction, reconstruction, settlement or shifting of any part of a building, any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon any part of any Unit or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Areas and Facilities or any other Unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Areas and Facilities, as the case may be, so long as all or any part of the building containing any such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any Unit Owner or in favor of the Unit Owners as owners of the Common Areas and Facilities if such encroachment occurred due to the willful conduct of such Unit Owner or Owners occurring after the date on which this Declaration is recorded.

3. Unit Owners shall also have the right to use the open space easement shown on Sundance Recreational Resort Plat "A," as amended to date and as said plat may from time to time be amended hereafter, and shall have reasonable right-of-access through Plat "A" to the open space shown thereon.

#### ARTICLE XIV

##### CHANGE IN OWNERSHIP

The Association shall maintain up-to-date records showing the name of each Owner, the address of such Owner, and the Unit which is owned by him. In the event of any transfer of a fee or undivided fee interest in a Unit either the transferor or transferee shall furnish the Association with evidence establishing that the transfer has occurred and that the deed or other instrument accomplishing the transfer is of record in the office of the recorder of the county where the

BOOK 2316 PAGE 29

Project is located. The Association may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Association may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the county recorder of the county where the Project is located. The address of an Owner shall be deemed to be the address of the Unit owned by such Owner unless the Association is otherwise advised. An Owner who fails to so furnish the above information shall continue to be liable for monthly assessments of Common Expenses even after transferring ownership of the Unit.

#### ARTICLE XV

##### ASSESSMENTS

Every Unit Owner shall pay his proportionate share of the Common Expenses. Payment thereof shall be in such amounts and at such times as the Association determines in accordance with the Act, this Declaration, the Articles of Incorporation or the Bylaws. There shall be a lien for non-payment of Common Expenses as provided in the Act.

In assessing Unit Owners for capital improvements, no assessment for a single improvement in the nature of a capital expenditure exceeding the sum of Ten Thousand Dollars (\$10,000.00) shall be made without the same having been first voted on and approved by at least a majority of the Project's undivided ownership interest in the Common Areas and Facilities.

#### ARTICLE XVI

##### DESTRUCTION OR DAMAGE

In the event of destruction of or damage to part or all of the improvements in the Condominium Project, the procedures of this section shall apply.

1. If the proceeds of the insurance maintained by the Association are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

2. If less than seventy-five percent (75%) of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Association are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Unit Owners shall be assessed for any deficiency on the basis of their respective appurtenant percentages of undivided

BOOK 2316 PAGE 30

ownership interest in the Common Areas and Facilities, said assessment becoming a lien on the Units as provided in the Act.

3. If seventy-five percent (75%) or more of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Association are not alone sufficient to accomplish restoration, and if the Unit Owners within one hundred (100) days after the destruction or damage by a vote of at least seventy-five percent (75%) of the entire undivided ownership interest in the Common Areas and Facilities of the Project elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection 2 above.

4. If seventy-five percent (75%) or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Association are insufficient to accomplish restoration, and if the Unit Owners do not, within one hundred (100) days after the destruction or damage and by a vote of at least seventy-five percent (75%) of the entire undivided ownership interest in the Common Areas and Facilities of the Project, elect to repair or reconstruct the affected improvements, the Association shall promptly record with the recorder of the county where the Project is located a notice setting forth such facts. Upon the recording of such notice the provisions of subsections (1) through (4) of Section 57-8-31 of the Act shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

5. Any reconstruction or repair which is required to be carried out by this section shall be accomplished at the instance and direction of the Board of Trustees. Any determination which is required to be made by this section regarding the extent of damage to or destruction of Project improvements shall be made as follows:

The Board of Trustees shall select three (3) appraisers; each appraiser shall independently estimate the percentage of project improvements which have been destroyed or substantially damaged; the percentage which governs the application of the provisions of this section shall be the median of the three (3) estimates.

#### ARTICLE XVII

##### TAXES

It is understood that under the Act each Unit, together with its percentage of undivided interest in the Common Areas and Facilities in the Project, is deemed a parcel

BOOK 2316  
PAGE 31

and subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law. Each Unit Owner will, accordingly, pay and discharge any and all taxes which may be assessed against his Condominium.

#### ARTICLE XVIII

##### INSURANCE

1. Hazard Insurance. The Association shall at all times maintain in force hazard insurance meeting the following requirements:

(a) A multi-peril type policy covering the entire Condominium Project (both Units and Common Areas and Facilities, including, without limitation, fixtures, machinery, equipment and supplies maintained for the service of the Project and fixtures, improvements, alterations and equipment within the individual Units) shall be maintained. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage blanket "all risk" endorsement and by debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage, and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. As a minimum, such policy shall provide coverage on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage specified in the policy, but not less than one hundred percent (100%) of the full insurable value of the Project (based upon replacement cost). Deductibles shall not exceed the lower of \$10,000 or one percent of the applicable amount of coverage. Such policy shall include an "Agreed Amount Endorsement" or its equivalent, and, if necessary or appropriate, an "Increased Cost of Construction Endorsement" or its equivalent.

(b) If a steam boiler is or comes to be contained in the Project, there shall be maintained boiler explosion insurance and a broad form policy of repair and replacement boiler and machinery insurance, evidenced by the standard form of boiler and machinery insurance policy. Said insurance shall, as a minimum, provide coverage in the amount of One Hundred Thousand Dollars (\$100,000.00) per accident per location.

(c) If the Project is or comes to be situated in a locale identified by the Secretary of Housing and Urban Development (HUD) or the Director of the Federal Emergency Management Agency (FEMA) as a Special Flood Hazard Area, flood insurance on the Condominium Project shall be obtained and

BOOK 2316  
PAGE 32

maintained providing coverage at least equivalent to that provided under the National Flood Insurance Program (NFIP) for buildings (including equipment and machinery), detached Common Areas and Facilities, and contents not part of buildings (including equipment and machinery owned by the Association) of not less than one hundred percent (100%) of their insurable value, with deductibles not to exceed the lower of \$5,000 or one percent of the applicable amount of coverage.

(d) The named insured under each policy required to be maintained by the foregoing items (a), (b) and (c) shall be in form and substance essentially as follows: "The Mandan Cottages Owners Association for use and benefit of the individual Owners."

(e) Each such policy shall provide that notwithstanding any provision thereof which gives the carrier the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable if it is in conflict with any requirement of law or without the prior written approval of the Association.

2. Fidelity Insurance. The Association shall maintain in force fidelity insurance covering losses resulting from dishonest or fraudulent acts committed by the Association's managers, trustees, employees, officers, committee members, or volunteers who manage the funds collected and held for the benefit of the Association. The fidelity insurance shall name the Association as the insured and shall be in an amount at least equal to the maximum amount of funds in the Association's custody at any one time, but in no event less than the sum of three (3) months of assessments on the entire Project plus reserves. An appropriate endorsement to the policy shall be secured to cover persons who serve without compensation if the policy would not otherwise cover volunteers. Any professional management firm retained by the Association shall also maintain in force such fidelity insurance at said firm's sole cost and expense and shall submit evidence of such coverage to the Association.

3. Liability Insurance. The Association shall at all times maintain in force comprehensive general liability (CGL) insurance covering all of the Common Areas and Facilities. Such insurance shall include a "Severability of Interest Endorsement" or its equivalent which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of other Owners, the Board of Trustees, or the Association of Unit Owners. The Association shall also maintain in force any additional coverage commonly required by private mortgage investors for developments similar to the

Project in construction, location and use, including the following where applicable and available: contingent liability from operation of building laws, comprehensive automobile liability, bailee's liability, elevator collision liability, garage keeper's liability, host liquor liability, worker's compensation and employer's liability and contractual liability. The limits of liability under such insurance shall not be less than One Million Dollars (\$1,000,000.00) for personal injury, bodily injury or property damage arising out of a single occurrence.

4. General Requirements Concerning Insurance. Each insurance policy maintained pursuant to the foregoing Article XVIII Sections 1. through 3. shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a general policyholders rating of B+ or better and a financial category rating of Class XII or better in Best's Insurance Guide and shall contain the standard mortgagee clause commonly used by private institutional mortgage investors. No such policy shall be maintained where:

(a) under the terms of the carrier's charter, bylaws or policy, contributions may be required from, or assessments may be made against, a Unit Owner, a Mortgagee, the Board of Trustees, the Association, a Unit, the Common Areas, or the Project;

(b) by the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members;

(c) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled from collecting insurance proceeds; or

(d) the policy provides that the insurance thereunder shall be brought into contribution with insurance purchased by the individual Unit Owners or their Mortgagees.

Each such policy shall provide that:

(a) coverage shall not be prejudiced by any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association of Unit Owners or the Board of Trustees;

(b) coverage shall not be prejudiced by any failure by the Association or Board of Trustees to comply with any warranty or condition with regard to any portion of the Project over which the Association and Board of Trustees have no control;

(c) coverage may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days prior written notice to any and all insureds named therein, including any Mortgagee named as an insured; and

(d) the insurer waives any right of subrogation it might have to any and all claims against the Association, the Board of Trustees, any Unit Owner, and/or their respective agents, employees or tenants, and any defense it might have based upon co-insurance or upon invalidity arising from acts of the insured.

If, due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under Sections 1. through 3. of this Article XVIII cannot reasonably be secured, with respect to such coverage the Association or the Board of Trustees shall obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist.

#### ARTICLE XIX

##### PAYMENT OF COMMON EXPENSES

1. Each Unit Owner shall pay the Association his allocated portion of the Common Expenses upon the terms, at the time, and in the manner herein provided without any deduction on account of any set-off or claim which the Owner may have against the Board of Trustees or Association. If the Unit Owner shall fail to pay any installment of Common Expenses within one (1) month of the time when the same becomes due, the Owner shall pay interest thereon at the rate of eighteen percent (18%) per annum from the date when such installment shall become due to the date of the payment thereof.

2. The Board of Trustees may, from time to time, up to the close of the year or other time period for which the Common Expenses have been fixed or determined, increase or diminish the amount previously fixed or determined for such year. It may include in the Common Expenses for any year, any liabilities or items of expense which accrued or became payable in the previous year, or which might have been included in the Common Expenses for a previous year, but were not included therein; and also any sums which the Board of Trustees may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

BOOK 2316 PAGE 35

3. The portion payable with respect to each Unit in and for each year or for a portion of a year shall be a sum equal to the aggregate amount of the Common Expenses for such year, or portion of year, determined as aforesaid, multiplied by the percentage of undivided interest in the Common Areas and Facilities appurtenant to such Unit, as shown in Exhibit "C." Such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be provided by the Board of Trustees. The Board of Trustees has estimated that the Common Expenses for the first year and the monthly share thereof initially attributable to each Unit will be as set forth on Exhibit "C." The latter estimate constitutes the initial monthly assessment of Common Expenses for each Unit. An additional one-time assessment equal to twice the initial monthly assessment is to be paid by the initial purchaser only of each Unit at the time of purchase, which assessment is an addition to and not in lieu of all other assessments due hereunder. The foregoing is only an estimate, however, and may be revised by the Board of Trustees as experience is accumulated.

4. The Board of Trustees shall have discretionary powers to prescribe the manner of maintaining and operating the Condominium Project and to determine the Common Expenses of the Project to be paid as aforesaid by the Owners under this Declaration. Every such reasonable determination by the Board of Trustees within the bounds of the Act and this Declaration, shall be final and conclusive as to the Owners, and any expenditures made by the Board of Trustees, within the bounds of the Act and this Declaration shall as against the Owner be deemed necessary and properly made for such purpose.

5. If an Owner shall at any time let or sublet his Unit and shall default for a period of one (1) month in the payment of any assessments, the Board of Trustees may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenants of the Owner occupying the Unit so much of the rent due or becoming due and payable as is necessary to cure said default and the payment of such rent to the Board of Trustees shall be sufficient payment and discharge of such tenant or subtenant and the Owner to the extent of the amount so paid.

6. Each monthly assessment and each special assessment of Common Expenses shall be separate, distinct and personal obligations of the Owner(s) of the Unit against which the same is assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid Common Expenses may be maintained without

foreclosure or waiving the lien (described hereafter) securing the same. If not paid when due, the amount of any assessment, whether regular or special, assessed to a Unit plus interest at eighteen percent (18%) per annum, costs of action and reasonable attorney's fees, shall become a lien upon such Unit upon recordation of a notice thereof as provided by the Act. The said lien for non-payment of Common Expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(a) tax and special assessment liens on the Unit in favor of any assessing unit, or special district; and

(b) encumbrances on the interest of the Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

7. In any conveyance, except to a Mortgagee as hereinafter set forth, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Manager or Board of Trustees setting forth the amounts of the unpaid assessments against the grantor, and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth.

8. A certificate executed and acknowledged by the Manager or Association stating the unpaid Common Expenses then outstanding with respect to a Unit shall be conclusive upon the Association and the Owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner or encumbrancer or prospective Owner or encumbrancers of a Unit upon request at a reasonable fee initially not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid Common Expenses which become due prior to the date of making of such request shall be subordinate to the lien or interest held by or obtained by the person making the request. Any encumbrancer holding a lien on a Unit may pay any unpaid Common Expenses payable with respect to such Unit and upon such payment that encumbrancer shall have a lien on that Unit of the same rank as the lien of his encumbrance for the amounts paid.

BOOK 2316  
PAGE 37

9. Upon payment or other satisfaction of delinquent assessments concerning which a notice of assessment has been recorded, the Board of Trustees shall cause to be recorded in the same manner as the notice of assessment a further notice stating the satisfaction and release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Board of Trustees or by a bank or trust company or title insurance company authorized by the Board of Trustees, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

10. In the event of foreclosure, the Unit Owner, if he is an owner-occupier and desires to remain in the Unit during any redemption period, shall be required to pay a reasonable rental for the Unit and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the security. The Association or Manager shall have the power to bid on the Unit at foreclosure or other sale and to hold, lease, mortgage and convey the Unit.

#### ARTICLE XX

##### MORTGAGEE PROTECTION

1. From and after the time a Mortgagee makes written request to the Board of Trustees or the Association of Unit Owners therefor, the Board of Trustees or the Association shall notify such Mortgagee in writing in the event that the Owner of the Unit encumbered by the Mortgage held by such Mortgagee neglects for a period of sixty (60) or more days to cure any failure on his part to perform any of his obligations under this Declaration.

2. The lien or claim against a Unit for unpaid assessments or charges levied by the Board of Trustees or by the Association of Unit Owners pursuant to this Declaration or the Act shall be subordinate to a First Mortgage affecting such Unit. A Mortgagee who obtains title to a Unit pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall not be liable for such Unit's unpaid assessments which accrue prior to the acquisition of title to such Unit by the Mortgagee and shall take the same free of such lien or claim for unpaid assessments or charges, but only to the extent of assessments or charges which accrue prior to the acquisition of title to such Unit by Mortgagee (except for claims for a pro rata share

BOOK 2316  
PAGE 38

of such prior assessments or charges resulting from a pro rata reallocation thereof to all Units including the Unit in which the Mortgagee is interested). No assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not a burden to a Mortgagee coming into possession pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall be collected or enforced by either the Board of Trustees or the Association from or against a Mortgagee, a successor in title to a Mortgagee, or the Unit affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the Mortgagee or successor in title to the Mortgagee interested in such Unit).

3. Without the prior written approval of at least two-thirds (2/3) of the First Mortgagees (based on one vote for each First Mortgage owned), neither the Board of Trustees nor the Association of Unit Owners shall be entitled, by act, omission, or otherwise:

(a) to seek to abandon or terminate the Condominium Project or to abandon or terminate the arrangement which is established by this Declaration and the Record of Survey Map (except as provided in Article XVI hereof in the event of certain destruction or damage);

(b) to partition or subdivide any Unit;

(c) to seek to abandon, partition, subdivide, encumber, sell or transfer all or any of the Common Areas and Facilities (except for the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas and Facilities except as provided in Article XVI hereof in the event of certain destruction or damage);

(d) to use hazard insurance proceeds resulting from damage to any part of the Condominium Project (whether to Units or to the Common Areas) for purposes other than the repair, replacement, or reconstruction of such improvements, except as provided by statute in the event of substantial loss to the Units and/or Common Areas and Facilities;

(e) to change the pro rata interests or obligations of any Unit which apply for (1) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for (2) determining the pro rata share of ownership of each Unit in the Common Areas and Facilities; provided, however, that nothing herein shall impair, restrict or prevent the exercise of

BOOK 2316  
PAGE 39

Declarant's right to expand the Project in accordance with Article XXXI hereof, even though such expansion will result in a pro rata reallocation of undivided ownership of the Common Areas and Facilities, or to impair, restrict or prevent the exercise of Declarant's right to contract the Project in accordance with Article XXXII hereof; or

(f) to alter the provisions of Article XVIII hereof in such a way as to diminish the insurance protection required to be afforded to the parties designed to be protected thereby, or to fail to maintain the insurance coverage described therein.

4. Any Mortgagee shall have the right, at its request and expense and upon reasonable notice, to examine the books and records of the Board of Trustees, or the Association of Unit Owners, or of the Condominium Project. From and after the time a Mortgagee makes written request to the Board of Trustees or the Association of Unit Owners therefor, the Board of Trustees or the Association shall furnish to such Mortgagee copies of such annual operating reports and other reports or writings summarizing or reflecting the financial position or history of the Condominium Project as may be prepared for distribution to or use by the Board of Trustees, the Association, or the Unit Owners.

5. The Board of Trustees and the Association shall establish an adequate reserve fund to cover the deductibles under all hazard insurance policies maintained by the Association (which reserve shall be so designated) and the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and Facilities and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Units rather than by special assessments.

6. From and after the time a Mortgagee makes written request to the Board of Trustees or the Association of Unit Owners therefor, the Board of Trustees or the Association shall notify such Mortgagee in writing in the event that there occurs any damage or loss to, or any taking or anticipated condemnation of: (a) the Common Areas and Facilities involving an amount in excess of, or reasonably estimated to be in excess of, Ten Thousand Dollars (\$10,000.00); or (b) any Unit involving an amount in excess of, or reasonably estimated to be in excess of, One Thousand Dollars (\$1,000.00). Said notice shall be given within ten (10) days after the Board of Trustees or said Association learns of such damage, loss, taking or anticipated condemnation.

7. Nothing contained in this Declaration shall give a Unit Owner, or any other party, priority over any rights of a

First Mortgagee pursuant to its Mortgage in the case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of condominium Units and/or Common Areas and Facilities.

8. In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article, the provision or clause which results in the greater protection and security for a Mortgagee shall control the rights, obligations, or limits of authority as the case may be, applicable to the Board of Trustees and Association of Unit Owners with respect to the subject concerned.

9. Except with respect to combination or division of units pursuant to Article VI which may be accomplished without consent of any Mortgagee, and except with respect to expansion of the Project pursuant to Declarant's right to expand as set forth in Article XXXI hereof, and except with respect to contraction of the Project pursuant to Declarant's right to contract as set forth in Article XXXII hereof, all which may be accomplished without the consent of any Mortgagee, no amendment to this Article which has the effect of diminishing the rights, protection or security afforded to Mortgagees shall be accomplished or effective unless all of the Mortgagees of the individual Units have given their prior written approval to such amendment. Any amendment to this Article shall be accomplished by an instrument executed by the Board of Trustees and filed for record in the office of the County Recorder of the county where the Project is located. In any such instrument the Board of Trustees shall certify that any prior written approval of Mortgagees required by this Article as a condition to amendment has been obtained.

#### ARTICLE XXI

##### EMINENT DOMAIN

In the event that eminent domain proceedings are commenced against the Project or any portion thereof, the provisions of § 57-8-32.5, Utah Code Annotated (Supp. 1977) shall apply. The Board of Trustees shall give written notice of such proceedings to all Mortgagees of record. No first lien priority of any Mortgagee shall be diminished or otherwise disturbed by virtue of such proceedings.

#### ARTICLE XXII

##### MAINTENANCE

1. Each Owner of a Unit at his own expense shall keep the interior of such Unit and its equipment and

BONN 2316 PAGE 41

appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of such Unit. Except to the extent that the Association on behalf of all Unit Owners is protected by insurance against such injury, the Unit Owner shall repair all injury or damages to the Unit, building or buildings caused by the act, negligence or carelessness of the Unit Owner or that of any tenant or subtenant or any member of the Unit Owner's family or of the family of any tenant or subtenant or any agent, employee or guest of the Owner or his tenant or subtenant and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the Unit in good repair, the Unit Owner shall be responsible for the maintenance or replacement of any heating equipment, hot water equipment or plumbing fixtures that may be used exclusively by the Unit. Each Unit Owner at his own expense shall also keep all Limited Common Areas appurtenant to his Unit in good, clean, attractive, safe and sanitary condition, including, without limitation, removal of snow therefrom if desired by such Owner. Each Unit Owner shall be entitled to the exclusive use and possession of the Limited Common Areas appurtenant to his Unit; provided, however, that without the written permission of the Board of Trustees first had and obtained, a Unit Owner shall not make or permit to be made any structural alteration, in or to the Unit or in or to the exterior of the building, and shall not paint or decorate any portion of the exterior of the Unit or of the building in which the Unit is located.

2. Except as hereinafter provided, the Association shall provide for such maintenance and operation of the Common Areas and Facilities as may be reasonably necessary to keep them clean, functional, attractive and generally in good condition and repair. The Association shall have no obligation regarding maintenance or care of Units.

#### ARTICLE XXIII

##### RIGHT OF ENTRY

The Board of Trustees and its duly authorized agents shall have the right to enter any and all of the Units in case of an emergency originating in or threatening such Unit or any other part of the Project, whether or not the Unit Owner or occupant thereof is present at the time. The Board of Trustees and its duly authorized agents shall also have the right to enter into any and all of said Units at all reasonable times as required for the purpose of making necessary repairs upon the Common Areas and Facilities and adjacent Units of the Project or for the purpose of performing emergency installations.

BOOK 0316 PAGE 42

alterations or repairs to the mechanical or electrical devices or installations located therein or thereon; provided, however, such emergency installations, alterations or repairs are necessary to prevent damage or threatened damage to other Units in the Project; and provided further, that the Unit Owner affected by such entry shall first be notified thereof if available and if time permits.

#### ARTICLE XXIV

##### ADMINISTRATIVE RULES AND REGULATIONS

The Board of Trustees shall have the power to adopt and establish by resolution, such rules and regulations as it may deem necessary for the maintenance, operation, management and control of the Project including, but not limited to, rules and regulations levying special assessments against and/or imposing other appropriate sanctions upon Unit Owners who fail to comply with any provisions of the Act, this Declaration, the Articles of Incorporation, the Bylaws and/or such rules and regulations. The Board of Trustees may from time to time, by resolution, alter, amend and repeal such rules and regulations. When a copy of any amendment or alteration or provision for repeal of any rules or regulations has been furnished to the Unit Owners, such amendment, alteration or provision shall be taken to be a part of such rules and regulations. Unit Owners shall at all times obey such rules and regulations and see that they are faithfully observed by their respective tenants and by all other persons over whom they have or may exercise control and supervision, it being understood that such rules and regulations shall apply and be binding upon all Units Owners, tenants, subtenants and other occupants of the Units. Each and every special assessment levied against a Unit Owner under such rules and regulations shall constitute a special assessment of Common Expenses against such Unit Owners and shall be payable and collectible in the same manner as other Common Expenses in accordance with Article XIX hereof.

#### ARTICLE XXV

##### OBLIGATION TO COMPLY HEREWITH

Each Unit Owner, tenant, subtenant or other occupant of a Unit shall comply with the provisions of the Act, this Declaration, the Articles of Incorporation, the Bylaws, and the rules and regulations promulgated by the Board of Trustees, and with all agreements and determinations lawfully made and/or entered into by the Board of Trustees or the Association, when acting in accordance with their authority, and any failure to comply with any of the provisions thereof shall be grounds for all remedial actions granted thereby and/or for an action by

BOOK 2316 PAGE 43

the Association or other aggrieved party for injunctive relief or to recover any loss or damage resulting therefrom, including costs and reasonable attorney's fees.

ARTICLE XXVI

INDEMNIFICATION OF BOARD OF TRUSTEES

Each member of the Board of Trustees shall be indemnified and held harmless by the Association of Unit Owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees reasonably incurred by him in connection with any proceeding in which he may become involved by reason of his being or having been a member of the Board of Trustees; provided, however, the foregoing indemnification shall not apply if the loss, expense or liability involved resulted from the willful misconduct or gross negligence of the member.

ARTICLE XXVII

AMENDMENT

In addition to the amendment provisions contained in Article VI hereof, but subject to the terms of Article XX, this Declaration and/or the Map may be amended upon the affirmative vote or approval and consent of Unit Owners having ownership of not less than sixty-six and two-thirds percent (66-2/3%) of the undivided interest in the Common Areas and Facilities, except in circumstances where the Act requires a greater affirmative vote or approval and consent, in which event the provisions of the Act shall be controlling. Any amendment so authorized shall be accomplished by recordation of an instrument executed by the Board of Trustees. In said instrument the Board of Trustees shall certify that the vote or consent required by this Article has occurred. Notwithstanding any other provision contained herein, until the Occurrence referred to in Article XXIX hereof, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control given to Declarant (in its capacity as Declarant) herein shall be accomplished or effect unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

ARTICLE XXVIII

CONSENT IN LIEU OF VOTE

Except to the extent the following is inconsistent with the laws governing Utah non-profit corporations, in any

case in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the stated percentage of undivided ownership interest. The following additional provisions shall govern any application of this section:

1. All necessary consents must be obtained prior to the expiration of one hundred twenty (120) days after the first consent is given by any Owner;

2. Any change in ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

3. Unless the consents of all Owners having an interest in the same Unit are secured, the consent of none of such Owners shall be effective.

#### ARTICLE XXIX

##### DECLARANT'S SALES PROGRAM

Notwithstanding any other provision of this Declaration, until Declarant ceases to be a Unit Owner (hereinafter referred to as the "Occurrence"), Declarant shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

1. Declarant shall have the right to maintain a sales office and/or model Units. Such office and/or model Units may be Units (at any location) owned or leased by Declarant.

2. Declarant shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Property, but any such device shall be of a size and in a location as is reasonable and customary.

3. Declarant shall have the right to use the Common Areas and Facilities of the Project to entertain prospective purchasers or to otherwise facilitate Unit sales, provided said use is reasonable as to both time and manner.

BOOK 2316  
PAGE 45

4. Declarant shall have the right from time to time to locate or relocate its sales office, model units, and/or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Article.

Within a reasonable period of time after the happening of the Occurrence, Declarant shall have the right to dismantle and/or remove from the Project any sales office or model unit which is not designated as a Unit by this Declaration or the Map and also to remove from the Project, any signs, banners or similar devices.

#### ARTICLE XXX

##### LIMITATION ON IMPROVEMENTS BY ASSOCIATION

Until the Occurrence described in Article XXIX, neither the Association nor the Board of Trustees shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas and Facilities as they exist at the time of completion of their initial construction.

#### ARTICLE XXXI

##### EXPANSION OF PROJECT

The Project is an expandable condominium project; that is to say, a condominium project to which additional land or an interest therein may be added in accordance with this Declaration and the Act.

1. Description of Additional Land. The lands which may be added to the Project (the "Additional Land") is more particularly described on Exhibit "D" attached hereto and hereby made a part hereof by this reference, and consists of land upon which no substantial improvements exist as of the date of recording of this Declaration.

2. Declarant's Reservation of Option to Expand. Declarant hereby reserves the right, at its sole and exclusive option, but without any obligation whatsoever to do so, to expand the Project from time to time by adding to the Project all or any portion of the Additional Land, together with all improvements heretofore or hereafter constructed thereon, and by creating new Units, Common Areas and Facilities and/or Limited Common Areas within those portions of the Additional

BOOK 2316 PAGE 46

Land added to the Project, so long as Declarant does so in accordance with the provisions of this Article and Section 57-8-13.6 of the Act, but subject to the following limitations:

(a) If not exercised, Declarant's right to expand the Project shall expire without further act of Declarant on the date which is seven (7) years after the date this Declaration is recorded in the office of the recorder of the county in which the Project is situated;

(b) The maximum number of Units that may be created on the Additional Land is 40, and the maximum number of Units per acre that may be created on any portion of the Additional Land added to the Project is 3.029; and

(c) All Units that may be created on the Additional Land shall be used exclusively for residential purposes.

3. Consent Not Required. The Declarant shall not be required to obtain consent of any Unit Owners or any other person or entity having any right or interest in all or any portion of the Project prior to or subsequent to expanding the Project by adding all or any portion of the Additional Land to the Project.

4. No Limitation on Size of Addition. Declarant may add all or any portion of the Additional Land to the Project without any limitation whatsoever as to the size of the portion or portions of the Additional Land added to the Project.

5. Expansion May Occur at Different Times. Declarant may add portions of the Additional Land to the Project at different times and from time to time as Declarant sees fit.

6. No Assurances as to Certain Matters. Declarant makes no assurances whatsoever:

(a) As to the location of any improvements which Declarant may elect to make on any portion or portions of the Additional Land added to the Project;

(b) As to whether structures which may be erected on any portion of the Additional Land added to the Project will be compatible with structures on the Property in terms of quality of construction, the principal materials used or architectural style;

BOOK 2316 PAGE 47

(c) As to the description of any other improvements that may be made on any portion of the Additional Land added to the Project;

(d) That any Units created on any portion of the Additional Land added to the Project will be substantially identical to the Units on the Property; or

(e) As to the types, sizes or maximum number of Limited Common Areas which Declarant may create within any portion of the Additional Land added to the Project.

7. Recording of Supplemental Map and Amendment to Declaration. In order to expand the Project as provided in this Article, Declarant shall, within seven (7) years after the date this Declaration is recorded in the office of the recorder of the county in which the Project is situated:

(a) Record a new or supplemental record of survey map (the "Supplemental Map") containing the information necessary to comply with the Act; and

(b) Simultaneously record with each Supplemental Map an amendment to this Declaration (the "Amendment"), duly executed and acknowledged by Declarant and all of the owners and lessees of the Additional Land added to the Project. Each such Amendment shall contain a legal description by metes and bounds of that portion of the Additional Land being added to the Project and shall reallocate undivided interests in the Common Areas and Facilities in accordance with subsection 57-8-13.10(2) of the Act.

8. Consequences of Expansion. Immediately upon Declarant's compliance with section 7 of this Article:

(a) The Additional Land, or any portion thereof, added to the Project and all improvements (including Units, Common Areas and Facilities and Limited Common Areas) located or to be located thereon, shall become a part of the Project and shall be governed and subject to each, every and all of the definitions, terms, provisions, covenants, conditions and restrictions applicable to the Project under the Act, this Declaration, the Articles of Incorporation, the Bylaws and the rules and regulations promulgated by the Board of Trustees, all as amended to the date thereof;

(b) Without further act of Declarant, such compliance shall operate to grant, transfer and convey pro tanto to those Owners owning Units within the Project immediately prior to such expansion their respective undivided

BOOK 2316 PAGE 48

interest in the new Common Areas and Facilities added to the Project as a result of such expansion and to reduce pro tanto such Owners' respective undivided interest in the Common Areas and Facilities of the Project as such Common Areas and Facilities of the Project as such Common Areas and Facilities existed immediately prior to such expansion. Such compliance shall also operate (1) to vest in any then Mortgagee of any Unit in the Project such interest so acquired by the Unit Owner, thus encumbering the new Common Areas and Facilities added to the Project to the extent of such Unit Owner's interest therein, and (2) to conform the undivided interest of both Unit Owners and Mortgagees to the interest set forth in the Amendment, for all purposes, including, but not limited to, voting and assessment of Common Expenses. Prior to recording of a Supplemental Map and Amendment, all deeds to Units shall be delivered subject to a conditional limitation that the percentage undivided interest in the Common Areas and Facilities which is appurtenant to such Unit shall be automatically reallocated pro tanto on the recording of such documents, whether or not explicitly stated in such deeds; and

(c) Each Unit Owner and each Mortgagee shall be deemed to have acquiesced to each Supplemental Map and Amendment recorded in accordance with and for the purposes set forth in this Article, shall be deemed to have granted unto Declarant an irrevocable power of attorney, coupled with an interest, to effectuate, execute, acknowledge, deliver and record any further instruments as may from time to time be required in order to accomplish the purposes of this Article, and shall be deemed to have agreed and covenanted to execute such further instruments, if any, as may be required by Declarant, its successors or assigns, to accomplish such purposes.

9. No Encumbrance on Additional Land Until Expansion. Nothing contained in this Declaration shall constitute or be deemed to create a lien, encumbrance, restriction or limitation upon the Additional Land or any portion thereof until such land is actually added to the Project in accordance with this Article.

10. Amendment. No provision of this Article shall be amended without the prior written consent of Declarant.

#### ARTICLE XXXII

#### CONTRACTION OF PROJECT

The Project is also a contractible condominium project; that is to say, a condominium project from which one

BOOK 2316  
PAGE 49

or more portions of the land within the Project may be withdrawn in accordance with the provisions of this Declaration and the Act.

1. Description of Withdrawable Land. The land which may be withdrawn from the Project (the "Withdrawable Land") consists of those certain two (2) easements in land more particularly described on Exhibit "E" attached hereto and by this reference made a part hereof and hereinafter referred to as "Easement #2" and "Easement #3," respectively.

2. Declarant's Reservation of Option to Contract. Declarant hereby reserves the right, at its sole and exclusive option, but without any obligation whatsoever to do so, to contract the Project from time to time by withdrawing from the Project all or any portion of the Withdrawable Land, so long as Declarant does so in accordance with the provisions of this Article and Section 57-8-13.8 of the Act, but subject to the following limitations:

(a) If not exercised, Declarant's right to contract the Project shall expire without further act of Declarant on the date which is seven (7) years after the date this Declaration is recorded in the office of the Utah County Recorder;

(b) Declarant may not withdraw any portion of Easement #2: (i) at any time during which the then applicable Utah County Ordinances require any of the parking spaces within Easement #3 to be in existence in order for the Project to comply with said ordinances; and (ii) unless Declarant concurrently withdraws all or all of the remaining portion, as the case may be, of Easement #3;

(c) Declarant may not withdraw so much of Easement #3 so as to reduce the number of parking spaces remaining in Easement #3 below the number then required by the applicable Utah County Ordinances in order for the Project to comply with said ordinances; and

(d) If Declarant chooses to withdraw only a portion of Easement #3, each such withdrawal: (i) shall leave free and unimpaired access from Easement #2 to the remaining portion of Easement #3; and (ii) all withdrawals subsequent to the first shall be for portions of Easement #3 which are contiguous with portions of Easement #3 which have been previously withdrawn.

3. No Consent Required. Declarant shall not be required to obtain the consent of any Unit Owner or any other

BOOK 2316  
PAGE 50

person or entity having any right or interest in all or any portion of the Project prior to or subsequent to contracting the Project by withdrawing all or any portion of the Withdrawable Land from the Project.

4. Limitations on Contraction. Declarant may withdraw all or any portion of the Withdrawable Land from the Project at different times and in any order, except as otherwise expressly provided in Subsections 2(b), (c) and (d) of this Article.

5. Description of Non-withdrawable Land. The land within the Project to which this option to contract the Project does not extend is more particularly described on Exhibit "F" attached hereto and by this reference made a part hereof.

6. Recording of Amendment to Declaration. In order to contract the Project as provided in this Article, Declarant shall, within seven (7) years after the date this Declaration is recorded in the office of the Utah County Recorder, record an Amendment to this Declaration (the "Amendment") executed and acknowledged by Declarant. Each such Amendment shall contain a legal description by metes and bounds of that portion of the Withdrawable Land being withdrawn from the Project.

7. Consequences of Contraction. Immediately upon Declarant's compliance with Section 6 of this Article:

(a) The Withdrawable Land, or any portion thereof, withdrawn from the Project and all improvements located thereon shall cease to be a part of the Project, shall cease to be governed by and shall cease to be subject to the definitions, terms, provisions, covenants, conditions and restrictions applicable to the Project under the Act, this Declaration, the Articles of Incorporation, the Bylaws and the rules and regulations promulgated by the Board of Trustees;

(b) Without further act of Declarant, such compliance shall operate to transfer and convey pro tanto from those Owners owning Units within the Project immediately prior to such contraction their respective undivided interest in the Common Areas and Facilities withdrawn from the Project as a result of such contraction. Such compliance shall also operate to divest any then Mortgagee of any Unit in the Project of such interest so relinquished by the Unit Owner, thus ceasing to encumber the Common Areas and Facilities withdrawn from the Project to the extent of such Unit Owner's interest therein;

BOOK 2316 PAGE 51

(c) Each Unit Owner and each Mortgagee shall be deemed to have acquiesced to each Amendment recorded in accordance with and for the purposes set forth in this Article, shall be deemed to have granted unto Declarant an irrevocable power of attorney, coupled with an interest, to effectuate, execute, acknowledge, and deliver and record any further instruments as may from time to time be required in order to accomplish the purposes of this Article, and shall be deemed to have agreed and covenanted to execute such further instruments, if any, as may be required by Declarant, its successors or assigns, to accomplish such purposes.

8. No Encumbrance on Withdrawable Land After Contraction. Nothing contained in this Declaration shall constitute or be deemed to create a lien, encumbrance, restriction or limitation upon the Withdrawable Land or any portion thereof after such land has actually been withdrawn from the Project in accordance with this Article.

9. Amendment. No provision of this Article shall be amended without the prior written consent of Declarant.

#### ARTICLE XXXIII

##### SEVERABILITY

The invalidity of any one or more phrases, sentences, subparagraphs, paragraphs, sections or articles hereto shall not affect the remaining portions of this instrument nor any part thereof, and in the event that any portion or portions of this instrument should be invalid or should operate to render this instrument invalid, this instrument shall be construed as if such invalid phrase or phrases, sentence or sentences, subparagraph or subparagraphs, paragraphs or paragraphs, section or sections, or article or articles had not been inserted.

#### ARTICLE XXXIV

##### DECLARANT'S RIGHTS ASSIGNABLE

All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any mortgage covering all Condominium Units in the Project, title to which is vested in the Declarant, shall, at any given point in time and whether or not such mortgage does so by its terms, automatically cover, encumber, and include all of the then-unexercised or then-unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant herein).

1.01 Name. The name of the nonprofit corporation is Mandan Cottages Owners Association, hereinafter referred to as the "Association".

1.02 Offices. The Principal office of the Association shall be at The Lodge at Sundance, RR 3, Box A-1, Sundance, Utah 84604.

ARTICLE II

DEFINITIONS

2.01 Definitions. Except as otherwise provided herein or as may be required by the context, all terms defined in Article II of the Declaration of Condominium for Mandan Cottages, an Expandable Utah condominium project, hereinafter referred to as the "Declaration", shall have such defined meanings when used in these Bylaws.

ARTICLE III

MEMBERS

3.01 Annual Meetings. The annual meeting of Members shall be held in September of each year, the specific date, time, and place to be fixed by the Board of Trustees, beginning with the year following the year in which the Articles of Incorporation are filed, for the purpose of electing Trustees and transacting such other business as may come before the meeting. If the election of Trustees shall not be held on the

BOOK 2316 PAGE 68

day designated herein for the annual meeting of the Members, or at any adjournment thereof, the Board of Trustees shall cause the election to be held at a special meeting of the Members to be convened as soon thereafter as may be convenient. The Board of Trustees may from time to time by resolution change the date and time for the annual meeting of the Members.

3.02 Special Meetings. Special meetings of the Members may be called by the Board of Trustees, the President, the Declarant, or upon the written request of Members holding not less than ten percent (10%) of the voting power of the Members of the Association, such written request to state the purpose or purposes of the meeting and to be delivered to the Board of Trustees or the President.

3.03 Place of Meetings. The Board of Trustees may designate any place in Utah County, State of Utah as the place of meeting for any annual meeting or for any special meeting called by the Board. A waiver of notice signed by all of the Members may designate any place, either within or without the State of Utah, as the place for holding such meeting. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be at the principal office of the Association.

3.04 Notice of Meetings. The Board of Trustees shall cause written or printed notice of the time, place, and purposes of all meetings of the Members (whether annual or special) to be delivered, not more than fifty (50) nor less than ten (10) days prior to the meeting, to each Member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. mail addressed to the Member at his registered address, with first-class postage thereon prepaid. Each Member shall register with the Association such Member's current mailing address for purposes of notice hereunder. Such registered address may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, a Member's Unit address shall be deemed to be his registered address for purposes of notice hereunder.

3.05 Members of Record. Upon purchasing a Condominium in the Project, each Owner shall promptly furnish to the Association a certified copy of the recorded instrument by which ownership of such Condominium has been vested in such Owner, which copy shall be maintained in the records of the Association. For the purpose of determining Members entitled to notice of or to vote at any meeting of the Members, or any adjournment thereof, the Board of Trustees may designate a record date, which shall not be more than fifty (50) nor less than ten (10) days prior to the meeting, for determining

BOOK 2316  
PAGE 69

Members entitled to notice of or to vote at any meeting of the Members. If no record date is designated, the date on which notice of the meeting is mailed shall be deemed to be the record date for determining Members entitled to notice of or to vote at the meeting. The persons or entities appearing in the records of the Association on such record date as the owners of record of Condominiums in the Project shall be deemed to be the Members of record entitled to notice of and to vote at the meeting of the Members.

3.06 Quorum. At any meeting of the Members duly called and noticed, the Members and proxy holders present shall constitute a quorum for the transaction of business.

3.07 Proxies. At each meeting of the Members, each Member entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Member himself or by his attorney thereunto duly authorized in writing. If a membership is jointly held, the instrument authorizing a proxy to act must have been executed by all holders of such membership or their attorneys thereunto duly authorized in writing. Such instrument authorizing a proxy to act shall be delivered at the beginning of the meeting to the Secretary of the Association or to such other officer or person who may be acting as secretary of the meeting. The secretary of the meeting shall enter a record of all such proxies in the minutes of the meeting.

3.08 Votes. With respect to each matter submitted to a vote of the Members, each Member entitled to vote at the meeting shall have the right to cast, in person or by proxy, the number of votes appertaining to the Condominium of such Member, as shown in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the Members, unless a greater proportion is required by the Articles of Incorporation, these Bylaws, the Declaration, or Utah law. The election of Trustees shall be by ballot. If a membership is jointly held, all or any holders thereof may attend each meeting of the Members, but such holders must act unanimously to cast the votes relating to their joint Membership.

3.09 Waiver of Irregularities. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting form of proxies, and method of ascertaining Members present shall be deemed waived if no objection thereto is made at the meeting.

3.10 Informal Action by Members. Any action that is required or permitted to be taken at a meeting of the Members may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the Members entitled to vote with respect to the subject matter thereof.

ARTICLE IV  
BOARD OF TRUSTEES

4.01 General Powers. The property, affairs, and business of the Association shall be managed by its Board of Trustees. The Board of Trustees may exercise all of the powers of the Association, whether derived from law or the Articles of Incorporation, except such powers as are by law, by the Articles of Incorporation, by these Bylaws, or by the Declaration vested solely in the Members. The Board of Trustees may by written contract delegate, in whole or in part, to a professional management organization or person such of its duties, responsibilities, functions, and powers as are properly delegable.

4.02 Number, Tenure and Qualifications. The initial Board of Trustees specified in the Articles of Incorporation shall consist of three (3) Trustees who shall serve until the Declarant turns over to the Members, as provided in Section 2 of Article XII of the Declaration, the responsibility for electing Trustees. Thereafter the number of Trustees of the Association shall continue to be three (3). At the first annual meeting of the Members held after the Declarant turns over to the Members responsibility for electing Trustees, the Members shall elect three (3) Trustees to serve for the following respective terms: One (1) Trustee to serve for a term of Three (3) years; one (1) Trustee to serve for a term of Two (2) years; and one (1) Trustee to serve for a term of One (1) year. At each annual meeting thereafter, the Members shall elect for a term of Three (3) years one Trustee to fill the vacancy created by the expiring term of a Trustee. All Trustees, except Trustees appointed by the Declarant, shall be Members of the Association. Each Trustee shall hold office until his successor shall have been elected or appointed and qualified.

4.03 Regular Meetings. The regular annual meeting of the Board of Trustees shall be held without other notice than this Bylaw immediately after, and at the same place as, the annual meeting of the Members. The Board of Trustees may provide by resolution the time and place for holding of additional regular meetings without other notice than such resolution.

BOOK 2316  
PAGE 71

4.04 Special Meetings. Special meetings of the Board of Trustees may be called by or at the request of any Trustee. The person or persons authorized to call special meetings of the Board of Trustees may fix any place, within or without the State of Utah, as the place for holding any special meeting of the Board of Trustees called by such person or persons. Notice of any special meeting shall be given at least five (5) days prior thereto by written notice delivered personally, or mailed to each Trustee at his registered address, or by Telegram. If mailed, such notice shall be deemed to be delivered when deposited in the U. S. mail so addressed, with first-class postage thereon prepaid. If notice is given by telegram, such notice shall be deemed to have been delivered when the telegram is delivered to the telegraph company. Any Trustee may waive notice of a meeting.

4.05 Quorum and Manner of Acting. A majority of the then authorized number of Trustees shall constitute a quorum for the transaction of business at any meeting of the Board of Trustees. The act of a majority of the Trustees present at any meeting at which a quorum is present shall be the act of the Board of Trustees. The Trustees shall act only as a Board, and individual Trustees shall have no powers as such.

4.06 Compensation. No Trustee shall receive compensation for any services that he may render to the Association as a Trustee; provided, however, that a Trustee may be reimbursed for expenses incurred in performance of his duties as a Trustee to the extent such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as a Trustee.

4.07 Resignation and Removal. A Trustee may resign at any time by delivering a written resignation to either the President or the Board of Trustees. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any Trustee, except a Trustee appointed by the Declarant, may be removed at any time, for or without cause, by the affirmative vote of seventy-five percent (75%) of the voting power of the Members of the Association at a special meeting of the Members duly called for such purpose.

4.08 Vacancies and Newly Created Trusteeships. If vacancies shall occur in the Board of Trustees by reason of the death, resignation or disqualification of a Trustee (other than a Trustee appointed by Declarant), or if the authorized number of Trustees shall be increased, the Trustees then in office shall continue to act, and such vacancies or newly created Trusteeships shall be filled by a vote of the Trustees then in office, though less than a quorum, in any way approved by such

BOOK 2316

Trustees at the meeting. Any vacancy in the Board of Trustees occurring by reason of removal of a Trustee by the Members may be filled by election at the meeting at which such Trustee is removed. If vacancies shall occur in the Board of Trustees by reason of death, resignation or removal of a Trustee appointed by the Declarant, such vacancies shall be filled by appointments to be made by the Declarant. Any Trustee elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor or for the term of the newly created Trusteeship, as the case may be.

4.09 Informal Action by Trustees. Any action that is required or permitted to be taken at a meeting of the Board of Trustees, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Trustees.

#### ARTICLE V OFFICERS

5.01 Officers. The officers of the Association shall be a President, Vice President, Secretary, Treasurer and such other officers as may from time to time be appointed by the Board of Trustees.

5.02 Election, Tenure and Qualifications. The offices of the Association shall be chosen by the Board of Trustees annually at the regular annual meeting of the Board of Trustees. In the event of failure to choose officers at such regular annual meeting of the Board of Trustees, officers may be chosen at any regular or special meeting of the Board of Trustees. Each such officer (whether chosen at a regular annual meeting of the Board of Trustees or otherwise) shall hold his office until the next ensuing regular annual meeting of the Board of Trustees and until his successor shall have been chosen and qualified, or until his death, or until his resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any one person may hold any two or more of such offices, except that the President may not also be the Secretary. No person holding two or more offices shall act in or execute any instrument in the capacity of more than one office. The President, Vice President, Secretary and Treasurer shall be and remain Trustees of the Association during the entire term of their respective offices. No other officers need be a Trustee.

5.03 Subordinate Officers. The Board of Trustees may from time to time appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such

BOOK 2316  
PAGE 73

duties as the Board of Trustees may from time to time determine. The Board of Trustees may from time to time delegate to any officer or agent the power to appoint any such subordinate officers or agents and to prescribe their respective titles, terms of office, authorities, and duties. Subordinate officers need not be Members or Trustees of the Association.

5.04 Resignation and Removal. Any officer may resign at any time by delivering a written resignation to the President or the Board of Trustees. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any officer may be removed by the Board of Trustees at any time, for or without cause.

5.05 Vacancies and Newly Created Offices. If any vacancy shall occur in any office by reason of death, resignation, removal, disqualification, or any other cause, or if a new office shall be created, such vacancies or newly created offices may be filled by the Board of Trustees at any regular or special meeting.

5.06 The President. The President shall be the chief executive officer of the Association and shall exercise general supervision over its property and affairs. The President shall preside at meetings of the Board of Trustees and at meetings of the Members. He shall sign on behalf of the Association all conveyances, mortgages, documents, and contracts, and shall do and perform all other acts and things that the Board of Trustees may require of him. The President shall be invited to attend meetings of each committee.

5.07 The Vice President. The Vice President shall act in the place and stead of the President in the event of the President's absence or inability or refusal to act, and shall exercise and discharge such other duties as may be required of him by the Board of Trustees.

5.08 The Secretary. The Secretary shall keep the minutes of the Association and shall maintain such books and records as these Bylaws, the Declaration, or any resolution of the Board of Trustees may require him to keep. The Secretary shall also act in the place and stead of the President in the event of the President's and the Vice President's absence or inability or refusal to act. He shall be the custodian of the seal of the Association, if any, and shall affix such seal, if any, to all papers and instruments requiring the same. He shall perform such other duties as the Board of Trustees may require of him.

BOOK 2316  
PAGE 74

5.09 The Treasurer. The Treasurer shall have the custody and control of the funds of the Association, subject to the action of the Board of Trustees, and shall, when requested by the President to do so, report the state of the finances of the Association at each annual meeting of the Members and at any meeting of the Board of Trustees. He shall perform such other duties as the Board of Trustees may require of him.

5.10 Compensation. No officer shall receive compensation for any services that he may render to the Association as an officer; provided, however, that an officer may be reimbursed for expenses incurred in performance of his duties as an officer to the extent such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as an officer.

#### ARTICLE VI COMMITTEES

6.01 Designation of Committees. The Board of Trustees may from time to time by resolution designate such committees as it may deem appropriate in carrying out its duties, responsibilities, functions, and powers. The membership of each such committee designated hereunder shall include at least one (1) Trustee. No committee member shall receive compensation for services that he may render to the Association as a committee member; provided, however, that a committee member may be reimbursed for expenses incurred in performance of his duties as a committee member to the extent that such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as a committee member.

6.02 Proceedings of Committees. Each committee designated hereunder by the Board of Trustees may appoint its own presiding and recording officers and may meet at such places and times and upon such notice as such committee may from time to time determine. Each such committee shall keep a record of its proceedings and shall regularly report such proceedings to the Board of Trustees.

6.03 Quorum and Manner of Action. At each meeting of any committee designated hereunder by the Board of Trustees, the presence of members constituting at least a majority of the authorized membership of such committee (but in no event less than two members) shall constitute a quorum for the transaction of business, and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of

BOOK 2316 PAGE 75

such committee. The members of any committee designated by the Board of Trustees hereunder shall act only as a committee, and the individual members thereof shall have no powers as such.

6.04 Resignation and Removal. Any member of any committee designated hereunder by the Board of Trustees may resign at any time by delivering a written resignation to the President, the Board of Trustees, or the presiding officer of the committee of which he is a member. Unless otherwise specified therein, such resignation shall take effect upon delivery. The Board of Trustees may at any time, for or without cause, remove any member of any committee designated by it hereunder.

6.05 Vacancies. If any vacancy shall occur in any committee designated by the Board of Trustees hereunder, due to disqualification, death, resignation, removal, or otherwise, the remaining members shall, until the filling of such vacancy, constitute the then total authorized membership of the committee and, provided that two or more members are remaining, may continue to act. Such vacancy may be filled at any meeting of the Board of Trustees.

#### ARTICLE VII INDEMNIFICATION

7.01 Indemnification: Third Party Actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Trustee or officer of the Association, or is or was serving at the request of the Association as a director, trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by an adverse judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association and, with respect to

BOOK 2316 PAGE 76

any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

7.02 Indemnification: Association Actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Trustee or officer of the Association, or is or was serving at the request of the Association as a director, trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or willful misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

7.03 Determinations. To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 7.01 or 7.02 hereof, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under Sections 7.01 or 7.02 hereof shall be made by the Association only upon a determination that indemnification of the person is proper in the circumstances because he has met the applicable standard of conduct set forth respectively in Sections 7.01 or 7.02 hereof. Such determination shall be made either (i) by the Board of Trustees by a majority vote of disinterested Trustees or (ii) by independent legal counsel in a written opinion, or (iii) by the Members by the affirmative vote of at least fifty percent (50%) of the Total Votes of the Association at any meeting duly called for such purpose.

7.04 Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding as contemplated in this Article may be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon a majority vote of a quorum of the Board of Trustees and upon receipt of an undertaking by or on behalf of the person to repay such

amount or amounts unless it ultimately be determined that he is entitled to be indemnified by the Association as authorized by this Article or otherwise.

7.05 Scope of Indemnification. The indemnification provided for by this Article shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any provision in the Association's Articles of Incorporation, Bylaws, agreements, vote of disinterested Members or Trustees, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. The indemnification authorized by this Article shall apply to all present and future Trustees, officers, employees, and agents of the Association and shall continue as to such persons who cease to be Trustees, officers, employees, or agents of the Association and shall inure to the benefit of the heirs and personal representatives of all such persons and shall be in addition to all other rights to which such persons may be entitled as a matter of law.

7.06 Insurance. The Association may purchase and maintain insurance on behalf of any person who was or is a Trustee, officer, employee, or agent or was or is serving at the request of the Association as a trustee, director, officer, employee, or agent of another corporation, entity, or enterprise (whether for profit or not for profit), as may be required by the Declaration.

7.07 Payments and Premiums. All indemnification payments made, and all insurance premiums for insurance maintained, pursuant to this Article shall constitute expense of the Association and shall be paid with funds from the Common Expense fund referred to in the Declaration.

#### ARTICLE VIII FISCAL YEAR AND SEAL

8.01 Fiscal Year. The fiscal year of the Association shall begin on the first day of January each year and end on the 31st day of December next following, except that the first fiscal year shall be a partial year and shall begin on the date of incorporation.

8.02 Seal. The Board of Trustees may by resolution provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the Association, the state of incorporation, and the words "Corporate Seal".

BOOK 2316 PAGE 78

ARTICLE IX  
RULES AND REGULATIONS

9.01 Rules and Regulations. The Board of Trustees may from time to time adopt, amend, repeal, and enforce reasonable rules and regulations governing the use and operation of the Project, to the extent that such rules and regulations are not inconsistent with the rights and duties set forth in the Articles of Incorporation, the Declaration, or these Bylaws. The Members shall be provided with copies of all rules and regulations adopted by the Board of Trustees, and with copies of all amendments and revisions thereof.

ARTICLE X  
AMENDMENTS

10.01 Amendments. Except as otherwise provided by law, by the Articles of Incorporation, by the Declaration, or by these Bylaws, these Bylaws may be amended, altered, or repealed and new Bylaws may be made and adopted by the Members upon the affirmative vote of at least fifty-one percent (51%) of the voting power of the Members of the Association; provided, however, that such action shall not be effective unless and until a written instrument setting forth (i) the amended, altered, repealed, or new bylaw, (ii) the number of votes cast in favor of such action, and (iii) the total voting power of the Members of the Association, shall have been executed and verified by the current President of the Association.
