Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof, the Trust Estate, or the rights or powers of Beneficiary or Trustee. Should Beneficiary elect to appear in or defend any such action or proceeding, Trustor shall pay all costs and expenses, including costs of evidence of title and reasonable attorneys' fees and costs, incurred by Beneficiary or Trustee. Trustor shall, at its cost, do, execute, acknowledge, and deliver all further deeds, conveyances, trust deeds, assignments, notices of assignments, security agreements, financing statements, transfers, acts and assurances as Beneficiary shall from time to time require, for the better perfecting, continuing, assuring, granting, conveying, assigning, transferring, and confirming unto Trustee and Beneficiary the Trust Estate, and all rights hereby granted, conveyed or assigned or intended now or hereafter so to be, or which Trustor may be or may hereafter become bound to grant, convey or assign to Trustee or Beneficiary, or for carrying out the intention or facilitating the performance of the terms of the Note or the other Loan Documents.

### 8.3 Reserves for Taxes and Insurance.

8.3.1 In accordance with Section 7.38 of the Loan Agreement, beginning on the Conversion Date (as such term is defined in the Loan Agreement), Trustor shall pay to Beneficiary on the first calendar day of each month, until the Note is paid in full, an amount equal to one-twelfth of all estimated annual real property taxes for the Trust Estate, as such taxes are estimated by

Beneficiary. Trustor shall cause true and correct copies of all bills, statements, assessment notices or other documents relating to such real property taxes to be sent directly to Beneficiary contemporaneously with delivery to Trustor. Providing Trustor has paid sufficient funds to Beneficiary pursuant to the requirements of this Section 8.3.1 and in accordance with Section 7.38 of the Loan Agreement, Beneficiary shall pay such amounts as may be due for annual real property taxes on the Trust Estate out of the funds so paid to Beneficiary by Trustor. If at any time and for any reason Beneficiary determines in its sole discretion that the funds paid by Trustor to Beneficiary under this Section 8.3.1 are, or will be, insufficient to fully pay and discharge the annual real property taxes as may then or subsequently be due, Beneficiary shall notify Trustor and Trustor shall immediately pay the amount equal to such deficiency to Beneficiary. Nothing contained herein shall cause Beneficiary to be deemed a trustee of funds paid to Beneficiary pursuant to this Section 8.3.1. Beneficiary shall not be obligated to pay any interest on any sums held by Beneficiary pending disbursement or application hereunder, and Beneficiary may impound or reserve for future payment of such real property taxes such portion of such payments as Beneficiary may, in Beneficiary's absolute discretion, deem proper and may apply any excess balance to the payment of principal or interest on the Obligations secured hereby. Should Trustor fail to pay to Beneficiary sums sufficient to fully pay such annual real property taxes at least thirty (30) calendar days prior to the due date thereof, Beneficiary, at Beneficiary's election, but without any obligation to do so, may advance any amounts required to make up the deficiency, which advances, if any, shall be secured by this Trust Deed and shall bear interest and be repayable to Beneficiary in the manner specified in Section 8.5 of this Trust Deed.

8.3.2 In furtherance of Article 5 and Article 7 of this Trust Deed and anything to the contrary herein notwithstanding, if any Event of Default shall occur and be continuing, and at Beneficiary's written request, Trustor shall deposit with Beneficiary in a non-interest bearing account, on the first calendar day of each month, until the Note is paid in full, an amount equal to one-twelfth of the Impositions, other than the annual real property taxes on the Trust Estate, not already payable to Beneficiary pursuant to Section 8.3.1 of this Trust Deed, plus one-twelfth of the estimated annual aggregate insurance premiums on all policies of insurance required in Article 5 of this Trust Deed. In such event, Trustor shall cause true and correct copies of all bills, statements or other documents relating to such Impositions and insurance premiums to be sent directly to Beneficiary contemporaneously with delivery to Trustor. Providing Trustor has deposited sufficient funds with Beneficiary pursuant to this Section 8.3.2, Beneficiary shall pay such amounts as may be due thereunder out of the funds so deposited with Beneficiary by Trustor. If at any time and for any reason Beneficiary determines in its sole discretion that the funds deposited by Trustor with Beneficiary under this Section 8.3.2 are or will be insufficient to fully pay and discharge such amounts as may then or subsequently be due, Beneficiary shall notify Trustor and Trustor shall immediately deposit the amount equal to such deficiency with Beneficiary. Nothing contained herein shall cause Beneficiary to be deemed a trustee of funds deposited with Beneficiary pursuant to this Section 8.3.2. Beneficiary shall not be obligated to pay any interest on any sums held by Beneficiary pending disbursement or application hereunder, and Beneficiary may impound or reserve for future payment of such Impositions and insurance premiums such portion of such payments as Beneficiary may, in Beneficiary's absolute discretion, deem proper and may apply any excess balance to the payment of the principal or interest on the Obligations secured hereby. Should

Trustor fail to deposit with Beneficiary sums sufficient to fully pay such Impositions and insurance premiums at least thirty (30) calendar days prior to the due date thereof, Beneficiary, at Beneficiary's election, but without any obligation to do so, may advance any amounts required to make up the deficiency, which advances, if any, shall be secured by this Trust Deed and shall bear interest and be repayable to Beneficiary in the manner specified in Section 8.5 of this Trust Deed.

8.4 Performance in Trustor's Stead. Should Trustor fail to make any payment or to do any act as provided in this Trust Deed, then Beneficiary or Trustee, but without any obligation to do so, and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: (a) make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof (Beneficiary or Trustee being authorized to enter upon the Trust Estate for such purposes); (b) commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; or (c) pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be superior to the lien of this Trust Deed; and in exercising any such powers, incur any liability, or expend such reasonable amounts as Beneficiary may deem necessary therefor, including costs of evidence of title, employment of attorneys, and payment of reasonable attorneys' fees and costs. All such amounts expended by either or both Trustee or Beneficiary shall, at the election of Beneficiary, be added to the principal indebtedness secured by this Trust Deed and shall accrue interest in accordance with the terms of the Note. Trustor hereby waives and releases all claims or causes of action which may hereafter arise in favor of Trustor against Beneficiary by reason of any action taken by Beneficiary pursuant to any power or authority granted in this Section 8.4, except for gross negligence or willful misconduct of Beneficiary or any of its agents, employees or representatives.

8.5 Repayment of Advances. Trustor shall immediately repay to Beneficiary sums, with interest thereon as provided in the Note, which at any time may be paid or advanced by Beneficiary for the payment of insurance premiums, Impositions, title searches, title reports or abstracts, and any other advances made by Beneficiary which are reasonably necessary or desirable to maintain this Trust Deed as a prior, valid, and subsisting lien upon the Trust Estate, to preserve and protect Beneficiary's interest in this Trust Deed or to preserve, repair, or maintain the Trust Estate. All such advances shall be wholly optional on the part of Beneficiary, and Trustor's obligation to repay the same, with interest, to Beneficiary shall be secured by the lien of this Trust Deed.

8.6 No Removal of Fixtures. Trustor shall not, during the existence of this Trust Deed and without the written consent of Beneficiary, remove from the Real Property or the Improvements, any fixture, structure, or other improvement at any time affixed or constructively affixed to the Real Property or the Improvements or any portion thereof, or any Personalty, except in the ordinary course of Trustor's business or if Trustor replaces such fixture, structure or other improvement with a replacement of at least equal quality.

8.7 Further Assurance. Trustor authorizes Beneficiary to file or record, as appropriate, such further instruments, including without limitation Uniform Commercial Code Financing Statements and Continuation Statements, and do such further acts as may be necessary or as may

be reasonably required by Beneficiary to carry out more effectively the purposes of this Trust Deed and to subject to the lien, security interest and mortgage created or intended to be created hereby any property, rights, or interests covered or intended to be covered by this Trust Deed. Trustor authorizes (to the extent such authorization is valid under applicable law) Beneficiary to file such Uniform Commercial Code Financing Statements and Continuation Statements as Beneficiary may deem necessary in order to perfect, or continue the perfection of, the security interests created by this Trust Deed. Trustor agrees not to change Trustor's name, location or state of organization from that set forth in Section 3.1.6 of this Trust Deed without thirty (30) days prior written notice to Beneficiary.

8.8 Attornment. Trustor shall assign to Beneficiary, as additional security for Trustor's performance of the Obligations, any and all existing or future lease agreements entered into by Trustor, as landlord, which pertain to the Property or the Improvements, or any portion thereof, and all such leases shall contain a covenant on the part of the tenant thereunder, enforceable by Beneficiary, obligating such tenant, upon request of Beneficiary, to attorn to and become a tenant of Beneficiary, or any purchaser from Trustee or through foreclosure of this Trust Deed, for the unexpired term, and subject to the terms and conditions, of such future lease agreements. The assignments of lease shall be in form and content satisfactory to Beneficiary.

8.9 No Further Encumbrances. As an express condition of Beneficiary making the loan secured by this Trust Deed, Trustor shall not further encumber, pledge, mortgage, hypothecate, place any lien, charge or claim upon, or otherwise give as security the Trust Estate or any interest therein nor cause or allow by operation of law the encumbrance of the Trust Estate or any interest therein without the written consent of Beneficiary even though such encumbrance may be junior to the encumbrance created by this Trust Deed. Failure to remove an encumbrance of the Trust Estate contrary to the provisions of this Section 8.9 within thirty (30) days of a written request by Beneficiary, shall constitute an Event of Default and at Beneficiary's option, Beneficiary may declare the entire balance of principal and interest immediately due and payable, whether the same be created by Trustor or an unaffiliated third party asserting a judgment lien, mechanic's or materialmen's lien or any other type of encumbrance or title defect.

8.10 Due On Sale or Change of Control. Beneficiary has approved the Loan in material reliance upon the ownership and control of Trustor and the Trust Estate being the same as exists as of the Closing Date. It is acknowledged that any change in such ownership or control of (a) Trustor and/or (b) the Trust Estate (whether direct or indirect and regardless of the percentage interest conveyed) materially affects the financial risks anticipated by Beneficiary in extending the Loan. Accordingly, other than as set forth herein or with the prior written consent of Beneficiary, it is and shall be a default under this Trust Deed, the Note and all of the Loan Documents for there to be any sale, transfer, or conveyance (collectively a "**conveyance**") of any ownership interest or beneficial interest (regardless of the percentage interest conveyed or whether such interest is held as a partner, member, shareholder, beneficiary or otherwise) in: (i) Trustor or in the Trust Estate, or (ii) the operation, management, income, or profits of or fee title to the Trust Estate (whether held directly or indirectly), or (iii) any entity holding an ownership or beneficial or controlling interest in Trustor or in the Trust Estate or (iv) any entity which through one or more intermediaries holds any

ownership interest or beneficial interest, or controlling interest (direct or indirect) in Trustor or the Trust Estate. “**Control**” hereunder means the ability of any person or entity to (1) direct the business operations or voting procedures for any entity, (2) cause the election, selection, or the appointment of entity officers or managers, (3) cause the appointment of the management managing any entity, or (4) cast a majority of the votes in any election or decision making process for any entity, or (5) do any of the foregoing for any intermediary entity holding any ownership or beneficial or majority interest (whether direct or indirect) in Trustor or in the Trust Estate.

**If this Section 8.10 is breached, at the option of Beneficiary and without demand or notice, the full Principal Indebtedness of the Note and the other Obligations shall immediately become due and payable to Beneficiary.** If Beneficiary elects to accelerate payment of the Principal Indebtedness because of a default under this Section 8.10, and if the Note or any other Loan Document contains a yield maintenance provision or a prepayment fee or prepayment premium, such acceleration shall be deemed to be a “prepayment” of the Principal Indebtedness under the Loan, whether or not the accelerated Loan balance is actually paid at the time of the subject conveyance. At the time the Principal Indebtedness is accelerated by Beneficiary, any prepayment fee or prepayment premium or yield maintenance fee set forth in the Note or other Loan Document shall be immediately due and payable to Beneficiary together with the balance of the unpaid Principal Indebtedness and all unpaid-accrued interest on the Loan.

The foregoing limitations in this Section 8.10 regarding conveyance and control (collectively a “transfer”) shall not apply to the following situations: (a) a transfer to which Beneficiary has given its prior written consent, (b) a transfer of Personalty due to obsolescence or ordinary wear and tear or fire or casualty and which is promptly replaced by Trustor with Personalty of equal or greater value, (c) any transfer by Trustor leasing any portion of the Trust Estate to a tenant which is expressly permitted pursuant to (i) the Loan Agreement, and/or (ii) the Assignment of Leases, provided, however, Beneficiary holds a security interest in the lease and a subordination and non-disturbance agreement is granted in favor of Beneficiary on a Beneficiary approved form (unless the same is waived or not required pursuant to the Loan Agreement or the Assignment of Leases), (d) where the transfer under applicable state or federal law governing Beneficiary and the Loan (pursuant to either statutory authority or judicial opinion) expressly prohibits the use, exercise or enforcement of said due-on-sale or change-of-control clause in the form set forth in this Section 8.10, or (e) any transfer of a direct or indirect interest in (i) Trustor, (ii) ICO Multifamily Holdings, LLC, a Utah limited liability company (“ICO”), the sole member of Trustor, or (iii) Sundborn, LLC, a Utah limited liability company, the sole member of ICO, so long as (A) prior written notice of the transfer was given in writing to Beneficiary, (B) the transfer of the interest was made to one or more of the current members of ICO or Sundborn (i.e., to either the members of the Ivory Family as defined below or to Lodestar Capital, LP (“Lodestar”) or a current member of Lodestar and (C) immediately after each such transfer and at all times thereafter: (1) Trustor, ICO and Sundborn are controlled by the members of the Ivory Family (being defined as one or more of the following persons or Trusts: Clark Ivory, Christine Ivory his wife, the Abby Ivory Trust, the Mary Ivory Trust or the Faith Ivory Trust (but said Trusts will not be the Manager or the controlling entity or entities at any time of Trustor, ICO or Sundborn or this right is automatically terminated); (2) one or more of James Seaberg or Clark Ivory or Christine Ivory his wife, remain the Manager of the Trustor

and/or of ICO and/or of Sundborn; (3) James Seaberg and Lodestar own (either individually or collectively *and* either directly or indirectly) less than thirty percent (30%) of the aggregate equity interests in Trustor and/or ICO and Sundborn; and (4) Members of the Ivory Family own (either individually or collectively *and* either directly or indirectly) at least seventy percent (70%) or more of the aggregate equity interests in Trustor and/or ICO and Sundborn.

Notwithstanding the foregoing language of this Section 8.10, upon prior written notice to both Beneficiary and Trustor, a transfer of any interest in Trustor or ICO or Sundborn may be made without Beneficiary's consent so long as, after giving effect to such transfer, (X) the transfer results in Clark Ivory or entities, in which Clark Ivory holds the majority ownership and control of all voting and other interests, result in Clark Ivory or said entities in which Clark Ivory holds majority ownership and control controlling the Trustor, ICO or Sundborn or any or all of the same and (Y) at all times during the term of this Loan either Clark Ivory personally or the Ivory Companies, jointly and severally, (consisting of Ivory Homes, Ltd. (LP), Ivory Development, LLC, Ivory Land Corporation, Ivory Towns, LLC, Ivory Southern, LLC, Ivory Employee Leasing Corp and Sintra Investments, LLC) unconditionally guarantee the Loan to Trustor and all obligations and payments under the Loan Documents in form and substance acceptable to Beneficiary.

In the event of any conflict among the Loan Agreement or this Trust Deed and any security agreement governing the Collateral for the Loan, the following conflict resolution provision shall apply: (i) if the Collateral is Personalty and does not constitute fixtures and is not part of the Trust Estate, such security agreement governing the Personalty shall control, unless Trustor and Beneficiary agree otherwise; or (ii) if the Collateral constitutes fixtures and is part of the Trust Estate, this Trust Deed shall control, unless Trustor and Beneficiary agree otherwise. In any event, the Loan Agreement shall control over any conflict between this Trust Deed or the security agreement governing the Collateral.

8.11 Evidence of Title. Trustor shall deliver to, pay for and maintain with Beneficiary until the indebtedness secured hereby is paid in full, such evidence of title as Beneficiary may require, including abstracts of title or policies of title insurance and any extensions or renewals thereof or supplements or endorsements thereto.

8.12 Additional Collateral. If, at any time, the value of all of the Trust Estate, based on an appraisal acceptable to Beneficiary, is not sufficient to establish a ratio between the total amount of the Obligations then due and owing and the value of all of the Trust Estate equal to or less than one hundred percent (100%), Trustor shall provide Beneficiary with such additional collateral as is necessary so that the total value of all collateral securing Trustor's performance of the Obligations is sufficient to establish a ratio between the total amount of the Obligations then due and owing and the value of all such collateral of no more than one hundred percent (100%).

8.13 Compliance With Laws. Trustor shall comply with all laws, ordinances, regulations, easement agreements, covenants, conditions, and restrictions (including laws relating to hazardous wastes and/or protection of the environment, or species of plants or animals protected by federal, state, local or other law) affecting the Trust Estate. Trustor shall not cause, permit nor suffer any

violation of any of the foregoing and shall pay all response costs, fees, or charges of any kind in connection therewith and defend, indemnify, and hold harmless Beneficiary with respect thereto.

8.14 Financial Statements. Trustor shall keep adequate books and records of account of the Trust Estate and its own financial affairs sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles. Beneficiary shall have the right to examine, copy and audit Trustor's records and books of account during normal business hours and upon at least one (1) day prior written notice to Trustor. Trustor shall furnish to Beneficiary copies of its financial statements and other financial information satisfactory to Beneficiary at the time and in the manner provided in the Loan Agreement.

8.15 Inspections. Beneficiary, and its agents, representatives and employees, are authorized, but not obligated, to enter during normal business hours and upon at least one (1) day prior written notice to Trustor upon the Real Property for the purpose of inspecting the same, and for the purpose of performing any of the acts it or Trustor is authorized to perform under the terms of this Trust Deed or any other Loan Document.

8.16 No Merger. If the Trust Estate is under any lease or any portion thereof which constitutes a part of the Trust Estate shall at any time become vested in one owner, this Trust Deed and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger and, in such event, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Trust Deed on the Trust Estate pursuant to the provisions of this Trust Deed, any leases or subleases then existing and created by Trustor shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at any such foreclosure sale shall so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant.

8.17 No Unit Sales. In addition to any other prohibitions on sale or transfer of the Trust Estate and notwithstanding that a condominium regime may be established by Trustor in connection with the Trust Estate, Trustor, for itself and its successors in interest, agrees that until the Loan has been paid in full, Trustor shall be prohibited from selling, offering for sale, or otherwise transferring any of the eighty (80) condominium units owned by Trustor within the Trust Estate, except for the grant of ordinary residential leases to tenants pursuant to lease forms and lease terms previously approved by Beneficiary. This restriction will apply to the Trust Estate until the Loan has been paid in full and Beneficiary has released this Trust Deed unless the Trust Estate is acquired by foreclosure or an instrument in lieu of foreclosure, or Beneficiary, in its sole and absolute discretion, consents in writing to such a sale or transfer.

## ARTICLE 9 CONDEMNATION AWARDS

If the Trust Estate or any portion thereof should be taken or damaged by reason of any public improvement or condemnation proceeding, Beneficiary shall be entitled to all compensation, awards,

and other payments or relief therefor, and shall be entitled at Beneficiary's option to commence, appear in, and prosecute in Beneficiary's own name any action or proceeding, and to make any compromise or settlement, in connection with such taking. Trustor shall promptly give notice to Beneficiary of any condemnation proceeding or any taking for public improvement. All such compensation, awards, damages, causes of action, proceeds, or other payments are hereby assigned to Beneficiary, which may, after deducting therefrom all costs and expenses (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorneys' fees, incurred by Beneficiary in connection with such compensation, awards, damages, rights of action, proceeds, or other payments, release any and all moneys so received by Beneficiary or apply the same, or any portion thereof, on any of the Obligations (whether or not then due) secured by this Trust Deed. Beneficiary shall have no obligation to apply proceeds of condemnation to restore or repair damage to the Trust Estate regardless of whether such taking has a significant adverse impact on the operation of the remaining portion of the Trust Estate. Trustor shall execute and deliver to Beneficiary such further assignments of such compensation, awards, damages, causes of action, proceeds, or other payments as Beneficiary may from time to time require.

#### ARTICLE 10 ASSIGNMENT OF LEASES, RENTS AND INCOME

10.1 Assignment. Trustor hereby absolutely assigns to Trustee all right, title and interest of Trustor in and to all leases now existing or hereafter entered into by Trustor and demising the whole or any part of the Trust Estate, and does hereby further assign any and all rents, subrents, apartment rents, unit rents, room rents and any and all other amounts received for the use of all or any portion of the Trust Estate, including the Improvements (and including, without limitation, apartments, units or rooms in the Improvements), and any and all apartment rental agreements, unit rental agreements and room rental agreements and arrangements now owned or hereafter acquired, and all proceeds from such rents, apartment rents, unit rents and/or room rents, covering the Trust Estate or any portion thereof, now or hereafter existing or entered into, together with issues, royalties, income, profits and security deposits of and from the Trust Estate. Until the occurrence of an Event of Default, Trustor may, under a temporary revocable license granted hereby, collect and use all such rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income, and profits which become payable prior to default. Upon Trustor's failure to timely cure an Event of Default under the Loan Documents, Trustor's license to collect and use any of such proceeds shall immediately cease without further action by or on behalf of any party, and Beneficiary shall have the right, with or without taking possession of the Trust Estate, and either in person, by agent, or through a court-appointed receiver (Trustor hereby consents to the appointment of Beneficiary or Beneficiary's designee as such receiver), to sue for or otherwise collect all such rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income, and profits, including those past due and unpaid. Any sums so collected, after the deduction of all costs and expenses of operation and collection (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorneys' fees, shall be applied toward the payment of the Obligations. Such right of collection and use of such proceeds by Beneficiary shall obtain both before and after the exercise of the power of sale provisions of this Trust Deed, the foreclosure of this Trust Deed and throughout any period of redemption. The rights granted under

this Section 10.1 shall in no way be dependent upon and shall apply without regard to whether all or a portion of the Trust Estate is in danger of being lost, removed, or materially injured, or whether the Trust Estate or any other security is adequate to discharge the obligations secured by this Trust Deed. Beneficiary's failure or discontinuance at any time to collect any of such proceeds shall not in any manner affect the right, power, and authority of Beneficiary thereafter to collect the same. Neither any provision contained herein, nor the Beneficiary's exercise of Beneficiary's right to collect such proceeds, shall be, or be construed to be, an affirmation by Beneficiary of any tenancy, lease, sublease, option, or other interest in the Trust Estate, or an assumption of liability under, or a subordination of the lien or charge of this Trust Deed to, any tenancy, lease, sublease, option, or other interest in the Trust Estate. All tenants, lessees, sublessees and other persons which have any obligation to make any payment to Trustor in connection with the Trust Estate or any portion thereof are hereby authorized and directed to pay the rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income, and profits payable by them with respect to the Trust Estate, or any part thereof, directly to Beneficiary on the demand of Beneficiary. Beneficiary's receipt of such rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income, and profits shall be a good and sufficient discharge of the obligation of the tenant, lessee, sublessee, or other person concerned to make the payment connected with the amount so received by the Trustee.

10.2 Application of Payments. If at any time during the term of this Trust Deed Beneficiary receives or obtains a payment, installment, or sum which is less than the entire amount then due under the Note secured by this Trust Deed and under all other instruments further evidencing or securing the Obligations, then Beneficiary shall, except as provided otherwise in the Note and notwithstanding any instructions which may be given by Trustor, have the right to apply such payment, installment, or sum, or any part thereof, to such of the items or obligations then due from Trustor or to Beneficiary as Beneficiary may in Beneficiary's sole discretion determine.

10.3 No Waiver of Rights by Collection of Proceeds. The entering upon and taking possession of the Trust Estate or any portion of the Trust Estate or the collection of rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income, profits, proceeds of fire and other insurance policies, or compensation or awards for any taking or damaging of the Trust Estate, or the application or release thereof as aforesaid, shall not cure or waive any Event of Default or notice of default hereunder, shall not invalidate any act done pursuant to such notice of default, and shall not operate to postpone or suspend the obligation to make, or have the effect of altering the size of, any scheduled installments provided for in any of the Obligations secured by this Trust Deed.

10.4 Indemnification. Trustor shall indemnify, pay, protect, defend and hold Beneficiary harmless from and against all claims, demands, judgments, liabilities, actions, costs, and fees (including reasonable attorneys' fees) arising from or related to receipt by Beneficiary of the rents, subrents, apartment rents, unit rents, room rents, issues, royalties, income and profit from the Trust Estate or any portion of the Trust Estate, except those liabilities arising from Beneficiary's own gross negligence and willful misconduct.

## ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. Fifteen (15) days after written notice from Beneficiary to Trustor for monetary defaults and thirty (30) days after written notice from Beneficiary to Trustor for non-monetary defaults, if such defaults are not cured within such fifteen (15) day or thirty (30) day periods, respectively, each of the following shall constitute an event of default under this Trust Deed (an "Event of Default"):

11.1.1 Failure to Make Payment. If Trustor shall fail to make any payment due and payable under the terms of the Note, this Trust Deed, or any other Loan Document.

11.1.2 Non-Monetary Default. Except as provided otherwise in Section 11.1.1 of this Trust Deed, Trustor's failure to observe and perform any of the terms, covenants, or conditions to be observed or performed in the Note, this Trust Deed or any other Loan Document.

11.1.3 Loan Agreement. Any Event of Default occurs under the Loan Agreement.

11.1.4 False Warranty. Any material representation or warranty of Trustor contained in the Note, this Trust Deed or any other Loan Document was untrue when made.

11.1.5 Insolvency, Etc. If (a) Trustor commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of Trustor or Trustor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for Trustor or for all or any substantial part of Trustor's property; (b) any guarantor of the Note commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of such guarantor or such guarantor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for such guarantor or for any substantial part of such guarantor's property; or (c) any such case, proceeding, or other action is commenced against either Trustor or any guarantor of the Note and such case, proceeding or other action is not dismissed within ninety (90) days after being filed.

11.1.6 Failure to Pay Debts. Trustor fails to pay Trustor's debts as they become due, admits in writing Trustor's inability to pay Trustor's debts, or makes a general assignment for the benefit of creditors.

11.1.7 Failure to Perform Other Obligations. A default by Trustor under the terms of any other promissory note, deed of trust, security agreement, undertaking or arrangement between Trustor and Beneficiary now existing or entered into hereafter that is not cured within any applicable cure period.

11.1.8 Cross Default. A default by Trustor under any other agreement or arrangement between the parties to the Note now existing or entered into hereafter that is not cured within any applicable cure period provided in such other agreement or arrangement.

11.2 Acceleration; Notice. Time is of the essence hereof. Upon the occurrence of any Event of Default under this Trust Deed, at Beneficiary's option and in addition to any other remedy Beneficiary may have under the Note, Beneficiary may declare all sums secured hereby immediately due and payable and elect to have the Trust Estate sold in the manner provided herein. In the event Beneficiary elects to sell the Trust Estate, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause the Trust Estate to be sold to satisfy the obligations hereof, and Trustee shall file such notice for record in the office of the County Recorder of the County wherein the Trust Estate is located. Beneficiary shall also deposit with Trustee the Note and all documents evidencing expenditures secured by this Trust Deed.

11.3 Exercise of Power of Sale. Pursuant to applicable law, after the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Trust Estate on the date and at the time and place designated in the notice of sale.

11.4 Surrender of Possession. Trustor shall surrender possession of the Trust Estate to the purchaser immediately after the sale of the Trust Estate as provided in Section 11.3 of this Trust Deed, in the event such possession has not previously been surrendered by Trustor.

11.5 UCC Remedies. Notwithstanding anything to the contrary in Sections 11.3 and 11.4 of this Trust Deed, Beneficiary, with regard to all Personalty, including fixtures, chattels, equipment, inventory, and personal property, conveyed to Trustee under Section 1.2 of this Trust Deed, shall have the right to exercise, from time to time, any and all rights and remedies available to Beneficiary, as a secured party under the Utah Uniform Commercial Code, and any and all rights and remedies available to Beneficiary under any other applicable law. Upon written demand from Beneficiary, Trustor shall, at Trustor's expense, assemble such fixtures, chattels, equipment, inventory, and personal property and make them available to Beneficiary at a reasonably convenient place designated by Beneficiary. Upon the occurrence of any Event of Default under this Trust Deed, Beneficiary shall have the right to enter upon any premises where the Personalty or records pertaining to the Personalty may be and take possession of the Personalty and records relating to the Personalty. After so taking possession, Beneficiary may sell, lease or otherwise dispose of any or all of the Personalty and, after deducting the reasonable costs and out-of-pocket expenses incurred by Beneficiary, including, without limitation, (a) reasonable attorneys' fees and legal expenses, (b) transportation and storage costs, (c) advertising of sale of the Personalty, (d) sale commissions, (e) sales tax, (f) costs for improving or repairing the Personalty, and (g) costs for preservation and protection of the Personalty, apply the remainder to pay, or to hold as a reserve against, the Obligations.

11.6 Foreclosure as a Mortgage. If an Event of Default occurs hereunder, Beneficiary shall have the option to foreclose this Trust Deed in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceedings all costs and expenses incident thereto, including reasonable attorneys' fees and costs in such amounts as shall be fixed by the court.

11.7 Receiver.
