As further security for the Indebtedness and the full and complete performance of each and every obligation, covenant, agreement and duty of Trustor contained herein or contained in any other document executed by Trustor pertaining to the Note or the security therefor:

A. Security Interest. Trustor hereby grants and conveys, jointly and severally, to Beneficiary a security interest in and lien on all of the Collateral. This Deed of Trust shall serve as a Security Agreement created pursuant to the Utah Uniform Commercial Code, as may be amended from time to time (the "UCC"), and Beneficiary shall have and may exercise all rights, remedies and powers of a secured party under the UCC. Trustor hereby jointly and severally represents, warrants and covenants that (1) Trustor is the owner and holder of the Collateral free and clear of any adverse claim, security interest or encumbrance, except those created herein; (2) Trustor will defend, jointly and severally, the Collateral, and the priority of the security interest created herein as a valid first security interest against all claims and demands of any person at any time claiming the same or any interest therein; (3) there are no financing statements by Trustor, as debtor, now on file in any public office except those financing statements which are being released contemporaneously with the delivery of this transaction or which have been authorized by Beneficiary; (4) Trustor authorizes Beneficiary to file or record such other and further agreements, financing statements and assignments in such offices and at such times as it is deemed by Beneficiary to be necessary or desirable; and (5) Trustor will execute and deliver to Beneficiary such other and further agreements, financing statements and assignments as Beneficiary may request.

their addresses are those set forth at the beginning of this Deed of Trust. Certain of the Mortgaged Property is or will become "fixtures" (as that term is defined in the UCC), and this Deed of Trust, upon being filed for record in the real estate records wherein the Mortgaged Premises are situated, shall operate also as a financing statement filed as a fixture filing in accordance with the applicable provisions of UCC upon such Mortgaged Property that is or may become fixtures.

B. Assignment of Condemnation Awards. To the extent of the full amount of the Indebtedness secured hereby and of the cost and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Beneficiary in the collection of any award or payment, Trustor hereby assigns to Beneficiary any and all of Trustor's right, title and interest in and to any and all awards or payments, including, without limitation, all interest thereon, together with the right to receive the same, which may be made with respect to the Mortgaged Property as a result of (1) the exercise of the right of eminent domain; (2) the alteration of the grade or of any street; or (3) any other injury to or decreased value in the Mortgaged Property, as well as the right, but not the obligation, to, at Trustor's expense, participate in and make decisions concerning the progress of any proceeding involving any such award or payment. Trustor shall give Beneficiary written notice of any such action or proceeding immediately upon Trustor's becoming aware of same. All such damages, condemnation proceeds and consideration shall be paid directly and solely to Beneficiary whether or not an Event of Default has at such time occurred, and after first applying said sums to the payment of all costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by Beneficiary in obtaining such sums, Beneficiary shall, at its option, either, apply the balance on the Indebtedness, in any order and whether or not then due, without prepayment premium or any penalty, or to the restoration of the Mortgaged Property, or release the balance to Trustor provided, however, that said application or release shall not cure or waive any default.

IV. ABSOLUTE ASSIGNMENT OF RENTS

In further consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns to Beneficiary any and all rents, revenues, profits and incomes from the Mortgaged Property or any portion thereof; provided, however, that, so long as no Event of Default has occurred, Trustor is hereby granted a license to collect and retain the currently accruing rents, revenues, profits and incomes from the Mortgaged Property, but in no event may Trustor collect same for more than one (1) month in advance of the date upon such amounts become due (except for deposits collected in good faith in the ordinary course of business from unrelated third parties). If an Event of Default shall occur, however, thereupon, and at any time thereafter such default is continuing, Beneficiary may terminate such license and may, without any liability to Trustor, take possession and control of the Mortgaged Property and/or receive and collect all rents, revenues, profits and incomes, accrued or accruing thereafter so long as any of the Indebtedness remains unpaid, applying so much thereof as may be collected first to the expenses incident to taking possession and/or the collection thereof, and second to the payment of the Indebtedness other than the Note and third to the amount of the Note then

remaining unpaid, at Beneficiary's discretion, either principal or interest, in any order, and whether then matured or not, paying the balance, if any, to Trustor. It is intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only, and that Beneficiary shall be entitled to exercise its rights hereunder whether or not Beneficiary is in possession of the Mortgaged Property at such time. Trustor agrees to fulfill or perform each and every covenant of any and all leases and guaranties of leases of the Mortgaged Property so as to keep them at all times in full force and effect. The failure to fulfill or perform any such covenant or the making of or consent to any such modification or cancellation, termination or surrender in violation of this provision shall be an Event of Default. Nothing contained in this Deed of Trust or in any other document securing, evidencing or relating to the Indebtedness shall preclude Beneficiary from taking any action to cure or remedy any default of Trustor under any lease of all or any portion of the Mortgaged Property or any guaranty of lease, or any act, omission or occurrence which but for the passage of time, the giving of notice or both, would be a default under any such lease or guaranty of lease or take any other action in connection therewith and any amounts expended by Beneficiary in connection with such cure or remediation including, without limitation, reasonable attorneys' fees and expenses, shall be an advance under and secured by this Deed of Trust and shall be included in the Indebtedness and shall be paid by Trustor to Beneficiary on demand. The preceding sentence shall not be construed to obligate Beneficiary to cure any such actual or potential lease defaults or any such actual or potential guaranty of lease defaults. In the event that any provision of this Article IV conflicts or is inconsistent with that certain Absolute Assignment of Leases and Rents of even date herewith executed by Trustor and further securing the Note, the terms of such Assignment of Leases and Rents shall control.

Based on Trustor's knowledge, the present and contemplated use and occupancy of the Mortgaged Premises does not violate or conflict in any material respects with any applicable law, statute, ordinance, rule, regulation or order of any kind, including, without limitation, Environmental Laws, zoning, building, land use, noise abatement, occupational health and safety or other laws, any building permit or any condition, grant, easement, covenant, condition or restriction, whether recorded or not and if a third-party is required under any covenants, conditions and restrictions of record or any other agreement to consent to the use and/or operation of the Mortgaged Premises, Trustor has obtained such approval from such party.

Other than as disclosed in the Environmental Reports, the Mortgaged Premises has never been used, and the Mortgaged Premises will not be used for any activities which, directly or indirectly, involve the use, generation, treatment, storage, transportation or disposal of any Hazardous Materials (other than Permitted Substances). To Trustor's actual knowledge, other than as disclosed in the Environmental Reports, other than with respect to Permitted Substances, no Hazardous Materials exist now, and Trustor will not use, generate, treat, store, transport, or dispose of Hazardous Materials hereafter, on or under the Mortgaged Premises or in any surface waters or groundwaters on or thereunder. Other than as disclosed in the Environmental Reports, Trustor has not violated, and will not violate, any Environmental Laws;

Other than as disclosed in the Environmental Reports, to Trustor's knowledge there are no facilities on the Mortgaged Premises which are subject to reporting under any State laws or Section 312 of the Federal Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. sec. 11022), and federal regulations promulgated thereunder. Other than as disclosed in the Environmental Reports, the Mortgaged Premises does not contain any underground storage tanks.

NOTWITHSTANDING ANY NON-RECOURSE LANGUAGE IN THE NOTE OR THIS DEED OF TRUST, Trustor hereby agrees, jointly and severally, to INDEMNIFY AND HOLD HARMLESS Beneficiary, and all of its directors, officers, employees, attorneys, contractors and agents, and any successors and assigns, their directors, officers, employees, and agents (individually and collectively the "Indemnitees"), from and against any and all loss, damage, expense or liability (including reasonable attorney's fees and investigatory expenses) incurred arising out of the use, occurrence, generation, storage, transportation or disposal of

Hazardous Materials on or about the Mortgaged Property by Trustor, its present tenants or any future tenants, any prior owner, operator or tenant of the Mortgaged Property, or any third party, including, without limitation, (i) all foreseeable and unforeseeable consequential damages, directly or indirectly arising out of the use, occurrence, generation, storage, transportation or disposal of Hazardous Materials by Trustor, past, present or future tenants, owners or operators of the Mortgaged Property, or any third party, and (ii) the cost of any required or necessary repair, cleanup or detoxification, claimed, threatened or asserted against any such Indemnitee; SUCH INDEMNIFICATION AND HOLD HARMLESS SPECIFICALLY INCLUDES ANY LOSS, DAMAGE, EXPENSE OR LIABILITY CAUSED BY OR ATTRIBUTABLE TO THE ORDINARY OR SIMPLE NEGLIGENCE, AS OPPOSED TO THE GROSS NEGLIGENCE, OF ANY INDEMNITEE AND FOR ANY ACTION OR OCCURRENCE FOR WHICH THE INDEMNITEE MAY INCUR STRICT LIABILITY, but such indemnity and hold harmless shall not apply with respect to any Hazardous Substances which first occurred on the Mortgaged Property after any foreclosure of this Deed of Trust or conveyance in lieu thereof or to the extent that such loss, damage, expense or liability is caused by or attributable to such Indemnitee's negligence or willful misconduct. Trustor's obligations pursuant to the foregoing indemnification and agreement to hold harmless shall survive any termination of the estate created by this Deed of Trust whether as a result of the exercise by Beneficiary of any default remedies available to it at law or in equity or otherwise. Trustor acknowledges and agrees that as a condition precedent to making the loan to Trustor evidenced by the Note secured by this Deed of Trust, Beneficiary has required that Trustor provide to the Indemnitees the indemnification and agreement to hold harmless set forth herein, and that Beneficiary would not consummate the Loan without this indemnification and hold harmless and that the indemnification and agreement to hold harmless contained herein is a material inducement for Beneficiary's agreement to make the Loan. Further, Trustor agrees that the foregoing indemnification and agreement to hold harmless is separate, independent of and in addition to its undertakings as "Maker" under the Note, as "Trustor" under this Deed of Trust, as "Assignor" under the Absolute Assignment of Leases and Rents and under any and all other documents, agreements and undertakings executed by Trustor in favor of Beneficiary pursuant to the Note. Trustor agrees that a separate action may be brought to enforce the provisions of this indemnification and agreement to hold harmless, which shall in no way be deemed to be an action on the Note or under this Deed of Trust, whether or not Beneficiary would be entitled to a deficiency judgment following a foreclosure sale of the Mortgaged Property.

Except as otherwise disclosed to Beneficiary in writing, to Trustor's actual knowledge, the present use and occupancy of the Mortgaged Property do not violate or conflict with any applicable law, statute, ordinance, rule, regulation or order of any kind, including, without limitation, Environmental Laws, zoning, building, land use, noise abatement, occupational health and safety or other laws, any building permit or any condition, grant, easement, covenant, condition or restriction, whether recorded or not and if a third-party is required under any covenants, conditions and restrictions of record or any other agreement to consent to the use and/or operation of the Mortgaged Property, Trustor has obtained such approval from such party;

To Trustor's actual knowledge, the Mortgaged Property has never been used, nor has Trustor used the Mortgaged Property, for any activities which, directly or indirectly, involve the use, generation, treatment, storage, transportation or disposal of any Hazardous Materials during Trustor's or Trustor's affiliates' ownership of the Mortgaged Property. Except as disclosed in the Environmental Report, no Hazardous Materials, to Trustor's actual knowledge, exist on or under the Mortgaged Property or in any surface water(s) or groundwater(s) on or under the Mortgaged Property. Except as may be disclosed in the Environmental Report, to Trustor's actual knowledge, the Mortgaged Property and its prior uses have at all times, during Trustor's or Trustor's affiliates' ownership of the Mortgaged Property, complied with all Environmental Laws, and Trustor has not violated, and will not violate, any Environmental Laws;

There are no facilities on the Mortgaged Property which are subject to reporting under any State laws or Section 312 of the Federal Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. sec. 11022), and federal regulations promulgated thereunder. The Mortgaged Property does not contain any underground storage tanks.

(I) Tenants In Common, Roll-Up and Management Agreement Provisions. As long as the Indebtedness is outstanding, the provisions of this Section I and all other provisions of this Deed of Trust shall govern, control and supercede any contrary or inconsistent provisions of (i) The HUB Operating Agreement and (ii) that certain Tenant-In-Common Agreement dated as of or about January 9, 2019 executed by each Trustor (as amended from time to time with the prior written consent of Beneficiary, the "TIC Agreement"); provided, however, that the terms of this Deed of Trust shall not amend the terms of the TIC Agreement or The HUB Operating Agreement except to the extent, if any, expressly provided in such TIC Agreement or The HUB Operating Agreement, as applicable.

(1) TIC Agreement. Except as permitted under this Deed of Trust, no Trustor shall amend, modify, alter, assign or terminate the TIC Agreement without the prior written consent of Beneficiary, except as a result of any transfer in compliance with the terms of this Deed of Trust. Each Trustor shall timely perform its obligations under the TIC Agreement. Each Trustor covenants and agrees that Beneficiary shall be and hereby is made an intended third party beneficiary of the TIC Agreement. Notwithstanding the foregoing, any action (or inaction) by a Trustor that constitutes an Event of Default under this Deed of Trust, although such action (or inaction) is permitted under the terms of the TIC Agreement, shall nevertheless constitute an Event of Default hereunder and shall not be deemed waived by virtue of such action (or inaction) being permitted under the TIC Agreement. Each Trustor agrees that the TIC Agreement shall automatically terminate upon Beneficiary's acquisition of the Property pursuant to the entry of a judgment of foreclosure, sale of the Property by non-judicial foreclosure sale, or delivery by Trustor of a deed in lieu of foreclosure. Each Trustor hereby acknowledges and agrees that the TIC Agreement does not constitute a lien or other encumbrance upon the Property, notwithstanding that the TIC Agreement or a memorandum thereof may be recorded.

(2) Subordination of TIC Agreement. Each Trustor hereby irrevocably (i) subordinates the TIC Agreement and each Trustor's rights, remedies and indemnities under the TIC Agreement to this Deed of Trust, the other Loan Documents and the other obligations and liabilities thereunder and covenants and agrees not to assert, collect, sue upon or otherwise enforce such rights, remedies and indemnities while any portion of the Indebtedness and the other obligations and liabilities thereunder are outstanding; (ii) waives any and all Trustor's lien rights or security interests with respect to the Property and the interests of any other party to the TIC Agreement; (iii) subjects and subordinates in all respects to the Indebtedness, the Loan Documents and the rights of Beneficiary, any and all rights to, or to obtain, reimbursement, interest on reimbursement claims, and other amounts under the TIC Agreement, and (iv) shall have no lien of any kind under any provision of the TIC Agreement. Notwithstanding any provision of the TIC Agreement to the contrary, but subject to the terms of subsection I(5) of this Deed of Trust, in no event shall any Trustor be obligated to repay any other Trustor any funds, amounts or interest on amounts which would, absent this covenant and agreement, be due and owing under the TIC Agreement or otherwise, and each Trustor covenants and agrees not to assert, collect, sue upon or otherwise enforce against any other Trustor any claims, rights or remedies against any other Trustor under the TIC Agreement or otherwise; provided, that, Trustor may enforce its rights to purchase a Defaulting Tenant in Common or Dissenting Tenant in Common pursuant to the terms of the TIC Agreement and this Deed of Trust.

(3) Waiver of Partition. No Trustor shall commence or prosecute any partition action with respect to all or any portion of the Mortgaged Property. Each Trustor hereby expressly waives its right to partition all of any portion of the Mortgaged Property, provided, however, that the aforementioned covenants in this subsection I(3) of this Deed of Trust shall be in force and effect only for the term of this Deed of Trust.

(4) Purchase, Sale, Encumbrance. Except as provided in this Deed of Trust, no Trustor shall encumber its undivided interest in the Property while the Indebtedness is outstanding without the prior written consent of the Beneficiary, which consent may be withheld in Beneficiary's sole and absolute discretion. Except as provided in this Deed of Trust, notwithstanding the provisions of the TIC Agreement, no purchase or sale under the TIC Agreement may or shall be completed without Beneficiary's prior written consent.

(5) Subordination of Claims under TIC Agreement. Each Trustor agrees as follows with respect to any amounts owed to such Trustor by any other Trustor under the TIC Agreement, the Roll-Up Agreement, the Asset Management Agreement, or otherwise, and any interest thereon or claims or causes of action with respect thereto (collectively, "Subordinate Claims"):

(a) each Trustor hereby postpones and subordinates payment of and makes all the Subordinate Claims subject in right of satisfaction, payment and performance, to the full and absolute payment of the Indebtedness;

(b) each Trustor hereby covenants and agrees that payments under or with respect to any Subordinate Claims will be made only from excess cash flow from the Property, and only so long as no default exists under the Loan Documents;

(c) each Trustor waives all rights to declare default and pursue remedies with respect to the Subordinate Claims unless and until such time as the Indebtedness shall have been paid in full and discharged by Beneficiary;

(d) each Trustor covenants and agrees that it shall not petition for or otherwise institute bankruptcy or insolvency proceedings against any other Trustor; and

(e) each Trustor covenants and agrees that in the event of any bankruptcy, insolvency, arrangement, reorganization or receivership proceeding relating to any other Trustor, the following shall apply:

(i) each Trustor hereby assigns all his, her or its voting rights, as creditor or otherwise, in connection with any such proceeding to the Beneficiary;

(ii) In any such proceeding, Trustor will duly and promptly take such action as Beneficiary may request to (A) collect for the account of Beneficiary the Subordinate Claims and to file appropriate claims or proofs of claim with respect thereto; and (B) execute and deliver to Beneficiary such powers of attorney, assignments or other instruments as Beneficiary may request in order to enable it to enforce any and all claims with respect to the Subordinate Claims; and

(iii) In any such proceeding Beneficiary may, and is hereby irrevocably authorized and empowered (in its own name or in the name of the said Trustor) but shall have no obligation to: demand, sue for, collect and receive every payment or distribution in respect of the Subordinate Claims and give acquittance therefor; and file claims and proofs of claims and take such other action (including, without limitation, voting the Subordinate Claims and approving or objecting to a plan of reorganization) as Beneficiary may deem necessary or advisable.

(6) No Violation of Loan Documents. No Trustor shall take any action, whether or not otherwise permitted under the TIC Agreement, Roll-Up Agreement or the Asset Management Agreement, which violates or may result in a breach or default under the Loan Documents.

(7) Confidentiality Provisions. The provisions of the Roll-Up Agreement, Management Agreement and the TIC Agreement, if any, which in any manner relate to

confidentiality or limit or prohibit disclosure of information shall be of no force or effect as to the Beneficiary while the Indebtedness is outstanding.

(8) Asset Management Agreement. Except as provided in this Deed of Trust, no Trustor shall amend, modify, alter, assign or terminate the Asset Management Agreement without the prior written consent of Beneficiary. Each Trustor shall timely perform its obligations under the Asset Management Agreement, except with respect to amendments, modifications or assignments required or made in connection with transfers made in accordance with this Deed of Trust. Each Trustor covenants and agrees that Beneficiary shall be and hereby is made an intended third party beneficiary of the Asset Management Agreement. Notwithstanding the foregoing, any action (or inaction) by a Trustor that constitutes an Event of Default under this Deed of Trust, although such action (or inaction) is permitted under the terms of the Asset Management Agreement, shall nevertheless constitute an Event of Default hereunder and shall not be deemed waived by virtue of such action (or inaction) being permitted under the Asset Management Agreement.

(9) Communication. Asset Manager, as defined under the Asset Management Agreement, shall have the right to communicate with the Beneficiary on behalf of the Trustor and to handle all matters on behalf of the Trustor under the terms of the Loan Documents. Without limitation of the foregoing, Asset Manager shall provide to Beneficiary all reports and other information required pursuant to the terms of this Deed of Trust and the other Loan Documents and to request Beneficiary's approval for any matters requiring such approval in accordance with the terms of this Deed of Trust and the other Loan Documents. All reporting covenants contained in this Deed of Trust and the other Loan Documents, while constituting the obligation of the Trustor hereunder and thereunder, shall be performed by the Asset Manager on behalf of the Trustor.

(10) Convenience of Drafting. References to "each Trustor" and similar terminology are for convenience of drafting only and does not limit or modify the intent that the defined term "Trustor" is intended to each of the parties comprising the Trustor and as well as both of such parties comprising the Trustor.

VI. ADDITIONAL COVENANTS OF TRUSTOR

As long as any of the Indebtedness remains unpaid, Trustor, jointly and severally, covenants and agrees that:

A. Payment of Indebtedness. Trustor shall pay the Indebtedness promptly when due and payable.

B. Payment of Taxes and Other Assessments. Subject to Section VI(D) below, Trustor will pay, or cause to be paid, prior to delinquency all taxes, assessments and other governmental, municipal or other public dues, charges, fines, or impositions imposed or levied

upon the Mortgaged Property or on the interest created by this Deed of Trust, or any tax or excise on rents or other tax, however described, assessed or levied by any state, federal or local taxing authority as a substitute, in whole or in part, for taxes assessed or imposed on the Mortgaged Property or on the interest created by this Deed of Trust (such amounts, collectively, the "Taxes and Assessments" or each a "tax" or an "assessment"), and promptly but no later than ten (10) business days after said taxes, assessments and other governmental charges would be delinquent will exhibit receipts therefor to Beneficiary. If any Taxes and Assessments are levied, assessed or imposed on Beneficiary as a legal holder of the Note or any interest in the documents securing, evidencing or relating to the Note by any governmental authority (excluding any income, excess profits or similar taxes imposed on Beneficiary's income generally), then unless all such taxes are paid by Trustor as they become due and payable and in the opinion of Beneficiary, such payment by Trustor is lawful and does not place Beneficiary in violation of any law, Beneficiary may, at its option, after thirty (30) days written notice to Trustor, declare the Indebtedness immediately due and payable. Trustor may in good faith contest, by proper legal proceedings, the validity or amount of any tax, assessment, charge or levy which Trustor has agreed to pay pursuant to the provisions of this Deed of Trust, and may delay payment, performance or discharge thereof during the period in which the same is being contested to the extent such delay is legally permitted; provided, however, that if payment, is delayed: (a) such proceedings shall suspend the collection thereof from Trustor, Beneficiary and the Mortgaged Property; (b) in any such event Trustor shall deposit with Beneficiary, as security for the payment or discharge of such contested item, an amount equal thereto plus interest, penalties, and costs; (c) such contested item and all costs and penalties, if any, shall have been paid at least thirty (30) days before the date on which the Mortgaged Property, or any portion thereof, may be sold in order to satisfy any such contested items; and (d) in the case of any matter for which criminal or civil liability might accrue to Trustor, Beneficiary would not be in violation of any civil or criminal law or otherwise in any danger of any criminal or civil liability for failure to comply therewith.

C. Insurance. From and after the occurrence of Completion of the Improvements, Trustor, at its expense, shall keep the Mortgaged Property insured against loss or damage by fire, windstorm, special form causes of loss, boiler and machinery written on a comprehensive form, flood (in the event any of the Mortgaged Premises is within a 100-year flood plain and flood insurance is available pursuant to the United States Flood Disaster Protection Act of 1973 or any similar or successor statute or successor governmental authority), vandalism, malicious mischief and such other causes of loss, casualties or other contingencies and in such amounts (but in no event less than the greater of the amount of the Indebtedness or the full replacement value thereof on an agreed value basis) as from time to time may be reasonably required by Beneficiary, and maintain business income and extra expense insurance as to all of the property, boiler and machinery and flood coverages in an amount at least equal to twelve (12) months' principal and interest installments on the Note and together with twelve (12) months' property taxes, ground lease rents and insurance premiums, with respect to the Mortgaged Property covering the risk of loss due to the occurrence of any of the foregoing hazards, in each case and in such amounts, in such manner and in such companies as Beneficiary may reasonably approve

but in no event shall Beneficiary be required to approve any company that does not at least have an A. M. Best rating of "A-" or better and a financial rating of X or better), and all such policies shall contain a waiver of subrogation and provide that any losses payable thereunder shall (pursuant to standard mortgagee clauses without contribution, including one providing that such insurance as to the interest of Beneficiary shall not be invalidated by any act or omission or neglect of Trustor, to be attached to each policy) be payable to Beneficiary. Trustor shall cause duplicate originals or a copy certified as being true and correct by Trustor of any and all such insurance policies to be deposited with Beneficiary. Trustor, at its expense, will also carry commercial general liability insurance, in such form, amounts and with such companies as Beneficiary may from time to time reasonably require, with Beneficiary included thereon as an additional insured or as otherwise required by Beneficiary. Any or all of such policies may be provided under a blanket policy or policies provided such blanket policies allocate the amount of insurance required hereunder to the Mortgaged Property and such blanket policies are otherwise in a form and substance acceptable to Beneficiary. Trustor shall cause duplicate originals, copies certified as being true and correct by Trustor, or certificates of the insurers under such policies evidencing same, of any and all such insurance policies to be deposited with Beneficiary. Unless funds are being escrowed for such premiums at least ten (10) days prior to the date the premiums on each such policy or policies shall become due and payable, Trustor shall furnish to Beneficiary evidence of the payment of such premiums. Each of such policies shall contain an agreement by the insurer that the same shall not be canceled or modified without at least ten (10) days' prior written notice to Beneficiary. In the event of loss under any such policy, Trustor shall give prompt written notice to the insurance carrier and to Beneficiary. With respect to all insurance policies except commercial general liability insurance, Beneficiary is hereby authorized, but not required, on behalf of and at the expense of Trustor, whether or not an Event of Default has occurred, to make proof of loss, to collect for, adjust or compromise any losses under any insurance policy on the Mortgaged Property, to appear in and prosecute any action arising from any of such insurance policies, and, subject to the provisions in Section X(A) below, to apply, at Beneficiary's option, the loss proceeds (less expenses of collection) on the Indebtedness, in any order and whether due or not, or to the restoration of the Mortgaged Property, or to be released to Trustor, but any such application or release shall not cure or waive any default. In case of a sale pursuant to the foreclosure provision hereunder, or any conveyance of all or any part of the Mortgaged Property in extinguishment of the Indebtedness, complete title to all insurance policies on or related to the Mortgaged Property, and the unearned premiums of same shall pass to and vest in the purchaser or grantee of the Mortgaged Property to the extent permitted by such insurance policies since it is intended that all such items are a part of the "Collateral" as defined herein. TRUSTOR IS FREE TO OBTAIN INSURANCE THROUGH ANY INSURER OR PRODUCER OF TRUSTOR'S CHOICE, SUBJECT TO THE RIGHT OF BENEFICIARY TO REASONABLY REJECT AN INSURER OR PRODUCER.

D. Escrow for Taxes and Insurance. The requirements for escrows for taxes and insurance have been conditionally waived by Beneficiary so long as no Termination of Escrow Waiver Event occurs. A "Termination of Escrow Waiver Event" means one or more of the following: (i) an Event of Default has occurred; (ii) any Taxes and Assessments is not paid prior

to delinquency, unless being contested in accordance with Section VI(B) above, or any premium to maintain the insurance required in this Beneficiary is not paid when due; or (iii) Trustor does not own the Mortgaged Property unless the subject loan has been assumed by a borrower approved in writing by Beneficiary, in Beneficiary's sole and absolute discretion. If a Termination of Escrow Waiver Event occurs, thereafter Trustor shall pay, in addition to the installments payable under the Note, on the same day as such installments are due and payable, a sum equal to 1/12th of the estimated annual taxes and hazard, business interruption and other insurance premiums required hereunder, and special assessments, if any, next due on the Mortgaged Property. If the amount so paid is not sufficient to pay such taxes, insurance premiums and assessments when due, then Trustor will immediately deposit with Beneficiary amounts sufficient to pay the same. Funds deposited by Trustor pursuant to this provision shall be used to pay such taxes, insurance premiums and assessments when due, provided that Trustor has (i) furnished Beneficiary with all tax statements, premium notices and other such notices and (ii) deposited with Trustor funds sufficient to pay such taxes, insurance premiums and assessments in full, in either case at least thirty (30) days prior to the date that any such taxes, premiums and assessments may be due. If there is an Event of Default under this Beneficiary, Beneficiary may elect, at any time after such Event of Default, to apply the funds accumulated under this provision against the Indebtedness in any manner or order. No interest shall accrue or be allowed on any payments under the provisions of this paragraph. Beneficiary shall not be required to deposit or hold monies in an account special or separate from its general funds. Trustor expressly releases Beneficiary from any liability to Trustor (except for gross negligence or willful misconduct) arising out of the maintenance by Beneficiary of an escrow as provided herein or for payment of any sums out of such escrow. Trustor, jointly and severally, further indemnifies Beneficiary against claims arising out of payment of taxes or insurance premiums where Trustor has failed to provide Beneficiary with tax statements and premium notices as required hereby. The maintenance by Beneficiary of an escrow for Taxes and Assessments and insurance shall not relieve Trustor of its obligations under this Agreement respecting Taxes and Assessments and insurance on the Mortgaged Property if such escrow is insufficient or otherwise applied as provided in accordance with this Agreement.

A charge of \$200.00 per month for administration expenses shall be assessed against Trustor for each successive month that all paid tax receipts and insurance policies are not delivered to Beneficiary within thirty (30) days after notice to Trustor of failure to deliver such documents.

E. Intentionally left blank.

inaction constitutes a money laundering crime, including any money laundering crime prohibited under the Money Laundering Control Act, 18 U.S.C. 1956, 1957, or the Bank Secrecy Act, 31 U.S.C. 5311 et seq. and any amendments or successors thereto and any applicable regulations promulgated thereunder.

(4) Trustor shall notify Beneficiary immediately upon receipt of any information indicating a breach of this Section VI(F) or if Trustor or any officer, director, member, manager, employee or Constituent Owner of Trustor is custodially detained on charges relating to money laundering, whereupon Beneficiary shall be entitled to take all actions necessary so that Beneficiary is in compliance with all Anti-Money Laundering Regulations. Any and all loss, damage, liability, penalty, fine or expense (including reasonable attorney’s fees and investigatory expenses) incurred by Beneficiary in connection therewith, including but not limited to attorney’s fees, shall be included in the Indebtedness secured hereunder and shall immediately be due and payable by Trustor to Beneficiary.

G. Waste, Demolition, Alteration or Replacement. Trustor will cause the Mortgaged Property and every part thereof to be maintained, preserved and kept in safe and good repair, working order and condition, will not commit or permit waste thereon, will not remove, demolish or alter the design or structural character of any building now or hereafter erected on the Mortgaged Premises, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld, conditioned or delayed, and will comply with any and all laws, rules and regulations of any governmental authority with reference to the Mortgaged Property and the manner and use of the same, and will at any time and from time to time make all necessary and proper repairs, renewals, additions and restorations thereto so that the value and efficient use thereof shall be fully preserved and maintained. Except in good faith and the ordinary course of business, Trustor agrees not to remove any of the fixtures or personal property included in the Mortgaged Property without the prior written consent of Beneficiary unless immediately replaced with like-kind property of at least equal value. Trustor shall act as necessary to continue or cause the continuance of such income producing activity as is presently conducted upon or contemplated for the Mortgaged Property.

H. Inventory of Personal Property. Upon the request of Beneficiary, Trustor shall deliver to Beneficiary an inventory describing and showing the make, model, serial number and location of any and all fixtures and personal property owned by Trustor and from time to time used exclusively in the management, maintenance and operation of the Mortgaged Property (other than inventory or property, if any, expressly excluded from the operation of this Deed of Trust by separate written agreement), with a certification by Trustor that said inventory is a true and complete schedule of such fixtures and personal property owned by Trustor and used in the management, maintenance and operation of the Mortgaged Property and that such items specified in the inventory constitute all of the fixtures and personal property required in the management, maintenance and operation of the Mortgaged Property, and, except as previously disclosed and agreed to in writing, that such items are owned by Trustor free and clear of security interests, liens, conditional sales contracts or title retention arrangements. Trustor hereby grants to Beneficiary a security interest in all such items of fixtures and personal property owned by Trustor under the terms and conditions of this Deed of Trust.

I. Financial Statement. April 30th of each and every year is the "Financial Statement Due Date". The requirement for delivery of certified financial statements has been conditionally waived by Beneficiary so long as no Termination of Financial Statement Waiver Event occurs. A "Termination of Financial Statement Waiver Event" means the occurrence of one or more of the following: (i) an Event of Default has occurred and is continuing; or (ii) on or before the Financial Statement Due Date that occurs after Completion of Improvements, Trustor has not furnished Beneficiary (a) annual operating information relating to the Mortgaged Property for each calendar year (or, with respect to the year in which this Agreement was executed by Trustor, the portion of the year for which Trustor owned the Mortgaged Property) in the form required by the most recent version of the CRE Finance Council Investor Reporting Package, or such other form as required by Beneficiary from time to time, signed by the Manager of Trustor,

J. Restrictions upon Sale, Transfer or Mortgaging the Mortgaged Property or the Interest in Trustor. Trustor acknowledges that Beneficiary is relying on the credit worthiness and skill of Trustor in advancing sums secured hereby. Except for "**Permitted Transfers**", as defined below: (a) if Trustor should sell, trade, convey, transfer, mortgage, assign, exchange, pledge or encumber (including, without limiting these provisions or any similar references in this Deed of Trust, the granting of a security interest in) all or any part of the Mortgaged Property, or any ownership interest of Trustor therein, absolutely or as security for a debt or other obligation, whether done in a direct or indirect method or enter into any contractual arrangements to do so; (b) if a shareholder, partner, member, trustee or beneficiary of Trustor (sometimes, a "**Tier Two Owner**") or if any shareholder, partner, member, trustee or beneficiary of any Tier Two Owner (sometimes, a "**Tier Three Owner**") or if any shareholder, partner, member, trustee or beneficiary of any Tier Three Owner (sometimes, a "**Tier Four Owner**") (all "Tier Two Owners", "Tier Three Owners" and "Tier Four Owners", and any general partner, manager and managing members of Trustor, any Tier Two Owner, Tier Three Owner or any Tier Four Owner are, individually and collectively, a "**Constituent Owner**") should sell, trade, convey, transfer, mortgage, assign, exchange, pledge or encumber (including, without limiting these provisions or

any similar references in this Deed of Trust, the granting of a security interest in) all or any part of its ownership interest in Trustor or if such shareholder, partner, member, trustee or beneficiary in or of Trustor shall otherwise be diluted; or (c) if Trustor shall in any way, voluntarily or involuntarily, be divested of title or of any interest in the Mortgaged Property, then Beneficiary, at its option, may elect to accelerate the maturity of the Note and declare the entire amount of the Indebtedness immediately due and payable, whereupon Trustor shall have thirty (30) days to pay the full sum of the Indebtedness including, without limitation, principal and accrued interest due and payable, whether or not any such sale, trade, conveyance, transfer, mortgage, assignment, exchange, pledge or encumbrance might diminish the value of the security for the Indebtedness or increase the likelihood of an Event of Default or increase the likelihood of Beneficiary having to resort to any other security for the Indebtedness after default or add or remove liability of any party for payment or performance of the Indebtedness. Trustor further agrees that the foregoing restriction shall be effective and remain in full force and effect throughout the term of this Deed of Trust and shall be applicable to Trustor, each shareholder, partner, member, trustee and beneficiary and each Constituent Owner and their respective heirs, executors, administrators, successors and assigns. The consent by Beneficiary to any one such sale, trade, conveyance, transfer, mortgage, assignment, exchange, pledge, or encumbrance (one or more of the preceding a "**Transaction**") shall not waive or forfeit the right of Beneficiary to elect to accelerate the Indebtedness to maturity as to any other Transaction. Trustor further covenants and agrees to give written notice to Beneficiary in the event there occurs any Transaction which would violate the terms and conditions of this provision. The term Transaction shall also include any voluntary or involuntary act or omission of Trustor. Nothing herein contained shall prevent Beneficiary from accelerating the Note at any time in the event Trustor enters into such a Transaction and does not notify Beneficiary of same. Trustor may request Beneficiary to waive the right to declare the entire amount of the Indebtedness immediately due and payable and Beneficiary may, in its reasonable discretion, consent or refuse to consent to the Transaction (other than a Permitted Transfer). As a condition of consenting to the Transaction (other than a Permitted Transfer), Beneficiary may, in its absolute discretion, make one or more of the following requirements:

- (a) that the rate of interest contained in the Note be increased to a rate acceptable to Beneficiary;
- (b) that a transfer fee, in an amount determined by Beneficiary, be paid;
- (c) that a principal payment be made against the Note;
- (d) that the proposed transferee execute an assumption agreement or other document as Beneficiary may reasonably require; or
- (e) that any other requirement reasonably deemed appropriate by Beneficiary be satisfied.

No Transaction pursuant to the provisions of this Section VI(J) defined as a Permitted Transfer, shall in any way release Trustor or any other party liable on any of the Indebtedness or liable under any document securing, evidencing or relating to the Indebtedness from any such liability unless expressly provided in this Deed of Trust.

The terms, provisions and conditions of the Loan Agreement are hereby incorporated herein and made a part hereof by this specific reference and are to remain in full force and effect as terms, provisions and conditions hereof. Upon the occurrence of an Event of Default, Beneficiary may at its option cause the entire Indebtedness secured by this Deed of Trust to become immediately due and payable, and in the event of such Event of Default of Trustor hereunder or under the Loan Agreement and whether or not Beneficiary shall cause the Indebtedness to become immediately due and payable, Beneficiary is hereby invested with full and complete authority to enter upon the Mortgaged Premises, to employ watchmen to protect the Mortgaged Premises from depredation or injury and to preserve and protect the personal property and equipment therein. IX. RIGHTS OF BENEFICIARY UPON DEFAULT

A. Acceleration of Indebtedness. Upon the occurrence of an Event of Default or at any time thereafter, Beneficiary may at its option and without demand or notice to Trustor, accelerate the maturity of the Note and declare the Indebtedness secured hereby immediately due and payable. Unless otherwise provided herein, Trustor hereby waives presentment for payment, protest and demand, notice of protest, demand, dishonor and default, notice of intent to declare the Indebtedness immediately due and payable and notice of the declaration that the Indebtedness is immediately due and payable.

B. Operation of Property by Beneficiary. Upon the occurrence of an Event of Default, and during the continuance at any time thereafter, in addition to all other rights herein conferred on Beneficiary, Beneficiary (or any person, firm or corporation designated by Beneficiary) may, but will not be obligated to, enter upon and take possession of any or all of the Mortgaged Property, exclude Trustor therefrom, and hold, use, administer, manage and operate the same to the extent that Trustor could do so. If the Mortgaged Property includes any type of business enterprise, Beneficiary may operate and manage such business without any liability of Beneficiary to Trustor resulting therefrom (excepting failure to use ordinary care in the operation and management of the Mortgaged Property); and Beneficiary or Beneficiary's designee may collect, receive and receipt for all proceeds accruing from such operation and management, and, at Trustor's expense, make repairs and purchase needed additional property, and exercise every power, right and privilege of Trustor with respect to the Mortgaged Property. When and if the expenses of such operation and management have been paid and the Indebtedness has been paid, the Mortgaged Property shall be returned to Trustor (providing there has been no foreclosure sale). The provisions of this Section IX(B) establish a right under this Agreement and shall not in any way affect the right of Beneficiary to the appointment of a receiver given Beneficiary by law. Beneficiary may, at any time after such Event of Default, apply to any court of competent jurisdiction for the appointment of a receiver and Trustor agrees that, subject to applicable law, such appointment shall be made upon a prima facie showing of a claimed default without reference to any offsets or defenses against such default and without regard to whether any portion of the Mortgaged Property is in danger of being lost, removed, injured or destroyed or of waste, whether income from the Mortgaged Property is in danger of being lost or whether the Mortgaged Property is or may become insufficient to discharge the obligations secured by this Agreement.

C. Judicial Proceedings. Upon the occurrence of an Event of Default, and during the continuance at any time thereafter, Beneficiary, in lieu of or in addition to causing the Trustee to exercise the power of sale hereafter given, may proceed by suit for a foreclosure of its lien on the Mortgaged Property, or to sue Trustor for damages on, arising out of said default, or for specific performance of any provision contained herein, or to enforce any other appropriate legal or equitable right.

D. Foreclosure Sale.

(1) Trustee's Sale.

(a) Upon the occurrence of an Event of Default, Beneficiary may declare all sums secured hereby immediately due by delivery to Trustee of a written notice of default and election to sell (which notice Trustee shall cause to be recorded and mailed as required by law).

(b) As provided under Utah law, Trustee shall sell the property subject hereto at such time and at such place in the State of Utah as Trustee, in its sole discretion, shall deem best to accomplish the objects of these trusts, having first given notice of such sale as then required by law. The place of sale may be in the county in which the property to be sold, or any part thereof, is situated.

(c) At the time of sale so fixed, Trustee shall sell the property so advertised or any part thereof or interest therein either as a whole or in separate parcels to the highest bidder for cash in lawful money of the United States, payable at time of sale, and shall deliver to such purchaser a deed or deeds or other appropriate instruments conveying the property so sold, but without covenant or warranty, express or implied. Beneficiary and Trustee may bid and purchase at such sale. To the extent of the indebtedness secured hereby, Beneficiary need not bid for cash at any sale of all or any portion of the Mortgaged Property pursuant hereto, but the amount of any successful bid by Beneficiary shall be applied in reduction of said indebtedness. Trustor hereby agrees, if it is then still in possession, to surrender, immediately and without demand, possession of said property to any purchaser. If Trustee or its successor or substitute shall have given notice of sale hereunder, any successor or substitute Trustee thereafter appointed may complete the sale and the conveyance of the Mortgaged Property pursuant thereto as if such notice had been given by the successor or substitute Trustee conducting the sale.

(d) Beneficiary, from time to time before Trustee's sale, may rescind any notice of breach and election to sell by executing, delivering and causing Trustee to record a written notice of such rescission. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other notices of breach and election to sell, nor otherwise affect any term, covenant or condition hereof or under any obligation secured hereby, or any of the rights, obligations or remedies of the parties thereunder.

(2) Collateral.

(a) On the happening of any Event of Default and during the continuance at any time thereafter, Beneficiary shall have and may exercise with respect to the

Collateral all rights, remedies and powers of a Secured Party under the UCC with reference to the Collateral or any other items in which a security interest has been granted herein, including, without limitation, the right and power to sell at public or private sale or sales or otherwise dispose of, lease or utilize the Collateral and any part or parts thereof in any manner to the fullest extent authorized or permitted under the UCC after any Event of Default by Trustor without regard to the preservation of the Collateral or its value and without the necessity of a court order, and apply the proceeds thereof first toward the payment of all costs and expenses and reasonable attorneys' fees incurred by Beneficiary or Trustee, and the balance toward the payment of the Indebtedness whether or not then due, and in such order or manner as Beneficiary may elect. Upon the occurrence of an Event of Default, Beneficiary shall have, among all other rights and remedies, the right to take possession or control of all or any part or portion of the Collateral and to enter upon any premises where the same may be situated for the purpose of repossessing or taking control of the same, without being guilty of trespass and without liability for damages occasioned thereby, and to take any action deemed appropriate or desirable by Beneficiary, at its option and sole and absolute discretion, to repair, restore or otherwise prepare the Collateral for sale or lease or other use or disposition as authorized herein. To the extent permitted by law, Trustor expressly waives any notice of sale or any other disposition of the Collateral and any rights or remedies of Trustor or the formalities subscribed by law relative to the sale or disposition of the Collateral or to the exercise of any other right or remedy of Beneficiary existing after any Event of Default. To the extent that such notice is required and cannot be waived, Trustor agrees that if such notice is mailed postage prepaid to Trustor at the address shown herein at least ten (10) business days before the time of the sale or disposition, such notice shall be deemed reasonable and shall fully satisfy any requirement for giving said notice. All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if either hand delivered with receipt acknowledged, or by a nationally recognized overnight delivery service (such as Federal Express), or by certified or registered United States mail, return receipt requested, postage prepaid, or by facsimile and confirmed by facsimile answer back, in each case addressed as follows (or to such other address or person as a party shall designate from time to time by notice to the other party): If to Beneficiary, at the address set forth in the Preamble of this Agreement; if to Trustor, at the address set forth in the Preamble of this Agreement. A notice shall be deemed to have been given: (w) in the case of hand delivery, at the time of delivery; (x) in the case of registered or certified mail, when delivered or the first attempted delivery on a business day; (y) in the case of overnight delivery, upon the first attempted delivery on a business day; or (z) in the case of facsimile, upon the confirmation of such facsimile transmission. Notwithstanding anything to the contrary contained in this Agreement, any notice given in accordance with any applicable law shall be deemed effective upon compliance with the requirements of such law.

(b) Trustor agrees that Trustee or Beneficiary may proceed to sell or dispose of both the real and personal property covered herein in accordance with the rights and remedies granted under this Agreement with respect to the Mortgaged Premises secured hereby. Trustor hereby grants Beneficiary the right, at its option, after any Event of Default by Trustor to

transfer at any time to itself or its nominee the Collateral or any part thereof and to receive the monies, income, proceeds and benefits attributable to the same and to hold the same as Collateral or to apply it on the Indebtedness, whether or not then due, and in such order and manner as Beneficiary may elect. Trustor covenants and agrees that all recitals and any document transferring, assigning, leasing or making other disposition of the Collateral or any part thereof shall be full proof of the matters stated therein and no other proof shall be required to establish the legal propriety of the sale or other action taken by Beneficiary or Trustee and that all prerequisites of sale shall be presumed conclusively to have been performed or to have occurred. All rights to a marshalling of the assets of Trustor, including such rights with respect to the Collateral and the Mortgaged Premises, are hereby waived.

(3) Application of Proceeds. The proceeds of any and all foreclosure sales of the Mortgaged Property, whether under the assent to or decree or power of sale herein granted, shall be applied in accordance with all applicable laws of the State of Utah.

(4) Prerequisites of Sales. In case of any foreclosure sale of the Mortgaged Property, all prerequisites to the sale shall be presumed to have been performed, and in any conveyance given hereunder, all statements of facts, or other recitals therein made as to the nonpayment of money secured or as to the request of the Trustee to enforce this trust, or as to the proper and due appointment of any substitute trustee, or as to the advertisement of sale, or time, place and manner of sale, or as to any other preliminary fact or thing, shall be taken in all courts of law or equity as prima facie evidence that the facts so stated or recited are true.

X. USE OF INSURANCE PROCEEDS

A. Holding of Proceeds. Notwithstanding the provisions of Section VI(C) hereof, any insurance proceeds paid to Beneficiary will be first applied in payment of the expenses, if any, incurred by Beneficiary in the collection of said insurance proceeds and second the balance, if any, will be held and disbursed by Beneficiary in accordance with the following provisions:

(1) (a) Should there exist an Event of Default at the time of the casualty or should there occur at any time thereafter an Event of Default; (b) (omitted); (c) should any insurance proceeds be remaining after the completion of all reconstruction and restoration work; (d) should the estimated time to fully complete the reconstruction work, as reasonably determined by Beneficiary, extend beyond the Scheduled Maturity Date; (e) should Trustor fail to comply with the requirements for disbursing the insurance proceeds and fail to cure the same within ten (10) days after delivery of written notice to Trustor; (f) should such casualty occur within one year before the Scheduled Maturity Date and the expected cost of such reconstruction and restoration, as applicable, be determined by Beneficiary in its reasonable judgment will exceed \$500,000.00; or (g) should Trustor fail to comply with the requirements for disbursing the insurance proceeds, then in any of the said events, then Beneficiary may, at its option, apply the insurance proceeds on the Indebtedness, in any order and whether due or not, or to the restoration of the Mortgaged Property, or to be released to Trustor, but any such application or

release shall not cure or waive any default. In the event Beneficiary shall apply such amount to the Indebtedness, Trustor shall not be required to pay any additional prepayment premium as a result of such application.

(2) If the insurance proceeds have not been retained by Beneficiary under the provisions of Section X(A) above, or if under Section X(A) Beneficiary elects to permit the insurance proceeds to be used for restoration of the Mortgaged Property, the proceeds will be held and disbursed as follows:

(a) Should the insurance proceeds be less than \$250,000.00, Trustor shall promptly commence and complete the work of restoring the damaged property and Beneficiary will disburse the portions of the insurance proceeds incrementally as work progresses, subject to the provisions of this paragraph, to Trustor to pay actual costs to replace, repair and restore the damaged property for (i) completion of the restoration work or applicable portions thereof to a condition reasonably equivalent to the condition of the Mortgaged Property prior to such damage or condemnation, or otherwise reasonably satisfactory to Beneficiary, (ii) submission of a written report by Trustor that all restoration work has been completed, and (iii) receipt by Beneficiary of such evidence as Beneficiary may require that all mechanics and materialmen performing work or supplying materials for the restoration work have been fully paid or will be paid from the insurance (subject to Trustor's right to contest such charges as set forth herein). Such funds will be disbursed to Trustor as restoration repair work progresses within fifteen (15) days after Trustor's delivery of the foregoing items with respect to portions of the work, but Beneficiary shall not be required to make disbursements more than once every thirty (30) days.

(b) Should the insurance proceeds equal or be in excess of \$250,000.00, but less than \$500,000.00, Trustor shall cause plans and specifications ("**Plans**") for the restoration of the damaged property to a condition reasonably equivalent to the condition of the Mortgaged Property prior to such damage, or otherwise reasonably satisfactory to Beneficiary, to be submitted to Beneficiary for approval, not to be unreasonably withheld, delayed or conditioned. Upon receipt of Beneficiary's approval, Trustor shall forthwith commence and complete the restoration of the damaged property in accordance with the approved Plans. Beneficiary will disburse the portions of the insurance proceeds incrementally as work progresses, subject to the provisions of this paragraph, to Trustor to pay the actual costs to repair and restore the damaged property for (i) completion of the restoration work or applicable portions thereof to a condition reasonably equivalent to the condition of the Mortgaged Property prior to such damage or condemnation, or otherwise reasonably satisfactory to Beneficiary, (ii) submission of a written report by Trustor that the restoration work (or applicable portion thereof) has been completed, and (iii) receipt by Beneficiary of such evidence as Beneficiary may reasonably require that all mechanics and materialmen performing work (or the applicable portions thereof) or supplying materials for the restoration work (or the applicable portions thereof) have been completely paid for the work done or will be paid from the insurance (subject to Trustor's right to contest such charges as set forth herein). Such funds will be

disbursed to Trustor as restoration repair work progresses within fifteen (15) days after Trustor's delivery of the foregoing items with respect to portions of the work, but Beneficiary shall not be required to make disbursements more than once every thirty (30) days.

(c) If the insurance proceeds are equal or in excess of \$500,000.00:

(i) Plans for the restoration of the damaged property to a condition reasonably equivalent to the condition of the Mortgaged Property prior to such damage, or otherwise reasonably satisfactory to Beneficiary, and a cost estimate will both be prepared by an architect or engineer employed by Trustor and reasonably acceptable to Beneficiary. The Plans and cost estimates will be submitted to Beneficiary for approval not to be unreasonably conditioned, withheld or delayed. Upon receipt of Beneficiary's approval, Trustor will promptly commence and diligently pursue the restoration work in accordance with the approved Plans. (ii) If prior to the commencement of, or at any time during the restoration work, Beneficiary shall reasonably determine and notify Trustor that the remaining unpaid cost of the restoration work shall exceed the undisbursed Construction Funds, Trustor shall promptly pay, in cash, to Beneficiary the amount of such excess costs. Until the amount of said excess costs is paid to Beneficiary, Beneficiary shall not be obligated to disburse any of the insurance proceeds held by it. The insurance proceeds and the amount of excess costs paid by Trustor are hereinafter called "**Construction Funds**". The amount of such excess costs paid by Trustor shall be disbursed prior to the disbursement of any of the insurance proceeds held by Beneficiary. (iii) The Construction Funds will be made available to Trustor as restoration repair work progresses pursuant to certificates of the architect or engineer approved by Beneficiary, not to be unreasonably withheld, conditioned or delayed, submitted not more than once every thirty (30) days. There shall be delivered to Beneficiary such other evidences as Beneficiary may reasonably request, from time to time, during the restoration work, as to the progress of the work, the compliance with the approved Plans, the total cost of restoration work to date of request, the total cost needed to complete the restoration work, lien waivers or evidence of no liens against the Mortgaged Property (subject to Trustor's right to contest such charges as set forth herein). If at any time during the course of the restoration work, Beneficiary learns of facts concerning the restoration work which is materially adverse to Beneficiary, or payment or nonpayment of mechanics and materialmen, or inaccuracy of any information furnished with respect to it, Beneficiary may withhold the disbursement of funds until such time as it is prudent to continue to disburse the Construction Funds or, after an Event of Default or after written notice to Trustor notifying Make of such materially adverse facts and affording Trustor ninety (90) days to cure same to Beneficiary reasonable satisfaction, Beneficiary may determine not to make any further disbursements of the Construction Funds and instead to apply all such funds remaining to the payment of the Indebtedness then outstanding, whether due or not at such time, without any prepayment fee or premium, and in such order as determined by Beneficiary.

(3) Beneficiary shall not be required to hold any funds received by it described in this Article X in any account special or separate from Beneficiary's general account. No such funds shall be required to be placed in any interest bearing account, and any interest

earned thereon shall constitute additional insurance proceeds to be applied as provided in this Deed of Trust.

XI. SPECIAL CONDITIONS

This Deed of Trust is expressly made subject to the following special conditions.

A. Successor Trustees. At the option of Beneficiary, without cause or notice, a successor or substitute trustee may be appointed by any officer, agent or attorney-in-fact of Beneficiary without procuring the resignation of the former Trustee and without any formality other than the recordation of a writing in the Office of the Recorder of Davis County, Utah, designating a successor or substitute trustee, who shall thereupon become vested with and succeed to all the powers and duties given to the Trustee herein named, the same as if the successor or substitute trustee had been named as required under Utah law.

B. Waiver and Election. The exercise of any right or remedy by Beneficiary shall not be considered as a waiver of any right or remedy nor shall any acceptance by Beneficiary of Trustor's partial payment or partial performance of the obligations under the Note or hereunder, nor shall any failure or delay by Beneficiary in exercising any of its rights or remedies as to any Event of Default which may occur, operate as a waiver by Beneficiary of its rights or remedies with respect to the occurrence of any other or further Event of Default or to the recurrence of the same Event of Default. The filing of a suit to foreclose the mortgage lien granted by this Deed of Trust either on any matured portion of the Indebtedness or for the entirety of the Indebtedness, shall never be considered an election so as to preclude foreclosure under power of sale after a dismissal of the suit; nor shall the filing of the necessary notices for foreclosure, as provided in this Deed of Trust, preclude the exercise by Beneficiary of any other right or remedy including, without limitation, the prosecution of a later suit thereon.

C. Landlord-Tenant Relationship. Any foreclosure sale of the Mortgaged Property (in whole or in part) under this Deed of Trust or any conveyance in lieu thereof shall, without further notice, establish the relationship of landlord and tenant at sufferance between the purchaser and Trustor and any person or entity claiming an interest in the Mortgaged Property through Trustor or otherwise occupying any portion of the Mortgaged Property, and upon failure to surrender possession thereof, Trustor and all such persons and entities may be removed by a writ of possession upon suit by the purchaser.

D. Usury. Notwithstanding any provision in this Deed of Trust to the contrary, it is expressly provided that in no event should the aggregate amounts, which by applicable law are deemed to be interest with respect to this Deed of Trust, the Note or any of the other Loan Documents ever exceed the Maximum Nonusurious Rate (as defined in the Note). In this connection, it is expressly stipulated and agreed that it is the intention of Beneficiary and Trustor to contract in strict compliance with applicable usury laws of the State of Utah and/or of the United States (whichever permits the higher rate of interest) from time to time in effect. Nothing

in this Deed of Trust, the Note or any of the other Loan Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the Maximum Nonusurious Rate. If under any circumstances the aggregate amounts contracted for, charged or paid with respect to the Note, which by applicable law are deemed to be interest, would produce an interest rate greater than the Maximum Nonusurious Rate, Trustor and any other person obligated to pay the Note, stipulates that the amounts will be deemed to have been paid, charged or contracted for as a result of an error on the part of Trustor, any other such person obligated for the payment of the Note and Beneficiary, and upon discovery of the error or upon notice thereof from Trustor or the party making such payment, Beneficiary or the party receiving such excess payment shall, at its sole option, refund the amount of such excess payment or credit the excess payment against any other amount due under the Note

E. Enforceability. If any provision hereof is presently or at any time becomes invalid or unenforceable, the other provisions hereof shall remain in full force and effect, and the remaining provisions hereof shall be construed in favor of Beneficiary to effectuate the provisions hereof.

F. Application of Payments. If the trust of lien or liens established by this Deed of Trust are invalid or unenforceable as to any part of the Indebtedness or if such lien or liens are invalid or unenforceable as to any part of the Mortgaged Property, the unsecured or partially unsecured portion of the Indebtedness shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the Indebtedness, and all payments made on the Indebtedness, whether voluntary or under foreclosure or other enforcement action or procedures, shall be considered to have been first paid on and applied to the full payment of that portion of the Indebtedness which is not secured or not fully secured by the lien or liens created herein.

G. Meaning of Particular Terms. Whenever used, the singular number shall include the plural, the plural the singular and the use of any gender shall include all genders. Without limiting the restrictions on transfer applicable to Trustor and its Constituent Owners contained herein, the words "**Trustor**" and "**Beneficiary**" shall include their successors and assigns. For convenience of drafting the following groups of words, and derivations thereof, are used interchangeably and any reference to one or more shall include the others notwithstanding anything seemingly to the contrary: (a) the words "**act**", "**omission**" and "**occurrence**"; and (b) "**instrument**" and "**document**"; (c) the words "**amendment**" and "**modification**", "**amended**" and "**modified**", and derivations of the foregoing; and (d) the words "**term**", "**condition**", "**covenant**", "**covenants**", "**condition**", "**stipulation**" or "**provision**", and derivations of the foregoing. The words "**include**" and "**including**" and derivations thereof, mean "**include, without limitation**," and "**including, without, limitation**" as applicable, whether or not such additional language is specified, notwithstanding anything seemingly to the contrary. The words "**as amended**" and "**as modified**", and derivations thereof, include all renewals, extension, increases, consolidations or rearrangements of an applicable document, notwithstanding anything seemingly to the contrary. "**Foreclosure**" shall, unless otherwise indicated, mean either judicial

foreclosure or a trustee's sale. For convenience of drafting, references in this Agreement to a document, as "**amended**", or any derivation thereof or any similar or related terminology, include, without limitation, all renewals, extensions, modifications, increases, consolidations and rearrangements thereof but do not imply any obligation to make any such renewals, extensions, modifications, increases, consolidations and rearrangements. Furthermore, the term(s): "**herein**", "**hereunder**", "**hereof**" "**hereinafter**" or similar terms refer to this Agreement as a whole rather than to any particular paragraph.

H. Advances by Beneficiary. If Trustor shall fail to comply with the provisions with respect to the securing of insurance, payment of taxes, assessments and other charges, the keeping of the Mortgaged Property in repair or any other term or covenant herein contained, Beneficiary may, but shall not be obligated to, incur such expenses as deemed necessary by Beneficiary, and make advances to perform such provisions, terms or covenants, and where necessary enter the Mortgaged Property for the purpose of performing same. Beneficiary is further empowered, but not obligated, to make advances for any expenditure deemed advisable by Beneficiary for the preservation of the Mortgaged Property or for the continuation of the operation thereof. Trustor agrees, jointly and severally, to repay any and all sums so advanced or expended, and all expenses incurred by Beneficiary in connection with the exercise of any of its rights under this Deed of Trust, upon demand, with interest from the date such advances or expenditures are made, determined on the same basis as matured principal in the Note and all sums so advanced or expended, with interest, shall be secured hereby.

I. Release or Extension by Beneficiary. Beneficiary, without notice, may release any part of the Mortgaged Property or any person liable for the Indebtedness without in any way affecting the trust or the liens hereof on any part of the Mortgaged Property not expressly released and may agree in writing with any party with an interest in the Mortgaged Property to extend the time for payment of all or any part of the Indebtedness or to waive the prompt and full performance of any term, condition or covenant of any document securing, evidencing or relating to the Indebtedness.

J. Partial Payments. Acceptance by Beneficiary of any payment of less than the amount due on the Indebtedness shall be deemed acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be a default herein; and at any time thereafter and until the entire amount due on the Indebtedness has been paid, Beneficiary shall be entitled to exercise all rights conferred on it by the terms of this Deed of Trust upon the occurrence of such an Event of Default.

K. Titles not to be Considered. All section, subsection, paragraph or other titles or headings contained in this Deed of Trust are for reference purposes only and this Deed of Trust shall be construed without reference to said titles.

L. Construction of Agreement. This Deed of Trust may be construed as a mortgage, deed of trust, chattel mortgage, conveyance, assignment, security agreement, pledge, financing

statement, hypothecation or contract or any one or more of them, in order to fully effectuate the trust and lien hereof and the purposes and agreements herein set forth.

M. Additional Taxes and Indemnification. Trustor agrees that if any state, federal or municipal government, or any of its subdivisions having jurisdiction, shall levy, assess or charge any tax, assessment or imposition upon this Deed of Trust or the credit or indebtedness secured hereby or the Note or the interest of Beneficiary in the Mortgaged Premises or upon Beneficiary by reason of any of the foregoing (excepting therefrom any income tax on interest payments on the principal portion of the Indebtedness secured hereby), then Trustor shall pay all such taxes to or for Beneficiary as they become due and payable, and provided further that in the event of passage of any law or regulation permitting, authorizing or requiring the tax, assessment or imposition to be levied, assessed or charged, which law or regulation prohibits Trustor from paying the tax, assessment or imposition, to or for Beneficiary, then all sums hereby secured shall become immediately due and payable at the option of Beneficiary. Trustor agrees to exhibit to Beneficiary at any time upon request, official receipts showing payment of all taxes, assessments and charges which Trustor is required or elects to pay hereunder. Trustor agrees that if the government of the United States or any department or bureau thereof shall at any time require revenue stamps to be affixed to the Note or this Deed of Trust, Trustor will upon demand pay for stamps in the required amount and deliver them to Beneficiary and Trustor agrees, jointly and severally, to INDEMNIFY and HOLD HARMLESS Beneficiary from and against any and all losses, damages, liabilities or expenses (including, without limitation, reasonable attorney's fees and investigatory expenses) on account of such revenue stamps, whether such loss, damage, liability or expense arises before or after payment of the Note and any termination of the estate created by this Deed of Trust whether as a result of the exercise by Beneficiary of any default remedies available to it at law or in equity or otherwise; SUCH INDEMNIFICATION AND AGREEMENT TO HOLD HARMLESS SPECIFICALLY INCLUDES ANY LOSS, DAMAGE, EXPENSE OR LIABILITY CAUSED BY OR ATTRIBUTABLE TO THE ORDINARY OR SIMPLE NEGLIGENCE, AS OPPOSED TO THE GROSS NEGLIGENCE, OF AN INDEMNITEE, but such INDEMNIFICATION and AGREEMENT TO HOLD HARMLESS shall not apply to the extent that such loss, damage, expense or liability is caused by or attributable to Beneficiary's gross negligence or willful misconduct.

N. INDEMNIFICATION. TRUSTOR AGREES, JOINTLY AND SEVERALLY, TO INDEMNIFY AND HOLD HARMLESS BENEFICIARY FROM AND AGAINST ANY AND ALL LOSSES, DAMAGES AND EXPENSES, INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND INVESTIGATORY EXPENSES, INCURRED IN CONNECTION WITH ANY SUIT OR PROCEEDING IN OR TO WHICH BENEFICIARY MAY BE MADE A PARTY FOR THE PURPOSE OF PROTECTING THE LIEN OF THIS DEED OF TRUST, EXCEPT TO THE EXTENT CAUSED BY THE NEGLIGENCE, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BENEFICIARY. Trustor's obligations pursuant to the foregoing indemnification and agreement to hold harmless shall survive any termination of the trust or estate established by this Deed of Trust, whether as a result of the exercise by Beneficiary of any default remedies available to it at law or in equity or otherwise.

O. Additional Documents. Trustor agrees that upon request of Beneficiary Trustor shall at any time and from time to time execute, acknowledge and deliver all such additional documents and further assurances of title and will do or cause to be done all such further acts and things as may be necessary to fully effectuate the intent of this Deed of Trust. Trustor within ten (10) days upon request in person or by mail will furnish a duly acknowledged written statement setting forth the amount of the debt secured by this Deed of Trust, the date to which interest has been paid and stating either that no offsets or defenses exist against the debt secured hereby, or, if such offsets or defenses are alleged to exist, the nature thereof.

P. Disclosure. Trustor agrees to disclose to Beneficiary upon request, the then ownership of the beneficial interest in any trust which then holds legal title to the Mortgaged Property and shall cause the owner(s) of such beneficial interest to furnish sufficient evidence to Beneficiary for it to determine the identity of all of the parties which compose such owner(s).

Q. Subrogation. In the event that a promissory note is given for money advanced in the payment of a sum owing upon another note or indebtedness, Trustor hereby acknowledges that it has requested and does hereby request Beneficiary to advance the money necessary to pay such Note or Indebtedness, whether or not a release or transfer of said other note or indebtedness has been or will be executed by the owner and holder thereof, and Trustor hereby agrees that Beneficiary and Beneficiary's successors and assigns shall be, and are hereby, subrogated to any and all of the rights, liens, remedies, equities, superior title and benefits held, owned, possessed or enjoyed at any time by any owner or holder of said other note or indebtedness, to secure payment to Beneficiary of the Note hereby secured and, accordingly, any such other note and indebtedness, and all liens securing same are hereby extended to the maturity date of the Note hereby secured in order to additionally secure such Note. Nothing in this Section XI(Q) shall alter any obligation of Trustor hereunder or under the Note.

R. Time. Time is of the essence of this Deed of Trust.

S. Multiple Counterparts. To facilitate execution, this Deed of Trust may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature or acknowledgment of, or on behalf of, each party, or that the signature of all persons required binding any party, or the acknowledgment of such party, appear on each counterpart. All counterparts shall collectively constitute a single document. It shall not be necessary in making proof of this Deed of Trust to produce or account for more than a single counterpart containing the respective signature of, or on behalf of, and the respective acknowledgments of, each of the parties hereto. Any signature or acknowledgment page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures or acknowledgments thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature or acknowledgment pages.

T. Notices. All notices required to be given hereunder shall be in writing and shall be deemed served and received on the date of deposit in United States mail and sent certified mail, return receipt requested, postage prepaid, and addressed to the applicable party at the addresses specified in the introductory paragraph of this Deed of Trust, or such other addresses as may from time to time be designated by written notice given as herein required. The parties hereto agree that a single notice sent to Trustor at its address set forth herein (or otherwise designated in accordance with this Section XI(T)) shall be deemed notice to all parties constituting Trustor. Personal delivery to a party or to any officer, trustee, partner, agent or employee of such party at its address herein shall constitute receipt. Rejection or other refusal to accept or inability to deliver because of changed address of which no notice has been received shall also constitute receipt. Notwithstanding the foregoing, no notice of change of address shall be effective until thirty days after the date of receipt thereof.

U. Governing Law. This Deed of Trust is made by Trustor and accepted by the undersigned in the State of Utah, with reference to the laws of such state, and shall be construed, interpreted, enforced and governed by and in accordance with such laws (excluding the principles thereof governing conflicts of law).

V. Jury Trial Waiver. TRUSTOR RECOGNIZES THAT DISPUTES ARISING OUT OF THE LOAN TRANSACTION SECURED BY THIS AGREEMENT ARE LIKELY TO BE COMPLEX AND WISHES TO STREAMLINE AND MINIMIZE THE COST OF THE DISPUTE RESOLUTION PROCESS BY AGREEING TO WAIVE ITS RIGHT TO JURY TRIAL. TO THE FULLEST EXTENT ALLOWABLE UNDER THE APPLICABLE LAW, TRUSTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY AND ALL RIGHTS IT MAY HAVE TO TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM THAT RELATES TO OR ARISES OUT OF ANY OF THE LOAN DOCUMENTS OR THE ACTS OR FAILURE TO ACT OF OR BY BENEFICIARY IN THE ENFORCEMENT OF ANY OF THE TERMS OR PROVISIONS OF THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS.

W. All Obligations and Liabilities Are Joint and Several. All liability and obligations of all parties constituting the Trustor under this Deed of Trust shall be joint and several, whether or not otherwise expressly specified and notwithstanding anything seemingly to the contrary contained in this Deed of Trust or any other Loan Document.

XII. LIMITATION OF LIABILITY

Without limiting in any way the obligations of Guarantor under the Guaranty, after Completion of Construction, as such term is defined in the Loan Agreement, Beneficiary's sole recourse against Trustor, except as otherwise specifically provided below, shall be against the Mortgaged Property described in this Deed of Trust and such other documents securing, evidencing or relating to the Note, and Beneficiary shall not be entitled to recover any deficiency judgment against Trustor if the foreclosure or recovery of such Mortgaged Property is not

sufficient to pay the amount owed by Trustor hereunder. Notwithstanding the foregoing limitation of liability, Trustor shall be fully liable for losses and damages incurred by Beneficiary for (a) for fraud or misrepresentation made in or in connection with the Note or any document securing, evidencing or relating to the payment of the Note or the apparent purpose of which is to deprive Beneficiary of the security for the Note; (b) for failure to pay taxes, assessments, charges for labor or materials or any other charges which can create liens on any portion of the Mortgaged Property; (c) for the misapplication of (i) proceeds of insurance covering any portion of the Mortgaged Property, or (ii) proceeds of the sale or condemnation of any portion of the Mortgaged Property, or (iii) rentals and security deposits received by or on behalf of Trustor subsequent to the date on which Beneficiary gives written notice of foreclosure or the exercise of Beneficiary's assignment of rents; (d) for failure to maintain, repair or restore the Mortgaged Property in accordance with any document securing, evidencing or relating to the payment of the Note; (e) for any act or omission knowingly or intentionally committed or permitted by Trustor which results in the waste, damage or destruction to the Mortgaged Property, but only to the extent such events are not covered by insurance proceeds which are received by Beneficiary; (f) for the return to Beneficiary of all unearned advance rentals and security deposits paid by tenants of the Mortgaged Property or any guarantors of the leases of such tenants which are not rightfully refunded to or which are forfeited by such tenants or guarantors; (g) for the return of, or reimbursement for, all personal property taken from the Mortgaged Property by or on behalf of Trustor, except as permitted under this Deed of Trust; (h) for any liability of Trustor pursuant to the provision contained in this Deed of Trust pertaining to hazardous or toxic materials or substances; (i) for any liability of Trustor pursuant to the Certificate and Indemnity Regarding Hazardous Substances executed by Trustor and delivered to Beneficiary in connection with the indebtedness evidenced by the Note; (j) for any delay, after an Event of Default, in deeding and assigning over the Mortgaged Property to Beneficiary, or failure to cooperate in a consensual foreclosure within ninety (90) days of Beneficiary's request; (k) for failure to maintain or alter the Mortgaged Property in compliance with the ADA; and (l) for all court costs and reasonable attorneys' fees incurred in connection with the enforcement of one or more of the above subparagraphs (a) through (k), inclusive. Notwithstanding the foregoing limitation of liability, nothing in this Deed of Trust, the Note or in any other Loan Document that may limit Beneficiary's recourse against Trustor shall alter, waive or otherwise limit any liability or obligation of Guarantor under the Guaranty.

XIII. CONSTRUCTION LOAN

The purpose of this Deed of Trust is to secure monies advanced or to be advanced for the purpose of paying for the development of and construction of improvements on the Mortgaged Premises in whole or in part. The proceeds of the Loan are to be advanced by Beneficiary to Trustor from time to time pursuant to the terms and conditions of the Loan Documents. The maximum amount of the future advances which Beneficiary is under a contractual duty to make to Trustor pursuant to the Loan Documents is the amount of the Note set forth above.
