**AGREEMENT OF EASEMENT, RIGHT-OF-WAY
AND
COVENANTS**

THIS AGREEMENT OF EASEMENT, RIGHT OF WAY AND COVENANTS (the "Agreement") dated as of the 16th day of September, 2000, is executed by and between SPRINGVIEW FARMS II, L.C., a Utah limited liability company ("Grantee"), whose address for the purpose hereof is 14315 South 1690 West, Bluffdale, Utah 84065, Attn. Johnny Loumis, President, and IVAN NIELSEN, an individual ("Grantor").

Recitals:

A. Grantor owns a parcel of real property located in Salt Lake County, State of Utah, more particularly described on the attached Exhibit A (the "Burdened Parcel") which Grantor has obtained from Grantee in a transaction pursuant to a certain Exchange Agreement dated as of September __, 2000 (the "Exchange Agreement").

B. Grantee conveyed the Burdened Parcel to Grantor in exchange for certain real property located in Salt Lake County, State of Utah adjacent to the Burdened Parcel and more particularly described on the attached Exhibit B (the "Acquired Parcel").

C. Grantee also owns certain other property located adjacent to the Acquired Parcel and more particularly described on the attached Exhibit C (the "Adjacent Property"). The Acquired Parcel and the Adjacent Property are collectively referred to herein as the "Benefitted Parcels."

D. Grantor desires to create certain rights-of-way, easements and covenants affecting the Burdened Parcel for the benefit of the Benefitted Parcels.

Agreement:

NOW, THEREFORE, for the foregoing purposes and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the benefits to be derived from the right-of-way, easement and covenants described herein, Grantor hereby consents, acknowledges and agrees to all of the following terms and provisions:

a. Grant of Easement. The Benefitted Parcels shall have appurtenant thereto and shall be benefitted by, and the Burdened Parcel shall be subject to and burdened by, a nonexclusive right-of-way and easement across the entirety of the Burdened Parcel (the "Easement Area"), for the purpose of vehicular and pedestrian egress and ingress between the Benefitted Parcels and a public road, together with (a) the right to construct and pave such Easement Area, to repair and maintain such Easement Area and to plow and keep the Easement Area free from ice, snow, debris and obstructions, (b) the right to construct, install, maintain, repair and replace in the Easement Area water, gas, electricity, cable television and telephone lines and facilities only upon, under, over and across the Easement Area, and (c) to use the Easement Area for uses incidental thereto. At the option of Grantee, the "Benefitted Parcels" may also include certain other real property located in the vicinity of the Burdened Parcel, such option to be exercised by Grantee from time

to time, recording with the Salt Lake County Recorder, a notice specifically identifying such other parcels to be included as a "Benefitted Parcel" hereunder.

b. Improvement of Easement Area.

(1) On or before July 1, 2001, Grantor shall improve the Easement Area to Bluffdale City (the "City") standards as necessary to allow Grantor reasonable ingress and egress to Grantor's other property with a road providing an all weather surface, but not cement or blacktop. Grantor shall also provide one completed access point (with a similar road to that access point) for Spring View to access its other property. The access point shall be located on the south boundary in the southwest corner of the Burdened Parcel at a location acceptable to Grantee, and shall be a minimum width of twenty feet (20'). In the event that further improvement of the Easement Area is required by the City in connection with the development of any parcels in the vicinity of the Burdened Parcel, except as may be otherwise required by the City, the respective owners of those parcels shall be solely responsible for promptly performing and paying for such improvements without contribution from Grantor or Grantee, or their respective successors or assigns.

(2) Water Line. Grantor has caused that a culinary water line be installed along the south boundary of the Burdened Parcel from 1300 West Street. Grantor represents and warrants that (i) the water line is six inches (6") in diameter, meets all applicable governmental requirements for residential culinary service, (ii) is connected to the City water main located in 1300 West Street, (iii) is available to Grantee for the Adjacent Property for culinary water use at such time as Grantee shall request service from the City. Any costs for connections by Grantee shall be the sole responsibility of Grantee. Grantor, at his sole cost and expense and promptly upon the request of Grantee, shall cause one (1) culinary water service line to be installed from the water line to the south boundary of the Burdened Parcel at a point directly south of the connection to the City's water main located in 1300 West Street, the size and exact location of which shall be satisfactory to Grantee.

(3) Fencing. Grantor has caused to be installed on the entire southern boundary of the Burdened Parcel a stock fence that is satisfactory to Grantee. The fence shall not be modified or removed by Grantor without the prior written consent of Grantee in each instance.

c. Duration. The easements and right-of-way granted herein shall be perpetual, and the covenants set forth in Section 2 hereof shall be for a period of fifty (50) years; provided that in the event of a public dedication of a right-of-way which shall, in the sole judgment of Grantor, provide an equivalent or better right of ingress and egress to and from the Benefitted Parcels as is provided by the Easement Area, this Agreement, and the easement and rights-of-way (but not the covenants) created hereby, shall automatically terminate and be of no further force or effect.

d. Modification. Except as set forth in Section 3 hereof, this Agreement may be terminated, extended, modified or amended, in whole or in part, as to the entire Burdened Parcel or any portion thereof only upon proper recordation of a written document evidencing the same, executed and acknowledged by Grantee or its successors in interest to the Benefitted Parcels, in the Office of the Salt Lake County Recorder.

e. Not a Public Dedication. Nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of the Parcels to or for the general public or for any public purposes whatsoever, it being the intention of Grantor and Grantee that this Agreement be strictly limited to and for the purposes expressed herein.

f. Appurtenances to Parcels; Covenants Run With Land.

a. Appurtenances to Parcels. The right-of-way, easement and covenants granted or created hereby are appurtenances to the Benefitted Parcels and such right-of-way, easement or covenants may not be transferred, assigned or encumbered except as an appurtenance to such Benefitted Parcels. For the purposes of such right-of-way, easement and covenants, the Benefitted Parcels shall constitute the dominant estate and the Burdened Parcel shall constitute the servient estate.

b. Covenants Run With Land. The right-of-way, easement and covenants contained in this Agreement (whether affirmative or negative in nature) (a) shall create equitable servitudes upon the Burdened Parcel in favor of the Benefitted Parcels; (b) shall constitute covenants running with the land; (c) shall bind every person having any fee, leasehold or other interest in any portion of the Parcels at any time or from time to time to the extent that such portion is affected or bound by the right-of-way, easement or restriction in question, or to the extent that such right-of-way, easement or restriction is to be performed on such portion; and (d) shall inure to the benefit of Grantee, and be binding upon Grantor, and their respective successors and assigns, its tenants, subtenants and concessionaires, and the customers, invitees, guests and licensees of Grantor or Grantee and their respective tenants, subtenants and concessionaires.

g. Titles and Captions. Section titles or captions to this Agreement are for convenience only and shall not be deemed to be part of this Agreement and in no way define, limit, augment, extend or describe the scope, content or intent of any part or parts of this Agreement.

i. Applicable Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Utah.

j. Severability. In the event that any provision herein contained is held to be invalid or void by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect any other provision herein contained. If such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

k. Exhibits. All Exhibits referred to herein and attached hereto are hereby incorporated herein by this reference.

l. Attorneys Fees. In the event it becomes necessary for any party to this Agreement to commence legal action to enforce its rights under this Agreement, the prevailing party shall be entitled to reasonable attorney fees and costs.

m. Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties hereto and supersedes all prior agreements, representations or understandings between them relating to the subject matter hereof with the exception of the Exchange Agreement. All preceding agreements relating to the subject matter hereof, whether written or oral, are hereby merged into this Agreement. This Agreement may not be modified in any manner except by an instrument in writing signed by all of the parties hereto.

n. Further Action. The parties hereby agree to execute and deliver such additional documents and to take further action as may become necessary or desirable to fully carry out the provisions and intent of this Agreement.

o. Severability. If any term or provision of this Agreement shall, to any extent, be determined by a court of competent jurisdiction to be void, voidable or unenforceable, such void, voidable or unenforceable term or provision shall not affect any other term or provision of this Agreement.
