

The Buyer agrees to pay the general taxes after 1926.
The Buyer further agrees to keep all insurable buildings and improvements on said premises insured in a company acceptable to the Seller to the amount of three-fourths of their value or (\$3,000.00), and to assign said insurance to the Seller as his interests may appear and to deliver the insurance policy to him.

In the event the Buyer shall default in the payment of any special or general taxes, assessments or insurance premiums as herein provided, the Seller may, at his option, pay said taxes, assessments and insurance premiums or either of them, and if he elects so to do, then the Buyer agrees to repay the Seller upon demand, all such sums so advanced and paid by him, together with interest thereon from date of payment of said sums at the rate of one per cent per month until paid.

In the event of a failure to comply with the terms hereof by the Buyer, or upon failure to make any payments when the same shall become due, or within 30 days thereafter, the Seller shall, at his option, be released from all obligations in law and equity to convey said property and the said Buyer shall forfeit as liquidated damages, all payments which have been made theretofore on this contract, and the Buyer agrees that the Seller may, at his option, re-enter and take possession of said premises without legal process as in its first and former estate, together with all improvements and additions made by the Buyer thereon, and the said additions and improvements shall remain with the land and become the property of the Seller, the Buyer becoming at once a tenant at will of the Seller. It is agreed that time is of the essence of this agreement.

In the event there are any liens or encumbrances against said premises other than those herein provided for or referred to, or in the event any liens or encumbrances other than herein provided for shall hereafter accrue against the same by acts or neglect of the Seller, then the Buyer may at his option, pay and discharge the same and received credit on the amount then remaining due hereunder in the amount of any such payment of payments and thereafter the payments herein provided to be made, may at the option of the Buyer, be suspended until such a time as such suspended payments shall equal any sums advanced as aforesaid.

The Buyer, his heirs, executors, administrators, successors or assigns, agree that no estate in or possession of the said premises shall be sold, transferred, granted or conveyed to any person not of the Caucasian race.

The Seller on receiving the payments herein reserved to be paid at the times and in the manner above mentioned agrees to execute and deliver to the Buyer or assigns, a good and sufficient warranty deed conveying the title to the above described premises free and clear of all encumbrances except as herein mentioned and except as may have accrued by or through the acts or neglect of the Buyer, and to furnish at his expense, an abstract brought to date at time of sale or at time of delivery of deed at the option of Buyer.

It is hereby expressly understood and agreed by the parties hereto that the Buyer accepts the said property in its present condition and that there are no representations, covenants, or agreements between the parties hereto with reference to said property except as herein specifically set forth or attached hereto.

The Buyer and Seller each agree that should they default in any of the covenants and agreements contained herein, to pay all costs and expenses that may arise from enforcing this agreement, either by suit or otherwise, including a reasonable attorney's fee.
