Grantors hereby release Grantee, its successors and assigns, of all obligations to have an appraisal prepared to determine the amount of just compensation for land herein deeded, and hereby waive their right to receive monetary compensation.

Based on Reclamation's process knowledge of what occurred on the land described above, there is no hazardous substance, used, stored, released or otherwise present, and therefore there are no recognizable environmental conditions present.

Signs, Billboards, outdoor Advertising structures, or advertising of any kind as defined in 23 United States Code, Section 131, shall not be erected, displayed, placed or maintained upon or within this tract, EXCEPT signs to advertise the sale, hire or lease of this tract or the principal activities conducted on this land.

The grantor reserves rights to use the abutting state property for highway purposes and excludes from this grant any rights to air, light, view and visibility over and across the abutting state property. The Grantee is hereby advised that due to present or future construction on the adjacent highway including but not limited to excavation, embankment, structures, poles, signs, walls, fences and all other activities related to highway construction or which may be permitted within the Highway Right of Way that air, light, view and visibility may be restricted or obstructed on the above property.

Pursuant to Title 72, Chapter 6, Section 117, Utah Code Annotated, 1998, as amended, the above described tract of land is granted without access to or from the adjoining freeway over and across the westerly boundary line of said tract of land between said designated Point "A" and said designated Point "B".

Together with and subject to any and all easements, rights of way and restrictions appearing of record or enforceable in law and equity.

Junkyards, as defined in 23 United States Code, Section 136, shall not be established or maintained on the above described tracts of lands.

This Warranty Deed is being executed to fulfill terms and conditions set forth in a certain Contract for Land Exchange and Relocation of Facility, Contract No. 21-LM-40-506840

The Grantors hereby acknowledge that they have been fully informed of their rights under the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended (84 Stat. 1904, 101 Stat. 255, 42 U.S.C. § 4651) to receive just compensation for the land herein deeded. Grantors hereby release Grantee, its successors and assigns, of all obligations to have an appraisal prepared to determine the amount of just compensation for land herein deeded, and hereby waive their right to receive monetary compensation.

Based on Reclamation's process knowledge of what occurred on the land described above, there is no hazardous substance, used, stored, released or otherwise present, and therefore there are no recognizable environmental conditions present.

Signs, Billboards, outdoor Advertising structures, or advertising of any kind as defined in 23 United States Code, Section 131, shall not be erected, displayed, placed or maintained upon or within this tract, EXCEPT signs to advertise the sale, hire or lease of this tract or the principal activities conducted on this land.

The grantor reserves rights to use the abutting state property for highway purposes and excludes from this grant any rights to air, light, view and visibility over and across the abutting state property. The Grantee is hereby advised that due to present or future construction on the adjacent highway including but not limited to excavation, embankment, structures, poles, signs, walls, fences and all other activities related to highway construction or which may be permitted within the Highway Right of Way that air, light, view and visibility may be restricted or obstructed on the above property.

Together with and subject to any and all easements, rights of way and restrictions appearing of record or enforceable in law and equity.

Junkyards, as defined in 23 United States Code, Section 136, shall not be established or maintained on the above described tracts of lands.
