The Company further covenants and agrees to and with the Trustee and its successor or successors in such trust under the Mortgage, as follows:

ARTICLE I

Forty-Fourth Series of Bonds

SECTION 1.01. There shall be a series of bonds designated "4.125% Series due 2049" (herein sometimes referred to as the Forty-Fourth Series), each of which shall also bear the descriptive title "First Mortgage Bond," and the form thereof, which shall be established by or pursuant to a Resolution, shall contain suitable provisions with respect to the matters hereinafter in this Section specified.

(I) Bonds of the Forty-Fourth Series shall mature on January 15, 2049 and shall be issued as fully registered bonds in the minimum denomination of two thousand dollars and, at the option of the Company, any multiple or multiples of one thousand dollars in excess thereof (the exercise of such option to be evidenced by the execution and delivery thereof).

The Company reserves the right to establish, at any time, by or pursuant to a Resolution filed with the Trustee, a form of coupon bond, and or appurtenant coupons, for the Forty-Fourth Series and to provide for exchangeability of such coupon bonds with the bonds of the Forty-Fourth Series issued hereunder in fully registered form and to make all appropriate provisions for such purpose.

Bonds of the Forty-Fourth Series need not be issued at the same time and such series may be reopened at any time, without notice to or the consent of any then-existing holder or holders of any bond of the Forty-Fourth Series, for issuances of additional bonds of the Forty-Fourth Series in an unlimited principal amount. Any such additional bonds will have the same interest rate, maturity and other terms as those initially issued, except for payment of interest accruing prior to the original issue date of such additional bonds and, if applicable, for the first interest payment date following such original issue date.

(II) Bonds of the Forty-Fourth Series shall bear interest at the rate of four and one hundred and twenty five thousandths per centum (4.125%) per annum payable semi-annually in arrears on January 15 and July 15 of each year (each, an "Interest Payment Date"). Bonds of the Forty-Fourth Series shall be dated and shall accrue interest as provided in Section 2.06 of the Mortgage.

The initial Interest Payment Date is January 15, 2019. The amount of interest payable will be computed on the basis of a 360-day year consisting of twelve 30-day months. If any date on which interest is payable on any bond of the Forty-Fourth Series is not a Business Day, then payment of the interest payable on that date will be made on the next succeeding day which is a Business Day (and without any additional interest or other payment in respect of any delay), with the same force and effect as if made on such date.

Interest payable on any bond of the Forty-Fourth Series and punctually paid or duly provided for on any Interest Payment Date for such bond will be paid to the person in whose name the bond is registered at the close of business on the Record Date (as hereinafter specified) for such bond next preceding such Interest Payment Date; *provided, however*, that interest payable at maturity or upon earlier redemption will be payable to the person to whom principal shall be payable. So long as the bonds of the Forty-Fourth Series remain in book-entry only form, the "Record Date" for each Interest Payment Date shall be the close of business on the Business Day before the applicable Interest Payment Date. If the bonds of the Forty-Fourth Series are not in book-entry only form, the Record Date for each Interest Payment Date shall be the close of business on the 1st calendar day of the month in which the applicable Interest Payment Date occurs (whether or not a Business Day).

"*Business Day*" means, for purposes of this Section (II), a day other than (i) a Saturday or a Sunday, or (ii) a day on which banking institutions in The City of New York are authorized or obligated by law or executive order to remain closed.

Any interest on any bond of the Forty-Fourth Series which is payable but is not punctually paid or duly provided for, on any Interest Payment Date for such bond (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered owner on the relevant Record Date for the payment of such interest solely by virtue of such owner having been such owner; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in subsection (i) or (ii) below:

- (i) The Company may elect to make payment of any Defaulted Interest on the bonds of the Forty-Fourth Series to the persons in whose names such bonds are registered at the close of business on a Special Record Date (as hereinafter defined) for the payment of such Defaulted Interest, which shall be fixed in the following manner: The Company shall, at least 30 days prior to the proposed date of payment, notify the Trustee in writing (signed by an Authorized Financial Officer of the Company) of the amount of Defaulted Interest proposed to be paid on each bond of the Forty-Fourth Series and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this subsection provided and not to be deemed part of the Mortgaged and Pledged Property. Thereupon, the Trustee shall fix a record date (herein referred to as a "Special Record Date") for the payment of such Defaulted Interest which date shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner of a bond of the Forty-Fourth Series at his, her or its address as it appears in the bond register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the bonds of the Forty-Fourth Series are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following subsection (ii).
- (ii) The Company may make payment of any Defaulted Interest on the bonds of the Forty-Fourth Series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such bonds may be listed and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each bond of the Forty-Fourth Series delivered under the Mortgage upon transfer of or in exchange for or in lieu of any other bond shall carry all rights to interest accrued and unpaid, and to accrue, which were carried by such other bond and each such bond shall bear interest from such date, that

neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(III) The principal of and interest and premium, if any, on each bond of the Forty-Fourth Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts or in such other currency or currency unit as shall be determined by or in accordance with the Resolution filed with the Trustee.

(IV) Bonds of the Forty-Fourth Series shall not be redeemable prior to maturity at the option of any holder or holders of such bonds. Bonds of the Forty-Fourth Series shall be redeemable in whole or in part and at any time prior to maturity at the option of the Company. Prior to July 15, 2048 (the "par call date"), the redemption price shall include accrued and unpaid interest to the redemption date on the bonds to be redeemed, plus the greater of (a) one hundred per centum (100%) of the principal amount of bonds then Outstanding to be redeemed, and (b) the sum of the present values of the remaining scheduled payments of principal and interest thereon that would be due if the bonds of the Forty-Fourth Series matured on the par call date (not including any portion of such payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 20 basis points, as calculated by an Independent Investment Banker. At any time on or after the par call date, the redemption price shall include accrued and unpaid interest to the redemption date on the bonds to be redeemed, plus one hundred percent (100%) of the principal amount of bonds then Outstanding to be redeemed. The Company shall give the Trustee notice of the redemption price referred to in the second preceding sentence immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation. If the Company elects to partially redeem the bonds of the Forty-Fourth Series, the bonds of the Forty-Fourth Series to be redeemed shall be selected by lot; provided, that if the bonds of the Forty-Fourth Series are in book-entry only form, interests in such bonds shall be selected for redemption by The Depository Trust Company in accordance with its standard procedures therefor.

"*Business Day*" means, for purposes of this Section (IV), a day other than (i) a Saturday or a Sunday, or (ii) a day on which banking institutions in The City of New York are authorized or obligated by law or executive order to remain closed.

"*Comparable Treasury Issue*" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the bonds of the Forty-Fourth Series (assuming, for this purpose, that the bonds of the Forty-Fourth Series matured on the par call date) to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such bonds (the "Remaining Life").

"*Comparable Treasury Price*" means, with respect to any redemption date, the Reference Treasury Dealer Quotation for such redemption date.

"*Independent Investment Banker*" means an investment banking institution of international standing appointed by the Company.

"*Reference Treasury Dealer*" means a primary U.S. government securities dealer in New York City appointed by the Company.

"*Reference Treasury Dealer Quotation*" means, with respect to the Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount and quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. on the third business day in New York City preceding such redemption date).

"*Treasury Rate*" means, as of a given redemption date, the rate per annum equal to the semi-annual equivalent or interpolated (on a daycount basis) yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date.

(V) Each bond of the Forty-Fourth Series may have such other terms as are not inconsistent with Section 2.03 of the Mortgage, and as may be determined by or in accordance with a Resolution filed with the Trustee.

(VI) At the option of the registered owner, any bonds of the Forty-Fourth Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series and same terms of other authorized denominations.

(VII) Bonds of the Forty-Fourth Series shall be transferable, subject to any restrictions thereon set forth in any such bond of the Forty-Fourth Series, upon the surrender thereof for cancellation, together with a written instrument of transfer, if required by the Company, duly executed by the registered owner or by his, her or its duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Forty-Fourth Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other government charge, as provided in Section 2.08 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Forty-Fourth Series.

(VIII) After the execution and delivery of this Twenty-Ninth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage and this Twenty-Ninth Supplemental Indenture, it is contemplated that there shall be issued bonds of the Forty-Fourth Series in an initial aggregate principal amount of Six Hundred Million Dollars (U.S. \$600,000,000).
