**DRAINAGE EASEMENT AGREEMENT**

This Drainage Easement Agreement ("Agreement") is made this <sup>28<sup>th</sup></sup> day of May, 2008, between Kaysville I, LLC, a Utah limited liability company ("Kaysville I"), and Boondocks Properties, LLC, a Utah limited liability company ("Boondocks"). Kaysville I and Boondocks may be referred to hereinafter individually as a "Party," or collectively as the "Parties," as applicable. This agreement is being re-recorded to add clarifying language to Recital "B" below.

**RECITALS**

A. Kaysville I previously owned a thirty-five (35) acre parcel of real property located at 600 S. Deseret Dr., Kaysville, Utah 84037, Tax ID # 08-001-0025 (the "Kaysville I Property"). Kaysville I recently conveyed a portion of the Kaysville I Property, which portion is legally described on Exhibit A, attached hereto and incorporated herein by this reference (the "Property"), to Kaysville Development, LLC, a Utah limited liability company ("Kaysville Development"), an affiliate of Kaysville I. Contemporaneously with the execution of this Agreement, Boondocks shall have acquired the Property from Kaysville Development, pursuant to that certain Real Estate Purchase and Sale Agreement, dated January 23, 2008, as amended by that certain First Amendment of Real Estate Purchase and Sale Agreement, dated March 11, 2008, and that certain Second Amendment to Real Estate Purchase and Sale Agreement, dated April 15, 2008 (together, the "Purchase Agreement").

B. Prior to purchasing the Property from Kaysville Development, and while Buyer was conducting its due diligence review of the Property, Buyer became aware that certain historical drainage flow ("Historical Drainage") travels under the freeway and Union Pacific Railroad to the east of the Property, enters the Property, then travels south across a portion of the Property in an open drainage ditch (the "Drain") that continues on to other real property owned by Kaysville I to the south of the Property (hereafter, the "Southern Property"). legally described on Exhibit "B" and integrated herein by this reference

C. Boondocks plans on developing the Property and desires to cover and tile the Drain as it traverses the Property to provide for additional developable area and to eliminate the open drainage system. Boondocks also desires to confirm and obtain an easement for the Historical Drainage to continue to flow from the Property on to and across the Southern Property. Kaysville I, as owner of the Southern Property, has agreed to continue to accept the Historical Drainage on the Southern Property and to confirm and grant Boondocks an easement in accordance with the provisions set forth in this Agreement.

**AGREEMENT**

NOW, THEREFORE, in consideration of the above recitals which the Parties acknowledge are true and correct and are incorporated below, the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **TILING OF DRAIN.** Boondocks shall have the right, but not the obligation, to cover and tile the portion of the Drain located on the Property, at its sole cost and expense. Such construction shall be in accordance with applicable laws and regulations and after obtaining any necessary permits. Boondocks shall also have the right to realign the Drain on the Property, as desired, so long as the realigned drain delivers the Historical Drainage to the same location on the Southern Property or to another location acceptable to Kaysville I.

2. **ACCEPTANCE OF HISTORICAL DRAINAGE AND EASEMENT.** Kaysville I agrees to accept the Historical Drainage from the Property and confirms and grants unto Boondocks a perpetual, non-exclusive drainage easement for the continual flow of the Historical Drainage from the Property on to, over, across and through the Southern Property.

3. **NO INTERFERENCE.** Kaysville I shall not place, install or construct any improvements, barriers, structures or other obstructions on the Southern Property that will impede, interfere, or otherwise hinder the flow of the Historical Drainage from the Drain and on to and over the Southern Property. This Agreement shall not, however, preclude Kaysville I from relocating any drain on the Southern Property to another more convenient location on the Southern Property, so long as such relocation does not impede the Historical Drainage from the Property or otherwise cause any damage to Boondocks.

4. **STORMWATER FACILITIES.** As a part of the development of the Property, Boondocks Properties shall construct the stormwater drainage facilities required by applicable laws and regulations to address the Property's on-site drainage.

5. **BINDING EFFECT.** The terms and provisions contained herein shall be a burden on the Southern Property, shall be appurtenant to and for the benefit of the Property and shall run with the land, and shall inure to the benefit of and bind the Parties hereto and their respective heirs, representatives, successors and assigns.

6. **REMEDIES.** In the event of a breach hereunder by any Party, the non-breaching Party shall have all remedies available at law or in equity, including injunctive or other equitable relief. In any suit, action or appeal therefrom to enforce or interpret this Agreement, the prevailing party shall be entitled to recover its costs incurred therein, including reasonable attorneys' fees and disbursements, and also including reasonable attorneys' fees and costs associated with any appeal of a judgment. The "prevailing party" will be that Party which was awarded judgment as a result of trial or arbitration, or which receives a payment of money from the other party in settlement of claims asserted by that Party.

7. **ENTIRE AGREEMENT.** This Agreement embodies the entire agreement between the Parties hereto and there are no oral agreements existing between the Parties relative to the subject matter hereof. This Agreement may only be amended by written document executed by the Parties.
