ACCESS EASEMENT AGREEMENT

This ACCESS EASEMENT AGREEMENT ("Agreement") is entered into as of the 31st day of October, 2017 (the "Effective Date"), by and among WASHINGTON COUNTY WATER CONSERVANCY DISTRICT, Grantor, and HOWARD WENDELL JONES, BECKY C. JONES and HOWARD W. JONES AND BECKY C. JONES, TRUSTEES OF THE HOWARD W. JONES AND BECKY C. JONES FAMILY TRUST dated the 28th day of May, 1988, Grantees (sometimes collectively, the "Parties" and individually, a "Party").

RECITALS

A. Grantor is the owner of the real property more particularly described on Exhibit A attached hereto (the "WCWCD Property").

B. Grantees are the owners of the real property more particularly described on Exhibit B attached hereto (the "Jones Property").

C. Grantees access the Jones Property by use of a dirt road (the "Road") which crosses the WCWCD Property. The Parties acknowledge that Grantees have prescriptive rights to use the Road to cross the WCWCD Property. The Parties desire to formalize the easement through a written agreement.

E. Grantor has agreed to grant to Grantees certain easement rights over a portion of the WCWCD Property, and the Parties have agreed to certain matters associated therewith, all as more particularly set forth below.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Access Easement Over the WCWCD Property. Grantor, as owner of the WCWCD Property, grants on and after the Effective Date to Grantees, as owners of the Jones

Property, and Grantees' successors, assigns, invitees, agents, contractors, tenants, employees or lawful occupants of the Jones Property (the "**Jones Permittees**"), for the benefit of the Jones Property, a nonexclusive easement appurtenant to the Jones Property (the "**Easement**"), for ingress and egress by vehicular and pedestrian traffic upon, over and across the Road, as legally described on Exhibit C attached hereto and depicted on Exhibit D hereto (the "**Easement Area**").

2. Non-Exclusive Easement. Grantees understand and agree that the Easement is non-exclusive, and as such, Grantor and its successors, assigns, invitees, agents, contractors, tenants, employees and lawful occupants and any other persons permitted by Grantor, may use the Easement Area for any lawful uses.

3. No Warranties. Grantor makes no representation or warranty, express or implied, that the Easement is adequate, suitable, or sufficient for Grantees' use, or the use of the Jones Permittees. The Parties hereby acknowledge and agree that Grantees and the Jones Permittees use the Easement at their own risk.

4. Relocation of Easement. At its sole election and without Grantees' approval, Grantor shall be entitled to relocate all or any portion of the Easement Area if such relocation is necessary due to the water level in Kolob Reservoir being raised, in which case a revised drawing and legal description of the relocated Easement Area shall be substituted in place of Exhibits C and D hereto. If the water level in Kolob Reservoir is raised so that water covers the WCWCD Property, Grantees shall have the right to raise the level of the ground on the WCWCD Property to the extent required for access over the WCWCD Property. The Easement, as relocated to the relocated Easement Area, shall continue to provide Grantees with access to and from the Jones Property. Grantees agree to cooperate and to cause each of the Jones Permittees to cooperate fully with Grantor in connection with any needed relocation of the Easement Area. Grantees further agree that the existence of the Easement and its use by Grantees shall not hinder Grantor's engineering or construction activities in connection with increasing the height of the dam. Grantees agree to execute and deliver promptly all documents reasonably required by Grantor in connection with any relocation of the Easement Area. If Grantees desire to construct a new dirt road within the relocated Easement Area, Grantees shall bear the cost of constructing such new dirt road, but Grantees shall not be obligated to construct a new dirt road.

5. General Provisions.

a. Successors. This Agreement shall run with the land and shall bind and inure to the benefit of the Parties hereto and their respective successors and assigns.

b. Entire Agreement. This Agreement contains the entire agreement between the Parties hereto and supersedes all prior agreements, oral or written, with respect to the subject matter hereof. The provisions of this Agreement shall be construed as a whole and not strictly for or against either Party.

c. Modification and Termination. This Agreement may not be modified in any respect whatsoever or terminated, in whole or in part, except with the consent of Grantees,

and then only by written instrument duly executed and acknowledged by Grantees and recorded in the Office of the Washington County, Utah Recorder.

d. Not a Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of any portion of the WCWCD Property or the Easement Area to the general public or for the general public or for any public purpose whatsoever, it being the intention of the Parties that this Agreement shall be strictly limited to and for the purposes herein expressed.

e. Severability. If any term or provision of this Agreement or the application of it to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Agreement or the application of such term or provision to persons or circumstances, other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and shall be enforced to the extent permitted by law.

f. Counterparts. This Agreement may be executed in counterparts, each of which shall be an original, but such counterparts together shall constitute one and the same instrument.

g. Exhibits. All Exhibits referred to in this Agreement are considered an integral part of this Agreement and are hereby incorporated herein. This Agreement shall not be considered executed and/or complete until and unless such Exhibits shall be attached hereto.
