1a. The Grantor warrants that Grantor is the owner of the real property whereon the above-described easement lies.

1b. The Grantor, for himself, his successors and assigns, agrees that, within the perpetual easement area described herein: (i) no buildings or structures of a permanent nature will be constructed and no trees will be planted; (ii) removal of materials from or placement of materials upon the area shall be subject to written approval of the United States, its agents or assigns; (iii) future easements to third parties on, over, under, or across the area will be subject to the written approval of the United States, its agents or assigns; (iv) damage to the canal or appurtenant structures caused by the Grantor's negligent use of the easement shall be repaired at the sole cost of the Grantor.

1c. It is understood and agreed that the rights to be granted to the United States, as described in Article 1 hereof, shall be free from lien or encumbrance except: (i) coal, oil, gas, and other mineral rights reserved or outstanding as of the date of this contract; (ii) any exploration or exploitation of such coal, oil, gas, and other minerals shall be approved in writing, by the Secretary of the Interior or his duly-authorized representative; (iii) rights-of-way of record for roads, railroads, telephone lines, transmission lines, ditches, conduits, or pipelines, on, over, under, or across said lands in existence on such date; and (iv) court liens, judgments or financial encumbrances, such as Deeds of Trust, for which a formal consent has been obtained from the court or the lien holder.

1d. Grantor, for himself, his successors and assigns, understands and agrees that any alteration, modification, change, or placement of improvements, by Grantor or any third party, within the above-described easement area, subsequent to the date of execution of this Contract and Grant of Easement, shall be made at Grantor's own risk, and Grantor hereby releases the United States from liability for any and all loss or damage of every description or kind whatsoever which is caused by or as a direct result of such alteration, modification, change, or placement of improvements within said area; provided, however, that nothing in this Article shall be construed as releasing the United States from liability for its own negligence.

1e. The United States, at its sole cost and expense, within the easement herein described, will: (i) replace or repair with materials of like kind and equal quality any fences, ditches, pipelines, driveways, or roadways, including appurtenances thereto existing at the time of execution of this contract by the

Grantor that are damaged or destroyed by construction of the canal, and appurtenant structures, (ii) grade to reasonably even and regular surfaces, all fills, cuts, and waste banks, and (iii) at its option, the United States will compensate the Grantor for damage or loss of the above items based on an appraisal mutually acceptable to the United States and the Grantor.

1f. The United States agrees that any crop loss or crop damages incurred as a result of the construction of the project on the above described parcel of land are not included in the consideration paid under Article 3 hereof. The construction contractor will be responsible for payment for such loss or damages. If they are not, the United States will compensate the Grantor for such loss or damages based on an appraisal mutually acceptable to the United States and the Grantor.

1g. The United States, at its sole cost and expense, will provide and maintain temporary irrigation facilities whenever use of existing irrigation facilities is disrupted by said project.

2. The Grantor hereby ratifies and affirms the right of the United States, its permittees, successors or assigns, to construct, reconstruct, realign, enlarge, improve, relocate, repair, operate and maintain said canal, and all other fixtures, devices and appurtenances related thereto, and to conduct all related activities in, on, under, and across the land described in paragraph 1 above, together with the right of access thereto. for such purposes, at any time and from time to time, under the following conditions:

(a) The United States shall have the right to use the subject land for ingress and egress at any time without prior notice, together with the right to use existing or future roadways, on, over or across Grantor's remaining property, at any time, as may be convenient and necessary for the purposes of exercising the rights herein mentioned. The United States may, at any time, install and/or use gates in any fences which are now, or may hereafter be, constructed on said lands described herein.

(b) The rights granted to, and exercised by, the United States shall be subject to all fencing, canals, ditches, pipelines, roadways, and rights-of-way, including the right of the Grantor to use the lands within said parcel for agricultural purposes, which do not or could not directly or indirectly interfere with or endanger the exercise of the rights of the United States.

00208786 BK 00403 P3 00578

3. The United States shall purchase said easement on the terms herein expressed, and on execution and delivery of this Contract and Grant of Easement, and approval by the proper officials of the United States, it shall cause to be paid to the Grantor as full purchase price the sum of ~~Sixty~~^{THIRTY} ~~THOUSAND~~^{SIX} ~~THREE~~^{SIX} ~~HUNDRED~~^{SIX} and no/100 Dollars (\$~~60,300.00~~^{33,636.00}) by United States Treasury warrant or fiscal officer's check. *August 18, 1998* *RF.* *Kay L. J.*

4. The Grantor shall, at his own cost, procure and have recorded all assurances of title and affidavits which the Grantor may be advised by the United States are necessary and proper to show in the Grantor complete fee simple unencumbered title to the property whereon the above-described easement lies, subject only to the interests, liens, or encumbrances expressly provided herein. Abstracts or certificates of title or title insurance will be procured by the United States at its expense. The expense of recording this Contract and Grant of Easement shall be borne by the United States.

The United States shall reimburse the Grantor in an amount deemed by the United States to be fair and reasonable for the following expenses incurred by the Grantor:

(a) Recording fees, transfer taxes and similar expenses incidental to granting the easement described herein to the United States; and

(b) Penalty cost for prepayment of any pre-existing recorded mortgage entered into in good faith encumbering said real property.

The Grantor agrees to furnish the United States evidence that these items of expenses have been billed to and paid by him and further agrees that the United States alone shall determine the fairness and reasonableness of the expenses to be paid.

5. In the event that liens or encumbrances other than those expressly provided herein, do exist, the United States may, at its option, remove any and all such outstanding liens and encumbrances by reserving from the purchase price herein set forth the necessary amount and discharge same with the money so reserved, but this provision shall not be construed to authorize the incurrence of any lien or encumbrance as against this Contract and Grant of Easement, nor as an assumption of any lien or encumbrance by the United States.

6. It is agreed that, at its election, the United States may draw its check in payment for granting the above-described easement to the order of the title contractor or closing agent,

and the Grantor hereby authorizes the said contractor or agent to cash the check and make disbursements out of the proceeds to satisfy and pay any taxes, assessments, and encumbrances which are a lien against the real estate; to purchase any Federal or State documentary revenue stamps; to pay any State and local recording or transfer taxes where required, and any other expenses incident to the closing of title which are properly chargeable to the Grantor; and to remit the balance of the proceeds to Grantor; together with an itemized statement of the payments made on Grantor's behalf.

7. This Contract and Grant of Easement shall become effective to bind the United States to purchase said easement immediately on its execution by the contracting officer acting under the authority of the Secretary of the Interior and shall inure to the benefit of and be binding on the heirs, executors, administrators and assigns of the Grantor, and the assigns of the United States.

8. After execution of this contract by the United States, the proper officers and agents of the United States shall, at all times, have unrestricted access to said easements to survey, construct, reconstruct, realign, enlarge, improve, relocate, repair, operate and maintain the canal, free of any claim for damage or compensation on the part of the Grantor, except as otherwise provided for in this contract.

9. If the Secretary of the Interior determines that the title to the easement should be acquired by the United States by judicial procedures, either to procure a safe title or to obtain title more quickly or for any other reason, then the award to be made for the interest acquired in said lands in said proceedings shall be the same amount as the purchase price herein provided. This contract shall constitute full and complete satisfaction of all claims by the Grantor to compensation for the land described in paragraph 1 herein.

10. The Grantor warrants that the Grantor has not employed any person to solicit or secure this Contract and Grant of Easement upon any agreement for a commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the United States the right to annul the Contract and Grant of Easement, or, in its discretion, to deduct from the contract price or consideration the amount of such commission, percentage, brokerage, or contingent fees. This warranty shall not apply to commissions payable by contractors upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the Grantor for the purpose of securing business with others than the United States.

11. No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this Contract and Grant of Easement, or to any benefit that may arise therefrom, but this restriction shall not be construed to extend to this contract if made with a corporation or company for its general benefit.

12. The terms of this Contract and Grant of Easement will survive the grant provided for herein.

IN WITNESS WHEREOF, the parties hereto have signed their names the day and year first above-written.
