GRANT OF EASEMENT

WEINGARTEN MILLER EQUIWEST SALT LAKE LLC, a Utah corporation, Grantor, hereby CONVEYS and GRANTS to PAUL C. YOUNG, THOMAS YOUNG JR. AND MICHAEL T. YOUNG, AS TRUSTEES OF THE YOUNG ELECTRIC SIGN COMPANY PROFIT SHARING 401(K) RETIREMENT PLAN AND TRUST DATED SEPTEMBER 13, 2002, as successors in interest to Thomas Young, Jr. and Henry Schutte, Trustees for Yesco Profit Sharing and Retirement Plan, whose address is 2401 Foothill Drive, Salt Lake City, Utah 84109, Grantee, for the sum of Ten Dollars (\$10.00) and other good and valuable consideration, affirmative, perpetual, and non-revocable easements over, above, upon, across, and under, as the case may be, the tract of land described herein as Exhibit "X" (the "Servient Estate"), which easements shall be for the benefit of and shall be appurtenant to the contiguous tract of land described herein as Exhibit "Y" (the "Dominant Estate") and also the outdoor advertising structure thereon (the "Structure"), as it exists presently, and as it may be modified in the future, as follows:

A line of sight easement from each of the Structure's two advertising faces (at their present height or as they may be raised at the Dominant Estate Owner's sole discretion), over the Servient Estate, to travelers on the Interstate Highway located to the west. This easement will ensure that both advertising faces on the Structure will be without visual obstruction from any object on the Servient Estate, as viewed from the Interstate Highway.

An easement for access (ingress and egress) over and across the Servient Estate from any public right-of-way adjacent to the Servient Estate to the Dominant Estate and the Structure thereon. The entire easement for Dominant Estate Owner's access to the Structure shall be large enough, level enough, and stable enough for typical service trucks of outdoor advertising structures to access the Structure with ease. The Servient Estate Owner shall maintain the paved portions, if any, of this easement and ensure that such paved portions are substantial enough to accommodate Dominant Estate Owner's service trucks without damage to the surface. Servient Estate Owner shall ensure adequate clearance for such service trucks from all obstacles on the Servient Estate, including, without limitation, buildings, trees, and the Structure itself. The Servient Estate Owner shall also be responsible for building and maintaining whatever retaining walls, water runoff channels, etc. may be required by law or practicality, pertinent to the development of the Servient Estate.

TWA 1238

A utility easement for electrical power and telecommunication lines and any associated equipment necessary to control the display or light the Structure, above, across, or under the Servient Estate. This easement shall include the present location of such lines and equipment, and also the access required to install new lines and/or replace, repair, and service them as necessary. If Servient Estate Owner determines to relocate such lines on the Servient Estate, Servient Estate Owner may relocate those appurtenant to the Dominant Estate and the Structure, but only if Servient Estate Owner provides appropriate electrical and telecommunications service at the Structure on the Dominant Estate, at no cost to Dominant Estate Owner for such relocation, without interruption of normal electrical use at the Structure, and with rights of access as may be required to replace, repair, and service such relocated lines.

An easement for encroachment over and into the Servient Estate to the extent that any portion of the Structure extends beyond the Dominant Estate and into the Servient Estate.

The Servient Estate Owner shall ensure that the requirements of the above-referenced easements are met. If the Servient Estate Owner does not do so after 30 days' written notice from the Dominant Estate Owner, the Dominant Estate Owner may unilaterally cure whatever discrepancies exist, and the Servient Estate Owner shall forthwith reimburse the Dominant Estate Owner for all costs of such cure.

Any notices required by this Grant of Easement shall be sent as appropriate to the following parties or their successors in writing. All parties to this Grant of Easement shall be notified of any change of address.
