**MASTER DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS
OF THE MIX AT RIVERS EDGE**

THIS MASTER DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF THE MIX AT RIVERS EDGE (this "Master Declaration"), is made effective as of this 6 day of May, 2021, by each of the property owners defined below collectively as the "Declarant" with respect to the following:

RECITALS:

A. Declarant owns certain real property comprising approximately 29 acres located in Provo City, Utah County, Utah (the "Declarant Property"). The legal descriptions of the parcels comprising the Declarant Property are included in Exhibit A hereto and are therein designated as the "Declarant Property."

B. Exhibit A also includes the legal descriptions of other parcels of real property, not owned by Declarant, which parcels are also part of and shall be included in the Project. Said parcels that are not owned by Declarant contain, in the aggregate, slightly less than 5 acres. All parcels of real property included in the Project (both the Declarant Property and the other parcels) comprise a total of approximately 34 acres (the "Property"). All parcels comprising the Property, as described in Exhibit A hereto, shall be encumbered by this Master Declaration.

C. The Property is located within, and has historically been part of, the shopping center commonly known as "Plum Tree Plaza" located at 2250 North University Parkway, Provo, Utah (the "Historical Project").

D. The Property has been approved by the local land use authorities for redevelopment as a new mixed-use project that will include commercial, office, retail, entertainment and multi-unit residential housing uses to be known as "The Mix at Rivers Edge" (the "New Project").

E. To accommodate the New Project, and provide updated covenants and restrictions, Declarant desires to replace all previously-recorded covenants and restrictions with this Master Declaration. The previously-recorded covenants and restrictions (collectively, the "Old CC&Rs") include the following:

1. Original Declaration. The Declaration of Easements, Covenants and Restrictions Affecting Land (ECR) recorded in the Utah County Recorder's Office on September 4, 1986, as Entry No. 29349, Book 2336, Page 258.

2. First Amendment. The First Amendment to Declaration of Easements, Covenants and Restrictions Affecting Land dated April 2, 1987, recorded in the Utah County Recorder's Office as Entry No. 12537, Book 2400, Page 674 and re-recorded on April 27, 1987, as Entry No. 16005, Book 2408, Page 539.

3. Second Amendment. The Second Amendment to Declaration of Easements, Covenant and Restrictions Affecting Land dated March 23, 1998, recorded in the Utah County Recorder's Office as Entry No. 9917, Book 2501, Page 907.

4. Third Amendment. The Third Amendment to Declaration of Easements, Covenant and Restrictions Affecting Land dated March 27, 1992, recorded in the Utah County Recorder's Office as Entry No. 26586, Book 2942, Page 921.

5. Fourth Amendment. The Fourth Amendment to Declaration of Easements, Covenants and Restrictions Affecting Land (ECR) and First Amendment of Common Area Maintenance Agreement dated October 9, 2002, recorded in the Utah County Recorder's Office on October 10, 2002, as Entry No. 120021:2002.

F. Subsection B.14(a) of the Old CC&Rs provides that the Declaration may be modified or cancelled by the written consent of owners owning at least eighty percent (80%) of the square footage (including building areas and common areas) within the shopping center and the "Supermarket Tenant." The undersigned parties who have signed this Master Declaration comprise owners that own at least eighty percent (80%) of the square footage of the shopping center (including building areas and common areas) and the Supermarket Tenant. Accordingly, the approval and consent requirements of the Old CC&Rs are satisfied, as required, to cancel the Old CC&Rs in their entirety and replace them with this Master Declaration.

G. By signing this Master Declaration, the Declarant and undersigned owners do hereby confirm that the Old CC&Rs are canceled in their entirety, and are fully superseded and replaced by this Master Declaration. Following the recordation of this Master Declaration in the Utah County Recorder's Office, the Old CC&Rs shall have no further force or effect.

H. Following the recordation of this Master Declaration in the Utah County Recorder's Office, all of the parcels of real property described in Exhibit A hereto shall be governed by and subject to the covenants, conditions, and restrictions of this Master Declaration.

I. This Master Declaration also supersedes and replaces in its entirety that certain Common Area Maintenance Agreement for Plum Tree Shopping Center (the "CAM Agreement") dated April 2, 1987, recorded in the Utah County Recorder's Office on April 3, 1987, as Entry No. 12543, Book 2400, Page 837, as amended by instrument recorded on October 10, 2002, as Entry No. 120021:2002. Hence, following the recordation of this Master Declaration in the Utah County Recorder's Office, the common area maintenance obligations of the parcels or real property described in Exhibit A hereto shall be governed solely by the provisions of this Master Declaration.

J. At full development it is intended, without obligation, that the Property (i.e., the New Project) will have "for rent" residential units, "for sale" condominium units, food and retail uses, office uses, and other uses as approved by Provo City. It is anticipated that the Project will include common areas and facilities to be managed and maintained by the Master Association (defined below) for the use and benefit of all Owners in the New Project.

K. As part of the various phases of development of the Property, Declarant intends, without obligation, to record various Plats; to dedicate portions of the Property to the public for streets, roadways, utilities, drainage and flood control; and to sell portions of the Property to other end users or other builders and/or developers.

L. Declarant desires to form a Master Association as a non-profit corporation for the purpose of benefiting the Property and its Owners and Residents, which non-profit corporation will (a) acquire, operate, own, manage, repair, and maintain a variety of Community Areas and other areas within the Property; (b) establish, levy, collect and disburse the Assessments and other

charges imposed hereunder; and (c) as the agent and representative of the Members of the Master Association and the Residents of The Mix at Rivers Edge, administer and enforce all provisions hereof and enforce use and other restrictions imposed on various parts of the Property.

M. The portion of the New Project that contains residential condominium units will also be subject to, and managed by, its own separate condominium owners association and a separate Declaration of Condominium.

N. Declarant desires and intends that the Owners, Mortgagees, Residents, lessees, occupants and other holders of an interest in the Property and other persons hereafter acquiring any interest in or otherwise utilizing portions of the Property shall at all times enjoy the benefits of the Property and shall hold their interests therein subject to the rights, privileges, covenants and restrictions set forth in this Master Declaration, all of which are declared to be in furtherance of a plan to promote and protect the aesthetic and cooperative aspects of The Mix at Rivers Edge and are established for the purpose of enhancing the value, desirability, and attractiveness of The Mix at Rivers Edge.

O. Declarant therefore desires to subject all of the Property described in Exhibit A hereto to the covenants, conditions, restrictions, assessments, charges, servitudes, liens and reservations set forth in this Master Declaration.

P. In order to cause this Master Declaration and the covenants herein to run with the Property and to be binding upon the Property and the Owners, Mortgagees, Residents, lessees, occupants and other holders of an interest therein from and after the date this Master Declaration is recorded, Declarant hereby makes all conveyances of the Property, whether or not so provided therein, subject to this Master Declaration; and by accepting deeds, leases, easements or other grants or conveyances to any portion of the Property, the Owners and other transferees for themselves and their heirs, executors, administrators, trustees, personal representatives, successors and assigns, agree that they shall be personally bound by this Master Declaration (including but not limited to the obligation to pay Assessments) hereinafter set forth, except to the extent such persons are specifically excepted herefrom and that all portions of the Property acquired by them shall be bound by and subject to this Master Declaration.

NOW, THEREFORE, Declarant hereby declares, covenants and agrees as follows:

ARTICLE II PROPERTY SUBJECT TO DECLARATION

2.1 General Declaration Creating The Mix at Rivers Edge Project. Declarant hereby declares that the Property, is and shall be held, conveyed, hypothecated, encumbered, leased, occupied, built upon or otherwise used, improved or transferred, in whole or in part, subject to this Master Declaration as amended or modified from time to time. In addition, all or portions of the Property may be subject to recorded Neighborhood Declarations and/or recorded Supplemental Declarations as applicable and as amended from time to time. Declarant intends to develop the Property by subdivision into various Lots, Units and Parcels and to sell such Lots, Units and Parcels. As portions of the Property are developed and/or sold to Merchant Builders for

development, except as otherwise provided in this Master Declaration, Declarant or its designated nominee or assignee shall Record one or more Neighborhood Declarations and/or Supplemental Declarations covering such property. Said Neighborhood Declarations and/or Supplemental Declarations will specify the permitted uses of property described therein (in accordance with Article IV hereof) and will incorporate this Master Declaration and establish such additional covenants, conditions and restrictions as may be appropriate for that property. This Master Declaration and all subsequent Neighborhood Declarations and Supplemental Declarations are declared and agreed to be in furtherance of a general plan for the subdivision, development, improvement, use, and sale of the Property and are established for the purpose of enhancing the value, desirability and attractiveness of The Mix at Rivers Edge and every part thereof, and providing for residential uses that have not previously existed on or within the Property. All of this Master Declaration and applicable Neighborhood Declarations and Supplemental Declarations shall run with the Property and shall be binding upon and inure to the benefit of Declarant, the Master Association, all Owners and Residents and their successors in interest. Nothing in this Master Declaration shall be construed to prevent the Declarant from modifying the Master Land Use Plan or any portions thereof as to which a Neighborhood Declaration and/or Supplemental Declaration has not been Recorded. This Master Declaration shall not be construed to prevent the Declarant from dedicating or conveying portions of the Property, including but not limited to streets or roadways, for uses other than as a Lot, Unit, Parcel, or Master Association Land, subject to the provisions of Section 4.1. The Mix at Rivers Edge is not a cooperative.

2.2 Master Association Bound. Upon filing of the Articles with the Utah Division of Corporations and Commercial Code, the Covenants shall be binding upon and shall benefit the Master Association.

2.3 Municipal Authority Property. From time to time, the Declarant may, in its sole and exclusive discretion and without the vote of the Members, convey, assign, or transfer by Deed or other written instrument certain Community Areas to the applicable Municipal Authority. Once any such Community Areas are conveyed, dedicated, assigned or transferred to a Municipal Authority, they shall be Exempt Property and shall constitute Municipal Authority Property. It is contemplated that from time to time certain open space areas, trails, or other real property and facilities, may be conveyed, assigned, dedicated, or transferred by Deed or other written instrument to a Municipal Authority, which conveyances are hereby authorized pursuant to this Master Declaration.

2.4 Overall Project Structure. The Project is comprised of three (3) different areas and land uses: (i) the Commercial Land on which commercial, retail, office, and other commercial uses exist on will be developed; (ii) the Condominium Land on which the residential Condominium Project will be constructed; and (iii) the Apartment Land on which the apartments and other residential rental products, as approved by the City, will be constructed. Each of these three (3) components and uses of the Project is described in Exhibit A hereto and depicted in the Project Map included in Exhibit A hereto. No portion of the Condominium Land or the Apartment Land will be maintained or managed by the Master Association. Nevertheless, because all areas of the Project interrelate with each other and benefit from use of the Community Areas located within the Commercial Land, all areas of the Project will be required to pay Assessments to the Master Association as set forth herein, and all portions of the Project shall be governed by the provisions of this Master Declaration. Due to the nature, use, and overall benefits to all three (3) components of the Project of the Loop Road (as described and depicted in Exhibit A hereto), Assessments for

Loop Road Expenses shall be calculated and paid according to the formula set forth in Article VII below, including, without limitation, Section 7.4.

2.5 Grandfathered Uses and Improvements. Notwithstanding any provision to the contrary in this Declaration, the existing uses and Improvements of the parcels of land designated as “Other Parcels Included in the Project (But Not Owned by Declarant)” in the legal descriptions attached hereto as Exhibit A are grandfathered, meaning they may continue to be used and operated as they have been in the past, except that: (i) the landscaping of such parcels shall be maintained by the Master Association and paid for as a Community Expense; (ii) such parcels shall be subject to all Assessment provisions and obligations as set forth in this Declaration; and (iii) any and all new Improvements constructed on such parcels following the Recordation of this Declaration shall comply with the provisions of this Declaration pertaining to new Improvements.

ARTICLE III EASEMENTS AND RIGHTS OF ENJOYMENT IN COMMUNITY AREAS

3.1 Easements of Enjoyment. Except as otherwise expressly provided in this Declaration, every Member (as an Owner of any Dwelling Unit in the master Project) shall have a right and nonexclusive easement of enjoyment in and to the Community Areas, as such areas are dedicated for use by Declarant, which shall be appurtenant to and shall pass with the title to every Lot, Unit and Parcel, subject to the following provisions:

3.1.1 The right of the Master Association to suspend the voting rights of any Member and the right to the use of the Community Areas by any Member (i) for any period during which any Assessment against such Member’s Lot, Unit or Parcel remains delinquent; (ii) for a period not to exceed sixty (60) days for any infraction by such Member of this Master Declaration, a Neighborhood Declaration, a Supplemental Declaration, The Mix at Rivers Edge Rules or applicable Design Guidelines, and (iii) for successive sixty (60)-day periods if any such infraction by such Member is not corrected during any prior sixty (60)-day suspension period.

3.1.2 The right of the Master Association to dedicate or transfer all or any part of the Master Association Land to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Master Association.

3.1.3 The right of the Master Association to regulate the time, place and manner of use of the Community Areas through The Mix at Rivers Edge Rules and to prohibit access to those Community Areas, such as maintenance buildings, landscaped rights-of-ways, and other areas not intended for use by the Members. The Mix at Rivers Edge Rules shall be intended, in the absolute discretion of the Board, to enhance the preservation of the Community Areas or the safety and convenience of the users thereof, or otherwise shall serve to promote the best interests of the Owners and Residents.

3.1.4 The right of the applicable Municipal Authority and any other governmental or quasi-governmental body having jurisdiction over The Mix at Rivers Edge to access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within The Mix at Rivers Edge for purposes of providing police and fire protection, transporting school children and providing other governmental or municipal service.

3.1.5 The right (but not the obligation) of the Master Association to charge special use fees (“Special Use Fees”) for the use of the Community Areas. The Special Use Fees, if any, shall be set by the Board from time to time, in its discretion. Special Use Fees shall be charged only for actual entry upon or use of those portions of the Community Areas, if any, selected by the Board to be subject to a Special Use Fees, and shall be imposed only where the Board deems it appropriate to collect revenue from the actual users of such selected portions of the Community Area so that all of the costs of operating such selected portions of the Community Area are not borne by all of the Owners through Annual Assessments, but rather are borne, at least in part, by the Owners, Residents and other Persons using such selected portions of the Community Area.

3.2 No Partition. No Person acquiring any interest in the Property or any part thereof shall have a right to, nor shall any person seek, any judicial partition of the Community Areas, nor shall any Owner sell, convey, transfer, assign, hypothecate or otherwise alienate all or any of such Owner’s right and nonexclusive easement of enjoyment in the Community Areas or any funds or other assets of the Master Association except in connection with the sale, conveyance or hypothecation of such Owner’s Lot, Unit or Parcel (and only with respect to the right and nonexclusive easement of enjoyment that is appurtenant thereto), or except as otherwise expressly permitted herein. This Section shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring or disposing of title to real property.

3.3 Easements for Encroachments. If any part of a Lot, Unit or Parcel or any Improvement built in substantial accord with the boundaries for such Lot, Unit or Parcel as depicted on a Plat (or in other approved documents depicting the location of such on the Lot, Unit or Parcel) encroaches or shall encroach upon the Community Areas or upon an adjoining Lot, Unit or Parcel, an easement for such encroachment and for the maintenance of the same shall and does exist. If any part of the Community Areas encroaches or shall encroach upon a Lot, Unit or Parcel or an Improvement, an easement for such encroachment and for the maintenance of the same shall and does exist. Each Owner shall have an unrestricted right of ingress or egress to and from its Lot, Unit or Parcel.

3.4 Easements for Utilities. There is hereby created an easement at specific locations approved by Declarant upon, across, over and under the Community Areas for reasonable ingress, egress, installation, replacement, repair or maintenance of all emergency access roads and all utilities, including, but not limited to, gas, water, sanitary sewer, telephone, storm drain, cable television and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to install and maintain the necessary equipment at such locations on the Community Areas, but no sanitary sewers, electrical lines, water lines, storm drain lines, or other utility or service lines may be installed or located on the Community Areas, except as designed, approved and/or constructed by the Declarant or as approved by the Board.

3.5 Easements for Ingress and Egress. There are hereby created easements for ingress and egress for pedestrian traffic over, through and across sidewalks, paths, walks and lanes that from time to time may exist upon the Community Areas. There is also created an easement for ingress and egress for pedestrian and vehicular traffic over, through and across such driveways and parking areas as from time to time may be paved and intended for such purposes. Parking rights are subject to regulation and restriction by The Mix at Rivers Edge Rules. Such easements and rules shall run in favor of and be for the benefit of the Owners and Residents of the Lots, Units and Parcels and their guests, families, tenants and invitees. There is also hereby created an

easement upon, across and over the Community Areas and all private streets, private roadways, private driveways and private parking areas within the Property for vehicular and pedestrian ingress and egress for police, fire, medical and other emergency vehicles and personnel. The Board shall have the right to relocate and/or reconfigure any and all such easements from time to time as it sees fit without the consent of any Owners (but subject to any necessary approvals of the City or any other governmental body or agency having jurisdiction including in particular, but without limitation, the easements granted herein for police, fire, medical and other emergency vehicles and personnel).

3.6 Delegation of Use. Each Member shall, in accordance with this Master Declaration and The Mix at Rivers Edge Rules and the limitations therein contained, be deemed to have delegated his or her right of enjoyment in the Community Areas or from time to time portions of the Master Association Land to the members of his or her family, his or her tenants or lessees, his or her guests or invitees or to his or her tenant's family, guests or invitees.

ARTICLE IV PERMITTED USES AND RESTRICTIONS

As portions of the Property are readied for development and/or sale, the permitted land uses, restrictions, easements, rights-of-way and other matters, including new or different uses and restrictions therefor and including any number of subclassifications thereof for any special uses, shall be fixed by Declarant (or its assigns) in a Neighborhood Declaration and/or Supplemental Declaration which shall be Recorded for that portion of the Property. Any such Neighborhood Declaration or Supplemental Declaration shall be construed as a supplement to this Master Declaration and shall have the same force and effect as if all of the provisions thereof were set forth in this Master Declaration. In exercising its authority to Record Neighborhood Declarations and/or Supplemental Declarations, Declarant may impose new land uses (as allowed by the City) or new restrictions so long as such are generally in conformance with then existing uses and restrictions applicable to The Mix at Rivers Edge and with the scheme of development contemplated by the Master Land Use Plan and this Master Declaration. Unless otherwise specifically provided in this Master Declaration, the definitions and characteristics of land uses, and specific permitted and prohibited uses, shall be determined in the applicable Neighborhood Declaration or Supplemental Declaration and shall be within the complete discretion of Declarant. All Neighborhood Declarations and Supplemental Declarations shall be subject to the zoning, land use, and development laws, ordinances, rules and regulations and policies of the applicable Municipal Authority. In the absence of a Recorded Neighborhood Declaration or Supplemental Declaration, the municipal code and zoning ordinances of Provo City shall govern.

4.2 Covenants Applicable to All Land Uses. The following covenants, conditions, restrictions and reservations of easements and rights shall apply to all Lots, Units and Parcels, the Owners and lessees thereof, and all Residents, whether or not a Neighborhood Declaration or Supplemental Declaration has been Recorded on said property and regardless of the permitted uses of such property.

4.2.1 Architectural Control. No Improvements (whether temporary or permanent), alterations, repairs, excavation, grading, landscaping or other work which in any way alters the exterior appearance of any portion of the Property, or the Improvements located thereon, from its natural or improved state existing on the date this Master Declaration is Recorded shall be made or done without the prior written approval of the

Design Review Board (as defined in the “Definitions” above) pursuant to Article XI, except as otherwise expressly provided in this Master Declaration. No building, fence, wall, residence or other structure shall be commenced, erected, maintained, improved, altered or made without the prior written approval of the Design Review Board pursuant to Article XI. Notwithstanding the preceding sentence, undeveloped parcels within the Project shall be the responsibility of the owner(s) of such parcels to maintain in a clean and orderly appearance free of weeds and debris not associated with construction.

4.2.5 Nuisances. No weeds, dead trees or plants, rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot, Unit or Parcel, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such property or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the Residents of such other property, as determined on a reasonable, good faith basis. No other nuisance shall be permitted to exist or operate upon any Lot, Unit or Parcel so as to be offensive or detrimental to any other property in the vicinity thereof or to its Residents, as determined on a reasonable, good faith basis. Without limiting the generality of any of the foregoing provisions, except as specifically provided in this Section, no exterior speakers, horns, whistles, firecrackers, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any such property.

4.2.6 Construction Activities. All construction activities and parking in connection with the building of Improvements on any Lot, Unit or Parcel shall be subject to the Design Guidelines and approved by the Design Review Board pursuant to Article XI. The Board in its sole discretion shall have the right to determine the existence of any nuisance arising out of construction and any activities related thereto. No Lot, Unit or Parcel shall be further subdivided or separated into smaller Lots, Units or Parcels or interests by any Owner, and no portion less than all of any such Lot, Unit or Parcel, nor any easement or other interest therein, shall be conveyed or transferred by any Owner, without the prior written approval of the Declarant (or the Board following the expiration of the Period of Declarant Control), which approval must be evidenced on the Plat or other instrument creating the subdivision, easement or other interest. This provision

shall not apply to transfers of an ownership interest in the whole of any Lot, Unit or Parcel. Further, this provision shall not, in any way, limit Declarant from subdividing or separating into Lots, Units or Parcels the Property, which has not previously been platted or subdivided into Lots or Units. Except for Improvements constructed by Declarant, no buildings or other Improvements shall be constructed on any Lot, Unit or Parcel until a Neighborhood Declaration or Supplemental Declaration has been Recorded on such property. No Neighborhood Declaration, Supplemental Declaration or further covenants, conditions, restrictions or easements shall be Recorded by any Owner or other person against any Lot, Unit or Parcel without the provisions thereof having been first approved in writing by the Declarant (or the Board following the expiration of the Period of Declarant Control), and any covenants, conditions, restrictions or easements Recorded without such approval being evidenced thereon shall be null and void. No application for rezoning of any Lot, Unit or Parcel, and no applications for variances or use permits, shall be filed with a Municipal Authority unless the proposed use of the Lot, Unit or Parcel complies with this Master Declaration and any applicable Neighborhood Declaration or Supplemental Declaration.

No motor vehicle classed by manufacturer rating as exceeding one-ton, nor any mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, boat, boat trailer or other similar equipment or vehicle may be parked, maintained, constructed, reconstructed or repaired on any Lot, Unit or Parcel or on any street or Community Area in The Mix at Rivers Edge so as to be Visible From Neighboring Property, or visible from the Community Areas or the streets.

Declarant may relocate sales offices, management offices and models to other locations within The Mix at Rivers Edge at any time.

4.2.32 Tanks. Unless otherwise approved by Declarant or the Board, no tanks of any kind (including tanks for the storage of fuel) shall be erected, placed or maintained on any Lot or Parcel. Nothing herein shall be deemed to prohibit use or storage upon any Lot or Parcel of an above-ground propane or similar fuel tank with a capacity of five (5) gallons or less used in connection with a normal residential gas barbecue, grill or fireplace or a spa or "hot tub", so long as any such tank either: (a) has a capacity of five (5) gallons or less; or (b) is appropriately stored, used and/or screened, in accordance with The Mix at Rivers Edge Rules or as otherwise approved by the Design Review Board, so as not to be Visible From Neighboring Property. Notwithstanding the foregoing, Declarant or a Merchant Builder shall have the right to use above-ground tanks during the course of construction and related activities in the development of The Mix at Rivers Edge as otherwise authorized by applicable Municipal Authorities.

4.3 Variances. Subject to the provisions of the Design Guidelines, the Board may, at its option and in extenuating circumstances, grant variances in writing from the restrictions set forth in Article IV of this Master Declaration or in the Design Guidelines or in any Neighborhood Declaration or in any Supplemental Declaration, if the Board determines in its discretion (a) either (i) that a restriction would create an unreasonable hardship or burden on an Owner which hardship is not self-imposed by such Owner or (ii) that a change of circumstances since the date this Master Declaration is Recorded has rendered such restriction obsolete and (b) that the activity permitted under the variance will not have any substantial adverse effect on the Owners and Residents of The Mix at Rivers Edge and is consistent with the high quality of life and use intended for Owners and Residents of The Mix at Rivers Edge.

ARTICLE V ORGANIZATION OF MASTER ASSOCIATION

5.1 Formation of Master Association. The Master Association shall be a Utah nonprofit corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws and this Master Declaration. Neither the Articles nor Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Master Declaration.

5.2 Board of Directors and Officers. The affairs of the Master Association shall be conducted by a Board of at least three (3) directors and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws, as the same may be amended from time to time. The initial Board shall be composed of three (3) directors appointed by Declarant, which initial Board shall be controlled by Declarant until the expiration of the Period of Declarant Control. The Board may also appoint various committees and may appoint a Manager who shall, subject to the direction of the Board, be responsible for the day-to-day operation of the Master Association. The Board shall determine the compensation to be paid to the Manager. The Board's responsibilities shall include, but shall not be limited to, the following:

- 5.2.1 administration;
- 5.2.2 preparing and administering an operational budget;
- 5.2.3 establishing and administering an adequate reserve fund;
- 5.2.4 scheduling and conducting the annual meeting and other meetings of the Members;
- 5.2.5 collecting and enforcing the Assessments;
- 5.2.6 accounting functions and maintaining records;
- 5.2.7 establishing, administering and enforcing the Design Guidelines of The Mix at Rivers Edge, as authorized in Article XI of this Master Declaration;
- 5.2.8 promulgation and enforcement of The Mix at Rivers Edge Rules;
- 5.2.9 maintenance of the Community Areas; and

5.2.10 all the other duties imposed upon the Board pursuant to the Governing Documents, including enforcement thereof.

5.3 The Mix at Rivers Edge Rules. By a majority vote, the Board may, from time to time and subject to the provisions of this Master Declaration, adopt, amend and repeal rules and regulations to be known as The Mix at Rivers Edge Rules. The Mix at Rivers Edge Rules may restrict and govern the use of any area of The Mix at Rivers Edge by any Owner, Member or Resident, by the family of such Member, or by any invitee, licensee or tenant of such Member; provided, however, that The Mix at Rivers Edge Rules shall not unlawfully discriminate among Members and shall be consistent with the Governing Documents.

5.3.1 Notwithstanding any provision in this Master Declaration to the contrary, no rule, regulation or action of the Master Association, Board or Manager shall unreasonably impede Declarant's right to develop the Property.

5.3.2 ALL OWNERS ARE GIVEN NOTICE THAT THE USE OF THEIR LOT, UNIT OR PARCEL AND THE COMMUNITY AREAS IS LIMITED BY THE MIX AT RIVERS EDGE RULES AND THE DESIGN GUIDELINES AS AMENDED, EXPANDED, AND OTHERWISE MODIFIED FROM TIME TO TIME. EACH OWNER, BY ACCEPTANCE OF A DEED, ACKNOWLEDGES AND AGREES THAT THE USE AND ENJOYMENT AND MARKETABILITY OF HIS OR HER LOT, UNIT OR PARCEL CAN BE AFFECTED BY THIS PROVISION AND THAT THE MIX AT RIVERS EDGE RULES AND THE DESIGN GUIDELINES MAY CHANGE FROM TIME TO TIME. ALL PURCHASERS OF LOTS, UNITS OR PARCELS ARE ON NOTICE THAT THE BOARD MAY ADOPT CHANGES TO THE MIX AT RIVERS EDGE RULES AND THE DESIGN GUIDELINES FROM TIME TO TIME. COPIES OF THE CURRENT THE MIX AT RIVERS EDGE RULES AND THE DESIGN GUIDELINES MAY BE OBTAINED FROM THE MASTER ASSOCIATION.

5.4 Personal Liability. No director of the Master Association, no member of any committee of the Master Association, no officer of the Master Association and no Manager or other employee of the Master Association shall be personally liable to any Member or to any other person, including the Master Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Master Association, the Board, the Design Review Board, the Manager, any representative or employee of the Master Association or any committee, committee member or officer of the Master Association; provided, however, the limitations set forth in this Section 5.4 shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

5.5 Sub-Associations. Prior to such time as a Sub-Association is formed by a Merchant Builder developing a Parcel at The Mix at Rivers Edge, the articles of incorporation and bylaws or other governing documents for such Sub-Association must be approved by Declarant (until the expiration of the Period of Declarant Control) and by the Master Association. The governing documents for such Sub-Association shall specify that the rights of its members are subject and subordinate to the provisions of the Governing Documents. The portion of the Project that contains condominiums shall be governed by the Utah Condominium Ownership Act (Utah Code Ann. 57-8-101 et seq., as the same may be amended) and by a separate Declaration of Condominium.

5.6 Professional Management. The Master Association may carry out through the Manager those of its functions which are properly subject to delegation. The Manager so engaged

shall be an independent contractor and not an agent or employee of the Master Association, shall be responsible for managing The Mix at Rivers Edge for the benefit of the Master Association and the Owners, and shall, to the extent permitted by law and by the terms of the agreement with the Master Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Master Association itself. Any such management agreement may be terminated by the Declarant without cause at any time during the Period of Declarant Control. In addition, any such management agreement may be terminated by the Master Association without cause upon giving reasonable notice at any time after the expiration of the Period of Declarant Control.

5.7 Implied Rights. The Master Association may exercise any right or privilege given to it expressly by the Governing Documents, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in the Governing Documents or by law, all rights and powers of the Master Association may be exercised by the Board without a vote of the Members. The Board may institute, defend, settle, or intervene on behalf of the Master Association in mediation, binding or non-binding arbitration, litigation, or administrative proceedings in matters pertaining to the Community Areas, enforcement of the Governing Documents, or any other civil claim or action. However, the Governing Documents shall not be construed as creating any independent legal duty of the Board to institute litigation on behalf of or in the name of the Master Association or its Members. In exercising the Master Association's rights and powers, making decisions on behalf of the Master Association, and conducting the Master Association's affairs, Board directors shall be subject to, and their actions shall be judged in accordance with, the standards set forth in the Articles and Bylaws. All final decisions of the Board shall be non-appealable.

ARTICLE VI MEMBERSHIPS AND VOTING

6.1 Owners of Lots, Units and Parcels. Every Person who is the Owner of Assessable Property (whether a Lot, Unit or a Parcel) shall be subject to Annual Assessments and Special Assessments and shall be a Member of the Master Association (provided, however, Declarant as a Class B Member shall be and shall remain a Member of the Master Association at all times with voting rights, notwithstanding its temporary exemption status from required Assessment payments). Each such Owner shall have the following number of Memberships:

6.1.1 One Membership for each Lot or Unit owned by the Member.

6.1.2 No Memberships Shall be allocated to Community Areas, Exempt Property (except as otherwise provided regarding Declarant), property utilized for a Church Use or other general public uses.

6.1.3 Each such Membership shall be appurtenant to and may not be separated from ownership of the Lot or Unit to which the Membership is attributable. As provided in this Section 6.1. there shall be only one Membership for each Dwelling Unit (and for each Lot that does not have a Dwelling Unit on it), which Membership shall be shared by any joint Owners of, or Owners of undivided interests in the Dwelling Unit or Lot.

6.2 Declarant. The Declarant shall be a Member of the Master Association for so long as the Declarant holds a Class B Membership pursuant to Section 6.3.2 below or for so long as Declarant owns any Lots, Units or Parcels within The Mix at Rivers Edge. As a Class B Member,

Declarant shall hold five (5) times the number of votes that would otherwise apply based on its ownership of Lots, Units and Parcels within the Project.

6.3 Voting. For purposes of voting in the Master Association, voting rights shall be allocated among the three (3) different areas/uses of the Project, based on the Annual Assessments paid to The Mix at Rivers Edge HOA in the previous calendar year, as follows:

6.3.1 The voting rights of the Apartment Area in the Master Association shall be determined by dividing the total Annual Assessments paid by the Apartment Land in the previous calendar year by the total Annual Assessments paid of all land in the Project (i.e., the sum total of the Annual Assessments paid by the Commercial Land and Community Areas, the Condominium Land, and the Apartment/ For-Rent Land). The resulting percentage is herein referred to as the “Percentage Interest of the Apartment Land.” The Percentage Interest of the Apartment Land shall be multiplied by 100 to derive the total number of votes pertaining to the Apartment Land.

6.3.2 The voting rights of the Condominium Project in the Master Association shall be determined by dividing the total Annual Assessments paid by the Condominium Land in the previous calendar year by the total Annual Assessments of all land in the Project (i.e., the sum total of the Annual Assessments paid by the Commercial Land and Community Areas, the Condominium Land, and the Apartment/ For-Rent Land). The resulting percentage is herein referred to as the “Percentage Interest of the Condominium Land.” The Percentage Interest of the Condominium Land shall be multiplied by 100 to derive the total number of votes pertaining to the Apartment Land.

6.3.3 The voting rights of the Commercial Land in the Master Association shall be determined by dividing the total Annual Assessments paid by the Commercial Land (including the Community Areas) by the total Annual Assessments of all land in the Project (i.e., the sum total of the Annual Assessments paid by the Commercial Land – including all Community Areas, the Condominium Land, and the Apartment/ For-Rent Land). The resulting percentage is herein referred to as the “Percentage Interest of the Commercial Land.” The Percentage Interest of the Commercial Land shall be multiplied by 100 to derive the total number of votes pertaining to the Apartment Land.

6.3.4 Except as otherwise expressly provided in this Master Declaration or in any of the other Governing Documents, any issue put to a vote by ballot without a meeting or at a duly called meeting of the Members at which a quorum is present shall be decided by a simple majority of all votes represented in person or by valid proxy at such meeting.

6.4 Neighborhoods.

6.4.1 Neighborhoods. Every Lot, Unit and Parcel shall be located within a Neighborhood (as designated by Declarant or by the Board following the expiration of the Period of Declarant Control). In the discretion of the Owner(s) and developer(s) of each Neighborhood, the Lots, Units and Parcels within a particular Neighborhood will be subject to additional covenants and/or the Owners of Lots and Units will be required to be members of a Sub-Association in addition to being Members of the Master Association.

6.5 Membership Rights. Each Member shall have the rights, duties and obligations set forth in this Master Declaration and such other rights, duties and obligations as are set forth in the

Governing Documents, as the same may be amended from time to time. In any situation in which a Member is entitled personally to exercise the votes appurtenant to his or her Lot or Unit and there is more than one Owner of a particular Lot or Unit, the votes for such Lot or Unit shall be exercised as such co-Owners determine among themselves and as they then advise the Board. Absent such advice, the Lot's or Unit's votes shall be suspended, if more than one Person seeks to exercise it.

6.6 Transfer of Membership. The rights and obligations of the Owner of a Membership in the Master Association shall not be assigned, transferred, pledged, designated, conveyed or alienated in any way, except upon the transfer of ownership to an Owner's Lot, Unit or Parcel and then only to the transferee of ownership to such Lot, Unit or Parcel. A transfer of ownership to a Lot, Unit or Parcel may be effected by Deed, intestate succession, testamentary disposition, foreclosure of a Mortgage or such other legal process as is now in effect or as may hereafter be established under or pursuant to the laws of the State of Utah. Any transfer of ownership to a Lot, Unit or Parcel shall operate to transfer the Membership(s) appurtenant to said Lot, Unit or Parcel to the new Owner thereof.

ARTICLE VII ASSESSMENTS; CREATION OF LIEN

7.1 Creation of Lien and Personal Obligation of Assessments. Except as otherwise provided in Sections 7.5 or elsewhere in this Master Declaration, Declarant, for each Lot, Unit and Parcel hereafter established within The Mix at Rivers Edge hereby covenants and agrees, and each Owner by acceptance of a Deed or other conveyance of a Lot, Unit or Parcel (whether or not it shall be so expressed in such Deed or conveyance) is deemed to covenant and agree, to pay to the Master Association the following assessments and charges: (1) Annual Assessments established by this Article VII; (2) Special Assessments for capital improvements or other extraordinary expenses or costs established by this Article VII; and (3) Assessments for Loop Road Expenses as described in Section 7.4 below. Notwithstanding the foregoing sentence and notwithstanding any other provisions in this Master Declaration to the contrary, Exempt Property shall not be subject to assessments and charges from the Master Association for Annual Assessments or for Special Assessments. All Assessments shall be established and collected as hereinafter provided. No diminution or abatement of Annual Assessments or Special Assessments, nor any decrease, offset, deduction or set-off, shall be claimed or allowed by reason of any alleged failure of the Master Association or Board to take some action or to perform some function required to be taken or performed by the Master Association or Board under this Master Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Master Association, or from any action taken by the Master Association or the Board to comply with any law, ordinance, or with any order or directive of any Municipal Authority or other governmental authority. The obligation to pay Assessments shall be deemed to be a separate and independent covenant on the part of each Owner. The Annual Assessments and Special Assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the Lot, Unit or Parcel and shall be a continuing servitude and lien upon the Lot, Unit or Parcel against which each such Assessment is made, except that Exempt Property shall not be subject to the Annual Assessments and the Special Assessments. Each such Annual Assessment and Special Assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Person who was the Owner of the Lot, Unit or Parcel at the time when the Assessment became due. The lien upon the applicable Lot, Unit or Parcel for any unpaid Assessments existing at the time of any transfer or conveyance of a Lot, Unit or Parcel shall continue, notwithstanding such transfer, until the Assessments have been paid in full.

7.2 Property Assessable Upon Recording of Deed. ALL OWNERS ARE GIVEN NOTICE THAT THEIR LOT(S), UNIT(S) AND/OR PARCEL(S) SHALL BE SUBJECT TO FULL ASSESSMENT IN ACCORDANCE WITH THE TERMS OF THIS MASTER DECLARATION UPON ACCEPTANCE OF A DEED, REGARDLESS OF WHETHER OR NOT SUCH LOT(S), UNIT(S) AND/OR PARCEL(S) HAVE BEEN IMPROVED, EXCEPT AS OTHERWISE PROVIDED IN THIS MASTER DECLARATION. At the time a Deed is Recorded conveying a Lot, Unit or Parcel to an Owner, such Lot or Unit shall thereupon be subject to the Assessments, and the Board shall levy such Assessments upon the Owner of the Lot, Unit or Parcel within 30 days after the Recording of such Deed. If applicable, the Annual Assessment and/or any Special Assessment shall be prorated for the remaining portion of the assessment year. In any dispute, question or controversy regarding whether property is Assessable Property or Exempt Property, the Board shall have the exclusive power and authority to decide such dispute, question or controversy, and any decision regarding the foregoing shall be conclusive and binding on all interested parties. All final decisions of the Board regarding the foregoing shall be non-appealable.

7.3 Annual Assessments. Annual Assessments shall be computed and assessed against all Lots, Units and Parcels (other than Exempt Property) as follows:

7.3.1 Community Expenses. Annual Assessments shall be based upon advance estimates of the Master Association's cash requirements to provide for payment of all estimated Community Expenses arising out of or connected with the maintenance, improvement and operation of the Community Areas (including capital repairs and replacements), fulfilling the Master Association's obligations with respect to the operation of the Master Association. Such estimated Community Expenses may include, without limitation, the following: expenses of management; real property taxes and assessments upon all Master Association Land; and upon all other Property within The Mix at Rivers Edge (unless and until the Lots, Units and Parcels are separately assessed); premiums for all insurance that the Master Association is required or permitted to maintain hereunder; repairs and maintenance; wages of Master Association employees, including fees for a Manager; utility charges; legal and accounting fees; any deficit remaining from a previous period; creation of an adequate contingency reserve, major maintenance reserve and/or sinking fund; creation of an adequate reserve fund for maintenance, repairs, and replacement of those Community Areas that must be replaced on a periodic basis; and any other expenses and liabilities which may be incurred by the Master Association under or by reason of this Master Declaration. Such shall constitute Community Expenses, and all funds received from Annual Assessments under this Article VII shall be part of the Community Expense Fund.

7.3.2 Private Roads/Lanes/Sidewalks. Notwithstanding any provision to the contrary in this Master Declaration or in the covenants or governing documents of any Neighborhood or Sub-Association, the Master Association shall be responsible to provide snow removal services for, and to maintain and repair in good condition for the benefit of all Members of the Master Association, all private roads, private lanes, and private sidewalks in The Mix at Rivers Edge master community. All expenses incurred in fulfilling this obligation shall be considered "Community Expenses" of the Master Association.

7.3.3 Apportionment. Community Expenses shall be apportioned among and assessed to the Members in accordance with Section 7.4.

7.3.4 Annual Budget. Annual Assessments shall be determined on the basis of a fiscal year beginning January 1 and ending December 31 next following, provided the first fiscal year shall begin as provided in Section 7.8, and on or before November 1 of each year thereafter, the Board shall prepare and make available to each Member, or cause to be prepared and to be made available to each Member, an operating budget for the upcoming fiscal year. The budget shall itemize the estimated Community Expenses for such fiscal year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the Annual Assessment for the upcoming fiscal year and as the major guideline under which the Master Association shall be operated during such annual period.

7.3.5 Notice and Payment. Except with respect to the first fiscal year, the Board shall notify each Member in writing as to the amount of the Annual Assessment against such Member's Lot, Unit or Parcel on or before December 1 each year for the fiscal year beginning on January 1 next following. Except as otherwise provided by the Board, each Annual Assessment shall be payable in equal monthly, quarterly or annual installments as determined by the Board in its sole discretion; provided, however, the Annual Assessment for the first fiscal year shall be based upon such portion of the first fiscal year that remains after the notice of the Annual Assessment becomes effective. The Members shall commence payment of the full monthly Assessments against their respective Lots, Units or Parcels upon conveyance to any Member of the first Lot, Unit or Parcel in The Mix at Rivers Edge. All unpaid installments of any Annual Assessment shall bear interest at the rate established by the Board, not to exceed eighteen percent (18%) per annum, from and after fifteen (15) days after the date each such installment became due until paid, and the Member shall be liable for late fees as determined by the Board, and all costs, including attorneys' fees incurred by the Master Association in collecting the same. In addition, in the event that any installment of the Annual Assessment is not paid within fifteen (15) days of the date such installment becomes due, the Master Association may, at its option, and upon fifteen (15) days prior written notice to the Member, accelerate the due date for all remaining unpaid installments of the Annual Assessment for the remainder of the fiscal year and all accrued but unpaid interest thereon. Payment of the Annual Assessment installments so accelerated shall be due at the expiration of said fifteen (15) day notice period, and interest shall accrue on the entire sum at the rate established by the Board not to exceed eighteen percent (18%) per annum from such date until paid in full. The failure of the Board to give timely notice of any Annual Assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of this Master Declaration, or a release of any Member from the obligation to pay such Assessment or any other Assessment; but the date when the payment shall become due in such case shall be deferred to a date fifteen (15) days after notice of such Assessment shall have been given to the Member in the manner provided in this Master Declaration.

7.3.6 Inadequate Funds. In the event that the Community Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Member's Assessment, the Board may, on behalf of the Master Association, levy additional Special Assessments in accordance with the procedure set forth in Section 7.6 below, except that the vote therein specified shall be unnecessary.

7.4 Allocation of Assessments. The amount of any Annual or Special Assessment against each Lot, Unit or Parcel shall be fixed at a uniform rate per Membership. Notwithstanding

any provision to the contrary in this Master Declaration, Owners/Members of the Master Association shall be assessed by the Master Association within two (2) budgets as follows:

7.4.1 Allocation of Assessments within the Commercial Land – Areas associated with this Assessment include all Community Areas with the exception of the Loop Road Expenses.

7.4.1.1 The Owner(s) of the Apartment Land shall pay 3.5% of all Commercial Assessments for their use of approximately 100 stalls within the Commercial Area as outlined in the Rules and Regulations.

7.4.1.2 The Owners of the Commercial Land, as a whole, shall pay their proportionate share of the remaining 95% of all Commercial Assessments. Their proportionate share is determined by dividing the total square footage of Commercial Land by the total square footage of all Commercial Land in the Project.

7.4.1.3 The Owners of the Condominium Land shall pay 1.5% of all Commercial Assessments for their use of approximately 33 stalls within the Commercial Area as outlined in the Rules and Regulations. The above-stated percentages for payment of Commercial Assessments by each of the three (3) use components of the Project (Apartment Land, Commercial Land, and Condominium Land) shall be permanent and shall not be amended without the unanimous approval of the owners of all three (3) use components of the Project.

7.4.2 Allocation of Assessments for Loop Road Expenses –

7.4.2.1 The Owner(s) of the Apartment Land shall pay their proportionate share of all Loop Road Expenses. Their proportionate share is determined by dividing the total square footage of Apartment Land by the total square footage of all land in the Project (i.e., the sum total of the Commercial Land and Community Areas, the Condominium Land, and the Apartment/ For-Rent Land).

7.4.2.2 The Owners of the Commercial Land, as a whole, shall pay their proportionate share of all Loop Road Expenses. Their proportionate share is determined by dividing the total square footage of Commercial Land by the total square footage of all land in the Project (i.e., the sum total of the Commercial Land and Community Areas, the Condominium Land, and the Apartment/ For-Rent Land).

7.4.2.3 The Owners of the Condominium Land, together, shall pay their proportionate share of all Loop Road Expenses. Their proportionate share is determined by dividing the total square footage of Condominium Land by the total square footage of all land in the Project (i.e., the sum total of the Commercial Land and Community Areas, the Condominium Land, and the Apartment/ For-Rent Land).

7.4.3 Notwithstanding anything in this Section 7.4 to the contrary, if, after an Assessment's record date but before the end of the fiscal year for which it is levied, an

Assessable Property is added to The Mix at Rivers Edge or a Neighborhood by a Supplemental Declaration, or an Exempt Property becomes Assessable Property, then each Assessment which would have been levied against such Assessable Property for such fiscal year if it were not Exempt Property (as hereafter reduced) shall be due on the later of (a) the date on which such Assessment would have been due, if such part of The Mix at Rivers Edge had been Assessable Property on such record date, or (b) the date on which such Assessable Property becomes subject to Assessment levy. If an Assessable Property is added to The Mix at Rivers Edge or a Neighborhood as provided for above, the Master Association shall be deemed, automatically and without the need for further action, to have levied against it each Annual, Special or Neighborhood Assessment for such fiscal year which the Master Association has levied against the other Assessable Properties. Each such Assessment levied against such Assessable Property shall be in an amount determined as if it were eligible for such levy on such record date, but then reduced in proportion to the number of days (if any) in such fiscal year elapsed as of (and including) the date on which such Supplemental Declaration is Recorded, or such Exempt Property becomes an Assessable Property, as the case may be.

7.4.4 For ease of administration and collection, the Condominium Association shall pay Assessments to the Master Association on behalf of all condominium unit owners. Hence, the Condominium Association shall have the right to collect from its members their respective payments of Assessments owed to the Master Association, and to remit such payments to the Master Association so that the Master Association is not required to collect Master Association Assessments from each condominium unit owner.

7.5 Certain Owners Exempt from Annual Assessments and Special Assessments. Notwithstanding Section 7.4, the Owners of Exempt Property shall not have an obligation to pay any Annual Assessments or Special Assessments. The Apartment/ For-Rent Land shall lose its Exempt status when the constructed apartment building(s) reach occupancy of twenty percent (20%) or more of the apartment units. For the Condominium Land, each fully-constructed condominium Unit loses its Exempt status when it is purchased by a third-party (meaning purchased by someone other than the Declarant who intends to occupy the Unit or lease the Unit to a Resident).

7.6 Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments authorized above, the Master Association may levy, in any Assessment Period, a Special Assessment applicable to that period only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Master Association Land or other Community Areas, including fixtures and personal property related thereto, or for the purpose of defraying other extraordinary expenses, provided that, except as provided in Section 7.3.5 and Section 14.4, any such Special Assessment shall have the assent of a majority of the votes of the Members who are voting in person or by proxy at a meeting duly called for such purpose or by written approval of such Members. The provisions of this Section 7.6 are not intended to preclude or limit the assessment, collection or use of Annual Assessments for the aforesaid purposes. Special Assessments may be collected as specified by the Board, unless otherwise determined by the majority vote of the Members of the Master Association approving the Special Assessment.

7.6.1 Pylon Signs Improvements. Pylon Signs Improvement costs shall be paid solely by the Members in the Commercial Land. Each Member in the Commercial Land

will pay their prorated share for any costs related to construction, reconstruction, repair, or replacement of the Pylon Signs. This prorated share will be determined by the Member's land area as a percentage of the total land area of the Commercial Land. Members shall also pay an Annual Assessment if they choose to advertise on the Pylon Sign's EMC screen.

7.7 Notice and Quorum for Any Action Authorized Under Section 7.6. Written notice of any meeting called for the purpose of taking any action authorized under Section 7.6 shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called for the consideration of a Special Assessment, the presence of Members or of proxies entitled to cast ten percent (10%) of all the votes (exclusive of suspended voting rights) of all the Memberships within the Master Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7.8 Establishment of Annual Assessment Period. The period for which the Annual Assessment is to be levied ("Assessment Period") shall be the calendar year, except that the first Assessment Period shall commence upon the Recording of the first Neighborhood Declaration or Supplemental Declaration and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period by Recording with the County Recorder of Utah County, Utah, an instrument specifying the new Assessment Period.

7.9 Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt The Mix at Rivers Edge Rules setting forth procedures for the purpose of making the Assessments provided herein and for the billing and collection of the Annual Assessments and Special Assessments, provided that said procedures are not inconsistent with the provisions hereof. The failure of the Master Association to send a bill to a Member shall not relieve any Member of his or her liability for any Assessment or charge under this Master Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days written notice prior to the commencement of such foreclosure or enforcement, at the address of the Member on the records of the Master Association, that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after the delinquency of such payment. The Master Association shall be under no duty to refund any payments received by it, even though the ownership of a Membership changes during an Assessment Period. Successor Owners of Lots, Units or Parcels shall be given credit for prepayments, on a prorated basis, made by prior Owners. The amount of the Annual Assessment and the Special Assessment against Members who become such during an Assessment Period upon the recordation of a Neighborhood Declaration or Supplemental Declaration shall be prorated.

7.10 Community Expense Fund. The Master Association shall establish and maintain two (2) separate and distinct permanent funds, one for the periodic regular maintenance and repair of The Mix at Rivers Edge, including without limitation the private streets within The Mix at Rivers Edge, payment of Loop Road Expenses, and for other routine operating expenses and one for capital expenses and the replacement of Improvements to the Community Areas that the Master Association may be obligated to maintain, repair or replace, including without limitation the private streets within The Mix at Rivers Edge. These two (2) funds shall be maintained out of

Annual Assessments and Special Assessments for Community Expenses, which two funds together shall constitute the Community Expense Fund. The fund for capital expenses and replacement of Improvements to the Community Areas may be used as a reserve account, and may include reserve funds, as applicable, in accordance with Section 7.17 below.

7.11 Evidence of Payment. Upon receipt of a written request by a Member or any other Person, the Master Association within a reasonable period of time thereafter shall issue to such Member or other Person a written certificate stating (a) that all Annual Assessments and Special Assessments (including interest, costs and attorneys' fees, if any) have been paid with respect to any specified Lot, Unit or Parcel as of the date of such certificate, or (b) if all Annual Assessments and Special Assessments have not been paid, the amount of such Annual Assessments and Special Assessments (including interest, costs and attorneys' fees, if any) due and payable as of such date. The Master Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Lot, Unit or Parcel in question.

7.12 Property Exempted from the Annual Assessments and Special Assessments. All Exempt Property shall be exempt from Annual Assessments and Special Assessments, but shall nevertheless be subject to all other provisions of this Master Declaration, including but not limited to, the use restrictions and architectural controls.

7.13 Declarant's Duty to Fund Deficits. During any fiscal year in which Declarant or a Declarant related developer entity owns one or more Lots, Units or Parcels which (under the definition of Exempt Property) are Exempt Properties due to such Person's ownership thereof, and which would not constitute Exempt Properties under any other part of such definition, Declarant shall be obligated to fund to or for the account of the Master Association, at such time or times as such funding is reasonably required by the Master Association during such fiscal year, an aggregate amount for such fiscal year equaling the lesser of (i) the total amount which Declarant and/or such Declarant-related developer entity would have owed to the Master Association on account of any Annual Assessments and Special Assessments which, if such Exempt Properties had been Assessable Properties, would have been levied against them for such fiscal year, or (ii) any excess, for such fiscal year, of the Community Expenses over the aggregate Annual Assessments and Special Assessments levied against all Assessable Properties in The Mix at Rivers Edge. Notwithstanding the foregoing, Declarant shall have no obligation to fund to or for the account of the Master Association any amounts under this Section after the expiration of the Period of Declarant Control. For all periods of time in which there is more than one (1) Declarant, the "Declarant" obligation to fund the account of the Master Association shall be shared by Declarants pro-rata based on the number of Dwelling Units (and Lots without Dwelling Units on them) owned by each Declarant compared to the number of total number of Dwelling Units (and Lots without Dwelling Units on them) owned by all Declarants.

7.14 Utah Community Association Act. The Master Association shall have all rights and remedies regarding collection and enforcements of Annual Assessments and Special Assessments as set forth in the Utah Community Association Act (Utah Code Ann. 57-8a-101 et seq., as the same may be amended) including, without limitation, lien enforcement and foreclosure rights. To this end, the Master Association hereby designates and appoints Paxton R. Guymon, Esq., a trustee. The Master Association make at any time hereafter appoint a substitute trustee who

qualified under Utah Code Ann. 57-1-21(1)(a)(i) or (iv). Declarant hereby conveys and warrants pursuant to Utah Code Ann. 57-1-20 and 57-8a-302 to Paxton R. Guymon, Esq. (or the successor trustee appointed by the Master Association), with power of sale, all Lots, Parcels, and Dwelling Units in The Mix at Rivers Edge, and all improvements pertaining thereto, for the purpose of securing payment of Annual Assessments and Special Assessments under the terms of this Master Declaration.

7.15 Reserve Account. In addition to the other requirements and provisions of this Article VII, the Mast Association shall comply with the terms and provisions of the Utah Community Association Act relating to a reserve analysis and the funding of a reserve account for those Community Areas of the Project, if any, for which the Association is required to maintain a reserve account. Any reserve account will be funded by assessments imposed in accordance with the terms of this Article VII.

ARTICLE VIII
ENFORCEMENT OF PAYMENT OF ASSESSMENTS
ARTICLE IX AND ENFORCEMENT OF ASSESSMENT LIEN

8.1 Master Association as Enforcing Body. Except as otherwise set forth in this Master Declaration, the Master Association, as the agent and representative of the Members, shall have the exclusive right to enforce the provisions of this Master Declaration against all parcels of real property encumbered by this Declaration and against each Owner of a parcel encumbered by this Declaration.

8.2 Master Association's Enforcement Remedies. If any Member fails to pay the Assessments or installments when due, the Master Association may enforce the payment of the Assessments and/or Assessment Lien by taking one or more of the following actions, concurrently or separately (and by exercising any of the remedies hereinafter set forth, the Master Association does not prejudice or waive its right to exercise any other remedy):

8.2.1 Bring an action at law and recover judgment against the Member personally obligated to pay the Assessments;

8.2.2 Foreclose the Assessment Lien against the Lot, Dwelling Unit or Parcel in accordance with Then prevailing Utah law relating to the foreclosure of realty mortgages or deeds of trust (including the right to recover any deficiency), the method recognized under Utah law for the enforcement of a mechanic's lien which has been established in accordance with Chapter 1, Title 38, Utah Code Annotated, as amended from time to time, or any other means permitted by law, and the Lot, Unit or Parcel may be redeemed after foreclosure sale, if provided by law. In order to facilitate the foreclosure of any such lien in the manner provided at law for the foreclosure of deeds of trust, Declarant incorporates herein the designation and appointment of Trustee set forth in Section 7.16 above (the "Trustee"). Each Owner, by accepting a deed to a Lot, Unit or Parcel, also hereby conveys and warrants to Trustee, with power of sale, each Lot, Unit and/or Parcel acquired by such Owner and all of the Improvements thereon for the purpose of securing payment of all of the Assessments under the terms of this Master Declaration and such Owner's performance of such Owner's obligations set forth herein. The Board may, at any time, designate one or more successor trustees, in the place of Trustee, in accordance with the provisions of Utah law for the substitution of trustees under deeds of trust. Such Trustee, and any successors, shall not have any other right, title or interest in the Property beyond those

rights and interests necessary and appropriate to foreclose any liens against Lots, Units or Parcels arising pursuant hereto. In any such foreclosure, the Owner of the Lot, Unit or Parcel being foreclosed shall be required to pay the costs and expenses of such proceeding (including reasonable attorneys' fees), and such costs and expenses shall be secured by the lien being foreclosed. The Master Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots, Units or Parcels purchased at such sale.

8.2.3 Notwithstanding the subordination of an Assessment Lien as described in Section 8.3, the delinquent Member shall remain personally liable for the Assessments and related costs after his or her Membership is terminated by foreclosure or Deed in lieu of foreclosure or otherwise.

8.3 Priority of Lien. The Assessment Lien provided for herein shall be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided and except as provided in Section 16.5, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot, Unit or Parcel. The sale or transfer of any Lot, Unit or Parcel shall not affect the Assessment Lien, except as provided in Section 16.5.

8.4 Attorneys' Fees and Costs. In any action taken pursuant to Section 8.2, the Member shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual Assessments and Special Assessments together with the Master Association's collection costs and attorneys' fees, including those costs, fees and interest specified in Section 7.3.4 and Section 10.3.

ARTICLE IX USE OF FUNDS; BORROWING POWER; OTHER MASTER ASSOCIATION DUTIES

9.1 Purposes for Which Master Association's Funds May Be Used. The Master Association shall apply all funds and property collected and received by it (including the Annual Assessments, Special Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of The Mix at Rivers Edge and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of all land, properties, Improvements, facilities, services, projects, programs, studies and systems, within The Mix at Rivers Edge, which may be necessary, desirable or beneficial to the general common interests of The Mix at Rivers Edge, the Members and the Residents. The following are some, but not all, of the areas in which the Master Association may seek to aid, promote and provide for such common benefit: maintenance of landscaping and improvements on Community Areas and public right-of-way and drainage areas within The Mix at Rivers Edge; fulfilling the Master Association's obligations under any and all agreements with the City; insurance; communications; utilities; public services; indemnification of officers and directors of the Master Association and any committees created by the Master Association; management expenses of the Master Association, and compliance with any Governing Document. The Master Association also may expend its funds as otherwise permitted under the laws of the State of Utah.

9.2 Borrowing Power. The Master Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as is necessary or appropriate as determined by the Board without a vote of the Members.

9.3 Master Association's Rights in Spending Funds From Year to Year. The Master Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Annual or Special Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Master Association shall not be obligated to reduce the amount of Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Master Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Master Association and the accomplishment of its purposes.

ARTICLE X MAINTENANCE

10.1 Community Areas and Public Right-of-Way. The Master Association, or its duly delegated representative, shall maintain and otherwise manage all Community Areas, including, but not limited to, the landscaping, walkways, parking areas, drives, recreational facilities and the roofs, interiors and exteriors of the buildings and structures located upon said properties; provided, however, the Master Association shall not be responsible for providing or maintaining the landscaping or structures on any Community Areas which are part of Lots, Units or Parcels unless (i) such landscaping or structures are available for use by all Owners and Residents or are within easements intended for the general benefit of The Mix at Rivers Edge and (ii) the Master Association assumes in writing the responsibility as set forth in a Recorded instrument as hereinafter provided.

The Board shall use a reasonably high standard of care in providing for the repair, management and maintenance of said property. In this regard the Master Association may, subject to any applicable provisions on Special Assessments, in the discretion of the Board:

10.1.1 reconstruct, repair, replace or refinish any Improvement or portion thereof upon Master Association Land;

10.1.2 maintain (including snow removal therefrom), construct, reconstruct, repair, replace or refinish any road improvement or surface upon any portion of the Community Areas used as a road, street, walk, driveway or parking area;

10.1.3 replace injured and diseased trees and other vegetation in any Community Area, and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;

10.1.4 place and maintain upon any Community Area such signs as the Board may deem appropriate for the proper identification, use and regulation thereof; and

10.1.5 do all such other and further acts which the Board deems necessary to preserve and protect the Community Areas and the beauty thereof, in accordance with the general purposes specified in this Master Declaration.

10.1.6 The Board shall be the sole judge as to the appropriate maintenance of all Community Areas and other properties maintained by the Master Association. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of said properties shall be taken by the Board or by its duly delegated representative.

10.1.7 In the event any Plat, Neighborhood Declaration, Supplemental Declaration, deed restriction or this Master Declaration permits the Board to determine whether or not Owners of certain Lots, Units or Parcels will be responsible for maintenance of certain Community Areas or public right-of-way areas, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Owners and Residents of The Mix at Rivers Edge for the Master Association or for an individual Owner or a Sub-Association to be responsible for such maintenance, considering cost, uniformity of appearance, location and other factors deemed relevant by the Board. The Board may cause the Master Association to contract with others for the performance of the maintenance and other obligations of the Master Association under this Article X, and in order to promote uniformity and harmony of appearance, the Board may also cause the Master Association to contract to provide maintenance services to Sub-Associations or to Owners of Lots, Units and Parcels having such responsibilities in exchange for the payment of such fees as the Master Association, the Sub-Association or the Owner may agree upon.

10.2 Assessment of Certain Costs of Maintenance and Repair of Community Areas and Public Areas. In the event that the need for maintenance or repair of Community Areas, structures and other property maintained by the Master Association is caused through the willful or negligent act of any Owner or Resident of a Lot, Unit or Parcel, or any family members, guests, invitees or tenants of such Persons, the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Owner and the Owner's Lot, Unit or Parcel is subject and shall be secured by the Assessment Lien. Any charges or fees to be paid by the Owner of a Lot, Unit or Parcel pursuant to Section 10.1 in connection with a contract entered into by the Master Association with an Owner for the performance of an Owner's maintenance responsibilities shall also become a part of such Assessment and shall be secured by the Assessment Lien.

10.3 Maintenance and Use of Lots, Units and Parcels. Each Dwelling Unit, Improvement, Lot, Unit and Parcel shall be properly maintained by the Owner so as not to detract from the appearance of The Mix at Rivers Edge and so as not to affect adversely the value or use of any other Dwelling Unit, Improvement, Lot, Unit or Parcel. In the event any portion of any Lot, Unit or Parcel is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots, Units and Parcels or other areas of The Mix at Rivers Edge which are substantially affected thereby or related thereto, or in the event any portion of a Lot, Unit or Parcel is being used in a manner which violates this Master Declaration or any Neighborhood Declaration or any Supplemental Declaration applicable thereto, or in the event the Owner of any Lot, Unit or Parcel is failing to perform any of its obligations under the Governing Documents, the Board may by resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said 14-day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to: (i) enter the Lot, Unit or Parcel and cause such action to be taken, and the cost thereof shall be added to and become a part of the Assessment (including interest at the rate of 18% per annum) to which the offending Owner and the Owner's Lot, Unit or Parcel is subject and

shall be secured by the Assessment Lien; (ii) Record a notice of violation in the Office of the County Recorder of Utah County, Utah; (iii) impose a fine commensurate with the severity of the violation; and/or (iv) bring an action at law and recover judgment of specific performance and/or damages against the Owner and including costs and attorneys' fees. In any action taken pursuant to this Section, the Owner shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Master Association's collection costs and attorneys' fees.

ARTICLE XI DESIGN REVIEW BOARD

11.1 Membership. There is hereby established a Design Review Board (as defined in the Definitions above), which shall be responsible for the establishment and administration of the Design Guidelines and to carry out all other responsibilities assigned to the Design Review Board in order to carry out the purposes and intent of this Master Declaration. The Design Review Board shall be composed of individuals or entities the Declarant determines in its sole discretion, who need not be Members of the Master Association. All of the members of the Design Review Board shall be appointed, removed, and replaced by Declarant in its sole discretion, until such time as the Class B Membership is terminated, and at that time the Board shall succeed to Declarant's right to appoint, remove, or replace the members of the Design Review Board.

11.2 Purpose. The Design Review Board shall review, study and either approve, reject or request resubmittal of proposed developments and Improvements to a Lot, Unit or Parcel, all in compliance with this Master Declaration and as further set forth in the rules and regulations of the Design Review Board and the Design Guidelines adopted and established from time to time by the Design Review Board. Each developer, including any Merchant Builder, of a Parcel shall demonstrate to the Design Review Board that its Neighborhood Declaration or Supplemental Declaration, Plat and development plan have been approved by the Declarant and by the applicable Municipal Authority and that such items are in compliance with the Design Guidelines.

11.2.1 The Design Review Board shall exercise its best judgment to see that all Improvements conform and harmonize with any existing structures as to external design, quality and type of construction, materials, color, location on the Lot, Unit or Parcel, height, grade and finished ground elevation, and all aesthetic consideration set forth in this Master Declaration or in the Design Guidelines.

11.2.2 The Design Review Board shall exercise its best judgment to see that each Merchant Builder undertakes its development of a Lot or Parcel, including but not limited to, the roadways and major infrastructure, in compliance with the Design Guidelines.

11.2.3 Except for Improvements made by Declarant, no Improvement on a Lot, Unit or Parcel shall be erected, placed or altered on any Lot, Unit or Parcel nor shall any construction be commenced until plans for such Improvement shall have been approved by the Design Review Board.

11.2.4 The actions of the Design Review Board in the exercise of its discretion by its approval or disapproval of plans and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties subject to appeal as provided in the Bylaws.

11.3 Organization and Operation of the Design Review Board.

11.3.1 Term. The term of office of each member of the Design Review Board, subject to Section 11.1 hereof, shall be one (1) year, commencing January 1 of each year, and continuing until his successor shall have been appointed. Should a Design Review Board member die, retire, become incapacitated, or in the event of a temporary absence of a member, a successor may be appointed as provided in Section 11.1 hereof. The Declarant may remove any member of the Design Review Board at any time for any cause without notice.

11.3.2 Chairman. So long as Declarant appoints the Design Review Board, Declarant shall appoint the chairman. At such time as the Design Review Board is appointed by the Board, the chairman shall be elected annually from among the members of the Design Review Board by majority vote of said members.

11.3.3 Operations. The chairman shall take charge of and conduct all meetings and shall provide for reasonable notice to each member of the Design Review Board prior to any meeting. The notice shall set forth the time and place of the meeting, and notice may be waived by any member. In the absence of a chairman, the party responsible for appointing or electing the chairman may appoint or elect a successor, or if the absence is temporary, a temporary successor.

11.3.4 Voting. The affirmative vote of a majority of the members of the Design Review Board shall govern its actions and be the act of the Design Review Board. A quorum shall consist of the members.

11.3.5 Expert Consultation. The Design Review Board may avail itself of technical and professional advice and consultants as it deems appropriate.

11.4 Expenses. Except as provided below, all expenses of the Design Review Board shall be paid by the Master Association. The Design Review board shall have the right to charge a fee for each application submitted to it for review, in an amount which may be established by the Design Review Board from time to time, and such fees shall be collected by the Design Review Board and remitted to the Master Association to help defray the expenses of the Design Review Board's operation.

11.5 Design Guidelines and Rules. The Design Review Board shall adopt, establish, and publish from time to time Design Guidelines. The Design Guidelines shall define and describe the design standards for The Mix at Rivers Edge and the various uses within The Mix at Rivers Edge. The Design Guidelines may be modified or amended from time to time by the Design Review Board. To the extent permitted by the Design Guidelines, the Design Review Board, in its sole discretion, may excuse compliance with such requirements as are not necessary or appropriate in specific situations and may permit compliance with different or alternative requirements. Compliance with The Mix at Rivers Edge design review process is not a substitute for compliance with applicable Municipal Authority building, zoning, and subdivision regulations and requirements, and each Owner is responsible for obtaining all approvals, licenses, and permits as may be required prior to obtaining final approval of any Improvements from the Design Review Board and prior to commencing construction.

11.6 Procedures. As part of the Design Guidelines, the Design Review Board shall make and publish such rules and regulations as it may deem appropriate to govern its proceeding. Appeals shall be conducted as provided in the Design Guidelines.

11.7 Limitation of Liability. The Design Review Board shall use reasonable judgment in approving or disapproving all plans and specifications submitted to it. Neither the Design Review Board, nor any individual Design Review Board member, shall be liable to any person or any official act of the Design Review Board in connection with submitted plans and specifications, except to the extent the Design Review Board or any individual Design Review Board member acted with gross negligence or was guilty of willful misconduct. Approval by the Design Review Board does not necessarily assure approval by the appropriate Municipal Authority. Notwithstanding that the Design Review Board has approved plans and specifications, neither the Design Review Board nor any of its members shall be responsible or liability to any Owner, developer, or contract holder with respect to any loss, liability, claim, or expense which may arise by reason of such approval of the construction of any Improvements. Neither the Board, the Design Review Board, or any agent thereof, nor Declarant or any of its shareholders, employees, agents, or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Design Guidelines, nor for any structural or other defects in any work done according to such plans and specifications. In all events the Design Review Board shall be defended and indemnified by the Master Association in any such suit or proceeding which may arise by reason of the Design Review Board's decision. The Master Association, however, shall not be obligated to indemnify each member of the Design Review Board to the extent any such member of the Design Review Board shall be adjudged to be liable for gross negligence or willful misconduct in the performance of his duty as a member of the Design Review Board, unless and then only to the extent that the Court in which such action or suit may be brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expense as such court shall deem proper.

11.8 Certificate of Compliance. Upon payment of a reasonable fee established from time to time by the Board, and upon written request of any Owner or his agent, an existing or prospective Mortgagee, or a prospective grantee, the Design Review Board shall issue an acknowledged certificate, in recordable form, setting forth generally, to the best of the Design Review Board's knowledge, that the Owner is not in violation of any of the terms and conditions of the Design Guidelines. Unless such request shall be complied with within thirty (30) days after receipt of the request, it shall be conclusively presumed that the Owner and the Owner's Improvements are in conformance with all the terms and conditions of the Design Guidelines subject to the control of the Design Review Board.

ARTICLE XII RIGHTS AND POWERS OF MASTER ASSOCIATION

12.1 Master Association's Rights and Powers As Set Forth in Articles and Bylaws. In addition to the rights and powers of the Master Association set forth in this Master Declaration, the Master Association shall have such rights and powers as are set forth in its Articles and Bylaws and the Utah Revised Nonprofit Corporation Act, Utah Code Ann. § 16-6a-101, et seq. Such rights and powers, subject to the approval thereof by any agencies or institutions deemed necessary by Declarant, may encompass any and all things which a natural person could do or which now or hereafter may be authorized by law, provided such Articles and Bylaws are not inconsistent with

the provisions of this Master Declaration and are necessary, desirable or convenient for effectuating the purposes set forth in this Master Declaration. After incorporation of the Master Association, a copy of the Articles and Bylaws of the Master Association shall be available for inspection at the office of the Master Association during reasonable business hours by prior appointment.

12.2 Master Association's Rights of Enforcement. The Master Association, as the agent and representative of the Owners and Members, shall have the right to enforce, by any proceeding at law or in equity, the Covenants set forth in this Master Declaration and/or any and all covenants, restrictions, reservations, charges, servitudes, assessments, conditions, liens or easements provided for in any contract, Deed, declaration or other instrument which (a) shall have been executed pursuant to, or subject to, the provisions of this Master Declaration, or (b) otherwise shall indicate that the provisions of such instrument were intended to be enforced by the Master Association or by Declarant. In the event suit is brought or arbitration is instituted or an attorney is retained by the Master Association to enforce the terms of this Master Declaration or any other Governing Document and the Master Association prevails, the Master Association shall be entitled to recover, in addition to any other remedy, reimbursement for attorneys' fees, court costs, costs of investigation and other related expenses incurred in connection therewith including but not limited to the Master Association's administrative costs and fees. Said attorneys' fees, costs and expenses shall be the personal liability of the breaching Owner and shall also be secured by the Assessment Lien against said Owner's Lot, Unit or Parcel. If the Master Association should fail to act within a reasonable time, any Owner shall have the right to enforce the Covenants set forth in this Master Declaration.

12.3 Contracts with Others for Performance of Master Association's Duties. Subject to the restrictions and limitations contained herein, the Master Association may enter into contracts and transactions with others, including the Declarant and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more Board members or officers of the Master Association or members of any committee are employed by or otherwise connected with Declarant or its affiliates, provided that the fact of such interest shall be disclosed or known to the other Board members acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such Board member, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which he or she is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by the Declarant, its affiliated companies or any competitor thereof and may vote to authorize any such contract, transaction or approval with like force and effect as if he or she were not so interested.

ARTICLE XIII INSURANCE AND FIDELITY BONDS

13.1 Hazard Insurance. The Master Association shall at all times maintain in force insurance meeting the following requirements: A "master" or "blanket" type policy of property insurance shall be maintained, if reasonably available, covering all insurable Improvements, if any, on the Master Association Land and where appropriate on the Community Areas; fixtures, building service equipment, personal property and supplies comprising a part of the Community Areas or owned by the Master Association; but excluding land, foundations, excavations, and other items normally not covered by such policies. References herein to a "master" or "blanket" type policy of property insurance are intended to denote single entity insurance coverage. If blanket all-risk

insurance is not reasonably available, then at a minimum, such “master” or “blanket” policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement, and by all other perils which are customarily covered with respect to projects similar to The Mix at Rivers Edge in construction, location, and use, including (without limitation) all perils normally covered by the standard “all risk” endorsement, where such endorsement is available. Such “master” or “blanket” policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all elements of the Community Areas covered by such policy, exclusive of land, foundations, excavation, and other items normally excluded from coverage. The insurance policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement (under which the insurer agrees to replace the insurable property regardless of the cost) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance); or (2) a Replacement Cost Endorsement (under which the insurer agrees to pay up to one-hundred percent of the property’s insurable replacement cost but no more) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance). The maximum deductible amount for such policy shall be determined by the Board.

13.2 Flood Insurance. If any part of the Community Areas is or comes to be situated in a “special flood hazard area” as designated on a “flood insurance rate map,” a “master” or “blanket” policy of flood insurance shall be maintained, if reasonably available, covering the Improvements located on the Community Areas, and any machinery and equipment related thereto (hereinafter “Insurable Property”) in an amount deemed appropriate, but not less than the lesser of (1) the maximum limit of coverage available under the National Flood Insurance Administration Program for all Insurable Property within any portion of the Community Areas located within a designated flood hazard area; or (2) one hundred percent (100%) of the insurable value of all such facilities. The maximum deductible amount for such policy shall be determined by the Board.

13.3 Policy Requirements.

13.3.1 The name of the insured under each policy required to be maintained by the foregoing sections (Section 13.1 and Section 13.2) shall be the Master Association for the use and benefit of the individual Owners. Notwithstanding the requirement of the immediately foregoing sentence, each such policy may be issued in the name of an authorized representative of the Master Association, including any Insurance Trustee (as hereinafter defined) with whom the Master Association has entered into an agreement (referred to herein as an “Insurance Trust Agreement”, or any successor to such Insurance Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Master Association (or Insurance Trustee), as a trustee for each Owner and each such Owner’s First Mortgagee. Each Owner and each such Owner’s First Mortgagee, if any, shall be beneficiaries of such policy. Evidence of insurance shall be issued to each Owner and First Mortgagee upon request.

13.3.2 Each policy required to be maintained by the foregoing sections (Section 13.1 and Section 13.2), shall contain the standard mortgage clause, or equivalent endorsement (without contribution), commonly accepted by private institutional mortgage investors in the area in which The Mix at Rivers Edge is located.

13.3.3 Each policy required to be maintained by the foregoing sections (Section 13.1 and Section 13.2), shall provide, if available, for the following: recognition of any

Insurance Trust Agreement; a waiver of the right of subrogation against Owners individually; a provision that the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively, and a provision that the policy is primary in the event the Owner has other insurance covering the same loss.

13.4 Fidelity Bonds or Insurance. The Master Association shall at all times maintain in force and pay the premiums for “blanket” fidelity bonds or insurance, including but not limited to, directors’ and officers’ insurance for the benefit of all members of the Board, officers and members of committees and subcommittees appointed by the Board or otherwise established pursuant to the provisions of this Master Declaration, for all officers, agents, and employees of the Master Association and for all other persons handling or responsible for funds of or administered by the Master Association. Furthermore, where the Master Association has delegated some or all of the responsibility for the handling of funds to a Manager, the Manager shall provide “blanket” fidelity bonds or insurance, with coverage identical to such bonds required of the Master Association, for the Manager’s officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Master Association. The total amount of fidelity coverage required shall be based upon the Master Association’s best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Master Association, or the Manager, as the case may be, at any given time during the term of coverage.

13.5 Liability Insurance. The Master Association shall maintain in force, and pay the premium for a policy providing commercial general liability insurance coverage covering all of the Community Areas, public ways in The Mix at Rivers Edge, if any, all other areas of The Mix at Rivers Edge that are under the Master Association’s supervision. The coverage limits under such policy shall be in amounts generally required by private institutional Mortgage investors for projects similar to The Mix at Rivers Edge in construction, location, and use. Nevertheless, such coverage shall be for at least Two Million Dollars (\$2,000,000) for bodily injury, including deaths of persons, and property damage arising out of a single occurrence. Coverage under such policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance, or use of the Community Areas, and legal liability arising out of lawsuits related to employment contracts of the Master Association. Such policy shall provide that it may not be cancelled or substantially modified by any party without at least thirty (30) days’ prior written notice to the Master Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in such policy.

13.6 Annual Review of Policies and Coverage. All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the Community Areas and Improvements thereon which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of this Master Declaration. In the event any of the insurance coverage provided for in this Article XIII is not available at a reasonable cost or is not reasonably necessary to provide the Master Association with adequate insurance protection, as determined by the Board, the Board shall have the right to obtain different insurance coverage or insurance coverage which does not meet all of the requirements of this Article XIII so long as, at all times, the Board maintains insurance coverage on a basis which is consistent with the types and amounts of insurance coverage obtained for projects similar to The Mix at Rivers Edge.

**ARTICLE XIV
DAMAGE OR DESTRUCTION**

14.1 Master Association as Attorney in Fact. Each and every Owner hereby irrevocably constitutes and appoints the Master Association as such Owner's true and lawful attorney-in-fact in such Owner's name, place, and stead for the purpose of dealing with personal property owned by the Master Association on behalf of the Owners and the Improvements on the Community Areas upon damage or destruction as provided in this Article or a complete or partial taking as provided in Article XV below. Acceptance by any grantee of a Deed or other instrument of conveyance from the Declarant or from any Owner shall constitute, appointment of the attorney-in-fact as herein provided. As attorney-in-fact, the Master Association shall have full and complete authorization, right, and power to make, execute, and deliver any contract, assignment, Deed, waiver, or other instrument with respect to the interest of any Owner which may be necessary or appropriate to exercise the powers granted to the Master Association as attorney-in-fact. All proceeds from the insurance required hereunder shall be payable to the Master Association except as otherwise provided in this Master Declaration.

14.2 Estimate of Damages or Destruction. As soon as practical after an event causing damage to or destruction of any part of the personal property owned by the Master Association and Improvements on the Community Areas, the Master Association shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction of that part thereof so damaged or destroyed. "Repair and reconstruction" as used in this Article XIV shall mean restoring the damaged or destroyed Improvements to substantially the same condition in which they existed prior to the damage or destruction.

14.3 Repair and Reconstruction. As soon as practical after obtaining estimates, the Master Association shall diligently pursue to completion the repair and reconstruction of the damaged or destroyed Improvements. As attorney-in-fact for the Owners, the Master Association may take any and all necessary or appropriate action to effect repair and reconstruction, and no consent or other action by any Owner shall be necessary. Assessments of the Master Association shall not be abated during the period of insurance adjustments and repair and reconstruction.

14.4 Funds for Repair and Reconstruction. The proceeds received by the Master Association from any hazard insurance shall be used for the purpose of repair, replacement, and reconstruction of such affected personal property and Improvements on the Community Areas. If the proceeds of the insurance are insufficient to pay the estimated or actual cost of such repair and reconstruction, the Master Association may, pursuant to Section 7.2 above, levy, assess, and collect in advance from all Owners, without the necessity of a special vote of the Owners, a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair and reconstruction. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair and reconstruction.

14.5 Disbursement of Funds for Repair and Reconstruction. The insurance proceeds held by the Master Association and the amounts received from the Special Assessments provided for in Section 14.4 above constitute a fund for the payment of the costs of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for the costs of repair and reconstruction shall be made from insurance proceeds, and the balance from the Special Assessments. If there is a balance remaining after payment of all costs of such repair and

reconstruction, such balance shall be retained by the Master Association to pay for future Community Expenses.

14.6 Notice to First Mortgagees. The Master Association shall give timely written notice to any holder of any First Mortgage on a Lot, Unit or Parcel who requests such notice in writing in the event of substantial damage to or destruction of a material part of the personal property owned by the Master Association and/or Improvements on the Community Areas.

ARTICLE XV CONDEMNATION

15.1 Rights of Owners. Whenever all or any part of the Community Areas shall be taken or conveyed in lieu of and under threat of condemnation, each Owner shall be entitled to notice of the taking, but the Master Association shall act as attorney-in-fact for all Owners in the proceedings incident to the condemnation proceeding, unless otherwise prohibited by law.

15.2 Partial Condemnation Distribution of Award; Reconstruction. The award made for such taking shall be payable to the Master Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Community Areas on which Improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant and Owners representing at least sixty-seven percent (67%) of the votes of the Members in the Master Association shall otherwise agree, the Master Association shall restore or replace such Improvements so taken on the remaining land included in the Community Areas to the extent lands are available therefor, in accordance with plans approved by the Board. If such Improvements are to be repaired or restored, the provisions in Article XIV above regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any Improvements on the Community Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be retained by the Master Association to pay for future Community Expenses.

ARTICLE XVI MORTGAGEE REQUIREMENTS

16.1 Notice of Action. Upon written request made to the Master Association by a Mortgagee, or an insurer or governmental guarantor of a Mortgage, which written request shall identify the name and address of such Mortgagee, insurer or governmental guarantor and the Lot, Unit or Parcel number or the address of the Dwelling Unit, any such Mortgagee, insurer or governmental guarantor shall be entitled to timely written notice of:

16.1.1 Any condemnation loss or any casualty loss which affects a material portion of The Mix at Rivers Edge or any Lot, Unit or Parcel on which there is a Mortgage held, insured or guaranteed by such Mortgagee, insurer or governmental guarantor;

16.1.2 Any delinquency in the payment of Assessments owed by an Owner, whose Lot, Unit or Parcel is subject to a Mortgage held, insured or guaranteed by such Mortgagee, insurer or governmental guarantor, which default remains uncured for a period of sixty (60) days;

16.1.3 Any lapse, cancellation or material modification of any insurance policy or fidelity bond or insurance maintained by the Master Association; and

16.1.4 Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 16.2 below or elsewhere herein.

16.2 Matters Requiring Prior Eligible Mortgagee Approval. Except as provided elsewhere in this Master Declaration, the prior written consent of Owners entitled to vote at least sixty-seven percent (67%) of the votes of the Members in the Master Association (unless pursuant to a specific provision of this Master Declaration the consent of Owners entitled to vote a greater percentage of the votes in the Master Association is required, in which case such specific provisions shall control) and of Eligible Mortgagees holding Mortgages on Lots, Units or Parcels having at least fifty-one percent (51%) of the votes of the Lots, Units or Parcels subject to Mortgages held by Eligible Mortgagees shall be required to:

16.2.1 Dissolve the Master Association after substantial destruction or condemnation occurs. Dissolution of the Master Association for any other reason shall require the affirmative vote or authorization of Eligible Mortgagees holding Mortgages on Lots, Units or Parcels having at least sixty-seven percent (67%) of the votes of the Lots, Units or Parcels subject to Mortgages held by Eligible Mortgagees.

16.2.2 Amend this Article XVI.

16.3 Mortgagee Approval. Any Mortgagee, insurer or governmental guarantor who receives a written request from the Master Association to approve additions or amendments to the Governing Documents and who fails to deliver or post to the Master Association a negative response within thirty (30) days shall be deemed to have approved such request, provided the written request was delivered by certified or registered mail, with a “return receipt” requested.

16.4 Availability of Documents and Financial Statements. The Master Association shall maintain and have current copies of the Governing Documents and other rules concerning The Mix at Rivers Edge as well as its own books, records, and financial statements available for inspection by Owners or by holders, insurers, and guarantors of Mortgages that are secured by Lots, Units or Parcels. Generally, these documents shall be available during normal business hours by prior appointment.

16.5 Subordination of Lien. The lien or claim against a Lot, Unit or Parcel for unpaid Assessments levied by the Master Association pursuant to this Master Declaration shall be subordinate to the First Mortgage affecting such Lot, Unit or Parcel, and the First Mortgagee thereunder which comes into possession of or which obtains title to the Lot, Unit or Parcel shall take the same free of such lien or claim for unpaid Assessments, but only to the extent of Assessments which accrue prior to foreclosure of the First Mortgage, exercise of a power of sale available thereunder, or taking of a Deed or assignment in lieu of foreclosure. No Assessment, lien, or claim which is described in the preceding sentence as being subordinate to a First Mortgage or as not to burden a First Mortgagee which comes into possession or which obtains title shall be collected or enforced by the Master Association from or against a First Mortgagee, a successor in title to a First Mortgagee, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by Deed in lieu of foreclosure, of the Lot, Unit or Parcel affected or previously affected by the First Mortgage concerned.

16.6 Payment of Taxes. In the event any taxes or other charges which may or have become a lien on the Community Areas are not timely paid, or in the event the required hazard-insurance described in Section 13.1 lapses, is not maintained, or the premiums therefor are not paid when due, any First Mortgagee or any combination of First Mortgagees may jointly or singly, pay such taxes or premiums or obtain such insurance. Any First Mortgagee which expends funds for any of such purposes shall be entitled to immediate reimbursement therefor from the Master Association.

16.7 Priority. No provision of this Master Declaration or the Articles gives or may give an Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of all or any part of the Lots, Units or Parcels or the Community Areas.

ARTICLE XVII TERM: AMENDMENTS: TERMINATION

17.1 Term; Method of Termination. This Master Declaration shall be effective upon the date of the Recording hereof and, as amended from time to time, shall continue in full force and effect for a term of fifty (50) years from the date this Master Declaration is Recorded. From and after said date, this Master Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Master Declaration by Then Members casting eighty percent (80%) of the total votes of all of the Members cast at an election held for such purpose (or otherwise approved for such purpose in writing) within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension. This Master Declaration may be terminated at any time, if Members casting at least eighty percent (80%) of the votes of all of the Members shall be cast in favor of termination at an election held for such purpose. Anything in the foregoing to the contrary notwithstanding, no vote to terminate this Master Declaration shall be effective unless and until written consent to such termination or amendment has been obtained, within a period from six (6) months prior to such vote to six (6) months after such vote, from Eligible Mortgagees on fifty-one percent (51%) of the Lots, Units and Parcels upon which there are such Eligible Mortgages. If the necessary votes and consents are obtained, the Board shall cause to be Recorded with the County Recorder of Utah County, Utah a "certificate of termination," duly signed by the President or Vice President attested by the Secretary or Assistant Secretary of the Master Association, with their signatures acknowledged. Thereupon these Covenants shall have no further force and effect, and the Master Association shall be dissolved pursuant to the terms set forth in its Articles.

17.2 Amendments. This Master Declaration may be amended by Recording with the County Recorder of Utah County, Utah, a Certificate of Amendment, duly signed and acknowledged by and on behalf of the Master Association. The Certificate of Amendment shall set forth in full the amendment adopted, and, except as provided in Sections 1.17, 17.3, and 17.4 hereof or elsewhere in this Master Declaration, shall certify that at a meeting duly called and held pursuant to the Articles and Bylaws or by separate written consent without a meeting, the Members casting at least sixty-seven percent (67%) of the votes of the Members voted affirmatively for the adoption of the amendment or approved such amendment by separate written consent. Except as provided in Sections 17.3 and 17.4 hereof or elsewhere in this Master Declaration, a Neighborhood Declaration or Supplemental Declaration may be amended in the same manner as this Master Declaration, with the approval of Members casting at least sixty-seven percent (67%) of the votes of the Members subject to the Neighborhood Declaration or Supplemental Declaration. Within

twenty-five (25) years from the date of Recording this Master Declaration and so long as the Declarant is the Owner of any Lot, Unit or Parcel in The Mix at Rivers Edge, this Master Declaration and any Neighborhood Declaration and any Supplemental Declaration may be amended or terminated only with the written approval of the Declarant.

17.3 Unilateral Amendments. Notwithstanding anything contained in this Master Declaration to the contrary, this Master Declaration, a Neighborhood Declaration or Supplemental Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith, to make technical corrections, to correct mistakes or to remove/clarify ambiguities; or (b) if such amendment is reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots, Units or Parcels subject to this Master Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's property, unless any such Owner shall consent thereto in writing. Further, during the Period of Declarant Control Declarant may unilaterally amend this Master Declaration, a Neighborhood Declaration or Supplemental Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the consent of the affected Owner. Any such amendment hereunder shall be affected by the Recording by Declarant of a Certificate of Amendment duly signed by the Declarant.

17.4 Right of Amendment if Requested by Governmental Agency or Federally Chartered Lending Institutions. Anything in this Article or Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Master Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Master Declaration or such agency's approval of the sale of property within The Mix at Rivers Edge, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot(s), Unit(s) or Parcel(s) or any portions thereof. Any such amendment shall be effected by the Recording by Declarant of a Certificate of Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. The Recording of such a Certificate of Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Certificate of Amendment, when Recorded, shall be binding upon all of The Mix at Rivers Edge and all persons having an interest therein.

17.5 Declarant's Control. It is the desire and intent of Declarant to retain control of the Master Association and its activities during the anticipated period of planning and development of The Mix at Rivers Edge. If any amendment requested pursuant to the provisions of this Article XVII deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Master Declaration to restore such control.

**ARTICLE XVIII
DECLARANT'S RIGHTS**

18.1 Transfer of Declarant's Rights. Any or all of the special rights and obligations of the Declarant may be assigned and transferred to other persons or entities, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective, unless it is in a written instrument signed by the Declarant and duly Recorded in the Office of the Recorder of Utah County, Utah. Without limiting the generality of the foregoing, Declarant may by such Recorded instrument establish that Declarant and such Person or Persons be co-Declarants under this Master Declaration, in which event such Persons shall be deemed collectively the Declarant for all purposes under this Master Declaration, and any ownership of portions of the Property by any such Persons shall be considered owned by Declarant. So long as Declarant continues to have rights under this Article XVIII, no person or entity shall Record any declaration of covenants, conditions and restrictions, or similar instrument affecting any portion of The Mix at Rivers Edge without Declarant's review and written consent thereto, and any attempted Recording without compliance herewith shall result in such declaration of covenants, conditions and restrictions or similar instrument being void and of no force and effect, unless subsequently approved by a Recorded consent signed by Declarant.

18.2 Sales Material. So long as Declarant continues to have rights under this Article XVIII, all sales, promotional, and advertising materials, and all forms for deeds, contracts for sale, and other closing documents for the platting, development and sale of property in The Mix at Rivers Edge by any Merchant Builder shall be subject to the prior approval of Declarant, which approval shall not be unreasonably withheld. Declarant shall deliver notice to any Merchant Builder of Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents and, if disapproved, the specific changes requested. If Declarant fails to so notify any Merchant Builder within such thirty (30) day period, Declarant shall be deemed to have waived any objections to such materials and documents and to have approved the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

18.3 Modifications. Declarant reserves for itself and its assigns the right to vary the timing, mix, type, use, style, and numbers of Lots, Units and Parcels, and other such details of construction or modifications in adding phases to this Master Declaration. Notwithstanding any other provision of this Master Declaration to the contrary, Declarant, without obtaining the consent of any other Owner or Person, shall have the right to make changes or modifications to its development plan with respect to any property owned by Declarant in any way which Declarant desires including, but not limited to, changing the density of all or any portion of the Property owned by Declarant or changing the nature or extent of the uses to which such Property may be devoted.

18.4 Amendment. This Article XVIII may not be amended without the express written consent of Declarant; provided, however, the rights contained in this Article XVIII shall terminate upon the earlier of (a) December 31, 2040, or (b) the Recording by Declarant of a written statement that all sales activity has ceased.

**ARTICLE XIX
GENERAL PROVISIONS**

19.1 Violation Constitutes Nuisance. A violation of the provisions of this Master Declaration is deemed to be a nuisance, and the Owner of the Unit or property on which the violation occurs is responsible for the removal or abatement of the nuisance.

19.2 Remedies.

19.2.1 Any single or continuing violation of the covenants contained in this Master Declaration may be enjoined in an action brought by the Declarant (for so long as the Declarant is the Owner of any Lot, Dwelling Unit, or parcel), by any other Owner, or by the Board in its own name. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment all of the reasonable costs of enforcement, including attorneys' fees and costs of litigation.

19.2.2 Nothing in this Master Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state, or local laws and ordinances pertaining to health, safety, abatement of nuisances or other matters. The remedies available under this Master Declaration are to be construed as being in addition to all other remedies available at law.

19.2.3 The remedies available under this Master Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

19.2.4 The delay or failure by anyone to take enforcement action with respect to any violation of this Master Declaration shall not be construed as a waiver of the covenants contained in this Master Declaration with respect to such violation or with respect to any other violations.

19.3 Pre-Litigation Requirements.

19.3.1 Disclaimer. Every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, any inspection on any Lot or Dwelling Unit that Owner is purchasing or any aspect of the Project; all prior to purchasing a Lot or Dwelling Unit. Moreover, if any written warranty has been provided, it identifies the only items that are warranted by Declarant. Having had the ability to inspect prior to purchasing, having received a written warranty (if any warranty is provided), and having paid market price for a Lot or Unit in the condition the Lot/Unit, the Project and Community Areas are in at the time of purchase, Owner acknowledges and agrees that it would be inequitable to later seek to have Declarant and/or its respective contractors and subcontractors performing work in the Project to change, upgrade, or perform any additional work to the Project outside of any express warranty obligations. Moreover, the Owners and the Association acknowledge and agree that litigation is an undesirable method of resolving Disputes (as defined below) because litigation can be slow, expensive, uncertain, and can often negatively impact the sale value, marketability, and ability to obtain financing for the purchase of Lots and Dwelling Units for years, unfairly prejudicing those Owners who must or want to sell their Dwelling Units during any period when litigation is pending. For this reason, the Owners (by purchasing a Lot) and the Association acknowledge and agree that before any Dispute is pursued through litigation, the "Pre-

Litigation Requirements” set forth below must be satisfied. In addition, the Association and the Owners (by purchasing a Unit) acknowledge and agree that each takes ownership and possession of the Units, Lots, and Community Areas AS- IS, with no warranties of any kind (except as set forth in a written warranty, this Master Declaration or as otherwise required as a matter of law). To the fullest extent permitted by applicable law, Declarant specifically disclaims any warranties of merchantability, fitness for a particular use, or of habitability.

19.3.2 Notice of Claim and Opportunity to Cure (Applicable to All Owners and the Association). All claims and disputes of any kind that any Owner or the Association may have involving the Declarant or any its agents, employees, executing officers, managers, affiliates or owners, or any engineer or contractor involved in the design or construction of the Project, which arises from or is in any way related to a Unit, Community Areas, or any other component of the Project (a “**Dispute**”), shall first be identified in a written notice of claim that sets forth with specificity the facts and the legal basis upon which the claim or dispute is asserted (a “**Notice of Claim**”), which Notice of Claim shall be delivered to Declarant, and Declarant shall then have 150 days to cure or resolve the claim or defect or to try to get the builder or the appropriate subcontractor to cure or resolve the claim or defect, prior to the initiating of any formal court action. If the Dispute is not resolved within said 150-day right to cure period, then with respect to any claims, actions or Disputes that the Association (but not an individual Owner) desires to pursue, the “**Pre-Litigation Requirements**” set forth below must be satisfied in full before initiating formal court action. No court action may be filed or maintained unless and until said Pre-Litigation Requirements have been fully satisfied. If additional, different or modified claims, damages, calculations, supporting information, or descriptions are added, provided to, or asserted against Declarant that were not included in any previously submitted Notice of Claim, the right to cure period provided for in this section shall immediately apply again, and any pending action or proceedings shall be stayed during the 150-day period.

19.3.3 Pre-Litigation Requirements (Applicable Only to the Association). Notwithstanding any other provision to the contrary in this Master Declaration, the Association shall not file, commence or maintain any lawsuits, actions or legal proceedings against Declarant, the individual managers, owners, members or officers of Declarant, Declarant’s contractors, engineers or architects, or any other person or entity involved in the design or construction of the dwelling structures or Community Areas unless and until the Notice of Claim requirements set forth above have been satisfied, and all of the following “**Pre-Litigation Requirements**” have been satisfied:

19.3.3.1 The Association has obtained a legal opinion from an attorney licensed to practice law in Utah having at least ten (10) years of experience, with the legal opinion providing in substance the following: (A) a description of the factual allegations and legal claims to be asserted in the action; (B) an analysis of the facts and legal claims explaining why it would be in the best interests of the Association to file and pursue such action, taking into account the anticipated costs and expenses of litigation, the likelihood of success on the merits of the claims, and the likelihood of recovery if a favorable judgment is obtained by the Association; and (C) providing a budget of the estimated amounts of legal fees, costs, expert witness fees and other expenses likely to be incurred in connection with such action (the “**Litigation Budget**”);

19.3.3.2 A copy of the opinion letter described in subsection (i) above has been provided to all Owners, and, after the Owners have had a reasonable period of time to review the opinion letter, the decision for the Association to file the subject action has been approved by the Owners (excluding Declarant) who collectively hold at least 67% of the eligible Votes; and

19.3.3.3 The Association has collected funds from the Owners, by Special Assessment or otherwise, equal to at least 50% of the Litigation Budget as set forth in the opinion letter described above.

The purposes of these requirements include, but are not limited to, the following: (i) to minimize the risks to the Association of pursuing litigation involving claims that lack merit; (ii) to minimize the risks of becoming involved in litigation that is unlikely to be successful or, even if successful, will not result in meaningful recovery sufficient to justify the costs and expenses of litigation; and (iii) to avoid becoming involved in litigation without sufficient support from the Members financially and otherwise.

For purposes of clarity, this Section and the requirements set forth herein shall not apply to any actions or legal proceedings (i) filed by the Association to recover payment of any Assessments or other amounts required to be paid by Owners to the Association under this Master Declaration, or (ii) filed by individual Owners relating solely to their own Lots. Individual Owners, however, shall not be allowed to file or pursue any actions or claims on behalf of other Owners or for the Association.

19.4 Severability. Each of the covenants, conditions, restrictions and provisions contained in this Master Declaration shall be independent of the others, and in the event that any covenant, condition, restriction or provision of this Master Declaration is found to be invalid, unenforceable or illegal by a court of competent jurisdiction, the remaining covenants, conditions, restrictions and provisions of this Master Declaration shall remain in full force and effect.

19.5 Limited Liability. Neither the Declarant, the Board or its individual members, nor any Owner shall have personal liability to any other Owner for actions or inactions taken pursuant to the terms of this Master Declaration, provided that any such actions or inactions are the result of the good faith exercise of their judgment or authority under this Master Declaration and without malice.

19.6 Interpretation of the Covenants. Except for judicial construction by a court of law or arbitrator, the Master Association, by its Board, shall have the exclusive right to construe and interpret the provisions of this Master Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Master Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all Persons and property benefited or bound by the Covenants and provisions hereof.

19.7 Severability. Any determination by any court of competent jurisdiction that any provision of this Master Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

19.8 Change of Circumstances. Except as otherwise expressly provided in this Master Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Master Declaration.

19.9 Mortgagee Not Bound. No amendment to this Master Declaration will be binding upon the holder of any mortgage or trust deed on any Lot which mortgage or trust deed is of record at the time of the amendment, unless the mortgage or trust deed holder joins in the amendment. This Master Declaration may not be repealed by amendment.

19.10 Rules and Regulations. In addition to the right to adopt The Mix at Rivers Edge Rules on the matters expressly mentioned elsewhere in this Master Declaration, the Master Association (through its Board) shall have the right to adopt rules and regulations with respect to all other aspects of the Master Association's rights, activities and duties, provided said rules and regulations are not inconsistent with the provisions of this Master Declaration.

19.11 Declarant's Disclaimer of Representations. Anything to the contrary in this Master Declaration notwithstanding, and except as otherwise may be expressly set forth on a Plat or other instrument Recorded in the Office of the County Recorder of Utah County, Utah, Declarant makes no warranties or representations whatsoever that the plans presently envisioned for the complete development of The Mix at Rivers Edge can or will be carried out, or that any land now owned or hereafter acquired by it is or will be subjected to this Master Declaration, or that any such land (whether or not it has been subjected to this Master Declaration) is or will be committed to or developed for a particular (or any) use, or if that land is once used for a particular use, such use will continue in effect. Not as a limitation of the generality of the foregoing, the Declarant expressly reserves the right at any time and from time to time to amend the Master Land Use Plan.

19.12 References to the Covenants in Deeds. Deeds or any instruments affecting any Lot, Unit or Parcel or any part of The Mix at Rivers Edge may contain the Covenants herein set forth by reference to this Master Declaration; but regardless of whether any such reference is made in any Deed or instrument, each and all of the Covenants shall be binding upon the grantee-Owner of all Lots, Units and Parcels within The Mix at Rivers Edge or other person claiming an interest in any Lot, Unit or Parcel through any instrument and his or her heirs, executors, administrators, successors and assigns.

19.13 List of Owners and Eligible Members. The Board shall maintain up-to-date records showing: (i) the name of each Person who is an Owner, the address of such Person, and the Lot, Unit or Parcel which is owned by him or her; and (ii) the name of each Person who is an Eligible Mortgagee, and the address of such person or entity and the Lot, Unit or Parcel which is encumbered by the Mortgage held by such Eligible Mortgagee. In the event of any transfer of a fee or undivided fee interest in a Lot, Unit or Parcel, the transferee shall furnish the Board with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of Record in the Office of the County Recorder of Utah County, Utah. The Board may for all purposes act and rely on the information concerning Owners and Lot, Unit or Parcel ownership which is thus acquired by it or, at its option, the Board may act and rely on current ownership information respecting any Lot, Unit or Parcel or Lots, Units or Parcels which is obtained from the Office of the County Recorder of Utah County, Utah. The address of an Owner shall be deemed to be the address of the Lot, Unit or Parcel owned by such person, unless the Board is otherwise advised. The list of Owners shall be made available by the Board to any Owner for noncommercial purposes upon such Owner's written request and such Owner's payment of any copying charges and such Owner's execution of a privacy and nondisclosure statement prepared by the Board.

19.14 General Obligations. Each Owner shall enjoy and be subject to all rights and duties assigned to Owners pursuant to this Master Declaration. With respect to unsold Lots, Units and

Parcels, the Declarant shall enjoy the same rights and assumes the same duties with respect to each unsold Unit and Parcel, unless otherwise expressly provided herein.

19.15 Rights of Action. Subject to the provisions of this Master Declaration, the Master Association and any aggrieved Owner shall have a right of action against Owners who fail to comply with the provisions of this Master Declaration or the decisions of the Master Association. Owners shall have a similar right of action against the Master Association.

19.16 Successors and Assigns of Declarant. Any reference in this Master Declaration to Declarant shall include any successors or assigns of Declarant's rights and powers hereunder.

19.17 Gender and Number. Wherever the context of this Master Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders; words used in the neuter gender shall include the masculine and feminine genders; words in the singular shall include the plural; and words in the plural shall include the singular.

19.18 Captions and Titles. All captions, titles or headings of the Articles and Sections in this Master Declaration are for the purpose of reference and convenience only and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

19.19 Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to such person at the address given by that person to the Master Association for the purpose of service of such notice or to the address of the Lot, Unit or Parcel of such person, if no address has been given. Such address may be changed from time to time by notice in writing received by the Master Association. Notice to the Board shall also be delivered or mailed to Declarant or such other address as the Board may designate after the expiration of the Period of Declarant Control.

19.20 Number of Days. In computing the number of days for purposes of any provision of this Master Declaration or the Articles or Bylaws, all days shall be counted including Saturdays, Sundays, and holidays; provided however, that if the final day of any time period falls on a Saturday, Sunday, or legal holiday, then the final day shall be deemed to be the next day which is not a Saturday, Sunday, or legal holiday.

19.21 Notice of Violation. The Master Association shall have the right to Record a written notice of a violation by any Owner or Resident of any restriction or provision of this Master Declaration. The notice shall be executed and acknowledged by an officer of the Master Association and shall contain substantially the following information: (a) the name of the Owner or Resident; (b) the legal description of the Lot, Unit or Parcel against which the notice is being Recorded; (c) a brief description of the nature of the violation; (d) a statement that the notice is being Recorded by the Master Association pursuant to this Master Declaration; and (e) a statement of the specific steps which must be taken by the Owner or Resident to cure the violation. Recordation of a notice of violation shall serve as a notice to the Owner and Resident, and to any subsequent purchaser of the Lot, Unit or Parcel, that there is such a violation. If, after the Recordation of such notice of violation, it is determined by the Master Association that the violation referred to in the notice does not exist or that the violation referred to in the notice has been cured, the Master Association shall Record a notice of compliance which shall state the legal

description of the Lot, Unit or Parcel against which the notice of violation was recorded, the Recording data of the notice of violation, and shall state that the violation referred to in the notice of violation has been cured or, if such be the case, that it did not exist. Notwithstanding the foregoing, failure by the Master Association to Record a notice of violation shall not constitute a waiver of any existing violation or evidence that no violation exists.

19.22 Use of The Mix at Rivers Edge Term. No Person shall use the term "The Mix at Rivers Edge" or any derivative thereof in any printed or promotional material without the prior written consent of the Declarant.

IN WITNESS WHEREOF, Declarant has executed this Master Declaration as of the day first above written.
