Note: Engineer Stations used in the above description are based on the Right of Way control line for said Project.

TO HAVE AND TO HOLD the same unto said Utah Department of Transportation, its successors and assigns, so long as such facilities shall be maintained, with the right of ingress and egress to and from said easement to maintain, operate, repair, inspect, protect, remove and replace the same. Grantee may use such portion of the property along and adjacent to said easement as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the facilities. Grantor(s) shall have the right to use said premises except for the purposes for which said easement is granted to Grantee, provided such use does not interfere with the facilities or any other rights granted to Grantee hereunder.

Grantor(s) shall not build or construct, nor permit to be built or constructed, any building or other improvement over or across said easement, nor change the contour thereof, without written consent of Grantee. This easement shall be binding upon and inure to the benefit of the successors and assigns of Grantor(s) and the successors and assigns of Grantee, and may be assigned in whole or in part by Grantee.

It is hereby understood that any parties securing this grant on behalf of Grantee are without authority to make any representations, covenants or agreements not herein expressed.

The Grantors agree to defend, indemnify and hold harmless the Utah Department of Transportation ("UDOT"), the State of Utah ("STATE"), and any and all employees, agents, contractors and officials of said "UDOT" and/or said "STATE" against any and all damages, claims, liabilities, losses, penalties, fines or expenses, including attorney's fees and litigation costs; all related to the presence, disposal, release or clean-up of any contaminants, hazardous materials or pollutants, fire or explosions located on, over, under, from or affecting the property described in the within instrument. The indemnity set forth herein shall apply to all conditions existing on or before the date title to said property is transferred by the within instrument.

After said drainage facility is constructed on the above described part of an entire tract at the expense of the Utah Department of Transportation, said Utah Department of Transportation is thereafter relieved of any further claim or demand for costs, damages or maintenance charges which may accrue against said drainage facility and appurtenant parts thereof.

IN WITNESS WHEREOF, said South Farm, LLC has caused this instrument to be executed by its proper officers thereunto duly authorized, this 15th day of July, A.D. 2010.
