**DEVELOPMENT AGREEMENT FOR
PHEASANT GROVE DEVELOPMENT
CITY OF HOLLADAY, UTAH**

THIS DEVELOPMENT AGREEMENT ("Development Agreement") is entered into as of this 9 day of Dec, 2013 by and among (NCD-III, LLC. or Daw Management, Inc.), its successors and assigns ("Developer") and City of Holladay, a Utah municipal corporation ("Holladay" or "City") for the Pheasant Grove Development Project ("Pheasant Grove Project") which is located at approximately 5555/5561 South Highland Drive, Holladay, Utah.

- A. Pheasant Grove Development. Developer is the owner/authorized agent of a certain portion of property. This property (the "Property") is specifically described in **Exhibit A** attached hereto. The development intent for the Property is a not-to-exceed 11 lot single family detached residential development.

NOW THEREFORE, in consideration of the above recitals, the parties agree as follows:

**Article 1
The Project**

1.1 Adoption of Recitals; Legal Description of Property. The recitals set forth above in paragraph A are hereby adopted by the City and Developer as true and correct, and any promises, agreements, or obligations set forth therein are hereby incorporated into this Development Agreement and enforceable provisions hereof. The property covered by this Development Agreement consists of approximately 4.1 acres of land located at approximately 5555/5561 South Highland Drive. This property is more fully described in **Exhibit A** attached hereto.

1.2 Project Description. The Pheasant Grove Project covered by this Development Agreement consists of not-to-exceed 11 single family detached residential lots. This project plan is more fully described and generally shown in **Exhibit B**.

1.3 Project Approval. Pursuant to the City of Holladay Zoning Ordinance, the Pheasant Grove Project, as more particularly described in Section 1.2 above, is in compliance with Appendix K of the City of Holladay General Plan, the Highland Drive Corridor Master Plan and has been approved under the R-1-10 Zone (Chapter _____).

The review and approval process included lawfully advertised public hearings with the City of Holladay Planning Commission on September 4, 2013 and November 7, 2013 before the Holladay Municipal Council. Holladay acknowledges and agrees that Developer shall have the vested right to develop and construct the Pheasant Grove Project in accordance with the provisions of this Development Agreement and the R-1-10 Zoning and other applicable ordinances and regulations of the City. Planning Commission approval of a Final Subdivision Plat and a formal pre-construction meeting with City Staff will be required to ensure that all conditions of the Zoning Ordinance and other approvals are satisfied before construction can commence.

Article 2

Infrastructure Improvements, Performance Bond and Guarantee of Amenities

2.1 Security for Off and On Site Public Improvements. Developer agrees to complete all required off-site and on-site public improvements related to the Pheasant Grove Project in accordance with approved Construction/Civil Plans for the Pheasant Grove Project. Developer shall guarantee such improvements through one or more infrastructure performance bond consistent with the City's infrastructure bonding policies. These bonds provide for the financial security for the public improvements, including, but not limited to, water, sewer, curb and gutter, public sidewalk and street improvements, surface drainage, and other public improvements. Developer agrees to bond for and construct the public improvements in such a manner as to ensure adequate infrastructure exists for the buildings being constructed as per the City Engineer. This includes providing appropriate access through the site for emergency vehicles as determined by the Fire Marshal and Building Official.
