EXHIBIT C

Grantee's Property Reversion Rights

1. **DEVELOPMENT OF PROPERTY REVERSION RIGHT.** If during the period between the Effective Date, and the second anniversary thereof (the "Development Reversion Period"), Grantee is dissatisfied with its ability to develop the Property in its sole discretion, after taking commercially reasonable efforts to develop the same, then upon written notice from Grantee to Grantor during the Reversion Period, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Development Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Promissory Note ("Note") and the Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing ("Trust Deed") executed by Grantee and recorded by Grantor against the Property. In such case, Grantor may retain the Earnest Money provided in connection with sale of the Property, and all payments made under the Note will be retained by Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Development Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Reversion Adjustment Date. Such prorations shall be final.

Grantor and Grantee have entered into a Purchase and Sale Agreement ("Farms PSA") relating to property more particularly described on Exhibit D attached hereto (the "Farms Property"), which sale has not closed as of the date of the Effective Date. In the event that Grantee exercises its Development Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Development Reversion as to the Farms Property on the same terms as the Development Reversion on the Property.

In the event that Grantee exercises its Development Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property, as depicted on Exhibit D attached hereto, shall perform all of Grantor's obligations required under this Section. At this time, a legal description for the Cabin Property has not been prepared. At such time as a legal description for the Cabin Property exists, Grantor and Grantee shall execute and record an amendment to this Deed, providing such legal description.

2. **CONNECTING EASEMENT REVERSION RIGHT.** Inasmuch as the Farms Land is not contiguous to the Property and the property described on Exhibit F attached hereto (the "Setauket Property") and there is no recorded easement connecting these properties for access purposes, Grantor and Grantee have agreed that, before the second anniversary of the Effective Date, Grantor, at no cost to Grantee, shall cause a perpetual access easement running with the land and in a form reasonably approved by Grantee to be granted and recorded in the official records of the appropriate Utah county(ies) recorder office(s) that grants to the current and all future owner(s) of all, or a portion of, the Property, Setauket Property, or the Farms Land the right for themselves

and their designees to have vehicular access across third-party owned land so that the Property, Setauket Property, and Farms Land are all connected for vehicular access purposes (the "Connecting Easement Obligation").

In the event Grantor is unable to perform the Connecting Easement Obligation before the second anniversary of the Effective Date, then upon written notice from Grantee to Grantor no later than 60 days after the second anniversary of the Effective Date, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Connecting Easement Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Connecting Easement Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Connecting Easement Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Connecting Easement Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Connecting Easement Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Connecting Easement Reversion as to the Farms Property on the same terms as the Connecting Easement Reversion on the Property.

In the event that Grantee exercises its Connecting Easement Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.

3. **SURVEY REVERSION RIGHT.** Inasmuch as Grantee was not able to obtain a survey on the Property prior to the Effective Date, Grantor and Grantee have agreed that, if Grantee determines, in its sole discretion, that the survey obtained by Grantee for the Property evidences a problem that would be difficult or expensive to resolve or would impair the value of the Property, then upon written notice from Grantee to Grantor no later than December 31, 2017, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Survey Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Survey Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Survey Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Survey Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Survey Reversion as to the Farms Property on the same terms as the Survey Reversion on the Property.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.

EXHIBIT C

GRANTEE'S PROPERTY REVERSION RIGHTS

NOTE: This Exhibit C only provides notice of Reversion Rights and is not meant as a conveyance of property.

1. **DEVELOPMENT OF PROPERTY REVERSION RIGHT.** If during the period between the Effective Date, and the second anniversary thereof (the "Development Reversion Period"), Grantee is dissatisfied with its ability to develop the Property in its sole discretion, after taking commercially reasonable efforts to develop the same, then upon written notice from Grantee to Grantor during the Reversion Period, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Development Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Promissory Note ("Note") and the Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing ("Trust Deed") executed by Grantee and recorded by Grantor against the Property. In such case, Grantor may retain the Earnest Money provided in connection with sale of the Property (the "Earnest Money"), and all payments made under the Note will be retained by Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Development Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Reversion Adjustment Date. Such prorations shall be final.

Grantor and Grantee have entered into a Purchase and Sale Agreement ("Farms PSA") relating to property more particularly described on Exhibit D attached hereto (the "Farms Property"), which sale has not closed as of the date of the Effective Date. In the event that Grantee exercises its Development Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Development Reversion as to the Farms Property on the same terms as the Development Reversion on the Property.

In the event that Grantee exercises its Development Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property, as described on Exhibit E attached hereto, shall perform all of Grantor's obligations required under this Section.

2. **SURVEY REVERSION RIGHT.** Inasmuch as Grantee was not able to obtain a survey on the Property prior to the Effective Date, Grantor and Grantee have agreed that, if Grantee determines, in its sole discretion, that the survey obtained by Grantee for the Property evidences a problem that would be difficult or expensive to resolve or would impair the value of the Property, then upon written notice from Grantee to Grantor no later than December 31, 2017, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Survey Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all

payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Survey Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Survey Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Survey Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Survey Reversion as to the Farms Property on the same terms as the Survey Reversion on the Property.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.

GRANTOR, in consideration of TEN DOLLARS (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, hereby conveys and warrants against all claiming by or through or under it, to GRANTEE, all the real property more particularly described on Exhibit A, attached hereto, located in Summit County and Morgan County, Utah (the "Property").

Subject only to those certain items of record in the official records of the Summit County, Utah Recorder's Office (the "Official Records") listed on Exhibit B, attached hereto and incorporated herein, and general real property taxes for the year 2017 and thereafter (collectively the "Permitted Exceptions").

The real property situated in Morgan County, Utah, described on Exhibit C attached hereto (the "Cabin Property") has been excluded by GRANTOR from the Property described on Exhibit A.

GRANTOR hereby reserves for itself and its designees a perpetual, non-exclusive access easement across the Property for the use and benefit of the Cabin Property (the "Access Easement"), which Access Easement is described on Exhibit D hereto. The Access Easement shall be appurtenant to the Cabin Property and run with the land. Grantor acknowledges that the Access Easement may be used by Grantee, its invitees, licensees, assignees, successors in interest, and any other parties designated by Grantee for any purposes which do not materially adversely affect Grantor's reserved use of the Access Easement for access to the Cabin Property.

For good and valuable consideration, the receipt of which is hereby acknowledged, GRANTOR hereby imposes the following restrictions on the Cabin Property (the "Restrictions"). These Restrictions shall run with and bind GRANTOR, as the owner of the Cabin Property, and its respective successors and assigns as owners of the Cabin Property. These Restrictions are imposed for the benefit to GRANTEE, as the owner of the Property, and all future owners of some, or all, of the Property.

1. GRANTOR shall maintain the Cabin Property in good repair, in accordance with all applicable governmental rules and regulations, and in accordance with the Deed of Conservation Easements between GRANTOR and the State of Utah governing the Cabin Property.

2. The Cabin Property may only be used for residential purposes. No commercial use is allowed, including but not limited to any commercial use that would compete with GRANTEE'S proposed commercial project on the Property.
3. No improvements may be constructed on the Cabin Property that are atypical for second home mountain properties in Summit County, Utah, or Morgan County, Utah.
4. GRANTOR and GRANTEE understand and agree that GRANTOR may assign its interest in the Cabin Property, and any post-closing rights and duties relating to the Property, to a family trust, which includes members of the Stephen and Patricia Boyden family. Any further assignment, transfer, or sale shall be subject to the first right of refusal set forth in Item 5, below.
5. GRANTOR hereby grants to GRANTEE a first right of refusal to purchase the Cabin Property. If GRANTOR shall desire to sell or transfer the Cabin Property and receives a bona fide offer to purchase, GRANTOR shall give GRANTEE written notice of GRANTOR'S intention to sell GRANTOR'S interest in the Cabin Property contained in said offer to purchase. Such notice ("Grantor's Notice") shall state the terms and conditions under which GRANTOR intends to sell or transfer its interest. For thirty (30) Business Days following the giving of such notice (the "Option Period"), GRANTEE shall have the option to purchase the GRANTEE'S interest at the same price and under the same terms as stated in the Grantor's Notice, provided that the reasonable monetary equivalent may be substituted for any non-monetary terms and further provided that GRANTEE shall in any event have at least thirty (30) days to close such purchase. A written notice addressed to GRANTOR and signed by GRANTEE within the Option Period shall be an effective exercise of Grantee's Option, and GRANTEE shall thereupon close the sale as stated above.

GRANTOR acknowledges and agrees that GRANTEE holds certain reversion rights relating to the Property which are set forth on a Notice of Reversion Rights, recorded concurrently with this document.

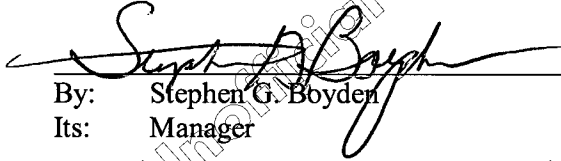

The rights and obligations described in the Deed and its Exhibits shall be binding upon the successors and assigns of GRANTOR and GRANTEE and shall run with the land.

EXHIBIT C

Grantee's Property Reversion Rights

1. **DEVELOPMENT OF PROPERTY REVERSION RIGHT.** If during the period between the Effective Date, and the second anniversary thereof (the "Development Reversion Period"), Grantee is dissatisfied with its ability to develop the Property in its sole discretion, after taking commercially reasonable efforts to develop the same, then upon written notice from Grantee to Grantor during the Reversion Period, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Development Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Promissory Note ("Note") and the Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing ("Trust Deed") executed by Grantee and recorded by Grantor against the Property. In such case, Grantor may retain the Earnest Money provided in connection with sale of the Property, and all payments made under the Note will be retained by Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Development Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Reversion Adjustment Date. Such prorations shall be final.

Grantor and Grantee have entered into a Purchase and Sale Agreement ("Farms PSA") relating to property more particularly described on Exhibit D attached hereto (the "Farms Property"), which sale has not closed as of the date of the Effective Date. In the event that Grantee exercises its Development Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Development Reversion as to the Farms Property on the same terms as the Development Reversion on the Property.

In the event that Grantee exercises its Development Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property, as depicted on Exhibit D attached hereto, shall perform all of Grantor's obligations required under this Section. At this time, a legal description for the Cabin Property has not been prepared. At such time as a legal description for the Cabin Property exists, Grantor and Grantee shall execute and record an amendment to this Deed, providing such legal description.

2. **CONNECTING EASEMENT REVERSION RIGHT.** Inasmuch as the Farms Land is not contiguous to the Property and the property described on Exhibit F attached hereto (the "Setauket Property") and there is no recorded easement connecting these properties for access purposes, Grantor and Grantee have agreed that, before the second anniversary of the Effective Date, Grantor, at no cost to Grantee, shall cause a perpetual access easement running with the land and in a form reasonably approved by Grantee to be granted and recorded in the official records of the appropriate Utah county(ies) recorder office(s) that grants to the current and all future owner(s) of all, or a portion of, the Property, Setauket Property, or the Farms Land the right for themselves

and their designees to have vehicular access across third-party owned land so that the Property, Setauket Property, and Farms Land are all connected for vehicular access purposes (the "Connecting Easement Obligation").

In the event Grantor is unable to perform the Connecting Easement Obligation before the second anniversary of the Effective Date, then upon written notice from Grantee to Grantor no later than 60 days after the second anniversary of the Effective Date, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Connecting Easement Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Connecting Easement Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Connecting Easement Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Connecting Easement Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Connecting Easement Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Connecting Easement Reversion as to the Farms Property on the same terms as the Connecting Easement Reversion on the Property.

In the event that Grantee exercises its Connecting Easement Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.

3. SURVEY REVERSION RIGHT. Inasmuch as Grantee was not able to obtain a survey on the Property prior to the Effective Date, Grantor and Grantee have agreed that, if Grantee determines, in its sole discretion, that the survey obtained by Grantee for the Property evidences a problem that would be difficult or expensive to resolve or would impair the value of the Property, then upon written notice from Grantee to Grantor no later than December 31, 2017, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Survey Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Survey Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Survey Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Survey Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Survey Reversion as to the Farms Property on the same terms as the Survey Reversion on the Property.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.

SPECIAL WARRANTY DEED

THIS SPECIAL WARRANTY DEED (the "Deed") is made and entered into as of the 21st day of November, 2017 (the "Effective Date"), by and between BOYDEN FARMS, LLC, a Utah limited liability company ("GRANTOR") and WOHALI PARTNERS, LLC, a Utah limited liability company, having an address of 1364 Cove Circle, North Salt Lake, Utah 94054 (herein called "GRANTEE").

GRANTOR, in consideration of TEN DOLLARS (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, hereby conveys and warrants against all claiming by or through or under it, to GRANTEE, all the real property more particularly described on Exhibit A, attached hereto, located in Summit County and Morgan County, Utah (the "Property").

Subject only to those certain items of record in the official records of the Summit County, Utah Recorder's Office (the "Official Records") listed on Exhibit B, attached hereto and incorporated herein, and general real property taxes for the year 2017 and thereafter (collectively the "Permitted Exceptions").

The real property situated in Morgan County, Utah, described on Exhibit C attached hereto (the "Cabin Property") has been excluded by GRANTOR from the Property described on Exhibit A.

GRANTOR hereby reserves for itself and its designees a perpetual, non-exclusive access easement across the Property for the use and benefit of the Cabin Property (the "Access Easement"), which Access Easement is described on Exhibit D hereto. The Access Easement shall be appurtenant to the Cabin Property and run with the land. Grantor acknowledges that the Access Easement may be used by Grantee, its invitees, licensees, assignees, successors in interest, and any other parties designated by Grantee for any purposes which do not materially adversely affect Grantor's reserved use of the Access Easement for access to the Cabin Property.

For good and valuable consideration, the receipt of which is hereby acknowledged, GRANTOR hereby imposes the following restrictions on the Cabin Property (the "Restrictions"). These Restrictions shall run with and bind GRANTOR, as the owner of the Cabin Property, and its respective successors and assigns as owners of the Cabin Property. These Restrictions are imposed for the benefit to GRANTEE, as the owner of the Property, and all future owners of some, or all, of the Property.

1. GRANTOR shall maintain the Cabin Property in good repair, in accordance with all applicable governmental rules and regulations, and in accordance with the Deed of Conservation Easements between GRANTOR and the State of Utah governing the Cabin Property.

2. The Cabin Property may only be used for residential purposes. No commercial use is allowed, including but not limited to any commercial use that would compete with GRANTEE'S proposed commercial project on the Property.
3. No improvements may be constructed on the Cabin Property that are atypical for second home mountain properties in Summit County, Utah, or Morgan County, Utah.
4. GRANTOR and GRANTEE understand and agree that GRANTOR may assign its interest in the Cabin Property, and any post-closing rights and duties relating to the Property, to a family trust, which includes members of the Stephen and Patricia Boyden family. Any further assignment, transfer, or sale shall be subject to the first right of refusal set forth in Item 5, below.
5. GRANTOR hereby grants to GRANTEE a first right of refusal to purchase the Cabin Property. If GRANTOR shall desire to sell or transfer the Cabin Property and receives a bona fide offer to purchase, GRANTOR shall give GRANTEE written notice of GRANTOR'S intention to sell GRANTOR'S interest in the Cabin Property contained in said offer to purchase. Such notice ("Grantor's Notice") shall state the terms and conditions under which GRANTOR intends to sell or transfer its interest. For thirty (30) Business Days following the giving of such notice (the "Option Period"), GRANTEE shall have the option to purchase the GRANTEE'S interest at the same price and under the same terms as stated in the Grantor's Notice, provided that the reasonable monetary equivalent may be substituted for any non-monetary terms and further provided that GRANTEE shall in any event have at least thirty (30) days to close such purchase. A written notice addressed to GRANTOR and signed by GRANTEE within the Option Period shall be an effective exercise of Grantee's Option, and GRANTEE shall thereupon close the sale as stated above.

GRANTOR acknowledges and agrees that GRANTEE holds certain reversion rights relating to the Property which are set forth on a Notice of Reversion Rights, recorded concurrently with this document.

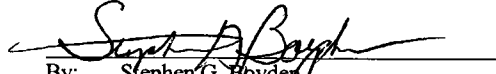

The rights and obligations described in the Deed and its Exhibits shall be binding upon the successors and assigns of GRANTOR and GRANTEE and shall run with the land.

EXHIBIT C

GRANTEE'S PROPERTY REVERSION RIGHTS

NOTE: This Exhibit C only provides notice of Reversion Rights and is not meant as a conveyance of property.

1. **DEVELOPMENT OF PROPERTY REVERSION RIGHT.** If during the period between the Effective Date, and the second anniversary thereof (the "Development Reversion Period"), Grantee is dissatisfied with its ability to develop the Property in its sole discretion, after taking commercially reasonable efforts to develop the same, then upon written notice from Grantee to Grantor during the Reversion Period, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Development Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Promissory Note ("Note") and the Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing ("Trust Deed") executed by Grantee and recorded by Grantor against the Property. In such case, Grantor may retain the Earnest Money provided in connection with sale of the Property (the "Earnest Money"), and all payments made under the Note will be retained by Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Development Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Reversion Adjustment Date. Such prorations shall be final.

Grantor and Grantee have entered into a Purchase and Sale Agreement ("Farms PSA") relating to property more particularly described on Exhibit D attached hereto (the "Farms Property"), which sale has not closed as of the date of the Effective Date. In the event that Grantee exercises its Development Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Development Reversion as to the Farms Property on the same terms as the Development Reversion on the Property.

In the event that Grantee exercises its Development Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property, as described on Exhibit E attached hereto, shall perform all of Grantor's obligations required under this Section.

2. **SURVEY REVERSION RIGHT.** Inasmuch as Grantee was not able to obtain a survey on the Property prior to the Effective Date, Grantor and Grantee have agreed that, if Grantee determines, in its sole discretion, that the survey obtained by Grantee for the Property evidences a problem that would be difficult or expensive to resolve or would impair the value of the Property, then upon written notice from Grantee to Grantor no later than December 31, 2017, Grantee shall convey, and Grantor shall accept, the Property by special warranty deed (the "Survey Reversion"). In exchange for the conveyance of the Property, Grantor and Grantee shall terminate the Note and the Trust Deed. In such case, Grantor shall return the Earnest Money, and all

payments made under the Note to Grantee. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Property) on the date the Property is conveyed to Grantor pursuant to this Section (the "Survey Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Property shall be based upon the latest available tax information such that Grantee shall be responsible for all such taxes and assessments levied against the Property to the Survey Reversion Adjustment Date and Grantor shall be responsible for all taxes, special taxes and assessments levied against the Property from and after the Survey Reversion Adjustment Date. Such prorations shall be final.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, and the sale to Grantee of the Farms Property has not closed, Grantee may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Grantor under the Farms PSA. In the event that the Farms PSA has closed, Grantee may, at its option, exercise a Survey Reversion as to the Farms Property on the same terms as the Survey Reversion on the Property.

In the event that Grantee exercises its Survey Reversion pursuant to this Section, but Grantor no longer exists, the then owner of the Cabin Property shall perform all of Grantor's obligations required under this Section.
