OF
COVENANTS, CONDITIONS AND RESTRICTIONS
OF
WATCHWOOD PLANNED UNIT DEVELOPMENT

THESE AMENDMENTS TO THE ENABLING DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS are made and executed on the date set forth
below.

WITNESSETH:

WHEREAS, there has heretofore been recorded with the office of the Salt Lake
County Recorder an Enabling Declaration of Covenants, Conditions and Restrictions
("Declaration") of Watchwood Planned Unit Development ("Project") recorded on
October 3, 1975 as Entry No. 2748454 in book 3988 at pages 393 et. seq., with respect
to that certain parcel of real property situate in Salt Lake County, State of Utah, and more
fully described on Exhibit "A", attached hereto and by this reference made a part hereof.

WHEREAS, By affirmative vote of at least 2/3 of the Lot Owners of the undivided
interest of Watchwood Planned Unit Development, and the Chairperson of the
Association directed to certify the Owners' vote and to cause this Amendment to be
recorded, the Declaration is hereby amended as follows:

NOW THEREFORE, the parties agree that the Enabling Declarations of
Covenants, Conditions and Restrictions of Watchwood Planned Unit Development shall
be amended as follows:

- I. PARAGRAPH 14 OF ARTICLE C OF THE ENABLING DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS IS AMENDED TO READ
AS FOLLOWS:

Payment of Expense. Each lot owner shall pay to the Management
Committee his portion of the costs and expenses required and deemed
necessary by the Management Committee in connection with water and
sewer services to the lots in the Project and costs and expenses deemed
necessary to manage, maintain and operate the common areas and facilities
of the Project, and may include among other things the cost of management,
taxes, special assessments, fire, casualty and public liability insurance
premiums, common lighting, landscaping and the care of grounds, repairs,
and renovations of common areas and facilities, recreational areas and
facilities, if any, garbage collection, snow removal, wages, water and charges,
legal and accounting fees, sewer charges, cost of operating all gas fired

equipment and the cost of electricity, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the payment of any deficit remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus fund, as well as all other costs and expenses of any nature relating to this Project. Such payments shall be made upon the terms, at the time and in the manner provided without deduction of any off-sets or claims which the owner may have against the Committee, and if any owner shall fail to pay any installment within one (1) month from the time when the same becomes due, the owner shall pay interest thereon at the rate of 1% per month from the date when such installment what become due to the date of the payment thereof. If all or any part of an assessment with respect to any lot is not paid one (1) month after it is due, the Committee may also assess the owner a late payment fee of up to thirty dollars (\$30) per month until paid. The Management Committee may, from time to time, up to the close of the year for which such cash requirements have been so filed or determined, increase or diminish the amount previously fixed or determined for such year. The Committee may include in cash requirements for any year, any liabilities or items of expense which accrued or became payable in the previous year or which might have been included in the cash requirements for a previous year, but were not included therein, and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year. In any year in which there is an excess of assessments received over amounts actually used for the purposes described in this Declaration such excess may, upon written consent of all the members, be applied against and reduce the subsequent year's assessment or be refunded to the members. The preceding sentence shall automatically be repealed upon the revocation of Rev. Rul. 70-604, 1970-2, CB 9 promulgated by the Internal Revenue Service or upon a court of competent appellate jurisdiction declaring such Rev. Rul. invalid or upon amendment of the Internal Revenue Code or the Treasury Regulations thereunder obviating the requirement of a membership vote to apply such excess to the subsequent year's assessments or to refund same in order that such excess be excluded from gross income of the Association. The pro-rata portion payable by the owner in and for each year or portion or year shall be that ratio, a sum within limits and on conditions hereinabove provided, calculated by multiplying to the aggregate amount of such requirements for such year or portion of year, by the owner's percentage of undivided interest in the common areas and facilities. All such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be required by the Management Committee, and at such time as shall be provided by the Management Committee.

It is the express intention of this Declaration, and this Declaration shall be so construed, that the entire pro-rata assessments payable to the Management Committee herein shall be made only with respect to all lots upon which improvements have been made to the extent so as to allow occupancy of such units. Accordingly, notwithstanding any other provisions of this Declaration, the Management Committee shall have discretionary powers to assess amounts less than the entire pro-rata assessments specified above with respect to any lot on which habitable improvements have not been completed on such lot. The Management

Committee shall have discretionary powers to prescribe the manner of maintaining the operation of the Project, and to determine the cash requirements of the Management Committee to be paid as aforesaid by the owners under this Declaration. Every such reasonable determination by the Committee within the bounds of this Declaration, shall be final and conclusive as to the owners, and any expenditures made by the Committee within the bounds of this Declaration shall be deemed, as against the owners, necessary and properly made for such purpose. If any owner shall, at any time, let or sublet any lot and shall default for a period of one (1) month in payment of any management assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of such owner occupying the lot, the rent due or becoming due up to the amount of such assessment due, together with all penalties provided herein. Such payment of rent to the Committee shall be sufficient payment and discharge of such tenant or subtenant as between such tenant or subtenant and such owner to the extent of the amount so paid.

Each monthly assessment and each special assessment shall be separate, distinct and personal debts and obligations of the owner against whom the same are assessed at the time of the assessment is made, and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the same. The amount of assessment, whether regular or special, assessed to the owner of any lot, plus interest at 1% per month, **plus late payment fees of up to thirty dollars (\$30) per month until paid, as allowed herein and costs**, including reasonable attorney's fees, shall become a lien upon such lot upon recordation of notice of assessment. Said lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

- (a) Tax and special assessment liens on the lot in favor of any assessment authority, or special district, and
- (b) Encumbrances on the owner's lot and such owner's interest in the common areas recorded prior to the date such notice is recorded which by law would be a lien prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances. A certificate executed and acknowledged by a majority of the Management Committee stating the indebtedness secured by the lien upon any lot in the Project hereunder shall be conclusive upon the Management Committee and the owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any owner or any encumbrancer or prospective encumbrancer of a lot upon request at a reasonable fee, not to exceed Ten and no/100 (\$10.00) Dollars. Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses, which become due prior to the date of the making of such request, shall be subordinate to the lien held by the person making the request. Any encumbrancer holding a lien on the lot may pay any unpaid common expenses payable with respect to such lot and upon such payment such encumbrancer shall have a lien on such lot for the amounts paid of the same ranks as the lien of his encumbrance. Upon payment of a delinquent assessment concerning which such a certificate has been so recorded, or other satisfaction thereof the Management Committee shall cause to be

recorded, in the same manner as the certificate of indebtedness, a further certificate stating the satisfaction and the release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Management Committee, an attorney or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions of law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure of sale, the owner shall be required to pay the costs and expenses of such proceedings and reasonable attorneys' fees. In case of foreclosure, the owner shall be required to pay a reasonable rental for the lot from the date a foreclosure action is filed with the Court having jurisdiction over the matter, and Plaintiff in the foreclosure action shall be entitled to the appointment of a receiver, at the time such action is filed, to collect the rental without regard to the value of the mortgaged security. In any foreclosure of sale, the owner shall also be required to pay the costs and expenses of such proceedings and reasonable attorney's fees. The Management Committee or Manager shall have the power to bid in the lot at foreclosure or other sale and to hold, lease, mortgage and convey the lot.

- II. Except as expressly amended herein, the parties agree that all other provisions of the Enabling Declaration of Covenants, Conditions and Restrictions of Watchwood Planned Unit Development shall continue in full force and effect.
- III. These amendments shall become effective upon recording with the Salt Lake County Recorder's Office.

DATED this 23rd day of May, 2005.
