NOTICE OF RIGHT-OF-WAY

The following described right-of-way was taken in 1953 for the construction of the South Lateral Utah Lake Distributing Company Canal and is being utilized for the operation and maintenance thereof pursuant to reservation of right-of-way by the Act of August 30, 1890 (26 Stat. 391), which Act reserved a right-of-way for ditches and canals constructed by the authority of the United States. Notice is hereby given that in the use of the following described right-of-way, the United States is not precluded or estopped from further use of right-of-way, as the need arises under the provisions and authority of the aforesaid Act. Further, notice is hereby given that no use of the right-of-way should be made that is incompatible with the United State's right to operate and maintain said canal.
