11) Neither the Declarant or the Association or any of their employees, agents, representatives or consultants shall be responsible in any way for any acts or omissions of the landscaping crew, including negligence. By electing to have the Association maintain his landscaping each Owner agrees to and shall defend, indemnify, save and hold the Declarant and the Association, and their employees, agents, representatives or consultants, harmless from any and all loss, damage or liability they may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their providing the landscaping maintenance.

12) In the event of a dispute between an Owner and the Board of Directors regarding landscape maintenance, the decision of the Board of Directors shall be final, binding and conclusive.

h) Accessory Buildings. Accessory Buildings are considered "conditional uses," which require the approval of the City and the ARC. Each application to construct or install an Accessory Building will be evaluated separately by the ARC and approved or disapproved on a case-by-case basis, subject to the following guidelines:

1) Any detached Accessory Building must conform in design and construction materials with the primary residential Home.

2) The maximum height of an Accessory Building shall be twelve (12) feet, (although the ARC may grant an exception if, in its sole opinion, such is in the best interest of the Project);

3) If there is a dispute of any kind whatsoever, such as whether a structure is an Accessory Building, the decision of the Declarant, or upon the termination of the Period of Declarant's Control, the Architectural Review Committee, shall be final, conclusive and binding.

i) Applications and Approvals. In the event that the ARC fails expressly and in writing to disapprove any application for landscaping, an accessory building or other structural alteration within thirty (30) days after submission of all information and materials reasonably requested, the application shall be considered "disapproved".

j) No Waiver of Future Approvals. The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with landscaping, an accessory building or any other matter requiring the approval and consent of the ARC shall not be considered to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

k) Variance. The ARC may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations, and prior written consent of the City Board of Adjustment. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

l) Limitation of Liability. Neither the Declarant nor the ARC, or any of their employees, agents, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. By accepting a deed or other document of conveyance to a Lot, each Owner agrees to and shall defend, indemnify, save and hold the Declarant and the ARC, and their employees, agents, representatives or consultants, harmless from any and all loss, damage or liability they may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their review or approval of architectural designs, plans and specifications.

m) Enforcement of Architectural Guidelines. Any construction, alteration, or other work done in violation of this Declaration shall be considered to be nonconforming. Upon written request from the ARC an Owner shall at his own cost and expense remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the ARC shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser.

n) Contractors. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration may be excluded by the ARC from the Project, subject to the notice and the opportunity to be heard. In the event of sanctions after notice and hearing, neither the ARC or the Declarant, nor their employees, agents, representatives or consultants shall be held liable to any person for exercising the rights granted by

this Section.

o) Ivory Homes Catalogue. Any and every home design, plan or specification contained within the Ivory Homes Catalogue shall be considered approved and qualify for construction, and no other consent shall be required, provided the home elevations meet and the home otherwise satisfies all of the architectural control requirements of the City PUD ordinance.. Any and all deviations from the Ivory Homes Catalogue, including by way of illustration but not limitation, design, construction materials and coloration, must be expressly approved in writing by the ARC: The approval of the Ivory Homes Sales staff and/or construction personnel is insufficient.

9. Maintenance Responsibility and Standards. The Property shall be maintained and repaired, and improvements replaced as they age or are damaged in accordance with the following covenants, conditions and restrictions:

a) Minimum Standard for Condition of Property. The Property shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition, consistent with Community Standards.

b) Area of Common Responsibility. The Association is responsible to maintain the Common Area and Facilities as a Common Expense. The Association shall remove all ice and snow accumulations from the Common Area hard surfaces. The Association shall not allow the Common Area to detract from the health, safety or uniform appearance or design of the Project. In the event an Owner opts-out of the Landscape Maintenance Option the maintenance of the rear yard Common Area will be the responsibility of that Owner.

c) Area of Personal Responsibility. Each Owner is responsible to maintain or arrange for the maintenance and repair of his Lot and Limited Common Area at his sole expense. Each Owner is responsible to replace the improvements to his Limited Common Area at his sole expense. Each Owner shall remove all ice and snow accumulations from his Lot and Limited Common Area. Refer to the Planting Plan a copy of which is attached hereto, marked Exhibit "C" and incorporated herein by this reference for the approved fencing locations that define limited common area boundaries. Limited Common area shall be further defined by the extension of the approved fence line to the street. No Owner shall allow his Lot to detract from the health, safety or uniform appearance or design of the Project. In the event an Owner opts-out of the Landscape Maintenance Option the maintenance of the rear yard Common Area will be the responsibility of that Owner.

d) Default Provisions. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association, or Board of Directors

may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The term "emergency" as used here means a situation or condition in which there is a threat of imminent and substantial harm to person or property. The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. A lien may be filed by the Association against the Owner's interest in the Property to secure payment.

e) Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Board of Directors or Members of the Association; provided, however, no Owner may make any structural alterations to the Common Area (including the Limited Common Area), without the express prior written consent of the Board of Directors.

f) Certain Work Prohibited. No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Owners being first had and obtained.

10. Use Restrictions and Nature of the Project. The Lots are subject to the following use restrictions which shall govern both the architecture and the activities within the Project:

a) Private Residence. No Lot shall be used except for residential purposes.

b) Home Occupation Guidelines. No resident may operate a commercial trade or business in or from his Unit with employees of any kind or with customers who are not residents of the Project, or which create or maintain a nuisance. No commercial trade or business may store any inventory over 250 cubic feet, and it must be contained within the Unit. No commercial trade or business may be conducted in or from a Unit unless (1) the business activity conforms to all home occupation and zoning requirements governing the Project; (2) the operator has a city issued business license; (3) the business activity satisfies the Home Occupation Guidelines adopted by the ARC, as they may be modified from time to time; and (4) the resident has obtained the prior written consent of the ARC. Notwithstanding the foregoing, the leasing of a Lot shall not be considered a trade or business within the meaning of this subsection.

c) Motor Vehicles. The driving, parking, standing, and storing of motor vehicles in, on or about the Project shall be governed and regulated by the parking rules and regulations adopted by the Board of Directors, as they may be amended from time to time. All garages shall be used primarily for the parking and storage of vehicles. No garage may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonably parked in the garage as originally designed and constructed. Except for purposes of loading or unloading passengers or supplies, for a period of time not to exceed twenty-four (24) hours, all Recreational,

Commercial, and Oversized Vehicles may only be stored on a Parking Pad approved in writing by the Declarant or the ARC. Anything to the contrary notwithstanding, eighteen-wheeled semi-trailers and similar oversized or commercial transportation devices are not allowed. WITHOUT ANY FURTHER NOTICE, vehicles parked in violation of the Governing Documents may be (a) immobilized, (b) towed, and/or (c) impounded by the ARC or its designee, and at the owner's sole (i) risk and (ii) expense.

d) Garbage and Refuse Disposal. No Lot shall be used as a dumping ground. All trash, garbage, debris, rubbish or other waste shall be kept in a sealed, sanitary bag or container, and stored out of sight except for a twenty-four (24) hour period on pick-up days.

e) Aerials, Antennas, and Satellite Systems. All exterior aerials, antenna and satellite dishes (collectively "antenna") must be positioned so that they are screened from view from the street. No antenna shall be erected, maintained or used in, on or about any Home, outdoors and above ground, whether attached to or on top of any building, structure, Home, or otherwise, within the Project without the prior written consent of the Declarant or ARC, which shall not be unreasonably withheld. Anything to the contrary notwithstanding, if there is a conflict between this subsection and the FCC guidelines, the latter shall in all respects govern and control. In making its decisions, the Declarant and/or ARC shall abide by and be subject to all relevant local, state and federal laws, including but not limited to all FCC guidelines, rules and regulations as they may be amended or supplemented from time to time.

f) Animals and Pets. Large animals as that term is defined by City ordinance are not allowed. No pets, animals, livestock, or poultry of any kind may be commercially bred at the Project. Up to two (2) domestic pets as that term is defined by City ordinance per Lot are allowed; provided, however, pets must be properly licensed and registered. Pets may not create a nuisance. The following acts or behaviors shall be considered a nuisance: (1) causing damage to the property of anyone other than the pet owner; (2) causing unreasonable fouling of the air by odors; (3) causing unsanitary conditions; (4) running loose throughout the Project and not in a cage or on a leash and under the control of a responsible person; (5) barking, howling, whining, or making other disturbing noises in an excessive, continuous or untimely fashion; (6) molesting or harassing passersby by lunging at them or chasing passing vehicles; (7) attacking or threatening to attack people or other domestic animals; (8) otherwise acting so as to bother, annoy or disturb the sensibilities of a reasonable person or interfering with the right of residents to the peaceful and quiet enjoyment of their property; (9) violation of City pet ordinance; and (10) the mere number of pets maintained creates an offensive or dangerous condition to the health, welfare or safety of other residents.

g) Laws. Nothing shall be done or kept in, on or about any Lot or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

h) Damage or Waste. Each Owner shall repair any damage he or any other residents, guests, or invitees of his Lot may cause to another Owner, Lot, or Home, and promptly

restore the property to its original condition.

i) Signs.

1) No signs, billboards or advertising structures or devices of any kind may be built, installed or displayed on the Property or any Lot except for a single sign with a maximum size of 2' x 2' for specific purpose of advertising the sale of a Home; provided, however, this restriction does not apply to and is not binding upon the Declarant, who may use whatever signs it deems appropriate to market its Lots.

2) "For Rent" or "For Lease" signs in the Common Area, on a Lot, or showing from a Home are strictly prohibited.

3) The Association may not prohibit the display of a U.S. flag inside a Dwelling, Unit, Lot or Limited Common Area, if the care of the flag and display is consistent with federal law. The Association may control and restrict the display of a flag in the Common Area.

4) The rights of Owners and occupants to display religious and holiday signs, symbols, and decorations on their Lots of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions regulating displays which are visible from outside the Lot.

j) Chimes and Musical Sound Makers. Chimes, dream catchers, bells, tubes or other objects hung vertically outside the Home which ring, strike or otherwise produce musical sounds or harmony heard by other residents are prohibited.

k) Zoning. All land use and buildings shall be in compliance with all zoning and land use ordinances as well as all regulations of the municipalities and agencies governing the Project land use and buildings.

l) Nuisances. No noxious or offensive activity shall be carried on, in or about the Property, nor shall anything be done or permitted thereon which may be or may become an annoyance, disturbance, bother or nuisance to the neighborhood, or which might interfere with the right of other residents to the quiet and peaceful enjoyment of their property.

m) Temporary Structures. No structure of a temporary nature or character, including but not limited to any trailer, shack, shed, tent, garage, barn or other out-building shall be used on any Lot at any time as a residence.

n) Entry Monument. If an Owner purchases a Lot which includes a common improvement, including by way of illustration but not limitation an Entry, Entry Monument, planter, planter box, planter strip, perimeter fence, wall, street light, exterior lighting or other landscaping treatment of any kind, shall, at his sole expense, maintain such common elements in good condition,

and may not improve his property or place any plant, hedge, tree, bush, shrub or object, natural or artificial, behind, to the side or in front of such improvement or feature or so as to impair, obstruct, block or impede the view or purpose of the Entry, Entry Monument or other improvement, planter box, landscaping strip, or any such special landscaping feature.

11. Leases. Each Owner agrees, by the acceptance of a deed or other document of conveyance to a Lot, that in order to maintain the value of the purchased property and the Project, the leasing and renting of Homes is subject to the following covenants, conditions and restrictions:

a) Renting rules and regulations adopted by the Board of Directors, as they may be amended from time to time.

b) No Owner may lease or rent his Home for a period of one (1) year from the date of closing.

c) No Owner shall be permitted to lease his Home for short term, transient, hotel, vacation, seasonal or corporate use purposes. For purposes of this section the term "short term" shall be considered to be any rental with an initial term of less than six (6) months. Daily or weekly rentals are expressly prohibited. No Owner may lease individual rooms to separate Persons or less than his entire Home, including by way of illustration but not limitation letting a room to domestic help or a caretaker, without the prior express written consent of the Architectural Review Committee.

d) "For Rent" or "For Lease" signs are prohibited.

e) The Architectural Review Committee must approve in writing all lease and rental agreements as to form. Any lease or rental agreement not approved or in violation of the Governing Documents shall be considered "non-conforming" and, as such, voidable by the Architectural Review Committee.

f) The Architectural Review Committee may require that Owners use lease forms, addenda, such as the Crime Free Addendum, or approved provisions, such as "the renter is subject to and bound by the Governing Documents"; and the ARC may impose a review, transfer, impact or administration fee on the lease or transfer of any Lot.

g) Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to his Home.

12. Common Expenses.

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Lots owned by it until such time as: (1) the physical structures are substantially completed; or (2) certificates of permanent occupancy are issued and the

Lots are sold or rented; or (3) Declarant elects in writing to pay the Assessments, whichever last occurs.

b) Purpose of Common Area Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Board of Directors.

c) Creation of Assessments. Since the Assessments shall pay for the common expenses of the Association, as shall be determined by the Board of Directors from time to time, each Owner, by acceptance of a deed to a Lot, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed by the Board of Directors.

d) Budget. At least thirty (30) days prior to the Annual Meeting of the Association, the Board of Directors shall prepare and deliver to the Owners a proposed Budget.

e) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Board shall prepare and deliver to the Owners a proposed Budget:

(1) Itemization. The Budget shall set forth an itemization of the anticipated Common Expenses (including that portion earmarked for the reserve account(s) and the Association's proportionate share of the cost of maintaining the Recreation Amenity) for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. The Budget shall be based upon advance estimates of cash requirements by the Board to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, including the Recreation Amenity, and regulation of the Association, which estimate shall include but is not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Board is required or permitted to maintain, common lighting and heating, common water charges, trash collection, storm drain fees, common sewer charges, sewer maintenance costs, carpeting, painting, repairs and maintenance of the Common Areas, including the Recreation Amenity, and replacement of those elements of the Common Areas, including the Recreation Amenity, that must be replaced on a periodic basis, wages for Board employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, Capital Improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

(3) Owner Disapproval. The Owners may call a special meeting within

forty-five (45) days of the meeting providing the proposed Budget to vote to disapprove the Budget, although to set it aside and to reject a proposed Budget requires the affirmative written consent of at least a majority of total ownership to reject. If the new Budget is disapproved, then the prior year's Budget continues.

f) Reserve Analysis -- Reserve Fund.

(1) As used in this section, the term "reserve analysis" means an analysis to determine: (a) the need for a reserve fund to accumulate money to cover the cost of repairing, replacing, and restoring common areas and facilities that have a useful life of three years or more, but excluding any cost that can reasonably be funded from the general budget or other funds of the Association of unit owners; and (b) the appropriate amount of any reserve fund.

(2) After the expiration of the Declarant's Period of Control, the Board of Directors shall cause a reserve analysis to be conducted no less frequently than every five (5) years; and review and, if necessary, update a previously conducted reserve analysis no less frequently than every two (2) years.

(3) The Board of Directors may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board of Directors, to conduct the reserve analysis.

(4) The Board of Directors may not use money in a reserve fund: (i) for daily maintenance expenses, unless a majority of the members of the Association vote to approve the use of reserve fund money for that purpose; or (ii) for any purpose other than the purpose for which the reserve fund was established.

(5) The Board of Directors shall maintain a reserve fund separate from other funds of the Association.

(6) This Subsection (4) may not be construed to limit the Board of Directors from prudently investing money in a reserve fund provided it is government insured.

(7) The Association shall: (a) annually, at the annual meeting of the Association or at a special meeting of the Association: (i) present the reserve study; and (ii) provide an opportunity for Unit Owners to discuss reserves and to vote on whether to fund a reserve fund and, if so, how to fund it and in what amount; (b) prepare and keep minutes of each meeting so held and indicate in the minutes any decision relating to funding a reserve fund; provided, however, and anything to the contrary notwithstanding, the Association shall fund and maintain a reserve account sufficient to satisfy the requirements for certification by the US Department of Housing and Urban Development.¹

¹ Currently HUD requires a 10% reserve fund and a 10% contribution from annual assessments as they accrue.

(8) Anything to the contrary notwithstanding, this subsection (i) does not apply to an Association during the Period of Declarant's Control.

g) Apportionment. The voting rights shall be distributed among and the Common Expenses shall be charged equally and uniformly to all of the Owners.

h) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the Owners. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Board of Directors fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

i) Payment of Assessments. The Board of Directors has the sole authority and discretion to determine how and when the annual Assessments are paid.

j) Additional Services. The Board of Directors may but is not obligated to add to the Assessment of any particular Lot or Owner additional charges for individual services offered or provided, not a Common Expense.

k) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Lot pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Lot; (2) the Owner of record in the offices of the County Recorder of Washington County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

l) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Board of Directors may from time to time effect an equitable change in the amount of said payments. Owners shall be given at least thirty (30) days written notice of any changes.

m) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Board of Directors.

n) Reallocation of Unpaid Assessments. If because of the foreclosure of a property and/or an Owner filing of bankruptcy and the surrender of his property the Association is required to write off an account during the course of any calendar year, the Board of Directors may

elect without any further approval to allocate the loss and re-allocate the unpaid Assessments among all of the Owners according to their percentages of ownership interest upon at least thirty (30) days prior written notice to the Owners.

o) Acceleration. The Board of Directors may but is not obligated to accelerate the entire annual Assessment of a delinquent Owner who has not cured his default within thirty (30) days after written notice.

p) Statement of Assessments Due. Upon written request, the Board of Directors shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed the amount authorized by statute.

q) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments and each Owner, by accepting a deed or other document of conveyance to a Lot, waives his right to claim his homestead exemption has priority.

r) Suspension of Right to Vote for Non-Payment. At the discretion of the Board of Directors, the right of an Owner to vote on issues concerning the Association may be suspended for up to ninety (90) days if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

13. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Board of Directors Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Lot in any one fiscal year (the "Special Assessment Limit"), the Board of Directors may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Board of Directors in its discretion may allow any special assessment to be paid in installments.

15. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Board of Directors shall have the power and authority to assess an Owner in a particular area as follows:

(a) Benefit only To Specific Lot. If the expense benefits less than all of the Lots, then those Lots benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Lots according to the benefit received.

(b) Unequal or Disproportionate Benefit.

(1) If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Lots according to the benefit received.

(2) Failure of the Board of Directors to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board of Directors's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board of Directors has not previously exercised its authority under this Section.

14. Individual Charges. Individual Charges may be levied by the Board of Directors against a Lot and its Owner and shall be due not earlier than thirty (30) days after written notice.

15. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Lot, regardless of whether a written notice is recorded.

b) Late Fees. A late fee in a sum to be determined by the Board of Directors shall be assessed on all late payments. A payment received by the Board of Directors ten (10) days or more after its due date shall be considered late for purposes of this subsection.

c) Default Interest. Default interest in a sum to be determined by the Board of Directors shall accrue on all delinquent accounts.

d) Lien. If any Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Board of Directors or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Lot in favor of any assessing Lot or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

e) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Board of Directors, institute suit to collect the amounts due and/or to foreclose the lien judicially or non-judicially in accordance with the following provisions.

f) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

g) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Lot.

h) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board of Directors to take some action or perform some function required to be taken or performed by the Association or Board of Directors under this Declaration or the ByLaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

i) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

j) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(1) A Lot may be auctioned publically and sold through either a non-judicial foreclosure (like a bank foreclosing a deed of trust) or through judicial foreclosure. A court order of sale is required for a judicial foreclosure which includes a 6-month redemption period.

(2) For purposes of a non-judicial foreclosure, when a person accepts a deed or other document of conveyance to a Lot, it is considered the same, like a bank and a deed of

trust, as conveying the Lot in trust to as trustee² appointed by the Association to secure payment of all assessments and costs of collection.

(3) The Association must appoint a qualified trustee, by signing and recording in the office of the county recorder a written substitution of trustee form in order to foreclose upon a Lot non-judicially.³

(4) At least thirty (30) days prior to starting its non-judicial foreclosure, the Association must send written notice to the Owner informing him or her of the Association's intent to foreclose non-judicially and the Owner's right to demand judicial foreclosure. The notice must be in the form provided by the statute and sent by certified mail.⁴ The Owner may object to the non-judicial foreclosure by sending a written demand for judicial foreclosure. The Owner's objection and written demand must be sent within fifteen (15) days. The Owner's objection and written demand must also be sent by certified mail.

(5) The Association may not use a non-judicial foreclosure to enforce a lien if the Owner mails the Association a written demand for judicial foreclosure: (a) by U.S. mail, certified with a return receipt requested; (b) to the address stated in the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure under Subsection (4); and (c) within fifteen (15) days after the date of the postmark on the envelope of the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure.

(6) The Association must follow the provisions of the law applicable to the non-judicial foreclosure of deeds of trust.

2 Bank, Title Company or Utah attorney

3 No redemption period. A notice of default is prepared and recorded. The Owner has 90 days to cure the default or the Unit may be sold by the Trustee. The notice of sale usually takes 30+ days. A non-judicial foreclosure takes approximately 120 days.

4 NOTICE OF NONJUDICIAL FORECLOSURE AND RIGHT TO DEMAND JUDICIAL FORECLOSURE

The (insert the name of the Association of unit owners), the Association for the project in which your unit is located, intends to foreclose upon your unit and allocated interest in the common areas and facilities using a procedure that will not require it to file a lawsuit or involve a court. This procedure is being followed in order to enforce the Association's lien against your unit and to collect the amount of an unpaid assessment against your unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. Alternatively, you have the right to demand that a foreclosure of your property be conducted in a lawsuit with the oversight of a judge. If you make this demand and the Association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that "I demand a judicial foreclosure proceeding upon my unit", or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within fifteen (15) days after the date of the postmark on the envelope in which this notice was mailed to you. The address to which you must mail your demand is (insert the address of the Association of unit owners for receipt of a demand).

k) Appointment of Trustee. If the Board of Directors elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein. The Association shall record in the office of the county recorder a written Notice of Appointment of Trustee.

l) Limited Duty to Pay Assessments - Foreclosure. Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Lot pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Lot in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Lot for its share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

m) Termination of Utilities and Right to Use Amenities for Non-Payment of Assessments.

1) If an Owner fails or refuses to pay any assessment when due, the Board of Directors may (a) terminate the Owner's right to receive utility services paid as a common expense; and (b) terminate the Owner's right of access and use of recreational facilities., after giving notice and an opportunity to be heard.

2) Before terminating utility services or right of access and use of recreational facilities, the manager or Board of Directors shall give written notice to the Owner in the manner provided in the Declaration, ByLaws, or association rules. The notice shall state:

(a) utility services or right of access and use of recreational facilities will be terminated if payment of the assessment is not received within the time provided in the Declaration, ByLaws, or association rules, which time shall be stated and be at least 48 hours;

(b) the amount of the assessment due, including any interest or late payment fee; and

(c) the right to request a hearing.

3) An Owner who is given such notice may request an informal hearing to dispute the assessment by submitting a written request to the Board of Directors within 14 days from the date the notice is received. A notice shall be considered received on the date (a) it is hand delivered, (b) it is delivered by certified mail, return receipt requested, or (c) five (5) days after it is deposited in the U.S. Mail, postage prepaid, addressed to the Owner's last known address on the books and records of the Association

4) The hearing shall be conducted in accordance with the standards provided in the Declaration, ByLaws, or association rules.

5) If a hearing is requested, utility services or right of access and use of recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been entered.

6) Upon payment of the assessment due, including any interest or late payment fee, the manager or Board of Directors shall immediately take action to reinstate the terminated utility services to the Lot and right to use of recreational facilities.

n) Assignment of Rents.

1) If the Owner of a Lot who is leasing the Lot fails to pay any assessment for a period of more than 60 days after it is due and payable, the Board of Directors may demand the tenant to pay to the association all future lease payments due the Owner, commencing with the next monthly or other periodic payment, until the amount due to the association is paid; provided, however, the manager or Board of Directors must give the Owner written notice, in accordance with the Declaration, ByLaws, or association rules, of its intent to demand full payment from the tenant. This notice shall:

(a) provide notice to the tenant that full payment of remaining lease payments will commence with the next monthly or other periodic payment unless the assessment is received within the time period provided in the Declaration, ByLaws, or association rules;

(c) state that any costs of collection, not to exceed \$150, and other assessments that become due may be added to the total amount due; and

(d) provide the requirements and rights described herein.

2) If the Owner fails to pay the amount of the assessment due by the date

specified in the notice, the manager or Board of Directors may deliver written notice to the tenant, in accordance with the Declaration, ByLaws, or association rules, that demands future payments due to the Owner be paid to the association pursuant hereto. A copy of the notice must be mailed to the Owner at his last known address as shown on the books and records of the Association. The notice provided to the tenant must state:

(a) that due to the Owner's failure to pay the assessment within the time period allowed, the Owner has been notified of the Board of Directors's intent to collect all lease payments due to the association pursuant hereto.

(b) that until notification by the association that the assessment due, including any interest or late payment fee, has been paid, all future lease payments due to the Owner are to be paid to the association; and

(c) payment by the tenant to the association in compliance herewith will not constitute a default under the terms of the lease agreement. If payment is in compliance with this Subsection (6) suit or other action may not be initiated by the Owner against the tenant for failure to pay.

3) All funds paid to the association pursuant hereto shall be deposited in a separate account and disbursed to the association until the assessment due, together with any cost of administration which may not exceed \$25, is paid in full. Any remaining balance must be paid to the Owner within five business days of payment in full to the association.

4) Within five business days of payment in full of the assessment, including any interest or late payment fee, the manager or Board of Directors must notify the tenant in writing that future lease payments are no longer due to the association. A copy of this notification must be mailed to the Owner.

5) As used in this section, the terms "lease" or "leasing" shall mean and refer to regular, exclusive occupancy of a Lot by any person or persons, other than the Owner, for which the Owner receives any consideration or benefit, including a fee, service, gratuity, or emolument.

The buyer or seller of a lot shall pay to the Association at the time of closing or settlement of the sale of said lot a Reinvestment Fee in a sum to be determined by the Board of Directors. - (2) Including the notarized signature of the Association's authorized representative;
- (3) Stating that the burden of the Reinvestment Fee Covenant is intended to run with the land and to bind successors in interest and assigns;
- (4) Stating that the existence of the Reinvestment Fee Covenant precludes the imposition of an additional Reinvestment Fee Covenant on the lot ;
- (5) Stating the duration of the Reinvestment Fee Covenant;
- (6) Stating the purpose of the Reinvestment Fee to be paid under the Reinvestment Fee Covenant; and
- (7) Stating that the Reinvestment Fee required to be paid under the Reinvestment Fee Covenant is required to benefit the lot.

The notice shall comply with the requirements of Utah Code Ann., Section 57-1-46(6) (2010) as amended or supplemented.

Funds in the reserve account or accounts may not be used for litigation.

d) The Board of Directors shall prepare and update from time to time a written Reinvestment Covenant Fee Reserve Account Analysis, and make the report available to the Owners.

e) This Section may not be amended without the express prior written consent of the Declarant, so long as it owns at least one lot in the Project and for five years after the date of the conveyance of the last lot.

17. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Lot. Each Lot's share of the working capital fund shall be collected and transferred to the Board of Directors at the time of closing of the sale of each Lot by Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Lot shall be paid to the Board of Directors at the time such Lot is first occupied for residential purposes or a certificate of permanent occupancy is issued, whichever first occurs. With respect to each Lot for which the Declarant pays the contribution to the working capital fund, the Declarant shall be reimbursed for such contribution by the buyer of such Lot at the time of closing. The purpose of the working capital fund is to insure that the Board of Directors will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Board of Directors may continue the working capital fund by charging a reasonable transfer or impact fee when Lots are sold or rented.

b) In addition, Declarant may provide water and power utility services to the Entry, Entry Monument and other common elements at its expense (the "Entry Utility Service"). Such Common Utility Service shall be maintained and paid for by the Association as a Common Expense; provided, however, the Declarant (or the Association) may elect to provide such Entry Utility Services through a meter or meters on an individual Lot or Lots and, if so, each such Owner agrees, by accepting a deed or other document of conveyance to such Lot, to provide, and not terminate, delay or interrupt, those Entry Utility Services to the Entry, Entry Monument or other common elements not separately metered and billed to the Association by the provider, although in such circumstance the Owner of each such Lot shall be entitled to the following credits: a) A monthly credit an amount equal to the difference between the water bill for each such Lot and the average water bill for all of the other Lots in the Project; and (b) A monthly credit in an amount equal to the greater than an amount recommended as "fair" by Rocky Mountain Power, its successor

No Owner or occupant shall interfere or attempt to interfere with the completion of improvements, promotion and/or sale of Lots owned by Declarant or Homes constructed thereon. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Homes at any one time. Such office and/or models may be one or more of the Homes owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing. Any Mortgage covering all Lots or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

(1) Any express provisions, restrictions and limitations in the Declaration;

⁵ The business judgment rule is a presumption of the law that the governing board is acting in best interest of the Association and, as a result, the decisions it makes are protected from judicial review in the event there is a loss or the decision turns out to be wrong, so long as the board did not violate its fiduciary duty to act in good faith and not commit a fraud, self-deal or have a conflict of interest, essentially, not to be guilty of intentional misconduct.

(3) The right of Owners to notice and to disapprove.

b) Before it adopts or changes a rule or regulation, the Board of Directors must provide the Owners within **fifteen (15) days** of its meeting advance notice of its intention. Notice is not required in an emergency.⁶ The governing board must provide an open forum at a board meeting and provide Owners with a chance to be heard. The Owners may, within sixty (60) days, and by a vote of at least a majority of the total ownership at a special meeting called for this purpose disapprove the proposed rule or regulation.⁷

c) Equal Treatment; Rule Limitations.

(1) The rules must treat similarly situated people the same, although the rules may vary according to the type of service provided.

(3) The rules may not regulate the content of political signs, although the Rules may define the time, place, and manner of displays visible from outside the Dwelling or Lot.

(4) The rules may not interfere with an Owner's determination of the composition of his or her household, although they may legally require the occupants to be members of a single housekeeping unit and may limit the total number of occupants permitted in a Dwelling, Unit based its size, configuration and a fair use of the common areas.

(5) The rules may not interfere with activities within a Lot or Dwelling Unit if the activity is legal. Limits may be made if the activities are not considered typical for a residential neighborhood, or if the activities create an additional expense for the Association, or if the activities are dangerous or pose a health concern, or if the activities constitute a nuisance, create unreasonable noise or traffic, or are unsightly or annoying, or create secondary smoke issues.

(6) If federal, state or local law permits, rules may be adopted regulating use or behavior inside a Dwelling or Lot, including by way of illustration but not limitation smoking, rentals, noise, traffic and nuisance.

(7) The rules may address a variety of matters such as user fees, the availability of the Common Area and Facilities, the denial of access and use of recreational amenities

(8) The rules may regulate the maintenance and use of the Common Area and Facilities, late fees, accruing interest, indemnity, etc.

(9) No rule may be in conflict, inconsistent or incongruent with the Declaration and Bylaws. If any provision of this subsection is held to be illegal, invalid, or unenforceable under any present or future law, then that provision will be fully severable. This subsection will be construed and enforced as if the illegal, invalid, or unenforceable provision had never comprised a part hereof, and the remaining provisions of this subsection will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this subsection. Furthermore, in lieu of each such illegal, invalid, or unenforceable provision, there will be added automatically, as a part of this subsection, a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

23. Providing Payoff Information.

a) The Association may charge a fee for providing Association payoff information needed in connection with the closing of an Owner's financing, refinancing, or sale of the Owner's Lot (the "Payoff Fee").

b) The Association may not require that the Payoff Fee be paid before closing and the Payoff Fee may not exceed \$50 without a change in the statute.

c) If the Association fails to provide the payoff information requested within five (5) business days after the closing agent requests the information may not enforce a lien against that Lot for money due to the Association at closing; provided, however, a request shall not be considered effective unless the request is conveyed in writing to the designated contact person for the Association on record with the State of Utah and contains: (1) the name, telephone number, and address of the person making the request; and (2) the facsimile number or email address for delivery of the payoff information; and (3) is accompanied by a written consent for the release of the payoff information: (a) identifying the person requesting the information as a person to whom the payoff information may be released; and (b) signed and dated by an Owner of the Lot for which the payoff information is requested.

The term *shall* is mandatory and the term *may* is

permissive. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

25. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, all other signatories hereto, all parties who hereafter acquire any interest in a Lot, the Project or the Property, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

26. Enforcement and Right to Recover Attorneys Fees. Should the Declarant, Association, Board of Directors, ARC or an aggrieved Owner be required to take action to interpret or enforce the Governing Documents or to pursue any remedy provided hereunder or by applicable law, including a claim for injunctive relief or damages, whether such remedy is pursued by filing suit or otherwise, the prevailing party shall be entitled to recover his reasonable attorneys fees, costs and expenses which may arise or accrue, regardless of whether a lawsuit is filed.

27. Limitation of Liability. This Declaration of covenants, conditions and restrictions is established for the benefit of the Property and the Owners. Any damage, loss, claim or liability which might arise due to any decision, act, or failure to act of Declarant or its agents, representatives and employees shall be exempt from any civil claim or action, including an action for negligence, brought by any person owning or having an interest in any Lot.

28. Indemnification. By acceptance of a deed or other document of conveyance to a Lot, each Owner hereby agrees to and shall save, indemnify and hold those neighbors volunteering and serving on the Board of Directors, Architectural Review Committee or any sub-committee harmless from any and all liability, loss or damage they may suffer as a result of claims, demands, costs, judgments or awards against them arising from their service on the Architectural Review Committee, including negligence. This indemnity is not intended to cover intentional misconduct.

29. Mortgagee Protection.

a) Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value.

b) On any proposed action which would require the consent of a specified percentage of Eligible Mortgagees, if proper notice is given to a Mortgagee or other creditor, then a legal presumption is created that the Mortgagee and/or creditor consented to the proposal, absent the

delivery of a written objection.

30. Business Judgment. The Board of Directors may exercise its business judgment in deciding whether to impose sanctions or pursue legal action against violators and shall consider common concerns when taking or deciding not to take formal action, such as a weak legal position, conflict with current law, technical violations, minor or collateral issue, and whether or not it is in Association's best interests to pursue the matter and, if so, to what extent.

31. Electronic and Other Formal Notice Options. Anything to the contrary notwithstanding, when notice is required fair and reasonable notice must be provided. Notice given in accordance with the provisions of the Revised Nonprofit Corporations Act or notice by text message, e-mail, text message, the Association website, or other electronic notice shall be considered fair and reasonable notice; provided, however an Owner may by making a written demand to the Association require written notice.

32. Allocation of Profits, Losses and Voting Rights.

a) Voting rights shall be distributed among the Lots equally, subject to subparagraph (b) below. The voting interest of each Lot shall have a permanent character and shall not be altered without the express affirmative consent of at least two-thirds (2/3) of the Lots memorialized in an amendment to the Declaration duly recorded.

b) Anything to the contrary notwithstanding, the Project shall have two (2) classes of voting memberships -- Class A and Class B, described more particularly as follows:

1) Class A Members shall be all Owners with the exception of the Class B Members, if any.

2) Class A Members shall be entitled to vote on all issues before the Project as follows:

(a) Each Lot shall have one (1) vote;

(b) No vote shall be cast or counted for any Lot not subject to assessment;

(c) When more than one person or entity holds such interest in a Lot, the vote for such Lot shall be exercised as those persons or entities themselves determine and advise the Owners prior to any meeting. In the absence of such advice, the vote of the Lot shall be suspended in the event more than one person or entity seeks to exercise it.

(d) Any Owner who has leased his Lot may, in the lease or other written instrument, assign the voting right appurtenant to that Lot to the lessee, provided that a copy of such

instrument is furnished to the Owners prior to any meeting.

3) Class B Member shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Lots, and who is designated as such in a recorded instrument executed by Declarant.

(a) The Class B Member shall originally be entitled to three (3) votes per Lot owned.

(b) The Class B voting membership and the Class B Control Period shall terminate, and Class B voting membership shall convert to Class A voting membership upon the happening of the earlier of the following (which is hereinafter referred to as the "Event" or "Events"): (1) After all of the Lots have been sold or (2) when, in its sole discretion, Declarant so determines and records a written "Notice of Termination of Class B Control Period", whichever first occurs. From and after the happening of these Events, whichever occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Lot owned.

33. Amendment of this Declaration.

a) General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the annexation or withdrawal of land, any amendment to this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the Total Votes cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting. Any amendment authorized pursuant to this section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the legal representative of the Owners. In such instrument the legal representative shall certify that the vote required by this section for amendment has occurred.

b) Initial Declarant Right to Amend. The Declarant may unilaterally amend or terminate this Declaration so long as it owns any of the Property.

c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any Lot unless any such Owner shall consent thereto in writing.

d) Declarant's Right to Amend Unilaterally Prior to Termination of Declarant's

Right to Control. Prior to the expiration of the Period of Declarant's Control, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such Amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the consent of the affected Owner.

e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Lots, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of a written Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the change, modification or amendment requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Lots and all persons having an interest therein. It is the desire of Declarant to retain control of the Project and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Declarant, Declarant shall have the unilateral right to amend this Declaration to restore such control.

f) Declarant's Rights. No provision of this Declaration reserving or granting to Declarant the Developmental Rights shall be amended without the prior express written consent of Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Declarant's sole and exclusive discretion.
