If a drainage channel is altered by an Owner, the Declarant and/or the Association expressly reserve the right to enter onto the property to restore the area at the cost of the Owner, and without being guilty of a trespass.

In the event of a conflict or disagreement, the selection of a professional manager or management company by the Recreation Association shall be conclusive, final and binding. The Manager shall prepare and send to the Owners all billing statements and/or invoices for their share of the Common Expenses which shall include all Assessments due, including by way of illustration but not limitation any and all Assessments unique to this Project, the Recreation Assessment, and any Individual Charges. The term "emergency" as used here means a situation or condition in which there is a threat of imminent and substantial harm to person or property. f) Alterations to the Common Area. The Successor Declarant may make changes to the design and construction of the improvements located in or on the Common Area without additional approval required, including without limitation the consent of the Board of Directors or Members of the Association; provided, however, no Owner may make any structural

(2) Basis. The Budget shall be based upon advance estimates of cash requirements by the Board to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, including the Recreation Amenity, and regulation of the Association, which estimate shall include but is not limited to expenses of management, grounds maintenance, taxes and special assessments,

(3) The Owners may call a special meeting within forty-five (45) days of the meeting providing the proposed Budget to vote to disapprove the Budget, although to set it aside and to reject a proposed Budget requires the affirmative written consent of at least a majority of total ownership to reject. If the new budget is disapproved, then the prior year's budget continues.

(f) Apportionment. The common profits, losses and voting rights of this Project shall be distributed among and the common expenses shall be charged equally to the Lot Owners.

(g) Approval of Budget and Assessments. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Board of Directors fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

(h) Additional Services. The Board of Directors may but is not obligated to add to the Assessment of any particular Lot or Lot Owner additional charges for individual services offered or provided, not a Common Expense.

(i) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Lot pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Lot; (2) the owner of record in the offices of the County Recorder of Salt Lake County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

(j) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Board of Directors may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

(k) Corrective Assessment. If because of foreclosure, bankruptcy or other good cause, Lots are fail or are unable to pay their Assessments, the Board of Directors may to recoup the shortage upon thirty (30) days prior notice charge a Corrective Assessment, which shall be divided among all of the Lots based upon their percentages of ownership.

(2) After the expiration of the Declarant's Period of Control, the Management Committee shall cause a reserve analysis to be conducted no less frequently than every five (5) years; and review and, if necessary, update a previously conducted reserve analysis no less frequently than every two (2) years.

(3) The Management Committee may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Management Committee, to conduct the reserve analysis.

(4) The Management Committee may not use money in a reserve fund: (i) for daily maintenance expenses, unless a majority of the members of the Association vote to approve the use of reserve fund money for that purpose; or (ii) for any purpose other than the purpose for which the reserve fund was established.

(5) The Management Committee shall maintain a reserve fund separate from other funds of the Association.

(6) This Subsection (4) may not be construed to limit the Management Committee from prudently investing money in a reserve fund provided it is government insured.

(7) The Association shall: (a) annually, at the annual meeting of the Association or at a special meeting of the Association: (i) present the reserve study; and (ii) provide an opportunity for Lot Owners to discuss reserves and to vote on whether to fund a

reserve fund and, if so, how to fund it and in what amount; (b) prepare and keep minutes of each meeting so held and indicate in the minutes any decision relating to funding a reserve fund; provided, however, and anything to the contrary notwithstanding, the Association shall fund and maintain a reserve account sufficient to satisfy the requirements for certification by the US Department of Housing and Urban Development.⁵

(8) Anything to the contrary notwithstanding, this subsection (l) does not apply to an Association during the Period of Declarant's Control.

(m) Acceleration. Assessments shall be paid in the manner and on dates fixed by the Board of Directors who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for delinquent Owners. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Board of Directors otherwise decides acceleration is not in its best interest, the Board of Directors, at its option and in its sole discretion, may elect to decelerate the obligation.

(n) Statement of Assessments Due. Upon written request, the Board of Directors shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

(o) Providing Payoff Information.

(1) The Association may charge a fee for providing Association payoff information needed in connection with the closing of a Lot Owner's financing, refinancing, or sale of the Owner's Lot (the "Payoff Fee").

(2) The Association may not require that the Payoff Fee be paid before closing and the Payoff Fee may not exceed \$50 without a change in the statute.

(3) If the Association fails to provide the payoff information requested within five (5) business days after the closing agent requests the information may not enforce a lien against that Lot for money due to the association at closing; provided, however, a request shall not be considered effective unless the request is conveyed in writing to the designated contact person for the Association on record with the State of Utah and contains: (1) the name, telephone number, and address of the person making the request; and (2) the facsimile number or email address for delivery of the payoff information; and (3) is accompanied by a written consent for the release of the payoff information: (a) identifying the person requesting the information as

⁵ Currently HUD requires a 10% reserve fund and a 10% contribution from annual assessments as they accrue.

a person to whom the payoff information may be released; and (b) signed and dated by an Owner of the Lot for which the payoff information is requested.

(p) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments each Owner by accepting a deed or other document of conveyance to a Lot hereby waives.

(q) Suspension of Right to Use Amenities for Non-Payment. At the discretion of the Board of Directors, the right to use any amenities in this Project may be suspended if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

(r) Suspension of Right to Vote for Non-Payment. At the discretion of the Board of Directors, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

24. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Board of Directors Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Lot in any one fiscal year (the "Special Assessment Limit"), the Board of Directors may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Board of Directors in its discretion may allow any special assessment to be paid in installments.

23. Capital Improvements. All expenses for capital improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Board of Directors Discretion/Expenditure Limit. Any capital improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Board of Directors alone (the "Capital Improvement Ceiling").

b) Owner Approval/Expenditure Limit. Any capital improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the Owners.

c) Owner Approval/Changing the Nature of the Project. Any capital improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the Owners.

25. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Board of Directors shall have the power and authority to assess an Owner in a particular area as follows:

(a) Benefit only To Specific Lot. If the expense benefits less than all of the Lots, then those Lots benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Lots according to the benefit received.

(b) Unequal or Disproportionate Benefit. If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Lots according to the benefit received.

Failure of the Board of Directors to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board of Directors's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board of Directors has not previously exercised its authority under this Section.

25. Individual Charges. Individual Charges may be charged by the Board of Directors against a Lot and its Owner and shall be due not earlier than thirty (30) days after written notice.

26. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

(a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Lot, regardless of whether a written notice is recorded.

(b) Late Fees. The Board of Directors may charge a reasonable late fee. A payment received by the Board of Directors ten (10) days or more after its due date shall be considered late for purposes of this subsection.

(c) Default Interest. The Board of Directors may charge interest on all delinquent accounts. A delinquent account is an account that is thirty (30) days or more in arrears.

(d) Lien. If any Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Board of Directors or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Lot in favor of any assessing Lot or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

(e) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Board of Directors, institute suit to collect the amounts due and/or to foreclose the lien judicially or non-judicially.

(f) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

(g) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Area or the abandonment of his Lot.

(h) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board of Directors to take some action or perform some function required to be taken or performed by the Association or Board of Directors under this Declaration or the ByLaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

(i) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments unless otherwise determined by the Board of Directors.

(j) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the

Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(1) A Lot may be auctioned publically and sold through either a non-judicial foreclosure (like a bank foreclosing a deed of trust) or through judicial foreclosure. A court order of sale is required for a judicial foreclosure which includes a 6-month redemption period.

(2) For purposes of a non-judicial foreclosure, when a person accepts a deed or other document of conveyance to a Lot, it is considered the same, like a bank and a deed of trust, as conveying the Lot in trust to as trustee⁶ appointed by the Association to secure payment of all assessments and costs of collection.

(3) The Association must appoint a qualified trustee, by signing and recording in the office of the county recorder a written substitution of trustee form in order to foreclose upon a Lot non-judicially.⁷

(4) At least thirty (30) days prior to starting its non-judicial foreclosure, the Association must send written notice to the Owner informing him or her of the Association's intent to foreclose non-judicially and the Owner's right to demand judicial foreclosure. The notice must be in the form provided by the statute and sent by certified mail.⁸

⁶ Bank, Title Company or Utah attorney

⁷ No redemption period. A notice of default is prepared and recorded. The Owner has 90 days to cure the default or the Unit may be sold by the Trustee. The notice of sale usually takes 30+ days. A non-judicial foreclosure takes approximately 120 days.

⁸ **Error! Main Document Only.**NOTICE OF NONJUDICIAL FORECLOSURE AND RIGHT TO DEMAND JUDICIAL FORECLOSURE

The (insert the name of the association of unit owners), the association for the project in which your unit is located, intends to foreclose upon your unit and allocated interest in the common areas and facilities using a procedure that will not require it to file a lawsuit or involve a court. This procedure is being followed in order to enforce the association's lien against your unit and to collect the amount of an unpaid assessment against your unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. Alternatively, you have the right to demand that a foreclosure of your property be conducted in a lawsuit with the oversight of a judge. If you make this demand and the association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that "I demand a judicial foreclosure proceeding upon my unit", or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within fifteen (15) days after the date of the postmark on the envelope in which this notice was mailed to you. The address to which you must mail your demand is (insert the address of the association of unit owners for receipt of a demand).

The Owner may object to the non-judicial foreclosure by sending a written demand for judicial foreclosure. The Owner's objection and written demand must be sent within fifteen (15) days. The Owner's objection and written demand must also be sent by certified mail.

(5) The Association may not use a non-judicial foreclosure to enforce a lien if the Owner mails the Association a written demand for judicial foreclosure: (a) by U.S. mail, certified with a return receipt requested; (b) to the address stated in the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure under Subsection (4); and (c) within fifteen (15) days after the date of the postmark on the envelope of the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure.

(6) The Association must follow the provisions of the law applicable to the non-judicial foreclosure of deeds of trust.

(k) Appointment of Trustee. If the Board of Directors elects to foreclose the lien nonjudicially in the same manner as nonjudicial foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. The Association shall record a written "Notice of Appointment of Trustee". In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

(l) Attorney in Fact. Each Owner by accepting a deed to a Lot hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Lot, if the Lot is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

(m) Lenders, Foreclosures and Unpaid Assessments. Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Lot pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Lot in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Lot for its share of the Common Expenses up to the time of

the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

(n) Termination of Utilities and Right to Use Amenities for Non-Payment of Assessments. If an Owner fails or refuses to pay any assessment when due, the Board of Directors may (a) terminate the Owner's right to receive utility services paid as a common expense; and (b) terminate the Owner's right of access and use of recreational facilities., after giving notice and an opportunity to be heard. Before terminating utility services or right of access and use of recreational facilities, the manager or Board of Directors shall give written notice to the Owner. Upon payment of the assessment due, including any interest or late payment fee, the manager or Board of Directors shall immediately take action to reinstate the terminated utility services to the Lot and right to use of recreational facilities.

(o) Assignment of Rents. If the Owner of a Lot who is leasing the Lot fails to pay any Assessment for a period of more than sixty (60) days after it is due and payable, the Board of Directors may demand the tenant to pay to the association all future lease payments due the Owner, commencing with the next monthly or other periodic payment, until the amount due to the association is paid; provided, however, the manager or Board of Directors must give the Owner written notice. When the account is current the Association shall notify the tenant in writing that future lease payments are no longer due to the Association. A copy of this notice must be mailed to the Owner. The terms "lease" or "leasing" shall mean and refer to regular, exclusive occupancy of a Lot by any person or persons, other than the Owner, for which the Owner receives any consideration or benefit, including a fee, service, gratuity, or emolument.

27. Liability of Board of Directors. The Association shall indemnify every officer and member of the Board of Directors against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Board of Directors in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer or member of the Board of Directors. The officers and members of the Board of Directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Board of Directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Board of Directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Board of Directors free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Board of Directors, or former officer or member of the Board of Directors, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

28. Insurance. This section applies to all insurance policies for the Association and Owners issued or renewed after **July 1, 2011**, regardless of when the Association was formed.⁹

(a) Property and Liability Insurance Required.

(1) The Association must maintain, to the extent reasonably available, property insurance on physical structures of all attached dwellings, Limited Common Area and Common Area.

(2) The Association must maintain to the extent reasonably available adequate Liability Insurance for the Common Areas and Facilities.

(3) If property or liability insurance is not available, then the Association must notify Owners within seven (7) days.

(4) The Association may but is not required to carry other types of insurance.

(5) An Owner's act or omission may not void a policy.

(b) Property Insurance. The Property Insurance, which shall include all Common Areas and Facilities, must be provided by blanket coverage (as opposed to a schedule listing each Building separately) and may not be less than 100% of the full replacement cost, which must be reviewed at each renewal.

(1) The Property Insurance shall include coverage for any and all fixtures, improvements, or betterments installed by an Owner, floor coverings, cabinets, heating and plumbing fixtures, paint, wall coverings, windows, and any item permanently attached to a dwelling.

(2) The Association is not required to insure a Unit if the Lot is not physically attached to another Unit.

(3) When the Association has a master policy of Property Insurance and the Owner also has Property Insurance, the Association's insurance shall be considered **primary**; provided, however, the Owner's insurance applies and the Owner's insurance policy is considered the primary coverage up to the amount of the master policy deductible. If the Owner has no insurance, the he or she is personally responsible for the loss up to the amount of the deductible.

⁹ If this project includes detached single family dwellings, then the lot owner of each said dwelling/structure shall be required to insure his or her home.

(4) If two (2) or more Owners suffer loss in a single event, they are each responsible for payment of a portion of the Association's deductible based on the percentage of the loss they each suffered.

(5) If an Owner does not pay his or her share of the loss, the Association may levy an Assessment against the Owner and his or her Lot in a sum equal to his or her share of the loss.

(6) The Association must set aside in escrow an amount equal to the amount of the master policy deductible or \$10,000, whichever is less.

(7) The Association must give notice to all Owners of their obligation to pay the Association's deductible. The Association shall also give notice of any change in the amount of the deductible. Failure to give such notice may require the Association to be responsible to pay what could have been assessed to the Owner.

(8) The Association is not required to submit a claim to the Association's insurance carrier if the Management Committee determines that the amount of the claim is likely not to exceed the amount of the Association's insurance deductible.

(9) The insurer for the master policy shall adjust with the Association a loss covered under the association's policy.

(10) The Association receives insurance payments in trust for the owners and insurance proceeds received by the Association must first be disbursed for the repair or restoration of the damaged property.

(c) **Liability Insurance.** The Association shall obtain a public liability policy covering the Common Area and Facilities, sewer laterals, including the backup of sewer laterals, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have coverage limits common to this area for this kind of project in the opinion of an independent insurance agent but not less than a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection. The Association may insure for more than this but not less. Each Owner is an insured person under the Association's liability policy that insures an owner's interest against liability arising from the Common Area or membership in the Association.

(d) **Damage to a Portion of the Project- Insurance Proceeds.** Repairs must be done within a reasonable amount of time. If the associated expenses to repair are in excess of the insurance proceeds, such costs will be considered a Common Expense.

(e) Miscellaneous.

(1) The Association may but is not obligated to purchase additional endorsements or coverage, including by way of illustration but not limitation, directors and officers insurance, a fidelity bond, earthquake insurance.

(2) For those rare situations that may occur; such as dealing with a project that is terminated and distributions to lien holders and Owners if the Project is destroyed, the provisions of the Utah Community Association Act shall in all instances govern and control.

(3) If any provision of this Section is held to be (a) inconsistent, incongruent or in conflict with the insurance requirements as set forth in the Utah Community Association Act or (b) illegal, invalid, or unenforceable under any present or future law, then that provision will be fully severable. This Section will be construed and enforced as if the (a) inconsistent, incongruent or in conflict with the insurance requirements as set forth in the Act or (b) illegal, invalid, or unenforceable provision had never comprised a part hereof, and the remaining provisions of this Section will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Section. Furthermore, in lieu of each such (a) inconsistent, incongruent or in conflict with the insurance requirements as set forth in the Act or (b) illegal, invalid, or unenforceable provision, there will be added automatically, as a part of this Section, a provision as similar in terms to such (a) inconsistent, incongruent or in conflict with the insurance requirements as set forth in the Act or (b) illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

(4) THE ASSOCIATION IS NOT OBLIGATED TO SUBMIT A CLAIM TO ITS PROPERTY INSURANCE CARRIER IF THE GOVERNING BOARD DETERMINES THAT IN ITS REASONABLE BUSINESS JUDGMENT THE AMOUNT OF THE CLAIM IS UNLIKELY TO EXCEED THE INSURANCE DEDUCTIBLE AND, IF SO, THE LOT OWNER'S INSURANCE POLICY PROVIDES THE PRIMARY COVERAGE, OR IF THE LOT OWNER IS UNINSURED, THEN HE OR SHE WILL BE LIABLE FOR THE LOSS UP TO THE AMOUNT OF THE DEDUCTIBLE.

29. Casualty Damage or Destruction

(a) Appointment of Agent. All of the Owners irrevocably constitute and appoint the Board of Directors their true and lawful agent in their name, place and stead for the purpose of dealing with the Property upon its damage or destruction. Acceptance of a deed from the Developer or from any Owner shall constitute appointment of the Board of Directors as attorney in fact for the limited purposes as herein provided.

(b) Authority of Agent. As attorney in fact, the Board of Directors shall have full and complete authority, right and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of a Owner which may be necessary or appropriate to exercise the powers herein granted. Repair and reconstruction of the improvements as used in the succeeding subparagraphs means restoring the Property to substantially the same condition in which it existed prior to damage, with each Lot and the Common Areas having substantially the same vertical and horizontal boundaries as before.

(c) Mortgagee's Rights. In the event any Mortgagee should not agree to rebuild, the Board of Directors shall have the option to purchase such mortgage on behalf of the Association by payment in full of the amount secured thereby. The Board of Directors may obtain the funds for such purpose by Special Assessments under paragraph 7 of this Declaration.

(d) Completion of Project. As soon as practicable after receiving estimates, the Board of Directors shall diligently pursue completion of the repair or reconstruction of the part of the Property damaged or destroyed, but only if the Property is damaged or destroyed to the extent of 75% or less than the value thereof. In the event the Property is destroyed or damaged to the extent of more than 75% of the value thereof, the Owners shall, at a meeting within one hundred (100) days after such damage or destruction duly called by the Board of Directors for the purpose, determine whether or not said premises should be rebuilt, repaired or disposed of. Unless Owners representing at least 80% of the undivided interest in the Common Areas agree to the withdrawal of the Property from the provisions of the Act and this Declaration and to its subsequent disposal, the Property shall be repaired, rebuilt or restored to substantially the same condition it was in immediately prior to destruction or damage. The Board of Directors may take all necessary or appropriate action to effect repair or reconstruction, as attorney in fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be substantially in accordance with the original plans and specifications of the Property or may be in accordance with any other plans and specifications the Owners may approve, provided that in such latter event the number of cubic feet and the number of square feet of any Lot may not vary by more than 5% from the number of cubic feet and the number of square feet for such Lot as originally constructed pursuant to the original plans and specifications, and the location of any building shall be substantially the same as prior to damage or destruction. The same easements for encroachments as declared in Section 4 shall apply under the provisions of this Section.

(e) Proceeds of Insurance. The proceeds of any insurance collected shall be available to the Board of Directors for the purpose of repair or reconstruction. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Board of Directors may levy in advance a Special Assessment sufficient to provide funds to pay the estimated or actual costs of repair or reconstruction. Such Assessment shall be allocated and collected as provided in this Declaration. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

(f) Fund. The insurance proceeds held by the Board of Directors and the amounts received from Assessments provided for in Section 7 constitute a fund for the payment of cost of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for cost or repair of reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to the contributions each Owner made pursuant to the Assessments the Board of Directors made under Section 7 of this Declaration.

(g) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Lots that are subject to mortgages held by eligible holders. The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Lots. However, implied approval may be assumed when an Eligible Mortgage holder (except (where appropriate) the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA)) fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

(h) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees. If proper notice is given to a Mortgagee or other creditor, then a legal presumption is created that the Mortgagee and/or creditor consented, absent the delivery of a written objection.

30. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required ownership interests in the Association, subject to the following conditions:

(a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained; and

(b) Change In Ownership. Any change in ownership of a Lot which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

(c) Notice. If approved, written notice of the approval must be given to all Owners at least ten (10) days before any action is required by them.

31. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Lot in foreclosure. The lien or claim against a Lot for unpaid Assessments levied by the Board of Directors or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

(a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Lot for such unpaid Assessments shall not be affected by any sale or transfer of such Lot, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Lot or the exercise of a power of sale available there under shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Lot from liability for, nor such Lot the lien of any Assessments becoming due thereafter.

(b) Books and Records Available for Inspection. The Board of Directors or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, ByLaws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Board of Directors and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

(c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

(d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Board of Directors shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

(e) Eligible Mortgagee Designation. Upon written request to the Board of Directors or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Lot Number or

address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Lot on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Lot subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty (60) days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Board of Directors or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

(f) Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request; provided, however and anything to the contrary notwithstanding, so long as Successor Declarant is in control of the Owner's association, such action or transaction must be approved in writing by the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, Section 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Lot is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

32. Amendment. This Declaration may be amended as follows:

(a) General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the addition or annexation of any land, any amendment to this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the total ownership interest in the Association cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting.

(b) Initial Successor Declarant Right to Amend. The Successor Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Lot.

(c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Successor Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; provided, however, any such amendment shall not materially adversely affect the title to any Lot unless the Owner of said Lot shall consent thereto in writing.

(d) Successor Declarant's Right to Amend Unilaterally Prior to Termination of Successor Declarant's Right to Control. Prior to the expiration of the Period of Successor Declarant's Control, Successor Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the express written consent of said Owner.

(e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Successor Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Lots, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot, or any portions thereof. Any such amendment shall be effected by the recordation by Successor Declarant of an Amendment duly signed by the Successor Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Lots and all persons having an interest therein. It is the desire of Successor Declarant that Successor Declarant retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Successor Declarant, then Successor Declarant shall have the unilateral right to amend this Declaration to restore such control.

(f) Rights of Successor Declarant and Successor Declarant. No provision of this Declaration reserving or granting to Successor Declarant and/or Successor Declarant any unexpired rights, including by way of illustration but not limitation any and all developmental rights, may be amended, including by way of illustration but not limitation a modification which

would terminate or decrease any such rights, without the prior express written consent of Successor Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Successor Declarant's sole and exclusive discretion.

(g) Execution of Amendments.

(1) An amendment or revocation which only requires the execution of an instrument by Successor Declarant as hereinabove provided shall be effective when executed by Successor Declarant and when recorded in the office of the County Recorder.

(2) An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association, who shall certify that all of the voting requirements have been satisfied, and the Successor Declarant, if the Successor Declarant's consent is also required, and recorded in the office of the County Recorder.

(h) Consent of Eligible Mortgagee to Terminate Legal Status of Project. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project.

(i) Consent of Eligible Mortgagees to Add or Amend Any Material Provision. The consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the ownership interest in the Association shall be required to add to or amend any material provision of this Declaration or the Final Plat which establishes, provides for, governs, or regulates any of the following:

- Voting rights;
- Increases in Assessments that raise the previously assessed amount by more than 25%, Assessment liens, or the priority of Assessment liens;
- Reductions in reserves for maintenance, repair, and replacement of Common Area, Facilities and Elements;
- Responsibility for maintenance and repairs;
- Reallocation of interests in the Common Area and general or limited common elements, or rights to their use;
- Redefinition of any Lot boundaries;
- Convertibility of Lots into Common Area or Elements, or vice versa;
- Expansion or contraction of the Project, or the addition, annexation, or withdrawal of property to or from the Project;
- Hazard or fidelity insurance requirements;
- Imposition of any restrictions on the leasing of Lots;
- Imposition of any restrictions on a Owner's right to sell or transfer his Lot;
- A decision by the Association (if the Project consists of more than 50 Lots) to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;

- Restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the documents; and
- Any provisions that expressly benefit Mortgage holders, insurers or guarantors.

Any addition or amendment shall not be considered material for purposes of this paragraph if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Final Plat is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Board of Directors or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Final Plat or the termination of the legal status of the Project. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

33. Due Process Requirements; Notice of Hearing; Opportunity to be Heard. In the event of a claimed violation of the Project Documents or the Act, no citation or suspension shall be imposed without the Board of Directors first giving the alleged violator written notice of the violation and an opportunity to be heard by the Board of Directors. Provided, however, nothing herein shall be construed to prevent the Board of Directors from (a) immobilizing, towing or impounding a motor vehicle in violation of the parking rules and regulations for which no additional notice is required, or (b) making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to the Owner or resident and giving them an opportunity to be heard.

34. Successor Declarant's Sales Program. Anything to the contrary notwithstanding, until Successor Declarant has sold all Lots owned by it, or the expiration of five (5) years following the date on which the Declaration is filed for record in the Office of the County Recorder, whichever first occurs, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Successor Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Board of Directors shall interfere with the completion of improvements and sale of Successor Declarant's Lots, and Successor Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots owned by Successor Declarant:

(a) Sales Office and Model Lots. Successor Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Lots at any one time. Such office and/or models may be one or more of the Lots owned by the Successor Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Successor Declarant's sales effort, or any combination of the foregoing;

(b) Promotional. Successor Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property in accordance with city ordinances.

(c) Common Area Use. Successor Declarant shall have the right to use the Common Area of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

(d) Relocation and Removal. Successor Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Successor Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Successor Declarant's sales effort.

(e) Restrictions in Favor of the Successor Declarant. The recreational amenities or facilities at the Project may not be subject to any restriction or reservation in favor of the Successor Declarant or any of its affiliates.

f) Subsidy Agreement. If the Declarant elects to subsidize the Association and maintenance of the Project during the Class B Control Period, either in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these, then the Association, and the Owners by virtue of their acceptance of a deed or other document of conveyance, hereby agree to and shall repay the Declarant upon demand (the "Subsidy Agreement"). The term subsidize shall mean the payment of the reasonable cash needs of the Association for ordinary and necessary maintenance expenses and a reasonable contribution to reserves. The Declarant shall not be subject to Special, Corrective or Individual Assessments

35. Limitation on Improvements by Association. Until such time as the earlier of the following events occur: (a) all of the Additional Land has been added and the Successor Declarant has sold or rented all of the Lots, or (b) five (5) years after the date of the sale of the first Lot in Phase I, or (c) such time as Successor Declarant chooses, neither the Association nor the Board of Directors shall, without the written consent of Successor Declarant, make any improvement to or alteration in any of the Common Area and Facilities created or constructed by Successor Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Area as originally created or constructed by Successor Declarant.

36. Completion Obligation. Successor Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

(a) Lots. Each Lot which an Owner has contracted to purchase, the Building within which such Lot is contained or is to be contained, and the adjacent Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and

(b) Common Area. There shall be substantially completed and usable as part of the Common Area all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Lot or Building in which a Lot is located, and necessary for its use.

37. Rights Assignable. All of the rights of Successor Declarant and/or Successor Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots or Buildings in the Project title to which is vested in the name of Successor Declarant and/or Successor Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Successor Declarant (in its capacity as Successor Declarant) or Successor Declarant (in its capacity as Successor Declarant) herein.

38. Mortgagee Approval. Until the termination of the Period of Successor Declarant's Control, the Successor Declarant shall not annex additional properties or amend the Declaration without the prior written consent (where appropriate) of the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

39. Transfer of Management. Successor Declarant may at any time relinquish its reserved right to select the Directors and may elect to transfer the management of the Project to a Board of Directors elected by the Owners. Upon the termination of the Period of Successor Declarant's Control, or sooner if the Successor Declarant so elects, Successor Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date"). The Owners shall call a meeting to elect the Directors to take office as of the Transfer Date. Successor Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Successor Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Board of Directors.

40. Working Capital Fund. A working capital fund shall be established by the Successor Declarant equal to or greater than two (2) months' Assessments for each Lot. Each Lot's share of the working capital fund shall be collected and transferred to the Board of Directors at the time of closing of the sale of each Lot by Successor Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Lot shall be paid to the Board of Directors at the time such Lot is first occupied for residential purposes or a

certificate of permanent occupancy is issued, whichever first occurs. With respect to each Lot for which the Successor Declarant pays the contribution to the working capital fund, the Successor Declarant shall be reimbursed for such contribution by the buyer of such Lot at the time of closing. The purpose of the working capital fund is to insure that the Board of Directors will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Board of Directors may continue the working capital fund by charging a reasonable transfer or impact fee when Lots are sold or rented.

41. Separate Taxation. Each Lot and its appurtenant ownership interest in the Association shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing Lot and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Area and Facilities may be considered a parcel for tax purposes.

42. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

43. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Lot or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

44. Enforcement and Right to Recover Attorneys Fees. Enforcement. The Management Committee may exercise its business judgment in deciding whether to impose sanctions or pursue legal action against violators and shall consider common concerns when taking or deciding not to take formal action, such as a weak legal position, conflict with current law, technical violations, minor or collateral issue, and whether or not it is in Association's best interests to pursue the matter and, if so, to what extent. Should the Association or Board of Directors be required to take action to enforce the Declaration, ByLaws or any administrative

rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.

45. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is Gary Petersen and the initial office of the Registered Agent is 758 South 400 East, Orem, Utah 84097.

46. Expansion of the Project.

(a) Reservation of Option to Expand. Successor Declarant hereby reserves the option to annex additional land and expand the Project to include additional Lots in the Project ("Additional Land"). This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire five (5) years from the date following the first conveyance of a Lot in Phase I to a Lot purchaser unless sooner terminated by Successor Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said five (5) years. Such right may be exercised without first obtaining the consent or vote of Owners and shall be limited only as herein specifically provided. Such Lots shall be constructed on any or all portions of the Additional Property.

(b) Supplemental Declarations and Supplemental Maps. Such expansion may be accomplished by the filing for record by Successor Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than five (5) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Lots, together with supplemental Map or Maps containing the same information with respect to the new Lots as was required on the Map with respect to the Phase I Lots. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

(c) Expansion of Definitions. In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Lots after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Lots in the Project as it existed before such expansion the respective ownership interests in the Association as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Lot in the Project as it existed, a corresponding ownership interest in the Association as a result of such expansion.

(d) Declaration Operative on New Lots. The new Lots shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Lots therein shall be subject to a scheme of common ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the County Recorder.

(e) Right of Successor Declarant to Adjust Ownership Interests in Association. Each deed of a Lot shall be deemed to irrevocably reserve to the Successor Declarant the power to appoint to Owners, from time to time, a corresponding ownership interest in the Association. The ownership interest of each Owner in the Association after any expansion of the Project shall be an ownership interest in the Association as the Project has been expanded. A power coupled with an interest is hereby granted to the Successor Declarant, its successors and assigns, as attorney in fact to shift ownership interests in the Association in accordance with Supplemental or Declarations recorded pursuant hereto and each deed of a Lot in the Project shall be deemed a grant of such power to the Successor Declarant. Various provisions of this Declaration and deeds and mortgages of the Lots may contain clauses designed to accomplish a shifting of the ownership interest in the Association. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the ownership interest in the Association can be accomplished. Notwithstanding anything to the contrary herein, no change in the ownership interest in the Association may be effected more than five (5) years after the effective date of the Declaration without the express prior written consent of at least two-thirds (2/3) of the Owners.

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of ownership interests in the Association shall automatically become effective for all purposes and shall fully supersede any previous schedule associated with any prior phase.

(f) Other Provisions Concerning Expansion. If the Project is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the Additional Land may be added to the Project without any limitations whatsoever save and except that all additional Lots created must be restricted to multi family residential housing limited to one family per Lot.

(2) Portions of the Additional Land may be added to the Project at different times without any limitations.

(3) Successor Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Property through the easement areas as shown on the Map. The Association of Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.

b. Type, kind or nature of improvement which may be created on any portion of the Additional Land, except that the common facilities, Buildings and Lots will be comparable to the facilities in prior phases on a per Lot basis and will be of a similar quality of materials and construction to those in prior phases and will be substantially completed prior to annexation.

c. Whether any Lots created on any portion of the Additional Land will be substantially identical to those within the initial Project except that Lots will be constructed of an equal or better quality of materials and construction than the Lots in prior phases.

d. Whether any private yard or limited common area will be added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Successor Declarant any obligation respecting, or to restrict Successor Declarant in any way with regard to: (a) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration; (b) the creation, construction, or addition to the Project of any additional property; (c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or (d) the taking of any particular action with respect to the Property.

(6) Assuming that only Construction Phase 1 Plats 31-35 of the Town Home Project is completed, there would be 4 Buildings and the minimum number of Lots would be 22 and the maximum ownership interest of each Lot in the Association would be 1/22 or 4.5454%. Assuming all Phases in the Town Home Project are completed and all of the Additional Land is added to the Town Home Project (a) the maximum number of Buildings would be 26; (b) the maximum number of Lots would be 118; (c) there would be approximately 8.51 acres; (d) the maximum number of Lots per net acre would be about 13.86 and (e) the minimum ownership interest of each Lot in the Town Home portion of the Association would be 1/118 or 0.0084745%. Provided, however, the number of Lots actually constructed and the actual ownership interest of each Lot in the Association may actually be somewhere in between the numbers and percentages set forth above.

g) General Liability Insurance Policy for Expansion of Project. If this Project qualifies for government financing, then pursuant to Title 38, CFR Section 36.4360 (a) (5), which is incorporated herein by this reference, the Successor Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1

million to cover any liability which Owners of previously sold Lots are exposed to as a consequence of further and future expansion of the project pursuant hereto.

47. Combination of Lots. An Owner of two or more adjoining Lots shall have the right upon approval of the Board of Directors and the mortgagees of said Lots, to combine one or more adjoining Lots or portions thereof and to alter or amend the Declaration and Map to reflect such combination.

a) Such amendments may be accomplished by the Owner recording an amendment or amendments to this Declaration, together with an amended Map or Maps containing the same information with respect to the altered Lots as required in the initial Declaration and Map with respect to the initial Lots. All costs and expenses required in such amendments shall be borne by the Owner desiring such combination.

b) All such amendments to the Declaration and Map must be approved by attorneys employed by the Board of Directors to insure the continuing legality of the Declaration and the Map. The cost of such review by the attorneys shall be borne by the person wishing to combine the Lots.

c) Any amendments of the Declaration or Map pursuant to this paragraph shall reflect the changes occasioned by the alteration. Such changes shall include a change in the ownership interest in the Association which are appurtenant to the Lots involved in the alterations. The remaining combined Lot, if two or more Lots are totally combined, will acquire the total ownership interest in the Association appurtenant to the Lots that are combined. If a portion of one Lot is combined with another, the resulting Lots shall acquire a proportionate ownership interest in the Association involved in the combination on the basis of area remaining in the respective, combined Lots. The ownership interest in the Association appurtenant to all other Lots shall not be changed. All such amendments must, in all instances, be consented to by the Board of Directors and also all other persons holding interest in the Lots affected. The consent of other Owners need not be obtained to make such amendments or alterations valid, providing the ownership interest in the Association of the other Owners remain unchanged.

48. Fines. The Association shall have the power and authority to charge fines or levy other sanctions for violations of the Project Documents.

49. Security. Neither the Successor Declarant, Successor Declarant nor Association shall in any way be considered insurers or guarantors of security within the Project. Neither the Successor Declarant, Successor Declarant nor Association shall be held liable for any loss or damage, including malfunction, by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and Permittees acknowledge that neither the Successor Declarant, Successor Declarant, Association, Board of Directors nor Manager, or their employees, agents or representatives represent or warrant that any fire protection system or burglar alarm system designated by or installed in the Project may not be compromised or circumvented, that any fire protection or burglar alarm systems will prevent loss

by fire, smoke, burglary, theft, hold-up, or otherwise nor that the gate, fire protection or burglary alarm systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner for himself and his Guests and Permittees acknowledges and understands that the Successor Declarant, Successor Declarant, Association, Board of Directors and Manager, and their employees, agents or representatives are not insurers and that each Owner and his Permittees expressly, by accepting a deed or other document of conveyance or taking possession of a Lot or entering the Project, assume all risks for loss or damage to persons or property within the Project and further acknowledges that Successor Declarant, Successor Declarant, Association, Board of Directors and Manager, and their employees, agents or representatives have made no representations or warranties nor has any Owner or his Permittees relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems recommended or installed or any security measures undertaken within the Project.

50. Party Walls.

(a) Definition. Each wall which is built as a part of the original construction of the Dwellings upon the properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply.

(b) Cost Allocation. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

(c) Destruction. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Damage. Notwithstanding any other provision of this section, an Owner who by his negligent or willful acts causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(e) Right to Contribution. The right of any Owner to contribution from any other Owner under this section shall be appurtenant to the land and shall pass to such Owner's successors in title

51. Duration. This Declaration shall continue for a period of forty (40) years. Then, it shall automatically be renewed for ten (10) year periods, unless sooner terminated by the affirmative vote of at least sixty-seven percent (67%) of the Total Vote.

52. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Final Plat shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

Vacancies in the Board of Directors caused by any reason other than removal of a member by a vote of the Association shall be filled by vote of the majority of the remaining members of the Board of Directors at a special meeting of the Board of Directors held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the Board of Directors; and each person so elected shall be a member for the remainder of the term of the member so replaced. A

The Secretary shall compile and keep current at the principal office of the Association, a complete list of the Owners and their last known post office addresses. This list shall be open to inspection by all Owners and other persons lawfully entitled to inspect the same, at reasonable hours during regular business days. The Secretary shall also keep current and retain custody of the Minute Book of the Association, containing the minutes of all annual and special meetings of the Association and all sessions of the Board of Directors including resolutions.

7. Treasurer. The Treasurer shall have custody of all funds and securities that are not under the control of the Managing Agent, and with the assistance of the Managing Agent, shall keep full and accurate records of receipts and disbursements, shall prepare all required financial data, and shall deposit all monies and other valuable effects in such depositories as may be designated by the Board of Directors. He shall disburse funds as ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the President and members, at the regular meetings of the Board of Directors, or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of this Project.

**ARTICLE V

**ARTICLE VI
INVESTMENT OF COMMON FUNDS**

Common funds may only be deposited into institutions and accounts which are federally insured.

**ARTICLE VII
AMENDMENT TO BYLAWS**

1. Amendment. These Bylaws may be amended as follows:

a) General. Except as provided elsewhere in this Bylaws, including by way of illustration but not limitation to sections pertaining to the addition or annexation of any land, any amendment to this Bylaws shall require the affirmative written vote or consent of at least a majority of the total undivided ownership interest in the Common Area and Facilities cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting.

b) Initial Successor Declarant Right to Amend. The Successor Declarant alone may amend or terminate this Bylaws prior to the closing of a sale of the first Lot.

c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Bylaws to the contrary, this Bylaws may be amended unilaterally at any time and from time to time by Successor Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Bylaws; provided, however, any such amendment shall not materially adversely affect the title to any Lot unless the Owner of said Lot shall consent thereto in writing.

d) Successor Declarant's Right to Amend Unilaterally Prior to Termination of Successor Declarant's Right to Control. Prior to the expiration of the Period of Successor Declarant's Control, Successor Declarant may unilaterally amend this Bylaws for any other purpose; provided, however, any such amendment shall not materially adversely affect the

substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the express written consent of said Lot Owner.

e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Successor Declarant reserves the unilateral right to amend all or any part of this Bylaws to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Bylaws or approval of the sale of Lots, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot, or any portions thereof. Any such amendment shall be effected by the recordation by Successor Declarant of an Amendment duly signed by the Successor Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Lots and all persons having an interest therein. It is the desire of Successor Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Successor Declarant, then Successor Declarant shall have the unilateral right to amend this Bylaws to restore such control.

f) Successor Declarant's Rights. No provision of this Bylaws reserving or granting to Successor Declarant any unexpired developmental rights may be amended, including by way of illustration but not limitation a modification which would terminate or decrease any developmental right, without the prior express written consent of Successor Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Successor Declarant's sole and exclusive discretion.

g) Execution of Amendments.

1) An amendment or revocation which only requires the execution of an instrument by Successor Declarant as hereinabove provided shall be effective when executed by Successor Declarant and when recorded in the office of the County Recorder.

2) An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association, who shall certify that all of the voting requirements have been satisfied, and the Successor Declarant, if the Successor Declarant's consent is also required, and recorded in the office of the County Recorder.

2. Effective Upon Recording. An amendment to these Bylaws shall become effective immediately upon recordation in the Office of the County Recorder.

ARTICLE VIII NOTICE

1. Manner of Notice. All notices, demands, bills, statements, or other communications provided for or required under these Bylaws (except as to notices of Association meetings which were previously addressed in Article II of these Bylaws) shall be in writing and shall be deemed to have been duly given if delivered personally or sent by regular U.S. Mail postage pre-paid, a) if to an Owner, at the address of his Lot and at such other address as the Owner may have designated by notice in writing to the Secretary; or b) if to the Board of Directors or the Manager, at the principal office of the Manager or at such other address as shall be designated by notice in writing to the Owners pursuant to this Section.

2. Fair and Reasonable Notice - Presumptions. Notice given in accordance with Subsection (1) above or the provisions of the Revised Nonprofit Corporations Act) shall be considered fair and reasonable notice. The Association may give notice by text message, e-mail, text message, the Association website, or other electronic notice; provided, however an Owner may by making a written demand to the Association require written notice.

3. Waiver of Notice. Whenever any notice is required to be given under the provisions of the statutes, the Declaration, or of these Bylaws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether signed before or after the time stated therein, shall be deemed equivalent thereto, unless such waiver is ineffective under the provisions of the Declaration.

ARTICLE IX BOOKS AND RECORDS

1. Books and Records. All books and records shall be kept in accordance with generally accepted accounting practices.

2. Checks. The Board of Directors shall designate who must sign checks for the Association.

3. Limitation of Liability. Neither the Association nor any director, officer, employee or agent of the Association shall be liable to the member or anyone to whom the member discloses the financial statement or any information contained therein for any error or omission therein, whether caused without fault, by negligence or by gross negligence, unless (1) the error or omission is material, (2) the director, officer, employee or agent in question knew of the error or omission and intended for the member or other person to rely thereon to his detriment, (3) the member or other persons did reasonably rely thereon, and, in addition, (4) he is otherwise liable under applicable law.

4. Independent Compilation, Review or Audit. The Board of Directors may provide either a Compilation Report, Reviewed Financial Statement, or an Audited Financial Statement¹⁰, prepared by an independent CPA.¹¹ Whenever requested in writing by a majority of members of the Board of Directors or Lot Owners, the Board of Directors shall provide an Audited Financial Statement. The cost of the Compilation Report, Reviewed Financial Statement, or an Audited Financial Statement shall be a common expense.

5. Production of Records. The Association shall: (a) keep detailed, accurate records in chronological order, of the receipts and expenditures affecting the Common Areas and Facilities, specifying and itemizing the maintenance and repair expenses of the Common Areas and Facilities and any other expenses incurred; and (b) make those records available for examination by any Lot Owners at a convenient hour during the regular work week no later than fourteen (14) days after the Lot Owner makes a written request to examine the records.

¹⁰ The Board of Directors should be sensitive to the legal requirements for, and the costs involved in, preparing financial reports. The Board of Directors may require preparation of anything from merely compiled financial statements to a full audit. With compiled financial statements, the accountant simply takes information supplied by the Board of Directors of the association and puts it in proper financial statement form, without attempting to verify the information supplied. The accountant expresses no assurances regarding the financial statements. Reviewed financial statements involve certain inquiries and analytical procedures by the accountant concerning the association's accounting methods. A review should provide the accountant with a reasonable basis for expressing limited assurances to home owners that no material modification need be made to the financial statements. Audited financial statements require detailed examination, tests of accounting records and methods, and direct verification of assets and liabilities with banks, attorneys, creditors, and others. Generally, the accountant will give the association an unqualified opinion that the financial statements fairly represent the financial position of the association. Although audited financial statements may be the most thorough, they are also the most expensive financial report and may be unnecessary for the average association. A compilation is generally the least expensive type of report, but it gives the homeowners no assurances that the Board of Directors is accounting for association monies in accordance with generally accepted accounting principles. For this reason, the Board of Directors may wish to require only a review, which should be adequate to fulfill the Board of Directors's fiduciary duty to account to the home owners.

¹¹ The CPA may not own or reside in a Unit, serve on the Board of Directors, be an officer, agent, representative or employee of the Association, or otherwise have a conflict of interest, real or apparent.

ARTICLE X
COMPLIANCE, CONFLICT, AND MISCELLANEOUS PROVISIONS

1. Conflict.

a. These Bylaws are subordinate and subject to all provisions of the Declaration. All of the terms hereof, except where clearly repugnant to the context, shall have the same meaning as they are defined to have in the Declaration. In the event of any conflict between these Bylaws and the Declaration, the provision of the Declaration shall control.

b. In the event of any conflict between the provisions hereof and the provisions of the Utah Revised Nonprofit Corporation Act, the latter shall in all respects control.

2. Waiver. No restriction, condition, obligation, or provision of these Bylaws shall be deemed to have been abrogated or waived by reason of any failure or failures to enforce the same.

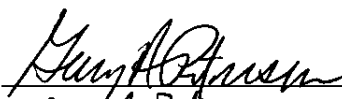

3. Captions. The captions contained in these Bylaws are for convenience only and are not part of these Bylaws and are not intended in any way to limit or enlarge the terms and provisions of these Bylaws.

4. Interpretation. Whenever in these Bylaws the context so requires, the singular number shall refer to the plural and the converse; and the use of any gender shall be deemed to include both masculine and feminine; and the term "shall" is mandatory while the term "may" is permissive.

5. Severability. The invalidity of any one or more phrases, sentences, subparagraphs, subsections or sections hereof shall not affect the remaining portions of this instrument or any part thereof, and in the event that any portion or portions of this document should be invalid or should operate to render this document invalid, this document shall be construed as if such invalid phrase or phrases, sentence or sentences, subparagraph or subparagraphs, paragraph or paragraphs, subsection or subsections, or section or sections had not been inserted.
