(1) annual assessments or charges, and
(2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and of the homes situated upon the Properties.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$372.00

per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year as the Board of Directors of the Association shall deem necessary to provide the funds to meet the estimated costs of improving and maintaining the Common Area.

Section 4. Special assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments, Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area of abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V
ARCHITECTURAL CONTROL.

Section 1. Buildings. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this article will be deemed to have been fully complied with.

The architectural committee shall have the right to enter upon the properties or lot of any owner for the purpose of inspecting and approving the progress of any work hereunder. In the event that any such work is not approved by the committee or the work is not being pursued diligently, the committee shall set forth its objections in writing and deliver the same to the owner or person in charge of the work. Each owner agrees that he will abide by the written directives of the architectural committee and correct any deficiencies immediately. Should an owner fail in this regard, the committee, if other than the Board of Directors, shall report the same to the Board of Directors and suit may be instituted against the owner to secure immediate relief and compliance in a court having appropriate jurisdiction.

ARTICLE VI
PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. Such exterior maintenance shall not include glass surfaces.

Notwithstanding the provisions of Article IV, Section 6, "Uniform Rate of Assessment", if any residence on any Lot or the exterior improvements thereon, shall have a greater exterior surface or larger patio area or landscaped area or other exterior improvement than the average home on the properties, the Board of Directors of the Association may reasonably increase the annual assessment applicable to such lot so as to reflect the increased maintenance cost. No such assessment shall be levied until the owner affected thereby shall be given an opportunity to appear before the Board to present facts to show that such proposed assessment is not reasonable.

In the event that the need for maintenance or repairs caused through the willful or negligent act of the owner, his family, or guests, or invitees, the cost of such maintenance or repair shall be added to and become part of the assessment to which such lot is subject.

The proceeds from said insurance shall be applied to pay for such repair or reconstruction and for no other purpose, with the Owner himself making up any deficiency in the proceeds necessary to fully pay for such repair or reconstruction.
