AMENDED GENERAL RELEASE

This AMENDED GENERAL RELEASE ("Release") is made and entered into as of September 5, 2017 by and among plaintiff Sherrill Blanchard, as Trustee of the Dykes Family Trust, on the one hand ("Plaintiff"), and The Love Machine Company Incorporated, a Utah corporation, Marian N. Love, The Estate of Richard S. Love, The Richard and Marian Love Trust, Spencer F. Jenson, Joyce L. Jenson, The Estate of Beth S. Love, and Beth S. Love Revocable Trust, Hazel Investment Company, a Utah general partnership (to the extent it still exists), on the other hand (collectively "Defendants"), and Steel Mill Fabricators, Inc., a Utah corporation, DOTT, LLC, a Utah limited liability company, and JICK, L.C., a Utah limited liability company, on another hand (collectively "Other Parties"). Plaintiff and Defendants, and Other Parties are hereinafter sometimes referred to individually as a "party" or collectively as "parties."

RECITALS

A. On or about June 27, 2014, Plaintiff filed a complaint against the Defendants listed herein, and DOES 1-10 in the United States District Court, District of Utah, Central Division entitled, "*Sherrill Blanchard, as Trustee of The Dykes Family Trust v. The Love Machine Company, Inc., et al.*," Civil Case No. 2:14-CV-00475-PMW (2:14-CV-00475-TC). The complaint pled causes of action under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. §§ 9601 *et seq.*, the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901 *et seq.* and common law (collectively "Lawsuit").

B. Plaintiff brought the Lawsuit and is agreeing to this Release solely in her capacity as Trustee of the Dykes Family Trust and not in her individual capacity.

C. The Lawsuit involves certain real property located at approximately 47 East 700 South, Salt Lake City, Utah and more particularly described at Exhibit 1 hereto ("Property").

D. Soil and groundwater within the Property are contaminated from historic releases of hazardous substances primarily from the past operation of a chrome plating shop on the Property ("Contamination").

E. Anticipated work will be conducted relating to the Contamination, as follows: (i) soils impacted by the Contamination need to be further investigated and cleaned up; (ii) groundwater both on and potentially off of the Property needs to be further investigated and

possibly cleaned up and monitored; (iii) the Utah Department of Environmental Quality or United States Environmental Protection Agency (“Agency”) will provide oversight of the foregoing investigation, cleanup and monitoring; (iv) conducting a human health risk assessment if and as required by Agency; (v) continued compliance with a “site management plan” and/or an “environmental covenant” in forms required and approved by Agency; and (vi) potentially ongoing monitoring of groundwater on and off the Property impacted by the Contamination as required by Agency (collectively “Work”).

F. The parties have entered into a Settlement Agreement and Mutual Release dated July 20, 2017 under which the parties agreed to settle the Lawsuit, Plaintiff agreed to dismiss with prejudice the Lawsuit, Plaintiff agreed to conduct the Work related to the Contamination, Defendants agreed to pay a certain sum of money to Plaintiff to pay for the Work, and Plaintiff agreed to the release of claims set forth in Paragraph 2 below, for herself and her successors in interest to the Property.

G. The parties agree and acknowledge that the execution of this Release will avoid protracted, uncertain and expensive litigation, that the terms and conditions herein are fair and reasonable, and that each party is receiving consideration which each acknowledges is a substantial and valuable benefit as a result of this settlement and Release.

AGREEMENT

NOW, THEREFORE, in consideration of the conditions, covenants, premises and agreements set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Recitals.** The recitals set forth herein are intended by the parties to evidence their intent in executing this Release and to describe the circumstances surrounding their execution, and the parties intend that this Release be construed in a manner consistent with the recitals. Accordingly, the recitals are, by express reference, made a part of the terms and conditions herein, and this Release shall be construed in the light thereof.

2. **Plaintiff’s Release and Discharge.** FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, Plaintiff, for herself and her predecessors, successors, assigns, agents and affiliates, releases, acquits and forever discharges all Defendants and Other Parties, their agents, servants, employees, managers, officers, directors, shareholders, members, trustees, successors, assigns, heirs, executors, administrators, personal representatives, attorneys, insurers, predecessor and successor companies, subsidiaries, affiliates and related companies, parent companies, their respective managers, officers, directors, shareholders, members, employees, trustees, successors, assigns, heirs, executors, administrators, personal representatives, attorneys, and insurers, and each of them, and all other persons, firms, corporations, associations and/or partnerships associated with Defendants of and from any, all and every claim, or cause of action including, without limitation, any claims based on common law, statutory claims, violations, demands, rights, damages, costs, civil fines or penalties, expenses, compensation and liability of whatever kind or nature to which Plaintiff may be entitled on account of, or in any way arising out of, or related to, the Lawsuit, claims, causes of action and facts alleged therein, whether known or unknown or pled in the

Lawsuit or in response thereto or otherwise relates to the Contamination or the Work (collectively the "Claims"). Plaintiff's release and discharge set forth in this paragraph applies only to Claims related to the Property and does not apply to: (i) Claims related to real property other than the Property; or (ii) Plaintiff's Claims related to failure to comply with or breach of the terms of the Settlement Agreement by any of the Defendants or Other Parties.

3. **Release Runs With the Property.** The parties represent and warrant that the Plaintiff's Release and Discharge in **Paragraph 2** hereof is intended by the parties to run with the Property as a restrictive covenant or equitable servitude or restriction (collectively "Covenant"). The parties acknowledge that the Covenant touches and concerns the Property because the same directly relates to air space above and the surface and subsurface of, including but not limited to the soils, groundwater and surface water on and within the Property that is asserted to be, or in the future may be, affected by the Contamination. Further, the parties acknowledge that the Property has been directly affected by the Covenant.

Each of the parties represents and warrants as follows:

4. **Advice of Counsel.** Each of the parties to this Release represents and warrants that in entering into this Release they have each been fully advised or represented by legal counsel of their own independent selection, are familiar with the circumstances and disputes leading to this Release, and are relying upon their own judgment and the advice of their own counsel.

5. **No Duress.** Each of the parties hereto hereby represents and warrants that they have individually read this entire agreement, that the contents are fully known and understood and that the same has been executed by each party freely, without any promises (other than those set forth herein), threats or the exertion of duress.

6. **Authorization and Capacity to Execute.** Each of the parties hereto represents and warrants that (a) this Release has been duly authorized by the party and the person or persons executing this Release is authorized to do so, (b) the execution and performance of this Release shall not violate any other obligation which any of the party may have by contract or operation of law, and (c) the person signing this Release is legally competent to execute the same.

7. **Counterparts.** This Release may be executed in one or more copies (including electronic copies), all of which constitute a single instrument upon delivery and exchange of signed copies by the parties. Any party hereto may execute and deliver a scanned emailed signature page of this Release, signed by such party, and any such emailed signature has the same force and effect as an original signature.

8. **Enforceability.** This Release is binding and enforceable in accordance with its terms and conditions. In the event legal action, other judicial process or any other action is necessary to enforce the terms of this Release, the prevailing party is entitled to its reasonable attorney fees and costs.

9. **Governing Law.** This Release shall be construed and interpreted in accordance with the laws of the State of Utah.

10. **Effective Date of Release.** This Release is effective after it has been executed by all of the parties.

11. **No Implied Waiver.** No waiver or indulgence of any breach or series of breaches of this Release shall be deemed or construed as a waiver of any other breach of the same or any other provision hereof or affect the enforceability of any part or all of this Release, and no waiver shall be valid unless executed in writing by the waiving party.

12. **Jointly Drafted.** This Release was jointly drafted by the parties and the language of all parts of this Release shall in all cases be construed as a whole according to their meaning and not strictly for or against any of the parties.

13. IN WITNESS WHEREOF, THE UNDERSIGNED HEREBY ACKNOWLEDGE THAT THEY HAVE READ, UNDERSTAND AND AGREE TO THE TERMS AND CONDITIONS SET FORTH IN THIS RELEASE IN THEIR INDIVIDUAL CAPACITY OR AS DULY AUTHORIZED REPRESENTATIVES FOR THE ENTITIES ON WHOSE BEHALF THEY ARE SIGNING, AS APPLICABLE.

15. **Governing Law.** This Release is governed by the laws of the State of Utah.

16. **Severability.** In the event that a court of competent jurisdiction enters a final judgment holding invalid any material provision of this Release, the remainder of this Release shall be fully enforceable.

17. **Integration.** This Release constitutes the entire agreement of the parties and a complete merger of prior negotiations and agreements. This Release shall not be modified except in writing signed by the parties or their authorized representatives.

18. **Fees and Costs.** In any action to enforce, interpret, or seek damages for violation of this Release, the prevailing parties shall recover all attorney fees, litigation expenses and court costs.

IN WITNESS WHEREOF, this Release has been executed as of July 20, 2017.
