Agreement No 751:

Utah Light and Railway Company.

This Agreement made and entered into this 18th day of March 1911, by and between Elizabeth Kirkham of Layton Utah, party of the first part, and the Utah Light & Railway Company, a corporation of the State of Utah party of the second part, Witnesseth:

That whereas the party of the second part is about to construct an electrical transmission line from Salt Lake to Ogden said line to be suspended on poles or structures of steel frame work commonly called towers, and in the course of said installation desires to cross the premises of the party of the first part

Now, Therefore, in consideration of the sum of Twenty-eight and  $\frac{70}{100}$  Dollars, in hand paid by the party of the second part to the party of the first part, receipt whereof is hereby acknowledged, and in further consideration of the covenants and agreements herein contained on the part of said Utah Light & Railway Company, agreeing by it on behalf of itself, its successors and assigns to be well and truly kept and maintained, the party of the first part hereby grants to the party of the second part the right to construct, and thereafter maintain, on the S. <sup>2</sup> of N. <sup>4</sup> of Section 28, Township 4 N, Range 1 W.

Salt Lake Meridian, being the premises of the party of the first part, One tower for the support of an electrical transmission line upon the following particular location to-wit:

Beginning at a point on the Southwest bound any of grantor's land, which point is 1585 feet South and 1760 feet East, more or less, from the N.W. corner of Sec. 28 thence N. 30° 24' E. 438 feet to tower; thence N. 30° 24' E. 126 feet to the North boundary of grantor's land.

Together with the right to enter upon said premises along the route or line of said transmission line for the purpose of erecting said towers and transmission line, and thereafter to enter upon said land when necessary for the purpose of maintaining and repairing the same.

Upon Condition, however, that the party of the second part, its successors and assigns shall pay to the party of the first part, his heirs, successors and assigns, any and all damages that may be at any time occasioned by the owner of said line, its agents or servants, to the growing crops or premises of the party of the first part, his successors or assigns, while engaged in construction, reconstruction, inspection or repairing of said towers or transmission line.

In Witness Whereof, the party of the first part has hereunto set his hand and seal, and the party of the second part has caused this agreement to be executed by its officer thereunto duly authorized, the day and year first above written.

Paid By Voucher  
No. 13313.

Elizabeth Kirkham  
Utah Light & Railway Company

Agreement No 762

Utah Light and Railway Company.

This Agreement made and entered into this 25 day of March, 1911, by and between Wm. M. Mayfield of Farmington, Utah, party of the first part, and the Utah Light & Railway Company, a corporation of the State of Utah, party of the second part. Witnesseth:

That whereas the party of the second part is about to construct an electrical transmission line from Salt Lake to Ogden said line to be suspended on poles or structures of steel frame work commonly called towers, and in the course of said installation desires to cross the premises of the party of the first part;

Now, therefore, in consideration of the sum of Sixty and  $\frac{2}{100}$  Dollars, in hand paid by the party of the second part to the party of the first part, receipt whereof is hereby acknowledged, and in further consideration of the covenants and agreements herein contained on the part of said Utah Light & Railway Company agreeing by it or behalf of itself, its successor and assigns to be well and truly kept and maintained, the party of the first part hereby grants to the party of the second part the right to construct, and thereafter maintain, on the S.<sup>2</sup> of N.W.<sup>4</sup> of Section 14, Township 3 N. Range 1 W. Salt Lake Meridian, being the premises of the party of the first part, three towers, for the support of an electrical transmission line upon the following particular location, to-wit:

Beginning at a point on the East boundary of grantor's land, which point is 2640 feet East, and 2380 feet South, more or less, from the N.W. corner of Sec. 14; thence N. 63° 47' W. 2445 feet to first tower; thence N. 63° 47' W. 600.5 ft. to second tower; thence N. 63° 47' W. 602 ft. to third tower; thence N. 63° 47' W. 135 ft. to W. bound. of gr's land. Together with the right to enter upon said premises
