And whereas said Interstate Brick Company has subdivided said land into building lots in a subdivision designated as Mountain Acres Addition No. 3 and is filing and recording the plat thereof as required by law, and

whereas it is desired in connection with the platting and subdivision of said land and as part of a general building plan for the benefit and protection of the owners of the respective parcels within said area to provide for certain use restrictions, which shall govern and control the use and enjoyment of the lots within such subdivision,

Now, therefore, the undersigned, Interstate Brick Company does hereby certify and declare that each and all of the lots within such subdivision, shall, upon conveyance thereof by the undersigned, be owned, held and enjoyed by the respective grantees thereof, their heirs and assigns subject to the following restrictions:

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 1967, at which time said covenants shall be automatically extended for successive periods of ten years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

- (a) All lots in the tract shall be known and described as residential lots. No structures shall be erected, altered, placed, or permitted to remain on any residential building plat other than one detached single-family dwelling and not to exceed one and one-half stories in height and a private garage for not more than two cars.

CAMOON and GEORGE E. QUALITY, or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member, or members, shall have full authority to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it or in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee, and of its designated representative, shall cease on and after January 1, 1966. Hereafter the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then recorded owners of a majority of the lots in this subdivision and duly recorded appointing a representative, or representatives, who shall thereafter exercise the same powers previously exercised by said committee.
