(3) accrue interest and late fees as provided in the declaration, bylaws, or association rules.

d. Cumulative fines for a continuing violation may not exceed \$500.00 per month.

e. An Owner who is assessed a fine under Subsection (a) may request an informal hearing to protest or dispute the fine within thirty (30) days from the date the fine is assessed. The hearing shall be conducted in accordance with standards of due process adopted by the Management Committee. No finance charge, default interest, or late fees may accrue until after the hearing has been conducted and a final decision has been rendered.

f. An Owner may appeal a fine issued under Subsection (a) by initiating a civil action within one hundred and eighty (180) days after: (1) A hearing has been held and a final decision has been rendered by the management committee under Subsection (e); or (2) The time to request an informal hearing under Subsection (e) has expired without Owner making such a request.

The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (j) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:

a. Access. The right, power and authority to have access to each Unit: (1) from time to time during reasonable hours and after reasonable notice to the occupant of the Unit being entered, as may be necessary for the maintenance, repair or replacement of any of the Common Areas and Facilities; or (2) for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Unit or Units, provided that a reasonable effort is made to provide notice to the occupant of the Unit prior to entry.

Specific additional written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Management Committee from time to time. All landscaping shall be maintained in a safe, sanitary, aesthetic and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. All landscaping shall be

tasteful, so as not to affect adversely the value or use of any other Unit, or to detract from the uniform design and appearance of the Project.

c. Area of Common Responsibility. Unless otherwise expressly noted, the Association shall maintain, repair and replace all of the Common Area and Facilities within or serving the Project, including by way of illustration but not limitation the Building structures, roofs, exterior walls, foundation, common walls and supports, common landscaping, open space, sidewalks, parking amenities, entry and monument. No Unit Owner shall allow his Unit, Limited Common Area or Restricted Limited Common Area to detract from the health, safety or uniform appearance or design of the Project.

e. Default Provisions. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association, or Management Committee may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against a Unit Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Unit Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses under U.C.A., Section 57-8-20.

f. Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association; provided, however, no Owner or Resident may make any structural alterations to the Common Area (including the Limited Common Area), without the express prior written consent of the Management Committee.

g. Certain Work Prohibited. No Unit Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Unit Owners being first had and obtained.

23. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

a. Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Units owned by it until such time as: (a) thirty (30) days after the date of the closing on the sale of the last Unit; or (b) Declarant elects in writing to pay the Assessments, whichever first occurs.

b. Purpose of Common Area Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Committee.

c. Creation of Assessments. Since the Assessments shall pay for the common expenses of the Association, as shall be determined by the Management Committee from time to time, each Owner, by acceptance of a deed to a Unit, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed by the Committee.

d. Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) Itemization. The Budget shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. The Budget shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, irrigation water, grounds maintenance, taxes and special assessments, premiums for all insurance which the Committee is required or permitted to obtain, including, common lighting and heating, water charges, trash collection, sewer service charges, carpeting, painting, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the

Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

e. Apportionment. The common profits, losses and voting rights of the Project shall be distributed among and the common expenses shall be charged equally to the Unit Owners.

f. Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Management Committee fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Common Area Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

g. Payment of Assessments. The Management Committee has the sole authority and discretion to determine how and when the annual Assessments are paid.

h. Additional Services. The Management Committee may but is not obligated to add to the Assessment of any particular Unit or Unit Owner additional charges for individual services offered or provided, not a Common Expense.

i. Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Unit; (2) the owner of record in the offices of the County Recorder of Wasatch County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

j. Equitable Changes. If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Committee may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Common Area Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

k. Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

l. Reserve Account. The Committee shall establish and maintain a reserve account or accounts to pay for unexpected operating expenses and capital improvements.

m. Analysis Report. The Management Committee shall prepare and update at least annually a written Capital Asset Replacement and Reserve Account Analysis, and make the report available to the Owners at the annual meeting of the Association.

n. Acceleration. Assessments shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Common Area Assessment for delinquent Owners. If, however, the Common Area Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the committee, at its option and in its sole discretion, may elect to decelerate the obligation.

o. Statement of Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

p. Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments each Owner by accepting a deed or other document of conveyance to a Unit hereby waives.

q. Suspension of Right to Use Amenities for Non-Payment. At the discretion of the Management Committee, the right to use any amenities in the Project may be suspended for up to ninety (90) days if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

r. Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended for up to ninety (90) days if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

24. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a. Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Unit in any one fiscal year (the "Special Assessment Limit"), the Committee may impose the special assessment without any additional approval.

b. Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.

25. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Management Committee shall have the power and authority to assess an Owner in a particular area as follows:

a. Benefit only To Specific Unit. If the expense benefits less than all of the Units, then those Units benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

b. Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

26. Individual Assessments. Individual Assessments shall be levied by the Committee against a Unit and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Committee in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible; (c) any other fine, charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents or by the Management Committee; (d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration; and (e) individual services provided, such as cable television, additional lawn, yard or garden care, the cost of insurance covering the deductible on the master Association all-risk policy, and so forth.

27. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

a. Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Unit, regardless of whether a written notice is recorded.

b. Late Fees and Accruing Interest. A late fee of twenty-five dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater, shall be assessed

on all tardy payments. Default interest at the rate of one percent (1.0%) per month or twelve percent (12%) per annum shall accrue on all delinquent accounts.

c. Lien. If any Unit Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Management Committee or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Unit in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

d. Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

e. Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

f. No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

g. Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

h. Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

i. Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require

the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

j. Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

k. Attorney in Fact. Each Owner by accepting a deed to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

l. Termination of Utilities and Right to Use Amenities for Non-Payment of Assessments.

1) If an owner fails or refuses to pay any assessment when due, the management committee may (a) terminate the owner's right to receive utility services paid as a common expense; and (b) terminate the owner's right of access and use of recreational facilities., after giving notice and an opportunity to be heard.

2) Before terminating utility services or right of access and use of recreational facilities, the manager or management committee shall give written notice to the owner in the manner provided in the declaration, bylaws, or association rules. The notice shall state:

(a) utility services or right of access and use of recreational facilities will be terminated if payment of the assessment is not received within the time provided in the declaration, bylaws, or association rules, which time shall be stated and be at least 48 hours;

(b) the amount of the assessment due, including any interest or late payment fee; and

(c) the right to request a hearing.

3) An owner who is given such notice may request an informal hearing to dispute the assessment by submitting a written request to the management committee within 14 days from the date the notice is received. A notice shall be considered received on the

date (a) it is hand delivered, (b) it is delivered by certified mail, return receipt requested, or (c) five (5) days after it is deposited in the U.S. Mail, postage prepaid, addressed to the owner's last known address on the books and records of the Association

4) The hearing shall be conducted in accordance with the standards provided in the declaration, bylaws, or association rules.

5) If a hearing is requested, utility services or right of access and use of recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been entered.

6) Upon payment of the assessment due, including any interest or late payment fee, the manager or management committee shall immediately take action to reinstate the terminated utility services to the Unit and right to use of recreational facilities.

m. Assignment of Rents.

1) If the owner of a Unit who is leasing the Unit fails to pay any assessment for a period of more than 60 days after it is due and payable, the management committee may demand the tenant to pay to the association all future lease payments due the owner, commencing with the next monthly or other periodic payment, until the amount due to the association is paid; provided, however, the manager or management committee must give the owner written notice, in accordance with the declaration, bylaws, or association rules, of its intent to demand full payment from the tenant. This notice shall:

(a) provide notice to the tenant that full payment of remaining lease payments will commence with the next monthly or other periodic payment unless the assessment is received within the time period provided in the declaration, bylaws, or association rules;

(b) state the amount of the assessment due, including any interest or late payment fee;

(c) state that any costs of collection, not to exceed \$150, and other assessments that become due may be added to the total amount due; and

(d) provide the requirements and rights described herein.

2) If the owner fails to pay the amount of the assessment due by the date specified in the notice, the manager or management committee may deliver written notice to the tenant, in accordance with the declaration, bylaws, or association rules, that demands future payments due to the owner be paid to the association pursuant hereto. A copy of the notice must be mailed to the owner at his last known address as shown on the books and records of the Association. The notice provided to the tenant must state:

(a) that due to the owner's failure to pay the assessment within the time period allowed, the owner has been notified of the management committee's intent to collect all lease payments due to the association pursuant hereto.

(b) that until notification by the association that the assessment due, including any interest or late payment fee, has been paid, all future lease payments due to the owner are to be paid to the association; and

(c) payment by the tenant to the association in compliance herewith will not constitute a default under the terms of the lease agreement. If payment is in compliance with this Subsection (6) suit or other action may not be initiated by the owner against the tenant for failure to pay.

3) All funds paid to the association pursuant hereto shall be deposited in a separate account and disbursed to the association until the assessment due, together with any cost of administration which may not exceed \$25, is paid in full. Any remaining balance must be paid to the owner within five business days of payment in full to the association.

4) Within five business days of payment in full of the assessment, including any interest or late payment fee, the manager or management committee must notify the tenant in writing that future lease payments are no longer due to the association. A copy of this notification must be mailed to the owner.

5) As used in this section, the terms "lease" or "leasing" shall mean and refer to regular, exclusive occupancy of a Unit by any person or persons, other than the owner, for which the owner receives any consideration or benefit, including a fee, service, gratuity, or emolument.

28. Liability of Management Committee. The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate

general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

29. Insurance. The Manager, Management Committee or Association, will obtain insurance against loss or damage by fire and other hazards for: (a) all Common Elements and Facilities; and (b) all Buildings that contain more than one Unit, including any improvement which is a permanent part of a Building. The insurance coverage shall be written on the property in the name of the Manager, Management Committee or Association, as trustee for each of the Unit Owners in the percentages established in this Declaration. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right of each Unit Owner to insure his own Unit for his benefit. The Manager, Management Committee or Association shall satisfy at least the following minimum requirements:

a. Property Insurance. Blanket property insurance using the standard "Special" or "All Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard 'condominium' casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgment and in its sole discretion. The Association may purchase a policy with a deductible up to \$10,000.00. The Association may require Unit Owners or residents to obtain insurance covering the amount of the deductible if, under the Declaration, they would, but for insurance coverage, be responsible for the loss or claim.

b. Flood Insurance. If any part of the Project's improvements are in a Special Flood Hazard Area -- which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) -- the Association shall obtain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Unit Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

c. Liability Insurance. A public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

d. Directors and Officers Insurance. A director's and officer's liability or errors and omissions policy, if reasonably available, with at least One Million (\$1,000,000) Dollars in coverage.

e. Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgment, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirements: (a) they shall name the Committee, the Owners Association, and the Property Manager as obligee; (b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense; (c) the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and (d) the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee.

f. Earthquake Insurance shall not be required unless requested by at least Seventy five percent (75%) of the Members of the Association.

g. Miscellaneous Items. The following provisions shall apply to all insurance coverage:

(1) Quality of Carrier. A "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance reports -- International Edition, an "A" or better rating in Demotech's Hazard Insurance Financial Stability Ratings, a "BBBq" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service -- if the carrier is issuing a master policy or an insurance policy for the common elements in the Project.

(2) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit

Owners for BLACK ROCK RIDGE CONDOMINIUM, for the use and benefit of the individual Owners."

(3) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

(4) Beneficiary. In any policy covering the entire Project, each owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided Ownership interest in the Common Areas and Facilities.

(5) Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(6) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

(7) Miscellaneous Provisions. Each insurance policy shall contain at least the following additional miscellaneous items: (a) A waiver of the right of a subrogation against Owners individually; and (b) A provision that the insurance is not prejudiced by any act or neglect of any individual Owner.

(8) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

(9) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any Mortgagee of a Unit, and may be enforced by them.

(10) Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Associations in similarly situated first class subdivisions in the county, including but not limited to a guaranteed replacement cost endorsement under which the insurer agrees to replace the insurable property regardless of the cost or a Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more, and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance; an Inflation Guard Endorsement when it can be obtained, a Building Ordinance or Law Endorsement, if the enforcement of any building, zoning or land-use law will result in loss or

damage, increased cost of repairs or reconstruction, or additional demolition and removal costs, and increased costs of reconstruction; Steam Boiler and Machinery Coverage Endorsement if the Project has any central heating or cooling.

(11) Restrictions on Policies. No insurance policy shall be maintained where:

(a) Individual Assessments Prohibited. Under the term of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, or the Management Committee.

(b) Payments Contingent. By the terms of the Declaration, By-Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

(c) Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, an Owner, or the borrowers) from collecting insurance proceeds.

(12) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Committee or Owners to obtain and maintain insurance coverage, in amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

(13) Deductible. The deductible on a claim made against the Association's Property Insurance Policy shall be paid for by the party who would be liable for the loss, damage, claim, or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. If a loss is caused by an act of God or nature or by an element, risk or peril beyond the control of the Unit Owner, then the Association shall be responsible for the deductible.

h. Adjusting Claims. The Management Committee has the authority to adjust claims and declare whether it is the intent of the Association that its master insurance policy is to provide primary or secondary coverage. The Management Committee may refuse to submit an insurance claim, if the claimant has coverage for the loss or there is a substantial likelihood that the claim will be covered by the Owner's or renter's insurance company, and (1) submitting the claim risks cancellation of the Association's insurance or a significant increase in premiums, or (2) the problem occurred in the Unit, or (3) was caused by the claimant or under his control, or (4) the claim is legally or primarily the responsibility of the claimant. The Management Committee may also elect to self-insure any claim and, in such an instance, the person legally responsible for the loss or maintenance shall pay a sum equal to the deductible.

30. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a. Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taking by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Unit in which they are interested.

b. Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c. Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d. Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e. Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f. Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 21 above to pay for the deficiency.

g. Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h. Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium Ownership under this Declaration and the Condominium Plat shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i. Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j. Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

k. Restoration Power. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided.

l. Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

m. Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Unit Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Units that are subject to mortgages held by eligible holders.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Units. However, implied approval may be assumed when an Eligible Mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

31. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

- a. Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained; and
- b. Change In Ownership. Any change in Ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and
- c. Notice. If approved, written notice of the approval must be given to all Unit Owners at least ten (10) days before any action is required by them.

32. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Unit in foreclosure. The lien or claim against a Unit for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

- a. Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Assessments becoming due thereafter.
- b. Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, By-Laws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.
- c. Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.
- d. Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e. Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f. Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request.

32. Amendment. This Declaration may be amended as follows:

a. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Unit. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (i) necessary to correct typographical errors or inadvertent omissions; (ii) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (iii) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Units subject to this Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any Unit unless any such

Owner shall consent thereto in writing. Further, prior to the expiration of the Declarant's control period, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such Amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the consent of the affected Owner. Anything in this Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a Utah Division of Real Estate (or similar agency), and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Units, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit(s) or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Units and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning, development, and construction of the Project, and sale of the Individual Units. If any amendment requested pursuant to the provisions of this Section deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Declaration to restore such control.

b. Consent of the Owners. After the termination of the Declarant's Period of Control, the affirmative vote of at least sixty seven percent (67%) of the Owners shall be required and shall be sufficient to amend the Declaration or the Condominium Plat. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained.

c. Protection of Declarant Rights. No provision of this Declaration reserving or granting to Declarant the developmental rights shall be amended without the prior written consent of Declarant, which consent may be withheld for any reason or for no reason at Declarant's sole and exclusive discretion.

d. Execution of Amendments. An amendment or revocation which only requires the execution of an instrument by Declarant as hereinabove provided shall be effective when executed by Declarant and when recorded in the office of the County Recorder of Wasatch County, Utah. An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association who shall certify that the amendment has been so approved and the Declarant if the Declarant's consent is also required, and when the amendment has been recorded in the office of the County Recorder of Wasatch County, Utah.

e. Consent of Eligible Mortgagee to Terminate Legal Status of Project. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project.

f. Consent of Eligible Mortgagees to Add or Amend Any Material Provision. The consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Condominium Plat which establishes, provides for, governs, or regulates any of the following:

- Voting rights;
- Increases in Assessments that raise the previously assessed amount by more than 25%, Assessment liens, or the priority of Assessment liens;
- Reductions in reserves for maintenance, repair, and replacement of Common Areas, Facilities and Elements;
- Responsibility for maintenance and repairs;
- Reallocation of interests in the Common Area, Limited Common Area, and general or limited common elements, or rights to their use;
- Redefinition of any Unit boundaries;
- Convertibility of Units into Common Area or Elements, or vice versa;
- Expansion or contraction of the Project, or the addition, annexation, or withdrawal of property to or from the Project;
- Hazard or fidelity insurance requirements;
- Imposition of any restrictions on the leasing of Units;
- Imposition of any restrictions on a Unit Owner's right to sell or transfer his Unit;
- A decision by the Association (if the Project consists of more than 50 Units) to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;
- Restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the documents; and

- o Any provisions that expressly benefit Mortgage holders, insurers or guarantors.

Any addition or amendment shall not be considered material for purposes of this paragraph if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Condominium Plat is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Condominium Plat or the termination of the legal status of the Project. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

34. View Impairment. Neither the Declarant nor the Association guarantees or represents that any view over and across any property, including any Unit, from adjacent Units will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping except as set forth herein. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

35. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all Units owned by it, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of Declarant's Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

a. Sales Office and Model Units. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Units at any one time. Such office and/or models may be one or more of the Units owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b. Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

c. Common Area Use. Declarant shall have the right to use the Common Areas of the Project in any other way necessary to facilitate sales, including by way of illustration but not limitation as a sales office or offices.

d. Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

e. Restrictions in Favor of the Declarant. The recreational amenities or facilities at the Project may not be subject to any restriction or reservation in favor of the Declarant or any of its affiliates.

36. Limitation on Improvements by Association. Until such time as the earlier of the following events occur: (a) all of the Additional Land has been added and the Declarant has sold or rented all of the Units, or (b) such time as Declarant chooses, neither the Association nor the Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

37. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

a. Units. Each Unit which an Owner has contracted to purchase, the Building within which such Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and

b. Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use.

38. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

39. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Project to a Committee elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant

shall notify Owners in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

40. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than six (6) months' Assessments for each Unit. Each Unit's share of the working capital fund shall be collected and transferred to the Management Committee at the time of closing of the sale of each Unit by Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid to the Management Committee at the time such Unit is first occupied for residential purposes or a certificate of permanent occupancy is issued, whichever first occurs. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Management Committee may continue the working capital fund by charging a reasonable transfer or impact fee when Units are sold or rented.

41. Separate Taxation. Each Unit and its percentage of undivided interest in the Common Areas and Facilities shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Areas and Facilities may be considered a parcel for tax purposes.

42. Relationship with Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Area to, or transfer portions of the Common Area to non-profit, tax-exempt organizations, including, but not limited to, organizations that provide facilities and services designed to meet the physical and social needs of older persons, for the benefit of the Project, the Association, its Members and residents. The Association may contribute money, real or personal property, or services to any such entity. Any such contribution shall be a Common Expense of the Association and shall be included as a line item in the Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code, as may be amended from time to time.

43. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no

way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof. Except for judicial construction, Declarant shall have the exclusive right to construe and interpret the provisions of this Declaration until the occurrence of the earliest of the following events: (a) thirty (30) days after the date of the closing on the sale of the last Unit; (b) six (6) years from the date of recording of this Declaration; or (c) the Declarant executes and records a written Waiver of his right to control. Thereafter, the exclusive right to construe and interpret this Declaration shall rest with the Association acting by and through its Management Committee. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the construction or interpretation of the provisions hereof by Declarant and thereafter the Association shall be final, conclusive and binding as to all persons and property benefited or bound by this Declaration and provisions hereof. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development, operation and maintenance of Project.

44. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

45. Enforcement and Right to Recover Attorneys Fees. Should the County, Association Management Committee or an aggrieved Owner be required to take action to enforce the Declaration, By-Laws or any administrative rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.

46. Declarant's Right to Cure Alleged Defects.

It is the Declarant's intent that all improvements constructed or made by Declarant in the Project be built or made in compliance with all applicable building codes and ordinances and that such improvements be of a quality that is consistent with quality and construction standards. Nevertheless, due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and whether Declarant and/or an agent of Declarant is responsible. It is Declarant's intent to resolve all disputes and claims regarding Alleged Defects (defined below) amicably, and without the necessity of time-consuming and costly litigation. The Association, Management Committee, and all Owners shall be bound by the following claim resolution procedure:

a. Declarant's Right to Cure. In the event the Association, any individual Member of the Association, Management Committee, any individual Manager, or any Owner (collectively "Claimant") claim, contend or allege that any portion of the Project, including without limitation, any Additional Land, any Building, any Capital Improvement, all Common Areas, any Limited Common Areas, the entire Project, the Property, and all Units, are defective or that Declarant or its agents, consultants, contractors, or subcontractors were negligent in planning, design, engineering, grading, construction, or other development thereof (collectively "Alleged Defect"), Declarant hereby reserves the right to inspect, repair, and/or replace such Alleged Defects as set forth below.

b. Notice to Declarant. In the event a Claimant discovers any Alleged Defect, Claimant shall, within a reasonable time after discovery, notify Declarant's Registered Agent, as specified in paragraph 47 of the Declaration, or such other address at which the Declarant maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

c. Right to Enter, Inspect, Repair, and/or Replace. Within a reasonable time after receipt by Declarant of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by Declarant, as part of Declarant's reservations of rights, Declarant shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into, as applicable, any Unit and/or improvement (including Common and Limited Common Areas), or other portions of the Project and/or Property for the purposes of inspecting and if deemed necessary by Declarant, repairing or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, Declarant shall be entitled to take any action, as it shall deem reasonably necessary under the circumstances.

d. Legal Actions. No Claimant shall initiate any legal action, cause of action, proceeding, reference or arbitration against the Declarant alleging damages (i) for the cost of repairing or replacing any Alleged Defect, (ii) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (iii) for any consequential damages resulting from such Alleged Defect, unless and until (1) Claimant has delivered to Declarant a Notice of Alleged Defect, and (2) Declarant has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) fails to repair or replace such Alleged Defect, or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, fails to commence such repair or replacement of the Alleged Defect and, thereafter fails to pursue diligently such repair or replacement to completion.

e. No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 46 shall be construed to impose any obligation on Declarant to inspect, repair or replace any item or Alleged Defect for which Declarant is not otherwise obligated to do under applicable law. The right of Declarant to enter, inspect, repair, and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by Declarant in the Office of the Wasatch County Recorder.

f. Waiver. Notwithstanding anything to the contrary in this Paragraph 46, Declarant hereby disclaims any representations and warranties in respect of, shall have no continuing liability to any Owners for, any design or construction defects (whether known or unknown) relating to the Project or Property, including latent defects.

47. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is Adam Paul and the initial office of the Registered Agent is 5915 Quail Creek Lane, Highland, Utah 84003.

48. Expansion of the Project.

a. Reservation of Option to Expand. Declarant hereby reserves the option to expand the Project to include additional Units in the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date this Declaration is recorded, unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Units shall be constructed on any or all portions of the Additional Property.

b. Supplemental Declarations and Supplemental Maps. Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Wasatch County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Map or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

c. Expansion of Definitions. In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the Wasatch County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Units in the Project as it existed before such expansion the respective undivided interests in the new Common Areas added to the Project as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Unit in the Project as it

existed, interest so acquired by the Owner of the Unit encumbering the new Common Areas added to the Project as a result of such expansion.

d. Declaration Operative on New Units. The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Wasatch County Recorder.

e. Right of Declarant to Adjust Ownership Interest in Common Areas. Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages in the Common Areas set forth in Supplemental or Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Declarations recorded pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than seven (7) years after the effective date of the Declaration.

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

f. Other Provisions Concerning Expansion. If the Project is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the Additional Land may be added to the Project without any limitations whatsoever save and except that all additional Units created must be restricted to multi family residential housing.

(2) Portions of the Additional Land may be added to the Project at different times without any limitations.

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Property through the easement

areas as shown on the Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.

b. Type, kind or nature of improvement which may be created on any portion of the Additional Land, except that the common facilities, Buildings and Units will be comparable to the Phase I facilities on a per Unit basis and will be of a similar quality of materials and construction to Phase I and will be substantially completed prior to annexation.

c. Whether any Units created on any portion of the Additional Land will be substantially identical to those within the initial Project except that Units will be constructed of an equal or better quality of materials and construction than the Units in Phase I.

d. Type, size, or maximum number of Limited Common Areas which may be created within any portion of the Additional Land added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (a) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration; (b) the creation, construction, or addition to the Project of any additional property; (c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or (d) the taking of any particular action with respect to the Additional Land, the Project, or any Land.

g. General Liability Insurance Policy for Expansion of Project. The Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1 million to cover any liability which owners of previously sold units are exposed to as a consequence of further and future expansion of the project pursuant hereto.

49. Combination of Units. An owner of two or more adjoining units shall have the right upon approval of the management committee and the mortgagees of said units, to combine one or more adjoining units or portions thereof and to alter or amend the declaration and map to reflect such combination.

a. Such amendments may be accomplished by the unit owner recording an amendment or amendments to this declaration, together with an amended map or maps containing the same information with respect to the altered units as required in the initial declaration and map with respect to the initial units. All costs and expenses required in such amendments shall be borne by the unit owner desiring such combination.

b. All such amendments to the declaration and map must be approved by attorneys employed by the management committee to insure the continuing legality of the declaration and the map. The cost of such review by the attorneys shall be borne by the person wishing to combine the units.

c. Any amendments of the declaration or map pursuant to this paragraph 20 shall reflect the changes occasioned by the alteration. Such changes shall include a change in the percentage of undivided interest in the common areas and facilities which are appurtenant to the units involved in the alterations. The remaining combined unit, if two or more units are totally combined, will acquire the total of the percentage of undivided interest in the common areas and facilities appurtenant to the units that are combined as set forth in Exhibit B. If a portion of one unit is combined with another, the resulting units shall acquire a proportionate percentage of the total undivided interest in the common areas and facilities of the units involved in the combination on the basis of area remaining in the respective, combined units. The percentage of undivided interest in the common areas and facilities appurtenant to all other units shall not be changed. All such amendments must, in all instances, be consented to by the management committee and also all other persons holding interest in the units affected. The consent of other unit owners need not be obtained to make such amendments or alterations valid, providing the percentages of undivided interest in the common areas and facilities of the other unit owners remain unchanged.

50. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than they otherwise might be. Neither the Association, nor the Declarant shall in any way be considered insurers or guarantors of security within the Project, however, and neither the Association, nor the Declarant shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners, residents, tenants, guests and invitees acknowledge that the Declarant, the Association and its Management Committee do not represent or warrant that any fire protection system or burglar alarm system designated by or installed in the Project may not be compromised or circumvented, that any fire protection or burglar alarm systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise nor that fire protection or burglary alarm systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner, resident, tenant, guest or invitee acknowledges and understands that the Declarant, Association and Management Committee are not insurers and that each Owner, resident, tenant, guest and invitee assumes all risks for loss or damage to persons or property within the Project and further acknowledges that Declarant, Association and Management Committee have made no representations or warranties nor has any Owner, resident, tenant, guest or invitee relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems recommended or installed or any security measures undertaken within the Project.

51. Conflict with Condominium Plat. In the event of any conflict or inconsistency between the provisions of this Declaration and the Condominium Plat(s) affecting the Project, including the plat notes thereon, the provisions of said plats or plat notes, as the case may be,

shall govern and control and this Declaration shall automatically be amended, but only to the extent necessary to conform the conflicting provisions hereof with the provisions of said plats, including any plat notes.

52. Rights of Eligible Mortgagee. Any Eligible Mortgagee shall be entitled to:

- (a) upon request, inspect the books and records of the Association during normal business hours;
- (b) receive written notice of meetings of the Association where the consent of any Eligible Mortgagee is required;
- (c) upon request, obtain copies of Association financial statements;
- (d) receive written notice of condemnation proceedings affecting any of Association's Property;
- (e) receive written notice of the lapse of any insurance that the Association is required to maintain under this Declaration; and
- (f) where the Owner of any Unit shall be deemed delinquent in the payment of any Assessment, any Eligible Mortgagee of said Unit shall be given written notice of such delinquency by the Association, provided the Eligible Mortgagee shall have been notified by the Association of its lien.

53. Provisions Incorporated in Deeds. Each provision contained in this Declaration shall be deemed incorporated in each deed or other instrument by which any right, title or interest in any Unit is granted, devised or conveyed, whether or not set forth or referred to in such deed or other instrument.

54. Number and Gender. Unless the context shall otherwise provide, a singular number shall include the plural, a plural number shall include the singular, and the use of any gender shall include all genders.

55. No Dedication. Unless expressly provided, nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Project to the public or for any public use.

56. Notices. Any notice permitted or required to be delivered as provided in this Declaration shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered three (3) days after a copy of the same has been posted in the United States mail, postage prepaid for first class mail and addressed to the receiving party at the address last given by such party to the Association. Any notice to the

Association shall be sent to such address as it may from time to time designate in writing to each Owner.

57. Utah Law. The interpretation, enforcement or any other matters relative to this Declaration shall be construed and determined in accordance with the laws of the State of Utah.

58. Disclaimer. No representations or warranties of any kind, express or implied, have been given or made by Declarant, or its agents or employees, in connection with the Project, or any portion thereof, or any improvement thereon, its physical condition, zoning, compliance with applicable laws, fitness or intended use or operation, cost of maintenance or taxes except as expressly set forth in this Declaration or except as set forth in any Disclosure Statement required to be given under applicable rules of the Utah Division of Real Estate.

59. Designation of Successor. For purposes of this Declaration and the easements, dedications, rights, privileges and reservations set forth herein, a successor and assign of Declarant shall be deemed a successor and assign only as specifically designated by Declarant by instrument recorded in the real estate records of Wasatch County, Utah, and, only with respect to the particular rights or interests specifically designated therein.

60. Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof. Where any provision of this Declaration is alleged to be or declared by a court of competent jurisdiction to be unconscionable, Declarant shall have the right by amendment to this Declaration to replace such provision with a new provision, as similar thereto as practicable, but which in Declarant's reasonable opinion would be considered not to be unconscionable.

61. Run with the Land. Declarant, for itself, its successors and assigns, hereby declares that all of the Project shall be held, used and occupied subject to the provisions of this Declaration, and to the covenants, conditions and restrictions contained herein, and that the provisions hereof shall run with the land and be binding upon all persons who hereafter become the Owner of any interest in the Project.

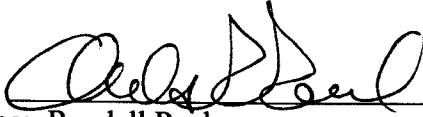

62. Restatement of Declaration. To assure uniformity and ease in determining what provisions of this instrument apply, Declarant shall have the right, from time to time, incorporating cumulatively into one document all prior amendments, to publish and adopt a restatement of this Declaration (the "Second, Third, Fourth Declaration" as the case may be).

63. Recording References. All references in this Declaration to maps, plats, agreements, instruments or other documents of record shall mean and refer recordings with the Office of the Recorder of Wasatch County, Utah.

64. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Condominium Plat shall take effect upon its being filed for record in the office of the County Recorder of Wasatch County, Utah.

Dated this 19 day of September, 2006.
