I. Provide for construction of public streets, utilities, curbs and sidewalks, other public rights-of-way, street lights, landscaped areas, public parking, water utilities, sewer utilities, storm drainage, parks and open space, and other public improvements.

J. Provide improved public streets and road access to the area to facilitate better traffic circulation and reduce traffic hazards by assisting in the street alignments.

Section 4. Project Area Plan Incorporated by Reference. The Project Area Plan, together with any supporting documents, is incorporated herein by reference and made a part of this Ordinance. Copies of the Project Area Plan shall be filed and maintained in the office of the City Recorder and the Agency for public inspection.
