14. Occupancy. No rule shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that this Declaration limits residency in a Lot to a Single

Family and the Association shall have the power to limit the total number of occupants permitted in each Lot on the basis of the size and facilities of the Lot and its fair share use of the Common Area and Facilities, health care, sanitation and other related concerns.

15. Activities. No rule shall interfere with the activities carried on within the confines of Lots, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible from outside the Lot, or that create unreasonable sounds of annoyance.

14) Limitation of Liability. Neither the Declarant nor the ARC, or any of their employees, agents, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and

specifications. Upon written request from the ARC an Owner shall at his own cost and expense remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the ARC shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser.

16) Contractors. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration may be excluded by the ARC from the Project, subject to the notice and the opportunity to be heard. In the event of sanctions after notice and hearing, neither the ARC or the Declarant, nor their employees, agents, representatives or consultants shall be held liable to any person for exercising the rights granted by this Section.

17) Ivory Homes Catalogue. Any and every home design, plan or specification contained within the Ivory Homes Catalogue shall be considered approved and qualify for construction, and no other consent shall be required, provided the home elevations meet and the home otherwise satisfies all of the architectural control requirements of the City PUD ordinance.. Any and all deviations from the Ivory Homes Catalogue, including by way of illustration but not limitation, design, construction materials and coloration, must be expressly approved in writing by the ARC: The approval of the Ivory Homes Sales staff and/or construction personnel is insufficient.

The Board of Directors shall give written notice of each annual Assessment not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. The first annual Assessment shall be for the balance of the calendar year remaining after the date fixed by the Board of Directors. Each annual Assessment shall be due and payable in monthly installments on the first day of each and every month and no separate notices of such monthly installment shall be required. Each monthly Assessment shall bear interest at the rate of eighteen (18%) percent per annum from the date it becomes due and payable if not paid within thirty (30) days after such date.

6. In addition to annual Assessments, the Board of Directors may levy in any Assessment year a Special Assessment, payable over such a period as the Board of Directors may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Property or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration. This paragraph shall not be construed as an independent source of authority for the Board of Directors to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other paragraphs of this Declaration. Any amounts assessed pursuant hereto shall be assessed to the Owners in proportion to their respective membership interest in the Association. Notice in writing of the amount of such Special Assessments and the time for their payment shall be given as soon as is reasonably possible to the Owners. 11. The Board of Directors shall report to any encumbrancer of a Lot any unpaid Assessments remaining unpaid for longer than ninety (90) days if the encumbrancer has requested in writing such notice.

12. The amount of any Assessment against any Lot shall be the personal obligation of the Owner thereof. Suit to recover a judgment of such personal obligation shall be maintainable by the Board of Directors without foreclosing or waiving the lien securing the same. No Owner may void or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Area or by abandonment of his or her Lot or any amenities.

13. Upon payment of a reasonable fee not to exceed the statutory limit and upon written request of any Owner, any Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot, the Board of Directors shall issue a written statement setting forth the amount of unpaid Assessments, if any, with respect to such Lot; the amount of the current yearly Assessment and the portion thereof which has theretofore been paid; and credit for advanced payments or prepaid items. Such statement shall be conclusive upon the Board of Directors in favor of persons who rely thereon in good faith. All other grantees who obtain title to a Lot in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, regular and/or special, dues, charges, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Lot, and for its share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

17. Any Assessment, fine, or other monetary obligation shall bear interest at a rate to be determined by the Board of Directors from the date it becomes due and payable if not paid within thirty (30) days after such date.

18. A late fee in a sum to be determined by the Board of Directors may be charged on any payment not paid within ten (10) days after its due date.

1. All of the Owners irrevocably constitute and appoint the Board of Directors their true and lawful agent in their name, place, and stead for the purpose of dealing with the Property upon its damage or destruction. Acceptance of a deed from the Declarant or from any Owner shall constitute appointment of the Board of Directors as attorney-in-fact for the limited purposes as herein provided.

2. As attorney-in-fact, the Board of Directors shall have full and complete authority, right, and power to make, execute, and deliver any contract, deed, or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. 3. In the event any Mortgagee should not agree to rebuild, the Board of Directors shall have the option to purchase such mortgage on behalf of the Association by payment in full of the amount secured thereby. The Board of Directors may obtain the funds for such purpose by Special Assessments.

4. As soon as practicable after receiving estimates, the Board of Directors shall diligently pursue completion of the repair or reconstruction of the part of the Property damaged or destroyed, but only if the Property is damaged or destroyed to the extent of 75% or less than the value thereof. In the event the Property is destroyed or damaged to the extent of more than 75% of the value thereof, the Owners shall, at a meeting within one hundred (100) days after such damage or destruction duly called by the Board of Directors for the purpose, determine whether or not said premises should be rebuilt, repaired, or disposed of. Unless Owners representing at least 80% of the undivided interest in the Common Area agree to the withdrawal of the Property from the provisions of the Act and this Declaration and to its subsequent disposal, the Property shall be repaired, rebuilt, or restored to substantially the same condition it was in immediately prior to destruction or damage. The Board of Directors may take all necessary or appropriate action to effect repair or reconstruction, as attorney-in-fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be substantially in accordance with the original plans and specifications of the Property or may be in accordance with any other plans and specifications the Owners may approve, provided that in such latter event the number of cubic feet and the number of square feet of any Lot may not vary by more than 5% from the number of cubic feet and the number of square feet for such Lot as originally constructed pursuant to the original plans and specifications, and the location of any building shall be substantially the same as prior to damage or destruction. The same easements for encroachments shall apply under the provisions of this Section.

5. The proceeds of any insurance collected shall be available to the Board of Directors for the purpose of repair or reconstruction. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Board of Directors may levy in advance, a Special Assessment sufficient to provide funds to pay the estimated or actual costs of repair or reconstruction. Such Assessment shall be allocated and collected as provided in this Declaration. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

6. The insurance proceeds held by the Board of Directors and the amounts received from Assessments constitute a fund for the payment of cost of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for cost or repair of reconstruction shall be

made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to the contributions each Owner made pursuant to the Assessments the Board of Directors made hereunder.

7. If 75% of the Owners and all holders of first mortgages on Lots agree not to rebuild, as provided herein, the Property may be removed from the provisions as prescribed therein. Withdrawal shall be in accordance with the Utah Statutes.

ARTICLE 12. BOARD OF DIRECTORS RIGHTS AND OBLIGATIONS

1. The business, property, and affairs of the Association shall be managed by a Board of Directors composed of three (3) individuals. Until the first regular meeting of the Association is held pursuant after the termination of the Period of Declarant's Control, the Declarant alone shall be entitled to select the three (3) members of the Board of Directors. In the event a Director's seat which was filled by Declarant becomes vacant, Declarant shall have the right to select a replacement member to sit on the Board for the balance of the term associated with the vacated seat. In all other cases of vacancy, the remaining Directors shall elect a replacement as provided in the Bylaws.

2. The Board of Directors may exercise any right or privilege given to it expressly by this Declaration, by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

3. The Board of Directors shall have the rights and obligations set forth in the Bylaws.

4. The Board of Directors shall be responsible for the exclusive management and control of the Common Area and Facilities, and all improvements thereon (including furnishings and equipment related thereto), and shall keep the same in good, clean, attractive, and sanitary condition, order, and repair. The Board of Directors shall be responsible for repair or replacement of Common Area and Facilities and shall have the exclusive right to contract for all goods, services, and insurance payments which are made for such repairs or replacement. The cost of such management, operation, maintenance, and repair by the Board of Directors shall be a Common Expense.

5. The Board of Directors may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Board of Directors shall determine to be necessary or desirable for the proper operation of the Property, whether such personnel are furnished or employed directly by the Board of Directors or by any person or entity with whom or which it contracts. The Board of Directors may obtain and pay for legal and accounting services as necessary or desirable in connection with the operation of the Property; the enforcement of this Declaration, the Bylaws, or any Rules and Regulations. The Board of Directors may arrange with others to furnish lighting, water, snow removal, grounds maintenance, and other common services.

6. The Board of Directors may acquire and hold, for the use and benefit of all Owners,

tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same proportion as their respective interests in the Association.

7. The Board of Directors may make Rules and Regulations governing the use of the Lots and of the Common Area and Facilities.

8. The Board of Directors may suspend an Owner's voting rights for the period during which such Owner fails to comply with the Project Documents. Notice of non-compliance will be sent to an Owner at least ten (10) days prior to any meeting at which action may be taken by the Board of Directors. The Board of Directors may also take judicial action against any Owner to enforce compliance with the Project Documents, with other obligations, or to obtain damages for non-compliance, all to the extent permitted by law.

9. The Board of Directors may fine or otherwise sanction an Owner or Permittee for a violation of the Project Documents.

ARTICLE 13. CAPITAL IMPROVEMENTS

All expenses for Capital Improvements shall be governed by and subject to the following conditions, limitations and restrictions:

1. The Board of Directors may authorize any Capital Improvement or Addition to the Project for which there are sufficient funds in the Operating Account or a designated Reserve Account without a special assessment. Any other Capital Improvement or Addition to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Board of Directors (the "Capital Improvement Ceiling"); provided, however, any such Capital Improvement or Addition, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

2. A major repair or replacement, or a major maintenance expense, shall not be considered a Capital Improvement or Addition.

3. Any Capital Improvement or Addition which would materially alter the nature of the Project (e.g., eliminating a swimming pool, changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Area.

ARTICLE 14. OPERATION, MAINTENANCE, AND ALTERATIONS

Each Lot and the Common Area shall be maintained, repaired, and replaced in accordance with the following covenants, conditions and restrictions:

1. The Lots and Common Area and Facilities shall be maintained in a usable, clean, functional, safe, sanitary, attractive, and good condition.

2. The Association is responsible for the maintenance, repair, and replacement all of the Common Area and Facilities within or serving the Project unless otherwise expressly noted, including by way of illustration but not limitation Parcel D (the "Area of Common Responsibility").

3. Each Owner shall maintain, repair, and replace his or her Lot, the driveway and walkways servicing only his or her Unit, and the following improvements (whether or not such improvements are located within his or her Lot), including without limitation, all individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, windows and window systems, glass, doors and door systems, garage doors and garage door systems, patios, balconies and decks, plumbing fixtures, systems and lateral pipes or valves, and all concrete, including the driveway, sidewalks, walkways, steps, porch and landing serving or servicing only his Lot, including any damage caused thereby and not covered by insurance. Each Owner shall also maintain any Common Area or Facility appurtenant to his or her Lot broom clean and free of debris, including his or her driveway, walkways, porch, landing, patio, deck or balcony, broom clean and free of grease spills, leaks, personal property, trash, litter, and debris. All maintenance, repairs, and replacements are subject to the approval of the Board of Directors as to construction materials, quality of construction and installation, and uniformity of appearance. No Owner shall allow his or her Lot or the Common Area and Facilities adjacent thereto to detract from the health, safety, or uniform appearance or design of the Project. Any repairs or replacements to physical improvements Visible to a Neighboring Property, including by way of illustration but not limitation, all driveways and walkways appurtenant to a Lot, are conditional upon and subject to the prior written approval of the Board of Directors in order to maintain quality of construction and uniformity of appearance. Any such repairs not approved by the Board of Directors shall be considered unacceptable and non-conforming.

4. Anything to the contrary notwithstanding, (a) the Association, as part of its Area of Common Responsibility, is responsible for providing, contracting and/or subcontracting for the care, maintenance, repair, and replacement of the exterior surfaces of any Building in order to maintain quality of construction and uniformity of appearance, and (b) each Owner, as part of his or her Area of Personal Responsibility, is personally and individually responsible to pay for his or her Building Exterior Assessment, which shall not be considered a Common Expense.

5. To protect, honor, and preserve the integrity and aesthetics of the Project, all landscaping within the Project shall be maintained and cared for in a manner consistent with the (i) design scheme, standards of design, appearance and quality of construction originally established by Declarant and (ii) in accordance with any City landscaping maintenance plans or ordinances. All landscaping shall be maintained in a safe, sanitary, and aesthetic condition. Any weeds or diseased or dead lawn, trees, ground cover, or shrubbery shall be removed and replaced. All lawn areas shall be mowed and edged; all trees, shrubs, and bushes shall be pruned, trimmed, and topped. No landscaping may adversely affect the value or use of any other Lot, or to detract from the uniform design and appearance of the Project established by the Declarant. The Board of Directors may adopt, amend, or

repeal written landscaping rules, regulations, guidelines, standards, controls, and restrictions from time to time.

6. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his or her obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association or Board of Directors may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against an Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses hereunder.

7. The Declarant may make changes to the design and construction of the improvements located in or on the Common Area without additional approval required, including without limitation, the consent of the Board of Directors or Members of the Association; provided, however, no Owner or Permittee may make any structural alterations to the Common Area and Facilities, without the express prior written consent of the Board of Directors.

8. No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament without, in every such case, the unanimous written consent of all the other Owners being first had and obtained.

9. Each Owner is responsible for the removal of ice and snow accumulations from his or her driveway, walkways, steps, and porch.

10. The Association is responsible for the removal of snow and ice accumulations from the Common Area.

11. The Association is not responsible to remove snow and ice accumulations from a Lot, including by way of illustration but not limitation the driveway or walkways up to a Home.

ARTICLE 15. ENTRY AND CENTRAL DIRECTORY

1. The entry monument and sign placed within the Common Area shall be maintained by the Owners in all respects. In the event of a partial or total destruction of the sign from any cause, the Owners shall rebuild the sign to restore it to its original dimensions and conditions consistent with applicable law. The Association shall have the sole and exclusive right to allocate the space on said sign for any and all purposes.

2. Any signs comprising a part of a central directory to the Lots or business development,

or individual signs attached to individual Lots shall conform in all respects to the Bylaws as administered by the Board of Directors.

ARTICLE 16. DUTY OF OWNER TO PAY TAXES ON LOT OWNED

Each Lot and its appurtenant membership interest in the Association is subject to separate assessment and taxation of each taxing authority and the special district(s) for all types of taxes and Assessments authorized by law, and that as result thereof, no taxes will be assessed or levied against the Property as such. Accordingly, each Owner will pay and discharge any and all taxes and assessments which may be assessed on that Lot.

ARTICLE 17. ALLOCATION OF PROFITS, LOSSES, AND VOTING RIGHTS

1. Voting rights and membership in the Association shall be distributed among the Lots equally. The ownership interest of each Lot and membership in the Association shall have a permanent character and shall not be altered without the express affirmative consent of at least two-thirds (2/3) of the Lots memorialized in an amendment to this Declaration duly recorded. Membership in the Association cannot be separated from the Lot.

2. The Association shall have two (2) classes of membership -- Class A and Class B, described more particularly as follows:

a. Class A Members shall be all Owners with the exception of the Class B Members, if any.

b. Class A Members shall be entitled to vote on all issues before the Association to, subject to the following: (i) Each Lot shall have one (1) vote; (ii) no vote shall be cast or counted for any Lot not subject to assessment; (iii) when more than one person or entity holds such interest in a Lot, the vote for such Lot shall be exercised as those persons or entities that they determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Lot shall be suspended in the event more than one person or entity seeks to exercise it; and (iv) any Owner who has leased his or her Lot may, in the lease or other written instrument, assign the voting right appurtenant to that Lot to the lessee, provided that a copy of such instrument is furnished to the Secretary of the Association prior to any meeting.

c. Class B Member shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Lots, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member is entitled to three (3) votes per Lot owned; provided, however, anything to the contrary notwithstanding, the Class B Member shall never have less than one more vote than all Class A votes combined. The Class B membership and the Period of Declarant's Control shall terminate, and Class B membership shall convert to Class A membership upon the happening of the earlier of the following (the "Event" or "Events"): (1) After all of the Lots have been sold by the Declarant or (2) when, in its sole discretion, Declarant so determines and records in the office of the Salt Lake County Recorder a written "Notice of

Termination of Period of Declarant's Control.” From and after the happening of these Events, whichever occurs earlier, the Class B Member shall be considered a Class A Member entitled to one (1) vote for each Lot owned.

ARTICLE 18. AMENDMENT OF THIS DECLARATION

1. Declarant’s Right to Amend Unilaterally Prior to Termination of Declarant’s Right to Control. Prior to the expiration of the Period of Declarant’s Control, Declarant, including an additional successor Declarant, may unilaterally amend this Declaration for any purpose.

2. Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation, or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any Lot unless any such Owner shall consent thereto in writing.

3. Amendments to Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC, or FNMA and to further amend to the extent requested by any other federal, state, or local governmental agency which requests such an amendment as a condition precedent to such agency’s approval of this Declaration or approval of the sale of Lots, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of a written Amendment duly signed by the Declarant, specifying the federal, state, or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the change, modification, or amendment requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency’s or institution’s request for such an amendment, and such Amendment, when recorded, shall be binding upon all Lots and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes, or alters such control in any manner whatsoever in the opinion of Declarant, Declarant shall have the unilateral right to amend this Declaration to restore such control.

4. Amendments by Owners. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation, to sections pertaining to the annexation or withdrawal of land, any amendment of this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the Total Votes of the Association cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners

without a meeting. A vote without a meeting is allowed. Secure online voting is allowed. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the Association. In such instrument an officer or Director of the Association shall certify that the vote required by this Section for amendment has occurred.

5. Declarant's Approval Required. So long as Declarant owns a Lot the Declaration may not be amended without its prior written consent.

6. Consent of Eligible Mortgagee. The consent of Eligible Mortgagees holding at least sixty seven percent (67%) of the undivided ownership interest in the Property in the Common Area and Facilities and shall be required to any amendment which would terminate the legal status of the Property; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest of the Owners in the Property in the Common Area and Facilities shall be required to add to or amend any material provision of this Declaration or the Final Plat which establishes, provides for, governs, or regulates any of the following, which are considered as "material":

- a. voting rights;
- b. increases in Assessments that raise the previously assessed amount by more than twenty-five (25%) percent, Assessment liens, or the priority of Assessments liens;
- c. reduction in reserves for maintenance, repair, and replacement of the Common Area and Facilities;
- d. responsibility for maintenance and repairs;
- e. reallocation of interests in the Common Area and Facilities, or rights to their use;
- f. redefinition of any Lot boundaries;
- g. convertibility of Lots into Common Area and Facilities or vice versa;
- h. expansion or contraction of the Property, or the addition, annexation, or withdrawal of property to or from the Property;
- i. hazard or fidelity insurance requirements;
- j. imposition of any restrictions on the leasing of Lots;
- k. imposition of any restrictions on an Owner's right to sell or transfer his or her Lot;

- l. a decision by the Association to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;
 - m. restoration or repair of the Property (after damage or partial condemnation) in a manner other than that specified in the documents;
 - n. any provisions that expressly benefit mortgage holders, insurers, or guarantors;
- and
- o. any provisions required by Utah State Department of Real Estate (or similar agency), FHA, VA, the FHLMC, or FNMA, any other federal, state, or local governmental agency or a federally chartered lending institution, which in all respects shall govern and control.

8. Material Amendment. Any addition or amendment shall not be considered material for purposes of this Section if it is for the clarification only or to correct a clerical error.

9. Notice to Eligible Mortgagee. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Final Plat is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Board of Directors or the Association a negative response to the notice of the proposed amendment within sixty (60) days from the date of such mailing shall be considered to have approved the proposal and given its implied consent. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Final Plat or the termination of the legal status of the Project if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

ARTICLE 19. EXPANSION

1. Reservation of Option to Expand. Declarant hereby reserves the option to expand the Project to annex additional real estate and include additional Lots. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date following the first conveyance of a Lot in Phase I to a Lot purchaser unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Lot Owners and shall be limited only as herein specifically provided. Such Lots shall be constructed on any or all portions of the Additional Land.

2. Supplemental Declarations and Supplemental Final Plats. Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Lots, together with supplemental Final Plat or Final Plats containing the same information with respect to the new Lots as was required on the Final Plat with respect to the Phase I Lots. The expansion may

be accomplished in phases by successive supplements or in one supplemental expansion.

3. Expansion of Definitions. In the event of such expansion, the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Property as so expanded. The term "Property" shall mean the real property initially submitted hereunder, plus any Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Lots after such expansion shall be effective to transfer rights in the Property, with additional references to the Supplemental Declaration and the Supplemental Final Plat. The recordation in the office of the Salt Lake County Recorder of a Supplemental Final Plat incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Lots in the Project as it existed before such expansion the respective undivided interests in the new Common Area added to the Property as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Lot in the Property as it existed, interest so acquired by the Owner of the Lot encumbering the new Common Area added to the Property as a result of such expansion.

4. Declaration Operative on New Lots. The new Lots shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Lots therein shall be subject to ownership within a planned development with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Final Plat and Supplemental Declaration in the said office of the Salt Lake County Recorder.

5. Right of Declarant to Adjust Ownership Interest in Common Area. Each deed of a Lot shall be deemed to irrevocably reserve to the Declarant the power to appoint to Lot Owners, from time to time, the percentages in the Common Area set forth in Supplemental or Declaration. The proportionate interest of each Lot Owner in the Common Area after any expansion of the Property shall be an undivided interest of the Property as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney-in-fact to shift percentages of the Common Area in accordance with Supplemental or Declarations recorded pursuant hereto and each deed of a Lot in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Lots may contain clauses designed to accomplish a shifting of the Common Area. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Area can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Area may be effected more than seven (7) years after the effective date of this Declaration.

6. Revised Schedule. Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Final Plat incident to any expansion, the revised schedule of undivided interests in the Common Area contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any Declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Property conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

7. Other Provisions Concerning Expansion. If the Project is expanded as hereinbefore contained, then it is further provided that:

a. All or any part of the additional land may be added to the Project without any limitations whatsoever save and except that all additional Lots created must be restricted to multi-family residential housing limited to one family per Lot.

b. Portions of the additional land may be added to the Project at different times without any limitations.

c. Declarant shall have the right without further conveyance or documentation to build roads and access ways to the additional land through the easement areas as shown on the Final Plat. The Association of Lot Owners shall not allow anything to be built upon or interfere with said easement areas.

d. No assurances are made concerning:

1) The locations of any improvement that may be made on any portion of additional land that may be added to the Project.

2) Type, kind, or nature of improvement which may be created on any portion of the additional land, except that the common facilities, Buildings, and Lots will be comparable to the initial facilities on a per Lot basis and will be of a similar quality of materials and construction to the initial phase and will be substantially completed prior to annexation.

3) Whether any Lots created on any portion of the additional land will be substantially identical to those within the initial phase except that Lots will be constructed of an equal or better quality of materials and construction than the Lots in the initial phase.

4) Type, size, or maximum number of Common Area and Facilities which may be created within any portion of the additional land added to the Project.

e. Notwithstanding anything to the contrary which may be contained herein, this Declaration is not intended and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to:

1) the submission of any portion of the additional land to the provisions of the Act as Land under this Declaration;

2) the creation, construction, or addition to the Project of any additional land;

3) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or

4) the taking of any particular action with respect to the additional land.

f. Assuming that only Phases 1, 2 and 3 of the Hyde Point - Phase 1 development is completed, the minimum number of Lots would be seventy-seven (77) and the maximum fractional percentage of ownership interest of each Lot in the Project would be 1/77; provided, however, the number of Lots in the Subdivision, the number of Lots actually constructed and the actual undivided percentage of ownership interest of each Lot and/or Lot may actually be somewhere in between the numbers and percentages set forth above.

ARTICLE 20. TRANSFER OF MANAGEMENT

Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Directors and may elect to transfer the management of the Project to a Board of Directors elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date"). The transfer shall be considered effective on the date of the Notice of Transfer Date letter. Thereupon, the Owners shall be obligated to call a meeting to elect the members of the Owner controlled Board of Directors to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. The Owners covenant with the Declarant to cooperate with Declarant in effecting an orderly transition of management. Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Board of Directors.

ARTICLE 21. WORKING CAPITAL FUND

A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Lot. Each Lot's share of the working capital fund shall be paid by the buyer of a Lot, collected by the title company, and transferred to the Association at the time of closing of the sale of each Lot. If the working capital contribution is paid for by the Declarant, in cash or kind, then the Declarant shall be reimbursed for such contribution by the buyer of such Lot at the time of closing. The purpose of the working capital fund is to ensure that the Board of Directors will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control, and regulation of the Property. Sums paid into the working capital fund are not to be considered advance payments of regular monthly payments of Common Expenses. Thereafter, the Board of Directors may continue the working capital fund by charging a reasonable transfer or impact fee when Lots are sold or rented.

ARTICLE 22. REINVESTMENT FEE

The buyer of a Lot shall pay to the Association at the time of closing or settlement of the sale of the Lot shall pay the Association a reinvestment fee in a sum to be determined by the Board of Directors. The amount may not exceed that sum allowed by statute.

ARTICLE 23. DECLARANT'S SALES PROGRAM

1. Sales Office and Model Homes. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Lots at any one time. Such office and/or models may be one or more of the Lots owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing.

2. Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property in accordance with city ordinances.

3. Common Area Use. Declarant shall have the right to use the Common Area of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

4. Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

5. Restrictions in Favor of the Declarant. The recreational amenities or facilities at the Project may not be subject to any restriction or reservation in favor of the Declarant or any of its affiliates.

6. Limitation on Improvements by Association. Neither the Association nor the Board of Directors shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Area and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Area as originally created or constructed by Declarant.

7. Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots, Homes or Buildings in the Project title to which is vested in the name of Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant in this Declaration.

ARTICLE 25. ENFORCEMENT AND RIGHT TO RECOVER ATTORNEYS' FEES

1. General Remedies. Should the Association, Board of Directors, Manager, or an aggrieved Owner be required to take action to enforce the Project Documents, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

2. Additional Remedies. In addition, the Board of Directors may impose the following sanctions after proper notice and the opportunity to be heard:

a. imposing Individual Charges, Default Assessments, and fines, which may be secured by a lien against the Owner's interest in the Property;

b. suspending an Owner's right to vote;

c. suspending any Person's right to use any of the recreational amenities located in the Common Area; provided, however, nothing herein contained shall authorize the Board of Directors to limit ingress or egress to or from a Lot;
