Furthermore, to the best knowledge and belief of Borrower, there is no basis for any unfavorable decision, ruling or finding by any court or governmental authority which would in any material respect adversely affect the validity or enforceability of the Loan Documents, or the condition of Borrower (financial or otherwise) or the ability of Borrower to meet Borrower's obligations under the Loan Documents.

Any deficiencies shall be paid by Borrower to Lender within five (5) days after demand. Payments for such purposes may be made by Lender at its reasonable discretion even though subsequent owners of the Property may benefit thereby. Lender shall not be a trustee of such funds and may commingle them with its general assets without any obligation to pay interest thereon or account for any earnings, income or interest on such funds.

- (d) *Taxes on Trustee or Lender.* If any Law imposes upon Trustee or Lender the obligation to pay the whole or any part of the Property Taxes and Charges or changes in any way Laws for the taxation of deeds of trust or debts secured by mortgages or the manner of collection of any such taxes, so as to affect adversely this Deed of Trust or the Secured Debt, then Borrower shall pay such Property Taxes and Charges or reimburse Trustee and Lender immediately therefor, unless in the opinion of counsel to either Trustee or Lender, it might be unlawful to require Borrower to pay the same or such payment might result in the imposition of interest prohibited by Laws. In such case, an Event of Default shall exist, but if Lender accelerates the Secured Debt solely because of such Event of Default, the Secured Debt shall not include the prepayment indemnification provided for in Paragraph 10 of the Note.
- (e) *Liabilities.* Except as provided in Paragraph 4.1(f), Borrower shall pay, prior to delinquency, all debts and liabilities incurred in the construction, operation, development, use, enjoyment, repair, maintenance, replacement, restoration, management and Clean-Up of the Property ("Property Liabilities") including without limitation, utility charges, sums due to mechanics and materialmen and other sums secured or which might be secured by liens on the Property.
- (f) *Right to Contest.* Borrower may, in good faith and by appropriate proceedings, contest the validity, applicability or amount of any asserted Property Taxes and Charges, Property Liabilities or liens, charges, attachments or *lis pendens* under Paragraph 4.2(b) ("Contested Sum") after written notice of the same to Lender. During such contest, Borrower shall not be deemed in default hereunder if: (i) prior to delinquency of the Contested Sum, Borrower deposits with Lender or Lender's nominee cash or other security, in form reasonably satisfactory to Lender,

adequate to cover the payment of such Contested Sum and any obligation, whether matured or contingent, of Borrower, Trustee or Lender therefor, together with interest, costs and penalties thereon; and (ii) Borrower promptly pays any amounts adjudged to be due, together with all costs, penalties and interest thereon, on or before such judgment becomes final. Each such contest shall be concluded and the Contested Sum, interest, costs and penalties thereon shall be paid prior to the date such judgment becomes final and before any writ or order is issued under which the Property could be sold pursuant to such judgment.

- (g) *Expenses.* To the extent allowed by Laws, Borrower shall pay, on demand, but without counterclaim, setoff, deduction, defense, abatement, suspension, deferment, discrimination or reduction all fees (including, without limitation, reasonable attorneys' fees and disbursements) taxes, recording fees, commissions and other liabilities, costs and expenses incurred in connection with: (i) the making or enforcement of the Loan Documents; (ii) Trustee's or Lender's exercise and enforcement of its rights and remedies under Paragraphs 7 and 8; (iii) Trustee's or Lender's protection of the Property and its interest therein; and (iv) any amendments, consents, releases, or waivers if granted by Lender under the Loan Documents.

Borrower shall not be entitled to any credit on the Secured Debt by reason of its payment of any sums required to be paid under Paragraph 4.1(b) through (f) unless such sums are paid to reimburse Lender for amounts paid by Lender and added by Lender to the Secured Debt.

4.2 *Operation of the Property.*

- (a) *Maintenance; Alterations.* Borrower shall maintain and preserve the Property in good repair and condition, ordinary wear and tear excluded, and shall correct any defects or faults in the Property. Borrower shall not commit, permit or suffer any demolition or waste of the Property or any use or occupancy which constitutes a public or private nuisance. Borrower shall not do, permit or suffer to be done any act whereby the value of the Property may be materially decreased (excluding acts of terrorism or general economic reversals applicable to the market place in which the Property is located). Borrower shall not make any material alterations, improvements, additions, utility installments or the like to the Property without the prior written consent of Lender in each instance, such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that Borrower may make replacements or substitutions of any item of the Personalty if the replacement or substitution is of a quality, utility, value, condition and character similar to or better than the replaced or substituted item and is free and clear of any lien, charge, security interest or encumbrance, except as created or permitted by this Deed of Trust.
- (b) *Liens.* Except as provided in Paragraph 4.1(f) Borrower shall promptly discharge any mechanics, laborers', materialmen's or similar lien or any

other lien, charge, attachment, or lis pendens filed or recorded against the Property which relates to Borrower, the Property or any Contamination.

- (i) Borrower shall timely comply with all requirements of Title 38 Chapter 1a of Utah Code Annotated with regard to filings and notices. Borrower shall cause Beneficiary to be named as a person interested in receiving electronic notices of all filings with respect to the Property in the State Construction Registry in accordance with Utah Code Annotated § 38-1a-201. Borrower shall also provide to Beneficiary copies of all preliminary notices or other notices filed by any contractor, subcontractor or supplier with respect to the Property that are included in the State Construction Registry and/or received by Borrower.
- (ii) Borrower represents and warrants to Lender that it has inspected the records of the State Construction Registry and that such inspection reveals no current filings of a preliminary notice or notice of retention filed by any lien claimant (whether a pre-construction lien or a construction lien) except as disclosed to Lender by Borrower in writing. Borrower further represents and warrants that no mechanic's lien claim, notice of lien, lis pendens or similar filing has been filed in the State Construction Registry in any form prior to the date hereof with respect to the Property or recorded against the Property.
- (iii) If Beneficiary or its title insurer determines that a preliminary notice has been filed in the State Construction Registry prior to the time of the recording of this Deed of Trust, Borrower shall provide to Beneficiary written evidence acceptable to Beneficiary and its title insurer that the lien claimant has accepted payment in full for construction services that the claimant furnished pursuant to *Utah Code Annotated* § 38-1a-503(2)(b) such that the priority for a pre-construction services lien or a construction services lien dates immediately after the recording of this Deed of Trust.
- (iv) Borrower shall cooperate with Lender and any title insurer to facilitate the filing of a Notice of Construction Loan, as contemplated by *Utah Code Annotated* § 38-1a-601 in the State Construction Registry with respect to the financing secured hereby. The notice of construction loan will include the following information: Lender's name, address and telephone number, Borrower's full legal name, the tax parcel identification number for each parcel included in the Property secured hereby, the address of the Property, and the County in which the Property is located.
- (v) Borrower shall cause, as a condition precedent to the closing of the loan secured hereby, Lender's title insurer to insure in a manner acceptable to Lender in its sole discretion, that this Deed of Trust shall be a valid and existing first priority lien on the Property free and clear of any and all exceptions for mechanic's and materialman's liens and all other liens and exceptions except

as set forth in the mortgagee's policy of title insurance accepted by Lender, and such title insurance policy may not contain an exception for broken lien priority and may not include any pending disbursement endorsement, or any similar limitation or coverage or requiring future endorsements to increase mechanic lien coverage under Covered Risk 11(a) of the 2006 Form of ALTA Mortgagee's Title Insurance Policy.

- (vi) Borrower shall pay and promptly discharge, at Borrower's cost and expense, all liens, encumbrances and charges upon the Property (other than the Permitted Exceptions), or any part thereof or interest therein whether inferior or superior to this Deed of Trust and keep and maintain the same free from the claim of all persons supplying labor, services or materials that will be used in connection with or enter into the construction of any and all buildings now being erected or that hereafter may be erected on the Property regardless of by whom such services, labor or materials may have been contracted, provided, however, that Borrower shall have the right to contest any such claim or lien so long as Borrower previously records a notice of release of lien and substitution of alternate security as contemplated by *Utah Code Annotated* § 38-1a-804 and otherwise complies with the requirements of *Utah Code Annotated* § 38-1a-804 to release the Property from such lien or claim. Notwithstanding the foregoing, Borrower may (A) with the prior written consent of Lender, contest the amount of any such lien or claim related to services, labor or materials in accordance with *Utah Code Annotated* § 38-1a-804(7) without previously recording a notice of release of lien and substitution of alternate security or (B) appropriately bond or reserve (in cash deposited with Lender) for any such lien or claim, as determined in Lender's reasonable discretion.

- (vii) If Borrower shall fail to remove and discharge any such lien, encumbrance or charge, or if Borrower shall dispute the amount thereof in contravention of the requirements hereof, then, in addition to any other right or remedy of Lender, Lender may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the release of the Property from the effect of such lien, encumbrance or charge by obtaining a bond in the name of and for the account Borrower of and recording a notice of release of lien and substitution of alternate security in the name of Borrower, each as contemplated by *Utah Code Annotated* § 38-1a-804 or other applicable law, or otherwise by giving security for such claim. Borrower shall, immediately upon demand therefor by Lender, pay to Lender an amount equal to all costs and expenses incurred by Lender in connection with the exercise by Lender of the foregoing right to discharge any such lien, encumbrance or charge, including costs of any bond or additional security, together with interest thereon from the date of such expenditure at the default rate set forth in the Note.

- (c) *Compliance with Laws and Private Covenants.* Borrower shall keep, observe, and satisfy, and not suffer violations of, Laws and private covenants (whether or not listed as Permitted Encumbrances) materially affecting the Property.
- (d) *Use.* Borrower shall not permit the use or occupancy of the Property other than pursuant to Leases which shall have been approved in advance and in writing by Lender pursuant to the Lease Assignment or which require no approval thereunder. Borrower shall not use or permit the use or occupancy of the Property in a manner which will result in Contamination and Borrower shall take all steps reasonably necessary under the circumstances including, without limitation, periodic inspections and assessments of the Property, to determine whether Contamination has occurred. Notwithstanding the foregoing, Borrower may use and permit the use of minor, insubstantial amounts of petroleum products and other substances customarily used in and about retail and office buildings similar to the Property (e.g., petroleum products used in vehicles parked on the Property, common office cleaning supplies and other similar customary materials used in connection with the use and occupancy of retail and office buildings); provided, however, that (i) all such substances are used in full compliance with all applicable Laws, (ii) no such substances are released or disposed of on the Property, and (iii) all indemnities of Borrower contained herein extend to such substances and the use thereof, notwithstanding that the use of such substances may be permitted hereby.
- (e) *Inspection.* Whether or not an Event of Default (as defined in Paragraph 9.1) has occurred and exists, but subject to the rights of tenants under Leases (except in the case of an emergency or an Event of Default), Lender and its agents and contractors, shall have the right, but not the duty or obligation, to enter upon the Property at reasonable times during normal business hours upon reasonable advance notice to Borrower (except in the case of an emergency or an Event of Default), without delay, hindrance or restriction, in order to conduct appraisals and inspections of the Property, including, but not limited to environmental inspections. If, in the reasonable belief of Lender, Contamination has occurred or is likely to occur Lender shall have the right, but not the duty or obligation to conduct, or cause to be conducted, testing, including, but not limited to, soil, air and groundwater sampling, regarding such Contamination. Any environmental inspections or testing shall be paid for by Borrower. Lender shall have the right, but not the duty or obligation, to disclose the results of such inspections and testing as required by Laws or as deemed appropriate by Lender.
- (f) *Notification of Contamination; Clean-Up.* Borrower shall notify Lender immediately upon discovery of any Contamination. Unless required by applicable Laws, Borrower shall not, without Lender's prior consent, initiate Clean-Up of any Contamination, or enter into any settlement agreement, consent decree or other compromise with respect to any violation or alleged violation of any Laws concerning Hazardous Substances, if such Clean-up, settlement agreement, consent decree or

other compromise might, in Lender's judgment, impair the value of Lender's security hereunder; provided, however, that Lender's prior consent shall not be required in the event the Contamination either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary, such that it is impossible to obtain Lender's consent before taking such remedial action; provided further, however, that in such event, Borrower shall notify Lender as soon as practicable of any remedial action so taken.

- (g) *Property Manager and Asset Manager.* Lender hereby approves Woodbury Corporation as the Property Manager. Borrower shall not remove or replace such property manager without the prior written approval of Lender, such approval not to be unreasonably withheld, conditioned or delayed. Lender hereby approves Blox Manager LLC as the Asset Manager. Borrower shall not remove or replace such asset manager without the prior written approval of Lender, such approval not to be unreasonably withheld, conditioned or delayed. Borrower hereby authorizes Asset Manager to negotiate and communicate with Lender on its behalf regarding the Loan and Loan Documents.
- (h) *Future Encumbrances.* The parties hereby acknowledge and agree that Borrower may, subject to Lender's prior written approval and sole discretion, (i) seek a lot line adjustment within the separate parcels of the Property, (ii) create a condominium map for the Property and record such map against the Property, and/or (iii) create covenants, conditions and restrictions to govern the Property and record any such document(s) against the Property.

- 4.3 *Insurance.* Borrower shall obtain and keep in force, with one or more insurers with a Best's Rating of A-/VII or higher, such insurance as Lender may from time to time specify by notice to Borrower, including, as a minimum insurance providing: (i) commercial general liability and property damage coverage with a broad form coverage endorsement, with limits of liability determined to be acceptable by Lender from time to time; (ii) protection against fire, "extended coverage" and other "All Risk" perils (excluding earthquake), to the full replacement cost of the Improvements and Personalty; (iii) rent loss insurance in an amount of not less than a sum equal to 12 months of rental income from all Leases received by Borrower as landlord or lessor thereunder; and (iv) flood insurance if the Property is located in an area identified by FEMA or any successor as an area having special flood hazards or in which flood insurance has been made available under applicable Laws. All property insurance policies shall include the standard mortgagee clause in the State naming Lender as the first mortgagee with all losses payable to Lender, and shall also include an agreed-amount endorsement sufficient to prevent Borrower from becoming a co-insurer. All liability policies shall name Lender as an additional insured. All insurance policies shall provide that the policy may not be cancelled without 30 days prior written notice to Lender or otherwise modified without 10 days prior written notice to Lender, and that no act or thing done by Borrower shall invalidate the policy as against Lender, and that the deductible for any AOP shall not be more than \$100,000. At least 5 business days prior to the expiration date

of any policy required hereunder, Borrower shall provide Lender or Lender's designee with evidence of compliance with this Paragraph 4.3, in such form as required from time to time by Lender. Such form shall bear notations evidencing the prior payment of premiums ("Insurance Premiums") or shall be accompanied by other evidence satisfactory to Lender that such payment has been made.

All property insurers shall agree not to acquire any rights of recovery against Lender by subrogation. Borrower, to the full extent permitted by Laws and to the full extent permitted without invalidating the insurance policies required above, shall obtain endorsements by all insurers waiving any right of subrogation against tenants under any Leases and shall require the same of such tenants. Lender shall not because of accepting, rejecting, approving or obtaining insurance, incur any liability for the existence, nonexistence, continuation, form or legal sufficiency of any insurance, the solvency of any insurer, or the payment of losses.

Borrower shall furnish to Lender or Lender's designee an original of all policies of insurance required under this Deed of Trust, provided, however, that if Lender consents to Borrower providing any of the insurance required under this Deed of Trust through blanket policies carried by Borrower and covering more than one location, Borrower shall furnish Lender or Lender's designee with a certificate of insurance for each such policy, setting forth the coverage, the limits of liability as to the Property, the name of the insurer, the policy number and the expiration date, or with a certified true copy of the original of each such policy.

Borrower shall keep, observe and satisfy, and not suffer violations of the requirements, including those requirements pertaining to acts committed or conditions existing on the Property, of insurance companies and any bureau or agency which establishes standards of insurability affecting the Property. Borrower shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with that required by this Deed of Trust.

Upon foreclosure of this Deed of Trust or other transfer of title or assignment of the Property in discharge, in whole or part, of the Secured Debt, all right, title and interest of Borrower in and to any proceeds available for any claims that insurance company might disburse, including but not limited to liability, casualty or loss, arising prior to date of such transfer of title from policies of insurance required by this Paragraph 4.3 shall inure to the benefit of and pass to Lender.

4.4 *Sales and Encumbrances.* Except as herein expressly provided, Borrower shall not, without the prior written consent of Lender, which consent, if given in Lender's sole unfettered discretion, may be conditioned upon a change in the interest rate under the Note, payment of a fee or change in the term of the Note, adjustment of the Maturity Date (as defined in the Note) or amortization period or one or more of the foregoing or other requirements of Lender:

- (a) convey, assign, sell, mortgage, encumber, pledge, dispose of, hypothecate, grant a security interest in, grant options with respect to, or otherwise dispose of (directly or indirectly or by operation of law or otherwise, of record or not) all or any part of any legal or beneficial interest in any part or all of the Property or the Leases, or any interest therein; or

- (b) directly or indirectly sell, assign or otherwise dispose of (whether or not of record or for consideration), or permit the sale, assignment or other disposition of; (i) any legal or beneficial interest in the stock of any corporation which is either Borrower or is a beneficial owner of all or part of Borrower or the Property; or (ii) any legal or beneficial interest in Borrower (or any trust of which Borrower is a trustee) if Borrower is a limited or general partnership, limited liability company, joint venture, trust, nominee trust, tenancy in common or other unincorporated form of business association or form of ownership, except limited partnership interests if Borrower is a limited partnership.

Notwithstanding the foregoing, so long as an Event of Default does not exist, no transfer or other fee shall be payable and consent from Lender shall not be required for any transfer of direct or indirect interests in Borrower so long as after giving effect to such transfer, Borrower continues to be controlled by Kenneth S. Fong (or John C. Fong, in the event of the death or incapacity of Kenneth S.Y. Fong). As used herein, "control" shall mean a voting control over the management of each of the two entities constituting Borrower greater than or equal to fifty percent (50%). Borrower will provide Lender with written notification indicating a planned transfer of ownership, together with supporting documentation satisfactory to Lender showing that such transfer is permitted by this section, prior to any transfer of ownership of 25% or more of the direct or indirect interests in Borrower.

If any transfer results in any individual holding 25% or greater legal or beneficial interest in Borrower, Lender's prior written consent shall be required for purposes of compliance with anti-money laundering and anti-terrorism laws, OFAC and other regulatory requirements.

- 4.5 *Permitted Sale of Property.* Notwithstanding Paragraph 4.4 above, Borrower shall have the one-time right to sell the Property, on an arms-length basis, to a third party unrelated to Borrower, subject to (i) an Event of Default (as hereinafter defined) shall not have occurred and be continuing, (ii) the assumption by such buyer of the Note, this Deed of Trust, and all other instruments securing the Note, (iii) the approval by Lender, in Lender's reasonable discretion, of such third party buyer, and (iv) the payment by Borrower to Lender of a fee in an amount equal to one percent (1%) of the remaining principal balance of the Note at the time of the close of such sale. The right of Borrower or its successor pursuant to this paragraph shall terminate upon any such sale.
- 4.6 *Permitted Encumbrance.* Notwithstanding the provisions of Paragraph 4.4 above, Borrower shall have the right, with Lender's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed), to obtain secondary financing secured by the Property in the form of a standard amortizing loan from either Lender or an acceptable financial institute subject to the following conditions:
 - (a) an Event of Default shall not have occurred and be continuing;
 - (b) the combined loan-to-value ratio (as determined by Lender) of the primary and secondary financing shall be no greater than Lender's then current

underwriting requirements, but at a minimum shall not exceed 75% as evidenced by an MAI appraisal reasonably satisfactory to Lender at the time of the initial or subsequent financing;

- (c) the minimum combined debt service is covered by net operating income by a ratio no less than Lender's then current underwriting requirements, but at a minimum shall not be less than 1.25x of the primary and secondary financing as evidenced by an MAI appraisal reasonably satisfactory to Lender at the time of the initial or subsequent financing;
- (d) the documents for such secondary financing must be reasonably acceptable to Lender and shall, in the case of a loan from a third party lender, include the receipt of an intercreditor agreement in form and substance acceptable to Lender and executed by Borrower and the secondary lender;
- (e) the income (leases) and expenses used to obtain debt service coverage shall be determined by Lender in Lender's sole discretion; and
- (f) the secondary financing will be coterminous with the Loan.

Anything to the contrary notwithstanding, Lender shall be under no obligation to provide such secondary financing to Borrower even if all of the above conditions are satisfied. The decision by Lender to provide such secondary financing shall be Lender's sole discretion.

4.7 *Financial Records and Statements.* Borrower shall keep accurate books and records in accordance with generally accepted accounting principles consistently applied (or other basis of accounting practices prescribed or permitted by Lender) (subject to normal year-end adjustments) in which full, true and correct entries shall be promptly made as to all operations of the Property and shall permit all such books and records to be inspected and copied by Lender, its designees or its representatives during customary business hours within ten (10) business days of written request by Lender. Borrower shall deliver to Lender within 120 days after the close of its financial year, and upon request by Lender at any time during the term of the loan secured by the Loan Documents, a statement of condition or balance sheet of Borrower relating solely to the Property as of the end of such year and an annual operating statement showing in reasonable detail all income and expenses of Borrower with respect to the Property, both certified as to accuracy by a "big four" accounting firm, another certified public accountant acceptable to Lender or the chief financial officer of Borrower. Borrower shall also deliver to Lender within 120 days after the close of its financial year and upon request by Lender at any time during the year a current list of all persons then occupying portions of the Property under Leases, the rentals payable by such tenants and the unexpired terms of their Leases, certified as to their accuracy by a representative of Borrower acceptable to Lender, and in form and substance satisfactory to Lender.

4.8 *Indemnity.* Borrower shall indemnify, defend and hold harmless Trustee and Lender, its agents and employees from and against, and upon demand, reimburse Trustee and Lender for all claims, demands, liabilities, losses,

damages, judgments, penalties, costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, which may be imposed upon, asserted against or incurred or paid by either Trustee or Lender by reason of, on account of or in connection with:

- (a) any violation of Laws by other than Lender;
- (b) any bodily injury or death or property damage occurring in, upon or in the vicinity of the Property through any cause whatsoever;
- (c) any Contamination, any Clean-Up, any Environmental Actions or Claims, or the imposition or recording of a lien against the Property due to any Contamination;
- (d) any act performed or omitted to be performed by Borrower under the Loan Documents or on account of any transaction arising out of or in any way connected with the Property or the Loan Documents;
- (e) any expenditures or amounts advanced (other than advances of principal under the Note and any disbursement of casualty and/or condemnation proceeds in accordance with this Deed of Trust) by Lender at any time under the Loan Documents; and
- (f) any act or omission of Lender under the Loan Documents as a result of Lender's exercise of rights or remedies under Paragraph 9.2 or under any of the other Loan Documents.

Notwithstanding anything contained herein to the contrary, the foregoing indemnities shall not apply to (i) matters resulting solely from the gross negligence or intentional misconduct of Lender or its agents or employees, or (ii) matters resulting solely from the actions of Lender, or its agents or employees taken after such parties (or a receiver appointed by a court at the request of Lender) have taken title to, or exclusive possession of the Property, provided that, in both cases, such matters shall not arise from or be accumulated with any condition of the Property, which condition was not caused by Lender, or its agents or employees.

Borrower shall have the right to control any action for which an indemnity is required pursuant to this Paragraph 4.8 through counsel of its choice, subject to Lender's consent; however, at Lender's option, Lender may participate in such action through its own counsel at Borrower's expense. If Borrower does not notify Lender of its intent to control such action within the earlier of 30 days of notice of such claim or 5 days prior to the time required by Law to respond to such claims, Lender may control and settle such action, including a settlement for non-monetary relief such as Clean-Up, without Borrower's consent and at Borrower's expense.

If Borrower is a general or limited partnership, Borrower waives any rights it may have to require Lender to proceed against the assets of the partnership before proceeding against the assets of individual general partners in the exercise of its rights under this Paragraph 4.8.

- 4.9 *Notices.* Borrower shall deliver to Lender at Lender's Notice Address promptly upon receipt of the same, copies of all notices, certificates, documents and instruments received by Borrower which materially and adversely affect Borrower, the Property or the Leases, including, without limitation, those given in connection with Contamination or Environmental Actions or Claims.
- 4.10 *Estoppel Certificates.* Borrower shall promptly furnish to Lender from time to time, on the request of Lender, written certifications signed and, if so requested, acknowledged setting forth the then unpaid principal and interest under the Note and specifying any claims, offsets or defenses which Borrower asserts against the Secured Debt or any obligations to be paid or performed by Borrower under the Loan Documents, together with any other information reasonably requested by Lender.
- 4.11 *Subordination, Non-Disturbance and Attornment Agreements.* Should a Tenant, under any present or future Lease at the Property, require Borrower to secure a Subordination, Non-Disturbance and Attornment Agreement from Lender, the document shall be satisfactory to Lender in its reasonable discretion.
- 4.12 *Legal Existence.* Borrower shall continuously maintain its existence as a legal entity and its right to own the Property and to do business in the State.
- 4.13 *Defense and Notice of Actions.* Borrower shall, without liability, cost or expense to Trustee or Lender protect, preserve and defend title to the Property, the security hereof and the rights or powers of Trustee or Lender, against all adverse claimants to title or any possessory or non-possessory interests therein (other than Permitted Encumbrances), whether or not such claimants or encumbrancers assert title paramount to that of Borrower, Trustee or Lender or claim their interest on the basis of events or conditions arising subsequent to the date hereof.
- 4.14 *Lost Note.* Borrower shall, if the Note is mutilated, destroyed, lost, or stolen, deliver to Lender a new promissory note containing the same terms and conditions as the Note with a notation thereon of the unpaid principal and accrued and unpaid interest, whereupon the prior note shall be void and of no further force and effect; provided however, that it shall be a condition to Borrower's obligation hereunder that Lender execute and deliver a lost note affidavit and indemnity in favor of Borrower to hold Borrower harmless from and against any losses in connection with such new promissory note. Any such new note shall be secured hereby and shall be deemed to be the "Note" referred to herein.
- 4.15 *Personalty.* Subject to Borrower's rights to dispose of and replace the Personalty in accordance with the Loan Documents, Borrower shall use the Personalty primarily for business purposes and keep it at the Land. Borrower shall immediately notify Lender in writing of any change in its place of business and, as of the execution hereof and hereafter from time to time when requested by Lender, upon any acquisition of items of property constituting Personalty, Borrower shall provide Lender with a current, accurate inventory of the Personalty.

- 4.16 *Further Assurances.* Borrower shall promptly upon request of Lender or Trustee: (a) correct any defect, error or omission which may be discovered in the contents of any Loan Document or in the execution or acknowledgement thereof; (b) execute, acknowledge, deliver and record or file such further instruments (including, without limitation, mortgages, deeds of trust, security agreements, financing statements and specific assignments of rents or leases); and (c) do such further acts as may be necessary, desirable or proper in Trustee's or Lender's opinion to: (i) protect and preserve the first and valid lien (subject to the Permitted Encumbrances), title and security interest of this Deed of Trust on the Property or subject thereto any property intended by the terms thereof to be covered thereby, including, without limitation, any renewals, additions, substitutions or replacements thereto; or (ii) protect the interest and security interest of Trustee or Lender in the Property against the rights or interests of third parties.

Borrower hereby appoints each of Trustee and Lender as its attorney in fact, coupled with an interest, to take the above actions and to perform such obligations on behalf of Borrower, at Borrower's sole expense, if Borrower fails to comply with this Paragraph 4.16.

- 4.17 *Replacement Guarantor.* Within ninety (90) days after the death of any guarantor or indemnitor of Borrower's obligations under the Loan Documents, Borrower shall secure a replacement guarantor or indemnitor, satisfactory to Lender in its sole discretion, who, within the 90 day period, shall sign all documents required by Lender to effectuate this intent.
- 4.18 *Investment Activities in Iran Energy Sector.* Borrower (i) shall not provide goods or services in the Energy Sector in Iran and (ii) shall promptly notify Lender if it has been placed on a list (or has been notified that it may be placed on a list) by any state or governmental authority as a party providing goods or services in the Energy Sector in Iran.

5. CASUALTIES AND TAKINGS.

- 5.1 *Notice to Lender.* In the case of any act or occurrence of any kind or nature which results in damage, loss or destruction to the Property ("Casualty"), or commencement of any proceedings or actions which might result in a condemnation or other taking for public or private use of the Property or which relates to injury, damage, benefit or betterment thereto ("Taking"), Borrower shall immediately notify Lender describing the nature and the extent of the Taking or the Casualty, as the case may be. Borrower shall promptly furnish to Lender copies of all notices, pleadings, determinations and other papers in any such proceedings or negotiations.
- 5.2 *Repair and Replacement.* In case of a Casualty or Taking, Borrower shall promptly (at Borrower's sole cost and expense and regardless of whether the Insurance Proceeds or the Taking Proceeds, if any, shall be sufficient or made available by Lender for the purpose) restore, repair, replace and rebuild the Property as nearly as possible to its quality, utility, value, condition, and character immediately prior to the Casualty or the Taking, as the case may be. However, upon a Casualty or Taking resulting in a restoration cost that exceeds 25% of the

then replacement value of the Improvements or a Taking of more than 25% of the area of the Land, and application by Lender of the Insurance Proceeds or the Taking Proceeds to reduction of the Secured Debt in accordance with this Deed of Trust, Borrower shall be obligated only to remove any debris from the Property and take such actions as are necessary to make the undamaged or non-taken portion of the Property into a functional economic unit insofar as it is reasonably possible under the circumstances.

5.3 *Insurance Proceeds and Taking Proceeds.*

- (a) *Collection.* Borrower shall use its commercially reasonable efforts to collect the maximum amount of insurance proceeds payable on account of any Casualty ("Insurance Proceeds"), and the maximum award, payment or compensation payable on account of any Taking ("Taking Proceeds"). In the case of a Casualty, Lender may, in its sole unfettered discretion, make proof of loss to the insurer, if not made promptly by Borrower. Borrower shall not settle or otherwise compromise any claim for Insurance Proceeds or Taking Proceeds without Lender's prior written consent.
- (b) *Assignment to Lender.* Borrower hereby assigns, sets over and transfers to Lender all Insurance Proceeds and Taking Proceeds and authorizes payment of such Insurance Proceeds and Taking Proceeds to be made directly to Lender. Lender shall apply the Insurance Proceeds and Taking Proceeds first to pay all expenses incurred by Lender in connection with the Casualty or Taking, including, without limitation, attorney's fees and title fees.
- (c) *Application of Proceeds.* Unless the conditions set forth in Paragraph 5.4 for the application of Insurance Proceeds to Restoration are satisfied, Lender may, in its sole unfettered discretion, apply the balance of the Insurance Proceeds or Taking Proceeds ("Net Proceeds") to either of the following, or any combination thereof:
 - (i) to the payment of the Secured Debt, either in whole or in part, in any order determined by Lender in its sole unfettered discretion; or
 - (ii) to repair or replacement, either partly or entirely, of any part of the Property so destroyed, damaged or taken, in which case Lender may impose such terms, conditions and requirements for the disbursement of the Insurance Proceeds or Taking Proceeds as it, in its sole unfettered discretion, deems advisable. Lender shall not be a trustee with respect to any Insurance Proceeds or Taking Proceeds, and may commingle Insurance Proceeds or Taking Proceeds with its funds without obligation to pay interest thereon.

If any portion of the Secured Debt shall thereafter be unpaid, Borrower shall not be excused from the payment thereof in accordance with the terms of the Loan Documents. Lender shall not, in any event or circumstance, be liable or

responsible for failure to collect or exercise diligence in the collection of any Insurance Proceeds or Taking Proceeds.

5.4 *Disbursement of Insurance Proceeds to Borrower.* Lender will disburse the Insurance Proceeds to Borrower, subject to and in accordance with the terms and conditions of this Paragraph 5.4, provided that: (1) there exists no Event of Default or occurrence or facts for which Lender has given written notice of default to Borrower which remains uncured at any time before or during the Restoration; (2) the Casualty does not occur within nine months of the Maturity Date (as defined in the Note); (3) Lender estimates that the loss or damage can be repaired for less than 75% of the then-existing Secured Debt; and (4) Borrower has submitted evidence satisfactory to Lender that Restoration can be completed within 270 days after the Casualty, subject to delay beyond Borrower's control, other than lack of funds.

- (a) As to any loss or damage which Lender estimates can be repaired for less than Two Hundred Fifty Thousand Dollars (\$250,000), Lender shall disburse to Borrower from the Net Proceeds the amount which it determines is necessary to repair the damage, which amounts shall be used by Borrower to restore the damage to the Property caused by the Casualty.
- (b) As to all other Casualties, Lender shall disburse the Net Proceeds related thereto to Borrower on the following terms and conditions:
 - (i) Prior to the first and each subsequent disbursement, Borrower shall give proof satisfactory to Lender that:
 - (1) Lender is holding a fund comprised of the Net Proceeds and, if necessary, additional deposits made by Borrower or tenants of the Property, sufficient to restore the Property to its condition and use immediately prior to such loss or damage ("Restoration"), together with a fund comprised of Net Proceeds or funds deposited by Borrower, sufficient to pay operating expenses, Property Taxes and Charges, the Monthly Payments (as defined in the Note) and other so called "carrying costs" of the Property during the period of Restoration;
 - (2) there are no Laws preventing Restoration of the Property;
 - (3) immediately after Restoration, the Leases on the Property will produce sufficient income to Borrower to provide a debt coverage ratio of at least 1.1 : 1. The debt coverage ratio shall be calculated by dividing the operating income (less operating expenses and Property Taxes and Charges) obtained from the Leases by Borrower during the twelve month period immediately after the Restoration by the total principal and interest payments due on all indebtedness secured by the Property during the same period;

- (4) the Restoration will be conducted under the supervision of an architect, engineer and/or a general contractor selected by and paid by Borrower and approved by Lender;
 - (5) the Restoration will be performed pursuant to plans and specifications approved by Lender and by a contractor or contractors approved by Lender; and
 - (6) the Property, after such Restoration, shall be in compliance with Laws.
- (ii) With respect to each disbursement and accompanying each request therefor, there shall be delivered to Lender:
- (1) a certificate addressed to Lender and executed by Borrower and by the architect, engineer or general contractor supervising the Restoration that such disbursement is to pay for costs of the Restoration not paid previously by any other prior disbursement, that the amount of such disbursement does not exceed the aggregate of such costs incurred or paid on account of work, labor or services performed and materials installed in or stored upon the Property at the date of such certificate and that the disbursement requested, together with the disbursements made prior thereto, collectively, as a percentage of the total Net Proceeds, do not exceed the percentage of completion of the Restoration; and
 - (2) an endorsement to Lender's title insurance policy, in which the making of the disbursement is recognized and the effective date of coverage is changed to the date of disbursement.
- (iii) Each disbursement shall be in the amount not greater than 90% of the costs described in the certificate referred to in Paragraph 5.4(b)(ii) hereof. Disbursement of the final balance of the Net Proceeds, constituting not less than ten percent (10%) thereof, shall be disbursed only upon delivery to Lender of the following, in addition to the foregoing:
- (1) evidence satisfactory to Lender that all claims then existing for labor, services and materials enforceable by lien upon the Property have been paid in full or provision acceptable to Lender has been made therefor;
 - (2) a certificate of such architect, engineer or general contractor that the Restoration of the Property has been completed in a good workmanlike manner and in accordance with all Laws;

- (3) an estoppel affidavit in form satisfactory to Lender from each tenant occupying or leasing space in the Property affected by the Casualty; and
 - (4) if applicable (and necessary), an as-built survey of the Improvements certified to Lender and in form satisfactory to Lender.
- (iv) If the quality of the Restoration is at least equal to the quality of the Improvements before the Casualty, any Net Proceeds in excess of the amount used in payment of the Restoration shall be distributed to Borrower.

Lender shall not be a trustee with respect to any Insurance Proceeds, and may mingle Insurance Proceeds with its funds without obligation to pay interest thereon. Lender shall in no event be liable for the performance or observance of any covenant or condition arising under any Lease in connection with the Property nor obligated to take any action to restore the Property.

6. ASSIGNMENT OF RENTS, ISSUES AND PROFITS.

6.1 *Assignment of Rents.* Borrower hereby assigns to Lender the rents, issues, profits, royalties, and payments payable under any lease of the Property, or portion thereof including any oil, gas or mineral lease, or any installments of money payable pursuant to any agreement or any sale of said property or any part thereof, reserving to Borrower the rights prior to an Event of Default by Borrower in payment of the Secured Debt secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues, profits, royalties, payments and installments of money as they may become due and payable. Upon any such Event of Default, Lender, without regard to the adequacy of any security for the Secured Debt hereby secured, shall be entitled to (1) collect such rents, issues, profits, royalties, payments and installments of money and apply the same as more particularly set forth in this Paragraph, all without taking possession of the Property, or (2) enter and take possession of the Property or any part thereof, in person, by agent, or by a receiver to be appointed by the court and to sue for or otherwise collect such rents, issues, profits, royalties, payments and installments of money. Lender may apply any such rents, issues, profits, royalties, payments and installments of money so collected, less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any indebtedness secured hereby, in such order as Lender may determine, and, if such costs and expenses and attorneys' fees shall exceed the amount collected, the excess shall be applied in accordance with the Loan Documents. The collection of such rents, issues, profits, royalties, payments and installments of money and the application thereof as set forth above shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice, except to the extent any such default fully is cured. Failure or discontinuance of Lender at any time, or from time to time, to collect any such moneys shall not impair in any manner the subsequent enforcement by Lender of the right, power and authority herein conferred on Lender. Nothing contained herein, including the exercise of any right, power or authority herein granted by Lender, shall be, or be construed to be, an affirmation by Lender of

any tenancy, lease or option, or an assumption of liability under, or the subordination of the lien or charge of this Deed of Trust to any such tenancy, lease or option. Borrower hereby agrees that, in the event Lender exercises its rights as in this Paragraph provided, Borrower waives any right to compensation for the use of Borrower's furniture, furnishings or equipment in the Property for the period such assignment of rents or receivership is in effect, it being understood that the rents, issues, profits, royalties, payments and installments of money derived from the use of any such items shall be applied to Borrower's obligation hereunder as above provided. In the event that Borrower concurrently herewith or hereafter executes any separate assignment of rents or leases to Lender, then to the extent of any inconsistency between the provisions hereof and any such assignment, the provisions of such assignment shall control.

- 6.2 *Performance of Leases.* Borrower promises and agrees to keep, perform and observe all of its covenants, agreements and obligations as lessor, under the terms of all leases now or hereafter executed relating to all or any portion of the Property, to require that lessees under said leases keep, perform, and observe all of the covenants, agreements and obligations thereunder on their part to be kept, performed and observed; except as permitted under the Lease Assignment, not to alter, amend or modify such leases or any of them without the prior written consent of Lender; and upon default by Borrower in the performance thereof, Lender herein or at its request the Borrower herein, without incurring any obligations so to do or releasing Borrower from any obligations herein secured, may perform said covenants, obligations or agreements, or exercise any right or remedy which Borrower may have either at law or in equity or under said leases or any of them to require lessees to perform such covenants, obligations or agreements, and all amounts expended or incurred, including but not limited to costs, expenses and attorneys' fees, by Lender or Trustee in so doing shall be due and payable immediately from Borrower.

7. CONCERNING TRUSTEE.

- 7.1 *Trustee's Covenants.* Trustee, by its acceptance hereof, covenants faithfully to perform and fulfill the trusts herein created, being liable, however, only for gross negligence or willful misconduct, and hereby waives any statutory fee and agrees to accept reasonable compensation, in lieu thereof, for any services rendered by it in accordance with the terms hereof.
- 7.2 *Resignation of Trustee.* Trustee may resign at any time upon giving 30 days notice in writing to Borrower and to Lender.
- 7.3 *Substitution of Trustee.* In the event of the death, removal, resignation, refusal to act, or the inability to act of Trustee, or in Lender's sole unfettered discretion for any reason whatsoever, Lender may, at any time or from time to time without notice and without specifying any reason therefor and without applying to any court, select and appoint a successor trustee, and all powers, rights, duties and authority of Trustee, as aforesaid, shall thereupon become vested in such successor without conveyance from the predecessor trustee. Such substitute trustee shall not be required to give bond for the faithful performance of its duties unless required by Lender. Such substitute trustee shall be appointed by written instrument duly recorded in the county where the Realty is located, which

appointment may be executed by an authorized agent of Lender, and such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the Board of Directors and any superior officer of Lender. Borrower hereby ratifies and confirms any and all acts which the herein-named Trustee or its successors or assigns in this trust shall do lawfully by virtue hereof. Borrower hereby agrees, on behalf of itself and its heirs, executors, administrators, legal representatives and assigns, that the recitals contained in any deed or deeds executed in due form by Trustee or any substitute trustee, acting under the provisions of this Deed of Trust, shall be *prima facie* evidence of the facts recited therein, and that it should not be necessary to prove in any court, otherwise than by such recitals, the existence of the facts essential to authorize the execution and delivery of such deed or deeds and the passing of title thereby.

- 7.4 *Reconveyance and Agreements.* At any time, or from time to time, without liability therefor and without notice, upon written request of Lender and presentation of this Deed of Trust and the Note or notes secured hereby for endorsement, and without affecting the personal liability of any person for the payment of the Secured Debt or the effect of this Deed of Trust upon the remainder of the Property, Trustee may reconvey any part of the Property, consent in writing to the making of any map or plat thereof, join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.
- 7.5 *Release of Lien.* Upon written request of Lender stating that the Secured Debt has been paid and upon surrender to Trustee of this Deed of Trust and the Note or notes secured hereby for cancellation and retention and payment of its fees, Trustee shall reconvey, without warranty, the Property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."
- 7.6 *Exculpation and Indemnification of Trustee.* Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence or willful misconduct. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by Trustee in good faith to be genuine. All monies received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law), and Trustee shall be under no liability for interest on any moneys received by it hereunder (except to the extent required by Law). Borrower will reimburse Trustee for, and indemnify, save harmless and defend Trustee against, any and all liability and expenses (including, without limitation, reasonable attorneys' fees and expenses) which Trustee may incur in the performance of its duties under the Loan Documents.

Borrower shall pay all reasonable costs, fees and expenses incurred by Trustee and Trustee's agents and counsel, including fees for accountings and reinstatement quotes as may be required by Utah Code Annotated § 57-1-31.5,

in connection with the performance by Trustee of Trustee's duties hereunder and all such costs, fees and expenses shall be secured by this Deed of Trust.

8. LEGAL PROCEEDINGS. Whether or not an Event of Default (as defined in Paragraph 9.1) has occurred and exists, Lender shall have the right, but not the duty or obligation, to intervene or otherwise participate in, prosecute or defend at any time any legal or equitable proceedings which could have an adverse effect on the Property or Borrower, including, without limitation, any eminent domain proceedings which affect the Property, the Leases or any of the rights created by the Loan Documents, but only after notice to Borrower and if permitted by Laws.

9. DEFAULTS; REMEDIES OF LENDER.

9.1 *Events of Default.* Any of the following shall constitute an "Event of Default" hereunder:

- (a) *Breach of Named Covenants.* Any breach by Borrower of the covenants in Paragraph 4.1(a) (Secured Debt), Paragraph 4.1(b) (Property Taxes and Charges), Paragraph 4.2(f) (Clean-Up) or Paragraph 4.3 (Insurance); provided, however, that a breach of the covenant in Paragraph 4.1(a) to pay the Secured Debt as and when due under the Note and the other Loan Documents shall not constitute an Event of Default unless it shall continue for 5 days after the date such payment is due; provided further, however, that such 5-day grace period shall not apply more than twice in any one period of 12 consecutive months, the third such breach in such 12-month period constituting an Event of Default without expiration of any grace period.
- (b) *Breach of Other Covenants.* Any breach by Borrower of any other covenant, agreement, condition, term or provision of any of the Loan Documents or any certificate or side letter delivered in connection with the Loan Documents, which continues for 30 days after written notice thereof by Lender to Borrower; provided, however, that if the nature of Borrower's breach is such that more than 30 days is reasonably required to cure the same, then Borrower shall not be deemed to be in default if Borrower commences such cure as promptly as reasonably possible within such 30-day period, diligently prosecutes such cure to completion, and completes such cure within 90 days from the date of Lender's aforesaid notice to Borrower.
- (c) *Misrepresentations.* Any representation or warranty made by Borrower in the Loan Documents or any certificate or side letter delivered in connection with the Loan Documents proves to be untrue, misleading or is not fulfilled, in any material way.
- (d) *Bankruptcy.* Immediately upon the occurrence of any of the following:
 - (i) any one or more of the then legal or beneficial owners of the Property, or any individual or entity then personally liable on the Secured Debt (including, without limitation, any guarantor or indemnitor pursuant to any guaranty or indemnity) or, if Borrower is a partnership, any general partner or joint venturer (collectively "Parties in Interest") becomes

insolvent, makes a transfer in fraud of, or an assignment for the benefit of, creditors, or admits in writing its inability, or is unable, to pay debts as they become due; or (ii) other than at the request of Lender, a receiver, custodian, liquidator or trustee is appointed for all or substantially all of the assets of a Party in Interest or for the Property in any proceeding brought by a Party in Interest, or any such receiver or trustee is appointed in any proceeding brought against a Party in Interest or the Property and such appointment is not promptly contested or is not dismissed or discharged within 120 days after such appointment, or a Party in Interest consents or acquiesces in such appointment, or (iii) a Party in Interest files a petition under the Bankruptcy Code, as amended, or under any similar law or statute of the United States or any state thereof; or (iv) a petition against a Party in Interest is filed commencing an involuntary case under any present or future Federal or state bankruptcy or similar law and such petition is not dismissed or discharged within 120 days after the filing thereof; or (v) any composition, rearrangement, liquidation, extension, reorganization or other relief of debtors now or hereafter existing is requested by a Party in Interest.

- (e) *Adverse Court Action.* A court of competent jurisdiction enters a stay order with respect to, assumes custody of or sequesters all or a substantial part of the Property or the Property is taken on execution or by other process of law.

9.2 *Remedies.* During the continuance of an Event of Default, Lender and, to the extent authorized by Lender, Trustee may, at any time thereafter, at its option, without notice, and without bringing any legal action or proceeding unless expressly required by law, exercise any or all of the following remedies:

- (a) *Acceleration.* Declare the entire Secured Debt due and payable, and it shall thereupon be immediately due and payable.
- (b) *Foreclosure.* Commence an action to foreclose the lien of this Deed of Trust as a mortgage in accordance with Lender's rights under *Utah Code Annotated* § 57-1-23, or other applicable law.
- (c) *Offset Rights.* To the extent permitted under applicable Laws, apply in satisfaction of the Secured Debt or any amount at any time to become due or payable in connection with the ownership occupancy, use, restoration or repair of the Property, any deposits or other sums credited by or due from Lender to Borrower, including without limitation, Insurance Proceeds, Taking Proceeds and funds held in the escrow account referred to in Paragraph 4.1(c).
- (d) *Cure Rights.* Whether or not an Event of Default has occurred and without releasing Borrower from any obligation hereunder or under the Loan Documents, perform any of Borrower's obligations. In connection therewith, Lender may enter upon the Property and do such acts and things as Lender deems necessary or desirable to protect the Property or the Leases, including, without limitation: (i) paying, purchasing, contesting or compromising any encumbrance (including, without limitation, any

junior debt outstanding), charge, lien, claim of lien, Property Taxes and Charges or Property Liabilities; (ii) paying any Insurance Premiums; (iii) employing counsel, accountants, contractors and other persons to assist Lender in the foregoing; and (iv) undertaking the Clean-Up of any Contamination.

- (e) *Possession of Property.* Take physical possession of the Property and of all books, records, and documents and accounts relating thereto and exercise, without interference from Borrower, any and all rights which Borrower has with respect to the Property, including, without limitation, the right at Borrower's expense to rent and lease the Property, to collect rents, issues and profits, to hire a professional property manager for the Property, to Clean-Up any Contamination and to make from time to time all alterations, renovations, repairs and replacements to the Property as may seem proper to Lender. Nothing in this Paragraph 9.2 shall impose any duty, obligation or responsibility upon Lender for the control, care, management, repair or Clean-Up of the Property. If necessary to obtain possession as provided for above, Lender may, without exposure to liability from Borrower or other persons, invoke any and all legal remedies to dispossess Borrower, including, without limitation, one or more actions for forcible entry and detainer, trespass and restitution. Lender shall not be deemed a mortgagee in possession unless and until Lender enters into actual possession of the Property.
- (f) *Receiver.* Secure the appointment of a receiver or receivers, as a matter of right for the Property whether such receivership be incident to a proposed sale of such Property or otherwise, and without regard to the value of the Property or the solvency of Borrower. Borrower hereby consents to the appointment of such receiver or receivers, waives any and all defenses to such appointment and agrees not to oppose any application therefor by Lender. The appointment of such receiver, trustee or other appointee by virtue of any court order or Laws shall not impair or in any manner prejudice the rights of Lender to receive payment of the rents and income pursuant to the Lease Assignment.
- (g) *Uniform Commercial Code Remedies.* Exercise any and all rights of a secured party with respect to the Personalty under the Uniform Commercial Code of the State and in conjunction with, in addition to or in substitution for, those rights and remedies:
 - (i) take possession of, assemble and collect the Personalty or render it unusable by Borrower; and
 - (ii) require Borrower to assemble the Personalty and make it available at any place Lender may designate so as to allow Lender to take possession of or dispose of the Personalty.

Written notice mailed to Borrower, as provided herein, 15 days prior to the date of public sale of the Personalty or prior to the date after which private sale of the Personalty will be made, shall constitute reasonable notice. Any sale made pursuant to the provisions of this Paragraph 9.2(g) shall

be deemed to have been a public sale conducted in a commercially reasonable manner, if held contemporaneously with the sale of the Property as provided in Paragraph 9.2(j) of this Deed of Trust. In the event of a foreclosure sale, whether made by Lender under the terms hereof, or under judgment of a court, the Personalty and the other parts of the Property may, at the option of Lender, be sold in parts or as a whole. It shall not be necessary that Lender take possession of the Personalty prior to the time that any sale pursuant to the provisions of this Paragraph 9.2(g) is conducted and it shall not be necessary that the Personalty be present at the location of such sale.

A CARBON, PHOTOGRAPHIC OR OTHER REPRODUCTION OF THIS DEED OF TRUST OR ANY FINANCING STATEMENT RELATING TO THIS DEED OF TRUST SHALL BE SUFFICIENT AS A FINANCING STATEMENT. THIS DEED OF TRUST IS EFFECTIVE AND SHALL BE EFFECTIVE AS A FINANCING STATEMENT FILED AS A FIXTURE FILING WITH RESPECT TO ALL GOODS WHICH ARE OR ARE TO BECOME FIXTURES INCLUDED WITHIN THE PROPERTY AND IS TO BE FILED FOR RECORD IN THE REAL ESTATE RECORDS OF THE LOCATION IN THE STATE WHERE THE PROPERTY IS SITUATED. THE MAILING ADDRESS OF LENDER AND THE ADDRESS OF BORROWER FROM WHICH INFORMATION CONCERNING THE SECURITY INTEREST MAY BE OBTAINED, ARE SET FORTH ON THE COVER SHEET HEREOF.

- (h) *Judicial Actions.* Commence and maintain an action or actions in any court of competent jurisdiction to foreclose this Deed of Trust pursuant to the Laws of the State or to obtain specific enforcement of the covenants of Borrower hereunder. Borrower agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy.
- (i) *Subrogation.* Have and exercise all rights and remedies of any person, entity or body politic to whom Lender renders payment or performance in connection with the exercise of its rights and remedies under the Loan Documents, including, without limitation, any rights or remedies under any mechanic's or vendor's lien or liens, superior titles, mortgages, deeds of trust liens encumbrances, rights, equities and charges of all kinds heretofore or hereafter existing on the Property to the extent that the same are paid or discharged from the proceeds of the Note whether or not released of record.
- (j) *Sale.* Sell the Property in accordance with Laws. Specifically, after the lapse of such time as may then be required by *Utah Code Annotated* § 57-1-24 or other applicable law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by *Utah Code Annotated* § 57-1-25 and § 57-1-26 or other applicable law, Trustee, without demand on Borrower, shall sell the Realty on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels, and in such order as Lender may determine (but subject to Borrower's statutory

right under *Utah Code Annotated* § 57-1-27 to direct the order in which the property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause deemed expedient, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; provided, if the sale is postponed for longer than forty-five (45) days beyond the date designated in the notice of sale, notice of the time, date, and place of sale shall be given in the same manner as the original notice of sale as required by *Utah Code Annotated* § 57-1-27. Trustee shall execute and deliver to the purchaser a Trustee's Deed, in accordance with *Utah Code Annotated* § 57-1-28, conveying the Realty so sold, but without any covenant of warranty, express or implied. The recitals in the Trustee's Deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Lender, may bid at the sale. Trustee shall apply the proceeds of the sale as follows:

FIRST: To the costs and expenses of exercising the power of sale and of the sale, including the payment of the trustee's and attorney's fees actually incurred not to exceed the amount which may be provided for in the trust deed.

SECOND: To payment of the obligations secured by the trust deed.

THIRD: The balance, if any, to the person or persons legally entitled to the proceeds, or the trustee, in the trustee's discretion, may deposit the balance of the proceeds with the clerk of the district court of the county in which the sale took place, in accordance with *Utah Code Annotated* § 57-1-29.

Upon any sale made under or by virtue of this Paragraph 9.2(j), whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, the Lender may bid for and acquire the Realty, whether by payment of cash or by credit bid in accordance with *Utah Code Annotated* § 57-1-28(1)(b). In the event of a successful credit bid, Lender shall make settlement for the purchase price by crediting upon the obligations of Borrower secured by this Deed of Trust such credit bid amount. Lender, upon so acquiring the Property or any part thereof, shall be entitled to hold, lease, rent, operate, manage, and sell the same in any manner provided by applicable laws.

For purposes of *Utah Code Annotated* § 57-1-28, Borrower agrees that all default interest, late charges, any prepayment premium, and similar amounts, if any, owing from time to time under the Note shall constitute a part of and be entitled to the benefits of Lender's Deed of Trust lien upon the Realty, and (ii) Lender may add all default interest, late charges, any prepayment premium, and similar amounts owing from time to time under the Note to the principal balance of the Note, and in

either case Lender may include the amount of all unpaid late charges in any credit bid Lender may make at a foreclosure sale of the Realty pursuant to this Deed of Trust.

In the event of any amendment to the provisions of *Utah Code Annotated* Title 57 or other provisions of *Utah Code Annotated* referenced in this Deed of Trust, this Deed of Trust shall, at the sole election of Lender, be deemed amended to be consistent with such amendments or Lender may elect not to give effect to such deemed amendments hereto if permitted by applicable law.

Borrower agrees to pay any deficiency arising from any cause, to which Lender may be entitled after applications of the proceeds of any sale, any Lender may commence suit to collect such deficiency in accordance with *Utah Code Annotated* § 57-1-32 or other applicable law.

If Borrower, Borrower's successor interest or any other person having a subordinate lien or encumbrance of record on the Property, reinstates this Deed of Trust and the loan secured by the Note with three (3) months of the recordation of a notice of default in accordance with *Utah Code Annotated* § 57-1-31(1), such party shall pay to Lender the reasonable cancellation fee contemplated by *Utah Code Annotated* § 57-1-31(2), as delivered by Lender, in accordance with its then current policies and procedures, whereupon Trustee shall record a notice of cancellation of the pending sale.

Borrower agrees that (i) all unpaid default interest, late charges, any prepayment premiums, amounts owing under paragraphs 10 and 11 of the Note, and other fees, expenses and costs and other amounts secured hereby shall constitute a part of and be entitled to the benefits of Lender's lien upon the Realty, and (ii) Lender may add all unpaid late charges, and other fees, expenses and costs to the principal balance of the Note, and in either case Lender may include the amount of all unpaid default interest, late charges, any prepayment premiums, amounts owing under paragraphs 10 and 11 of the Note, and other fees, expenses and costs and other amounts secured hereby in any credit bid Lender may make at a foreclosure sale of the Realty pursuant to the Deed of Trust. Further, Lender shall have the right to credit bid and purchase at any foreclosure, UCC, bankruptcy, Sheriff's or other sale or auction, including any sale under Section 363 of Title 11 United States Code and any successor or replacement statute (the US Bankruptcy Code).

- (k) *Other.* Take such other actions or commence such other proceedings as Lender deems necessary or advisable to protect its interest in the Property and its ability to collect the Secured Debt as are available under Laws.

In the case of an Event of Default, any sums advanced by Lender under this Paragraph 9.2 shall bear interest at the lesser of (i) the Default Rate specified in the Note or (ii) the maximum nonusurious interest rate permitted by applicable

law, and shall be payable by Borrower promptly after written demand. Such sums together with such interest shall constitute a part of the Secured Debt.

In the case of an Event of Default, all sums realized by Lender under this Paragraph 9.2, less all costs and expenses incurred by Lender under this Paragraph 9.2, including, without limitation, reasonable attorneys fees and disbursements, property management fees, costs of title commitments, inspections, environmental site assessments and testing, engineering reports, alterations, renovations, repairs and replacements made or authorized by Lender and all expenses incident to Lender taking possession of the Property, and such sums as Lender deems appropriate as a reserve to meet future expenses of the Property, shall be applied to the Secured Debt in such order as Lender shall determine. Thereafter, any balance shall be paid to the person or persons legally entitled thereto.

9.3 *Holding Over.* Should Borrower, after Lender has obtained title to the Property, continue in possession of any part of the Property, either lawfully or unlawfully, Borrower shall be a tenant from day to day, terminable at the will of either Borrower or Lender, at a reasonable rental per diem, such rental to be due and payable daily to Lender.

9.4 *General Provisions.*

- (a) *Multiple Sales.* Several sales may be made pursuant to Paragraph 9.2 without exhausting Lender's right to such remedy for any unsatisfied part of the Secured Debt and without exhausting the power to exercise such remedy for any other part of the Secured Debt, whether matured at the time or subsequently maturing. If a part of the Property is sold pursuant to Paragraph 9.2, and the proceeds thereof do not fully pay and satisfy the Secured Debt, such sale, if so made, shall not in any manner affect the unpaid and unsatisfied part of the Secured Debt, but as to such unpaid and unsatisfied part, the Loan Documents shall remain in full force and effect as though no such sale had been made.
- (b) *Cumulative Remedies.* All of the rights, remedies and options set forth in Paragraph 9.2 or otherwise available at law or in equity, are cumulative and may be exercised without regard to the adequacy of or exclusion of any other right, remedy, option or security held by Lender.
- (c) *Right to Purchase.* At any sale of the Property pursuant to Paragraph 9.2, Lender shall have the right to purchase the Property being sold, and in such case the right to credit against the amount of the bid made therefor (to the extent necessary) all or any of the Secured Debt then due.
- (d) *Right to Terminate Proceedings.* Lender may, in its sole unfettered discretion, at any time before conclusion of any proceeding or other action brought in connection with its exercise of the remedies provided for in Paragraph 9.2, terminate, without prejudice to Lender, such proceedings or actions.

- (e) *No Waiver or Release.* Lender may resort to any remedies and the security given by the Loan Documents in whole or in part, and in such portions and in such order as may seem best to Lender in its sole unfettered discretion, and any such action shall not in any way be considered as a waiver of any of the rights, benefits or remedies evidenced by the Loan Documents. The failure of Lender to exercise any right, remedy or option provided for in the Loan Documents shall not be deemed to be a waiver of any of the covenants or obligations secured by the Loan Documents. No sale of all or any of the Property, no forbearance on the part of Lender and no extension of the time for the payment of the whole or any part of the Secured Debt or any other indulgence given by Lender to Borrower or any other person or entity, shall operate to release or in any manner affect Lender's interest in the Property, or the liability of Borrower to pay the Secured Debt, except to the extent that such liability shall be reduced by proceeds of sale of all or any of the Property received by Lender.
- (f) *Waivers and Agreements Regarding Remedies.* To the full extent Borrower may do so and with respect to Lender's exercise of its remedies hereunder, Borrower hereby:
- (i) agrees that Borrower will not at any time insist upon, plead, claim or take the benefit or advantage of any Laws now or hereafter in force providing for any appraisal or appraisement, valuation, stay, extension or redemption, and waives and releases all rights of redemption, valuation, appraisal or appraisement, stay of execution, extension and notice of election to mature or declare due the whole of the Secured Debt;
 - (ii) waives all rights to marshalling of the assets of Borrower, Borrower's partners, members and shareholders, and others with interests in Borrower, including the Property, or to a sale in inverse order of alienation in the event of foreclosure of the interests hereby created, and agrees not to assert any right under any Laws pertaining to the marshalling of assets, the sale in inverse order of alienation, the exemption of homestead, the administration of estates of decedents, or other matters whatsoever to defeat, reduce or affect the right of Lender under the terms of the Loan Documents to sale of the Property for the collection of the Secured Debt without any prior or different resort for collection, or the right of Lender to the payment of the Secured Debt out of the proceeds of sale of the Property in preference to every other claimant whatsoever;
 - (iii) waives any right to bring or utilize any defense, counterclaim or setoff, other than one in good faith which denies the existence or sufficiency of the facts upon which the foreclosure action is grounded or which is based on Lender's wrongful actions. If any defense, counterclaim or setoff (other than one permitted by the preceding sentence) is timely raised in such foreclosure action, such defense, counterclaim or setoff shall be dismissed. If such

defense, counterclaim or setoff is based on a claim which could be tried in an action for money damages, the foregoing waiver shall not bar a separate action for such damages (unless such claim is required by Laws or applicable rules of procedure to be pleaded in or consolidated with the action initiated by Lender) but such separate action shall not thereafter be consolidated with Lender's foreclosure action. The bringing of such separate action for money damages shall not be deemed to afford any grounds for staying Lender's foreclosure action;

- (iv) waives and relinquishes any and all rights and remedies which Borrower may have or be able to assert by reason of the provisions of any Laws pertaining to the rights and remedies of sureties;
 - (v) waives the defense of laches and any applicable statutes of limitation; and
 - (vi) waives any and all rights to compel partition of all or any part of the Property.
- (g) **WAIVER OF JURY TRIAL. BORROWER AND LENDER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER, ON OR IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF, OR IN ANY WAY CONNECTED WITH, THIS DEED OF TRUST OR ANY OF THE OTHER LOAN DOCUMENTS, OR THE RELATIONSHIP OF BORROWER AND LENDER HEREUNDER OR THEREUNDER.**
- (h) *Lender's Discretion.* Unless specifically stated otherwise, Lender may exercise its options and remedies under any of the Loan Documents in its sole unfettered discretion.
- (i) *Sales.* In the event of the sale or other disposition of the Property pursuant to Paragraph 9.2 and the execution of a deed or other conveyance pursuant thereto, the recitals therein of facts (such as default, the giving of notice of default and notice of sale, demand that such sale should be made, postponement of sale, terms of sale, sale, purchase, payment of purchase price and other facts affecting the regularity or validity of such sale or disposition) shall be conclusive proof of the truth of such facts. Any such deed or conveyance shall be conclusive against all persons as to such facts recited therein.

The acknowledgment of the receipt of the purchase money, contained in any deed or conveyance executed as aforesaid, shall be sufficient to discharge the grantee of all obligations to see to the proper application of the consideration therefor as herein provided. The purchaser at any trustee's or foreclosure sale hereunder may disaffirm any easement granted or rental agreement or Lease made in violation of any provision of the Loan Documents, and may take immediate possession of the

Property free from, and despite the terms of, such grant of easement, rental agreement or Lease.

10. POSSESSION AND DEFEASANCE.

- 10.1 *Possession.* Until the occurrence of an Event of Default and except as otherwise expressly provided to the contrary in any of the Loan Documents, Borrower shall retain full possession of the Property with full right to use the Property and to collect the rents, issues and profits therefrom, subject, however, to all of the terms and provisions of the Loan Documents.
- 10.2 *Defeasance.* If the Secured Debt is paid in full and if all of the covenants, warranties, conditions, undertakings and agreements made in the Loan Documents which then require performance are kept and performed, then, in that event only, all rights under the Loan Documents shall terminate and the Property shall become wholly clear of the liens, grants, security interests, conveyances and assignments evidenced hereby, and Lender shall release or cause to be released, such liens, grants, assignments, conveyances and security interests in due form at Borrower's cost, and this Deed of Trust shall be void.

To the extent permitted by Laws such an instrument may describe the grantee as "the person or persons legally entitled thereto." Lender shall not have any duty to determine the rights of persons claiming to be rightful grantees of any of the Property. When the Property has been fully released, such release shall operate as a reassignment of all future rents, issues and profits of the Property to the person or persons legally entitled thereto, unless such release expressly provides to the contrary.

Notwithstanding the foregoing, Borrower's obligation under Paragraph 4.6(c) (environmental indemnity) shall not terminate and shall survive the discharge of the Loan Documents, whether through full payment of the Secured Debt, foreclosure, deed in lieu of foreclosure or otherwise, for the benefit of Lender and its successors and assigns, including without limitation, any purchaser at a foreclosure sale.

11. GENERAL.

- 11.1 *Lender's Right to Waive, Consent or Release.* Lender may at any time and from time to time, in writing: (a) waive compliance by Borrower with any covenant herein made by Borrower to the extent and in the manner specified in such writing; (b) consent to Borrower doing any act which Borrower is prohibited hereunder from doing, or consent to Borrower's failing to do any act which Borrower is required hereunder to do, to the extent and in the manner specified in such writing; or (c) release any part of the Property, or any interest therein from this Deed of Trust and the lien of the Loan Documents. No such act shall in any way impair the rights hereunder of Lender except to the extent specifically agreed to by Lender in such writing.
- 11.2 *No Impairment.* The interests and rights of Lender under the Loan Documents shall not be impaired by any indulgence, including, without limitation: (a) any renewal, extension or modification which Lender may grant with respect to any of

the Secured Debt; (b) any surrender, compromise, release, renewal, extension, exchange or substitution which Lender may grant in respect of the Property or any interest therein; or (c) any release or indulgence granted to any maker, endorser, guarantor, indemnitor or surety of any of the Secured Debt.

- 11.3 *Amendments.* The Loan Documents may not be waived, changed or discharged orally, but only by an agreement in writing and signed by Lender in Canada, based on prior approval by the Canadian Mortgages Senior Managing Director or his/her designee. Any oral waiver, change or discharge of any provision of the Loan Documents shall be without authority and of no force and effect. Any waiver, change or discharge shall be effective only in the specific instances and for the purposes for which given and to the extent therein specified.
- 11.4 *No Usury.* Any provision contained in any of the Loan Documents notwithstanding, Lender shall not be entitled to receive or collect, nor shall Borrower be obligated to pay interest on any of the Secured Debt in excess of the maximum rate of interest permitted by Laws, and if any provisions of the Loan Documents shall ever be construed or held to permit the collection or to require the payment of any amount of interest in excess of that permitted by such Laws, the provisions of this Paragraph 11.4 shall control unless contrary or inconsistent with any provisions of the Note, in which case the provisions of the Note shall control. Borrower and Lender intend to conform strictly to the usury Laws now in force, and the Loan Documents evidencing or relating to any of the Secured Debt shall be held subject to modification to conform to said Laws as now or hereafter construed.
- 11.5 *Notices.* Any notice, request, demand or other communication required or permitted under the Loan Documents (unless otherwise expressly provided therein) shall be given in writing by delivering the same in person to the intended addressee, by overnight courier service with guaranteed next day delivery or by certified United States Mail postage prepaid sent to the intended addressee at the applicable Notice Address or to such different address as either Borrower or Lender shall have designated by written notice to the other sent in accordance herewith. Such notices shall be deemed given when received or, if earlier, in the case of delivery by courier service with guaranteed next day delivery, the next day or the day designated for delivery, or in the case of delivery by certified United States Mail, 2 days after deposit therein. No notice to or demand on Borrower in any case shall of itself entitle Borrower to any other or further notice or demand in similar or other circumstances.
- 11.6 *Successors and Assigns.* The terms, provisions, covenants and conditions hereof shall be binding upon Borrower, and any permitted successors and assigns of Borrower, and shall inure to the benefit of Lender and its successors, substitutes and assigns, and shall constitute covenants running with the Land. All references in this Deed of Trust to Borrower, Lender or Trustee shall be deemed to include all such successors, substitutes and assigns.

If in contravention of the provisions of this Deed of Trust or otherwise, ownership of the Property or any portion thereof becomes vested in a person other than Borrower, Lender may, without notice to Borrower, whether or not Lender has given written consent to such change in ownership, deal with such successor or

successors in interest with reference to the Loan Documents and the Secured Debt in the same manner as with Borrower, without in any way vitiating or discharging Lender's remedies or Borrower's liability under the Loan Documents or on the Secured Debt.

- 11.7 *Severability.* A determination that any provision of the Loan Documents is unenforceable or invalid shall not affect the enforceability or validity of any other provision, and any determination that the application of any provision of the Loan Documents to any person or circumstances is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to any other persons or circumstances.
- 11.8 *Gender and Construction.* Within this Deed of Trust, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires. References in this Deed of Trust to "herein", "hereunder" or "hereby" shall refer to this entire Deed of Trust, unless the context otherwise requires. When the phrase "in its sole unfettered discretion" is used in the Loan Documents with respect to Lender, it shall permit Lender to evaluate such criteria (without allowance for reasonableness) as it chooses in approving or disapproving the requested or pending action.
- 11.9 *Joint and Several Liability.* If there is more than one Borrower, the obligations, covenants, agreements, representations and warranties contained in the Loan Documents, as well as the obligations arising thereunder, are and shall be joint and several as to each Borrower.
- 11.10 *Modifications.* References to any of the Loan Documents in this Deed of Trust shall include all amendments, modifications, extensions and renewals thereof.
- 11.11 *Governing Law.* This Deed of Trust shall be construed according to and governed by the laws of the State.
- 11.12 *Captions.* All paragraph and subparagraph captions are for convenience of reference only and shall not affect the construction of any provision herein.
- 11.13 *Nonrecourse.* Borrower shall be liable upon the indebtedness evidenced by the Note, for all sums to accrue or to become payable thereon and for performance of all covenants contained in the Note or in any of the other Loan Documents, to the extent, but only to the extent, of Lender's security for the same, including, without limitation, all properties, rights, estates and interests covered by this Deed of Trust and the other Loan Documents. No attachment, execution or other writ or process shall be sought, issued or levied upon any assets, properties or funds of Borrower other than the properties, rights, estates and interests described in this Deed of Trust and the other Loan Documents. In the event of foreclosure of such liens, mortgages or security interests, by private power of sale or otherwise, no judgment for any deficiency upon such indebtedness, sums and amounts shall be sought or obtained by Lender against Borrower. Subject to the foregoing, nothing herein contained shall be construed to prevent Lender from exercising and enforcing any other remedy relating to the Property allowed

at law or in equity or by any statute or by the terms of any of the Loan Documents.

Notwithstanding the foregoing, Borrower shall be personally liable to Lender for:

- (a) any damages, losses, liabilities, costs or expenses (including, without limitation, attorneys' fees) incurred by Lender due to any of the following: (i) any security deposits of tenants of the Property (not previously applied to remedy tenant defaults) received by Borrower which have not been paid over (or deposited with) to Lender; (ii) any rents prepaid to Borrower by any tenant of the Property more than one (1) month in advance; (iii) any insurance proceeds or condemnation awards received by Borrower and not applied according to the terms of this Deed of Trust; (iv) accepting Lease termination payments or lease contraction fees without Lender's prior written consent and direction as to use; (v) repairs to the Property resulting from a casualty not reimbursed by insurance, to the extent insurance coverage for such repairs was required by the Loan Documents; (vi) fraud, material misrepresentation or bad faith on the part of Borrower; (vii) any event or circumstance for which Borrower is obligated to indemnify Lender under the provisions of the Mortgage respecting Hazardous Substances, Contamination or Clean-Up; (viii) physical waste of the Property by Borrower; (ix) Borrower's failure to pay real estate taxes or other assessments against the Property; (x) Borrower's failure to comply with the Americans with Disabilities Act of 1990, as amended; (xi) any attempt by Borrower, or any entity comprising Borrower, to force partition of all or any part of the Property; (xii) the consolidation of the interest of any entity comprising Borrower in the Property with the assets of any other entity, for purposes of administration under the United States Bankruptcy Code; or (xiii) the non-enforcement or attempted non-enforcement of the provisions of Paragraph 9.4(f)(vi) of this Deed of Trust by a court with jurisdiction over the Property, Borrower, or any entity comprising Borrower; and
- (b) all rents, issues and profits from the Property collected by Borrower after an Event of Default has occurred and is continuing, unless such rents, issues and profits are applied to the normal operating expenses of the Property or to the Secured Debt.

Additionally, notwithstanding other provisions of this Paragraph 11.13, the loan evidenced by the Note and other Loan Documents shall become fully recourse debt to Borrower and Guarantor(s) if any of the following occur:

- (i) Borrower secures either junior financing secured by the Property or mezzanine financing secured by interests in Borrower (collectively, "Junior Loan") except as permitted under this Deed of Trust;
- (ii) Borrower pays any amount toward a Junior Loan at a time when there is an Event of Default under Lender's loan, regardless of whether the Junior Loan was authorized or unauthorized by Lender;

- (iii) Borrower files any petition under Chapter 11 of the United States Bankruptcy Code or under any other form of insolvency law, or any petition seeking any liquidation, dissolution, or similar relief under any present or future federal or state bankruptcy, insolvency or debtor relief acts or laws (collectively, "Petition"); or
- (iv) any Petition is filed against Borrower by any person or entity other than Lender and is not dismissed within sixty (60) days and Borrower resists or opposes the lifting of the automatic stay by the bankruptcy court to permit Lender to foreclose this Deed of Trust.

Except as otherwise set forth herein, Lender shall not be limited in any way in enforcing the personal liability and obligations of Borrower under the Loan Documents against Borrower, nor shall Lender be limited in any way in enforcing the personal liability and obligations of any guarantor or indemnitor in accordance with the terms of the instruments creating such liabilities and obligations. The personal liability and obligations of Borrower under the Loan Documents shall survive the discharge of this Deed of Trust, whether through full payment of the Note, foreclosure, deed in lieu of foreclosure or otherwise.

- 11.14 *Sale, Assignment or Conversion of Secured Debt.* Borrower hereby agrees that Lender may (i) sell all or any portion of the Secured Debt or securitize all or a portion of the Secured Debt in one or more transactions through the issuance of pass-through certificates or other securities evidencing ownership of a portion of the Secured Debt or beneficial interest therein, in one or more rated or unrated public or private transactions; (ii) assign servicing rights with respect to the Secured Debt; or (iii) convert the Note and this Deed of Trust to registered form (each such transaction as described in the preceding clauses (i), (ii) and (iii) being referred to as a "Covered Transaction"), without the consent of but upon written notice to Borrower. Borrower hereby agrees that, if requested, it will, at Lender's expense, reasonably cooperate with Lender and use its best efforts to facilitate the consummation of a Covered Transaction, including, without limitation, by: (a) delivering estoppels, opinions, tax certificates or any other documents, each in form and substance reasonably acceptable to Lender or any rating agency; (b) providing such additional information as may reasonably be required by Lender, or granting reasonable access to Lender in order to obtain such information, including, without limitation, updated environmental information and appraisals; and (c) appointing as its agent a registrar and transfer agent, which agent shall maintain, subject to such reasonable regulations as such agent shall provide, such books and records as may be necessary for the registration and transfer of the Note and this Deed of Trust, all in a manner acceptable to Lender in its sole unfettered discretion. Notwithstanding the foregoing, in no event shall Borrower be required to modify or amend any Loan Document or otherwise enter into any agreement that will increase Borrower's obligations or decrease Borrower's rights under the Loan Documents in connection with Lender's exercise of its rights under this Paragraph 11.14. Borrower hereby agrees that Lender may forward to each potential purchaser, transferee, assignee, service, trustee, participant or investor in any Covered Transaction, or to any rating agency, all documents and information which Lender now has or may hereafter acquire relating to the Secured Debt, the Property, Borrower or any guarantor or indemnitor of the Secured Debt that has been furnished by

Borrower or any other party in connection with the Secured Debt, as Lender may, in its sole unfettered discretion, determine is necessary or desirable.

- 11.15 *Acknowledgment of Receipt.* Borrower hereby acknowledges receipt, without charge, of a true and complete copy of this Deed of Trust.
- 11.16 *Time of the Essence.* Time is of the essence of each and every payment and/or performance obligation of Borrower and the Guarantor(s) under this Deed of Trust or any of the other Loan Documents.
- 11.17 *Partial Releases.* At any time, and from time to time, Borrower shall be entitled to a release of that portion of the Property known as 2150 South 1300 East ("Redman Office Building") and the adjacent parking structure ("Parking Structure"), subject to the following conditions:
- (a) Borrower shall have given Lender at least thirty (30) days prior written notice of the request for such release of security;
 - (b) The parcel that Borrower decides to have released (the "Release Parcel(s)") shall consist of one or more legally subdivided lots or parcels and the Release Parcel(s) will not violate the provisions of any regulations or ordinances adopted pursuant thereto;

 - (e) The loan-to-value ratio on the remaining loan balance may not exceed the loan-to-value ratio prior to the release of the collateral, per Lender's underwriting;
 - (f) The release loan amounts shall be (i) based upon the remaining collateral having a loan-to-value no greater than 60% (as determined by Lender) and (ii) provided the minimum combined debt service is covered by net operating income by a ratio no less than 1.25x;
 - (g) The remaining collateral, including but not limited to that portion of the Property known as 2120 South 1300 East must have access to no less than 110 parking spaces;
 - (h) Borrower shall pay to Lender any partial prepayment indemnification pursuant to the Note associated with the loan paydown; and
 - (i) Borrower shall pay any and all costs of preparing, executing, acknowledging and recording the request for the release of collateral and other instruments, including Lender's costs and expenses, including attorney's fees in reviewing such release.
