III. COVENANTS, CONDITIONS, AND RESTRICTIONS

The foregoing submission is made upon, under and subject to the following covenants, conditions, and restrictions:

Each Patio Home will have an appurtenant patio and parking space or garage. All Buildings will be constructed principally of concrete foundations with exterior walls of brick and stucco veneer, asphalt shingles, interior walls of wood studs, plywood, and dry wall plaster. There will be Common Area and Facilities, including Open Space, as shown on the Final Plat. The location and configuration of the improvements referred to in the foregoing sentence are depicted on the Final Plat.

2. Description and Legal Status of the Property. The Final Plat shows the Patio Home Number of each Patio Home, its location, and the Common Areas and Facilities to which it has immediate access. All Patio Homes shall be capable of being independently owned, encumbered and conveyed; and shall have an appurtenant undivided percentage of ownership interest in the Common Areas and Facilities (as set forth in Exhibit "C" attached hereto and incorporated herein by this reference), subject to the rights of Declarant, the City, and all easements of record. Title to the Common Area and Facilities is hereby granted to and shall be owned by the Association for and in behalf of the Owners.

3. Membership in the Association. Membership in the Association is mandatory. Each Patio Home Owner is automatically a member of the Association. Membership may not be partitioned from the ownership of a Patio Home.

4. Allocation of Losses and Voting Rights.

a) Losses and voting rights (subject to subsection (b) below) shall be distributed among the Owners equally. The percentage of ownership interest in the Common Areas and Facilities appurtenant to each Patio Home is equal. The undivided interest of each Patio Home Owner in the Common Areas and Facilities shall have a permanent character and shall not be altered without the consent of two-thirds (2/3) of the Patio Home Owners expressed in an amended declaration duly recorded.

b) The Association shall have Class A and Class B membership. The Class A Members shall be all Owners with the exception of the Class B Members. Class A Members shall be entitled to vote on all issues before the Association. Each Patio Home shall have one (1) vote. No vote shall be cast or counted for any Patio Home not subject to Assessment. When more than one person or entity holds such interest in a Patio Home, the vote for such Patio Home shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Patio Home shall be suspended in the event more than one person or entity seeks to exercise it. Any Owner who has leased his Patio Home may, in the lease or other written instrument, assign the voting right appurtenant to that Patio Home to the lessee, provided that a copy of such instrument is furnished to the Secretary prior to any meeting. The Class B Member shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Patio Homes, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member shall be entitled to one (1) votes per Patio Home owned. The Class B membership shall terminate and shall convert to Class A membership upon the termination of the Period of Declarant's Control.

5. Termination of Class B Membership and Transfer of Control of the Association. Upon the termination of the Period of Declarant's Control, the Class B Member shall be considered a Class A Member and shall be entitled to one (1) vote for each Patio Home Lot owned. At such time, the Declarant shall call a meeting, in the manner described in the By Laws of the Association for special meetings, to advise the membership of the termination of

Class B status and, if it has not already occurred, to schedule transition of the operation and management of the entire Project to the Association.

6. Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering a Patio Home shall describe the interest or estate involved substantially as follows:

All of Patio Home No. ___ in Building No. ___ contained within Phase ___, Greyhawk Patio Homes, as the same is identified in the Final Plat recorded in Davis County, Utah as Entry No. in Book ___ at Page ___ of the official records of the County Recorder of Davis County, Utah (as said Final Plat may have heretofore been amended or supplemented) and in the Declaration of Covenants, Conditions and Restrictions for Greyhawk Patio Homes recorded in Davis County, Utah as Entry No. ___ in Book at Page ___ of the official records of the County Recorder of Davis County, Utah (as said Declaration may have heretofore been supplemented), together with an undivided percentage of ownership interest in the Common Areas and Facilities.

Regardless of whether or not the description employed in any such instrument is in the above-specified form, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Patio Home. Neither the membership in the Association nor percentage of ownership interest in the Common Areas shall be separated from the Patio Home to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such mandatory membership in the Association and such right of exclusive use shall automatically accompany the transfer of the Patio Home to which they relate.

7. Architectural and Design Guidelines. The Declarant has prepared or will prepare Design Guidelines for the Project. The approved Design Guidelines shall apply to all construction activities within the Project. The Declarant shall have sole and full authority to change, amend, and supplement the Design Guidelines as long as it owns any of the Property. (17) Laws. Nothing shall be done or kept in, on or about any Patio Home or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

(18) Damage or Waste. No damage to, or waste of, the Common Areas shall be committed by any Owner or Resident, their guests or invitees; and each Owner and Resident shall indemnify and hold the Management Committee and the other Owners in the Project harmless against all loss resulting from any such damage or waste caused by that Owner or Resident, their guests or invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee or any other Owner.

(19) Structural Alterations. Except in the case of an emergency repair, no structural alterations, plumbing, electrical or similar work within the Common Areas shall be done or permitted by any Owner without the prior written consent of the Management Committee.

9. Leases. Any agreement for the leasing, rental, or occupancy of a Patio Home (collectively "lease") shall be in writing and a copy thereof shall be delivered to the Management Committee upon request. By virtue of taking possession of a Patio Home, each lessee agrees to be subject to and abide by these restrictive covenants, and that any covenant violation shall be deemed to constitute a default under the lease. No Owner shall be permitted to lease his Patio Home for transient, hotel, seasonal, or corporate use, which by way of illustration and not limitation includes any rental with an initial term of less than one (1) year. Daily or weekly rentals are prohibited. No Owner may lease individual rooms to separate persons or less than his entire Patio Home without the express written consent of the Management Committee. Within ten (10) days after delivery of written notice of the creation of a nuisance or material violation of these restrictive covenants, the Owner shall proceed promptly to abate the nuisance or cure the default, and notify the Management Committee in writing of his intentions. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Patio Home.

10. Easements. The Declarant hereby reserves to itself and/or grants to the Association and Owners the following easements:

a) Grant of Easement. Declarant hereby reserves to itself and grants to the Association, a non-exclusive, perpetual right-of-way and easement over, across and through the Tract, together with the right to use, operate, maintain, repair and replace the Common Areas and Facilities, subject to all of the terms, covenants, conditions and restrictions set forth herein.

b) Common Use of Easement. Said easement is to be used in common by the Association, Declarant and each Owner, subject to all of the terms, covenants, conditions and restrictions set forth herein.

c) Private Easement. The easement created is intended to be used as a private non-exclusive easement for the exclusive use and benefit of Declarant, Association and Owners.

d) Encroachments. If any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon a Building or Patio Home Lot, an easement for such encroachment and for the maintenance of the same shall and does exist. If any part of a Building or Patio Home Lot encroaches or shall hereafter encroach upon the Common Areas and Facilities, or upon an adjoining Building or Patio Home Lot, an easement for such encroachment and for the maintenance of the same shall and does exist. Such easements shall extend for whatever period the encroachment exists. Such encroachments shall not be considered to be encumbrances either on the Common Areas and Facilities, Buildings or Patio Home Lots. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of any improvement constructed or to be constructed within the Project, by error in the Final Plat, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

e) Improvements. Improvements, including Buildings, Patio Home Lots, and Common Areas and Facilities constructed may encroach upon portions of other Buildings, Patio Home Lots or Common Areas and Facilities within the Project. A perpetual easement for such encroachment necessary to repair, maintain and operate such improvements is hereby granted.

f) Rights of Access. Each Owner shall have the right to ingress and egress over, upon and across the Common Areas and Facilities as necessary for access to his Building and Patio Home Lot and to any immediately adjacent Common Area appurtenant to his Patio Home Lot, and he shall have the right to the horizontal, vertical and lateral support of his Building and Patio Home Lot.

g) Declarant's Easement. The Declarant hereby reserves to itself, and its affiliates and assignees, an exclusive easement to make such use of the Common Areas and Facilities as may be necessary or convenient to perform the duties and functions that each is obligated or permitted to perform pursuant to the Declaration, including, without limitation, the right to construct and maintain the Common Areas and Facilities for use by the Association and Owners.

h) Construction Easements. The Declarant hereby reserves for itself and its affiliates and assignees a temporary construction easement over the Common Areas and Facilities for the purpose of doing all things that are reasonably necessary as a part of constructing any new improvements for the Project including all physical improvements as well as all Buildings and Patio Home Lots. The Owners by acceptance of a deed or other document of conveyance to a Patio Home Lot do hereby acknowledge and agree that there will be construction activities, traffic, noises, odors and vibrations which may temporarily disrupt their quiet enjoyment of their property until all improvements are complete, and such Owners do hereby waive any right to object to such construction activity; provided, however, Declarant shall endeavor to use reasonable efforts to minimize the adverse impact of such construction activities on the Owners. Declarant's construction activities pursuant to the easement granted hereunder shall not be considered a violation of the Use Restrictions.

i) Locations Facilities Easements. Declarant hereby reserves to itself a non-exclusive easement for itself and its affiliates and assignees to construct, operate, maintain, repair and replace all types of telecommunication facilities, including but not limited to roof antennas, within suitable locations for such facilities (the "Locations of Facilities") within the Project. Declarant further reserves a right of access to the Locations of Facilities over, across, and through all other Common Areas and Facilities in order to access the Locations of Facilities to exercise the rights established herein. Declarant reserves the perpetual right to transfer by easement, license agreement or other conveyance the rights reserved hereunder to one or more telecommunication facilities providers. Declarant may exercise all of such rights unilaterally and without the consent of any Owner, Mortgagee or the Association. An Owner may not do any landscaping, grading or work, or install any structure, building, improvement, planting, or other object, natural or artificial, or materials which may damage or interfere with the installation and maintenance of utilities, Entry Monument, or which may change the direction of flow of drainage channels in, on or about the easements and rights of way, or which may obstruct or retard the flow of water through the drainage channels in the easements and rights of way. If a drainage channel is altered by an Owner, the Declarant and/or the Association expressly reserve the right to enter onto the property to restore the area at the cost of the Owner, and without being guilty of a trespass.

l) Support, Maintenance and Repair. There is hereby reserved to the Association, and the Association is hereby granted a non-exclusive easement over, across, through, above and under the Patio Homes and the Common Area for the operation, maintenance, and repair of the Common Area and Facilities, and regulation of the Design Guidelines.

11. Liability of Owners and Residents For Damages and Waste. Each Owner or Resident shall be liable to the Association, or other Owners or Residents, for damages to person or property and waste in the Community caused by his negligence.

12. Status and General Authority of Management Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (m) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:

a) Access. The right, power and authority to have access to each Patio Home: (1) from time to time during reasonable hours and after reasonable notice to the occupant of the Patio Home being entered, as may be necessary for the maintenance, repair or replacement of any of the Common Areas and Facilities; or (2) for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Patio Home or Patio Homes, provided that a reasonable effort is made to provide notice to the occupant of the Patio Home prior to entry.

b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for

utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.

c) Execute Documents. The authority to execute and record, on behalf of all Owners, any amendment to the Declaration or Final Plat which has been approved by the vote or consent necessary to authorize such amendment.

d) Standing. The power to sue and be sued.

e) Enter Into Contracts. The authority to enter into contracts which in any way concern the Project, so long as any vote or consent necessitated by the subject matter of the agreement has been obtained.

j) Promulgate Rules. The authority to promulgate such reasonable administrative guidelines, rules, regulations, policies and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the Act and this Declaration.

k) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open or closed to Owners or Residents not on the Committee, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Committee meetings.

l) Delegation of Authority. The power and authority to delegate its responsibilities over the management and control of the Common Areas and regulation of the Project to a professional manager, reserving the right, power and authority, however, to control and oversee the administration thereof.

m) All other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions on behalf of the Owners.

Anything to the contrary notwithstanding, if a Patio Home Lot has been financed by a government agency, such as VA, FHA or HUD, and while Declarant controls the Association but before the end of the Period of Declarant's Control, any amendments to the Declaration or mergers must be approved in writing and in advance by said agency.

13. Delegation of Management Responsibilities: The Management Committee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an employee or an independent contractor. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than sixty (60) days, and no such contract or agreement shall be for a term greater than one (1) year. The Management Committee may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities. Provided, however, any management contract may be terminated for cause on thirty (30) days notice in accordance with Title 38, Code of Federal Regulations, Section 36.4360a (f), as it may be amended from time to time.

14. Lists of Owners, Renters, Eligible Mortgagees, Insurers and Guarantors. The Management Committee shall maintain up to date lists of the name, address and phone number of all Owners, Renters, Eligible Mortgagees, Insurers and Guarantors. The Owners, Mortgagees, Insurers and Guarantors have a duty to provide this information to the Committee.

15. Operation, Maintenance and Alterations. Each Patio Home, Patio Home Lot and Common Area shall be maintained, repaired, and replaced in accordance with the following covenants, conditions and restrictions:

a) Clean, Safe, Sanitary and Attractive Condition. The Patio Homes, Patio Home Lots and Common Area shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition, consistent with Community Standards.

b) Landscaping. All landscaping in front yard of the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with any City landscaping maintenance plans or ordinances. Specific additional written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Management Committee from time to time. All landscaping shall be maintained in a safe, sanitary, aesthetic and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. All landscaping shall be tasteful, so as

not to affect adversely the value or use of any other Patio Home, or to detract from the uniform design and appearance of the Project.

c) Area of Common Responsibility. Unless otherwise expressly noted, the Association shall maintain, repair and replace (i) all of the Common Area and Facilities within or serving the Project; (ii) all green space and common landscaping; (iii) private roads, driving lanes and parking amenities; (iii) sidewalks and walkways; (iv) entry and entry monument; and (v) all landscaping (unless otherwise determined by the Management Committee). The Association is responsible to remove all snow and ice accumulations from the (i) Common Area and Facilities, (ii) driveways, and (iii) front common sidewalks.

d) Area of Personal Responsibility. Each Owner shall maintain in a state of good condition and repair his Patio Home and Patio, and repair and replace all physical improvements thereto, driveway and other cement or similar surfaces located on his Patio Home Lot, all interior spaces and improvements, individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, windows and window systems, glass, doors and door systems, garage doors and garage door systems, patios, balconies and decks, gates, latches, privacy fencing gate and latch, plumbing fixtures, systems and lateral pipes or valves servicing only his Patio Home, including any damage caused thereby and not covered by insurance. Each Patio Home Owner shall keep his Patio broom clean and free of debris. No Patio Home Owner shall allow his Patio Home, Patio Home Lot or immediately adjacent Common Area to detract from the health, safety or uniform appearance or design of the Project. The construction materials for doors or windows Visible From A Neighboring Property may be subject to the approval of the Management Committee or Architectural Review Committee as to uniformity of appearance and quality of construction. Owners may be required to remove at their expense any non-conforming materials. Owners are responsible to remove all snow and ice accumulations from their Patio Home Lots.

e) Default Provisions. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Association, or Management Committee may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The term "emergency" as used here means a situation or condition in which there is a threat of imminent and substantial harm to person or property. The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against a Patio Home Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Patio Home Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses.

f) Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association; provided, however, no Owner or Permittee may make any structural alterations to the Common Area without the express prior written consent of the Management Committee.

g) Certain Work Prohibited. No Patio Home Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Patio Home Owners being first had and obtained.

16. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Patio Homes owned by it until such time as: (1) the physical structures are substantially completed; (2) certificates of permanent occupancy are issued and the Patio Homes are sold or rented; or (3) Declarant elects in writing to pay the Assessments, whichever first occurs.

b) Purpose of Common Area Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Management Committee.

c) Creation of Assessments. Since the Assessments shall pay for the common expenses of the Association, as shall be determined by the Management Committee from time to time, each Owner, by acceptance of a deed to a Patio Home, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed by the Management Committee.

d) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) Itemization. Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. Shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the

Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, irrigation water, grounds maintenance, taxes and special assessments, premiums for all insurance which the Management Committee is required or permitted to maintain, the Buildings, exterior surfaces, roofs, foundations, city water bill (the individual Owners shall pay all other utility charges), wages for Association employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

e) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among and the common expenses shall be charged equally to the Patio Home Owners.

f) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Management Committee fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

g) Payment of Assessments. The Management Committee has the sole authority and discretion to determine how and when the annual Assessments are paid.

h) Additional Services. The Management Committee may but is not obligated to add to the Assessment of any particular Patio Home or Patio Home Owner additional charges for individual services offered or provided, not a Common Expense.

i) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Patio Home pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Patio Home; (2) the owner of record in the offices of the County Recorder of Davis County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

j) Equitable Changes. If the aggregate of all monthly payments on all of the Patio Homes is too large or too small as a result of unanticipated income or

expenses, the Committee may from time to time effect an equitable change in the amount of said payments. Owners shall be given at least thirty (30) days written notice of any changes.

k) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

l) Reserve Account. The Committee shall establish and maintain a reserve account or accounts to pay for unexpected operating expenses, major Repairs, and Capital Improvements.

m) Analysis Report. The Management Committee shall prepare and update at least annually a written Capital Asset Replacement and Reserve Account Analysis, and make the report available to the Owners at the annual meeting of the Association.

n) Acceleration. The Management Committee may but is not obligated to accelerate the entire annual Assessment of a delinquent Owner who has not cured his default within thirty (30) days after written notice.

o) Statement of Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Patio Home. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

p) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments and each Owner, by accepting a deed or other document of conveyance to a Patio Home, waives his right to claim his homestead exemption has priority.

q) Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended for up to ninety (90) days if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

17. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year to pay for shortfalls, unanticipated expenses, emergency expenditures, or major repairs.

18. Capital Improvements. All expenses for capital improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Committee Discretion/Expenditure Limit. Any capital improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

b) Owner Approval/Expenditure Limit. Any capital improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

c) Owner Approval/Changing the Nature of the Project. Any capital improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

19. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Management Committee shall have the power and authority to assess an Owner in a particular area as follows:

(1) Benefit only To Specific Patio Home. If the expense benefits less than all of the Patio Homes, then those Patio Homes benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Patio Homes according to the benefit received.

(2) Unequal or Disproportionate Benefit. If the expense benefits all Patio Homes, but does not provide an equal benefit to all Patio Homes, then all Patio Homes shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Patio Homes according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

20. Individual Charges. Individual Charges may be levied by the Management Committee against a Patio Home and its Owner and shall be due not earlier than thirty (30) days after written notice.

21. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Patio Home, regardless of whether a written notice is recorded.

b) Late Fees. A reasonable late fee established by the Management Committee shall be assessed on all late payments. A payment received by the Management Committee ten (10) days or more after its due date shall be considered late for purposes of this subsection.

c) Default Interest. Default interest at a reasonable rate determined by the Management Committee shall accrue on all delinquent accounts.

d) Lien. If any Patio Home Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Management Committee or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Patio Home in favor of any assessing Patio Home or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

e) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

f) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

g) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Patio Home.

h) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the ByLaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

i) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

j) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages, including by way of illustration but not limitation a non-judicial foreclosure, judicial foreclosure, or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Patio Home during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Patio Home at foreclosure or other sale and hold, lease, mortgage, or convey the same.

k) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Patio Home hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

l) Attorney in Fact. Each Owner by accepting a deed to a Patio Home hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Patio Home, if the Patio Home is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

m) Lenders, Foreclosures and Unpaid Assessments. Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Patio Home pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Patio Home in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Patio Home for its share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee. Anything to the contrary notwithstanding, the following lenders are NOT liable for any unpaid Assessments or

Additional Charges in the event of foreclosure: The Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), the Department of Veterans Affairs (VA) or any other government lender, guarantor or insurer.

n) Termination of Utilities and Right to Use Amenities for Non-Payment of Assessments. If an owner fails or refuses to pay any assessment when due, the management committee may (a) terminate the owner's right to receive utility services paid as a common expense; and (b) terminate the owner's right of access and use of recreational facilities, after giving written notice to the Owner and the opportunity to be heard.

o) Assignment of Rents. If the owner of a Patio Home who is leasing the Patio Home fails to pay any assessment for a period of more than thirty (30) days after it is due and payable, the Management Committee may demand the tenant to pay to the association all future lease payments due the owner, commencing with the next monthly or other periodic payment, until the amount due to the association is paid; provided, however, the Manager or Management Committee must give the owner written notice of its intent to demand full payment from the tenant. Within five (5) business days of payment in full of the Assessment, including any interest or late payment fee, the Manager or Management Committee must notify the tenant in writing that future lease payments are no longer due to the association. A copy of this notification must be mailed to the owner.

22. Liability of Management Committee. The Association shall indemnify every officer and member of the Management Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Management Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Management Committee) to which he or she may be a party by reason of being or having been an officer or member of the Management Committee. The officers and members of the Management Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Management Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Management Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Management Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Management Committee, or former officer or member of the Management Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

23. Insurance. In the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. (3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taking by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

b) Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Patio Homes which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Patio Home is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 21 above to pay for the deficiency.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Patio Homes will not be the subject of Restoration (even though the Project will continue as a Planned residential unit development) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided

Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Patio Homes.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, Planned residential unit development Ownership under this Declaration and the Final Plat shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Patio Home is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

m) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Patio Home Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Patio Homes that are subject to mortgages held by eligible holders.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Patio Homes. However, implied approval may be assumed when an Eligible Mortgage holder (except (where appropriate) the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA)

or the Department of Veterans Affairs (VA)) fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

25. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained; and

IN ADDITION, IF THE ASSOCIATION IS INCORPORATED AND THERE IS A CONFLICT BETWEEN THE PROVISIONS OF THIS DECLARATION AND THE UTAH REVISED NON-PROFIT CORPORATION ACT, THE LATTER SHALL IN ALL INSTANCES GOVERN AND CONTROL.

26. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Patio Home in foreclosure. The lien or claim against a Patio Home for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Patio Home for such unpaid Assessments shall not be affected by any sale or transfer of such Patio Home, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Patio Home or the exercise of a power of sale available there under shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Patio Home from liability for, nor such Patio Home the lien of any Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration,

ByLaws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Patio Home Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Patio Home on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Patio Home subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

f) Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request; provided, however and anything to the contrary notwithstanding, so long as Declarant is in control of the owner's association, such action or transaction must be approved in writing by the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, Section 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Patio Home is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

27. Amendment. This Declaration may be amended as follows:

a) General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the addition or annexation of any land, any amendment to this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the total undivided ownership interest in the Common Area and Facilities cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting.

b) Initial Declarant Right to Amend. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Patio Home.

c) Unilateral Right to Amend Under Certain Conditions. Notwithstanding anything contained in this Declaration to the contrary, this Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (1) necessary to correct typographical errors or inadvertent omissions; (2) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (3) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Patio Homes subject to this Declaration; provided, however, any such amendment shall not materially adversely affect the title to any Patio Home unless the Owner of said Patio Home shall consent thereto in writing.

d) Declarant's Right to Amend Unilaterally Prior to Termination of Declarant's Right to Control. Prior to the expiration of the Period of Declarant's Control, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to any property without the express written consent of said Patio Home Owner.

e) To Satisfy Requirements of Lenders. Anything to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration or approval of the sale of Patio Homes, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Patio Home, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Patio Homes and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Declarant, then Declarant shall have the unilateral right to amend this Declaration to restore such control.

f) Declarant's Rights. No provision of this Declaration reserving or granting to Declarant any unexpired developmental rights may be amended, including by way of illustration but not limitation a modification which would terminate or decrease any developmental right, without the prior express written consent of Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Declarant's sole and exclusive discretion.

g) Execution of Amendments.

1) An amendment or revocation which only requires the execution of an instrument by Declarant as hereinabove provided shall be effective when executed by Declarant and when recorded in the office of the County Recorder.

2) An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association, who shall certify that all of the voting requirements have been satisfied, and the Declarant, if the Declarant's consent is also required, and recorded in the office of the County Recorder.

h) Consent of Eligible Mortgagee to Terminate Legal Status of Project. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project.

i) Consent of Eligible Mortgagees to Add or Amend Any Material Provision. The consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Final Plat which establishes, provides for, governs, or regulates any of the following:

- Restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the documents; and
- Any provisions that expressly benefit Mortgage holders, insurers or guarantors.

Any addition or amendment shall not be considered material for purposes of this paragraph if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Final Plat is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Final Plat or the termination of the legal status of the Project. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

28. Due Process Requirements; Notice of Hearing; Opportunity to be Heard. In the event of a claimed violation of the Project Documents, no citation or suspension shall be imposed without the Management Committee first giving the alleged violator written notice of the violation and an opportunity to be heard by the Management Committee; provided, however, nothing herein shall be construed to prevent the Management Committee from (a) immobilizing, towing or impounding a motor vehicle in violation of the parking rules and regulations for which no additional notice is required, or (b) making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to the Patio Home Owner or resident and giving them an opportunity to be heard.

29. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all Patio Homes owned by it, or the expiration of five (5) years following the date on which the Declaration is filed for record in the Office of the County Recorder, whichever first occurs, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of Declarant's Patio Homes, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Patio Homes owned by Declarant:

a) Sales Office and Model Patio Homes. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Patio Homes at any one time. Such office and/or models may be one or more of the Patio Homes owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property in accordance with city ordinances.

c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

e) Restrictions in Favor of the Declarant. The recreational amenities or facilities at the Project may not be subject to any restriction or reservation in favor of the Declarant or any of its affiliates.

30. Limitation on Improvements by Association. Until the termination of the Period of Declarant's Control, neither the Association, Management Committee or any Owner shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

31. Completion Obligation. Declarant hereby covenants in favor of each Owner that within three (3) years from the date of any contract of sale:

a) Patio Homes. Each Patio Home which an Owner has contracted to purchase, the Building within which such Patio Home is contained or is to be contained, and the appurtenant Common Area and Facilities shall be substantially constructed, and ready for use or occupancy (as the case may be); and

There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Patio Home or Building in which a Patio Home is located, and necessary for its use.

32. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Patio Homes or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

33. Mortgagee Approval. 34. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Project to a Committee elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective

date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

35. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Patio Home.
