Written notice of the annual assessment shall be provided to every Owner subject thereto. The due dates for payment of said assessment shall be established by the Board on either a monthly, quarterly, or annual basis, or some combination thereof.

A certificate or written statement of account signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid shall be provided to any requesting Lot Owner or any encumbrancer or potential encumbrancer of the Lot in question, and may also be provided to another requesting party if said party's request has previously been approved by the Board. Furthermore, a first mortgage holder, upon request, is entitled to a written certificate from the Association advising of any default by the Lot Owner of any obligation not cured within sixty (60) days. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 10. Effect of Non-Payment of Assessments: Remedies of the Association. Assessments are due the first (1st) day of the month and become delinquent on the tenth (10th) day of the month. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute, and remain a continuing lien on the Lot; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments become due. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payments. Such personal liability shall not pass to the Owner's successors in

title unless expressly assumed by them. Amounts owed on each assessment shall be due and payable within ten (10) days immediately following the date the assessment is deposited in the United States Mail addressed to the Member at the address shown in the Association records. If the Assessment is not paid within the aforesaid ten (10) day period, the Member shall be in default and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lower rate as the Board shall determine appropriate) until paid. The Association shall have the remedies provided in the subsections below if payment is not made when due.

The Association and each Lot Owner hereby conveys and warrants pursuant to Sections 212 and 302 of the Act, and Utah Code § 57-1-20, to attorney Bruce C. Jenkins, or any other attorney that the Association engages to act on its behalf to substitute for Bruce C. Jenkins, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of assessments under the terms of this Declaration. The Association shall have the right to collect assessments through a lawsuit, judicial foreclosure, non-judicial foreclosure or other means as provided in Sections 301 through 311 of the Act. Such remedies shall be cumulative and not exclusive.

(a) Remedies. For delinquent assessments the Association shall be entitled to (1) bring an action at law against the Owner, personally obligated to pay such delinquent assessment without waiving the lien or assessment or (2) foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the exercise of powers of selling Deeds of Trust or to the foreclosure of mortgages, or in any other manner permitted by law, and/or (3) withhold, interrupt, or terminate any or all services performed by the Association in behalf of the delinquent Member.

(b) Additional Remedies. In addition to the remedies stated above, Directors may assess a late fee for each delinquent installment, which fee shall be in an amount to be set by the Board.

(c) Costs and Attorneys' Fees. The costs and expenses of any judicial action, arbitration, sale or foreclosure, preparation of notice of lien, and any other costs and expenses directly or indirectly related to the delinquent payment, including reasonable attorneys' fees, shall be an assessment charged to the Lot Owner.

(d) Right to Bring Action. Each Lot Owner by his acceptance of a deed to a Lot expressly grants to the Association, its successors, assigns, or agents the right and power to lien the Lot and/or to bring any action(s) against such Owner personally for the collection of any assessment or amount due. Such assessment or amount due shall stand as a debt, and the Association shall have the right and power to pursue collection of said debt and to use all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as foreclosure of a mortgage or trust deed lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Lot Owners. The Association, acting on behalf of the Lot Owners, shall have the power to submit a bid in any such foreclosure sale and to acquire and hold, lease, mortgage, sell, and convey any property interest obtained thereby.

Section 11. Non-use and Abandonment. No Owner may waive or escape personal liability for the assessments provided for herein, nor release the Lot owned by him from the liens

and charges hereof, by non-use of any Common Area or abandonment of his Lot.

Section 12. Subordination of the Lien to Mortgages. The lien created hereunder upon any Lot shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any first mortgage (meaning a mortgage with first priority over other mortgages) or equivalent security interest on any Lot, made in good faith and for value, recorded prior to the date any such assessment becomes due. Any holder of a first mortgage lien or equivalent security interest on a Lot who comes into possession by virtue of foreclosure of a mortgage, or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale will take said Lot and the improvements appurtenant thereto free of any claims for unpaid assessment charges against said Lot which accrue prior to the time such holder comes into possession of the Lot, except for the claims for a share of such expenses or charge resulting from a reallocation of such assessment or charges to all Lots including the mortgaged Lot. Any first Mortgagee, who obtains title to a Lot in the development pursuant to the remedies in the mortgage/deed of trust or through foreclosure of the mortgage/deed of trust or any other security instrument, shall not be liable for more than six (6) months of the Lot's unpaid dues or charges which have accrued before the acquisition of title to the Lot by the Mortgagee through foreclosure. However, no such sale or transfer shall relieve such Lot from liability for any assessments which thereafter become due or from the lien thereof.

Section 13. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) All Properties dedicated to and accepted by any local public authority; and
- (b) The Common Areas.

Section 14. Delinquent Owners. As used in this section, "Delinquent Owner" means a Lot Owner who fails to pay an assessment when due.

- (a) The Board may terminate a Delinquent Owner's right:
 - (1) to receive a utility service for which the Owner pays as a common expense; or
 - (2) of access to and use of recreational facilities.
- (b) (1) Before terminating a utility service or right of access to and use of recreational facilities under Subsection (a) the Manager or Board shall give the Delinquent Owner notice. Such notice shall state:
 - (i) that the Association will terminate the Owner's utility service or right of access to and use of recreational facilities, or both, if the Association does not receive payment of the assessment within fourteen (14) calendar days;
 - (ii) the amount of the assessment due, including any interest or late payment fee; and
 - (iii) the Owner's right to request a hearing under Subsection 3.
- (2) A notice under Subsection (b)(1) may include the estimated cost to reinstate a utility service if service is terminated.
- (c) (1) The Delinquent Owner may submit a written request to the Board for an informal hearing to dispute the assessment.
- (2) A request under Subsection 3(a) shall be submitted within fourteen (14) days after the date the Delinquent Owner receives the notice under Subsection

(b)(1).

(d) The Board shall conduct an informal hearing requested under Subsection (c)(1) in accordance with the hearing procedures of the Association.

(e) If the Delinquent Owner requests a hearing, the Association may not terminate a utility service or right of access to and use of recreational facilities until after the Board:

- (1) conducts the hearing; and
- (2) enters a final decision.

(f) If the Association terminates a utility service or a right of access to and use of recreational facilities, the Association shall take immediate action to reinstate the service or right following the Owner's payment of the assessment, including any interest and late payment fee.

(g) The Association may:

- (1) levy an assessment against the Delinquent Owner for the cost associated with reinstating a utility service that the Association terminates as provided in this section; and
- (2) demand that the estimated cost to reinstate the utility service be paid before the service is reinstated, if the estimated cost is included in a notice under Subsection (b)(2).

Section 15. Tenant Payment of Assessments.

(a) The Board may require a tenant under a lease with a Lot Owner to pay the Association all future lease payments due to the Lot Owner if the Lot Owner fails to pay an assessment for a period of more than sixty (60) days after the assessment is due and payable, beginning with the next monthly or periodic payment due from the tenant and until the Association is paid the amount owing. Before requiring a tenant to pay lease payments to the Association, the Association's manager or Board shall give the Lot Owner notice, which notice shall state: (i) the amount of the assessment due, including any interest, late fee, collection cost, and attorney fees; (ii) that any costs of collection, including attorney fees, and other assessments that become due may be added to the total amount due and be paid through the collection of lease payments; and (iii) that the Association intends to demand payment of future lease payments from the Lot Owner's tenant if the Lot Owner does not pay the amount owing within fifteen (15) days.

(b) If a Lot Owner fails to pay the amount owing within fifteen (15) days after the Association's manager or Board gives the Lot Owner notice, the Association's manager or Board may exercise the Association's rights by delivering a written notice to the tenant. The notice to the tenant shall state that: (i) due to the Lot Owner's failure to pay an assessment within the required time, the Board has notified the Lot Owner of the Board's intent to collect all lease payments until the amount owing is paid; (ii) the law requires the tenant to make all future lease payments, beginning with the next monthly or other periodic payment, to the Association, until the amount owing is paid; and (iii) the tenant's payment of lease payments to the Association does not constitute a default under the terms of the lease with the Lot Owner. The manager or Board shall mail a copy of this notice to the Lot Owner.

(c) A tenant to whom notice is given shall pay to the Association all future lease payments as they become due and owing to the Lot Owner: (i) beginning with the next monthly or

other periodic payment after the notice is delivered to the tenant; and (ii) until the Association notifies the tenant under Subsection (1) that the amount owing is paid. A Lot Owner shall credit each payment that the tenant makes to the Association under this section against any obligation that the tenant owes to the Owner as though the tenant made the payment to the Owner; and may not initiate a suit or other action against a tenant for failure to make a lease payment that the tenant pays to an Association as required under this section.

(d) Within five (5) business days after the amount owing is paid, the Association's manager or Board shall notify the tenant in writing that the tenant is no longer required to pay future lease payments to the Association. The manager or Board shall mail a copy of this notification to the Lot Owner. The Association shall deposit money paid to the Association under this section in a separate account and disburse that money to the Association until the amount owing is paid; and any cost of administration, not to exceed Twenty-Five Dollars (\$25.00), is paid. The Association shall, within five (5) business days after the amount owing is paid, pay to the Lot Owner any remaining balance.

Section 16. Reinvestment Fee Assessment. In addition to all other assessments and upon the Conveyance of a Lot there shall be one (1) Reinvestment Fee charged to the buyer or seller, as the buyer and seller may determine, comprised of the following charges:

(a) an assessment determined pursuant to resolution of the Board and charged for Association expenses as provided for in Utah Code § 57-1-46(1)(a).

(b) No reinvestment assessment shall exceed one-half percent (0.5%) of the fair market value of the Lot, plus all improvements. When the seller is a financial institution, the reinvestment assessment shall be limited to the costs directly related to the transfer, not to exceed Two Hundred and Fifty Dollars (\$250.00). The Association may assign the charges in this Section 16(b) directly to the Association's manager.

(c) A reinvestment fee covenant recorded on or after March 16, 2010, may not be enforced upon: (i) an involuntary transfer; (ii) a transfer that results from a court order; (iii) a bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity; or (iv) a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution.

ARTICLE V ARCHITECTURAL CONTROL AND BUILDING RESTRICTIONS

Section 1. Architectural Control Committee. The ACC shall consist of three (3) members that include one (1) appointed member of the Board and two (2) additional members to be appointed, and approved, by the Board. These appointed members may be either Members of the Association or their partners, but both a Member and the Member's partner shall not serve concurrently. The function of the ACC shall be to ensure that all exteriors of homes and Landscaping within the Property harmonize with existing surroundings and structures. The ACC shall be composed of Owners. Notwithstanding this, or any other provision of this Declaration, the Developer shall be the ACC for those Lots owned by the Developer. If such a committee is not appointed as described above, the Board itself shall perform the duties required of the committee.

The ACC, whether appointed or being the Developer as set forth below, shall require compliance with this Article. As to those Lots owned by the Developer, Developer shall be the sole ACC.

(a) **Submission to ACC.** No home, accessory or addition to a home, Landscaping, or other improvement of a Lot shall be constructed, maintained, or accomplished, and no alteration of the exterior of any home shall be performed, unless complete plans and specifications therefor have first been submitted to and approved by the ACC.

(b) **Meetings of ACC.** The ACC shall meet from time to time as may be necessary to perform its duties hereunder. Any action taken by the ACC shall require the written approval of a majority of its members.

(c) **Standard.** In deciding whether to approve or disapprove plans and specifications submitted to it, the ACC shall use its best judgment to ensure that all improvements, construction, Landscaping, and alterations on Lots within the Property conform to and harmonize with existing surroundings and structures. The Board may formulate general guidelines and procedures. The adopted guidelines and procedures shall be incorporated into the rules and regulations adopted by the Board and the ACC, or the Board, as the case may be, shall act in accordance with such guidelines and procedures.

(d) **Approval Procedure.** Plans shall be submitted using an ACC Request for Architectural/Landscape Change form. Any work done prior to receipt of written ACC approval will be subject to a fine and/or removal of non-conforming improvements not approved by the ACC and any desired deviation from the requirements stated in the Declaration herein must be submitted by the applicant and approved in writing by the ACC prior to work beginning. Any plans and specifications submitted to the ACC shall be approved or disapproved by it in writing within thirty (30) days after submission. In the event the ACC fails to take any action within such period, it shall be deemed not to have approved the material submitted.

(e) **Construction.** Once begun, any improvements, construction, Landscaping, or alterations approved by the ACC shall be diligently pursued to completion. Approvals are only valid for sixty (60) days, and if work has not started within the sixty (60) days, the applicant will need to re-submit for approval. If reasonably necessary to enable such improvement, construction, Landscaping or alteration, the person or persons carrying out the same shall be entitled to temporary use and occupancy of unimproved portions of the Common Area in the vicinity of the activity.

(f) **Disclaimer of Liability.** Neither the ACC, nor any member thereof acting in good faith, shall be liable to the Association or any Owner for any damage, loss, or prejudice suffered or claimed on account of:

- (1) The approval or rejection of, or the failure to approve or reject, any plans, drawings or specifications;
- (2) The development or manner of development of any of the Property; or
- (3) Any engineering or other defect in approved plans and specifications.

(g) **Non-Waiver.** The approval of the ACC of any plans and specifications for any work done or proposed shall not constitute a waiver of any right of the ACC to disapprove any similar plans and specifications subsequently submitted.

(h) **Limit on Fee for Approval of Plans.** The Association may charge a plan fee that is equivalent to the cost of reviewing and approving the plans. As used in this section, "plans"

mean any plans for the construction or improvement of a Lot which are required to be approved by the Association before the construction or improvement may occur.

Section 2. **Home Requirements.** No home may be built on any Lot until it is approved in writing by the ACC as to size, condition, and appearance. Said home must have complete sanitary facilities, including among other things a lavatory, toilet, wash basin, tub or shower, and kitchen sink. The home must be connected to water and sewer lines in conformity with State and Washington County health requirements. The ACC must approve the placement of each home. When the Owner is prepared to place the home on the Lot, he must give the ACC twenty (20) days advance notice and specify the dimensions of the home. At that time the ACC will determine whether the home is acceptable and, if so, the ACC will designate the exact placement of the home on the Lot. Under no circumstances shall any home built after February 17, 2004 be less than nine hundred and fifty (950) square feet for phases I, II, III, and V. Under no circumstances shall any home built after the adoption of this Declaration be less than one thousand two hundred (1,200) square feet for phase IV. In no circumstances shall a modular or off-site built home be permitted.

A flat Lot is defined as a Lot whose level does not vary more than five (5) feet in height on any two (2) points. No fill, earth or other material can be added or rearranged on the Lot to vary from this definition. Except for Lots 85, 86, 114, 145, 152, 153, and 154, no second level or split-level home shall be built on a flat Lot. With respect to Lots that are not flat, and with respect to those Lots excepted above, a second level or tri-level home can be built provided that the total height of the structure, from top to bottom, shall not exceed two (2) stories, and the roof height (from the curb to the roof peak) is approved by the ACC.

Section 3. **Home Siding and Doors.** The exterior of all homes shall be stucco with up to fifteen percent (15%) decorative rock, brick, or tile as approved by the ACC. The color of the stucco, trim, front door, door frames, and garage door is limited to pre-approved colors as provided by the ACC. Exterior doors are allowed with no restriction as to design, however, the frame color must be consistent with the home's exterior wall and trim colors approved by the ACC. Colored doors are permitted subject to ACC approval prior to painting.

Section 4. **Roof and Coloring Requirements.** All homes placed in the subdivision shall have tile shingles with a color, shape, and material matching the existing homes. All roofs must be at least a three-twelfths (3/12) pitch. Primary roof forms shall consist of gables and/or hips. Flat roofs are not permitted. Facias may be either stucco or aluminum; wood soffits and facias are not permitted.

Section 5. **Other Structures.** No structure shall be erected, altered, placed or permitted to remain on any Lot other than one (1) home, a deck, patio or porch, storage room, and garage or carport.

Section 6. **Rain Gutters.** All roofs must have full length rain gutters, where practical, and downspouts. All rain gutters must be piped to the front of the house so that water flows to the street gutters (see Section 12 for drainage requirements). Gutters and downspouts must be white

or match the pre-approved color of the exterior walls.

Section 7. Carpports or Garages. All homes must have a covered carport or garage for not less than one (1) car. The carport or garage must be compatible with the home's appearance and be no smaller than eleven by fifteen (11 x 15) feet. A complete drawing of the carport with specifications must be submitted to the ACC at the time the drawings for the home's location are submitted, and must be approved by the ACC prior to placement of the home on the Lot.

Section 8. Landscaping and Irrigation. The front and rear yards of the home must be landscaped in a manner acceptable to the ACC and consistent with Landscaping throughout the Subdivision. Before the commencement of any planting, Landscaping, or major changes to existing Landscaping, written plans for such shall be submitted to the ACC for approval and any Landscaping approved by the ACC must be completed, weather permitting, within ninety (90) days of the home installation. An automatic sprinkling or irrigation system must be installed by each Owner so Landscaping may be maintained on a year around basis. The tree and irrigation system shall be installed immediately after the home has been placed on a Lot and all garages, carports, porches and driveways have been constructed. All Landscaping irrigation systems must be installed and functioning within ninety (90) days of a certificate of occupancy being issued for the home. A deposit of Five Hundred Dollars (\$500.00) shall be placed with the Association prior to the construction of any home. When Landscaping is completed this deposit shall be returned to the Owner, contingent on ACC final approval, and deductions from the deposit to correct any violations.

Section 9. Storage Rooms. Storage rooms must be constructed of materials compatible with the home's appearance, i.e. stucco with tile roof.

Section 10. Air Conditioning Systems. Air conditioning units must be placed at the rear or side of the home at ground level and must be adequately screened from view. Roof mounted evaporative coolers are allowed but must be the "low-profile" type with a thirty-four (34) inch maxim height. No duct work shall be allowed on roofs. Portable, or window-mounted air conditioners or evaporative coolers are not permitted.

Section 11. Adjustments. The ACC may allow reasonable variances in and adjustments to these restrictions if such are necessary to overcome practical difficulties and prevent unnecessary hardships; provided, however, that such variances or adjustments are granted in conformity with the intent and purposes hereof and provided that in every instance such variance or adjustment will not be materially detrimental or injurious to other property in the Subdivision.

Section 12. Regrading and Drainage. No Lot surface or tract in the Subdivision shall be regraded without the prior consent of the ACC. No Owner shall in any way interfere with, destroy, or alter any drainage or flood control ditches or devices located on his Lot. It shall be the individual Owner's responsibility to maintain and protect drainage and flood control ditches or devices located on his Lot. Under no circumstances may any Owner divert water from his Lot on to another Lot or on to any Common Area except for the street gutters, as explained in Section 13. Owners

are responsible for all drainage from their Lots.

Section 13. Street Gutters. Street gutters are considered part of the Common Area and it is important to keep water in the gutters in order to keep water (1) directed to drains, and (2) off of the asphalt street, which can cause asphalt to deteriorate. Owners may not install any form including concrete, rubber or any other 'filler' material that fills the gutter, either partially or completely, and that may cause normal water flow to be redirected out of the gutter. Iron/Steel plates used as a ramp that bridge over the gutter on the driveway are permitted, so long as they are no wider than the width of the driveway, and no longer than required to span only the concrete gutter and have ACC approval prior to installation. While these iron/steel plates are permitted, the Owner is responsible for keeping the gutter under the plates clear of debris in order to permit water to flow in the gutter.

Gutter fillers that were in place prior to January 1, 2017, may remain in place so long as they remain in good repair and any pipe or openings intended to carry water through the filler are kept free of debris so that water may flow through it fully. If openings are not kept clear, causing water to be redirected onto the asphalt, the ACC may request the Owner to remove the entire gutter filler and pay for any damage to the Common Area. Any existing gutter fillers that need to be replaced or repaired will not be approved by the ACC and must be removed.

Section 14. Landscaping Design. The extent of Landscaping provided by the Owner shall include all portions of Lot not covered by other improvements and shall conform with landscape improvements of Common Area. Lawns are discouraged, except as approved by ACC and reviewed by project Landscape Architect to ensure against excessive wetting of expansive soils. Some artificial lawns (green only) are permitted, subject to prior written ACC approval. Drought resistant or xeriscape plant materials are to be used, particularly in areas where drainage of irrigation water will impact soil stability. A minimum of seventy-five percent (75%) of landscaped area shall be improved with plants from an approved list of plant types as approved by landscape architect and ACC. If an approved list is not maintained by the ACC, then plants must be consistent with existing Landscaping within the Subdivision.

Section 15. Type of Occupancy. Occupancy is limited to a single-family residence, plus their relatives and needed caretakers. Total occupancy of a home shall not exceed two (2) persons per bedroom, and is further restricted to at least one (1) occupant per Lot of age 55 or older in eighty percent (80%) of the dwellings as further described in Article XII below. An individual that occupies or otherwise resides in the dwelling for more than sixty (60) days per quarter shall be considered an 'occupant' and not a 'guest' for purposes of this Section.

Section 16. Property Line & Setbacks. In general, the Owner's property begins on the inside edge of the front curb, as typically denoted by the presence of steel pins in the curb. The curb is part of the Common Area and may not be encroached, except as specifically designated in Article V, Section 13 above which permits the use of iron/steel plates as ramps. Setbacks must be ten (10) feet from the inside edge of the front curb, five (5) feet on each side of the house and seven and one-half (7½) feet from the rear property edge.

Section 17. Solar Window Screens. Frames for solar window screens must be constructed of aluminum. Allowable screen fabric colors are beige, tan, and gray/black. Installation by a professional is required.

Section 18. Windows. Lo-E Glass is encouraged, and Solar Window Tinting is permitted so long as the reflective value is not below 20.

Section 19. Exterior Lighting. Down lighting is required to light the driveway from dusk to dawn using a dusk-to-dawn sensor. A minimum of two (2) lights, either recessed under the eave above the garage door, or one coach-style light on each side of the garage door, are required and must remain in good working order and remain on from dusk to dawn.

Section 20. Driveways and Walkways. All new and/or changes or additions to all existing driveways or walkways must be the natural color of poured concrete or a color that matches the color or trim of the home, conform to the Subdivision's general architecture and include relocating any inhibited lawn sprinklers. Work must be performed by a licensed, insured contractor. Concrete color coating is not permitted.

Section 21. Fence, Wall, and Hedge Requirements. No fence, wall, or hedge shall be constructed without prior approval of the ACC. All fences shall be consistent with the Subdivision. No fence, wall, or hedge shall be constructed or maintained higher than six (6) feet on any Lot, except in the case of a retaining wall, per ACC approval. Examples of acceptable fencing are: block masonry, rock, wrought iron, and vinyl. Wood and chain link fences are not permitted. Fences/Walls on an Owner's property line are the responsibility of the Owner to maintain. As an example, the red masonry block wall running parallel with Telegraph, and also separating RidgePointe from Winter Haven, is located on the property lines of each Owner that backs up to the wall, and is the Owner's responsibility to maintain. Fences/Walls constructed between two (2) neighboring Lots must have written consent of the adjoining Owners prior to submission of the request for ACC approval and installation. The adjoining Owners must share maintenance.

Section 22. Swimming Pools/Hot Tubs. Swimming pools and hot tubs are allowed in enclosed rear yards, provided said installation has received prior ACC written approval via an ACC Request form. Full construction plans must be submitted for review prior to obtaining permits. If approved, the ACC Request will include a stipulation noting that the ACC is approving only the conceptual design of the installation. Compliance with any and all city, county, and state regulations are the sole responsibility of the applicant. It will also state that liability for the installation, maintenance, care, and safety of the pool or hot tub will rest solely with the applicant.

ARTICLE VI OPERATION AND MAINTENANCE

Section 1. Maintenance of Common Areas and Significant Facilities. The Common Areas shall be maintained by the Association so as not to detract from the appearance of the Property and so as not to adversely affect the value or use of any Lot. The Association shall also

be responsible to maintain the grass for each Lot, as well as the irrigation watering schedule for each Lot that has an accessible timer. This means that the Board will employ a landscaping service to mow and edge the lawns and adjust sprinkler timers, valves, and heads to maximize coverage and will bill the Owner for the maintenance costs. Correcting of malfunctioning, inadequate, or damaged sprinkler systems is the responsibility of the Owner. Sprinkler systems that are damaged by the landscaping service will be repaired by the landscaping service at their expense. The Association shall also be responsible to provide and maintain any significant facilities and services specifically designed to meet the physical or social needs of older persons, to the extent such facilities and services are necessary and practicable.

Section 2. Maintenance by Owner. Homes and yards are to be kept in good condition, including, but not limited to, paint, trim, replacement of broken/missing materials, weeding, tree trimming, removal of dead plant material, etc. Each Owner shall be solely responsible for maintenance of the trees, shrubs, and plants on his Lot and the exterior of his home, and for ensuring that trees, shrubs, and plants planted on the Owner's Lot do not encroach on neighboring Lots nor the Common Area. In the event any Owner shall fail to perform this maintenance in a manner consistent with the terms of this Declaration, the Association shall have the right to enter upon such Lot in order to perform any necessary maintenance. The cost of such additional maintenance shall be added to and become part of the assessment to which such Lot is subject.

Section 3. Utilities. The Association, by decision of the Board, retains the right to assume responsibility for paying all or a portion of the utilities assessed to each individual Lot, and to thereafter include as a part of each Lot Owner's regular assessment a payment for that particular utility service. Each Lot Owner shall independently pay for all utility services or portions of a utility service which are not expressly assumed by the Association. Such utilities may include, but are not limited to: cable TV service, sewer, garbage pick-up, water, electricity, telephone, and gas.

Section 4. Access at Reasonable Hours. The Board, or its authorized representative, after giving not less than twenty-four (24) hours advance notice posted to the Lot, may access a Lot, including the dwelling unit, from time to time during reasonable hours, as necessary for maintenance, repair, or replacement of any of the Common Areas. If repair to a Lot, dwelling unit or Common Area -- that if not made in a timely manner -- will likely result in immediate and substantial damage to a Common Area or another Lot or dwelling unit, then the Board may enter the Lot or the dwelling unit to make the emergency repair upon such notice as is reasonable under the circumstances.

Section 5. Duties of Manager. The Association may carry out through a manager any of its functions which are properly the subject of delegation. Any manager so engaged may be an independent contractor or an agent or employee of the Association, shall be responsible for managing the Property for the benefit of the Association and the Owners, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself. The manager may contract with independent contractors or managing agents to perform all or any part

of the duties and responsibilities of the Association in relation to the Common Areas and all general maintenance and repairs within the Project. Any such contract with independent contractors or managing agents shall be limited to a duration of one (1) year, provided, however, that contracts may be renewable for successive one (1) year periods with the approval of the majority of the Board.

Section 6. Terms of Management Agreement. Any agreement for professional management of the Development may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days written notice.

ARTICLE VII EASEMENTS

Section 1. Reservation of Easements. Developer expressly reserves for the use and benefit of itself, its heirs and assigns, all public utilities serving the Property and the Association an easement and right-of-way within the area of each of the private streets and within the areas of the public utility easements shown on the Plat for the purpose of constructing and placing within and thereon wires, conduits, transformers, and related and necessary items of equipment for the underground transmission of gas and electricity and for the construction, installation, operation and maintenance of water lines, sewer lines, drains, water pipes, telephone, television cable, or conduits under the surface of said streets and easements for any lawful purpose whatsoever.

Section 2. Utility and Drainage Easements. Easements for the installation and maintenance of utilities and drainage facilities are as shown on the Plat. Within the easements, no structures shall be placed or permitted nor shall anything be done that may change or alter the direction or flow of drainage in the easements or which may obstruct or retard the flow of surface water through drainage channels or easements. All surface water shall be directed into these channels.

ARTICLE VIII INSURANCE

Section 1. INSURANCE ON LOTS AND HOMES. THE ASSOCIATION SHALL HAVE NO DUTY OR RESPONSIBILITY TO PROCURE OR MAINTAIN ANY FIRE, LIABILITY, FLOOD, EARTHQUAKE OR SIMILAR CASUALTY COVERAGE FOR A LOT OR HOME, OR FOR THE CONTENTS OF ANY HOME. The Board may conduct the reserve analysis by itself or may engage a reliable person or organization to conduct the reserve analysis. The Board shall annually provide Owners a summary of the most recent reserve analysis or update and provide a complete copy of the reserve analysis or update to an Owner upon request. In formulating the budget each year, the Board shall include a reserve line item in an amount required by the governing documents, or, if the governing documents do not provide for an amount, the Board shall include an amount it determines, based on the reserve analysis, to be prudent. Unless a majority of the Association Owners vote to approve the use of reserve fund money for that purpose, the Board may not use money in a reserve fund: (i) for daily maintenance expenses; or (ii) for any purpose other than the purpose for which the reserve fund was established. A Board shall maintain a reserve fund separate from other Association funds.

This Declaration and the policies, procedures, and rules provided for hereunder, demonstrate: (1) that this Property is intended and operated for occupancy by persons 55 years of age or older; (2) that not less than eighty percent (80%) of the occupied units are to be occupied by at least one (1) person who is 55 years of age and older as required by the Act for Older Persons; (3) that the Association will maintain a policy, except as provided in (A) the Association's policies, procedures, and rules and (B) Section 3 below, that each and every home shall be occupied by at least one (1) person 55 years of age or older; (4) no person under the age of 18 is permitted to be an occupant; and (5) that the Association shall publish and adhere to policies, procedures, and rules that demonstrate the intent required under the Act for Older Persons in order to be exempted from the prohibition against discriminating on the basis of Familial Status and that the Association will comply with any and all policies and procedures promulgated by the Secretary of the United States Department of Housing and Urban Development in relation to Housing for Older Persons.

Section 2. Policies, Procedures, and Rules. The Association shall have the right and authority to publish policies, procedures, and rules governing this Property as Housing for Older Persons, 55 years of age or older. These original RidgePointe Policies, Procedures, and Rules in Respect to Housing for Older Persons was adopted by the Members on or about February 13, 2004 (the "55 and Over Policies"). The Board can modify, amend, add to, or supersede the 55 and Over Policies in any manner to conform with this Declaration and such policies and procedures for Housing for Older Persons promulgated from time to time by the Secretary of the United States Department of Housing and Urban Development. In order to maintain the Association's status as Housing for Older Persons, Owners and occupants of homes are required to complete and submit an application verifying their age as required by the Board. A copy of the 55 and Older Policies (Amended October 2019) are attached hereto as Exhibit D. If the Board hereafter amends, modifies, or supersedes the 55 and Over Policies, in whole or in part, said amendments shall be recorded against the Properties within the Washington County Recorder.

Section 3. Applicability. The provisions of this Article shall not apply to prohibit the occupancy of any person occupying a home on the Property before February 17, 2004, or to prohibit the occupancy by a child born to such occupant while that occupant is a resident on the Property, or to prohibit the ownership or occupancy of a dwelling by an heir or other person due to the departure from the property of a qualifying Member over the age of 55 due to that Member's death, divorce, separation, or disability, so long as eighty percent (80%) of the homes are occupied by at least one person age 55 or older. However, any sale or rental of a home by such an heir,

occupant or Owner must be in accordance with the provisions of these amendments and the policies, procedures and rules provided for herein, and the Association reserves the right to enforce the age-related restrictions defined in this Article XII regardless of how ownership or occupancy of the property is obtained.

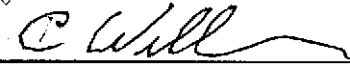

Execution of Amendments.

This Amendment and Restated Declaration of Covenants, Conditions, and Restrictions of RidgePointe shall not be recorded until (i) at least sixty-seven percent (67%) of the Owners shall consent to this Declaration in writing, and (ii) the President of the Association shall have caused to be conducted a survey of the occupants of the homes in Association property whereby he will execute a Verification that at least eighty percent (80%) of the dwelling units of the Association are occupied by at least one (1) person 55 years of age or older. **RIDGEPOINTE
POLICIES, PROCEDURES AND RULES
IN RESPECT TO HOUSING FOR OLDER PERSONS
(Amended October 2019)**

These Policies, Procedures and Rules governing the RIDGEPOINTE SUBDIVISION, RIDGEPOINTE HOME OWNERS ASSOCIATION SOUTH, INC. ("Association") and its Members demonstrate the intent to provide Housing for Older Persons, 55 years of age or older, since such housing is necessary to provide important housing opportunities for older persons. These Policies, Procedures and Rules are intended to comply with the Housing for Older Persons Act of 1995 (as amended).

Section 1. Advertising, Marketing and Sales. All advertising, marketing and sales materials or displays of any kind shall reflect that the Property is intended for "housing for older persons." The Association and its Members shall impart in all oral and written communications (including, without limitation, advertising, marketing, sales and rental materials or displays) a clear statement of intent that (i) the Property is intended as housing for persons 55 years of age or older and that at least one such person age 55 or older must occupy each home; and (ii) that the Association claims an exemption from the provisions of the Fair Housing Act of 1988 and any subsequent amendment thereto regarding discrimination based on familial status. All print ads shall contain the following language: "The RidgePointe Property is intended and operated for residents 55 years of age or older as defined in the Fair Housing Act. As such it is the policy of the RIDGEPOINTE Subdivision and the RIDGEPOINTE HOMEOWNERS ASSOCIATION SOUTH, Inc. to prohibit occupancy of homes in the development by persons under age 55 unless at least one (1) of the occupants of the residence is over age 55 and persons under 18 years of age are prohibited." The Association and/or its Members shall inform prospective occupants that a copy of these Policies, Procedures and Rules governing the Property as housing for older persons will be provided, at no cost, upon request.

Section 2. Approved Occupancy. The Property is intended and operated for occupancy by persons 55 years of age or older, and not less than eighty percent (80%) of the occupied homes are to be occupied by at least one such person who is 55 years of age or older. As such, the Association will maintain a policy that each home shall be occupied by at least one person 55 years of age or older pursuant to the Housing for Older Persons Act of 1995 (as amended), which allows for the property to be exempted from the prohibition against discriminating on the basis of familial status found in the Fair Housing Act of 1988 42 U.S.C. § 3602(k) and § 3604(a). It is understood that "occupied homes" include those wherein the occupants reside in the subdivision at some point during the year and intend to return, but they may not occupy the home continuously. Unoccupied homes shall be expressly reserved for occupancy by at least one person 55 years of age or older. OWNERS WHO WISH TO SELL OR RENT THEIR HOME OR LOT SHALL INFORM ALL PROSPECTIVE PURCHASERS OR RENTERS OF THE AGE 55 OCCUPANCY

RESTRICTION AND THE NEED FOR PROSPECTIVE OCCUPANTS TO SUBMIT AN APPLICATION REGARDING OCCUPANCY TO THE DIRECTORS.

(a) **Application and Age Verification.** In connection with the above, all prospective occupant(s) of a home on the property must complete and submit to the Directors a written application and age verification form, as provided by the Association, a sample copy of which is attached hereto as Exhibit "A." The Directors shall review said application and age verification and within five (5) days of such review shall notify the prospective occupant(s) as well as the seller/lessor of the home as to whether the prospective occupant(s) meet the necessary age requirements and whether they shall therefore be permitted to occupy a home on the property. The only exceptions to this rule shall be the following:

(1) **Persons Occupying Homes at the Time the Property Became Housing for Older Persons.** At the time the property became officially designated as housing for Older Persons by way of amendments to the Declaration of Covenants, Conditions and Restrictions of RidgePointe during December 2003 a survey was conducted to verify the ages of persons then occupying homes on the property. Regardless of age, the occupants verified in this survey are exempt from the provisions of this section inasmuch as they are already considered to be Approved Occupants.

(2) **Guests.** Guests of any age do not have to be approved as occupants and shall be permitted to visit or live in the home of an approved occupant for up to 21 total days per quarter without being considered an occupant; however, no more than 14 of said total of 21 days of residence per quarter may be consecutive.

(3) **Heirs and Other Occupants who are not Purchasers or Renters.** Pursuant to Article XII, Section 3 of the Declaration of Covenants, Conditions and Restrictions of RidgePointe, after review and approval by the Directors, and heir or other person who intends to occupy a home on the property because of the death, divorce, separation or disability of a prior approved occupant shall have the right to occupy said home regardless of age as long as (1) he is neither buying or renting the home in question from the former approved occupant; AND (2) the Directors determine that such occupant's residence on the property shall not nullify or otherwise challenge the requirement that eighty percent (80%) of all occupied homes on the property are occupied by at least one person age 55 or older. In connection therewith:

A. **Subsequent Purchase or Renting of the Home.** If at any point in time it is demonstrated that a person occupying a home on the property because of the death, divorce, separation or disability of the approved occupant is buying or renting the home in question, (which "buying" or "renting" shall be understood to be the giving of money or other consideration for the right to occupy said home), such person shall be subject to the application and age verification requirements elsewhere described in these Policies and Procedures.

B. **Maintenance of the 80% Requirement.** The Association will not approve an occupancy if the granting of said occupancy would defeat the primary purpose of providing housing for older persons under the Housing for Older Persons Act. Therefore, if the proposed occupancy of any person under this section would nullify or in any way challenge the status of the property as Housing for Older Persons due to causing the percent of occupied homes in the property that are occupied by persons age 55 or older to be less than 80% said person shall be denied the right to occupy the home in question regardless of how the right to occupy the home was obtained.

(b) Sale of Rental Agreements. All sale or rental agreements pertaining to homes on the property shall be in writing and shall indicate that the property is intended as housing for older persons, age 55 years or older, Rental agreements, liens, and deeds of trust (or similar mortgage instruments) shall provide that failure by the lessee, lienee, or trustor to ensure compliance with the requisite age requirement relating to occupancy shall be a default under the agreement. A copy of all sale and rental agreements shall be placed with the Secretary or Treasurer of the Association to be kept with the records of the Association

Section 3. Maintenance of Records. In respect to each transfer of occupancy of a home on the property, the Association shall keep a log or other record identifying the transferor, the transferee, the address of the home, the names and ages of the new occupants, any documentation provided to verify those ages, the method of transfer (sale, lease, devise, etc.), and the date the transfer was approved and by whom. Likewise the Association shall keep a log identifying transfers of occupancy rejected due to the age restriction, including the persons involved in the proposed transfer and their current addresses, the ages of the prospective occupants, the reasons for the rejection, and the date of the rejection. At least once every two years, the Association shall review and update if necessary its records regarding the age of each occupant of the property, as well as its compliance with federal requirements relating to Housing for Older Persons.

Section 4. Lot Ownership. It is understood that the requirements of these rules apply only to occupancy of a home in RidgePointe, and not to ownership of said home or of a lot in RidgePointe. Neither the CC&Rs nor these rules restrict the purchase of a home in RidgePointe by a person of any age, but occupancy of said home is restricted to those age 55 or older as more particularly described in these rules.

Section 5. Binding Effect. These Policies, Procedures and Rules are binding upon (i) the Association, its Directors, officers and agents, (ii) the Association Members, their guests, invitees, friends, and agents, and (iii) all lot owners of lots in RidgePointe and the successors, heirs, attorneys, representatives, prospective occupants and assigns of such lot owners as well as of Association Members.

Section 6. Amendment. The Association Board of Directors can modify, amend, add to or supersede these Policies, Procedures and Rules in order to conform with such policies and procedures for Housing for Older Persons as are promulgated from time to time by the Secretary of the United States Department of Housing and Urban Development.
