This Assignment of Declarant's Interest in Declaration (this "*Assignment*") is made and entered into as of this 15th day of July, 2010, by and between LEDGES DEVELOPMENT, LLC, a Utah limited liability company ("*Assignor*"), LEDGES PARTNERS, LLC, a Utah limited liability company ("*Seller*"), and VALDERRA DEVELOPMENT, LLC, a Utah limited liability company ("*Assignee*").

RECITALS

A. Seller, as the seller, and Assignee, as the purchaser, are parties to that certain Contract of Purchase and Sale and Joint Escrow Instructions, dated as of April 21, 2010 (the "*PSA*"), pursuant to which Seller has agreed to sell, and Assignee has agreed to purchase, certain assets at The Ledges of St. George held by Seller.

B. Assignor is the Declarant under that certain Master Declaration of Covenants, Conditions, and Restrictions of The Ledges of St. George dated March 8, 2006 (together with all amendments, modifications and exhibits thereto, the "*Declaration*"), establishing a master planned community known as The Ledges of St. George, recorded in the real property records of Washington County, Utah, on March 8, 2006 under recording No. 20060007014.

C. Pursuant to the terms of the PSA, Seller agreed to cause Assignor to assign to Assignee, and Assignee agreed to assume from Assignor, all of Assignor's rights under and interest in the Declaration.

D. Pursuant to Article 18 of the Declaration, Assignor desires to assign to Assignee all of Assignor's rights as the Declarant under the Declaration in connection with the consummation of the transactions contemplated by the PSA.

E. Capitalized terms used but not defined in this Assignment shall have the meanings given to them in the PSA.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and upon the conditions contained in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor and Assignee agree as follows:

1. Assignment

On the Closing Date, Assignor assigns to Assignee all of Assignor's rights and interest as the Declarant under the Declaration.

2. Acceptance and Assumption

On the Closing Date, Assignee accepts the assignment of the Declarant's interest under the Declaration, and assumes and agrees to perform and be bound by all the terms, conditions, obligations and liabilities required to be paid or performed by the Declarant arising under the Declaration from and after the Closing Date (and shall pay all unpaid obligations related to the Declaration to the extent expressly set forth in the Assumption of Liability Agreement).

3. Assignee's Indemnification

(a) Assignee hereby agrees to pay, protect, defend and save harmless and indemnify Assignor and Assignor's respective equity holders, managers, directors, officers, employees and representatives (the "*Assignor Indemnified Parties*") from and against any and all liens, damages (including, without limitation, punitive or exemplary damages), losses, liabilities, obligations, settlement payments, penalties, fines, costs and expenses (including, without limitation, attorneys' fees), causes of action, suits, claims, demands and judgments of any nature or description whatsoever (collectively, "*Costs*") which may at any time be imposed upon, incurred by or awarded against any of the Assignor Indemnified Parties arising directly or indirectly as a result of Assignee's assumption of the Declaration as of the Closing Date or failure to comply with or satisfy the obligations under the Declaration to the extent such obligations arise on or after the Closing Date (the "*Indemnified Matter*").

(b) If any claim or action is brought against any of the Assignor Indemnified Parties involving an Indemnified Matter, the Assignor Indemnified Party will notify Assignee in writing and Assignee will promptly assume the defense thereof, including the employment of counsel acceptable to Assignor and, subject to clause (c) below, the negotiation of any settlement. The Assignor Indemnified Party's failure to notify Assignee of such matter shall not impair or reduce Assignee's obligations. The Assignor Indemnified Party may, at Assignee's expense, employ separate counsel in any action and participate in the defense thereof. If Assignee fails to defend the Assignor Indemnified Party with respect to an Indemnified Matter, the Assignor Indemnified Party may, at its sole option, and at Assignee's cost and expense, defend or settle the same. Assignee's liability to the Assignor Indemnified

Party hereunder shall be conclusively established by such settlement, provided such settlement is made in good faith, the amount of such liability includes both the settlement consideration and all of the Assignor Indemnified Party's Costs incurred to effect the settlement. The Assignor Indemnified Party's good faith in any settlement shall be conclusively established if the settlement is made on the advice of independent legal counsel for the Assignor Indemnified Party.

(c) Assignee will not, without Assignor's prior written consent: (i) settle or compromise any action, suit, proceeding or claim (each, an "*Action*") or consent to the entry of any judgment that does not include as an unconditional term thereof the delivery by the claimant or plaintiff of a full and complete written release of the Assignor Indemnified Party (in form, scope and substance satisfactory to Assignor in its sole discretion) from all liability in respect of such Action and a dismissal with prejudice of such Action, or (ii) settle or compromise any Action in any manner that may adversely affect the Assignor Indemnified Party (including, without limitation, his, her or its reputation) or obligate such Assignor Indemnified Party to pay any sum or perform any obligation as determined by such Assignor Indemnified Party in its sole discretion.

(d) All Costs will be immediately reimbursable to the Assignor Indemnified Party when and as incurred and without any requirement of waiting for the ultimate outcome of any Action, and Assignee shall pay to the Assignor Indemnified Party any and all Costs within ten (10) days after notice from the Assignor Indemnified Party itemizing the amounts thereof incurred to the date of such notice. Without limiting any other available remedy, such Costs, if not paid within said ten-day period, shall bear interest as at the default rate of 12% per annum from the 10th day following the notice until such costs are paid..

4. Seller's Indemnification

(a) Seller hereby agrees to pay, protect, defend and save harmless and indemnify Assignee and its equity holders, managers, directors, officers, employees and representatives (the "*Assignee Indemnified Parties*") from and against any and all Costs which may at any time be imposed upon, incurred by or awarded against any of the Assignee Indemnified Parties as a result of Assignor's failure to comply with or satisfy the obligations under the Declaration to the extent such obligations arose prior to the Closing Date (the "*Assignee Indemnified Matter*").

(b) If any claim or action is brought against any of the Assignee Indemnified Parties involving a Assignee Indemnified Matter, the Assignee Indemnified Party will notify Seller in writing and Seller will promptly assume the defense thereof, including the employment of counsel acceptable to Assignee and, subject to clause (c) below, the negotiation of any settlement. The Assignee Indemnified Party's failure to notify Seller of such matter shall not impair or reduce Seller's obligations. The Assignee Indemnified Party may, at Seller's expense, employ separate counsel in any action and participate in the defense thereof. If Seller fails to defend the Assignee Indemnified Party with respect to a Assignee Indemnified Matter, the Assignee Indemnified Party may, at its sole option, and at Seller's cost and expense, defend or settle the same. Seller's liability to the Assignee Indemnified

Party hereunder shall be conclusively established by such settlement, provided such settlement is made in good faith, the amount of such liability includes both the settlement consideration and all of the Assignee Indemnified Party's Costs incurred to effect the settlement. The Assignee Indemnified Party's good faith in any settlement shall be conclusively established if the settlement is made on the advice of independent legal counsel for the Assignee Indemnified Party.

(c) Seller will not, without Assignee's prior written consent: (i) settle or compromise any Action or consent to the entry of any judgment that does not include as an unconditional term thereof the delivery by the claimant or plaintiff of a full and complete written release of the Assignee Indemnified Party from all liability in respect of such Action and a dismissal with prejudice of such Action, or (ii) settle or compromise any Action in any manner that may adversely affect the Assignee Indemnified Party (including, without limitation, his, her or its reputation) or obligate such Assignee Indemnified Party to pay any sum or perform any obligation as determined by such Assignee Indemnified Party in its sole discretion.

(d) All Costs will be immediately reimbursable to the Assignee Indemnified Party when and as incurred and without any requirement of waiting for the ultimate outcome of any Action, and Seller shall pay to the Assignee Indemnified Party any and all Costs within ten (10) days after notice from the Assignee Indemnified Party itemizing the amounts thereof incurred to the date of such notice. Without limiting any other available remedy, such Costs, if not paid within said ten-day period, shall bear interest as at the default rate of 12% per annum from the 10th day following the notice until such costs are paid.

5. Further Assurances

In addition to the acts and deeds recited herein and contemplated to be performed, executed and/or delivered by the parties hereto, each hereby agrees to perform, execute and/or deliver or cause to be performed, executed and/or delivered from time to time, all further acts, deeds and assurances as any party may reasonably require to consummate the transaction contemplated hereunder.

6. Modification

No modification, waiver or termination of this Assignment will be valid unless the same is in writing and signed by the party against which the enforcement of the modification, waiver or termination is or may be sought.

7. Successors and Assigns

This Assignment will be binding on and inure to the benefit of Assignor and Assignee and their successors in interest and assigns and, as it relates to Assignee's indemnity obligations under Section 3, to the benefit of the Assignor Indemnified Parties and their successors in interest and assigns.

8. Governing Law

This Assignment will be governed by, and construed in accordance with, the laws of the state of Utah.

9. Attorneys' Fees

Should any dispute occur between any of the parties with respect to this Assignment or any document executed in connection with this Assignment, which results in litigation or arbitration, the losing party shall pay the prevailing party its reasonable attorneys' fees and costs at trial or in arbitration and upon any appeal.

10. Counterparts
