CC#: Work Order#:

UNDERGROUND RIGHT OF WAY EASEMENT
(East)

Effective as of March 25, 2021 (the "Effective Date"), for value received, Artspace City Center, LLC, a Utah limited liability company ("Grantor"), as the owner of that certain real property in Salt Lake County, Utah, as more particularly described on Exhibit B attached hereto and by this reference made a part hereof ("Grantor's Property"), in order to provide service to the CSA Property (as described in Exhibit D) from 600 West Street, hereby grants to PacifiCorp, an Oregon Corporation, d/b/a Rocky Mountain Power its successors and assigns ("Grantee"), a non-exclusive easement for a right of way for the construction, reconstruction, operation, maintenance, repair, replacement, enlargement, protection and removal of underground electric power transmission, distribution and communication lines, below the surface of the northernmost five (5) feet of Grantor's Property more particularly described on Exhibit A attached hereto and by this reference made a part hereof (the "Easement Area"), and which lines shall be in the location shown on Exhibit C attached hereto and by this reference made a part hereof.

Together with the present and (without payment therefor) the future right to keep the Easement Area clear of all brush, trees, timber, surface structures, surface buildings and other unreasonable hazards which might endanger Grantee's facilities or unreasonably impede Grantee's exercising of the rights of Grantee under this easement.

At no time shall Grantor place or store any flammable materials (other than agricultural crops), or light any fires, on or within the Easement Area. Subject to the foregoing limitations, Grantor and any other persons or entities granted the right of use by Grantor shall continue to have the right to use the Easement Area so long as such use does not conflict or interfere with this Easement.

Grantee, at Grantee's sole cost and expense, shall repair any damage caused to the Easement Area or the Grantor's Property, to the extent caused by Grantee's activities thereon, or otherwise resulting from Grantee's exercise of Grantee's rights under this easement and shall defend, indemnify and hold harmless Grantor from any and all judgments, actions liens, loss, damages, penalties, fines, liabilities, expenses (including reasonable attorneys' fees) and claims ("Indemnities") arising out of Grantee's use of the easement, but Grantee's indemnification obligation herein shall not extend to Indemnities caused by Grantor or third-parties.

Grantee agrees that as to that portion of the easement within the northernmost five (5) feet of Eccles Avenue, Grantor may, at its option, relocate such easement area to a five (5) foot wide area further south on Grantor's property. In such event, Grantor and Grantee shall enter into an amendment of this easement to revise the legal description accordingly. Grantee shall not bear any cost of relocating the then existing electrical lines. Furthermore, at Grantor's request and in connection with a future subdivision plat anticipated to be recorded by Grantor on the subject property, Grantor and Grantee agree to amend this easement to move the east boundary line of this easement to match the boundary of the Grantor property to the boundary in any such new subdivision plat, such that this easement and that certain related easement that adjoins this easement to the east will run continuously.

If any suit or action arising out of or related to this easement is brought by any party, the prevailing party or parties shall be entitled to recover the costs and fees (including, without limitation, reasonable attorneys' fees, the fees and costs of experts and consultants, copying, courier and telecommunication costs, and deposition costs and all other costs of discovery) incurred by such party or parties in such suit or action, including, without limitation, any post-trial or appellate proceeding, or in the collection or enforcement of any judgment or award entered or made in such suit or action. To the fullest extent permitted by law, each of the parties hereto waives any right it may have to a trial by jury in respect of litigation directly or indirectly arising out of, under or in connection with this agreement. Each party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.

The rights and obligations of the parties hereto shall be binding upon and shall benefit their respective heirs, successors and assigns.
