Covenants, Conditions, and Restrictions
Of The
Taylor Parks Subdivision Phase Two (2)

3. PREFABRICATED, TEMPORARY STRUCTURES, AND MOBILE HOMES. No prefabricated or temporary structures shall be built or moved onto any lot for living or habitation purposes.
4. APPEARANCE OF THE EXTERIOR OF THE HOME: The front of the home must have brick or rock and a maximum of 70% Stucco, or Smart Siding, with a warranty period of no less than 20 years. The remaining 3 sides of the home must be covered with brick, rock, smart siding, or stucco with no less than a 20 year warranty. No vinyl or aluminum siding will be allowed on home. All accessory buildings over 120 square feet must match home exterior. See Section 6.
5. GARAGES: All residences constructed on any lot in the subdivision shall be constructed with a fully attached and private garage, built to accommodate no less than (2) vehicles, with a minimum dimension of 22 feet by 22 feet. (484 square feet)
6. ACCESSORY BUILDINGS: All accessory buildings larger than 120 square feet must be architecturally compatible with surrounding structures (appearance matches home) and approved with the city building department as per state and city building code. See Section 15
7. BUILDING LOCATION: All buildings shall be located on lots so as not to be in violation with Plain City building department. In no event shall any building, including eaves or steps, encroach on any other lot.
8. NUISANCES: No noxious or offensive activity shall be carried upon any lot, portion of the property, nor shall anything be done that may become an annoyance to the neighborhood.
9. OIL AND MINING OPERATIONS: No oil drilling, quarrying, or mining operations of any kind shall be permitted on in any lot. No wells, tunnels, or mineral excavation is permitted.
10. GARBAGE: No part, or portion of, any property shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. Such rubbish, trash, and debris may only be stored in sanitary containers and disposed of regularly and properly.
11. BOATS, RV'S, AND MOTOR VEHICLES: No boats, motorcycles, ATV's, Trailers, Busses, Motor Homes, Campers, or other vehicles, shall be stored upon any lot except inside the garage or back yard. In no event shall any such vehicles be parked upon any lot, in side yard, front yard, or street for more than 48 hours. Inoperable motor vehicles are not permitted to be stored on any portion of any lot, and are not allowed to be stored on road.
12. WALLS, FENCES, AND OTHER BARRIERS: All walls, fences, and barriers shall be constructed of materials manufactured for that purpose and erected in a safe and proper manner. All fences on placed on property lines shall be erected of a vinyl, concrete, or better material. Chain link, or wire fences shall not be permitted to be constructed on lot lines except as installed by developer in rear yard areas as required by city. If owner fences rear portion of lot on lot line, it is lot owners responsibility to remove and repair chain link, or wire fence.
13. SIGNS: No billboard or sign of any kind shall be erected, posted, painted, or displayed on, or above, any lot. No sign of any kind, except for signs for advertisement of a lot, or residence for sale or rent, limited to one sign per lot, will be permitted. No signs for advertisement of a home business will be allowed. No signs advertising for contractors during the construction of home will be allowed unless the home is a spec home and contractor is advertising for the sale of the home. Signs by the developer for the advertisement of the development and/or the initial sale of the lots or homes, shall be excluded from this restriction.

Covenants, Conditions, and Restrictions
Of The
Taylor Parks Subdivision Phase Two (2)

14. **TRUCKS AND TRAILERS:** Trucks and trailers with an overall length of 50 feet or more and commercial trucks and trailers with a gross vehicle weight of 26,000 pounds (considered commercial class A vehicle) or more are not allowed to be parked, placed, or stored on any lot, or upon roadway in subdivision.
15. **SITE REVIEW:** Prior to the commencement of construction of any dwelling, garage, storage building, out building, fence, wall, pool, barn, shop, shed, or other improvements on any lot in this subdivision, plot plans and/or construction drawings shall be submitted and approved by Plain City, and Developer. No Construction in this subdivision will be permitted without obtaining the necessary permits and approvals from Plain City, and Developer. The cost of such approvals and permits shall be borne by the seeker of permit or approval.
16. **ROOF MOUNTED EQUIPMENT:** Solar panels, heat pumps, air conditioning units, antennas, and satellite dishes, shall be mounted only if they cannot be viewed from the street directly in front of the home on said lot.
17. **DAMAGE:** Any inflicted damage on existing improvements such as streets, gutters, sidewalks, etc. By purchaser of any particular lot must be repaired and the costs of repair shall be borne by the purchaser at his/her own expense. This also includes damage to landscaping, and existing structures. Any dirt, gravel, or landscape materials, spilled on the road during any construction shall be removed at the cost and/or expense of the lot owner, and returned to the pre-existing condition.
18. **SWPPP:** A SWPP Plan has been prepared for subdivision. A copy of SWPPP is available by contacting Developer. Any lot owner, contractor, sub-contractor or guest will be responsible to follow the SWPPP thoroughly and indefinitely. Any tracking, damages, debris movement, or violation to the roadways, or storm water system, must be immediately remedied. Any person or group who violates any condition of the SWPPP may be subject to substantial penalties. Only one verbal warning or discussion will be made to follow SWPPP. After that, any costs of damage or maintenance to follow SWPPP will be billed by developer directly to lot owner and contractor, and payment must be made to seeker of such payment. If payment is not immediately made to rectify problems, Liens will be placed on lot/lots, to secure payment.
19. **DISCLAIMER OR LIABILITY:** Notwithstanding and information given by Developer (Declarant) regarding soils and subsurface water conditions, whether it be oral or written, Declarant hereby disclaims any responsibility for soil conditions, surface flooding, ditch overflow, runoff, acts of god, and/or subsurface water conditions, and hereby advises buyers and subsequent owners to obtain their own necessary engineering and soils information regarding the same, before constructing a dwelling or improving said property, and hereby denies any liability thereof. Declarant also denies liability thereof to concurrent lot/home owners that may acquire a property that has not been diligently and thoughtfully constructed, and has potential to flood.

Covenants, Conditions, and Restrictions
Of The
Taylor Parks Subdivision Phase Two (2)

20. **UTILITIES:** Culinary drinking water is provided by Bona Vista Water. Pressurized Secondary water is provided by Mountain View Irrigation. Both water companies have hookup fees that will be the responsibility of the lot owner to pay for prior to obtaining a building permit. The Sewer is provided by the Plain City treatment facility, and paid for with the building permit. Natural gas is provided by Questar Gas and can be obtained directly with them. Power is provided by Rocky Mountain Power and can be obtained directly with them. All financial responsibility for utility connections, conduits, chases, hookup and user fees, to be paid by lot owner.
21. **SIDEWALKS:** It is the lot owner's obligation to install city sidewalk and drive approaches on said lot fronting roadways that meets or exceeds city spec prior to final inspection of the home. It is also the obligation of the lot owner to ensure both physically and financially that the sidewalk is free of defects and lot owner assumes all obligation to replace sidewalk and approaches at the request of the city, or developer, which has defects, or is damaged at any time. City will not issue certificate of occupancy prior to sidewalk being installed and inspected for deficiencies.
22. **LANDSCAPING:** 100% of landscaping is to be completed in less than 6 months from the date of certificate of occupancy. The only exception to this is in the event that a lot owner occupies the property during a winter month that prohibits the progress of landscaping. In this event, the lot owner will have until June 1, the following summer to complete landscaping. All landscaping must include 2" caliper ornamental trees of a Canadian Chokecherry (*Prunus virginiana*), or other red leaf species, in all park strip areas, no more than 30 feet apart, and no more than 15 feet from the property line. At least two (2) other 2" caliper ornamental, pine, or shade trees of any species must be planted in the front yard area of the lot.
23. **RIGHTS TO ENFORCE:** Excluding provision 25 of these covenants, the provisions contained in this Declaration shall be enforceable by the City, Land Developer, Declarant, or by their legal representatives. Failure to enforce any of said restrictions shall in no way prevent enforcement of any or all other restrictions herein the declaration of any restrictions to be invalid by court proceeding and shall not invalidate any other restriction/restrictions unless specifically specified.
24. **RESTRICTIONS:** ALL Lots in the Taylor Parks Subdivision have restrictions. The restrictions are as previously mentioned, and as follows:
- a. The maximum depth that any lot owner may dig for a basement is restricted, only to be specified by a professional geo-technical engineer qualified to state such basement depth, however, **never** more than -36" to the bottom of the footings below the highest top back curb elevation fronting lot. It is the lot owner/owners responsibility to seek approvals, guidance, and reference from his/her own engineer. See Disclaimer Section 19.
 - b. Culinary drinking water is never to be used for landscaping and/or yard watering.
 - c. The finished floor elevation of any residential dwelling to be no less than 12" above centerline of existing road elevation of existing road opposite middle of lot line.
 - d. The possibility of flooding will always exist even with any FFE greater than +12" above highest point of roadway. See Disclaimer Section 19.
 - e. A sewer backflow prevention device must be installed on main sewer line at first point of discharge at exterior of home as per Plain City PW Standards. This does not eliminate the building code for backflow devices required inside the home.

Covenants, Conditions, and Restrictions
Of The
Taylor Parks Subdivision Phase Two (2)

25. DURATION: All of the covenants and restrictions set forth in this declaration shall take effect at all times against said property owners thereof or any subsequent owner(s) thereof, for a period of (25) Years from the date of adoption. Said covenants shall then be automatically renewed for successive periods of (10) years. Said Covenants and restrictions, may be altered, modified, or changed by a written agreement of three-fourths (3/4%) of the lot owners of the subdivision. Said changes cannot include easements, or other areas dedicated for public use. In addition, Declarant of these Covenants, Conditions, and Restrictions, may add additional restrictions as may be deemed necessary to and from the protection of other property owners in the subdivision.
