**FOURTH AMENDMENT TO DEVELOPMENT AGREEMENT  
FOR THE PROMONTORY SPECIALLY PLANNED AREA  
EASTERN SUMMIT COUNTY, UTAH**

**THIS FOURTH AMENDMENT TO DEVELOPMENT AGREEMENT FOR THE PROMONTORY SPECIALLY PLANNED AREA EASTERN SUMMIT COUNTY, UTAH (the "Fourth Amendment") is made and entered into as of this 21<sup>st</sup> day of June, 2017 (the "Effective Date"), by and between PROMONTORY DEVELOPMENT, LLC, an Arizona limited liability company, (the "Developer") and SUMMIT COUNTY, a political subdivision of the State of Utah, by and through its Community Development Director (the "County"), with reference to the following facts.**

**RECITALS**

A. Developer is the developer of certain real property commonly known as Promontory and located between the Park City Resort area and the rural lands of Eastern Summit County, Utah, as legally described in Exhibit "A" attached hereto and made a part hereof, and consisting of approximately 5,755 of land and certain improvements constructed thereon (the "Property").

B. The County and Pivotal Promontory Development, L.L.C. as developer of the Property entered into that certain Development Agreement for the Promontory Specially Planned Area Eastern Summit County, Utah, dated as of January 2, 2001 (the "Initial Development Agreement") providing the terms and conditions for the development of the Property.

C. The Initial Development Agreement was amended by the terms of that certain First Amendment to the Development Agreement for the Promontory Specially Planned Area dated December 31, 2004, between Summit County and Pivotal Promontory Development, L.L.C., as the developer of the Property (the "First Amendment"), recorded on January 6, 2005 as Entry No. 00722231 in Book 01671 at Pages 876-880 in the Official Records of Summit County, Utah.

D. The Initial Development Agreement and the First Amendment were further amended by the terms of that certain Second Amendment to the Development Agreement for the Promontory Specially Planned Area dated November 26, 2007, between Summit County and Pivotal Promontory Development, L.L.C., as the developer of the Property (the "2007 Second Amendment"), recorded on December 12, 2007 as Entry No. 00832477 in Book 1904 at Page 0100 in the Official Records of Summit County, Utah.

E. The Initial Development Agreement, the First Amendment and the 2007 Second Amendment were further amended by the terms of that certain Second Amendment to the Development Agreement for the Promontory Specially Planned Area dated February 25, 2015, between Summit County and Developer (the "2015 Second Amendment", and together with the First Amendment and the 2007 Second Amendment, the "Prior Amendments"), recorded on March 3, 2015 as Entry No. 1013800 in Book 2284 at Page 1587 in the Official Records of Summit County, Utah.

F. The Initial Development Agreement, the First Amendment, the 2007 Second Amendment, and the 2015 Second Amendment were further amended by the terms of that certain Third Amendment to the Development Agreement for the Promontory Specially Planned Area dated May 24, 2016, between Summit County and Developer (the "Third Amendment", and together with the First Amendment, the 2007 Second Amendment, and the 2015 Second Amendment, the "Prior Amendments"), recorded on May 24, 2016 as Entry No. 1045703 in Book 2353 at Page 1089 in the Official Records of Summit County, Utah. The Initial Development Agreement as amended by the Prior Amendments is referred to as (the "Amended Development Agreement").

G. Developer and the County have agreed to amend the Amended Development Agreement in certain respects to clarify ambiguity with respect to the establishment of building envelopes and buildable areas on platted lots and/or homesites and/or site plans within the Promontory Specially Planned Area.

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, and in the Development Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Approval. The County, acting pursuant to Section 6.9.2 of the Amended Development Agreement, has found that the amendments to the Amended Development Agreement contained in this Fourth Amendment are not Substantial Amendments as defined in the Amended Development Agreement, and are instead, Administrative Amendments, which may be made by the Community Development Director without public hearing or recommendation of the Planning Commission, and has approved the terms of this Fourth Amendment.

2. Findings. The Community Development Director has made all findings of fact and conclusions of law as are necessary to approve this Fourth Amendment as an Administrative Amendment to the Amended Development Agreement. Without limiting the generality of the foregoing, the Director finds that the Amended Development Agreement, with such modifications as are approved by this Fourth Amendment, are generally consistent with the efficient development and preservation of the entire specially planned area plan. Where there is a direct conflict between the terms of this Fourth Amendment and the Amended Development Agreement (including its exhibits), this Fourth Amendment shall take precedence. Where there is a direct conflict between the Amended Development Agreement and the Code or General Plan or other land use laws, the Amended Development Agreement shall take precedence.

3. Intent and Effectiveness of Fourth Amendment.

3.1. Intent of Fourth Amendment. This Fourth Amendment is intended to continue the existing entitlements, obligations, regulatory standards and vested rights under Ordinance 298-A, the Promontory SPA, as amended, and the Amended Development Agreement that are applicable to the Promontory Property without constituting a "Substantial Amendment" under the provisions of the Amended Development Agreement.

3.2. Building Envelope/Limit of Disturbance Area Establishment: Section 4.8.6.1.9 of the Amended Development Agreement shall be amended as follows:

**Previously approved Final Subdivision Plats** approved before the Effective Date first stated hereinabove: The building disturbance area (building envelope) shall be designated at the time of Summit County Building Permit application by the Master Homeowner's Association in a manner consistent with all Design Guidelines and Design Review Procedures established for the Promontory Community. The recommended designated building disturbance area shall be reviewed by the Summit County Community Development Director, or his designee, to ensure consistency with the open space and viewshed/ridgeline preservation policies and standards, including consistency with this Agreement, the Development Code, and other applicable County or other agency policies and programs.

Site disturbance shall not be permitted outside designated building disturbance area onto areas exceeding maximum building slopes allowed by the Eastern Summit County Development Code unless expressly authorized by the Summit County Community Development Director. Minor encroachments outside the building disturbance area may be approved by the Summit County Community Development Director upon a written, positive recommendation by the Master Homeowners Association's Architectural Review Committee pursuant to the Design Guidelines and Design Review Procedures. Encroachments outside the building disturbance areas, including Development onto areas outside the building disturbance area that exceed maximum building slopes allowed by the Eastern Summit County Development Code, shall only be approved upon a demonstrated hardship that the construction of the proposed Structure cannot otherwise be achieved within the building disturbance area and that such proposed structure is otherwise in compliance with Design Guidelines and Design Review Procedures.

**All future Final Subdivision Plats** submitted and approved after the Effective Date first stated hereinabove: The building disturbance area (building envelope) for each lot shall be designated on the Final Subdivision plat. Prior to or at the time of Final Subdivision Plat submission, the Master Homeowner's Association in a manner consistent with all Design Guidelines and Design Review Procedures established for the Promontory Community shall make a recommendation to the Summit County Community Development Director regarding locations of building disturbance areas for each lot. The recommended designated building disturbance areas shall be reviewed as part of the Final Subdivision Plat process to ensure consistency with the open space and viewshed/ridgeline preservation policies and standards, including consistency with this Agreement, the Development Code,

and other applicable County or other agency policies and programs. Site disturbance shall not be permitted outside designated building disturbance area onto areas exceeding maximum building slopes allowed by the Eastern Summit County Development Code.

3.3 Effectiveness of Fourth Amendment. Consistent with the purposes and intent reflected in the preceding paragraphs, the Fourth Amendment shall not constitute a "Substantial Amendment," and such amendment shall be approved and shall become effective at the same time, subject to all applicable appeals periods with respect to such final approval having expired without an appeal having been filed. The intent of the preceding conditions to effectiveness is to assure that the clarification pertaining to the Promontory Property shall be included within and applicable to the Promontory Property without any gap in time from the original point of establishing vested rights under the Initial Promontory Development Agreement.

4. No Other Amendments. Except as set forth in this Fourth Amendment, the Initial Development Agreement, as previously amended by the Prior Amendments, shall remain in full force and effect and unamended.

**IN WITNESS WHEREOF** the parties have caused this Fourth Amendment to be executed as of the Effective Date.
