Patent No 18. The United States of America

To all to whom these Presents shall come greeting

Whereas by the Act of Congress approved July 1. 1862 as amended by the Act of July 2. 1866 to aid in the construction of a railroad and telegraph line from the Missouri River to the

"Pacific Ocean and to cede to the Government the use of the same for Postal, Military and other purposes" Authority is given to the Union Pacific Rail Road Company "to construct a railroad and telegraph line" under certain conditions and stipulations as expressed in said acts, and provision is made for granting to the said Company any alternate section of public land designated by odd numbers to the amount of ten alternate sections per mile on each side of the said railroad, on the line thereof, and within the limits of twenty miles on each side of said road "not sold, reserved or otherwise disposed of by the United States, and to which a Reclamation or Homestead Claim may not have attached at the time the line of said road is definitely fixed."

And whereas an official statement bearing date November 3rd 1869 and verified by the signature of the Secretary of the Interior, has been filed in the General Land Office, showing that the Commissioners appointed by the President under provisions of the sixth section of the said Act of Congress approved July 2. 1864 have reported to him that a portion of the line of railroad and telegraph from Omaha in the State of Nebraska, eastward to Ogden in the Territory of Utah and known as the Union Pacific Railroad has been constructed and fully completed and equipped in the manner prescribed by the Acts of Congress, relative to the Pacific Railroad and telegraph line and said Union Pacific Railroad Company has applied for a conveyance of the title to the lands granted to said Company by the said Acts of Congress of July 1. 1862 and July 2. 1864.
