Amendment to Easement
(Substitution of Easement Location)

This Amendment to Easement (the "Amendment") is entered into as of the 2nd day of July, 2007 (the "Amendment Effective Date"), by the University of Utah, a body politic and corporate of the State of Utah ("Grantor").

1. Easement Agreement. Pursuant to that certain Easement dated as of the 27th day of February, 1979 and recorded on April 18, 1979 as Document No. 3265982 in Book 4846 Page 902 in the Official Records of Salt Lake County, Utah (the "Easement Agreement"), Grantor granted to Salt Lake City Corporation, a municipal corporation ("Grantee"), a perpetual right of way and easement for the construction, maintenance, replacement and repair of a watermain extension over, under, across and through the parcels of land situated in Salt Lake County, Utah described on Exhibit A attached hereto and incorporated herein by this reference (the "Original Easement Location").
2. Substitution of Easement Location. Pursuant to Section 2 of the Easement Agreement, Grantor has the right to substitute a new easement location, if in the opinion of Grantor, such relocation is necessary. Grantor has determined that a new easement location is necessary. The Original Easement Location is hereby deleted from the Easement Document and the easement location described on Exhibit B attached hereto as "Proposed New Description" (the "New Easement Location") is substituted therefor.
3. Miscellaneous. Exhibits A and B attached hereto are incorporated herein by this reference. This Amendment shall not be deemed to amend or modify the Easement Agreement in any manner except as specifically provided herein. The Easement Agreement, as amended by this Amendment, shall remain in full force and effect, and is enforceable in accordance with its terms.

IN WITNESS WHEREOF, Grantor has caused this Amendment to be signed by its duly authorized officer as of the Amendment Effective Date.
