ARTICLE IV **VOTING RIGHTS**

4.1 Vote Distribution. The Association shall have the following two classes of voting membership:

(a) Class A. Class A Members shall be all the Owners. Class A Members shall be entitled to one vote for each Lot which the Owner owns. In no event, shall more than one Class A vote exist with respect to any Lot.

(b) Class B. The Class B member is the Declarant. The Class B member is entitled to three (3) votes for each Lot owned. The Class B membership will cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (i) the expiration of seven (7) years from the date the Declarant ceased to offer any Lots in the Project, including any area which is added to the Project through a Supplemental Declaration, for sale in the ordinary course of business; or
- (ii) the day the Declarant, after giving written notice to the Owners, records an instrument voluntarily surrendering all rights to control activities of the Association.

In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves; however, fractional voting by multiple Owners of the same Lot is prohibited. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned, unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever, other than to determine whether a quorum exists.

4.3 Expansion of Terms. As the Development is expanded through Supplemental Declarations, the terms of this Article shall be expanded and extended to such additional lands. Specifically including, without limitation, the extension of Class B voting rights to the additional lands and Lots created thereon.

The Association shall have jurisdiction and authority over the Properties and the Members of the Association to the fullest extent allowed by law and also as provided for in the Association's Governing Documents, as such documents may be modified from time to time. The Association, at the discretion of the Board, may also maintain public areas within the Properties.

ARTICLE VI
COVENANT FOR ASSESSMENTS

6.1 Creation of Assessment Obligation. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to personally covenant and agree to pay to the Association: (1) Annual Assessments for Common Expenses, (2) Special Assessments, (3) Corrective Assessments, (4) Benefitted Assessments, (5) Government Assessments, (6) Reinvestment Fee Assessments, and (9) any other amount or Assessment levied by the Board pursuant to the Governing Documents. All such Assessments are established and collected as provided in this Declaration. The Association shall not levy or collect any Annual Assessment, Special Assessment, Corrective Assessment, Benefitted Assessment, or Government Assessment which exceeds the amount reasonably necessary for the purpose, or purposes, for which the Assessment is levied. All such Assessments, including interest, costs and reasonable attorneys' fees for the collection thereof, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such Assessments are made. If title to a Lot changes while there are Assessments owing, the Lot remains subject to those Assessments and the new Owner of the Lot becomes personally liable for the amount of the Assessments. Each such Assessment, including and together with interest, costs and reasonable attorneys' fees, if applicable, shall also be and remain the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment fell due. This personal obligation cannot be avoided by abandonment of a Lot or by an offer to waive use of the Common Area.

(a) So long as the Declarant has an option to unilaterally subject additional property to this Declaration, the following shall apply: the Declarant, builder, contractor, investor, or other Person or entity who purchases a Lot for the purpose of constructing improvements thereon for resale to an Owner, shall pay no Assessment unless a Dwelling Unit constructed on a Lot is occupied for a residence on a permanent or part-time basis, provided that the Declarant or its assigns shall have the obligation to subsidize the Association until control of the Association passes to the Owners. Subsidization shall be defined as the payment of the reasonable cash needs of the Association for ordinary and necessary maintenance expenses and a reasonable contribution to reserves. In no event, however, shall the subsidy exceed the amount of the monthly Assessments. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

6.2 Purpose of Annual and Special Assessments. The Annual and Special Assessments levied by the Association shall be used to promote the common health, safety, benefit, and welfare of the Owners; for the improvement and maintenance of the Common Area, including establishing and funding a reserve to cover major repair or replacement of Improvements within the Common

Area; enhancing and preserving the quality of life of the Owners and Occupants in the Project; enhancing or preserving the value of the Properties; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under the Governing Documents.

6.3 Annual Assessments. Annual Assessments shall be used to satisfy Common Expenses of the Association, as provided in the Governing Documents. The Annual Assessment shall be based upon the Budget prepared by the Board. The Board shall authorize and levy the amount of the Annual Assessment upon each Lot, as provided herein, by a majority vote of the Board. Unless otherwise established by the Board and communicated to the Owners, each Owner shall pay to the Association the Owner's Annual Assessment in equal monthly installments due on the first day of each month. The Declaration, in its discretion, may establish the initial amount of the Annual Budget. The Common Expenses of the Association, and therefore the Annual Assessment, may increase because of, among other reasons, Common Facilities constructed in the sole discretion of Declarant. Nothing herein shall obligate Declarant to construct any Common Facilities.

(a) In the event the Board determines that the estimate of total charges for the current year as set forth in the Budget is, or will become, inadequate to meet all Common Expenses, excluding the extraordinary expenses identified in Section 6.4(a), for any reason, the Board may then revise the Budget and each Owner's Annual Assessment amount based upon revised Budget. Upon notice of the adjustment, and unless otherwise modified by the Board, each Owner shall, thereafter, pay to the Association the Owner's adjusted regular Annual Assessment in equal monthly installments.

6.4 Special Assessments. In addition to the Annual Assessment, a Special Assessment can be assessed to pay the costs of any one or more of the following:

(a) Approved by Board. Special Assessments for the following extraordinary expenses can be levied by the Board without Member approval:

- (i) An extraordinary expense required by an order of a court.
- (ii) An extraordinary expense necessary to repair or maintain the Common Area or any portion thereof for which the Association is responsible where a threat to personal safety on the Common Area is discovered. Prior to the imposition or collection of a Special Assessment pursuant to this subsection, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was necessary and was not or could not have been reasonably foreseen in the budgeting process. The resolution shall be distributed to the Members with the notice of Assessment.
- (iii) Property taxes or other charges payable to a municipality as described in this Declaration, and specifically Section 6.12.
- (iv) To protect the Common Areas against foreclosure.
- (v) To cover other short falls, or other needs approved by the Board as being reasonably necessary to the protection or preservation of the Properties,

provided that any such Assessment levied under this subparagraph (v) does not exceed fifty percent (50%) of the current Annual Assessment.

(b) Approved by Association. Special Assessments which must be assented to by more than fifty percent (50%) of the votes of those Members represented in person, by proxy, or by ballot are entitled to cast at a meeting duly called and held for such purpose, involve:

- (i) the replacement or improvement of the Common Area or Improvement thereon; and
- (ii) an extraordinary expense necessary to repair or maintain the Common Area or any portion thereof for which the Association is responsible.

6.5 Corrective Assessments. In addition to the Annual Assessment and any Special Assessments, the Association may levy Corrective Assessments against a particular Owner and the Owner's Lot to pay the following: costs directly attributable to, or reimbursable by, that Owner, which are equal to the costs incurred by the Association for corrective action, taken or performed pursuant to the provisions of the Governing Documents, including, without limitation, Sections 8.7, 9.1, and Article XI of this Declaration, plus interest, an administration fee of fifteen percent (15%) of the total cost of the corrective action, any fees or costs charged by the Association's Manager, any legal fees and costs incurred by the Association, and other charges on such Corrective Assessments.

The Board shall deliver a Notice of Noncompliance and Right to Hearing to the Owner upon whom it intends to levy a Corrective Assessment. Corrective Assessments shall be due and payable within forty-five (45) days following delivery of the Notice of Board Adjudication and shall bear interest thereafter at the rate of one and one-half percent (1.5%) per month, compounded monthly, until paid in full.

6.6 Benefitted Assessments. The Board may levy Benefitted Assessments against a particular Lot, or Lots, for expenses incurred or to be incurred by the Association to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot(s) or Occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize (which might include, without limitation, landscape maintenance, caretaker services, etc.), which Benefitted Assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred at the request of the Owner.

6.7 Government Assessments. In addition to the Annual Assessments, Special Assessments, Corrective Assessments, and Benefitted Assessments, the Association shall levy such additional Assessments as may be necessary from time to time for the purpose of repairing and restoring the damage or disruption resulting to Streets, other Common Areas, or Limited Common Areas from the activities of a governing entity or similar entity in maintaining, repairing, or replacing the entity's utility lines and facilities thereon. It is acknowledged that the ownership of said utility lines, underground or otherwise, is in the name of the entity up to and including the meters for individual Lots, and that they are installed and shall be maintained to the entity's specifications.

6.8 Reinvestment Fee Assessments. In addition to all other Assessments which may be levied pursuant to the Governing Documents, upon the transfer of a Lot there shall be one (1) Reinvestment Fee Assessment charged to the buyer or seller, as the buyer and seller may

determine. For purposes of this Section, a “transfer” is any change in the ownership of the Lot as reflected in the office of the County Recorder, regardless of whether such change of ownership is pursuant to the sale of a Lot or not. The amount of the Reinvestment Fee Assessment shall be in the amount or percentage determined pursuant to a resolution of the Board, which may be comprised of one or more of the following charges:

- (a) An Assessment charged for:
 - (i) common planning, facilities, and infrastructure;
 - (ii) obligations arising from an environmental covenant;
 - (iii) community programming;
 - (iv) recreational facilities and amenities; or
 - (v) Association expenses as provided for in Utah Code § 57-1-46(1)(a).

(b) As provided for in Utah Code § 57-1-46, no Reinvestment Fee Assessment shall exceed one-half percent (0.5%) of the fair market value of the Lot at the time of the transfer, which value includes the value of all Improvements on the Lot. When the seller, or transferor, is a financial institution, the Reinvestment Fee Assessment shall be limited to the costs directly related to the transfer, not to exceed Two Hundred and Fifty Dollars (\$250.00). The Association may assign the charges, or a portion thereof, collected under this subsection 6.8(b) directly to the Association’s Manager.

(c) A reinvestment fee covenant, may not be enforced upon: (i) an involuntary transfer; (ii) a transfer that results from a court order; (iii) a bona fide transfer to a family member of the seller within three (3) degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity; or (iv) a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution.

(d) The Association has the authority to record any notice required by law to effectuate the assessment and collection of the Reinvestment Fee Assessment. The Board further has have the authority to enact Rules and Regulations which may include: (i) requirements for Owners to provide sales and transfer documents; (ii) requirements for the timing of the Owner providing responses to the Association’s requests; (iii) provisions allowing the Association to select an appraiser to value the Lot; and (4) other procedural requirements and Rules as the Board deems appropriate to effectuate the provisions of this Section 6.8 in a prompt and reasonable manner.

6.9 Uniform Rate of Assessment. Annual Assessments and Special Assessments imposed pursuant to Sections 6.2, 6.3, 6.4(a), and 6.4(b) of this Declaration shall be assessed equally and uniformly against all Owners and their Lots.

6.10 Date of Commencement of Annual Assessments. Annual Assessments shall commence on all Lots on the first day of the first calendar month following the first close of escrow for the sale of a Lot in the Properties. The first Annual Assessment shall be adjusted according to the number of months remaining in the Fiscal Year. Written notice of any change in the amount of any Annual Assessment shall be sent to every Owner subject thereto, not less than thirty (30) days prior to the effective date of such change. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate

of the Association as to the status of Assessments against a Lot is binding upon the Association as of the date of its issuance.

6.11 Exempt Property. The following property subject to this Declaration shall be exempt from the Assessments herein:

- (a) All portions of the Properties dedicated to and accepted by a local public authority; and
- (b) The Common Area owned by the Association.

6.12 Municipal Tax Collection. It is recognized that under this Declaration the Association will own the Common Area for which property taxes may arise. It is further recognized that each Owner of a Lot is a Member of the Association and as part of the Owner's Assessment will be required to pay to the Association the Owner's pro-rata share of such taxes. Notwithstanding anything to the contrary contained in this Declaration, or otherwise, the local municipal tax assessor shall be, and is, authorized to collect such pro rata share (on an equal basis) of taxes directly from each Owner by inclusion of said share with the property tax levied on each Lot. To the extent allowable, local municipal tax assessor is hereby directed to do so. In the event that the assessor shall separately assess Common Areas to the Association, the Board may impose, in its discretion a Special Assessment to pay such taxes, or they may be incorporated into the Annual Assessment.

6.13 Notice of Members Meetings; Quorum Requirements. Before any Special Assessment is levied, the Board shall deliver a Notice of Members Meeting. The quorum required for any action authorized by Section 6.4(b) shall be as follows: at the first meeting called, the presence of Members or of proxies entitled to cast at least fifty percent (50%) of all outstanding votes shall constitute a quorum. If a quorum is not present at any called meeting, another meeting may be called by the Board issuing a Notice of Members Meeting at which a quorum shall be one-half of the quorum which was required at such preceding meeting. The process of calling subsequent meetings may continue until a quorum is reached, and the quorum requirement will continue to be reduced as provided for above at each subsequent meeting. No such subsequent meeting shall be held more than forty-five (45) days following such preceding meeting at which a quorum was not present.

6.14 Preparation of Budget. At least annually the Board shall prepare and adopt a Budget for the Association and the Board shall present the Budget at a meeting of the Members. A Budget presented by the Board is only disapproved if Member action to disapprove the Budget is taken in accordance with the limitations under Section 215 of the Act.

6.15 Reserve Fund, Reserve Analysis. The Board shall, on behalf of the Association, cause to be funded through Annual Assessments or other periodic Assessments an adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacement to the Common Areas.

The Board shall cause a reserve analysis to be conducted no less frequently than every six (6) years and shall review and, if necessary, update a previously prepared reserve analysis every three (3) years. The Board may conduct the reserve analysis by itself or may engage a reliable person or organization to conduct the reserve analysis. The Board shall annually provide owners a summary of the most recent reserve analysis or update and provide a complete copy of the reserve analysis or update to an owner upon request. In formulating the budget each year, the Board shall

include a reserve line item in an amount required by the governing documents, or, if the governing documents do not provide for an amount, the Board shall include an amount it determines, based on the reserve analysis, to be prudent.

Reserve fund money means money to cover: (a) the cost of repairing, replacing, or restoring common areas and facilities that have a useful life of three (3) years or more and a remaining useful life of less than thirty (30) years, if the cost cannot reasonably be funded from the general budget or other funds of the Association; or (b) a shortfall in the general budget, if: (i) the shortfall occurs while a state of emergency, declared in accordance with Utah Code § 53-2a-206, is in effect; (ii) the geographic area for which the state of emergency is declared extends to the entire state; and (iii) at the time the money is spent, more than ten percent (10%) of the owners that are not Board Members are delinquent in the payment of assessments as a result of events giving rise to the state of emergency.

The Board may not use reserve fund money for any purpose other than the purpose for which the reserve fund was established, including daily maintenance expenses, unless a majority of owners vote to approve the use of reserve fund money for that purpose.

The Association shall maintain a reserve fund separate from other Association funds.

6.16 Initial Capital Contribution by Initial Lot Owner. Each initial Owner of a Lot purchased from the Declarant, or its successor or assigned, shall make an initial contribution of Two Hundred Dollars (\$200.00), which will be collected by at the time of closing on the initial sale of the Lot. Such amounts paid shall not be deemed to be advance payments of the Annual Assessment or partial payments of the Reinvestment Fee Assessment, but such initial contribution shall be in addition to the Annual Assessment and Reinvestment Fee Assessment. The Board may apply such funds to cover any deficit in operating expenses or to the reserves.

6.17 No Offsets. All Assessments shall be payable at the time and in the amount specified by the Association, and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Board is not properly exercising its duties and power, a claim in the nature of offset or that the Association owes the Owner money, or that the Association is not complying with its obligations as provided for in the Governing Documents.

6.18 Application of Payments. Unless otherwise established by the Board in the Rules and Regulations, all payments for Assessments shall be applied to the oldest charges first. Owners have no right to direct the Association on how an Owner's payments should be applied on Assessments or to require application of payments in any specific order, to specific charges, or in specific amounts.

6.19 No Administration of Assessment Funds, Application of Excess Assessments. The Association shall keep all Assessment-generated funds in an account, or accounts, in the name of the Association. The Association shall not commingle Assessment-generated funds with the personal funds of any other Person. In the event the amount budgeted to meet Common Expenses for a particular Fiscal Year proves to be in excess of the actual Common Expenses, the Board, in its discretion, may apply the excess amounts to reserves, credit the excess against future Assessments, or refund the excess to the Owners on a pro-rata basis each Owner's share in the Common Expenses of the Project. The decision of the Board shall be binding and conclusive. In addition, the Association shall not be obligated to reduce the amount of Annual Assessments in succeeding years if an excess exists for a prior year.

ARTICLE VII
NONPAYMENT OF ASSESSMENTS; REMEDIES

7.1 Nonpayment of Assessments; Interest, Late Fees, and Other Remedies. Pursuant to Utah Code § 57-8a-301, *et seq.*, any Assessment installment payment not paid when due shall – together with the hereinafter provided for interest and costs of collection and other amounts provided for in the Act – be, constitute, and remain a continuing lien on the Lot provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any Mortgage on the Lot recorded prior to the date any such installment payment on Assessments become due. If any installment payment to the Assessment is not paid within ten (10) days of when it is due, then a late payment service charge shall be assessed against the Owner’s account in the amount of Twenty-Five Dollars (\$25.00) or such greater amount as set by the Board. If any installment payment to the Association is not paid within thirty (30) days after the date on which it becomes due, the amount thereof and any other prior Assessments and charges on the Owner’s account shall bear interest from the date of delinquency at the rate of one and one-half percent (1.5%) per month, compounded monthly. If a monthly installment payment is not timely made, the Board may declare the entire Annual Assessment in default and accelerate the Annual Assessment and declare the entire amount of the Annual Assessment immediately due and owing. The Association may, in its discretion, further bring an action against the Owner for a money judgment and/or to foreclose the lien against the Lot, judicially or non-judicially. The Association may pursue a lawsuit for a money judgment against the Owner without waiving the Association’s right to pursue any claim to enforce its lien against the Lot. Such remedies shall be cumulative and not exclusive. Any judgment obtained by the Association and any foreclosure commenced shall include reasonable attorney fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

7.2 Lien. The Association’s lien on the Lot arises pursuant to the Act and this Declaration. The Association may, but need not, file a notice of lien claim on a Lot. If the Board elects to file a claim of lien against the Lot of the Delinquent Owner by Recording a notice (“Notice of Lien”), then such Notice of Lien shall set forth: (a) the amount of the claim or delinquency; (b) the interest and costs of collections which have accrued thereon; (c) the legal description of the Lot against which the lien is claimed; and (d) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and Assessments which may have accrued subsequent to the Notice of Lien have been fully paid or satisfied, the Association shall execute and Record a notice releasing the Notice of Lien upon payment by the Owner of a reasonable fee as fixed by the Board to cover the cost of preparing and recording the release of the Notice of Lien. Unless paid or otherwise satisfied, the lien may be foreclosed in a like manner as a mortgage or any other manner provided by law, including without limitation, a deed of trust as set forth in this Declaration. The Manager or Board may bid at a sale or foreclosure and hold, lease, mortgage, or convey the Lot that is subject to the Assessment lien.

7.3 Trust Deed for Assessments; Appointment of Trustee. By acceptance of a deed for a Lot, each Owner as Trustor conveys and warrants to Trustee in trust for the Association as Beneficiary, with power of sale, the Owner’s Lot and appurtenant Limited Common Area, and all Improvements thereon for the purpose of securing payment of all Assessments (including basis of

collection) provided for in this Declaration. For purposes of this Section and Utah Code § 57-1-19, *et seq.*, as amended from time to time. The Association and each Lot Owner hereby conveys and warrants pursuant to Sections 212 and 302 of the Act, and Utah Code § 57-1-20, to attorney Quinn A. Sperry, or any other attorney that the Association engages to act on its behalf to substitute for Quinn A. Sperry, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of Assessments under the terms of the Declaration. The Trustee shall mean the attorney for the Association and the Association may provide notice and disclosure of the Trustee by recording an “Appointment of Trustee” on the records of the County Recorder.

7.4 Perfection of Lien and Priority. The Association’s lien arises and is perfected as of the date of the recording of the initial Declaration for the Development and has priority over all encumbrances recorded after this Declaration is recorded, except as otherwise required by law. Pursuant to the Act, the Association’s lien has priority over each other lien and encumbrance on a Lot, recorded or unrecorded, except:

- (a) tax and special assessment liens on the Lot in favor of any assessing entity or special improvement district; and
- (b) encumbrances on the interest of the Lot Owner:
 - (i) recorded prior to the date of the recording of the initial Declaration for the Development;
 - (ii) a first or second security interest on the Lot secured by a Mortgage or Trust Deed which is recorded before the Association’s Notice of Lien by or on behalf of the Association; and
 - (iii) that by law would be a lien prior to subsequently recorded encumbrances.

Pursuant to Utah Code § 57-8a-301(5), the Assessment lien against a Lot is not subject to an Owner’s homestead exemption.

7.5 Discontinuance of Common Utility Service and Suspension of Common Facility Use. As used in this section, “Delinquent Owner” means a Lot Owner who fails to pay an Assessment when due. As provided for in the Act, the Board may terminate a Delinquent Owner’s right to: receive a utility service for which the Member pays as a common expense, and access and use the Association’s recreational facilities. Before terminating utility services or right of access and use of recreational facilities, the Manager or Board shall give a written Notice of Noncompliance by the Board and Right to Hearing to the Delinquent Owner. This Notice of Noncompliance by the Board and Right to Hearing shall state, at a minimum: (a) that the Association will terminate the Owner’s utility service or right of access to and use of recreational facilities, or both, if the Association does not receive payment of the Assessment within thirty (30) days; (b) the amount of the Assessment due, including any interest and late payment fee; and (iii) that the Delinquent Owner has the right to request a hearing with the Board, as provided for in this Section. The Notice of Noncompliance by the Board and Right to Hearing may further include the estimated cost to reinstate a utility service if service is terminated.

- (a) After receiving the Notice of Noncompliance by the Board and Right to Hearing, the Delinquent Owner may submit a written request to the Board for an informal hearing to dispute the Assessment and the proposed action by the Association. A Delinquent Owner’s

request under this subsection shall be submitted within fourteen (14) days after the date the Delinquent Owner receives the Notice of Noncompliance by the Board and Right to Hearing.

(b) Upon receiving a hearing request from the Delinquent Owner, the Board shall conduct an informal hearing in accordance with the hearing procedures of the Association.

(c) If the Delinquent Owner requests a hearing, the Association may not terminate a utility service or right of access to and use of recreational facilities until after the Board: (i) conducts the hearing; and (ii) enters a final decision and sends the Delinquent Owner a Notice of Board Adjudication.

(d) If the Association terminates a utility service or a right of access to and use of recreational facilities, the Association shall take immediate action to reinstate the service or right following the Owner's payment of the Assessment, including any interest and late payment fee.

(e) The Association may: (i) levy an Assessment against the Delinquent Owner for the cost associated with reinstating a utility service that the Association terminates as provided in this section; and (ii) demand that the estimated cost to reinstate the utility service be paid before the service is reinstated, if the estimated cost is included in a Notice of Noncompliance by the Board and Right to Hearing.

7.6 Tenant Payment. The Board may require a tenant under a lease with a Lot Owner to pay the Association all future lease payments due to the Lot Owner if the Lot Owner fails to pay an Assessment for a period of more than sixty (60) days after the Assessment is due and payable, beginning with the next monthly or periodic payment due from the tenant and until the Association is paid the amount owing. Before requiring a tenant to pay lease payments to the Association, the Association's Manager or Board shall give the Lot Owner notice, which notice shall state: (i) the amount of the Assessment due, including any interest, late fee, collection cost, and attorney fees; (ii) that any costs of collection, including attorney fees, and other Assessments which become due may be added to the total amount due and be paid through the collection of lease payments; and (iii) that the Association intends to demand payment of future lease payments from the Lot Owner's tenant if the Lot Owner does not pay the amount owing within fifteen (15) days.

If a Lot Owner fails to pay the amount owing within fifteen (15) days after the Association's Manager or Board gives the Lot Owner notice, the Association's Manager or Board may exercise the Association's rights by delivering a written notice to the tenant. The notice to the tenant shall state that: (i) due to the Lot Owner's failure to pay an Assessment within the required time, the Board has notified the Lot Owner of the Board's intent to collect all lease payments until the amount owing is paid; (ii) the law requires the tenant to make all future lease payments, beginning with the next monthly or other periodic payment, to the Association, until the amount owing is paid; and (iii) the tenant's payment of lease payments to the Association does not constitute a default under the terms of the lease with the Lot Owner. The Manager or Board shall mail a copy of this notice to the Lot Owner.

A tenant to whom notice is given shall pay to the Association all future lease payments as they become due and owing to the Lot Owner: (i) beginning with the next monthly or other periodic payment after the notice is delivered to the tenant; and (ii) until the Association notifies the tenant that the amount owing by the Lot Owner is paid. A Lot Owner shall credit each payment that the tenant makes to the Association under this Section against any obligation that the tenant owes to

the Owner as though the tenant made the payment to the Owner. Owner may not initiate a suit or other action against a tenant for failure to make a lease payment when the tenant pays the lease payment to the Association as required under this Section.

Within five (5) business days after the amount owing is paid, the Association's manager or Board shall notify the tenant in writing that the tenant is no longer required to pay future lease payments to the Association. The manager or Board shall mail a copy of this notification to the Lot Owner. The Association shall deposit money paid to the Association under this Section in a separate account and disburse that money to the Association until the amount owing is paid; and any cost of administration, not to exceed twenty-five Dollars (\$25.00), is paid. The Association shall, within five (5) business days after the amount owing is paid, pay to the Lot Owner any remaining balance.

7.7 Payment by Encumbrancer. An encumbrancer holding a lien on a Lot may pay any unpaid Assessment due with respect to the Lot. Upon such payment, the encumbrancer has a lien on the Lot for the amounts paid.

7.8 Cumulative Remedies. The Assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid Assessments, as above provided.

7.9 Mortgagee Protection. Notwithstanding all other provisions hereof, no lien created under this Article VII, nor any breach of this Declaration, nor the enforcement of any provision hereof shall defeat or render invalid the rights of the Beneficiary under any Recorded first Deed of Trust (meaning any deed of trust with first priority over other deeds of trust) upon a Lot made in good faith and for value; provided that after such Beneficiary or some other Person obtains title to such Lot by judicial foreclosure or by means of the powers set forth in such Deed of Trust or through a deed in lieu of foreclosure, such Lot shall remain subject to this Declaration and the payment of all installments of Assessments accruing subsequent to the date such Beneficiary or other Person obtains title.

7.10 Rent After Foreclosure. In the event the Association takes title to a Lot through foreclosure, the Board may elect to allow the Occupant to remain in the Dwelling Unit and the Occupant shall be required to pay a reasonable rental amount to the Association for use of the Dwelling Unit and Lot.

7.11 Association Responsibility after Foreclosure. If the Association takes title to a Lot through foreclosure, the Association shall not be bound by the provisions related to the Lot which otherwise apply to any other Lot Owner, including, but not limited to, obligations to pay Assessments, pay property taxes on the Lot, or maintain Lot and its Dwelling Unit.

ARTICLE VIII

ARCHITECTURAL CONTROL

8.1 Members of Committee. The ACC shall consist of three (3) to five (5) members. The Board shall have the power to appoint and remove all of the members of the ACC. Persons appointed to the ACC by the Board need not be Members of the Association. If the ACC is not appointed, the Board itself shall perform the duties required of the ACC. Individual Board members may also serve as ACC members.

8.2 ACC General Powers. The ACC may promulgate reasonable standards against which to examine any request made pursuant to this Article, in order to ensure that the proposed Plans conform harmoniously to the exterior design and existing materials of the Improvements on the Properties. This power shall include the power to issue ACC Restrictions and Rules which, among other provisions, may set forth procedures for the submission of Plans for approval, and state additional factors which it will take into consideration in reviewing submissions. The Declarant may adopt the initial ACC Restrictions and Rules, and any amendments thereto during the Declarant Control Period (as defined in Article XV). ACC Restrictions and Rules do not need to be Recorded.

8.3 Submission and Review of Plans and Specifications. No exterior construction, alteration, removal, relocation, repainting, demolition, addition, modification, external decoration or redecoration, or reconstruction of a Dwelling Unit or Improvement, including landscaping, on the Properties shall be commenced or maintained by an Owner, until the Plans and Specifications therefor showing the nature, kind, shape, height, width, color, materials, and location of the same shall have been submitted by the Owner, or the Owner's agent, to the ACC (together with such fees for review and inspection as may be reasonably required by the ACC) and approved in writing by the ACC. The ACC shall consider and act upon any and all Plans and Specifications submitted for its approval under this Declaration and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the ACC. The ACC shall approve Plans and Specifications submitted for its approval only if it deems that the construction, alterations, or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area or the Properties as a whole, that the appearance of any structure affected thereby will be in harmony with the Community-Wide Standard, the surrounding structures, and that the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Lots and the Common Area or the enjoyment thereof by the Members, and that the upkeep and maintenance thereof will not become a burden on the Association.

The Association may charge a plan fee that is equivalent to the cost of reviewing and approving the Plans, which cost may include, but is not limited to, the Association paying an engineer, architect, or other professional to review the Plans.

The ACC may condition its approval of any Improvement upon such changes, alterations, or modifications of such Improvement as it deems appropriate and may require submission of additional Plans and Specifications or other information prior to approving or disapproving material submitted. Such conditions may also include a requirement that the applicant complete the proposed Improvement within a stated period of time. The ACC may require such detail in the Plans and Specifications submitted for its review as it deems proper, including, without limitation: (i) landscape plans; (ii) floor plan; (iii) site plans and exterior lighting plans as they relate to exterior appearance of the Dwelling Unit and any other Improvement on the Lot; (iv) interior lighting plans to the extent they relate to exterior illumination of the Dwelling Unit; (v) drainage plans; (vi) any relevant geo-technical reports; (vii) elevation drawings; and (viii) description or samples of exterior material and colors. Decisions of the ACC shall be transmitted by the ACC to the applicant at the address set forth in the application for approval, after receipt by the ACC of all materials required by the ACC and within thirty (30) days after its next duly scheduled meeting at which there is a quorum in attendance. Any application submitted pursuant to this Section 8.3 shall be deemed approved, unless written disapproval or a request for additional information or

materials by the ACC shall have been transmitted to the applicant within the time herein set forth. In addition to complying with the ACC Restrictions and Rules, the Applicant shall meet any governmental review or permit requirements prior to making any alterations or engaging in construction, reconstruction or remodeling permitted hereunder.

8.4 Meetings of the ACC. The ACC shall meet from time to time as necessary to perform its duties hereunder. The vote of a majority of the ACC, shall be sufficient to enact resolutions or motions of the ACC. The attendance of a majority of the ACC members at any meeting shall constitute a quorum.

8.5 No Waiver of Future Approvals. The approval by the ACC of any proposals or Plans for any work done or proposed or in connection with any other matter requiring the approval and consent of the ACC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, Plans or matters subsequently or additionally submitted to the ACC for approval or consent.

8.6 Compensation of ACC Members. The members of the ACC shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

8.7 Inspection of Work and Costs of Correction. Inspection of work and correction of defects therein shall proceed as follows:

(a) The ACC or its duly authorized representative may inspect during reasonable daylight hours, any work for which approval of Plans is required under this Article VIII. However, the ACC's right of inspection of Improvements for which Plans have been submitted and approved shall terminate sixty (60) days after the Improvement has been completed, as evidenced in the case of a Dwelling Unit by a certificate of occupancy issued by the requisite governmental authority, and the respective Owner has given written notice to the ACC of its completion. The ACC's rights of inspection shall not terminate pursuant to this paragraph if Plans for the Improvement have not previously been submitted to and approved by the ACC. If, as a result of such inspection, the ACC finds that the Improvement was constructed without obtaining approval of the Plans therefor or was not done in substantial compliance with the Plans approved by the ACC, it shall deliver to the Owner a Notice of Noncompliance by the ACC within five (5) days from the inspection. The ACC shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(b) If upon the expiration of ten (10) days from the date of delivery of the Notice of Noncompliance by the ACC as provided for above, the Owner has failed to remedy the noncompliance, the ACC shall notify the Board in writing of such failure. The Board shall then deliver to such Owner a Notice of Noncompliance by the Board and Right to Hearing. At a hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than thirty (30) days from delivery of Notice of Board Adjudication to the Owner. If the Owner does not comply with the Board determination within that period, the Board may commence a lawsuit for damages or injunctive relief, as appropriate, to remedy the noncompliance. In addition, the Board may peacefully remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses (including reasonable attorneys' fees and costs) incurred in connection therewith. If such expenses are not promptly repaid by the Owner to

the Association, the Board may levy a Corrective Assessment against the Owner for reimbursement as provided in this Declaration. The right of the Association to remove a noncomplying Improvement or otherwise remedy the noncompliance shall be in addition to all other rights and remedies which the Association may have at law, in equity or in this Declaration.

(c) If for any reason the ACC fails to notify the Owner of any noncompliance with previously submitted and approved Plans within thirty (30) days after receipt of written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with the approved Plans.

8.8 Scope of Review. The ACC shall review and approve, conditionally approve, or disapprove all Plans submitted to it for any proposed Improvement, alteration, or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Properties generally. The ACC shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar architectural features, all as may be required by any ACC standards and the ACC Restrictions and Rules. The ACC's approval or disapproval shall be based solely on the considerations set forth in this Article VIII, and the ACC shall not be responsible for reviewing, nor shall its approval of any Plan or design be deemed approval of, any Plan or design from the standpoint of structural safety or conformance with building or other codes. Each Owner shall be responsible for obtaining all necessary permits and for complying with all governmental requirements with respect to the implementation of such Plans.

8.9 Limitation on Liability. Neither the ACC, the Board, Declarant, nor any member thereof, acting in good faith shall be liable to the Association or to any Owner or Person for any damage, loss, or prejudice suffered or claimed on account of: (i) the approval or rejection of, or the failure to approve or reject, any Plans, drawings, specifications, or variance requests; (ii) the construction or performance of any work, whether or not pursuant to approved Plans; (iii) the development or manner of development of any of the Properties; or (iv) any engineering or other defect in approved Plans, drawings and specifications.

8.10 Declarant's Exemption. The Declarant is not required to submit Plans to the ACC or otherwise comply with the provisions of this Article in the initial construction of the Properties.

ARTICLE IX

MAINTENANCE AND REPAIR OBLIGATIONS

9.1 Maintenance Obligations of Owners. Each Owner is responsible for, at the Owner's own expense, all of the maintenance, repair, and replacement of the following:

- (a) All interior and exterior doors, including thresholds, door jambs, hinges, doorbells, chimes, handles, and locks.
- (b) All interior paneling, tile, wallpaper, paint, carpet, finished interior flooring, fireplaces, and any other materials constituting the finished interior surfaces of floors, ceilings, or walls.
- (c) All drywall, wallboard, or similarly functioning materials within the Dwelling Unit.

(d) All framing, insulation, and other materials associated with the Dwelling Unit's interior nonbearing walls.

(e) All windows, windowsills (including the regular cleaning and clearing of clogged weep holes), window screens, window frames, and skylights, including the interior and exterior cleaning of such windows and any door glass (the Association may elect to arrange and pay for the cleaning of all exterior windows as a Common Expense, may require the Owners to pay a particular person or company to clean on a schedule determined by the Association, or may arrange for cleaning of windows and pass through the specific expenses associated with each particular Dwelling Unit as a Benefitted Assessment).

(f) The paint and any other decorative finish inside the opening to any skylight.

(g) All sewer and drainage pipes, water, power, and other utility lines, and any wiring related to the provision of television, telephone, or internet services, to the extent that they are located within an Owner's Dwelling Unit and to the extent that they extend outside the boundaries of the Lot but serve only the Owner's Lot or Dwelling Unit.

(h) Any of the following wherever they might be located (inside or outside of the Dwelling Unit) which serve an Owner's Lot exclusively: lighting fixtures (including lighting particular to a porch, patio, driveway, or fenced-in area but not including exterior lighting attached to a Dwelling Unit for the purpose of lighting any Common Area outside of those aforementioned areas), fans, plumbing fixtures including plumbing pipes and lines, stoves, refrigerators, hot water heaters, air conditioning units (including compressors, wiring to such units, condensers, ducting, and forced air units), intercoms, security systems, and such other appliances, fixtures, and decorations.

(k) Garage doors and related garage door openers for the Dwelling Unit.

(l) The patio and deck area appurtenant to the Dwelling Unit, including any stairs and railings related thereto, but the Association may adopt Rules regulating the color, style, materials, and height for any railings.

(n) Any modifications or repairs to the Dwelling Unit as necessary to mitigate any radon gas or other naturally occurring environmental contaminate.

(p) All landscaping, trees, and other plants and the sprinkler system in the fenced-in Limited Common Area appurtenant to the Lot.

(q) Fences surrounding any Limited Common Area associated with the Owner's Lot. Fences shall be maintained as required by the Association in the Rules. For any fences along

the boundary of the fenced-in Limited Common Areas for two or more Lot, the Owners of the Lot sharing the fence shall equally share the cost of maintaining, repairing, and replacing the fence in the same manner as the costs are shared for a party wall, as set forth in this Declaration.

Each Owner shall also keep the interior of the Dwelling Unit, and all porches, patios, decks, fenced-in areas, and other Limited Common Areas and exterior areas of a Dwelling Unit associated with an Owner's Lot in a clean and sanitary condition, free of pests and rodents, uncluttered, and in a general state of good repair. The Board may set forth in the Rules and Regulations any limitations, restrictions, or guidelines on what may or may not be left, stored, or installed, or placed on any Lot, which may include a prohibition on leaving, installing, or storing any items or animals in such places. If any Owner shall permit the Dwelling Unit, Lot, or any Improvement, the maintenance of which is the responsibility of such Owner, to fall into disrepair or to become unsafe, unsightly, or unattractive or to otherwise violate this Declaration and the Owner fails to correct such condition or state of disrepair promptly following written notice from the Association, the Association shall have the right to seek any remedies at law or in equity which it may have. Such remedies include, but are not limited to, the Association's right, at the expense of the Owner and without liability to the Owner for trespass or otherwise, to enter said Lot and Dwelling Unit and correct or eliminate said unsanitary or unclean condition or state of disrepair; provided, however, that the Association shall in no event have the obligations to correct or eliminate any such condition or state of disrepair. All such costs incurred by the Association shall be collected by the Association as a Corrective Assessment.

In addition, the Board shall have the right, but not the duty, to enter upon such Owner's Lot and Dwelling Unit to perform such emergency and non-emergency repairs or maintenance as the Board deems appropriate and to charge the cost thereof to the Owner. Said cost shall be a Corrective Assessment enforceable as set forth in this Declaration. For non-emergency repairs or maintenance, the Owner shall be entitled to Notice of Noncompliance by the Board and Right to Hearing. Owner's may assign certain of their maintenance obligations to the Association under written contract pursuant to a menu of services which may be offered by the Association under the provisions of this Declaration relating to Benefitted Assessments.

9.2 Maintenance Obligations of Association. No improvement, excavation, or work which in any way alters the Common Area shall be made or done by any Person other than the Association or its authorized agents after the completion of the construction or installation of the Improvements thereon by Declarant. Unless such maintenance obligations are otherwise assigned to the Owners, the Association shall furnish and be responsible for, at the Association's expense, the maintenance, repair, and replacement of the following:

(f) The framing, structural components, and insulation in any party walls common to two (2) Dwelling Units.

(g) Except for the obligations assigned to Owners in Sections 9.1 concerning porches, patios, and exterior areas of a Dwelling Unit, any patios, porches, decks, and stairways on the exterior of any dwelling and any railings associated therewith.

(h) The roofs, rain gutters, and window wells.

(i) All utility lines and plumbing lines to the extent that they serve more than one (1) Lot or Dwelling Unit.

(j) Except for the obligations assigned to the Owners in Section 9.1, the sidewalks and parking areas in the Common Area of the Project, including snow removal therefrom.

(m) Any retaining walls located in the Common Area.

(n) Fences along the perimeter boundary of the Project.

(o) All other Common Area open space and equipment.

In the case of common utility lines shared by at least two or more Lots or Dwelling Units, such obligations for maintenance and repair shall be completed by the Association, unless, it is established that the damage or disrepair was the result of an intentional or negligent act of only one Owner or a Person for whom the Owner is responsible, in which case such Owner shall be entirely responsible for the costs of the repairs and any other amounts incurred by the Association to repair the damaged area and utility lines, which amounts may be assessed to the Owner as a Corrective Assessment.

The Board, or its authorized representative, after giving not less than twenty-four (24) hours advance notice posted to the Lot, may access a Lot, including the Dwelling Unit, from time to time during reasonable hours, as necessary for maintenance, repair, or replacement of any of the Common Areas. If repair to a Lot, Dwelling Unit or Common Area – that if not made in a timely manner – will likely result in immediate and substantial damage to a Common Area or another Lot or Dwelling Unit, then the Board may enter the Lot or the Dwelling Unit to make the emergency repair upon such notice as is reasonable under the circumstances.

9.3 Damage to Dwelling Units - Reconstruction. If all or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, the Owner of such Lot shall, at the Owner's election, either: (i) rebuild, repair or reconstruct the Lot and the Dwelling Unit on such Lot in a manner which will restore them substantially to their appearance and condition immediately prior to the casualty or as otherwise approved by the ACC; or (ii) restore the Lot by removing from the Properties all damaged or destroyed building materials. The Owner of any

damaged Lot or Dwelling Unit and the ACC shall be obligated to proceed with all due diligence hereunder, and such Owner shall cause reconstruction or restoration of the Lot to commence within three (3) months after the damage occurs and to be completed within fifteen (15) months after damage occurs, unless prevented by causes beyond the Owner's reasonable control. A transferee of title to the Lot which is damaged, or upon which is located a damaged Dwelling Unit shall commence and complete reconstruction of the Dwelling Unit or restoration of the Lot in the respective periods which would have remained for the performance of such obligations if the Owner of the Lot at the time of the damage still held title to the Lot. However, in no event shall such transferee of title be required to commence or complete such reconstruction of the Dwelling Unit or restoration of the Lot in less than thirty (30) days from the date such transferee acquired title to the Lot.

9.4 Access at Reasonable Hours. Except as otherwise provided for in this Article IX, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or Limited Common Area at reasonable hours for the purpose of performing the maintenance required by this Article.

9.5 Alteration of Certain Maintenance Duties by Rules. The duty of maintenance for the area of a Lot outside the walls of the Dwelling Units, and the area adjacent and appurtenant to the Dwelling Units and which constitutes or is treated as Limited Common Area for maintenance purposes may be altered by the Rules and Regulations of the Association.

9.6 Party Walls. Each wall or fence which is built and placed on the dividing line between the Lots or Limited Common Areas shall constitute a "party wall." To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(a) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use. However, any utilities (including without limitation water, power, and sewer) within or under the party wall and principally serving only one Dwelling Unit shall be the responsibility of that Dwelling Unit's Owner, including without limitation all costs of maintenance, repair, and replacement. Any damage resulting from or associated with the utilities principally serving a particular Dwelling Unit shall be the responsibility of the Owner thereof. The Association, through the Board, has the right, but not the obligation, to make repairs associated with or caused by such utility services, and the Association may levy a Corrective Assessment for the cost of the repairs against the Dwelling Unit of the responsible Owner. Further, if the Association's insurance provides any coverage for the damage, the responsible Owner shall pay the deductible and, if such Owner fails to pay the deductible, the Association may also levy a Corrective Assessment against the Owner's Dwelling Unit for the amount of the deductible.

(b) Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, then, to the extent said destruction or damage is not covered by insurance and repaired out of the proceeds of the same, any Owner who has used the wall shall restore it, and, if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(c) **Weatherproofing.** Notwithstanding any other provision of this Declaration, an Owner who by the Owner's negligent or willful act causes the party wall to be exposed to the elements and damaged thereby shall bear the whole cost of furnishing the necessary protection against such elements to the extent that said protection is not covered by insurance and paid for out of the proceeds of the same.

(d) **Right to Contribution Runs with Land.** The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

(e) **Arbitration and Mediation.** In the event of any dispute arising concerning a party wall, or under the provisions of this Section, the parties to the dispute shall engage in formal or informal arbitration or mediation. Each party to the dispute shall choose one arbitrator or mediator, and such arbitrators or mediators shall choose one additional arbitrator or mediator, respectively, and the decision shall be by a majority of all the arbitrators or mediators. Should any party refuse to appoint an arbitrator or mediator within ten (10) days after written request to do so, the Board of the Association shall select an arbitrator or mediator for the refusing party.

(f) **Boundary Line.** For any party wall shared by two Dwelling Units, the boundary line for the Dwelling Units shall be the center line of the party wall.

ARTICLE X

USE RESTRICTIONS

All real property within the Properties shall be held, used, and enjoyed subject to such limitations and restrictions set forth below.

10.1 **Residential Use.** Each Dwelling Unit shall be used as a residence.

10.2 **Accountability of Members.** As more fully provided in Article XI(d), each Member shall be liable to the Association for any damage to the Common Area sustained by reason of the negligence or willful misconduct of said Member or the Persons deriving their right and easement of use and enjoyment of the Common Area from said Member, or of the Owner's respective family and guests, both minor and adult.

10.3 **Business or Commercial Activity.** Subject to the following exceptions, no part of the Properties shall ever be used or caused to be used or allowed or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storage, vending or other such nonresidential purposes without the prior written approval of the Board; provided, however, that the Declarant, its successors and assigns, may use any portion of the Properties for a model home site, display and sales office in connection with the sale of Lots on the Properties by Declarant. Upon written consent from the Board, which consent may contain reasonable restrictions, occupations without external evidence thereof – including without limitation, traffic generation which are merely incidental to the use of the Dwelling Unit as a residential home – are permitted for so long as such occupations are conducted in conformance with all applicable governmental ordinances.

10.4 **Signs.** Except for one professional quality "For Rent" or "For Sale" sign of not more than four (4) square feet, no advertising signs, billboards, objects of unsightly appearance, or nuisances shall be erected, placed, or permitted to remain on any Lot. Such sign may be placed

on the Limited Common Areas. The foregoing restrictions shall not apply to the commercial activities, signs, and billboards, if any, of the Declarant or its agents during the construction and sales period of the Development or by the Association in furtherance of its powers and purposes set forth hereinafter and in the Governing Documents, as the same may be amended from time to time.

10.5 Quiet Enjoyment, Nuisance. No noxious or offensive activity or noise shall be carried on upon any part of the Properties, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the Owners or which shall in any way increase the rate of insurance. No Owner or Occupant shall engage in any activity within the Project in violation of any law, ordinance, statute, rule or regulation of any local, county, state or federal body.

10.6 Parking and Vehicular Restrictions. As set forth in Section 2.5, the Association may adopt Rules and Regulations relating to the parking of Vehicles and Recreational Vehicles within the Project including, without limitation: (1) the right to remove or cause to be removed any vehicles that are improperly parked; (2) restrictions on the type and condition of Vehicles in any customary or temporary parking; (3) restrictions for parking on the streets in the Project; (4) restrictions on the time period and duration of temporary parking; and (5) the levying of fines to Owners who violate the Rules or Owners associated with people who violate such Rules. Unless otherwise permitted by the Association in the Rules and Regulations, the following restrictions apply to parking and Vehicles:

(a) Parking:

- (i) Each Owner shall maintain the Owner's garage in a manner which ensures that it is capable of accommodating at least one (1) Vehicle. All garage doors must remain closed, except when necessary for ingress or egress.
- (ii) There shall be no parking on the Project's streets, except Owners, Occupants, and their guests may temporarily park on the streets for the purpose of loading and unloading only and in no case overnight.
- (iii) Guest parking shall be accommodated for on the driveway on the Lot and in any parking stalls located in the Common Area.

(b) Vehicle Maintenance. Repair and restoration of a Vehicle or Recreational Vehicle is permitted only within an Owner's garage when the garage door is closed, provided that such activity may be prohibited entirely if the Board determines, in its discretion, that such activity constitutes a nuisance due to noise, odor, or other reasons. Owners may, on their driveways, wash the exteriors of any Vehicle or Recreational Vehicle, provided that any debris from the washing is promptly removed. No Person shall conduct any other repairs or restorations of any Vehicle or Recreational Vehicle upon any portion of the Properties, except as specifically provided in this subparagraph (b).

10.7 Animals. All animals are subject to the Rules and Regulations adopted by the Board. No animals, livestock or poultry of any kind shall be raised, bred, or kept on any of said Lots, except that dogs, cats, birds, or other household pets, two or less in total number, may be kept provided that they are not kept, bred, or maintained for any commercial purpose. Notwithstanding the foregoing, no animals or fowl may be kept on the Properties which result in an annoyance or are obnoxious, by noise, smell or otherwise, to Lot Owners. All pets must be kept

within an enclosed area of the Lot (such enclosure being approved by the ACC in advance) or on a leash attended to by a person when in the Common Areas. Such pets may not be kept in the Common Areas unless attended to at all times by a Person. All dogs must be kept on leash while in the Common Area. All pet waste must be immediately cleaned up. This Section may be made more restrictive by Rule of the Association.

10.8 Insurance and Governmental Requirements. No Owner shall permit or cause anything to be done or kept on the Properties, or on any Street visible from the Properties, which may increase the rate of insurance on the Properties, or result in the cancellation of such insurance, or which will obstruct or interfere with the rights of other Owners, nor commit or permit any nuisance thereon or violate any law. Each Owner shall comply with all of the requirements of the local or state health authorities and with all other governmental authorities with respect to the occupancy and use of a Dwelling Unit.

10.9 Construction. Construction of Dwelling Units shall be diligently pursued to substantial completion which generally shall occur within nine months of commencement, subject to extensions by the ACC in its sole discretion. All damage caused by construction activity (including construction related vehicles), shall be promptly repaired by the Owner or the Owner's contractor.

10.10 Temporary Buildings and Structures. No outbuilding, tent, shack, shed or other temporary building or Improvement of any kind (except portable outhouses and dumpsters with lids or covers during construction) shall be placed upon any portion of the Properties either temporarily or permanently.

10.11 Blasting and Drilling. Blasting in the Project is prohibited. Except as permitted for earth-coupled heat pumps or similar devices as provided for below, no oil drilling, oil, gas or mineral development operations, oil refining, geothermal exploration or development, quarrying or mining operations of any kind shall be permitted on the Properties, nor shall oil wells, tanks, tunnels or mineral excavations or shafts be permitted on or below the surface of any Lot. Further, except as permitted for earth-coupled heat pumps or similar devices as provided for below, no derrick or other structure used in boring for water, oil, geothermal heat, or natural gas shall be erected, maintained, or permitted on the Properties.

The Board in its discretion may approve earth-coupled heat pumps or similar devices which may require the excavation or drilling of vertical or horizontal trenches or shafts below the surface of the improved area of a Lot.

10.12 No Further Subdivision or Timeshare of Lots; Lease Provisions; Accessory Dwelling Unit. No Lot shall be further subdivided, partitioned, split, separated, or timeshared (whether as a timeshare estate or for timeshare uses) into two or more Lots or Dwelling Units. No subdivision Plat or covenants, conditions, or restrictions related to any singular Lot or the Project shall be Recorded unless the Board and Owners (as required in this Declaration) have first approved the Plat or the proposed covenants, conditions, or restrictions. Any Plat or covenants, conditions, or restrictions Recorded in violation of this Section shall be null, void, and of no legal effect. The provisions of this Section do not prohibit an Owner from: (a) renting or leasing the Owner's entire Lot to a single housekeeping unit by means of a written lease or rental agreement; (b) selling the Owner's Lot; or (3) transferring or selling any Lot to more than one Person to be held by them as tenants-in-common, joint tenants, tenants by the entirety, or some other form of joint ownership.

The terms of any such lease or rental agreement shall be made expressly subject to this Declaration and other Governing Documents of the Association. Any failure by the Occupant of such Lot or Dwelling Unit to comply with the terms of the Governing Documents shall constitute a default under the lease or rental agreement.

10.13 Drainage. There shall be no interference with or alteration of the established drainage pattern over any Lot on the Properties, unless an adequate alternative provision is made for proper drainage – including without limitation, removal of excess water to gutters in the streets and roadways, preventing excess water from traveling onto adjacent Lots and Common Area. For the purposes hereof, “established drainage pattern” is defined as the drainage which exists at the time that such Lot is conveyed to a purchaser from Declarant and shall include drainage from the Lots onto the Common Area. Declarant shall be held harmless from and against any causes of action related to an alteration in the “established drainage pattern.”

10.14 Water Supply and Sewage Disposal Systems. No individual water supply or sewage disposal system shall be permitted on any Lot on the Properties unless such system is designed, located, constructed, and equipped in accordance with the requirements, standards, and recommendations, if any, of the ACC and of any public agency having jurisdiction over the Properties, the local Health Department, and all other applicable governmental authorities.

10.15 Trash Receptacles. Owners shall keep their personal trash receptacles in the garage or otherwise screened from view of the street, except when placing the receptacles at the curb for pick up. The Board may pass additional Rules and Regulations governing trash receptacles.

10.16 Garbage Removal. All rubbish, trash and garbage shall be regularly removed from the Lots and shall not be allowed to accumulate thereon. Garbage should be placed in proper containers.

10.17 Planting, Gardening, Fences. No planting or gardening shall be done, and no fences, hedges, or walls shall be erected or maintained upon any Limited Common Area appurtenant to a Lot except such as are installed in accordance with the initial construction of the Lots located thereon or as approved by the ACC.

10.18 External Apparatus and Fixtures. To the extent permissible by applicable law and the Governing Documents, no external items such as, but not limited to, television and radio antennas, satellite dishes, flag poles, clotheslines, wiring, air conditioning equipment, water softening equipment, fences, awnings, canopies, shutters, ornamental screens, screen doors, patio or balcony enclosures, sunshades, lighting fixtures, walls, windows, skylights, landscaping and plantings, other than those provided in connection with the original construction of Dwelling Unit, shall be constructed, erected, or maintained on the Project without the prior written approval of the ACC. Notwithstanding the foregoing, an Owner may, at the Owner’s own expense, install external fixtures related to solar energy systems, provided that the ACC or Board approves the location of any such external fixture and subject to the ACC Restrictions adopted by the ACC and Rules or Rules and Regulations adopted by the Board related to solar energy systems and such external fixtures.

10.19 FCC Antenna and Dish Policy. Owners are encouraged to use cable service for television and internet. Satellite dishes and antennas not regulated by the FCC are prohibited. Satellite antennas, such as Direct Broadcast Satellite (“DBS”) antennas (dishes) one (1) meter in diameter or less, and designed to receive direct broadcast satellite service, including direct-to-

home satellite service, or receive or transmit fixed wireless signals via satellite, may be installed; provided the FCC regulated dish is placed in a location screened from view of the streets. Location of an FCC approved dish may not be restricted by the Association so as to cause unreasonable delay in installation; unreasonably increases the cost of the equipment or its installation, maintenance, or use; or preclude reception of an acceptable quality signal. No dish may encroach upon the Common Area or the property of another Owner. The dish must comply with all applicable city, county and state laws, regulations, and codes. The Association must be provided with a copy of any applicable governmental permits. Installation must be pursuant to the manufacturer's instructions. In order to protect against personal injury and property damage, a dish may not be placed in a location where it may come into contact with a power line. In order to protect against personal injury and property damage, all dishes must be properly grounded and secured. In order to protect against personal injury, dishes may not block or obstruct any driver's view of an intersection or street. The Owner is responsible for all costs associated with the installation and maintenance of a dish. The Owner is responsible for all damage caused by or connected with the dish. The Owner must hold the Association harmless and indemnify the Association in the event that someone is injured by the dish. The Owner shall keep the dish in good repair so that it does not violate any portion of this Declaration. An Owner must complete any notification form adopted by the Association and submit a copy of the completed form to the Association within five (5) business days after installing an antenna allowed pursuant to this Declaration. If requested by the Association, the Owner must establish a mutually convenient time to meet with a representative of the Association to review and discuss the antenna. In the event of a violation of this Section, the Association may bring an action for declaratory relief with the FCC or Utah District Court after notice and an opportunity to be heard. If the FCC or Court determines that this Section is enforceable, the Owner shall pay a fine to the Association for each violation as set forth in the Association's fine policy. If the violation is not corrected within a reasonable length of time, the Association may levy additional fines for a continuing violation as allowed by the Association's fine policy. If an antenna poses a serious, immediate safety hazard, the Association may seek injunctive relief to compel the removal of the antenna. The Association shall be entitled to recover its reasonable attorney's fees, costs and expenses incurred in the enforcement of this Section. If any provision of this Section is ruled invalid, the remainder of these rules shall remain in full force and effect. If the FCC modifies its rules, the modified rules shall be incorporated into this Section as if fully set forth herein.

ARTICLE XI

DAMAGE AND CONDEMNATION

Damage to or destruction of all or any portion of the Common Area and condemnation of all or any portion of the Common Area shall be handled in the following manner:

(a) If the Common Area is damaged or destroyed, the Association shall first utilize insurance proceeds and second reserve funds to cause the same to be repaired and reconstructed substantially as they previously existed.

(b) If the cost of effecting total restoration of such Common Area exceeds the amount of insurance proceeds and reserve funds, the Association shall, if and to the extent a Special Assessment is approved as provided for in Section 6.4(b), cause the same to be repaired and reconstructed substantially as they previously existed, and the difference between the insurance

proceeds and the actual cost shall be levied as a Special Assessment against each Lot and its respective Owner.

(c) To the extent of funds available for restoration, any restoration or repair of such Common Area shall be performed substantially in accordance with the original plans and specifications subject to such changes within the scope of such original plans and specifications as may be approved by the Board.

(d) Each Member shall be liable to the Association for any damage to the Common Area or Improvement thereon sustained by reason of the negligence or willful misconduct of said Member or the Persons deriving their right and easement of use and enjoyment of the Common Area from said Member, or of the Owner's respective family and guests, both minor and adult. In the event of such damage to the Common Area or Improvement thereon the Board may either assess a penalty under the Rules and Regulations established by the Board in an amount sufficient to pay all costs of the Association attributable to such damage, including deductibles and increase in insurance premiums, if any, or the Board may repair the damage to the Common Area or Improvement thereon with the proceeds from the Association's insurance and assign to the Association's insurance company, its claims against the Member who, by the Owner's own acts or the acts (both minor and adult) of the Owner's family member, guest, invitee, or assignee, damaged the Common Area or Improvement thereon. In the case of joint ownership of a Lot, the liability of the Owners thereof shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint Owners to the contrary. All such expenses may be levied by the Association as a Corrective Assessment.

(e) If at any time the Common Area, or any part thereof, shall be taken or condemned by any authority having the power of eminent domain, the Association shall represent the Lot Owners in these proceedings, negotiations, settlements, or agreements. All compensation and damages shall be payable to the Association and shall be used promptly by the Association to the extent necessary for restoring and replacing any Improvements on the remainder of the Common Area. Upon completion of such work and payment in full therefor, any proceeds of condemnation then or thereafter in the hands of the Association which are proceeds for the taking of any portion of the Common Area shall be disposed of in such manner as the Association shall reasonably determine.

ARTICLE XII

INSURANCE

The Association shall secure and at all times maintain the insurance coverages set forth in this Article. The Board, in its discretion, may obtain insurance coverages for the Association in addition to those specifically set forth in this Article.

12.1 Fire and Casualty Insurance. A policy, or policies, of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all Improvements comprising a part of the Common Area. The name of the insured under each such policy shall be the Association in form and substance for the use and benefit of the individual Lot Owners and Mortgagees, as their interests may appear.

12.2 General Liability Insurance. A comprehensive policy, or policies, insuring the Owners, the Association, and its Board, officers, agents, members of the ACC, and employees

against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the owners. Limits of liability under such insurance shall not be less than one million Dollars (\$1,000,000.00) for all claims for personal injury and/or property damage arising out of a single occurrence, such coverage to include protection against water damage, liability for non-owned or hired automobile, liability for property of others, and such other risks as shall customarily be covered with respect to projects similar in construction, location, and use. Such policies shall be issued on a comprehensive liability basis, shall provide a cross-liability endorsement pursuant to which the rights of the named insured as between themselves are not prejudiced, and shall contain “a severability of interest” clause or endorsement to preclude the insurer from denying the claims of an Owner in the Development because of negligent acts of the Association or other Owners.

12.3 Fidelity Insurance. A fidelity policy or policies to protect against dishonest acts on the part of Board, officers, Manager, employees of the Association and all others (including volunteers) who handle or are responsible for handling funds of the Association. This fidelity coverage shall name the Association as the obligee or insured and shall be written in an amount sufficient to offer the protection reasonably required, but in no event less than one hundred percent (100%) of the Association’s estimated annual operating expenses including reserves. The fidelity bond or insurance shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of “employee” or similar expression. Said policy shall also provide that it may not be canceled or substantially modified (including cancellation for non-payment of premiums) without at least thirty (30) days prior written notice to all Mortgagees of Lots.

12.4 Property Insurance. The Association shall maintain a blanket policy of property insurance covering the entire Project to include the Common Area and all buildings and structures, including the Dwelling Units, fixtures, and building service equipment. The blanket policy shall exclude land and other items not normally and reasonably covered by such policies. The blanket policy shall be an “all in” or “all inclusive” insurance policy as those terms are used in the insurance industry, and shall include insurance for any fixture, improvement, or betterment installed in or to the Dwelling Unit or any Limited Common Areas or otherwise permanently part of or affixed to Common Areas, Dwelling Units, or Limited Common Areas, including, but not limited to, floor coverings, cabinets, light fixtures, electrical fixtures, heating and plumbing fixtures, paint, wall coverings, and windows.

(a) At a minimum, the blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (2) all other perils normally covered by “special form” property coverage. The blanket or guaranteed replacement cost policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy (including the Units) at the time the insurance is purchased and at each renewal date. The actual replacement cost of the Property shall be determined by using methods generally accepted in the insurance industry. The blanket policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (i) a Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable Property regardless of the cost; or (ii) a Replacement Cost Endorsement under which the insurer agrees to pay up to one hundred percent (100%) of the Property’s insurable replacement cost but not more. If the policy

includes a coinsurance clause, it must include an Agreed Amount Endorsement which must waive or eliminate the requirement for coinsurance.

(b) Each property policy that the Association is required to maintain shall also contain or provide for the following: (i) "Inflation Guard Endorsement," if available; (ii) "Building Ordinance or Law Endorsement" (the endorsement must provide for contingent liability from the operation of building laws, demolition costs, and increased costs of reconstruction); and (iii) "Equipment Breakdown," if the Project has central heating or cooling or other equipment or other applicable fixtures, equipment, or installations, which shall provide that the insurer's minimum liability per accident at least equals the lesser of \$1,000,000.00, or the insurable value of the building containing the equipment.

(c) Owner Responsibility for Payment of Deductible. If a loss occurs that is covered by a property insurance policy in the name of the Association and another property insurance policy in the name of an Owner:

- (i) the Association's policy provides primary insurance coverage; and
- (ii) notwithstanding subsection (c)(i) and subject to subsection (c)(iii):
 - (1) the Owner is responsible for the Association's policy deductible; and
 - (2) building property coverage, often referred to as coverage A, of the Owner's policy, if any, applies to that portion of the loss attributable to the Association's policy deductible.
- (iii) (1) As used in this subsection (c)(iii):
 - (A) "Covered Loss" means a loss, resulting from a single event or occurrence covered by the Association's property insurance policy;
 - (B) "Unit Damage" means damage to any combination of a Dwelling Unit or a Limited Common Area appurtenant to a Dwelling Unit; and
 - (C) "Unit Damage Percentage" means the percentage of total damage resulting in a covered loss that is attributable to Unit Damage.
- (2) An Owner who owns a Dwelling Unit that has suffered Unit Damage as part of a Covered Loss is responsible for an amount calculated by applying the Unit Damage Percentage for that Dwelling Unit to the amount of the deductible under the Association's property insurance policy.
- (3) If an Owner does not pay the amount required under subsection (c)(ii)(2) within thirty (30) days after substantial completion of the repairs to, as applicable, the Dwelling Unit or the Limited Common Area appurtenant to the Dwelling Unit, the Association may levy a Benefitted Assessment against the Owner for that amount.

(d) Association's Obligation to Segregate Property Insurance Deductible. The Association shall keep in a segregated bank account an amount equal to the Association's property insurance policy deductible or ten thousand dollars (\$10,000.00), whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible.

(e) Association's Right to Not Tender Claims which are under the Deductible. If, in the exercise of its business judgment, the Board determines that a covered loss is likely not to exceed the Association's property insurance policy deductible, and until it becomes apparent the covered loss exceeds the Association's property insurance deductible and a claim is submitted to the Association's property insurance insurer: (i) the Owner's policy is considered the policy for primary coverage for any loss to the Owner's Lot, to the amount of the Association's policy deductible; (ii) the Association is responsible for any loss to any Common Area; (iii) an Owner who does not have a policy to cover the damage to that Owner's Lot is responsible for that damage and the Association may, as provided in Section 12.4(c)(iii), recover any payments the Association makes to remediate that Lot; and (iv) the Association need not tender the claim to the Association's insurer.

(f) Notice Requirement for Deductible. The Association shall provide notice to each Owner of the Owner's obligation under Subsection 12.4(c) for the Association's policy deductible and of any change in the amount of the deductible. If the Association fails to provide notice of the initial deductible, it shall be responsible for the entire deductible in case of any loss. If the Association fails to provide notice of any increase in the deductible, it shall be responsible for paying any increased amount that would otherwise have been assessed to the Owner. The failure to provide notice shall not invalidate or affect any other provision in this Declaration.

12.5 Directors' and Officers' Insurance. The Association may obtain Directors' and Officers' liability insurance protecting the Board, the officers, ACC members, other members of committees of the Board, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). To the extent reasonably available, the policy should: (a) include coverage for volunteers and employees; (b) include coverage for monetary and non-monetary claims; (c) provide for the coverage of claims made under any fair housing act or similar statute, or that are based on any form of discrimination or civil rights claims; and (d) provide coverage for defamation. In the discretion of the Board, the policy may also include coverage for any Manager and any employees of the Manager, and may provide that such coverage is secondary to any other policy that covers the Manager or any employees of the Manager.

12.6 Additional Insurance Requirements. The following additional provisions shall apply with respect to insurance:

(a) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Project in construction, nature, and use.

(b) All policies shall be written by a company holding a rating of Class IV or better from Best's Insurance Reports or equivalent rating. Each insurer must be specifically licensed in the State of Utah.

(c) The Association shall have the authority to adjust losses.

(d) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their Mortgagees.

(e) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: (i) a Waiver of the insurer's subrogation rights with respect to the Association, the Owners, invitees, and tenants; (ii) that it cannot be canceled, suspended, or invalidated due to the conduct of any particular Owner or Owners; (iii) that it cannot be canceled, suspended, or invalidated due to the conduct of the Association or of any Board, officer, Manager, agent or employee of the Association without a prior written demand that the defect be cured; and (iv) that any "no other insurance" clause herein shall not apply with respect to insurance held by the Owners.

(f) Notwithstanding any provisions to the contrary herein, so long as the Mortgagee or its designee holds a mortgage or beneficial interest in a trust deed on a Lot in the Development or owns a Lot, insurance policies shall meet all requirements and contain such other coverage and endorsements as may be required from time to time by the Mortgagee or its designee.

(g) Mortgagee Clause. All policies of hazard insurance must contain or have attached the standard Mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the mortgaged premises are located. The mortgagee clause must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(h) Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20%) or more of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and action taken on such review to the Owner of each Lot and to the holder of any mortgage on any Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by the Owner.

12.7 Insurance Obligations of Owners. Each Owner shall secure and keep in force at all times fire and extended coverage insurance which shall be equal to or greater than fire and extended coverage and shall be at least equal to that commonly required by private institutional mortgage investors in the area in which the mortgaged premises are located. The policy shall provide, as a minimum, fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy. The amount of coverage shall be sufficient so that in the event of any damage or loss to the mortgaged premises of a type covered by the insurance, the insurance proceeds shall provide at least the lesser of: (i) compensation equal to the full amount of damage or loss, or (ii) compensation to the first Mortgagee under the mortgage equal to the full amount of the unpaid principal balance of the Mortgage Loan. However, the Board may elect to take advantage of discounts and/or improved coverage that may be afforded by a master policy of insurance. If the Board elects so to do, such policy shall be in an amount equal to full replacement value of all Dwelling Units on the Lots with a co-insurance clause and each owner of such Lots shall be designated as additional insured. The cost of such insurance shall be part of the Assessment for such Lot. In this event the insurance cost may be specifically charged to those Lots with Dwelling Units built upon them.

12.8 Unacceptable Policies. Policies are unacceptable where: (a) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Lot

Owner or Mortgagee or Mortgagee's designee; or (b) by, the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by carrier's policy includes any limiting clauses (other than insurance conditions) which could prevent the Lot Owner, Mortgagee, or Mortgagee's designee from collecting insurance proceeds.

12.9 Association and Owner' Flood Insurance. In the event that a portion of the Development should be declared to be in a flood area, a blanket policy of flood insurance for that portion of the Common Area located in the flood area shall be maintained by the Association in an amount equal to the full cost of replacement of the Common Area within the flood area. Each Owner of a Lot located within the 100-year flood plain, if any, shall acquire and maintain in effect flood insurance for the full replacement cost of the Dwelling Unit, the Lot and all Improvements thereon, unless such Owner elects not to obtain flood insurance and signs a "Waiver and Acknowledgment" of such election on a form prepared by and acceptable to the attorney for the local municipality prior to issuance of a certificate of occupancy. The Waiver and Acknowledgment shall be binding upon all heirs, successors and assigns of the Owner signing such Waiver and Acknowledgment. All Dwelling Units and buildings within the 100-year flood plain must have an elevation certificate, prepared by a license professional, verifying the finished floor elevation prior to issuance of a building permit. Said certificate's elevation shall be verified by the licensed professional before a certificate of occupancy is obtained. It is recommended that all Owners in the Development obtain flood insurance, even if their Lot is not located within the 100-year flood plain.

Neither this Article XIII nor the insurance provisions contained in Article XII may be amended without the prior approval of first Mortgagees.

(a) there occurs any substantial damage to or destruction of any Dwelling Unit or any part of the Common Area involving an amount in excess of, or reasonably estimated to be in excess of fifteen-thousand Dollars (\$15,000.00). Said notice shall be given within ten (10) days after the Association learns of such damage or destruction; or

Declarant, for the Association as owner of the Common Areas, hereby covenants and the Association by acceptance of the conveyance of the Common Areas, whether or not it shall be so expressed in such conveyance, is deemed to covenant and agree to make such reimbursement.

13.8 Rights Upon Foreclosure of Mortgagee. Each holder of a first Mortgage (or Deed of Trust) on a Lot and any purchaser from it who comes into possession of the Lot by virtue of foreclosure of the mortgage, or by deed or assignment in lieu of foreclosure, or pursuant to a power of sale or otherwise will take the Lot free of, and shall not be liable for any claims for unpaid Assessments and charges against the Lot which accrue prior to the time such holder comes into possession of the Lot.

13.9 Deemed Consent. If a security holder's consent is a condition for amending the Declaration or Bylaws, the security holder's consent is presumed given, even if not actually given, if the Association complies with Section 210 of the Act.

ARTICLE XIV
GENERAL PROVISIONS

14.1 Enforcement. Subject to the provisions of Article XV, this Declaration and provisions in other Governing Documents may be enforced by the Association, Declarant, and any Owner. The breach of any of the provisions contained in this Declaration and other Governing Documents and the continuation of any such breach may be enjoined, abated, or remedied by appropriate legal proceedings instituted by any Owner, including Declarant so long as Declarant owns a Lot in the Development, and by the Association. The offending party is entitled to such notice and rights to a hearing as provided for in the Governing Documents. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorneys' fees in an amount as the court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs.

(a) The result of every act or omission whereby any of the provisions contained in the Governing Documents are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance either public or private shall be applicable against every such result and may be exercised by any Owner, by the Association, and by the Declarant for so long as Declarant owns a Lot.

(b) The remedies herein provided for breach of the provisions contained in Governing Documents shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

(c) The failure of the Association to enforce any of the provisions contained in this Declaration shall not constitute a waiver of the right to enforce the same thereafter.

(d) Any breach or amendment of the provisions contained in the Governing Documents shall not affect or impair the lien or charge of any first Mortgagee made in good faith and for value on any Lot or the Improvements thereon, provided that any subsequent Owner of such Lot shall be bound by such provisions of the Governing Documents, whether such Owner's title was acquired by foreclosure in a trustee's sale or otherwise.

(e) The Association, through its Board, has the power to levy fines for violations of the Association's Governing Documents. The Board may adopt a Rule for the procedure to enforce the Governing Documents and levy fines, including a schedule of fines. In addition to the levy of fines, the Board may also elect to pursue other enforcement remedies and/or damages permitted under the Governing Documents. Furthermore, pursuant to Utah Code § 57-8a-218(2)(b), a tenant shall be jointly and severally liable to the Association with the Owner leasing to such tenant for any violation of the Governing Documents by the tenant.

14.2 Notice of Violation; Recording Authorized. If an Owner, or Occupant for whom the Owner is responsible, violates the Governing Documents of the Association and after the Association provides the Owner with: (a) written notice of the violation; (b) a reasonable opportunity to be heard; and (c) a reasonable opportunity to cure the violation; then the Association may, in addition to and not in lieu of other remedies, Record against the Owner's Lot a "Notice of Covenant/Rule Violation" in the records of the County Recorder. The Notice of Covenant/Rule Violation shall include the following: (i) name of the owner; (ii) address of the Association, or its

Manager; (iii) the violated provision(s) of the Governing Documents; and (iv) any other information the Board deems relevant to include in such notice. The Notice of Covenant/Rule Violation runs with the land and shall be released when the Board determines that the violation has been cured. By accepting an ownership interest in the Lot, the Owner authorizes the Association to record such a Notice of Covenant/Rule Violation and Owner waives and right and claim to assert that the recording of the Notice of Covenant/Rule Violation constitutes a wrongful lien or improperly clouds title to the Lot.

14.3 Non-Waiver. No provision contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce it, irrespective of the number of violations which may occur.

14.4 Amendment. Any amendment to this Declaration shall require the approval of at least sixty-seven percent (67%) of all Membership votes represented in person, by proxy, or by ballot which are entitled to be cast at a meeting duly called for such purpose. The Board shall cause to be delivered to all Members a Notice of Members Meeting setting forth the purpose of the meeting and the substance of the amendment proposed. The quorum required for any such meeting shall be as follows: At the first meeting called, the representation of Members in person, through proxies, or through ballots entitled to cast fifty percent (50%) of all the votes of the Membership shall constitute a quorum. If a quorum is not present at any meeting, another meeting may be called by the Board causing to be delivered another Notice of Members Meeting, at which meeting a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Notwithstanding anything herein contained, and as further set forth in Article XV, Declarant has, and is hereby vested with, the right to unilaterally amend this Declaration as Declarant believes may be reasonably necessary or desirable. Any amendment authorized pursuant to this Section shall be accomplished through the Recordation of an instrument executed by the Association. In such instrument an officer of the Association or member of the Board shall certify that the vote required by this Section for amendment has occurred, except for amendments unilaterally made by the Declarant.

(a) Amendment to Conform with Law. Notwithstanding the right of the Owners to amend the Declaration, the Board has the right, upon advice of the Association's legal counsel and without Owner approval, to amend the Declaration, as necessary, to conform to any local, state, or federal laws which mandate changes to the Declaration or which laws would render one or more covenants obsolete or contrary to law.

14.5 Notice. Unless otherwise set forth in the Bylaws, the Association may provide notice to the Members as set forth in this Section. The Association may provide notice to Owners by electronic means, including text message, email, social media, or the Association's website, except that an Owner may, by written demand, require the Association provide notice to that Owner by mail. Any notice required to be given will be deemed received and effective upon the earlier to occur of the following:

(a) when sent via electronic means such as an e-mail, text message or similar electronic communication, the notice is deemed effective within twenty-four (24) hours of being sent and a rejection or undeliverable notice is not received by the sender;

(b) when posted on the Association's website, the notice is deemed effective seventy-two (72) hours after it was posted;

(c) when placed into the care and custody of the United States Postal Service, first-class mail, and addressed to the most recent address of the recipient according to the records of the Association, the notice is deemed effective at the earliest of the following: (i) when received; (ii) five (5) days after it is mailed; or (iii) on the date shown on the return receipt if sent by registered or certified mail, sent return receipt requested, and the receipt is signed by or on behalf of the addressee;

(d) when sent by facsimile, the notice is deemed effective when the sender receives a facsimile acknowledgment confirming delivery of the facsimile;

(e) when hand delivered, the notice is deemed effective immediately upon delivery;

(f) when notice is given orally, the notice is deemed effective when communicated; or

(g) when delivered by other means, the notice is deemed effective upon such circumstances and conditions as are reasonably calculated to give notice to the Owner.

14.6 Manager. The Association may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged may be an independent contractor or an agent or employee of the Association. Such Manager shall be responsible for managing the Properties for the benefit of the Association and the Owners, and shall, to the extent permitted by law and the terms of a management agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

14.7 Terms of Management Agreement. Any agreement for professional management of the Development, or any other contract providing for services of the Declarant, sponsor, or builder, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of termination fee on not more than ninety (90) but not less than thirty (30) days written notice. The Board has no authority to enter into any management agreement, or contract, which is inconsistent with the terms of this Section and a professional management company may not rely upon such presumed authority of the Board if the terms of the agreement is contrary to the provisions of this Section.

14.8 Bulk Service Agreements. The Association has the right to enter into agreements, as the Board deems appropriate, for the provision of cable, television, internet, telephone, or other similar services for all of the Lots. Such services shall be assessed to the Owners pursuant to the provisions of this Declaration and, in any Assessment, may be broken out as a separate line item on invoices, statements, or notices of Assessment. After the Declarant Control Period, the Board and the Association shall not have any authority to enter into any such agreement, unless approved by a majority of the voting interests of the Membership, that: (a) is of any duration longer than five (5) years; (b) automatically renews at the end of its term, or (c) provides for any permanent easement over any part of the property. Any agreement entered into in violation of this provision shall be null and void.

14.9 Rules and Regulations. The Board shall have the authority to promulgate and adopt Rules and Regulations as the Board deems necessary or desirable to: (a) aid it in administering the affairs of the Association; (b) insure that the Properties are maintained and used in a manner consistent with the interests of the Owners; (c) regulate the use of the Common Areas and to regulate the personal conduct of the Members and their guests thereon; and (d) establish penalties and fines for the infractions of any provisions of the Governing Documents. Pursuant to Utah Code

§ 57-8a-218(15), the requirements of Utah Code § 57-8a-218 are hereby modified to not apply to the Association. Fines, subject to limitations under the Act, may be assessed as a Corrective Assessment against the Lot. The Board may adopt, amend, cancel, limit, create exceptions to, expand or enforce rules and design criteria of the Association that are not inconsistent with the Declaration or the Act. Except in the case of imminent risk of harm to a Common Area, a limited Common Area, an Owner, a Lot or a dwelling, the Board shall give at least fifteen (15) days advance notice of the date and time the Board will meet to consider adopting, amending, canceling, limiting, creating exceptions to, expanding, or changing the procedures for enforcing rules and design criteria. The Board may provide in the notice a copy of the particulars of the rule or design criteria under consideration. A rule or design criteria adopted by the Board is only disapproved if member action to disapprove the rule or design criteria is taken in accordance with the limitations under Section 217 of the Act.

14.10 Reasonable Accommodations. Notwithstanding anything to the contrary in this Declaration, the Association, upon receipt of a written opinion from its counsel that such action is required, may make or permit reasonable accommodations or modifications to the Project that are otherwise prohibited by the Governing Documents, as required under Title VIII of the Civil Rights Act of 1968 (the Fair Housing Act) as amended, to accommodate a Person with a handicap (as defined by Federal law at the time the accommodation is requested) or disability (as defined by state law at the time the accommodation is requested). Reasonable accommodations or modifications may include modifications to a Lot, the Common Area, the Limited Common Area, or the buildings, or deviations from provisions of the Governing Documents. Any such modification and accommodation made under this Section shall not act as a waiver of the provisions of the Governing Documents with regard to anyone else

14.11 Limitation on Liability to Association Representatives. To the fullest extent permitted by applicable law, neither members of the Board, the ACC, nor any officer of the Association shall be liable to any Owner or the Association for any damage, loss, or prejudice suffered or claimed on account of any decision, approval or disapproval, course of action, act, omission, error, or negligence.

14.12 Severability. Invalidation of any provision of this Declaration by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

14.13 Rule Against Perpetuities. The rule against perpetuities and the rule against unreasonable restraints on alienation of real estate may not defeat or otherwise void a provision of any Governing Document of the Association. If for any reason the Declaration or other Governing Document does not comply with the Act, such noncompliance does not render a Lot or Common Area unmarketable or otherwise affect the title if the failure is insubstantial.

14.14 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of the Common Area. The article and section headings have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine and neuter shall each include the masculine, feminine and neuter. Except for judicial construction, the Board shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Board's construction

or interpretation of the provisions hereof shall be final, conclusive, and binding as to all Persons and property benefited or bound by this Declaration.

ARTICLE XV
DECLARANT RIGHTS AND CONFLICT RESOLUTION

15.1 Special Declarant Rights. Notwithstanding any other provisions in the Governing Documents to the contrary, the Declarant shall have the rights provided for in this Article XV in addition to any other rights provided to the Declarant in other sections of the Declaration. If any other article in this Declaration contains the words “notwithstanding anything to the contrary,” or words of similar import, they shall all, nonetheless, be subject to the terms in this Article XV. Declarant.

15.2 Assignment of Declarant Rights and Powers. Any and all rights and powers of the Declarant contained in this Declaration may be delegated, transferred, or assigned. In the event of any such transfer of Declarant rights, the Declarant shall have assigned all of its rights herein and shall be relieved from and after the date of such transfer of all liability and obligations hereunder, and the Successor Declarant(s) shall have all the rights and obligations of Declarant contained herein.

15.3 Declarant Control Period. Declarant shall have the right to retain control, power, and authority over, and all decision-making ability or authority for, the Association and the Project during the “Declarant Control Period.” The Declarant shall determine whether to hire professional management during the Declarant Control Period. The Declarant Control Period shall extend until the Declarant elects, in writing, to terminate the Declarant Control Period or until the Class B Membership ceases pursuant to Section 4.1(b) of the Declaration.

15.4 Right to Appoint Board During Declarant Control Period. The Declarant has the right to appoint and remove all members of the Board and ACC during the Declarant Control Period. In appointing such members of the Board and ACC, the Declarant is not bound by any qualifications set forth the Governing Documents for members of the Board or ACC. The Declarant may elect to have a Board of fewer than the required number of members until the Declarant Control Period ends. The Declarant may assume (and shall be presumed to have assumed unless Declarant notifies the Association otherwise) the powers of the Board without appointing members to the Board.

15.5 Right to Establish Assessments. The Declarant has the right to establish all Budgets and set the amount of all Assessments during the period of Declarant Control. Notwithstanding the Assessment of other Lots, no Lots owned by the Declarant shall pay Assessments until such time as the Declarant elects to pay Assessments, and only for so long as the Declarant elects to pay Assessments and in the amount of Assessments the Declarant elects to pay.

15.6 Declarant Easement Rights, Right to Correct, and Exemptions from Use Restrictions. The Declarant, and others it may designate, has an easement for access across the entire Project, including the right to inspect, monitor, test, redesign, and correct any structure, Improvement, or condition which may exist on any portion of the Properties, including Lots, and a perpetual, non-exclusive easement of access throughout the Properties to the extent reasonably necessary to exercise such right. Except in any emergency, entry onto a Lot or into a Dwelling Unit shall be only after reasonable notice to the Owner and no entry into a Dwelling Unit shall be permitted without the Owner’s consent. The Person exercising the Declarant’s easement rights

shall promptly repair, at such Person's own expense, any damage resulting from such exercise. The Declarant is not bound by any use restrictions in the Declaration as such use restrictions would otherwise relate to the Lots owned by the Declarant.

15.7 Easement to Inspect and Right to Correct. Declarant and others it may designate have the right to inspect, monitor, test, redesign, and correct any structure, Improvement, or condition which may exist on any portion of the Properties, including Lots, and a perpetual, non-exclusive easement of access throughout the Properties to the extent reasonably necessary to exercise such right. Except in any emergency, entry onto a Lot or Parcel shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the Owner's consent. The person exercising this easement shall promptly repair, at such person's own expense, any damage resulting from such exercise.

15.8 Declarant's Disclaimer of Representations. Notwithstanding anything to the contrary in this Declaration, and except as otherwise may be expressly set forth on a recorded Plat or other instrument recorded in the office of the County Recorder, Declarant makes no warranties or representations whatsoever that the plans presently envisioned or the complete development of the Project can or will be carried out, or that any land now owned or hereafter acquired by Declarant is or will be subjected to this Declaration or any other declaration, or that any such land (whether or not it has been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or if that land is once used for a particular use, such use will continue in effect.

15.9 Right to Amend Governing Documents. Until the expiration of the Declarant Control Period, the Declarant has the unilateral right to amend, revise, and modify this Declaration, the Plat, the Bylaws, the Rules and Regulations, and the general plan of development for the Project in any way, and at any time, including adding, removing, or changing substantive and material provisions, without any additional approvals from anyone, including, but not limited to, the Owners. Any such amendment to the Declaration or Bylaws shall be effective upon the Declarant's Recordation of the amendment duly signed by an authorized officer or manager of the Declarant, with such signature acknowledged. When Recorded, any such amendment shall be binding upon the Project and all Persons having an interest therein, including all Owners. Without limiting the generality of the foregoing, the Declarant alone may amend or terminate this Declaration prior to the closing of a sale or transfer of any Lot.

(a) Subject to necessary approvals from any applicable municipality or governmental agency, the Declarant shall have the right to amend, change, or modify the Plat, subject only to the requirement that the Declarant get approval from any Owner of a Lot that will have any boundary modified by the amended Plat.

15.10 Annexation by Declarant. Declarant may expand the real property subject to this Declaration by the annexation of additional property into the Development. The annexation of such land shall become effective and extend this Declaration to such real property upon the Recordation of a Supplemental Declaration or similar instrument which:

- (a) describes the real property to be annexed or incorporated by reference;
- (b) declares that the annexed real property is to be held, sold, conveyed, encumbered, leased, occupied, and improved as part of the Properties subject to this Declaration; and

(c) sets forth such additional limitations, restrictions, covenants, conditions complementary additions to the covenants, conditions and restrictions contained in this Declaration as are not inconsistent with this Declaration and which do not create a character different than exists in the Development and is intended by this Declaration.

Any such annexation may be accomplished in one or more annexations or phases of development without limitation as to size or location of the additional property to be added to the Development. When such annexation becomes effective, said real property shall be subject to this Declaration and subject to the functions, powers, authority, and jurisdiction of the Association, and thereafter all of the Owners of Lots in the Properties shall automatically be members of the Association.

15.11 Limitation on Annexation. Declarant's right to annex said real property to the Properties shall be subject to the following limitations, conditions and rights granted to the Declarant:

(a) All Lots added to the Properties shall be for residential purposes, except as otherwise provided for in this Declaration.

(b) Declarant reserves unto itself and its assigns the right to create Common Area, and Improvements thereon, within any portion of the annexed real property. Declarant makes no assurances that such Common Areas or Improvements will be established.

(c) The configuration of annexed land as to Lot size, Common Areas and the type of Improvements is reserved to the Declarant.

15.12 Expansion of Definitions. In the event the Properties are expanded, the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Properties as so expanded.

15.13 Declarant Exemption from Certain Statutory Obligations. Pursuant to Utah Code § 57-8a-217(6), Declarant is hereby exempt from the provisions of Utah Code § 57-8a-217. Pursuant to Utah Code § 57-8a-211(10), Utah Code § 57-8a-211(2)-(9) shall not apply or have any effect during the Declarant Control Period and, as specifically allowed by law, the Declarant shall have no duty whatsoever to obtain a reserve analysis, or to fund any reserve fund during the Declarant Control Period.

15.14 Declarant Rights Do Not Impose Obligations. The Declarant Rights provided for in this Article, and elsewhere in the Declaration, do not impose any obligation, legal or equitable, related to the issues to which they might apply. Both the Association and any Owner hereby expressly waive and disclaim any such duty, and affirmatively acknowledge that no such duty exists or should be imposed as a result of the special Declarant rights.

15.15 Limitations on Warranties. The Declarant may, but is not obligated to, provide for certain warranties from subcontractors to the Association related to the construction of the Project. The Association shall have the right, as provided for in any such warranties, to directly enforce and seek performance of these warranties from the subcontractors who performed the work in the construction of the Project. There is no guarantee or warranty by the Declarant that any warranties will be provided, or that the warranties will cover any particular component or aspect of the Project.

The Declarant may have provided certain warranties to the Owners related to the Lot purchased. The first Owner of a Lot to whom any warranty is issued, or with whom a legal warranty

arises, and only that Owner, shall have the right to directly enforce and seek performance from the Declarant of any terms of the warranty, and only consistent with the warranty itself. The Association shall have no right to seek the performance of or take assignment of any rights in any warranties from the Declarant to any Owner, and the Owner shall have no right to assign any rights of any kind to the Association related to pursuing litigation against the Declarant.

Subject only to the provisions in the Association warranties (if any) and the Owner warranties (if any), the Association and the Owners take ownership and possession of the Lots, Common Areas, and Limited Common Areas AS IS, with no warranties of any kind except as otherwise required as a matter of law. The Declarant specifically disclaims any warranties of merchantability, fitness for a particular use, or of habitability, to the fullest extent allowed by law. Moreover, by accepting ownership of the Lot, the Owner waives and disclaims, to the fullest extent allowed by law, any implied warranties, including an implied warranty of workmanlike construction, an implied warranty of habitability, an implied warranty of merchantability or an implied warranty of fitness for a particular purpose. In addition, whether or not an Owner experiences mold growth in a Dwelling Unit depends to a great extent on how the Owner manages and maintains the Dwelling Unit. Owner is hereby given notice to take all reasonable means to detect and prevent growth and infestation of mold and other similar agents. The Declarant will not be responsible for any damages and, by accepting ownership of the Lot, Owner waives any claim to damages, caused by mold, or by some other agent, which may be associated with customary construction practices in the area, which waiver includes, without limitation, property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, and adverse health effects, or any other effects or losses.

15.16 Waiver of Subrogation and Release. The Association and each Owner of a Lot waives any right to subrogation against the Declarant and any builder in the Project. This waiver shall be broadly construed and applied to waive, among other things, any attempt by any insurer of any Owner, or of the Association, from pursuing or exercising any subrogation rights, whether arising by contract, common law, or otherwise, against the Declarant and builder, their officers, employees, owners, and representatives. To the full extent permitted by law, the Association and Owners hereby release Declarant and builder, their officers, employees, owners, and representatives from any and all liability and losses to the Association and all Owners, and anyone claiming through or under them by way of subrogation or otherwise, for any loss, injury, or damage to property, caused by fire or any other casualty or event, even if such fire or other casualty shall have been caused by the fault or negligence of Declarant or builder, their officers, employees, owners, and representatives. The Association and each Owner respectively agrees that all policies of insurance shall contain a clause or endorsement to the effect that this release and waiver of subrogation shall not adversely affect or impair such policies or prejudice the right of the Association or any Owner to recover thereunder. The Association and all Owners shall indemnify against all losses and liabilities and defend the Declarant, the builder, and any of their officers, employees, owners, or representatives from any claims barred or released by this provision, including, but not limited to, any claim brought under any right of subrogation.

15.17 Statement of Intent. Every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, an inspection on any Lot and Dwelling Unit which the Owner is purchasing, or any aspect of the Project; all prior to purchasing a Lot. Moreover, if any warranty has been provided, a warranty has been provided to each initial Owner identifying those items that are warranted by the Declarant. Having had the ability to inspect prior

to purchasing a Lot, having received a written warranty, if any warranty is provided, and having paid market price for a Unit in the condition it and the Units and Common Area are in at the time of purchase, it is acknowledged that it is unfair and improper to then seek to have the Declarant and/or any subcontractor performing work in the Project to change, upgrade, or add additional work to the Project, outside of any express warranty obligation. Moreover, the Owners (by purchasing a Lot) and the Declarant acknowledge and agree that litigation is an undesirable method of resolving certain conflicts in that it is slow, expensive, uncertain, and can often negatively impact the sale value and ability to obtain financing for the purchase of Lots for years, unfairly prejudicing those Owners who must or want to sell their Lot during any period when litigation is pending. For this reason, the Owners (by purchasing a Lot) and the Declarant agree and acknowledge that certain disputes simply shall not be pursued, to the extent permitted by law, and that others shall be pursued only through certain specific alternative dispute resolution mechanisms, and only after full disclosure, a right to cure, and knowing approval of the Owners. Consistent with this dispute avoidance intent and mandate, and in an effort to provide an avenue of recovery against the party responsible for faulty construction, the Declarant may obtain and provide warranties to the Association, or that the Association may enforce, from subcontractors related to the construction of the Project. It is the intent of the Parties hereto, as agreed to by the Owners, by and upon the purchase of a Unit, that these warranties (from subcontractors), if they are obtained, whatever they might cover and whomever they are from, are the sole remedy to the extent permitted by law, in case of any defects or damages arising from defects of any kind related to construction or development of the Project. The intent of this Section is to eliminate, to the extent possible, claims against or involving the Declarant and claims related to the construction of the buildings and fixtures on the Project, and, when and if any such claim is permitted as a matter of law or pursuant to this Declaration, to ensure that every opportunity is made to resolve the claim outside of a normal court procedure. This effort shall include, but not be limited to, the right to cure and the requirements for mediation and arbitration.

15.18 Agreement to Encourage Resolution of Construction Defect Disputes Without Litigation.

(a) Declarant, the Association, and all Persons subject to this Declaration (collectively, the “Bound Parties”) hereby agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving a Claim (as defined in subsection (b)) without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 14.12 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term “Claim” shall refer to any claim, grievance, or dispute arising out of or relating to the design or construction of improvements by Declarant within the Properties.

15.19 Dispute Resolution Procedures.

(a) Notice. The Bound Party asserting a Claim (“Claimant”) against another Bound Party (“Respondent”) shall give written notice (“Notice of Claim”) to each Respondent and to the Board stating plainly and concisely:

- (i) the nature of the Claim, including a specific description and calculation of the alleged damages, the Persons involved, the Respondent’s role in the Claim;
- (ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
- (iii) documents and materials supporting the Claim, including any photographs of any alleged condition, samples of any alleged defective conditions or materials, and supporting opinions, information, or other factual evidence upon which the Claim is based;
- (iv) the efforts taken by Claimant to avoid, mitigate, or minimize the Claim or any alleged damages related thereto;
- (v) the Claimant’s proposed resolution or remedy; and
- (vi) the Claimant’s desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Notice of Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice of Claim, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within thirty (30) days of the date of the Notice of Claim (or within such other greater period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in the local area.

If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

If the Parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date the mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

DISPUTE RESOLUTION TIMELINE FOR CLAIM BETWEEN BOUND PARTIES

Each Party shall bear its own costs of the mediation, including attorney fees, and each Party shall share equally all fees charged by the mediator.

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the Parties. If any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the Party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from non-complying Party (or if more than one non-complying Party, from all such Parties in equal proportions) all costs incurred in enforcing such agreement or award, including without limitation attorney fees and court costs.

15.20 Initiation of Litigation and Limitation of Action. In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Claimant shall not initiate any judicial or administrative proceeding against the Declarant for a Claim approved by a vote of seventy-five percent (75%) of the total Class A votes in the Association. If the Claimant is the Association, then, regardless of the amount in controversy, the Association shall not initiate any judicial or administrative proceeding against the Declarant until satisfying each of the requirements set forth in Utah Code § 57-8a-229(1)-(3). This Section shall not be amended unless such amendment is approved by the Declarant in writing. No litigation or dispute resolution may be commenced by a Claimant unless brought within one (1) year from the date the cause of action accrued.

15.21 No Modification of Declarant Rights. Any Declarant Rights in the Governing Documents, and specifically in this Article XV, shall not be substantively or procedurally altered without the written consent of the Declarant until six (6) years have passed after the Declarant Control Period has ended, at which time the Declarant's approval shall no longer be required. Any document or amendment attempted without obtaining the necessary consent of the Declarant shall be void *ab initio* to the extent it attempts to alter the rights of the Declarant or any provision of this Article XV. Any consent to waive, change, or alter any provisions of Article XV by any successor Declarant (as a result of any voluntary or involuntary assignment of Declarant rights) shall effect a change to those provisions only as to that Declarant and shall not be applicable to any prior Declarant without that prior Declarant's specific consent.

Where these Bylaws differ from the Nonprofit Act or the Association Act, these Bylaws shall control unless the provisions of either the Nonprofit Act or the Association Act, or both, are mandatory and not default provisions.

ARTICLE II - OFFICES

2.1. Principal Office.

The principal office of the Association shall be at the address identified in the Association’s latest annual report filed with the Division. The Board in its discretion may change from time to time the location of the principal office. (A member of the Board shall hereinafter be referred to as a “Director.”)

2.2 Registered Office and Agent.

The Acts require that the Association have and continuously maintain in the State of Utah a registered office and a registered agent. The registered agent must be an individual who resides in the State of Utah and whose business office is identical with the registered office. A vote cast at any Association meeting by any of such Owners, whether in person, by proxy, or through ballot, shall be conclusively presumed to be the vote attributable to the Lot concerned, unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever, other than to determine whether a quorum exists.

3.5 Resolution of Voting Disputes.

In the event of any dispute as to the entitlement of any Member to vote or as to the results of any vote of Members at a meeting, the Board shall act as arbitrators and the decision of a disinterested majority of the Board shall, when rendered in writing, be final and binding as an arbitration award and may be acted upon in accordance with Utah law.

3.6 Transfer of Memberships on Association Books.

Transfer of membership shall be made on the books of the Association only upon the presentation of evidence, satisfactory to the Association, of the transfer of ownership of the Lot to which the Membership is appurtenant. Prior to presentation of such evidence, the Association may treat the previous holder of the Membership as the holder of the membership entitled to all rights in connection therewith, including the right to vote and to receive notice.

3.7 Assignment of Voting Rights to Tenants and Mortgagees.

A Member may assign the Member’s right to vote to a tenant occupying the Member’s Dwelling Unit or to a Mortgagee of the Member’s Lot for the term of the lease or the Mortgage and any sale, transfer or conveyance of the Dwelling Unit and the Lot upon which it is situated shall, unless otherwise provided in the document of sale, transfer or conveyance, be

Special meetings of the Members may be called by the President or the Board or by Members holding not less than twenty-five percent (25%) of the total votes of all Members, excluding votes of the Declarant, or by Declarant if it holds at least ten percent (10%) of the total votes of all Members. No business shall be transacted at a special meeting of Members except as indicated in the notice thereof.

4.4 Record Date/Members List.

4.4.1. The record date for the purpose of determining Members entitled to notice of, or to vote at, any meeting of Members or in order to make a determination of such Members for any other proper purpose for the taking of any other lawful action shall be as set forth in Subsection 4.4.2 below, unless the Board, in advance of sending notice, set a date by resolution as the record date for any such determination of Members. Such record date shall not be more than sixty (60) days prior to the meeting of Members or the event requiring a determination of Members.

4.4.2. Members entitled to notice of a meeting of the Members are the Members of the Association at the close of business on the business day preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held. Members entitled to vote at a meeting of the Members are the Members of the Association on the date of the meeting, and who are otherwise eligible to vote. The record date for the purpose of determining the Members entitled to exercise any rights in respect of any other lawful action are Members of the Association at the later of: (a) the close of business on the day on which the Board adopts the resolution relating to the exercise of the right; or (b) the close of business on the sixtieth (60th) day before the date of the exercise of the right. A record date fixed under this Section may not be more than seventy (70) days before the meeting or action requiring a determination of Members occurs. A determination of members entitled to notice of or to vote at a meeting of Members is effective for any adjournment of the meeting unless the Board fixes a new date for determining the right to notice or the right to vote.

4.4.3. The Association shall only be required to prepare a list of the names of the Members, including without limitation, a list of Members used to take action by written ballot, as provided for in Section 9.3.3.

The notice of a special meeting shall state the purpose or purposes for which the meeting is called.

4.6 Proxies at Meetings.

A Member entitled to vote at a meeting may vote in person, by ballot, or by proxy executed in writing by the Member or the Member's duly authorized attorney-in-fact and filed with the Secretary of the meeting, or other designated Person by the Board to receive the proxies of the meeting, prior to the time the proxy is exercised.

4.7 Ballots at Meetings.

A written ballot may, upon the election of the Board, be used in connection with any annual, regular, or special meeting of Members, thereby allowing Members the choice of either voting in person, by proxy, or by written ballot delivered by a Member to the Association in lieu of attendance at such meeting. Any written ballot shall comply with the requirements of Section 4.8 and shall be counted equally with the votes of Members in attendance at any meeting for every purpose, including satisfaction of a quorum requirement.

4.8 Ballots without a Meeting and Electronic Voting.

The Association may, upon the election of the Board or upon specific request of a Member for a special meeting of the Members, utilize ballots without a meeting to take any action that may be taken at any annual, regular, or special meeting of the Members provided the Association delivers a written ballot to every member entitled to vote. Any ballot utilized without a meeting shall be valid only when: (a) the time by which all ballots must be received has passed so that a quorum can be determined; and (b) the number of approvals equals or exceeds the number

of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

4.8.1 All solicitations for votes by written ballot shall: (a) set forth each proposed action; (b) provide for an opportunity to vote for or against each proposed action; (c) indicate the number of responses needed to meet the quorum requirements; (d) state the percentage of approvals necessary to approve each matter, other than the election of Directors; (e) specify the time by which a ballot must be received by the Association in order to be counted; and (f) be accompanied by written information sufficient to permit each person casting the ballot to reach an informed decision on the matter.

4.8.2 Any written ballot shall comply with the requirements in this Section 4.8 and shall be counted equally with the votes of Members in attendance (by person or proxy) at any meeting for every purpose, including satisfaction of a quorum requirement.

4.8.3 Members shall be provided a fair and reasonable amount of time before the day on which the Association must receive ballots. An amount of time is considered to be fair and reasonable if (a) Members are given at least fifteen (15) days from the day on which the notice is mailed, if the notice is mailed by first-class or registered mail; (b) Members are given at least thirty (30) days from the day on which the notice is mailed, if the notice is mailed by other than first-class or registered mail; or (c) considering all the circumstances, the amount of time is otherwise reasonable.

4.8.4 The Association and its Members, by adoption of these Bylaws, agree to allow voting by electronic means. To effectuate electronic voting, ballots may be signed electronically as provided for in Subsection 4.19.

4.9 Revocation of Proxy or Ballot.

A proxy or ballot may be revoked, prior to the time the proxy is exercised or the ballot counted, by: (a) the Member attending the meeting and voting in person; or (b) the Member signing and delivering to the Secretary or other Person authorized to tabulate proxy or ballot votes either (i) a writing stating that the appointment of proxy or ballot is revoked, or (ii) a subsequent proxy form or ballot. A proxy or ballot shall automatically cease upon the conveyance by a Member of the Lot of the Member and the transfer of the Membership on the books of the Association. No proxy shall be valid after the earlier of: (a) the day after the meeting of the Members for which the proxy was expressly submitted; or (b) eleven (11) months from the date of its execution unless otherwise provided in the proxy. The death or incapacity of the Member appointing a proxy or issuing a ballot does not affect the right of the Association to accept the proxy's authority or count the ballot unless notice of the death or incapacity is received by the Secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority or the ballot is counted.

4.10 Action through Written Consents Without a Meeting.

Unless prohibited by the Articles, any action required to be taken or which may be taken at a meeting of Members may be taken without a meeting and without prior notice, if one (1) or more written consents, setting forth the action taken, are signed by the Members having not less than the minimum voting power that would be necessary to authorize or take the action at a

meeting at which all Members entitled to vote on the action were present and voted. Directors may not be elected by written consent, except by unanimous written consent of all Members entitled to vote for the election of Directors. Any action taken under this Section 4.10 is not effective unless all written consents are received within a sixty (60) day period and have not been revoked. A written consent may be given by Electronic Transmission or other form of communication providing the Association with a complete copy of the written consent, including: (a) the date the written consent was sent; and (b) the signature (including electronic signatures as provided in Section 4.19).

4.11 Telecommunications.

Any or all of the Members may participate in an annual, regular, or special meeting of the Members by, or the meeting may be conducted through the use of, any means of communication by which all Persons participating in the meeting may hear each other during the meeting. A Member participating in a meeting by a means permitted under this Section 4.11 is considered to be present in person at the meeting.

4.12 Quorum at Members' Meetings.

Except as may be otherwise provided in the Declaration, the Articles, or these Bylaws, and except as hereinafter provided with respect to the calling of another meeting, the representation, in person, by proxy or by ballot, of Members entitled to cast at least twenty-five percent (25%) of the votes of all Members shall constitute a quorum at any meeting of such Members. Members present in person or by proxy or represented by ballot at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members so as to leave less than a quorum.

4.13 Adjournment of Members' Meetings.

Members present in person or by proxy at any meeting, whether or not there is a quorum may adjourn the meeting from time to time. Except as may be otherwise provided in the Declaration, the Articles, or these Bylaws, if the meeting is adjourned, the Board shall issue a new Notice of Members Meeting at which meeting the members that are present in person or by proxy or represented by ballot shall constitute a quorum, except as otherwise provided in the Declaration, the Articles, or these Bylaws. No such subsequent meeting shall be held more than forty-five (45) days following such preceding meeting at which a quorum was not present.

4.14 Vote Required at Members' Meetings.

At any meeting where a quorum is present, action on a matter, other than the election of Directors, is approved if the votes cast favoring the action exceed the votes cast opposing the action unless a greater proportion is required by law, the Declaration, the Articles, or these Bylaws. In the case of elections to the Board, a quorum is not required and when there is more than one (1) candidate, the Person or Persons receiving the highest number of votes shall be elected.

4.15 Cumulative Voting Not Permitted.

Cumulative voting by Members in the election of Directors shall not be permitted.

4.16 Order of Business.

Unless otherwise changed by resolution of the Board or the Members, the order of business at any meeting of Members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) election of Directors, if applicable; (d) report of finances; and (e) any other Association business.

4.17 Expenses of Meetings.

The Association shall bear the expenses of all regular and annual meetings of Members and of special meetings of Members.

4.18 Waiver of Notice.

A Member may waive any notice required by the Acts or by these Bylaws, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. A waiver shall be in writing, signed by the Member entitled to the notice, and delivered to the Association for inclusion in the minutes; or filing with the corporate records. The delivery and filing required above may not be conditions of the effectiveness of the waiver. A Member's attendance at a meeting: (a) waives objection to lack of notice or defective notice of the meeting, unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice; and (b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the Member objects to considering the matter when it is presented.

4.19 Signature of Members.

Except as otherwise provided in the Acts, all votes, consents, written ballots, waivers, proxy appointments, and proxy or ballot revocations shall be in the name of the Member and signed by the Member with a designation of the Member's capacity (i.e., owner, partner, president, director, member, trustee, conservator, guardian, etc.). Pursuant to Utah Code § 46-4-201 a signature may not be denied legal effect or enforceability solely because it is in electronic form (i.e., an electronic signature). As used herein, the term "electronic" means relating to technology having electrical, digital, magnet, wireless, optical, electromagnetic, or similar capabilities. As used herein, the term "electronic signature" means an electronic sound, symbol, or process attached to or logically associated with a ballot and executed or adopted by a person with the intent to sign the ballot.

ARTICLE V - BOARD OF DIRECTORS**5.1 General Powers and Duties of the Board of Directors.**

The Board shall have the duty to manage and supervise the affairs of the Association and shall have all powers necessary or desirable to permit it to do so. Without limiting the generality of the foregoing, the Board shall have the power to exercise or cause to be exercised for the Association all of the powers, rights and authority of the Association not reserved to Members in the Declaration, the Articles, these Bylaws, or the Acts.

5.2 Special Powers and Duties of the Board of Directors.

Without limiting the foregoing statement of general powers and duties of the Board or the powers and duties of the Board as set forth in the Declaration, the Board shall be vested with the following specific powers and duties:

5.2.1 Assessments. The duty to fix and levy from time to time Assessments, Special Assessments, and all other Assessments upon the Members of the Association as provided in the Declaration; and to enforce the payment of such delinquent assessments as provided in the Declaration.

5.2.2 Insurance. The duty and authority to contract and pay premiums for fire, casualty, liability, and other insurance policies in accordance with the provisions of the Declaration.

5.2.3 Common Areas. The duty to manage and care for the Common Areas, and to employ personnel necessary for the care and operation of the Common Areas, and to contract and pay for necessary or desirable improvements on property acquired by the Association in accordance with the Declaration.

5.2.4 Agents and Employees. The power to select, appoint, and remove all officers, agents, and employees of the Association and to prescribe such powers and duties for them as may be consistent with law, with the Declaration, the Articles, and these Bylaws.

5.2.5 Borrowing, Loans. The power, with the approval of the Members representing at least two-thirds (2/3) of the voting power of the Association, to borrow money and to incur indebtedness for the purpose of the Association, and to cause to be executed and delivered therefor, in the Association's name, promissory notes, bonds, debentures, mortgages, pledges, hypothecations or other evidences of debt, and securities therefor.

5.2.6 Enforcement. The power to enforce the provisions of the Governing Documents and other agreements of the Association.

5.2.7 Delegation of Powers. The power to delegate its powers according to law.

5.2.8 Rules and Regulations. The power to adopt such Rules and Regulations with respect to the interpretation and implementation of the Declaration, use of Common Areas, and use of any property within the Project, including Lots and Dwelling Units, and to levy fines and penalties for infractions and violations thereof; provided, however, that such Rules and Regulations shall be enforceable only to the extent that they are consistent with the Acts and other Governing Documents of the Association.

5.2.9 Emergency Powers. The right to exercise such emergency powers as provided for in the Acts.

5.3 Qualifications of Directors.

A Director must be a natural person eighteen (18) years of age or over and an Owner of a Lot within the Property, the spouse of an Owner, or, if the Owner of any such Lot is a trust,

partnership, corporation, or limited liability company, must be a designated representative of such trust, partnership, corporation, or limited liability company. If a Director conveys or transfers title to the Director's Lot, or if a Director who is a designated representative of a trust, partnership, corporation, or limited liability company ceases to be such designated representative, or if the trust, partnership, corporation, or limited liability company of which a Director is a designated representative transfers title to its Lot, such Director's term as Director shall immediately terminate and a new Director shall be selected as promptly as possible to take such Director's place. Only one (1) Owner of a Lot may serve as a Director at any one time. Notwithstanding anything in this Section to the contrary, none of the Directors appointed by the Declarant during the Declarant Control Period shall be required to have any ownership interest in any Lot in order to qualify to serve as a Director until the first election of Directors by the Members. Any Director no longer qualified to serve under the standards provided for in this Section 5.3 may be removed by a majority vote of the Directors then in office.

5.4 Number of Directors.

The number of Directors of the Association shall be not less than three (3) and not more than five (5). Subject to such limitations, the number of Directors shall be three (3) until changed pursuant to this Section 5.4. The number of Directors can be increased beyond three (3) Directors to five (5) by the majority vote of the Board.

5.5 Term of Office of Directors and Elections.

The affairs of the Association shall be initially managed by a Board composed of three (3) individuals, unless changed pursuant to Section 5.4. The Board shall be elected at a meeting of the Members by any authorized and lawful procedure adopted by the Board, to serve as follows:

At each annual meeting of the Members, the Members shall elect Directors for terms of two (2) years, with an odd number of Directors (at least two (2) less than the entire Board) elected in odd-numbered years and an even number of Directors elected in even-numbered years. In the initial election of Directors, the method of election shall provide that the term of an odd number of Directors (at least two (2) less than the entire Board) shall expire in the next odd numbered year, and the term of an even number of Directors shall expire in the next even numbered year.

Directors newly elected at the annual meeting of the Members shall take office immediately. Newly elected Directors are invited to attend Board meetings to familiarize them with the Association procedures prior to taking office. Only Members who are not in violation of the Declaration, these Bylaws or Association rules and regulations shall be eligible to run for a position on the Board.

In an election of multiple Directors, that number of candidates equaling the number of Directors to be elected having the highest number of votes cast in favor of their election, are elected to the Board. When only one (1) Director position is being voted upon, the candidate having the highest number of votes cast in his or her favor is elected to the Board. In the event of a voting tie, or deadlock, between two or more candidates, the Members shall revote with votes being cast

only for those candidates who were tied. If the voting is still tied after the revote, the election will be decided by a flip of a coin.

This Section 5.5 does not apply to Board during the Declarant Control Period as the Declarant retains the power and authority to decide on the number of Directors and to appoint the Directors during the Declarant Control Period.

5.6 Nominating Committee.

Nominations for election to the Board shall be made by a nominating committee. Nominations may also be made from the floor at the annual meeting of the Members. The nominating committee shall consist of a chairman, who shall be a member of the Board, and two (2) or more Members of the Association. The nominating committee shall be appointed by the Board prior to each annual meeting of the Members. The nominating committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations shall be made from among the Members.

5.7 Removal of Directors by the Members.

At any meeting of the Members, the notice of which indicates such purpose, any or all of the Directors may be removed, with or without cause, by the affirmative vote of Members holding a majority of the voting interests of all Members; and a successor may be then and there elected to fill the vacancy thus created. Any Director may be removed from the Board, with or without cause, by a majority vote of the Members of the Association and any Director who shall be absent from three (3) consecutive Board meetings shall be automatically removed from the Board unless determined otherwise by the Board.

5.8 Resignation of Directors.

Any Director may resign at any time by giving written notice to the president, to the secretary, or to the Board stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective. A Director who resigns may deliver to the Division a statement setting forth: (a) that Person's name; (b) the name of the Association; (c) information sufficient to identify the report or other document in which the Person is named as a Director or officer; and (d) the date on which the Person ceased to be a Director or officer or a statement that the Person did not hold the position for which the Person was named in the corporate report or other document.

5.9 Vacancies in the Board of Directors.

Any vacancy occurring in the Board shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board. A Director elected or appointed to fill a vacancy shall be elected or appointed for the unexpired term of his predecessor in office. A directorship to be filled by reason of an increase in the number of Directors shall be filled only by vote of the Members. A Director elected by the Board to fill the vacancy of a Director elected by the voting Members may be removed without cause by the voting Members, but not the Board. Should any vacancy of the Board remain unfilled for a period of two (2) months, the Members may, at a special meeting of the Members called for that purpose, elect a Director to

fill such vacancy by a majority of the votes which Members present at such meeting, or represented by proxy or ballot, are entitled to cast.

5.10 Appointment of Committees.

The Board, by resolution adopted by a majority of the Directors in office, may designate and appoint one (1) or more committees which shall consist of two (2) or more Directors and which, unless otherwise provided in such resolution, shall have and may exercise the authority to make recommendations (but not final decisions) to the Board in the management of the Association, except authority with respect to those matters specified in the Acts as matters which such committee may not have and exercise the authority of the Board.

5.11 General Provisions Applicable to Committees.

The designation and appointment of any committee and the delegation thereto of authority shall not operate to relieve the Board, or any individual Director, of any responsibility imposed upon it or him by law. The provision of these Bylaws with respect to notice of meeting, waiver of notice, quorums, adjournments, vote required and action by consent applicable to meetings of the Board shall not be applicable to meetings of committees of the Board.

ARTICLE VI - MEETING OF DIRECTORS

6.1 Place of Directors' Meetings.

Meetings of the Board shall be held at the principal office of the Association or at such other place, within or convenient to the Project, as may be fixed by the Board and specified in the notice of the meeting.

6.2 Annual Meeting of Directors.

The annual meeting of the Board shall be held on the same date as, or within ten (10) days following, the annual meeting of Members. The business to be conducted at the annual meeting of the Board shall consist of the appointment of officers of the Association and the transaction of such other business as may properly come before the meeting. No prior notice of the annual meeting of the Board shall be necessary if the meeting is held on the same day and at the same place as the annual meeting of Members at which the Board is elected or if the time and place of the annual meeting of the Board is announced at the annual meeting of Members.

6.3 Other Regular Meetings of Directors.

The Board may hold other regular meetings and may, by resolution, establish in advance the times and places for such regular meetings. The resolution of meeting schedule shall be given to all Members of the Association at least forty-eight (48) hours before the first meeting scheduled. No prior notice of any regular meeting need be given after establishment of the time and place thereof by such resolution.

6.4 Special Meetings of Directors.

Special Meetings of the Board may be called by the President or any two (2) members of the Board other than the president. Any special meeting of the Board not regularly scheduled under Section 6.3 shall require the same notice as Section 6.3. In addition, the notice shall specify those matters to be discussed at the special meeting of the Board and only those matters included in the notice shall be addressed at the special meeting.

6.5 Open Meetings, Member Right to Participate.

Except as provided in Subsections 6.6, a Board meeting, whether in person or by means of electronic communication, at which the Board can take binding action shall be open to each Member or the Member's representative if the representative is designated in writing. At each meeting, the Board shall provide each Member a reasonable opportunity to offer comments. The Board may limit the comments to one specific time period during the meeting. A Director may not avoid or obstruct the requirements of this Section. However, nothing in this section shall affect the validity or enforceability of an action of a Board. This Section 6.5 does not apply to Board meetings during the Declarant Control Period, except that: (a) there shall be at least one open Board meeting per year; and (b) each time the Association increases a fee or raises an Assessment, the Board shall also hold an open meeting.

6.6 Closed Meetings.

The Board may close a meeting to: (a) consult with an attorney for the purpose of obtaining legal advice; (b) discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings; (c) discuss a personnel matter; (d) discuss a matter relating to contract negotiations, including review of a bid or proposal; (e) discuss a matter that involves an individual if the discussion is likely to cause the individual undue embarrassment or violate the individual's reasonable expectation of privacy; or (f) discuss a delinquent assessment or fine.

If after a vote of the majority of all other Directors, it is determined that a Director has not maintained the confidentiality of any matter covered in the previous paragraph that is addressed at a closed meeting ("Confidential Matter"), the non-offending Directors may take one of the two following steps: (1) exclude the offending Director from any closed meetings at which that matter is addressed; or (2) create a committee to address the Confidential Matter and exclude the offending Director from that committee.

6.7 Notice to Directors of Board Meetings.

In the case of all meetings of the Board for which notice is required by these Bylaws, notice stating the place, day and hour of the meeting shall be given not less than two (2) nor more than thirty (30) days before the date of the meeting (plus any time added to effectuate delivery under Section 9.18), by mail, fax, electronic means, telephone or personally, by or at the direction of the Persons calling the meeting, to each member of the Board. If by telephone such notice shall be deemed to be effective when given by telephone to the Director. If given personally, such notice shall be deemed effective upon delivery of a copy of a written notice to, or upon verbally advising, the Director or some Person who appears competent and mature at the Director's home or business address as either appears on the records of the Association.

Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice to the Director or waiver of such meeting.

6.8 Notice to Members of Board Meetings.

At least forty-eight (48) hours before an open Board meeting (plus any time added to effectuate delivery under Section 9.18), the Association shall give written notice of the meeting via email to each Member who requests notice of a meeting, unless: (a) notice of the meeting is included in a meeting schedule that was previously provided to the Member; or (b) the meeting is

to address an emergency and each Director receives notice (receipt deemed effective as set forth under Section 9.18) of the meeting less than forty-eight (48) hours before the meeting. The notice to the Members shall: (a) be delivered to the Member by email, to the email address that the Member provides to the Board or the Association (or via mail if requested in writing by the Member); (b) state the time and date of the meeting; (c) state the location of the meeting; and (d) if a Director may participate by means of electronic communication, provide the information necessary to allow the member to participate by the available means of electronic communication.

6.9 Proxies.

For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Director may be considered to be present at a meeting and to vote if the Director has granted a signed written proxy: (a) to another Director who is present at the meeting; and (b) authorizing the other Director to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy. Except as provided in this Section 6.9 and as permitted by Section 6.16, Directors may not vote or otherwise act by proxy.

6.10 Telecommunications.

The Board may permit any Director to participate in a regular or special meeting of the Board by, or conduct the meeting through the use of, any means of communication by which all Directors participating may hear each other during the meeting. A Director so participating in such a meeting is considered to be present in person at the meeting. If a Director is to participate in a Board meeting by electronic communication, the Board shall provide the information necessary to allow the Owners entitled to notice of the Board meeting under Section 6.8 to participate by the available electronic means.

6.11 Quorum of Directors.

A majority of the number of Directors fixed in these Bylaws shall constitute a quorum for the transaction of business. For the purpose of determining the presence of a quorum, Directors will be counted if represented in person, by ballot, or by proxy, if applicable.

6.12 Adjournment of Directors' Meeting.

Directors present at any meeting of the Board may adjourn the meeting from time to time, whether or not a quorum shall be present, without notice other than announcement at the meeting, for a total period or periods not to exceed thirty (30) days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present, any business may be transacted which might have been transacted at the meeting as originally called.

6.13 Vote Required at Directors' Meeting.

At any meeting of the Board, if a quorum is present, a majority of the votes present in person or by proxy, if applicable, and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Declaration, the Articles, or these Bylaws.

6.14 Officers at Meetings.

The President shall act as chairman and the Board shall appoint a Secretary to act at all meetings of the Board.

6.15 Waiver of Notice.

A waiver of notice of any meeting of the Board, signed by a Director, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Director. Attendance of a Director at a meeting in person shall constitute waiver of notice of such meeting unless: (a) at the beginning of the meeting or promptly upon the Director's later arrival the Director objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice and, after objecting, the Director does not vote for or assent to action taken at the meeting; (b) the Director contemporaneously requests that the Director's dissent or abstention as to any specific action taken be entered in the minutes of the meeting; or (c) the Director causes written notice of the Director's dissent or abstention as to any specific action to be received by (i) the presiding officer of the meeting before adjournment of the meeting, or (ii) the Association promptly after adjournment of the meeting.

6.16 Dissent or Abstention.

The right of dissent or abstention pursuant to Section 6.15 is not available to a Director who votes in favor of the action taken.

6.17 Action of Directors Without a Meeting.

6.17.1 By Written Consent. Any action required or permitted by the Nonprofit Act, Declaration, the Articles, or these Bylaws which may be taken at a Board meeting, may be taken without a meeting if all Directors consent to the action in writing. Action is taken under Subsection 6.17.1 at the time the last Director signs a writing describing the action taken, unless, before that time, any Director revokes a consent by a writing signed by the Director and received by the Secretary or any other Person authorized by these Bylaws or the Board to receive the revocation. Action under this Subsection 6.17.1 is effective at the time it is taken, unless the Board establishes a different effective date.

6.17.2 With Advance Notice. Any action required or permitted by the Nonprofit Act, Declaration, Articles or these Bylaws which may be taken at a Board meeting may be taken without a meeting if notice is transmitted in writing to each Director and each Director, by the time stated in the notice: (a) (i) signs a writing for such action, or (ii) signs a writing against such action, abstains in writing from voting, or fails to respond or vote; and (b) fails to demand in writing that action not be taken without a meeting.

The notice required by Subsection 6.17.2 shall state: (a) the action to be taken; (b) the time by which a Director must respond to the notice; (c) that failure to respond by the time stated in the notice will have the same effect as: (i) abstaining in writing by the time stated in the notice, and (ii) failing to demand in writing by the time stated in the notice that action not be taken without a meeting; and (d) any other matters the Association determines to include.

Action is taken under this Subsection 6.17.2 only if at the end of the time stated in the notice: (a) the affirmative votes in writing for the action received by the Association

and not revoked pursuant to this Subsection equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the Directors then in office were present and voted; and (b) the Association has not received a written demand by a Director that the action not be taken without a meeting other than a demand that has been revoked pursuant to this Subsection.

A Director's right to demand that action not be taken without a meeting shall be considered to have been waived unless the Association receives such demand from the Director in writing by the time stated in the notice transmitted pursuant to this Subsection and the demand has not been revoked.

A Director who in writing has voted, abstained, or demanded action not be taken without a meeting pursuant to this Subsection 6.17.2 may revoke the vote, abstention, or demand in writing received by the Association by the time stated in the notice transmitted.

Unless the notice transmitted pursuant to Subsection 6.17.2 states a different effective date, action taken pursuant to this Subsection is effective at the end of the time stated in the notice.

6.17.3 General Provisions. A communication under this Section 6.17 may be delivered by an electronic transmission. An electronic transmission communicating a vote, abstention, demand, or revocation under Subsection 6.17.2 is considered to be written, signed, and dated for purposes of this section if the electronic transmission is delivered with information from which the Association can determine: (a) that the electronic transmission is transmitted by the Director; and (b) the date on which the electronic transmission is transmitted. The date on which an electronic transmission is transmitted is considered the date on which the vote, abstention, demand, or revocation is signed. For purposes of this Section 6.17, communications to the Association are not effective until received. Action taken pursuant to this Section 6.17 has the same effect as action taken at a meeting of Directors and may be described as an action taken at a meeting of Directors in any document.

ARTICLE VII – OFFICERS

7.1 Officers, Employees, and Agents.

The officers of the Association shall be natural persons eighteen (18) years of age or over and shall consist of a President, a Vice-President (optional), a Secretary, a Treasurer, and such other officers, assistant officers, employees, and agents as may be deemed necessary by the Board. Officers other than the secretary and the treasurer must be Directors. The same person may simultaneously hold more than one office.

7.2 Appointment and Term of Office of Officers.

The officers shall be appointed by the Board at the annual meeting of the Board and shall hold office, subject to the pleasure of the Board, until the next annual meeting of the Board or until their successors are appointed, whichever is later, unless the officer resigns, or is removed earlier.

7.3 Resignation and Removal of Officers.

An officer may resign at any time by giving written notice of resignation to the Association. A resignation of an officer is effective when the notice is received by the Association unless the notice specifies a later effective date. If a resignation is made effective at a later date, the Board may: (a) (i) permit the officer to remain in office until the effective date; and (ii) fill the pending vacancy before the effective date if the successor does not take office until the effective date; or (b) (i) remove the officer at any time before the effective date; and (ii) fill the vacancy created by the removal. The Board may remove any officer at any time with or without cause. An officer who resigns, is removed, or whose appointment has expired may file a statement in the same form as provided in Section 5.8.

7.4 Vacancies in Officers.

Any vacancy occurring in any position as an officer may be filled by the Board. An officer appointed to fill a vacancy shall be appointed for the unexpired term of his predecessor in office.

7.5 President.

The President shall be a member of the Board and shall be the principal executive officer of the Association and, subject to the control of the Board, shall direct, supervise, coordinate, and have general control over the affairs of the Association, and shall have the powers generally attributable to the chief executive officer of a corporation. The President shall preside at all meetings of the Board and of the Members of the Association.

7.6 Vice-President.

The Vice-President, if any, may act in place of the President in case of his death, absence, or inability to act, and shall perform such other duties and have such authority as is from time to time delegated by the Board or by the President.

7.7 Secretary.

The failure of the Board or the Architectural Control Committee to enforce any provision of the Governing Documents shall not constitute waiver of the right to enforce the same thereafter. The remedies set forth and provided by law or equity or in the Governing Documents of the Association shall be cumulative, and none shall be exclusive.

10.2 Hearing.

(a) At the hearing, the Respondent must show cause, if any cause can be shown, why said Respondent is not in violation of the Governing Documents, as set forth in the notice.

(b) Oral evidence shall be taken only on oath or affirmation administered by a Director. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Board.

(c) Each party shall have these rights: to call and examine witnesses; to introduce exhibits; to cross-examine witnesses on any matter relevant to the issues; to impeach any witness; and to rebut the evidence against such party. If Respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.

(d) The hearing need not be conducted according to technical rules relating to evidence of witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil action. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.

(e) Neither the complainant nor the Respondent need be in attendance at the hearing. The Board may close the meeting to the general membership if the Board believes the discussion is likely to cause undue embarrassment or violate the individual's reasonable expectation of privacy.

(f) In rendering a decision, official notice may be taken at any time of any provision of the Governing Documents or any generally understood matter within the working of the Association. Persons present at the hearing shall be informed of the matters to be noticed by the Board, and these matters shall be made a part of the record of proceedings.

(g) The Board may grant continuances on a showing of good cause.

(h) Whenever the Board has commenced to hear the matter and a Director is forced to withdraw prior to a final determination by the Board, the remaining Directors shall continue to hear and decide the case.

10.3 Decision.

If a Respondent fails to appear at a hearing, the Board may take action based upon the evidence presented to it without further notice to Respondent. However, the Respondent may make any showing by way of mitigation. After all testimony and documentary evidence has been presented to the Board, the Board may vote by secret written ballot, or otherwise, upon the matter, with a majority of the entire Board controlling. A copy of the Notice of Adjudication of the Board shall be provided by the president of the Association to each Person directly involved in the matter and each Person's attorney, if any, in accordance with the notice provision(s) set forth in these Bylaws. If the Board, in its discretion, deems it appropriate under the circumstances, the Notice of Adjudication of the Board may be posted by the Board at a conspicuous place in the Project. The Notice of Adjudication may include: (a) the terms of any disciplinary action; (b) the levy of any Assessment of fine; or (c) other such actions or remedies as the Board deems appropriate. The decision of the Board shall become effective ten (10) days after it is given to each Respondent, unless otherwise ordered in writing by the Board of Directors. The Board may order a reconsideration at any time within fifteen (15) days following service of its decision on the involved persons, on its own motion or on petition by any party. However, no action against a Respondent arising from the alleged violation shall take effect prior to the expiration of the later of: (a) fifteen (15) days after each Respondent's receipt of the Notice of Hearing; or (b) ten (10) days after the hearing required herein.
