All of Lots Plat A 1 - 13, Plat B 201-212, Plat C 301-316, Eagle Ridge Subdivision according to the official plat thereof filed with the Davis County Recorder in Farmington, Utah.

WHEREAS, Declarant intends that the Lots, and each of them, together with the Common Easements as specified herein, shall hereafter be subject to the covenants, conditions, restrictions, reservations, assessment, charges and liens herein set forth.

NOW, THEREFORE, Declarant hereby declares, for the purpose of protecting the value and desirability of the Lots, that all of the Lots shall be held, sold, conveyed, subject to the following easements, restrictions, covenants and conditions, which shall run with the Lots, and be binding on all parties having any right, title and interest in the Lots or any part thereof, their heirs, successors and assigns, and shall insure to the benefit of each Owner thereof.

ARTICLE I

ARCHITECTURAL CONTROL

SECTION 1 The Architectural Control Committee shall be composed of the Board of Directors of Eagle View, Inc. and Garner and Reid, L'd. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members of the committee shall have full authority to select a successor. Neither members of the committee, nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

SECTION 2. The Committee's approval or disapproval as required in these covenants shall be in writing on the set of plans or in letter form. The Owner must submit a set of formal plans, specifications, and site plan to the Committee before the review process can commence. In the event the Committee or its designated representative fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.

SECTION 3. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Project, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, exterior color combinations and location of the same shall have been submitted to and approved in writing as to the harmony of the exterior design and location in relations to the surrounding structures and topography by the Architectural Control Committee.
