1. PERSONS BOUND BY THESE RESTRICTIONS

That the covenants and restrictions are to run with the land and all persons and corporations who now own or shall hereafter acquire any interest in any of the land hereinbefore described shall be taken and held to agree and covenant with the owners of said land and with their heirs, successors and assigns, to conform to and observe the following covenants, restrictions and stipulations as to the use thereof and construction of residences and improvements thereon for a period seven date hereof to January 1, 1972, at which time said covenants shall be automatically extended for successive periods of ten years unless by vote of a majority of the then owners of said lots and land it is

agreed to change said covenants in whole or in part.

2. OWNERSHIP AND OCCUPANCY

No race or nationality other than the Caucasian race, shall use or occupy any building on any lot, except that this covenant shall not prevent occupancy by domestic servants of a different race or nationality employed by an owner or tenant.

3. USE OF LAND: COST: FRONTAGE

That none of said land or fraction thereof shall be improved, used or occupied for any other than private residential purposes, and no store, flat or apartment house thereof intended for residential purposes shall be erected thereon. Any residence erected or maintained thereon shall be designed for not more than occupancy by one family and shall be a detached single-family dwelling, not to exceed two stories in height and a private garage for not more than two cars. Any single family residence erected on said lands shall not cost less than Six Thousand Five Hundred (\$6,500.00), and the ground floor square foot area of the main structure, exclusive of one-story open porches and garages, shall not be less than eleven hundred (1100) square feet in the case of a 1 story structure or 800 square feet in the case of a 1 1/2 or 2 story structure.

4. DWELLING SET BACK AND FREE SPACE

No building shall be erected on any residential building plot nearer than 30 feet or farther than 40 feet from the front lot line, nor nearer than 16 feet to any side street line. 6. TEMPORARY RESIDENCES PROHIBITED

No trailer, basement, tent, shack, garage, barn or other outbuilding erected in the tract shall at any time be used as a

residence temporarily or permanently, nor shall any residence of a temporary character be permitted.

7. NUISANCES

No noxious or offensive trade shall be carried on upon any part of said land nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

8. COMMITTEE

No building shall be erected, placed, or altered on any building plot in this subdivision until the building plans, specifications, and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location of the building with respect to topography and finished ground elevation, by a committee composed of W. D. Gray, J. E. Lach, and J. M. Sorenson, or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member, or members, shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within 30 days after said plans and specifications have been submitted to it or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee, and of its designated representative, shall cease on and after January 1, 1952. Hereafter the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded appointing a

representative, or representatives, who shall thereafter exercise the same powers previously exercised by said committee.

9. VIOLATIONS AND DAMAGES

If the parties hereto, or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants or restrictions herein before January 1, 1971, it shall be lawful for any other person or persons owning any of said land to prosecute any proceedings at law or in equity against the person or persons violating any such covenant or restriction and either to prevent him or them from so doing or to recover damages or other dues for such violation.

10. UTILITY EASEMENT
