See Exhibit "A"

ARTICLE III. THE ASSOCIATION

1. **Membership.** Each Owner shall be entitled and required to be a Member of the Association. Membership will begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Unit is held by more than one person, the membership appurtenant to that Unit shall be shared by all such persons in the same proportionate interest and by the same type of tenancy in which title to the Unit is held. An Owner shall be entitled to one membership for each Unit owned by such Owner. Each membership shall be appurtenant to the Unit to which it relates and shall be transferred automatically by conveyance of that Unit. Ownership of a Unit within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance or other disposition of such Unit shall automatically constitute a devise, encumbrance, conveyance or other disposition of the Owner's membership in the Association and rights appurtenant thereto. No person or entity other than an Owner may be a Member of the Association and membership in the Association may not be transferred except in connection with the transfer of a Unit. The Association shall make available to the Owners, Mortgagees and the holders, insurers and guarantors of the First Mortgage on any Unit current copies of the Declaration, Articles, Bylaws and other rules governing the Project and other books, records and financial statements of the Association. The term "*available*" as used in this Section 1 shall mean available for inspection, upon request, during normal business hours or under other reasonable circumstances.

2. Board of Directors. Until such time as the responsibility for electing the Board of Directors of the Association is turned over to the Owners, the Declarant shall have the exclusive right to appoint and remove all such Directors. This exclusive right of the Declarant to appoint the Directors shall terminate after the first to occur of the following:

A. Three (3) years from the date on which the first Unit in the Project is conveyed; or

B. After Units to which three-fourths of the undivided interest in the common areas and facilities appertain have been conveyed, or after all additional land has been added to the project and all convertible land has been converted, whichever last occurs.

3. Votes. Each Member shall be entitled to the number of votes appurtenant to his or her Unit, as set forth on **Exhibit "B"**, which is attached hereto and incorporated herein by this reference. The number of votes appurtenant to each Unit shall be permanent, and shall not change (except for conversions under Article XII) in the event an Owner modifies a Unit to increase or decrease the size of his Unit relative to other Units. In the event that there is more than one Owner of a particular Unit, the votes relating to such Unit shall be exercised as the Owners may determine among themselves. No Unit shall have more than the number of votes shown on **Exhibit "B"**, regardless of the number of persons having an ownership interest in the Unit. The votes cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the votes attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the votes involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists. The Declarant shall have full voting rights with respect to each Unit which it owns.

4. Maintenance of Condominium Building Exterior. The Association shall maintain Condominium Building Exterior as follows: paint, stain, repair, replacement and care of roofs, roof trusses, roof joists, gutters, downspouts, foundations, fences, exterior building surfaces, exterior doors and other exterior improvements, as well as any landscaping, trees, shrubs, grass, walks and steps located on or around a Unit and all exterior glass, surfaces, carpets, elevators, and improvements located in Common Areas and Limited Common Areas. The Association shall have the right of entry to any Unit to perform emergency repairs or do other work necessary for maintenance of the Condominium Building Exterior or Common Areas.

Except to the extent covered by insurance, in the event that the need for maintenance or repair of the Condominium Building Exterior is caused through the willful acts of its Owner(s), or through the willful acts of the guests, tenants or invitees of the Owner(s) of the Unit needing such maintenance or repair, the cost of such exterior maintenance shall be immediately due and payable from such Owner(s) and added to and become a part of the assessment to which such Unit is subject.

5. Professional Management. The Association may carry out through a Manager those of its functions which are properly the subject of delegation. The Manager (who may be an affiliated entity or a related person to Declarant), so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Project for the benefit of the Association and the Owners, and shall, to the extent permitted by law and by the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by

the Association itself. Any such management agreement executed on or before the termination of Declarant's control of the appointment of the Board of Directors as described in Section 2 of Article III may be terminated by the Association (pursuant to a vote held according to the Bylaws) without cause at any time after termination of such control. The above term and termination provisions shall not apply to any other types of service contracts.

6. Amplification. The provisions of this Section may be amplified by the Articles and the Bylaws; provided, however, that no such amplification shall materially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

ARTICLE IV. PROPERTY RIGHTS IN COMMON AREAS AND UNITS

1. Description of Condominium Building and Units. The Condominium Building is a three (3) story building, with no basement, open parking and surrounding lot containing a combined total square footage of approximately 1.375 acres and a combined total of approximately 22,573 gross square feet of space, with 4,093 square feet of Common Area and 17,591 square feet of Unit space. The Condominium Building is constructed of frame, steel, concrete, glass, wood, stucco and stone construction, with a single-ply membrane and composition roof. The Units are currently intended to be served by separate utilities, including electricity. The Units shall be connected to a public sewage disposal system. A more detailed description of the Units may be found on the Plat. Revised Unit descriptions may be contained in subsequent plats or amendments.

a. The following are part of a Unit: (i) lath; (ii) furring; (iii) wallboard; (iv) plasterboard; (v) plaster; (vi) paneling; (vii) tiles; (viii) wallpaper; (ix) paint; (x) finished flooring; and (xi) any other material constituting part of the finished surface of a wall, floor, or ceiling. (b) Any portion of a wall, floor, or ceiling not listed in Subsection (i) through (xi) is part of the Common Areas.

b. If a chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a Unit: (a) any portion of an item described serving only that Unit is part of the Limited Common Areas; and (b) any portion of an item described in this Subsection 3. is part of the Common Areas if the item serves: (i) more than one unit; or (ii) any portion of the Common Area.

c. Subject to Subsection (3), the following within the boundaries of a Unit are part of the Unit: (a) spaces; (b) interior partitions; and (c) other fixtures and improvements.

d. The following, if designated to serve a single Unit but located outside the Unit's boundaries, are Limited Common Areas allocated exclusively to a Unit: (a) a shutter; (b) an awning; (c) a window box; (d) a doorstep; (e) a stoop; (f) a porch; (g) a balcony; (h) a patio; (i) an exterior door; (j) an exterior window; and (k) any other fixture.

2. Easement of Enjoyment. Each Member shall have an undivided interest, right and easement of use and enjoyment in and to the Common Areas. Each Owner shall have an unrestricted right of ingress or egress to and from its Unit over and across such Common Areas. Each Owner shall also have the exclusive right to use and enjoy any Limited Common Areas that may be designated on the Plat for exclusive use by such Owner or as may be designated by the Association. Such rights and easements shall be appurtenant to and shall pass with title to each Unit and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to

any guest, invitee, tenant, lessee, contract purchaser, or other person who occupies or utilizes such Member's Unit.

3. Easements for Encroachments. In the event the construction, reconstruction, repair, shifting, settlement or any other movement of any portion of the improvements causes any part of a Unit built in substantial accord with the boundaries for such Unit as depicted on the Plat to encroach upon the Common Areas, or upon an adjoining Unit, or if any part of the Common Areas encroaches or shall encroach upon a Unit for any such reasons, an easement for such encroachment and for the maintenance of the same shall and does hereby exist. There is also hereby created an easement for any encroachment by any roof overhang or other architectural appurtenances upon an adjoining Unit or any part of the Common Areas.

4. Limitation on Easement. A Member's equal, undivided interest, right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

A. The right of the Association to suspend a Member's voting right in the Association upon notice and a chance for hearing for any period during which (i) an assessment on such Member's Unit remains unpaid; (ii) for a period not exceeding sixty (60) days for any infraction by such Member of the provisions of this Declaration or of any rule or regulation promulgated by the Association; and (iii) for successive 60-day periods if any such infraction is not corrected during any prior 60-day suspension period;

B. The right of the Association to (i) impose reasonable limitations of the number of guests per Member who at any given time are permitted to use the Common Areas; (ii) allocate and/or assign specific parking spaces (not already so designated and allocated in the Plat) as Limited Common Area to the respective Owners, based on the assessment percentages set forth in **Exhibit "B"** or as may be reasonably necessary to prevent abuse or overuse of the parking areas by Owner(s) or their guests;

C. The right of Sandy City, Salt Lake County or any other governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Property or to which the Property has rights for purposes of providing police and fire protection and providing other governmental or municipal service; and

D. The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Association. No such dedication or transfer shall be effective unless an instrument signed by Members holding sixty seven percent (67%) or more of the total votes of the Association agreeing to such dedication or transfer has been recorded, except that the Board shall have authority to transfer to such public agencies, authorities or utilities, permits, licenses, easements and rights-of-way which are intended to benefit and which do not have any material adverse effect on the enjoyment of the Common Areas by the Members.

5. Party Walls. Each wall-to-wall or ceiling-to-floor physical boundary which is built as part of the original construction (or reconstruction) of the Units placed on the dividing line (whether horizontal or vertical) between the Units shall constitute a "**Party**

Wall" and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to willful acts or omissions shall apply to all Party Walls within the Project. If a Party Wall is destroyed or damaged by fire or other casualty, the provisions of Article VII hereof shall apply. Notwithstanding any other provision of this Section 5, to the extent not covered by insurance held by the Association, an Owner who by his negligent or willful act causes a Party Wall to be damaged shall bear the entire cost of furnishing repairs to the Party Wall. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

6. Form for Conveyance. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Unit may describe the interest or estate involved substantially as follows:

Unit No. _____ of East Ridge Medical Condominium, ^{Amended} a Utah Condominium Project, according to the Record of Survey Map filed for record as Entry No. _____ in Book _____ of Plats at Page _____, together with the appurtenant undivided ownership interest in the "Common Areas", all of which are defined and described in the *Declaration of Covenants, Conditions and Restrictions of East Ridge Medical Condominium* and the Exhibits attached thereto, filed for record as Entry No. _____ in Book _____ at Pages _____ through _____, of Official Records.

Whether or not the description employed in any such instrument is in the above specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Unit.

ARTICLE V. ASSESSMENTS

1. Agreement to Pay Assessments. The Declarant for each Unit owned by it within the Project and each Owner of any Unit by the acceptance of instruments of conveyance and transfer therefor, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association to pay to the Association all assessments made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established and collected from time to time as provided in this Article V. In any event, all Units shall be allocated the then applicable assessments upon conveyance of the first Unit.

2. Assessments. Assessments shall be computed and assessed against all Units in the Project as follows:

A. Common Expense. Assessments shall be based upon advance estimates of the Association's cash requirements to provide for payment of all estimated expenses arising out of or connected with the maintenance and operation of the Common Areas, the Condominium Building Exterior, obligations under any easement agreements applicable to the Property and furnishing common utility services and other common items to the Units. Such estimated expenses may include, without limitation, the following: expenses of management; real property taxes and special assessments on the Common Areas (and the Units until the Units are separately assessed); premiums for all insurance that the Association is required or permitted to maintain hereunder; repairs, maintenance and cleaning of the Common Areas and Condominium Building Exterior; landscaping; snow removal, wages of Association employees, fees for a Manager; trash removal; utility charges, including charges for utility services to the Units to the extent not separately metered or billed; legal and accounting fees; any deficit remaining from a previous

period; creation of an adequate contingency reserve, major maintenance reserve and/or sinking fund; creation of an adequate reserve fund for maintenance repairs, and replacement of those Common Areas and Condominium Building Exterior that must be replaced on a periodic basis; and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration. The aggregate of all such items shall constitute the Common Expenses, and all funds received from assessments under this Section 2.A shall be part of the Common Expense Fund. Two separate and distinct funds shall be created and maintained hereunder, one for operating expenses and one for capital expenses which together shall constitute the Common Expense Fund.

B. Apportionment. Common Expenses shall be apportioned among and assessed to all Units and their Owners based on a fraction, the numerator of which is the approximate platted Unit square footage and denominator of which is total platted square footage of all Units in the Project, which initial allocation is set forth as an assessment percentage on Exhibit "B", which is attached hereto and incorporated herein by this reference. The Declarant shall be liable for the amount of any assessments against Units owned by it as provided herein. Declarant has determined that assessments shall be based on the square footages set forth on the Plat.

C. Annual Budget. Annual assessments shall be determined on the basis of a fiscal year beginning January 1st and ending on December 31st next following, provided the first fiscal year shall begin on the date of the conveyance of the first Unit by Declarant. On or before January 1st of each year thereafter, the Board of Directors shall prepare and furnish to each Owner, or cause to be prepared and furnished to each Owner, an operating budget for the upcoming fiscal year. The budget shall itemize the estimated Common Expenses for such fiscal year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the annual assessment for the upcoming fiscal year and as the major guideline under which the Project shall be operated during such annual period.

D. Notice and Payment. Except with respect to the first fiscal year, the Board of Directors shall notify each Owner in writing as to the amount of the annual assessment against his or her Unit on or before December 1st each year for the fiscal year beginning on the January 1st following. Except as otherwise provided by the Board, each annual assessment shall be payable in twelve equal monthly installments, one such installment due on the first day of each calendar month during the fiscal year to which the assessment relates; provided, however, the annual assessment for the first fiscal year shall be based upon such portion of the first fiscal year. All unpaid installments of any annual assessment shall bear interest at the then current prime rate of interest (as published in the Wall Street Journal) plus 5% (but not to exceed eighteen percent (18%) per annum), which interest shall commence to accrue fifteen (15) days after the date each such installment became due until paid. The Board of Directors shall also have the right to assess a late fee of up to ten percent (10%) of any assessment installment not paid within ten (10) days following the date such an installment becomes due; provided that it shall be a condition precedent to the imposition of the late fee that the Board shall provide 5 days written notice to the Member. In addition, in the event any installment of the annual assessment is not paid within fifteen (15) days of the date such an installment becomes due, the Association may, at its option, and upon fifteen (15) days' prior written notice to the Owner, accelerate the due date for all remaining

unpaid installments of the annual assessment for the remainder of the fiscal year and all accrued but unpaid interest thereon. Payment of the annual assessment installments so accelerated shall be due at the expiration of said fifteen (15) day notice period and interest shall accrue on the entire sum at the then current Prime Rate plus 5% (but not to exceed eighteen percent (18%) per annum) from such date until paid in full. The failure of the Board of Directors to give timely notice of any annual assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of Owner from the obligation to pay such assessment or any other assessment.

E. Inadequate Funds. In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Board of Directors may, on behalf of the Association, levy additional assessments in accordance with the procedure set forth in Article V Section 3 below, except that the required vote set forth therein shall be a simple majority of the vote Members.

3. Special Assessments. In addition to the annual assessments authorized by this Article, the Board of Directors may, on behalf of the Association, levy, at any time and from time to time, upon the affirmative vote of at least sixty-seven percent (67%) of the voting power of the Association in person or by written proxy at a meeting called for such purpose, special assessments, payable over such periods as the Board of Directors may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair, or for any other expenses incurred or to be incurred as provided in this Declaration (including, without limitation, Common Expenses). This Section shall not be construed as an independent source of authority for the Association to incur expenses but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections or Articles hereof. Any amounts assessed pursuant hereto shall be assessed to Owners in accordance with the assessment percentages allocated to each Unit as set forth on **Exhibit "B"**. Notice in writing of the amount of each such special assessment and the time for payment thereof shall be given promptly to the Owners; no payment shall be due less than fifteen (15) days after such notice shall have been given. All unpaid portions of any special assessment shall bear interest at the rate established by the Board not to exceed eighteen percent (18%) per annum from the date such portions become due until paid. All funds received from assessments under this Section shall be part of the Common Expense Fund. In connection with any such special assessment, if the Declarant is only obligated to pay twenty-five percent (25%) of the annual assessment attributable to Units it owns pursuant to Section 4 below, it shall only be required to pay twenty-five (25%) of the special assessment otherwise attributable to each such Unit. The provisions of this Section are not intended to preclude the assessment, collection or use of annual assessment for the aforesaid purposes.

4. Uniform Rate of Assessment. The amount of any annual or special assessment against each Unit shall be fixed at a uniform rate based on assessment percentages allocated to each Unit, as set forth on **Exhibit "B."** **Notwithstanding the foregoing, Declarant shall pay only twenty-five percent (25%) of the annual assessment attributable to each Unit which it owns until the earlier to occur of the following: (i) three (3) years from the date on which the first Unit in the Project is conveyed; or (ii) conveyance by Declarant of such Unit to a third-party purchaser (or a lease to a lessee of such Unit).** If the Declarant ceases to qualify for the reduced twenty-five percent (25%) rate during the period to which an annual assessment is attributable, the assessment attributable to the membership shall be prorated between the applicable rates on the basis of the number of days in the period that the Owner qualified for each rate. Annual assessments may be collected on a monthly basis and special

assessments may be collected as specified by the Board unless otherwise determined by the resolution of the Members of the Association approving the special assessment.

5. Notice and Quorum for Any Action Authorized Under Sections 2 and 3.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 2 or 3 of this Article shall be sent to all Members no less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty seven percent (67%) of all the votes (exclusive of suspended voting rights) of Members shall constitute a quorum. If the required quorum is not present, the meeting may be adjourned and the notice requirement of this section shall not apply. The required quorum at the subsequent meeting shall be sixty seven percent (67%) of the required quorum at the preceding meeting. No such adjourned meeting shall be held more than sixty (60) days following the preceding meeting.

6. Lien for Assessments. All sums assessed to Owners of any Unit within the Project pursuant to the provisions of this Article VI, together with penalties and interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. To evidence a lien for sums assessed pursuant to this Article V, the Board of Directors may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the office of the County Recorder of Salt Lake County, State of Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by sale or foreclosure conducted in accordance with the provisions of law applicable to the exercise of powers of sale or judicial foreclosure of deeds of trust or mortgages or in any other manner permitted by law. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding (including reasonable attorneys' fees), and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessment against the Unit which shall become due during the period of foreclosure, and all such assessments shall be secured by the lien being foreclosed. The Board of Directors shall have the right and power in behalf of the Association (upon a vote of Owners or of proxies entitled to cast sixty seven percent (67%) of all the votes (exclusive of the voting rights of the foreclosed interest)) to bid at any foreclosure sale and to hold, lease, mortgage or convey the subject Unit in the name of the Association.

7. Personal Obligation of Owner. In addition to the lien rights set forth in Section 6 above, the amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner of such Unit to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit or by waiving any services or amenities provided for in this Declaration. In the event of any suit to recover a money judgment of unpaid assessment hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorneys' fees.

8. Personal Liability of Purchaser. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for its share of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor any amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Association, upon written request by grantee, setting forth the amounts of the unpaid assessments against the grantor, and such grantee shall not be liable for, nor shall

the unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth.

9. Reserves. In addition to its day-to-day operating funds, the Association shall establish the following fund:

A. Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas and Condominium Building Exterior the Association is obligated to maintain, repair or replace and to reimburse the Declarant for any expenses incurred by Declarant in the operation or maintenance of the Project which are not paid from ordinary reserves. The reserve fund shall be maintained out of regular assessments for Common Expenses and by funds obtained pursuant to sections 11 and 12 of this Article V. **Notwithstanding the foregoing, until 4 years from the date a Unit is first sold, the Declarant shall not be obligated to pay any amount into the Reserve Fund for Units owned by Declarant; provided, however, that if Declarant leases a Unit to a third party, such Unit shall be subject to regular assessments by the Association, including contributions to the Reserve Fund.**

10. Evidence of Payment of Annual and Special Assessments. Upon receipt of a written request by a Member or any other person, the Association within a reasonable period of time thereafter, shall issue to such Member or other person a written certificate stating (a) that all annual and special assessments (including interest, costs and attorneys' fees, if any, as provided in Section 2 above) have been paid with respect to any specified Unit as of the date of such certificate, or (b) if all annual and special assessments have not been paid, the amount of such annual and special assessments (including interest, costs and attorneys' fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Unit in question.

11. Initial Assessment At Closing of Acquisition. Upon the closing of the acquisition of a Unit, the acquiring Owner shall pay to the Association an amount equal to one (1) month's regular assessments, as determined in accordance with the Declaration, to establish a working capital fund to cover initial Association expenses, to provide a reserve for future emergency expenses and to reimburse the Declarant for any expenses incurred by Declarant in the operation or maintenance of the Project which are not paid from ordinary reserves.

ARTICLE VI. OPERATION AND MAINTENANCE

1. Maintenance of Units. Each Condominium and Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Unit. The Association shall have no obligation regarding maintenance or care of Units except as set forth in Section 4 of Article III, Section 2 of this Article VI, or elsewhere in this Declaration.

2. Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Units and to keep them clean, functional, attractive and generally in good condition and repair. The Association shall also

provide for the maintenance of the Condominium Building Exterior. The expenses incurred by the Association for such purposes shall be paid for with funds from the Common Expense Fund.

3. Utilities. The Owner shall pay for all utility services furnished to each Unit except utility services which are not separately billed or metered to individual Units by the utility or other party furnishing such service. The Association shall pay such bills which are not separately metered and charge an appropriate share to each Unit and Owner as part of the Common Expenses as provided below. In the event any Owner is found to use any commonly billed service disproportionately, the Association may make alterations to the share so charged.

a. *Submeters for Electricity.* The Association may submeter each Unit for electricity. If submeters are used, each Owner shall pay that portion of the electrical bill as determined by monthly review of the submeters.

b. *Apportionment Of Water Bills By Load Factors In Units.* The culinary water bills shall be metered in common and paid by the Association as part of the Common Expense. The costs of culinary water shall then be apportioned among the Units based on a formula. Each Unit's allocated share shall be based on the number of plumbing fixtures located within that Unit. The Association, in consultation with such experts or consultants that the Board deems advisable, shall from time to time determine the relative load factor of each Unit's plumbing facilities and fixtures on the overall water usage in the Project. The Board shall assign an appropriate load factor for each fixture (sink, toilet, shower, fountain, etc.) within the Project. Each Owner shall pay for the proportion of the water bill that is attributable to the fixtures in its Unit and pay its proportionate share (based on the percentages set forth in Exhibit "B") of the fixtures and facilities serving the Common Area. The load factors and proportionate shares shall be modified from time to time upon the vote of a majority of the Board and shall be reallocated as soon as reasonably practicable when the number of plumbing fixtures in the Project changes.

c. *Natural Gas.* The natural gas service to the Project shall be metered in common and paid by the Association as part of the Common Expense. The costs of natural gas service shall then be apportioned among the Units based on a formula. Each Unit's allocated share shall be based on the number of "VAV control units" serving each Unit. Each Owner shall pay for the proportion of the natural gas bill that is attributable to the number of VAV control units controlling its Unit and pay its proportionate share (based on the percentages set forth in Exhibit "B") of the VAV control units controlling the Common Area. The load factors and proportionate shares shall be modified from time to time upon the vote of a majority of the Board and shall be reallocated as soon as reasonably practicable when the number of VAV control units change.

d. *Other Utilities, Changes to Procedure.* In the event that the foregoing provisions (a) through (c) are rendered inequitable, or there are additional common utilities that are not suitable for apportionment in the percentages set forth under Exhibit "B", the Board may, in consultation with such experts or consultants that the Board deems advisable, revise the method for determination, calculation and allocation of the payment of commonly metered utilities. The vote of a majority of the Board shall be conclusive of the equitable allocation or reallocation of the charges for commonly metered utilities.

4. Insurance. The Association shall at all times maintain in force insurance meeting the following requirements:

A. Hazard Insurance. A "master" or "blanket" type policy of property insurance shall be maintained covering the entire Project, including: Common Areas; all Condominium Buildings including all Units, (other than the interior content thereof); fixtures, building service equipment, personal property and supplies comprising a part of the Common Areas or owned by the Association; but excluding land, foundations, excavations, and other items normally not covered by such policies. References herein to a "master" or "blanket" type policy of property insurance are intended to denote single entity insurance coverage. As a minimum, such "master" or "blanket" policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement, and by all other perils which are customarily covered with respect to projects similar to the Project in construction, location, and use, including (without limitation) all perils normally covered by the standard "all risk" endorsement, where such endorsement is available. Such "master" or "blanket" policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all elements of the Project covered by such policy, exclusive of land, foundations, excavation, and other items normally excluded from coverage. The insurance policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement (under which the insurer agrees to replace the insurable property regardless of the cost) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance; or (2) a Replacement Cost Endorsement (under which the insurer agrees to pay up to one-hundred percent of the property's insurable replacement cost but no more) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance). The maximum deductible amount for such policy covering the Common Areas shall be the lesser of Ten Thousand Dollars (\$10,000) or one percent (1%) of the policy face amount. However, for losses related to individual Units that are covered by such a policy, the deductible related to each individual Unit shall be One Thousand Dollars (\$1,000.00). Funds to cover these deductible amounts shall be included in the Association's operating reserve account.

B. Flood Insurance. If any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a "master" or "blanket" policy of flood insurance shall be maintained covering the Condominium Building, any machinery and equipment that are not part of a Condominium Building and all Common Areas within the Project (hereinafter "**Insurable Property**") in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under the National Flood Insurance Administration Program for all Condominium Building and Insurable Property within any portion of the Project located within a designated flood hazard area; or (2) one hundred percent (100%) of the insurable value of all such facilities. The maximum deductible amount for any such policy shall be the lesser of Five Thousand Dollars (\$5,000.00) or one percent (1%) of the policy face amount.

(i) The name of the insured under each policy required to be maintained by the foregoing A and B shall be the Association for the use and benefit of the individual Owners. (Said Owners shall be designated by name, if required in the policies.) Notwithstanding the requirement of the two immediately foregoing sentences, each such policy may be issued in the name of an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or Insurance

Trustee), as a trustee for each Owner and each such Owner's Mortgagee. Each Owner and each such Owner's Mortgagee, if any, shall be beneficiaries of such policy. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(ii) Each policy required to be maintained by the foregoing items A and B, shall contain the standard mortgage clause, or equivalent endorsement (without contribution), commonly accepted by private institutional mortgage investors in the area in which the Project is located. In addition, such mortgage clause or another appropriate provision of each such policy shall provide that the policy may not be canceled or substantially modified without at least ten (10) days' prior written notice to the Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in the policy.

(iii) Each policy required to be maintained by the foregoing items A and B, shall provide for the following: recognition of any insurance trust agreement; a waiver of the right of subrogation against Owners individually; the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss.

(iv) Each policy required to be maintained by the foregoing item A shall also contain or provide the following: (1) "Inflation Guard Endorsement", if available; (2) "Building Ordinance or Law Endorsement", if the enforcement of any building, zoning, or land use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs. (The endorsement must provide for contingent liability from the operation of building laws, demolition costs, and increased costs of reconstruction); and (3) "Steam Boiler and Machinery Coverage Endorsement", if the project has central heating or cooling, which shall provide that the insurer's minimum liability per accident at least equals the lesser of Two Million Dollars (\$2,000,000.00) or the insurable value of the Unit or Condominium Building containing the HVAC, boiler or machinery. In lieu of obtaining this as an endorsement to the commercial package property, the Association may purchase separate stand-alone HVAC, boiler and machinery coverage.

C. Fidelity Bonds. The Association shall at all times maintain in force and pay the premiums for "blanket" fidelity bonds for all officers, members, and employees of the Association and for all other persons handling or responsible for funds of or administered by the Association whether or not that individual receives compensation for services. Furthermore, where the Association has delegated some or all of the responsibility for the handling of funds to a Manager, the Manager shall provide "blanket" fidelity bonds, with coverage identical to such bonds required of the Association, for the Manager's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. The total amount of fidelity bond coverage required shall be based upon the Association's best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association, or the Manager, as the case may be, at any given time during the term of each bond. A lesser amount of fidelity insurance coverage is acceptable for the Project so long as the Association and the Manager adhere to the following financial controls: (1) the Association or the Manager maintains separate bank accounts for the working account and the reserve

account, each with appropriate access controls, and the bank in which funds are deposited sends copies of the monthly bank statements directly to the Association; (2) the Manager maintains separate records and bank accounts for each Association that uses its services and the Manager does not have authority to draw checks on or to transfer funds from the Association's reserve account; or (3) two members of the Board must sign any checks written on the reserve account. Nevertheless, in no event may the amount of such bonds be less than the sum equal to three months' aggregate assessments on all Units. The bonds required shall meet the following additional requirements: (1) the fidelity bonds shall name the Association as obligee; (2) the bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions; (3) the premiums on all bonds required herein for the Association (except for premiums on fidelity bonds maintained by the Manager for its officers, employees and agents) shall be paid by the Association as part of the Common Expenses; and (4) the bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least ten (10) days' prior written notice to the Association and to any Insurance Trustee. The requirements of this Section C may be satisfied by naming the Association and its officers, members and employees as "also insureds" under the Managers Fidelity Bond and otherwise meeting the foregoing requirements.

D. Liability Insurance. The Association shall maintain in force, and pay the premium for a policy providing comprehensive general liability insurance coverage covering all of the Common Areas, Condominium Building Exterior, public ways in the Project, including any dedicated trail system(s), all other areas of the Project that are under the Association's supervision, and commercial spaces owned by the Association, if any, whether or not such spaces are leased to some third party. The coverage limits under such policy shall be in amounts generally required by private institutional Mortgage investors for projects similar to the Project in construction, location, and use. Nevertheless, such coverage shall be for at least Two Million Five Hundred Thousand Dollars (\$2,500,000) for bodily injury, including deaths of persons, and property damage arising out of a single occurrence. Coverage under such policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance, or use of the Common Areas, and/or Condominium Building Exterior, and legal liability arising out of lawsuits related to employment contracts of the Association. Additional coverages under such policy shall include protection against such other risks as are customarily covered with respect to projects similar to the Project in construction, location, and use, including but not limited to (where economically feasible and if available), host liquor liability, contractual and all-written contract insurance, employers liability insurance, and comprehensive automobile liability insurance. If such policy does not include "severability of interest" in the terms, the policy shall include a special endorsement to preclude an insurer's denial of any Owner's claim because of negligent acts of the Association or any other Owner. Such policy shall provide that it may not be canceled or substantially modified, by any party, without at least thirty (30) days' prior written notice to the Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in such policy. To the extent that the cost of doing so is reasonable, and the insurance companies providing liability insurance will underwrite the insurance, such coverage shall name each Owner as an additional insured.

E. General Requirements Concerning Insurance. Each Owner hereby appoints the Association or its designated representative which is approved by a votes of at least 67% of Members as his or her representative and agent, for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or its designated representative, shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the use and benefit of the Owners and their Mortgagees based on the their allocation percentages set forth on Exhibit "B", as their interests may appear.

Each insurance policy maintained pursuant to the foregoing Sections, A, B, C, and D shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a B general policyholder's rating or a financial performance index of 6 or better in the Best's Key Rating Guide or an A or better rating from Demotech, Inc., or which is written by Lloyd's of London. No such policy shall be maintained where: (1) under the terms of the carrier's charter, bylaws, or policy, contributions may be required from, or assessments may be made against, an Owner, a Mortgagee, the Board, or the Association; (2) by the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Board, the Association, or an Owner) from collecting insurance proceeds. The provisions of this Section E and of the foregoing sections A, B, C and D shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Association may deem appropriate from time to time.

F. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the Project which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of this Declaration.

G. Right and Duty of Owners to Insure. It is the responsibility of each Owner to provide insurance on its personal property and upon all other property and improvements within its Unit. Nothing hereby shall preclude any Owner from carrying any public liability insurance as it deems desirable to cover its individual liability for damage to persons or property occurring inside its individual Unit or elsewhere upon the Property. Such policies shall not adversely affect or diminish any liability under any insurance obtained by or on behalf of the Association, and duplicate copies of such other policies shall be deposited with the Board upon request. If any loss intended to be covered by insurance carried by or on behalf of the Association shall occur and the proceeds payable thereunder shall be reduced by reason of insurance carried by any Owner, such Owner shall assign the proceeds of such insurance carried by it to the Association to the extent of such reduction, for application by the Board to the same purposes as the reduced proceeds are to be applied.

ARTICLE VII. DAMAGE OR DESTRUCTION

1. Association as Attorney-in-Fact. All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney in fact in their name, place and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute an appointment by said grantee of the Association as his or her attorney-in-fact as herein provided. As attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. All insurance proceeds shall be payable to the Association except as otherwise provided in this Declaration.

2. Definition of Repair and Reconstruction. Repair and reconstruction of the improvements as used herein means restoring the Project to substantially the same condition in which it existed prior to the damage or destruction, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

3. Procedure. In the event all or any part of the Project is damaged or destroyed, the Association shall proceed as follows:

A. Notice to First Mortgagees. The Association shall give timely written notice to any holder of any First Mortgage on a Unit or who requests such notice in writing in the event of substantial damage to or destruction of any part of the Common Areas or a Unit subject to such First Mortgage.

B. Estimate of Costs. As soon as practicable after an event causing damage to or destruction of any part of the Project, the Association shall obtain complete and reliable estimates of the costs to repair and reconstruct the part of the Project damaged or destroyed.

C. Sufficient Insurance. If the proceeds of the insurance maintained by the Association equal or exceed the estimated costs to repair and reconstruct the damaged or destroyed part of the Project, such repair and reconstruction shall be carried out.

D. Insufficient Insurance-Less than Seventy-Five Percent (75%) Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project and if less than seventy-five percent (75%) of the Project is damaged or destroyed, such repair and reconstruction shall nevertheless be carried out. The Association shall levy a special assessment sufficient to provide funds to pay the actual costs of such repair and reconstruction to the extent that such insurance proceeds are insufficient to pay such costs. Such special assessment shall be allocated and collected as provided in Article V Section 3 hereof, except that the vote therein specified shall be unnecessary. Further levies may be made in like manner if the amounts collected (together with the proceeds of insurance) are insufficient to pay all actual costs of such repair and reconstruction.

E. Insufficient Insurance; Seventy-Five Percent (75%) or More Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project and if seventy-five percent (75%) or more of the Project is damaged or destroyed, such damage or destruction shall be repaired and reconstructed, but only

if within one hundred (100) days following the damage or destruction, Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members elect to carry out such repair and reconstruction. If, however, the Owners do not, within one hundred (100) days after such damage or destruction, elect by a vote of at least seventy-five percent (75%) of the votes of the Members to carry out such repair and reconstruction but rather elect to terminate the Project and if Eligible Mortgagees who represent at least fifty-one percent (51%) of the votes of Units subject to Mortgages held by Eligible Mortgagees approve such termination, the Association shall record in the office of the County Recorder of Salt Lake County, State of Utah, a notice setting forth such facts. Upon the recording of such notice, the following shall occur:

(i) the Project shall be deemed to be owned in common by the Owners;

(ii) Each Owner shall own an undivided interest in the Project equal to such Owner's Common Expense allocation percentage as set forth on **Exhibit "B"**;

(iii) Any liens affecting any of the Units shall be deemed to be transferred, in accordance with the existing priorities, to the undivided interest of the respective Owner in the Project; and

(iv) The Project shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance of the Project, if any, shall be considered as one fund and shall be divided among all Owners after first paying out of the respective share of each Owner, to the extent sufficient for the purposes, all liens on the undivided interest in the Project owned by such Owner. The division of funds shall be based on the assessment percentages of the Units prior to the damage or destruction.

F. Priority. In no event shall an Owner of a Unit or any other party have priority over the holder of any First Mortgage on such Unit with respect to the distribution to such Unit of any insurance proceeds.

4. Repair or Reconstruction. If the damage or destruction is to be repaired or reconstructed as provided above, the Association shall, as soon as practicable after receiving the said estimate of costs, commence and diligently pursue to completion the repair and reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect such repair and reconstruction, as attorney in fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith, except as otherwise expressly provided herein. The Project shall be restored or repaired to substantially the same condition in which it existed prior to the damage or destruction, with each Unit and the Common Areas having the same vertical and horizontal boundaries as before. Any restoration or repair of the Project, after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with the Declaration and the original architectural plans and specifications.

5. Disbursement of Funds for Repair and Reconstruction. If repair or reconstruction is to occur, the insurance proceeds held by the Association and any amounts received from assessments made pursuant to Section 3.D of this Article VII shall constitute a fund for the payment of costs of repair and reconstruction after casualty. It shall be

deemed that the first money disbursed in payment for costs of repair and reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair and reconstruction, such balance shall be distributed to the Owners equally.

6. Amendment of Article. This Article VII shall not be amended unless Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members consent and agree to such amendment and such consent and agreement is reflected in an instrument duly executed by the Board of Directors of the Association and recorded in accordance with the provisions of this Declaration.

ARTICLE VIII. CONDEMNATION

1. Condemnation. If at any time or times all or any part of the Project shall be taken or condemned by any public authority under power of eminent domain, the provisions of this article shall apply. A voluntary sale or conveyance of all or any part of the Project in lieu of condemnation, but under threat of condemnation, shall be deemed to be a taking by power of eminent domain. If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Board of Directors shall give prompt written notice of any such proceeding or proposed acquisition to each Owner in the Project and to any First Mortgagee who has requested in writing notice thereof. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Areas, or any part thereof, and each Owner hereby appoints the Association as such Owner's attorney-in-fact for the purposes of such representation.

2. Proceeds. All compensation, damages and other proceeds from any such taking by power of eminent domain (hereinafter "**Condemnation Award**") shall be made payable to the Association and shall be distributed by the Board of Directors, on behalf of the Association as herein provided.

3. Complete Taking. In the event the entire Project is taken by power of eminent domain, ownership pursuant hereto shall terminate and the Condemnation Award shall be allocated among and distributed to the Owners and the Owners shall divide the Condemnation Award based upon the assessment percentages of the Units set forth on **Exhibit "B"** immediately prior to the condemnation. Such distribution shall be made by check payable jointly to the respective Owners and their respective Mortgagees, as appropriate.

4. Partial Taking. In the event less than the entire Project is taken by power of eminent domain, the following shall occur:

A. Allocation of Award. As soon as practicable, the Board of Directors shall, on behalf of the Association, reasonably and in good faith, apportion the Condemnation Award between compensation, severance damages or other proceeds and shall allocate such apportioned amounts and pay the same to the Owners as follows:

(i) The total amount apportioned to taking of or injury to the Common Areas shall be allocated among and distributed to all Owners (including Owners whose entire Units have been taken).

(ii) The total amount apportioned to severance damages shall be allocated among and distributed equally to the Owners of those Units that have not been taken.

(iii) The respective amounts apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit.

(iv) The total amount apportioned to consequential damages and any other taking or injuries shall be allocated and distributed as the Association determines to be equitable under the circumstances;

(v) If apportionment or allocation is already established by negotiation, judicial decree, statute or otherwise, the Association shall employ such apportionment and allocation to the extent it is relevant and applicable;

(vi) Distribution of allocated proceeds shall be made by check payable jointly to individual Owners and their respective Mortgagees, as their interests may appear; and

(vii) No provision of this Article VIII or any other provision of this Declaration, the Articles or the Bylaws shall entitle the Owner of a Unit or other party to priority over any First Mortgagee holding such Unit with respect to the distribution to such Unit of the proceeds of any award, settlement or proceeds from any eminent domain or condemnation proceeding.

B. Continuation and Reorganization. If less than the entire Project is taken by power of eminent domain, ownership pursuant hereto shall not terminate but shall continue. In such event the Project shall be reorganized as follows:

(i) If any partial taking results in the taking of an entire Unit, then the Owner thereof shall cease to be a member of the Association and all voting rights shall terminate;

(ii) If any partial taking results in the taking of a portion of a Unit, the voting rights appertaining to such Unit shall continue but shall be adjusted to reflect the relative change in the square footage that was first used in determining the initial percentages.

(iii) If any partial taking results in the taking of a portion of a Unit and if there is a determination made by the Board of Directors, after duly considering any recommendations, proposals, or other input from the Owners, that such taking makes it impractical to use the remaining portion of such Unit, then all voting rights terminate and the remaining portion of such Unit shall thenceforth be part of the Common Areas;

(iv) The Board of Directors, after duly considering any recommendations, proposals or other input from the Owners, shall have the duty and authority to make all determinations and to take all actions necessary or appropriate to effectuate reorganization of the Project under the provisions of this Section VIII. 4.B; provided, however, that if any such determination shall have been or such action take by judicial decree, the Board of Directors shall defer thereto and proceed in accordance therewith.

C. Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the provisions specified in Article VII hereof for cases of Damage or Destruction; provided, however, that the provisions of said article dealing with sufficiency or insufficiency of insurance proceeds shall not be applicable.

ARTICLE IX. TERMINATION

1. Required Vote. Except as otherwise provided in Article VII and Article VIII, the Project may be terminated only by agreement of all Owners of the Units.

2. Termination Agreement. An agreement to terminate shall be evidenced by the execution or ratification of a termination agreement, in the same manner as a deed, by all of the Owners. Such an agreement to terminate must also be approved by the holders of all liens affecting any of the Units. The termination agreement shall specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement, including all ratifications of such termination agreement, shall be recorded in Salt Lake County, Utah and is effective only on recordation.

3. Sale of Project. A termination agreement may provide that the entire Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

4. Association Duties. The Association, on behalf of the Owners, may contract for the sale of real estate in the Project, but the contract is not binding on the Owners until approved pursuant to Sections 1 and 2. If any real estate in the Project is to be sold following termination, title to that real estate on termination vests in the Association as trustee for all Owners. Thereafter, the Association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to Owners and Mortgagees as their interests may appear, based on the assessment percentages set forth on Exhibit "B". Unless otherwise specified in the termination agreement, as long as the Association holds title to the real estate, each Owner and their successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted their Unit in accordance with the terms of this Declaration. During the period of that occupancy right, each Owner and their successors in interest remain liable for all assessments and other obligations imposed on Owners by this Declaration.

5. Proceeds of Sale. Following termination of the Project, the proceeds of any sale of real estate, together with the assets of the Association, shall be held by the Association as trustee for Owners and Mortgagees as their interests may appear. Following termination, Mortgagees holding Mortgages on the Units which were recorded before termination may enforce those liens in the same manner as any lienholder. The Association shall distribute to net proceeds to the Owners and their Mortgagees as soon as commercially practicable.

ARTICLE X. GENERAL USE RESTRICTIONS

1. Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property is maintained and used in a manner consistent with the interest of the Owners.

2. Use of Common Areas. The Common Areas shall be used only in a manner consistent with their nature and with the rules, regulations and use restrictions applicable to Units. No admission fees, charges for use, leases, or other income generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas. Provided, however, vending machines, mailing or packaging and similar services approved by the Board, in its sole and absolute discretion, may be made available within the Common Areas.

3. Use of Units. The Units within the Project may be used only as professional and general offices. Unless consented to in writing by the Board, in its sole and absolute discretion, the Units shall not be used for:

- (i) any use other than general office and professional offices; or
- (ii) rental for periods of less than thirty (30) days per rental period.

4. Exception for Declarant. Notwithstanding the restrictions contained in this Article X, for the four (4) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, Declarant shall have the right to use any Unit owned by it, and any part of the Common Areas reasonably necessary or appropriate, in furtherance of any activities designed to accomplish or facilitate improvement, sale or lease of all Units owned by Declarant. Declarant shall also have the right to maintain a reasonable number of promotional, advertising, or directional signs, banners, or similar devices at any place or places on the Property. Declarant shall have the right from time to time to locate or relocate any of its signs, banners or similar devices.

5. Leases. Any lease agreement between an Owner and a lessee respecting a Unit shall include a provision expressly subjecting the lease, and the rights of the lessee thereunder, in all respects to the provisions of this Declaration, the Articles and Bylaws and stating that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All such lease agreements shall be in writing and approved by the Board, which approval shall not be unreasonably withheld. The Board shall not have power to deny approval based on the intended use of the Unit by the proposed lessee except in the event such use would violate the provisions of this Declaration.

a. Prior to renting any Unit the Owner and the tenant shall execute a written lease agreement which shall include the following provisions in the text of the lease or an addendum thereto:

1. The tenant agrees to comply with all of the terms and conditions of the Declaration and Bylaws of East Ridge Medical Condominium;
2. The tenant shall agree not to allow or commit any nuisance, waste, unlawful or illegal act upon the Property; and
3. The Owner (landlord) and the tenant each acknowledge that the East Ridge Medical Office Condominium Owners Association ("Association") is an intended third-party beneficiary of the lease agreement and that the Association shall have the right to enforce compliance with the Declaration and Bylaws directly against the Owner and/or tenant and to abate any nuisance, waste, unlawful or illegal activity upon the Property and that the Association shall be entitled to exercise all of the Owner's rights and remedies under the lease agreement to do so.

4. The Association shall have the right but not the obligation to enforce compliance with the Declaration and Bylaws against any Owner and/or tenant, and shall have all rights and remedies available under state or local law, in addition to its rights and remedies as a third party beneficiary under the lease agreement, to enforce such compliance.

b. Prior to a tenant's occupancy of a Unit, the Owner must provide to the Association the name, address and telephone number of the tenant and a copy of the written lease agreement.

c. Notwithstanding any failure of an Owner to add the foregoing provisions into any lease agreement, the Association shall have the right but not the obligation to enforce compliance with the Declaration and Bylaws against any Owner and/or tenant, and shall have all rights and remedies available under state or local law, in addition to its rights and remedies as a third-party beneficiary under the lease agreement, to enforce such compliance.

Except as otherwise set forth herein, there is no restriction on the right of any Owner to lease his Unit. An Owner shall be responsible and liable and shall indemnify the Association and other Owners for any damage to the Project caused by its tenant.

6. Utility Easements. Easements for installation and maintenance of utilities are reserved as shown on the Plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities. Easements for the installation, repair and maintenance of utilities are also reserved within each Unit. It is contemplated that telephone, gas, water, fire sprinkling systems, electricity and other utilities may originate in one Unit and terminate in another Unit. The Owners and the Association shall have an easement for ingress and egress upon reasonable notice, (including the right of emergency access without prior notice) to service, maintain, repair and replace all such service lines, including roof access located through any Unit having such access.

7. Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon the Property and no odors shall be permitted to arise therefrom so as to render any part of the Property unsanitary or unsightly or which would be offensive or detrimental to any other part of the Property or to the occupants thereof. No noise, odors or other nuisance shall be permitted to exist or operate upon any part of the Property or from within any Unit so as to be offensive or detrimental to any other part of the Property, or to the occupants thereof. Without limiting the generality of any of the foregoing, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes) shall be located, used or placed on the Property without the prior written approval of the Board.

8. Unsightly Articles. No unsightly articles shall be permitted to remain on or near a Unit or the Common Areas so as to be visible from any other Unit or the Common Areas. Refuse, garbage and trash shall be kept at all times in a covered, noiseless container and any such container shall be kept within an enclosed structure or appropriately screened from view within each Unit. No lumber, waste, metals, bulk materials or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any Unit except within an enclosed structure or when appropriately screened from view.

9. Temporary and Other Structures. No structures of a temporary nature, trailer, tent, shack, shed, garage, barn or other outbuildings shall be allowed on the Property either temporarily or permanently at any time.

10. Trash Removal. Trash or refuse containers of any kind shall not be permitted on the Common Areas without the prior written consent of the Board. Each Owner shall utilize the common trash containers provided for and assessed by the Association located on the Common Areas on an area arranged by the Association. If any Owner shall abuse the common trash containers provided in the Common Areas, the Board may in its discretion (i) require such Owner to maintain at such Owner's expense a separate garbage removal system in an area designated by the Board, or (ii) charge such Owner such additional amount for garbage removal as the Board deems necessary or proper to defray the added cost of garbage removal resulting from such abuse. The term "**abuse**" as used herein shall mean any overuse of the garbage removal system in the reasonable judgment of the Board.

11. No Further Subdividing; Exception. No Unit or Common Areas may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written approval of the Association; provided, however, that nothing herein shall be deemed to prevent or require the approval of the Association for the transfer or sale of any Unit or Condominium to more than one Person to be held by them as tenants in common, joint tenants, or otherwise; and provided further, that nothing herein shall be deemed to prevent conversion pursuant to Article XII.

12. Signs. The following shall apply to signs within the Project:

A. As stated in Paragraph 4 of Article X, for four (4) years following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, Declarant shall have the right to maintain a reasonable number of promotional, advertising, and directional signs, banners, or similar devices at any place or places on the Property to aid in selling or leasing of any Unit owned by Declarant.

B. A Unit owner shall have the right to advertise their Unit for sale or lease by placing a sign inside of the window their Unit, provided the dimensions of such sign do not exceed 2 ft. x 3 ft.

C. The Association shall have the right to install and maintain such directional, directory and monument signs as the Board deems reasonably necessary and appropriate for the Project.

D. Each Unit Owner (or lessee) shall have the right to install and maintain (at its sole expense) in the place designated and approved in advance by the Board, letters or insignias which identify the business being conducted from such Unit; provided that such lettering and insignias are pre-approved in writing by the Board, in its sole discretion.

E. Except as set forth herein, signs, flags, or advertising devices of any kind are prohibited from being placed or maintained anywhere in the Project without the prior written consent of the Board, which consent may be withheld in its absolute discretion.

13. No Hazardous Materials. Each Owner shall not cause or permit any Hazardous Substance to be use, stored, generated or disposed of on or in such Owner's Unit. If any Hazardous Substance is used, stored, generated or disposed of on or in any Owner's Unit, or if an Owner's Unit becomes contaminated in any manner by such Owner (or its lessee), such Owner shall indemnify and hold harmless all other Owners from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses including,

without limitation, a decrease in the value of the non-contaminated Units, damages caused by loss or restriction of usable space, or any damages caused by adverse impact on the marketing of the non-contaminated Units, and any and all sums paid for settlement of claims, attorney's fees, consultant and expert fees. This restriction shall not apply to the use or storage of a reasonable amount of typical household and office cleaning supplies.

As used herein, the term "**Hazardous Substance**" shall mean any pollutants, contaminants, chemicals, waste and any toxic, infectious, carcinogenic, reactive, corrosive, ignitable or flammable chemical or chemical compound or hazardous substance, material or waste, whether solid, liquid or gas, including any quantity of asbestos in any form, urea, formaldehyde, PCB's, radon gas, crude oil or any fraction thereof, all forms of natural gas, petroleum products or byproducts or derivatives, radio-active substance, waste waters, sludges, slag and any other substance, material or waste that is subject to regulation, control or remediation under any Environmental Laws. Notwithstanding the foregoing, Owners shall be permitted to store and use normal quantities of cleaning supplies and chemicals related to their legal and permitted business operations at the Property in compliance with all Environmental Laws.

As used herein, "**Environmental Laws**" shall mean all local, state and federal laws and regulations which regulate or relate to the protection, clean-up and restoration of the environment; the use, treatment, storage, transportation, generation, manufacture, processing, distribution, handling or disposal of, or emission, discharge or other release or threatened release of Hazardous Substance or otherwise dangerous substances, wastes, pollution or materials and shall include the Resource Conservation & Recovery Act, Clean Water Act, Safe Drinking Water Act, Atomic Energy Act, Occupational Safety and Health Act, Toxic Substances Control Act, Clean Air Act, Oil Pollution Act of 1990, Comprehensive Environmental Response Compensation and Liability Act and the Hazardous Materials Transportation Act.

14. Repair of Condominium Building. No improvement upon the Property shall be permitted to fall into disrepair, and each such improvement shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner thereof or the Association as applicable.

15. Increase in Insurance Premiums. If any activity, materials stored or used on the Property result in an increase in the insurance premium for the Property, the Owner responsible for such increase shall pay the increase in the premium, due at the time the premium is due. The cost of such increase shall be assessed against the Owner responsible therefor and such assessment shall be secured by a lien on such Owner's Unit in favor of the Association in accordance with Article V, Section 6.

16. Improvements and Alterations. There shall be no excavation, construction or alteration which in any way alters the exterior appearance or structural integrity of any improvement within the Property nor removal of any Unit or other improvement within the Property (other than repairs or rebuilding) without the prior written approval of the Board.

17. Rooftop Antennas. No television, ham radio, citizens band or radio antenna, satellite receiving or other similar electronic receiving or sending device shall be permitted upon the rooftop or side of any unit or elsewhere without prior written approval of the Board which may be granted in the sole discretion of the Board. Such antennas, if used, must be of the types that are installed within the natural building structure. In no case will any such receiving or sending antenna or other device be allowed to interfere with the peace and quiet enjoyment of any neighboring Unit Owner's premises or equipment; provided,

however, Declarant and the Association reserve the right and option to install cable service lines and antennas as needed throughout the Project in connection with its development.

18. General Obligations. Each Owner shall enjoy and be subject to all rights and duties assigned to Owners pursuant to this Declaration. With respect to unsold Units, the Declarant shall enjoy the same rights and assumes the same duties with respect to each unsold Unit.

19. No Warranty of Enforceability. While Declarant has no reason to believe that any of the restrictive covenants contained in this Article X or elsewhere in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants, and the Unit Owner shall assume all risks of the validity and enforceability thereof and, by acquiring the Unit agrees to hold Declarant harmless therefrom.

ARTICLE XI. MORTGAGEE PROTECTION

1. Notice of Action. Upon prior written request made to the Association by a First Mortgagee, or an insurer or governmental guarantor of a First Mortgage, which written request shall identify the name and address of such First Mortgagee, insurer or governmental guarantor and Unit number or address of the Unit any such First Mortgage, insurer or governmental guarantor shall be entitled to timely written notice of:

A. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor;

B. Any delinquency in the payment of assessments or charges owed by an Owner, whose Unit is subject to a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor, which default remains uncured for a period of sixty (60) days;

C. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

D. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 2 below or elsewhere herein.

2. Availability of Project Documents and Financial Statements. The Association shall maintain and have current copies of the Declaration, Articles, Bylaws, and other rules concerning the Project as well as its own books, records, and financial statements available for inspection by Owners or by holders, insurers, and guarantors of First Mortgages that are secured by Units in the Project. Generally, these documents shall be available during normal business hours.

The Association shall make an unaudited financial statement for the preceding fiscal year. Every three (3) years the Association shall, upon request of the Board or of more than 50% of the Owners, make an audited financial statement. The Association shall make available to the holder, insurer, or guarantor of any First Mortgage, the most recent audited financial statement and any subsequent unaudited financial statements.

3. Subordination of Lien. The lien or claim against a Unit for unpaid assessments or charges levied by the Association pursuant to this Declaration shall be subordinate to the First Mortgage affecting such Unit if the First Mortgage was recorded before the delinquent assessment was due, and the First Mortgagee thereunder which comes into possession of or which obtains title to the Unit shall take the same free of such lien or claim for unpaid assessment or charges, but only to the extent of assessments or charges which accrue prior to foreclosure of the First Mortgage, exercise of a power of sale available thereunder, or taking of a deed or assignment in lieu of foreclosure. No assessment, charge, lien, or claim which is described in the preceding sentence as being subordinate to a First Mortgage or as not to burden a First Mortgagee which comes into possession or which obtains title shall be collected or enforced by the Association from or against a First Mortgagee, a successor in title to a First Mortgagee, or the Unit affected or previously affected by the First Mortgage concerned.

4. Payment of Taxes. In the event any taxes or other charges which may or have become a lien on the Common Areas are not timely paid, or in the event the required hazard insurance described in paragraph A of Section 4 of Article VI lapses, is not maintained, or the premiums therefore are not paid when due, any Mortgagee or any combination of Mortgagees may jointly or singly, pay such taxes or premiums or secure such insurance. Any Mortgagee which expends funds for any of such purposes shall be entitled to immediate reimbursement therefor from the Association.

5. Priority. No provision of this Declaration or the Articles gives or may give an Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of all or any part of the Units or the Common Areas.

ARTICLE XII. OPTION TO CONVERT

1. Option To Convert. It is anticipated that Units in the Project may be further subdivided by Declarant. Accordingly, Declarant (or its assigns) hereby reserves, pursuant to Section 57-8-13.4 of the Condominium Act, the option to convert any Unit(s) it owns ("**Convertible Space**") by combining or dividing any such Unit(s) it owns in the Project ("**Option to Convert**") upon the terms and provisions set forth in this Section **without the prior consent of the Owners or the Association**. The terms and conditions of the Option to Convert shall be as follows:

(i) The Declarant may convert any portion of any Convertible Space by combining or dividing one or more units into one or more Units or Common Areas and facilities, including, without limitation, Limited Common Areas and facilities. Any such conversion shall be deemed to have occurred at the time of the recordation of the appropriate instruments under the Act.

(ii) Simultaneously with the recording of the supplemental record survey map under the Act, the Declarant shall prepare, execute and record an amendment to the Declaration describing the conversion. The amendment shall assign an identifying number to each Unit formed out of a Convertible Space and shall allocate to each Unit a portion of the undivided interest in the Common Areas and facilities appertaining to that space. The amendment shall describe or delineate the Limited Common Areas and facilities formed out of the convertible space, showing or designating the Unit or Units to which each is assigned and any Common Area created by such conversion.

(iii) Until and unless converted, the Convertible Space shall be treated for

all purposes as a Unit; and the Act shall be deemed applicable to any such space, or portion of it, as though the same were a Unit.

A. Use Restrictions. The additional Units shall be subject to the same uses as provided in this Declaration.

B. Use of Common Areas. Each Owner of a Unit created by Convertible Space shall have an unrestricted right of ingress and egress to and from its Unit over and across all Common Areas of the Property. Each Owner of a Unit created from convertible space shall have the non-exclusive right to use all parking stalls located within the Common Areas of the Property and any Limited Common Areas that may be designated for exclusive use by such Owner.

C. Nature of Improvements. All Units and improvements created from Convertible Space shall be generally consistent with the existing Condominium Building and Units within the Project. Declarant reserves the right to create Limited Common Areas and Common Area out of Units it owns without limitation.

D. Substantial Completion. All Units and other improvements constructed in the Project shall be substantially completed prior to adding such Units and improvements to the Project.

E. Documentation to Convert. In order to add all or any portion of the Convertible Space to the Project, the Declarant (or its assigns) shall:

i. Record, with regard to the Project or any portion thereof that is being converted in the Project as Units, Common Areas or Limited Common Areas, a Supplemental Condominium Plan ("**Supplemental Condominium Plat**") showing the location and dimensions of the vertical and horizontal boundaries of each Unit, Common Areas or Limited Common Areas, if any, formed out of the Convertible Land or a portion thereof, and assigning any Limited Common Areas which are to be appurtenant to any such Unit. Each such Supplemental Condominium Plat shall be certified as to its accuracy and compliance with the requirements of the Condominium Act by the engineer or land surveyor who prepared or supervised the preparation of it; and

ii. Record simultaneously with each Supplemental Condominium Plat an amendment to this Declaration ("**Amendment**") describing the conversion. Each such Amendment shall assign a Unit number to each Unit, if any, formed and shall reallocate to each Unit, on the basis provided for in this Declaration, votes appurtenant to each Unit, the apportionment of Common Expenses and the percentage of undivided interest in the Common Areas appertaining to all Units following such addition. Except as otherwise provided by the Act, each such Amendment or Supplemental Condominium Plat shall also describe the Limited Common Areas, if any, formed, showing or designating the Unit or Units to which each is assigned.

The ownership interest in the Common Areas for all Units in the Project and the apportionment of Common Expenses shall change at the time Declarant records an Amendment and a Supplemental Condominium Plan reflecting Declarant's exercise of the Option to Convert. It is contemplated that there may be multiple amendments filed by Declarant and such amendments and supplements are hereby expressly authorized. Declarant shall have the right to adjust the resulting ownership interests of all Units in the Common Areas of the Project as may be

necessary to assure that the total ownership interests, votes and assessment percentages equal 100% as required by the Condominium Act.

F. Title to Units. **Each Owner, by execution of a contract or deed or the acceptance of a deed to a Unit in the Project, shall be deemed to have consented to all provisions of this Article XII, including the procedure for adjustment of ownership interests in Common Area, votes and assessment percentages.** After the filing for record of any amended Exhibit "B" to this Declaration and the Supplemental Condominium Plan reflecting Declarant's exercise of the Option to Convert, or any part thereof, legal and equitable title to each Unit thereby created within the Convertible Space including its appurtenant ownership interest in the Common Areas shall be vested in and held by Declarant (or its assigns) and none of the other Owners shall have any claim or title to or interest in such Unit or the appurtenant undivided ownership interest in the Common Areas.

G. Amendment. No provision of this Article XII shall be amended without the prior written consent of Declarant or its successor in interest, so long as Declarant or its successor in interest either owns or has the right to acquire or construct any Units in the Project.

ARTICLE XIII. MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if mailed postage prepaid to the person who appears as an Owner, at the latest address for such person, appearing in the records of the Association at the time of mailing.

2. Term. This Declaration shall be effective upon the date of recordation hereof and, as amended from time to time, shall continue in full force and effect for a term of forty (40) years from the date this Declaration is recorded. From and after said date, this Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by seventy-five percent (75%) of the votes of the Members cast at an election held for such purpose or otherwise approved in writing by such Members within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension.

3. Amendment. Except as otherwise provided in this Declaration, any amendment to this Declaration shall require the affirmative vote or written approval of at least sixty-seven percent (67%) of the total votes of the Association. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the office of the Salt Lake County Recorder of an instrument executed by the Association. In such instrument an officer or Trustee of the Association shall certify that the vote required by this Section for amendment has occurred. Anything in this Article or Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by any federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of the Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit(s) or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an amendment duly signed by or on behalf of the authorized officers of Declarant with their signatures acknowledged, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an amendment shall be deemed conclusive proof of the

agency's or institution's request for such an amendment, and such amendment, when recorded, shall be binding upon all of the Project and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of this Section deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Declaration to restore such control. Within ten (10) years from the date of recording the Declaration, and so long as the Declarant is the Owner of any Unit in the Project, this Declaration may be amended or terminated only with the written approval of the Declarant. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of any Unit.

4. Rights of Action. The Association and any aggrieved Owner shall have a right of action against any Owners who fail to comply with the provisions of the Declaration or the decisions of the Association. Owners shall have a similar right of action against the Association.

5. Declarant's Rights Assignable. The rights of Declarant under this Declaration or in any way relating to the Property may be assigned, whereupon the assignee of Declarant shall have all the rights of Declarant hereunder.

6. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include the other gender. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder thereof. This Declaration shall be liberally construed to effect all of its purposes.

7. Covenants to Run With Land. This Declaration and all of the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Unit or in the Common Areas, and their respective grantees, transferees, heirs, devisees, personal representatives, successors and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments and determinations contemplated by this Declaration. By acquiring any interest in a Unit or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

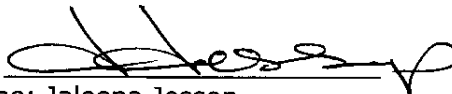

8. Lists of Owners and Eligible Mortgagees. The Board shall maintain up-to-date records showing: (i) the name of each person who is an Owner, the address of such person, and the Unit which is owned by him; (ii) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity and the Unit which is encumbered by the Mortgage held by such person or entity; and (iii) the name of each person or entity who is an insurer or governmental guarantor, the address of such person or entity, and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Unit, either the transferor or transferee shall furnish the Board with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Board may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Board may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County

Recorder of Salt Lake County, Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such person unless the Board is otherwise advised.

9. Effective Date. This Declaration and any amendment or supplement hereto shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting.

Section 4. Quorum. The presence at the meeting of Members entitled to cast, or of proxies entitled to cast, sixty seven percent (67%) or more of the votes of the membership shall constitute a quorum for any action except as otherwise provided in the Articles, the Declaration, or these Bylaws. If, however, such a quorum shall not be present or represented at any meeting, the Members entitled to vote thereat shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or be represented.

6.2 The number of votes cast by ballot within the specified time under Subparagraph 6.1 equals or exceeds the quorum required to be present at a meeting authorizing the action.

6.3 The number of approvals of the action equals or exceeds the number of votes required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by written ballot.

6.4 The written ballot distributed to Members affords an opportunity for the Member to specify a choice between approval and disapproval of each order of business proposed to be acted upon by the Association and further provides that the vote of the Members shall be cast in accordance with the choice specified.

Section 7. Proxies. At each meeting of the Members, each Member entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Member himself or by his attorney thereunto duly authorized in writing. Such instrument authorizing a proxy to act shall be delivered at the beginning of the meeting to the Secretary of the Association or to such other officer or person who may be acting as secretary of the meeting. ARTICLE NINE
Indemnification of Officers and Directors

The Association shall provide any indemnification required or permitted by the laws of Utah and shall indemnify Directors, officers, agents and employees as follows:

Section 1. Third Party Litigation. The Association shall indemnify any Director or officer of the Association who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceedings, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was such Director or officer or an employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith, and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 2. Association Litigation. The Association shall indemnify any Director or officer of the Association who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was such a Director or officer of an employee or agent of the Association, or is or was serving at the request of the Association as Director, officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, except that no

indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought, or any other court having jurisdiction in the premises, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses which such court shall deem proper.

Section 3. Expenses. To the extent that a Director or officer of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 1 or 2 of this Article Nine, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith, without the necessity for the determination as to the standard of conduct as provided in Section 4 of this Article Nine.

Section 4. Determination of Right to Indemnity. Any indemnification under Section 1 or 2 of this Article Nine (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 1 or 2 of this Article Nine. Such determination shall be made (i) by the Board of Directors of the Association by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or even if obtainable, and such a quorum of disinterested Directors so directs, by independent legal counsel (who may be regular counsel for the Association) in a written opinion; and any determination so made shall be conclusive.

Section 5. Advance of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding, as authorized in the particular case, upon receipt of an undertaking by or on behalf of the Director or officer to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article Nine.

Section 6. Other Indemnification Rights. Agents and employees of the Association who are not Directors or officers of the Association may be indemnified under the same standards and procedures set forth above, in the discretion of the Board of Directors of the Association.

Section 7. Benefitted Parties. Any indemnification pursuant to this Article Nine shall not be deemed exclusive of any other rights to which those indemnified may be entitled and shall continue as to a person who has ceased to be a Director or officer and shall inure to the benefit of the heirs, executors, and administrators of such a person,
