MARY ANN TRUSSELL, SUMMIT COUNTY RECORDER

FEE 44.00 BY BECKY CAMPBELL

SPACE ABOVE THIS LINE FOR RECORDER'S USE ONLY

**NOTICE OF INTEREST  
AND  
RIGHT-OF-WAY**

Notice is hereby given this 26 day of January, 2017 that G-BAR VENTURES, LLC, a Utah limited liability company ("G-Bar"), claims and asserts a right-of-way (the "Right-of-Way") for all road and utility purposes over, across and appurtenant to that certain real property located in Summit County, State of Utah (the "Servient Estate"), and more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference.

1. Right of Way. The Right-of-Way over and across the Servient Estate is described and depicted on a Record of Survey Map titled CLARK RANCH ROADS.dwg prepared by Richardson Surveying, Inc. (the "Record of Survey Map"). A legal description of the right-of-way and a reduced size copy of this map is attached hereto as Exhibit "B", and is incorporated herein by this reference. The Right-of-Way is identified on the Record of Survey Map as the "G.L.O. Road" and the "Airstrip Road". A 24" X 36" size copy of the Record of Survey Map is being recorded concurrently herewith in the official records of Summit County, Utah. While each road Right-of-Way is at least fifty feet in width by decree and may exceed one hundred feet in width by vehicle tracks on the ground, due to the forces of nature and use over time by the users of these roads, the exact position, width, and course of these roads has varied and may yet continue to vary in the future.

2. Dominant Estate. The Right-of-Way is appurtenant to and provides access between Richardson Flat Road (a Summit County Road) and that certain real property owned by G-Bar in Summit County, Utah (the "Clark Ranch Property"), and more particularly described in Exhibit "C" attached hereto and incorporated herein by this reference. G-Bar acquired title to the Clark Ranch Property per that certain Special Warranty Deed recorded in the official records of Summit County, Utah on March 23, 2010 as Entry No. 00894516, Book 2025, at Page 0512, *et seq.*

3. Historical Evidence of Continuous Use and Maintenance of the Right-of-Way. The Right-of-Way has been continuously used and maintained for access to and from the Clark Ranch Property and for all other property purposes by G-Bar Ventures, LLC and its predecessors in interest since at least 1869 as evidenced by the following documents and affidavits:

- a. 1869 Plat. The Right-of-Way follows an historic public roadway from Salt Lake City to Heber City, Utah as approximately shown on the official General Land Office Township Subdivision Plat of Township 2 South, Range 4 East, Salt lake Meridian by the Surveyor General's Office in Salt Lake City, Utah dated December 15, 1869, a copy of which is attached hereto as Exhibit "D" and incorporated herein by this reference. As noted in the Utah Rights-of-Way Act, UCA § 72-5-105, "All public

highways, streets, or roads once established shall continue to be highways, streets, or roads until formally abandoned or vacated by written order, resolution, or ordinance resolution of a highway authority having jurisdiction or by court decree, and the written order, resolution, ordinance, or court decree has been duly recorded in the office of the recorder of the county or counties where the highway, street, or road is located.”

- b. 1918 Patent. John Clark, G-Bar’s predecessor in interest, acquired title to the Clark Ranch Property from the United States of America by that certain Patent No. 649956 dated October 9, 1918, and also recorded in the official records of Summit County, Utah on January 20, 1919, as Entry No. 29040, Book L, Page 525-526. Said Patent included all “appurtenances” to the Clark Ranch Property, which necessarily includes the Right-of-Way. As noted in the Federal Land Policy and Management Act of 1976, Public Law 94-579, Sec. 509. [43 U.S.C. 1769] (a) p. 41, “Nothing in this title shall have the effect of terminating any right-of-way or right-of-use heretofore issued, granted, or permitted.”
- c. References in Other Recorded Documents. Other references to the Right-of-Way are included in the following documents recorded in the official records of Summit County, Utah: (a) Special Warranty Deed recorded March 23, 2010 as Entry No. 894516, Book 2025, Page 512; (b) Partition Decree recorded January 27, 2010 as Entry No. 890964, Book 2018, Page 1862; and (c) Decree recorded October 13, 1983 as Entry No. 211896, Book 275, Page 353-396.
- d. Affidavits of Continuous Use. As noted in the affidavits of Siv Gillmor and Charles F. Gillmor attached hereto respectively as Exhibit “E” and Exhibit “F” and incorporated herein by this reference, G-Bar and its immediate predecessors in interest, including, without limitation, Edward L. Gillmor, Siv Gillmor, and their children, Charles F. Gillmor, Jennifer Gillmor, Rebecca G. Campbell, Joseph Eriksson, and Daniel Robin Eriksson, have continuously used and maintained the Right-of-Way since the Clark Ranch Property was acquired on August 5, 1941 by Edward L. Gillmor and Charles F. Gillmor by Warranty deed recorded in the official records of Summit County, Utah on August 7, 1941 as Entry No. 68920, Book R, page 412.

4. Execution in Counterpart. This Declaration may be executed in any number of counterparts, each of which being an original and all of which taken together shall form a single document.

5. Miscellaneous. Whenever the context or circumstance so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and

any gender shall include both other genders. This Notice of Interest shall be governed by and construed in accordance with the laws of the State of Utah.

IN WITNESS WHEREOF, the parties hereto have executed this Notice of Interest and Right-of-Way as of the date first above written.

**SURVEYOR'S CERTIFICATE**

I, Joseph Don Richardson, Professional Land Surveyor No. 4265 (152630), State of Utah, as President of RICHARDSON SURVEYING, INC., a Utah corporation, certify to G-BAR VENTURES, LLC, a Utah limited liability company, that I have surveyed the centerlines of two existing roads and the boundary of the G-Bar Ventures property and found them as shown and described herein. These two roads are depicted approximately on the General Land Office Township Subdivision Plat of T. 2 S., R. 4 E., S.L.B. & M., approved by the Surveyor General's Office in Salt Lake City, Utah, December 15, 1885.

**NARRATIVE:**

The purpose of this survey is to measure the position of the section corner monuments and survey markers by others as shown herein and to measure and describe the actual position of two existing roads to the G-Bar Ventures, LLC property (also known as a portion of the Clark Ranch). The effects of these roads are supported by the calls of Plat No. 469562 dated 9 October 1918 conveyed to John Clark. According to the Official Plat of the Survey of the said Land returned to the General Land Office with the appurtenances thereon. Other references to road assessments of record may be found in various meadow documents, Deeds, conveyance documents, Notice of Interest, etc. affecting this survey. Due to the forces of nature, and error over time by users of these two roads, the exact position, width, and course of these roads has varied and might yet continue to vary in the future.

The boundary of this G-Bar Ventures, LLC property is dependent upon the effects of Record of Survey Map No. 5-7937 by High Mountain Surveying, Inc. The corner of Section 12 is shown hereon. Trimble software and Trimble 4700 GPS measuring instrument were used to determine the latitude and longitude coordinates shown on this map. A copy of the latest revision of this map will be filed in the Summit County Recorder's Office. This project is in progress.
