Together with the right of access to the right of way overhang easement from adjacent lands of Grantor for all activities in connection with the purposes for which this easement has been granted; and together with the present and (without payment therefore) the future right to keep the right of way overhang easement and adjacent lands clear of all brush, trees, timber, structures, buildings and other hazards, as required by State or Local statute, code or ordinance, which might endanger Grantee's facilities or impede Grantee's activities.

At no time shall Grantor place, use or permit any equipment or material of any kind that exceeds eighteen (18) feet in height, light any fires, place or store any flammable materials (other than agricultural crops), on or within the boundaries of the right of way overhang easement.
