THIS IS A DECLARATION of Covenants, Conditions and Restrictions which establishes a Cluster Subdivision known as Jamestowne Square.

It is the desire and intention of Declarant to construct Garden Homes and sell and convey the same to various purchasers, and to convey common area to an Association in which the Garden Home owners will be members.

DECLARATION

Declarant hereby declares that all of the properties described below shall be held, sold, conveyed and occupied subject to the following covenants, conditions, restrictions, easements, assessments, charges and liens, and to the Map recorded concurrently. This is for the purpose of protecting the value and desirability of the Properties. This Declaration and the Map shall be construed as covenants of equitable servitude, shall run with the properties and be binding on all parties having any right, title or interest in the properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

The Properties are located in Kaysville, Davis County, Utah, and are described as:

CONTAINS 8.58 ACRES.

ARTICLE I -- DEFINITIONS

The following definitions control in this Declaration. These terms, though defined, are generally not capitalized in the Declaration.

Section 1. Declaration means this instrument, and any amendments.

Section 2. Plat or Map means the subdivision plat recorded herewith entitled "Jamestowne Square," consisting of one sheet, prepared and certified by Don C. Cottrell, a Utah Registered Land Surveyor, or any replacements thereof, or additions thereto.

Section 3. Property means that certain real property hereinbefore described.

Section 4. Common Area means that portion of property owned by the

Association, shown on the plat as dedicated to the common use and enjoyment of the owners.

Section 5. Limited Common Area means that portion of property owned by the Association, shown on the plat as dedicated to the exclusive use and enjoyment of the owner of the lot to which such limited common area is subject to rights of the Association set forth in this Declaration.

Section 6. Lot. Each lot is owned in fee simple by the owner. However, area within the surveyed lot boundaries but outside the originally constructed Garden Homes walls shall be treated for maintenance and use purposes:

- a) as common area, if adjacent to and naturally forming a part of common area; or
- b) as limited common area, if adjacent and naturally forming a part of limited common area.

The purpose of laying out a lot larger than the Garden Home is to allow flexibility in the original Garden home construction. Subsequent construction, if any, must nevertheless conform to original Garden home location, size and appearance in all respects.

Section 7. Combination of lots. In the event two or more adjacent lots are held in identical ownership, the lots may be combined for use and construction purposes. The common or limited common areas which are between the private ownership areas in each of the adjacent lots may be occupied for construction of a single Garden home, the owner having an easement for this purpose under, across and over such common and limited common areas. For example, if lots 6 and 5 of the original plat were owned by the same, and the owner desired to construct a single Garden home, the Garden home could occupy the area between lots 6 and 5 (east of lot 6 and west of lot 5) which is designated on the plat as common area. The owner would be required to respect the common and limited common areas in the other, non-adjacent, boundaries of the lots.

In the event of such Garden home construction across common or limited common areas between adjacent lots, all easement and rights of the Association, its members and third parties, such as utilities, in such area which had been exercised prior to construction of the Garden home would remain in place, in perpetuity. However, all easement and other rights which had not been used prior to construction of the Garden home could not thereafter be exercised.

Section 8. Garden Homes means a single family dwelling, one-story, without walls or roofs in common with other single family dwelling lots. "Garden Home, see Title to the real property lying directly beneath the single family dwelling, within lot boundary lines.

Section 9. Owner means the entity, person, or group of persons owning fee simple title to any lot which is within the properties. Regardless of the number of parties participating in ownership of each lot, the group of those parties shall be treated as one "owner."

Section 10. Association means Jamestowne Square Association, its successors and assigns.

Section 11. Member means every person or entity who holds membership in the Association. Every Member is an owner, and every Owner is a Member.

Section 12. Trustees means the governing body of the Association.

Section 13. Declarant includes James H. Brough and Jeanette T. Brough DBA And Brough Realty & Insurance,

and the Declarant's heirs, successors and assigns, but excludes grantees of a Declarant unless the Declarant's rights are specifically assigned.

Section 14. Mortgage includes "deed of trust" and mortgagee includes "trust deed beneficiary."

ARTICLE II--PROPERTY RIGHTS

Section 1. Title to the Common Area The Declarant will convey fee simple title to the common area and limited common area to the Association, prior to the conveyance of the first lot, but subject to this Declaration, and easements and rights-of-way of record. In accepting the deed, the Association will covenant to fulfill all the terms of this Declaration, to maintain the common area in good repair and condition at all times and to operate the common area at its own expense in accordance with high standards.

Section 2. Owners' Easements of Enjoyment Every owner has a right and easement of use and enjoyment in and to the common area. This easement is appurtenant to and passes with the title to every lot, subject to:

(a)The right of the Association to charge reasonable admission, use, service and other fees for the use of any service or recreational storage, or parking facility situated upon the common area. No fees shall be charged for parking specifically designated on the plat as appurtenant to a lot.

(b)The right of the Association to limit the number of guests of members using the common area.

(c)The right of the Association to suspend the voting rights and/or common utility service of a member for any period during which any assessment or portion thereof against his lot remains unpaid; and for a period of not to exceed sixty (60) days for any infraction of its published rules and regulations.

(d)The right of the Association to grant easements for public utilities or other public purposes consistent with the intended use of the common area by the Association.

(e)The right of the Association to take such steps as are reasonably necessary or desirable to protect the common area against foreclosure.

(f)The terms and conditions of this Declaration.

(g)The right of the Association, through its Trustees, to adopt rules and regulations concerning use of the common area.

Section 3. Limited Common Area A lot owner is entitled to the exclusive use of the limited common area adjacent and appurtenant thereto, if any, and to exclusive use of the parking area, if any, designated with his lot number on the plat. Limited Common Area is subject to rights of the Association set forth in this Declaration. The Association, through its Trustees, may adopt rules and regulations concerning use of the limited common area.

Section 4. Delegation of Use An owner is deemed to delegate his right of enjoyment to the common area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property. No one who is non-resident shall have any such right of enjoyment.

Section 5. Lot. Each lot is owned in fee simple by the owner. However, area within the surveyed lot boundaries but outside the originally constructed Garden home be treated for maintenance purposes:

- a) as common area, if adjacent to and naturally forming a part of common area; or
- b) as limited common area, if adjacent and naturally forming a part of limited common area.

The purpose of laying out a lot larger than the Garden Home is to allow flexibility in the original Garden Home construction. Subsequent construction, if any, must nevertheless conform to original Garden Home location, size, and appearance.

ARTICLE III--MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership Every owner is a member of the Association. The term "owner" includes contract purchasers but does not include persons who hold an interest merely as security for the performance of an obligation unless and until title is acquired by foreclosure or similar proceedings. Membership is appurtenant to and may not be separated from lot ownership. Membership in the Association automatically transfers upon transfer of title by the record owner to another person or entity.

Section 2. Voting Rights The Association has two classes of voting membership:
CLASS A. Class A members are all members with the exception of the Declarant. Class A members are entitled to one vote for each lot owned. When more than one person holds an interest in any lot, the group of such persons shall be a member. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot. A vote cast at any association meeting by any of such co-owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the lot concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-owner of the same lot. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.

CLASS B. The Class B member is the Declarant. The Class B member is entitled to three (3) votes for each lot owned. The Class B membership will cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) upon conveyance of seventy-five percent (75%) of the lots subject to this Declaration to purchasers; or
- (b) the expiration of four (4) years from the first lot conveyance to a purchaser.

ARTICLE IV--FINANCES AND OPERATIONS

Section 1. Creation of the Lien and Personal Obligation of Assessments
 The Declarant and each subsequent owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided; (3) any other amount or assessment levied or charged by the Association or Board of Trustees pursuant to this Declaration, and (4) interest, costs of collection and a reasonable attorney's fee, as hereinafter provided. All such amounts shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment or amount is charged. Such assessments and other amounts shall be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. Successors-in-title shall not be personally liable for assessments delinquent at the time they took title unless that obligation is expressly assumed by them.

Section 2. Purpose of Assessments The assessments levied by the Association shall be used (a) for the purpose of promoting the recreation, health, safety, and welfare of the residents of the properties and (b) for the improvement and maintenance of properties, services, and facilities devoted to this purpose. The assessments must provide for but are not limited to, the payment of taxes on Association property and insurance maintained by the Association property and insurance maintained by the Association; the payment of the cost of repairing, replacing, maintaining and constructing or acquiring additions to the common and limited common areas; the payment of administrative expenses of the Association; insurance deductible amounts; the establishment of a reserve account for repair, maintenance and replacement of those common and limited common areas which must be replaced on a periodic basis; and other amounts required by this Declaration or that the Trustees shall determine to be necessary to meet the primary purposes of the Association. The assessments may provide, at the discretion of the Trustees, for the payment of other charges including, without limitation, sewer, maintenance, management, utility, cable television, trash collection, sewer and water charges, and snow removal.

Section J. Maximum Annual Assessment Until January 1 following recording of this Declaration, the maximum annual assessment shall be Twelve Hundred Dollars (\$1,200.00) per lot. This amount shall be the basis of calculation for future maximum annual assessment.

- (a) From and after the date referred to above the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year, without a vote of the membership.
- (b) The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period provided that any such change shall have the assent of sixty-seven percent (67%) of the votes of each class of members, voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Association may levy in any assessment year, a special assessment applicable to that year only. Special assessments may only be levied to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of common or limited common area structures, fixtures and personal property related thereto. Special assessments must have the assent of sixty-seven percent (67%) of the votes of each class of the members authorized to vote, in person or by proxy, at a meeting duly called for this purpose.

Section 5. Additional Assessments In addition to the annual assessments and special assessments for capital improvements authorized herein, the Association shall levy such additional assessments as may be necessary from time to time for the purpose of repairing and restoring the damage of disruption resulting to streets or other common or limited common areas from the activities of the City of Kaysville, in maintaining, repairing or replacing utility lines and facilities thereon. It is acknowledged that the ownership of utility lines, underground or otherwise is in the City up to and including the meters for individual units, and that they are installed by the declarant and shall be maintained by the City to City specifications.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 3, 4 and 5. Written notice of any meeting of members called for the purpose of taking any action authorized under Sections 3, 4 or 5 shall be sent to all members at least thirty (30) days in advance of said meeting. At the first meeting called, the presence at the meeting of members, or of proxies, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the quorum requirement is not met at such a meeting, another meeting may be called, on at least thirty (30) days advance written notice, and the required quorum at any such subsequent meeting shall be one-half of the

required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment; Periodic Assessment. Both annual and special assessments must be fixed at a uniform rate for all improved lots. Unimproved lots, on which a Garden Home has not been constructed to 80% completion, shall be assessed one-half the amount assessed improved lots, except that all lots shall be assessed at the uniform rate two years after the recording of the plat which contains that lot. This method of determining the assessments, dues and charges may not be changed without the prior written approval of all first mortgagees. Annual, special and additional assessments may be collected on a monthly or quarterly basis, as the Trustees determine.

Section 8. Date of Commencement of Annual Assessment; Due Dates. The annual assessment provided for herein shall commence to accrue on the first day of the month following conveyance of the common area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. In the absence of a determination by the Trustees as to the amount of said assessment, the first annual assessment shall be an amount equal to 90% of the maximum annual assessment provided above.

At least thirty (30) days prior to the commencement of each new assessment period, the Trustees shall send or cause to be sent a written notice of the annual assessment to each owner subject thereto. Receipt of notice shall not be a pre-requisite to validity of the assessment.

The assessment due dates shall be established by the Trustees. The Trustees may provide for the payment of annual and special assessment in equal installments throughout the assessment year.

The Trustees shall prepare a roster of the properties and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment, which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any member at reasonable times.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified lot has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 9. Effect of Non-Payment of Assessment- Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Trustees shall determine appropriate) until paid.

The Trustees may, in the name of the Association, (a) bring an action at law against the owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or (b) may foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law, and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association in behalf of the delinquent member.

There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee, together with an account for the reasonable rental for the lot from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

A power of sale is hereby conferred upon the Association which it may exercise. Under the power of sale the lot of an owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said association were beneficiary under a deed of trust. The Association may designate any person or

entity qualified by law to serve as Trustee for purposes of power of sale foreclosure.

No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or by abandonment of his lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender or insured by the Federal Housing Administration or the Veterans Administration if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a lot or owner from personal liability for assessments coming due after he takes title or from the lien of such later assessments.

Section 11. Books, Records and Audit. The Association shall maintain current copies of the Declaration, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by lot owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. A lot owner or holder, insurer or guarantor of a first mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

ARTICLE V - INSURANCE

Section 1. Casualty Insurance on Insurable Common Area. The trustees shall keep all insurable improvements and fixtures of the common area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal, owned by the Association, against loss of damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the common area shall be written in the name of, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses which shall be included in the regular annual assessments made by the Association.

In addition to casualty insurance on the Common Area, the Trustees may elect to obtain and continue in effect, on behalf of all owners, adequate blanket casualty and fire insurance in such form as the Trustees deem appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all the Garden Home including the structural portions and fixtures thereof. Insurance premiums from any such blanket insurance coverage and any other insurance premiums paid by the Association shall be a common expense of the Association to be included in the regular annual assessments as levied by the Association. The insurance coverage with respect to the Garden homes written in the name of, and the proceeds thereof shall be payable to the Association as trustee for the owners.

Section 2. Replacement or Repair of Property In the event of damage to or destruction of any part of the common area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a reconstruction

assessment against all lot owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such lot owner.

In the event that the Association is maintaining blanket casualty and fire insurance on the Garden homes, the Association shall repair or replace the same to the extent of the insurance proceeds available.

In the event of damage or destruction by fire or other casualty to any portion of the development covered by insurance written in the name of the Association, the Trustees are empowered to and shall represent the members in any proceedings, negotiations, settlements or arguments. The Association is appointed attorney-in-fact of each owner for this purpose.

Section 3. Liability Insurance The Trustees shall obtain a comprehensive policy of public liability insurance covering all of the common and limited common property for at least \$1,000,000.00 per occurrence for personal or bodily injury and property damage that results from the operation, maintenance or use of the common areas. Liability insurance policies obtained by the Association shall contain a "severability of interest" clause of endorsement which shall preclude the insurer from denying the claim of an owner because of negligent acts of the Association or other owners.

Section 4. Fidelity Insurance The Trustees may elect to obtain fidelity coverage against dishonest acts on the part of managers, Trustees, officers, employees, volunteers, management agents or others responsible for handling funds held and collected for the benefit of the owners or members. In procuring fidelity insurance the Trustees shall seek a policy which shall (1) name the Association as obligee or beneficiary, plus (2) be written in an amount not less than the sum of (i) three months' operating expenses and (ii) the maximum reserves of the Association which may be on deposit at any time, and (3) contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee."

Section 5. Annual review of Policies All insurance policies shall be reviewed at least annually by the Trustees in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacements of the property which may be damaged or destroyed.

ARTICLE VI -- ARCHITECTURAL CONTROL COMMITTEE

No structure, building, fence, wall or addition, extension or expansion of any of the foregoing shall be commenced, erected or maintained upon the properties, nor shall any exterior addition or change or alteration to any lot or Garden Homes be made until the plans and specifications showing the nature, kind, shape, height, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Trustees or, if such a committee is in existence, by, an Architectural Control Committee composed of three (3) or more representatives appointed by the Trustee. In the event said Trustees, or their designated committee fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and compliance with this article will be deemed to have been made.

Notwithstanding the foregoing, without the prior written approval of at least sixty-seven percent (67%) of the owners, neither the Association nor the Architectural Control Committee shall have the power, by act or omission, to change, waive or abandon any plan, scheme or regulations pertaining to the architectural design or the exterior appearance or maintenance of Garden homes and lots, and the maintenance of the common and limited common areas, including walls, fences, driveways, lawns and plantings.

All Garden Homes, exclusive of porches, decks, patios and garages shall have

a ground floor minimum size of 1100 sq. ft. A minimum of one attached double-wide garage.

All main floor exterior walls of dwelling and garage shall have a minimum of four feet of brick. (Excluding bay windows or pop-outs where there is a hangover, no foundation.) All other exterior wall surfaces shall be stucco with aluminum soffits and fascias. Roofs are to be 25 year architectural asphalt shingles.

ARTICLE VII -- EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance by Owner Each owner shall be responsible for maintenance to the exterior of the Garden home owned. The Trustees shall, however, in the default of the owner to perform maintenance which is the owner's responsibility, and after a two-thirds (2/3) vote, and after ten days written notice (which notice shall not be required in the event of emergency or threat to life, health, property or safety), provide exterior maintenance upon each Garden home and lot. The cost of such maintenance shall be assessed against the lot or Garden home.

Section 2. Exterior Maintenance by Association The Association shall be responsible for maintenance upon the common area, the limited common area which is not adjacent to any lot, and the area of any lot outside the walls of the Garden home which is of the same character as surrounding common or limited common area. The cost of such maintenance shall be a common expense.

Section 3. Access at Reasonable Hours For the purpose solely of performing the maintenance required by this article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the owner, to enter upon any lot or limited common area at reasonable hours.

Section 4. Alteration of Certain Maintenance Duties by Rule The duty of maintenance for the area of a lot outside the walls of the Garden home, and the limited common areas adjacent and appurtenant to the Garden home may be altered by the Rule of the Association.

ARTICLE VIII -- USE RESTRICTIONS

Section 1. General Use Restrictions All of the properties which are subject to this declaration are hereby restricted to residential dwellings, and buildings in connection therewith, including, but not limited to community buildings on the common property. All buildings or structures erected in the properties shall be of new construction and no buildings or structures shall be removed from other locations to the property and no subsequent building or structures dissimilar to those initially constructed shall be built on any lot. No building or structure of a temporary character, trailer, basement, tent, camper, shack, garage, barn or other outbuilding shall be placed or used on any lot at any time.

Section 2. Construction, Business and Sales Notwithstanding any provision to the contrary herein contained, it shall be expressly permissible for Declarant to maintain such facilities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of lots during the period of construction and sale of said lots and upon such portion of the premises as Declarant deems necessary including but not limited to a business office, storage areas, construction yard, signs, model units and sales offices.

Section 3. Signs; Commercial Activity Except for one "For Rent" or "For Sale" sign of not more than five (5) square feet, no advertising signs,

billboards, objects of unsightly appearance, or nuisances shall be erected, placed, or permitted to remain on any lot or any portion of the properties. No commercial activities of any kind whatever shall be conducted in any building or on any portion of the properties. The foregoing restrictions shall not apply to the commercial activities, signs and billboards, if any, of the Declarant or its agents during the construction and sales period or by the Association in furtherance of its powers and purposes set forth hereinafter as in its Articles of Incorporation, Bylaws and Rules and Regulations, as the same may be amended from time to time.

Section 4. Quiet Enjoyment No noxious or offensive activity shall be carried on upon any part of the properties nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the owners or which shall in any way increase the rate of insurance.

Section 5. Animals No animals, livestock or poultry of any kind shall be raised, bred, or kept on any of said lots, except that dogs, cats or other household pets, two or less in total number, may be kept provided that they are not kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, no animals or fowl may be kept on the property which result in an annoyance or are obnoxious, by noise, smell or otherwise, to lot owners. All pets must be kept in the lots or on a leash when in the common areas. This provision may be made more restrictive by Rule of the Association.

Section 6. Use of Common Area Except for the rights of ingress and egress, owners are hereby prohibited and restricted from using any of said common area, other than as permitted in this declaration of covenants or as may be allowed by the Trustees. It is expressly acknowledged and agreed by all parties concerned that this restriction is for the mutual benefit of all owners of lots in the properties and is necessary for the protection of the interests of all said owners in and to the common area.

As part of the overall program of development of the properties into a residential community and to encourage and marketing thereof, the Declarant shall have the right of use of the common area and facilities thereon, including any community buildings, without charge during the sales and construction period to aid in its marketing activities.

Section 7. Parking Parking spaces within the properties shall be used for parking of motor vehicles actually used by the owner or his immediate family for personal use and not for commercial use. No motor vehicle which is inoperable shall be placed in parking areas, and any motor vehicle which remains parked over 72 hours shall be subject to removal by the Association, at the owner's expense. Such expense of removal shall be secured by the lien for assessment obligations previously provided. If parking spaces are designated on the plat with numbers corresponding to Lot numbers, each such space is for the exclusive use of the lot owner. If parking areas are not designated on the plat with lot numbers, the Board may assign vehicle parking space for each lot. Recreational vehicles, boats, travel trailers and similar property may not be parked in common parking areas, and unless permitted by rule of the Association, may not be parked in parking areas designated on the plat for exclusive use.

Section 8. Planting and Gardening No planting or gardening shall be done, and no fences, hedges or walls shall be erected or maintained upon any property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Trustees.

Section 9. External Apparatus No lot owner shall cause or permit anything (including, without limitation, awnings, canopies or shutters) to hang, be displayed or otherwise affixed to or placed on the exterior walls or roof or any part thereof, or on the outside of windows or doors, without the prior written

consent of the Trustees.

Section 10. Exterior Television or Other Antennas No exterior radio or other antennas, except one television antenna which shall not exceed four feet in height, per lot, shall be placed, allowed or maintained upon any lot or upon any structure or portion of the improvements situated and located upon the properties without prior written approval of the Trustees.

Section 11. Garbage Removal All rubbish, trash and garbage shall be regularly removed from the lots and shall not be allowed to accumulate thereon. Garbage should be placed in proper containers.

Section 12. Oil and Mining Operations No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in the properties of any lot. No derrick lift, shaft or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon the properties or any lot.

Section 13. Interior Utilities All utilities, fixtures and equipment installed within a lot, commencing at a point where the utility lines, pipes, wires, conduits or systems enter boundaries of a lot, shall be maintained and kept in repair by the owner thereof. An owner shall do no act nor any work that will impair any easement of hereditament nor do any act nor allow any condition to exist which will adversely affect the other lots or owners.

Section 14. Leases Any lease or rental agreement shall be in writing and shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration, the Articles of Incorporation, Bylaws and Rules and Regulations of the Association and that any failure by lessee to comply with the terms of such documents shall be a default under the lease.

ARTICLE IX -- EASEMENTS

Section 1. Encroachments Each lot and the property included in the common and limited common areas shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Declarant. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the structure containing lots is partially or totally destroyed and then rebuilt, the owners of the lots so affected agree that minor encroachments of parts of the adjacent lots or common or limited common areas due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Section 2. Utilities There is hereby created a blanket easement upon, across, over and under all of the properties for ingress, egress, limited to water, sewers, gas, telephone and electricity, and a master television antenna system. By virtue of this easement, it shall be expressly permissible for all public utilities serving the properties to lay, construct, renew, operate and maintain conduits, cables, pipes, mains, ducts, wires and other necessary equipment on the properties, provided that all such services shall be placed underground, except that said public utilities may affix and maintain electrical and/or telephone wires, circuits and conduits on, above, across and under roofs and exterior walls. Should any utility furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document.
