3.1 A non-exclusive easement is hereby granted in favor of each Owner and resident, their guests and invitees, for each member of the Association (and its and their guests, tenants and invitees) shall exist for (i) pedestrian traffic over, through and across such portions of the Commercial Unit as are designated by the Commercial Unit Owner and intended to provide direct pedestrian access to and from the applicable Resort Unit and the public right-of-way adjacent to the Project, and (ii) use and enjoyment of the Shared Components, subject to regulation as may be established from time to time by the Commercial Unit Owner. Third party vendors, as invitees of the Owners, shall have a right of access to the Units through the Commercial Unit subject to the following policies and procedures: all third party vendors providing services to Units in Building 19 must check in at the front desk, show proper identification, show proof of \$1 million liability insurance, and check out and return keys when leaving; all cleaning of Units shall be performed by the Commercial Unit Owner or an approved third party vendor; at any given time, the Commercial Unit Owner and the Association shall jointly designate at least two (2) housekeeping companies that shall be an approved vendor for the Project; and to qualify as an approved vendor to clean Units, companies must also agree to attend Westgate orientations at no cost, wear proper uniforms, and provide background checks

for employees working at the Project. Any third party vendors performing major renovations or repairs to mechanical systems, plumbing or electrical systems at the Project must be pre-approved by the Commercial Unit Owner. Notwithstanding the foregoing, the aforesaid easement over the Commercial Unit is limited and solely for use of the named beneficiaries' including third party vendors as invitees of Owners as provided above, obtaining access to and from their Unit and shall not be used for the provision of any services, including, without limitation, any other hotel related services including, but not limited to, solicitation and/or provision of ~~housekeeping~~, personal services (i.e. massage, personal training, dry cleaning, etc.) and/or food and beverage service, it being understood and agreed by all Owners that any such services may only be provided by the Owner(s) of the Commercial Unit.

3.2 The Commercial Unit Owner(s), from time to time, shall be responsible for the repair, replacement, improvement, maintenance, management, operation and insurance of the Commercial Unit, which shall be performed in a commercially reasonable manner in the determination of the Owner(s) of the Commercial Unit (which determination shall be binding). In consideration of the reservation and grant of easement over the Commercial Unit, as provided above, each Resort Unit Owner shall be obligated for payment of the expenses incurred by the Commercial Unit Owner(s) in connection with such maintenance, repair, replacement, improvement, management, operation and insurance, as more particularly provided below by the Budget established as provided by the terms of the Settlement Agreement.

3.3 Each Resort Unit Owner, by acceptance of a deed or other conveyance of the applicable Unit, and whether or not expressly stated, shall be deemed to agree that 100% 95.5% of the Shared Costs, as hereinafter defined, less the Commercial Unit Designated Cost, as hereinafter defined (with the Owner of the Commercial Unit being responsible for the Commercial Unit Designated Cost remaining 4.5% of the Shared Costs) shall be paid for in part through Charges (either general or special) imposed against the Resort Units in accordance with the terms hereof. For purposes, hereof, the "Shared Costs" shall be deemed to be the aggregate of the following: (i) the costs incurred by the Commercial Unit Owner in (or reasonably allocated to) the repair, replacement, improvement, maintenance, management, operation, ~~real estate taxes, ad valorem tax obligations~~ and insurance of the Shared Components, including, but not limited to, a management fee, not to exceed fifteen ten (105%) percent of the Shared Costs, (ii) reasonable reserves for the Shared Components, if established by the Commercial Unit Owner and (iii) any Common Expenses and Special Assessments, including, but not limited to, insurance premiums, levied against the Commercial Unit by the Association, minus the Commercial Unit Designated Cost which is 10.3% of the following budget categories: Reserves, Utilities, Insurance and the annual CVMA (formerly RVMA) assessment, (currently \$0.40 per square foot of 15,205 square feet), all as established in the Annual Budget as provided by the terms of the Settlement Agreement as set forth in Article VI of this Declaration; provided, however, that the Commercial Unit Owner shall be solely responsible for and shall pay all taxes assessed upon the Commercial Unit. In addition, each Resort Unit Owner shall pay one hundred (100%) percent of the Commercial Services Fee. The Commercial Services Fee shall be

payable in consideration of the Commercial Unit Owner's agreement to provide access to those hotel services that may generally be available from time to time (including access to such items as concierge, front desk, central telephone, etc.) as established in the Annual Budget as provided by the terms of the Settlement Agreement. No Owner may waive or otherwise escape liability for Charges for the Shared Costs by non-use (whether voluntary or involuntary) of the Commercial Unit or abandonment of the right to use same. Notwithstanding anything herein contained to the contrary, the Commercial Unit Owner shall be excused and relieved from any and all maintenance, repair and/or replacement obligations with respect to the Commercial Unit to the extent that the funds ~~necessary to perform same~~ provided by the Annual Budget as established pursuant to the terms of the Settlement Agreement, to the extent the obligation of the Resort Unit Owners are not available through the Charges imposed and actually collected. The Commercial Unit Owner shall have no obligation to fund and/or advance any deficit or shortfall in funds which were the obligation of the Resort Unit Owners under the terms of the Settlement Agreement in order to properly perform the maintenance, repair and/or replacement obligations described herein.

3.4 An easement is hereby reserved and created in favor of the Commercial Unit Owner, and its designees over the Project for the purpose of entering onto the Project for the performance of the maintenance, repair and replacement obligations herein described.

3.5 **Charges to Unit Owners; Lien**

3.5.1 Developer, for all Units now or hereafter located within the Project, hereby covenants and agrees, and each Owner of any Resort Unit, by acceptance of a deed therefor or other conveyance thereof, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Commercial Unit Owner annual Charges for the operation and insurance of, and for payment of its proportionate share of the Shared Costs, the establishment of reasonable reserves for the replacement of the Shared Components and the furnishings and finishings thereof, capital improvement Charges, special Charges and all other Charges hereinafter referred to or lawfully imposed by the Commercial Unit Owner in connection with the repair, replacement, improvement, maintenance, management, operation, and insurance of the Shared Components, all such Charges to be fixed, established and collected from time to time as established in the Annual Budget pursuant to the terms of the Settlement Agreement and Article VI of this Declaration.. herein provided. The annual Charge, capital improvement Charge and special Charge, established by the Annual Budget, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a Charge on the Resort Units and shall be a continuing lien upon the Resort Units against which each such Charge is made and upon all improvements thereon from time to time existing. Each such Charge, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who is the Owner of such Resort Units at the time when the Charge fell due and

all subsequent Owners of that Unit until paid, except as provided in paragraph 3.7 below. Reference herein to Charges shall be understood to include reference to any and all of said Charges whether or not specifically mentioned. Each Unit, except for the Commercial Unit, shall be assessed a “proportionate share” of the Shared Costs established by the Annual Budget pursuant to the terms of the Settlement Agreement and Article VI of this Declaration. The proportionate share for each Resort Unit shall be as follows: 100% ~~95.5%~~ of all Shared Costs, less the Commercial Unit Designated Cost, shall be assessed against all Units other than the Commercial Unit (and paid solely by the Owners of Units other than the Commercial Unit Owner), with each such Unit obligated for a fraction of such Shared Costs, the numerator of which is the percentage share allocated to the applicable Unit, as provided herein, and the denominator of which is the aggregate of all percentage shares allocated to all Resort Units, as provided herein. The Shared Costs assessable against Resort Unit Owners shall be assessed to the Association and collected by the Association as a Common Expense.

3.5.2 In addition to the regular and capital improvement Charges which are or may be levied hereunder, the Commercial Unit Owner shall have the right to collect reasonable reserves for the replacement of the Shared Components and the furnishings and finishings thereof and to levy as special Charges against an Owner(s) to the exclusion of other Owners for the repair or replacement of damage to any portion of the Commercial Unit (including, without limitation, improvements, furnishings and finishings therein) caused by the misuse, negligence or other action or inaction of an Owner or his guests, tenants or invitees. Any such special Charge shall be subject to all of the applicable provisions of this Article including, without limitation, lien filing and foreclosure procedures and late Charges and interest. Any special Charge levied hereunder shall be due within a reasonable time ~~the time~~ specified by the Commercial Unit Owner in the action imposing such Charge. The annual regular Charges provided for in this Article shall commence on the first day of the month next following the recordation of this Declaration and shall be applicable through December 31 of such year. Each subsequent annual Charge shall be imposed for the year beginning January 1 and ending December 31. The annual Charges shall be payable in advance in monthly installments, or in annual, semi- or quarter-annual installments if so determined by the Commercial Unit Owner (absent which determination they shall be payable monthly). The Charge amount (and applicable installments) may be changed at any time by the Commercial Unit Owner from that originally stipulated or from any other Charge that is in the future adopted by the Commercial Unit Owner only so long as any such Charges are consistent with the terms of the Settlement Agreement. The original Charge for any year shall be levied for the calendar year (to be reconsidered and amended, if necessary, at any appropriate time during the year), but the amount of any revised Charge to be levied during any period shorter than a full calendar year shall be in proportion to the number of months (or other appropriate installments) remaining in such calendar year. The Commercial Unit Owner shall fix the date of commencement and the amount of the Charge against the Resort Units for each Charge period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Resort Units and Charges applicable thereto which shall be kept in the office of the Commercial Unit Owner and shall be open to inspection by any Owner. Written notice of the Charge shall thereupon be sent to every Owner subject thereto twenty (20) days prior

to payment of the first installment thereof, except as to special Charges. In the event no such notice of the Charges for a new Charge period is given, the amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for herein.

3.6 If the Charges (or installments) provided for herein are not paid on the date(s) when due (being the date(s) specified herein or pursuant hereto), then such Charges (or installments) shall become delinquent and shall, together with late Charges, interest and the cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Unit and all improvements thereon which shall bind such Unit in the hands of the then Owner, and such Owner's heirs, personal representatives, successors and assigns. Except as provided in paragraph 3.7 to the contrary, the personal obligation of an Owner to pay such Charge shall pass to such Owner's successors in title and recourse may be had against either or both. If any installment of a Charge is not paid within fifteen (15) days after the due date, at the option of the Commercial Unit Owner, a late Charge not greater than the maximum amount permitted by law may be imposed (provided that only one late Charge may be imposed on any one unpaid installment and if such installment is not paid thereafter, it and the late Charge shall accrue interest as provided herein but shall not be subject to additional late Charges; provided further, however, that each other installment thereafter coming due shall be subject to one late Charge each as aforesaid) and the Commercial Unit Owner may bring an action at law against the Owner(s) personally obligated to pay the same, may record a claim of lien (as evidence of its lien rights as hereinabove provided for) against the Unit on which the Charges and late Charges are unpaid and all improvements thereon, may foreclose the lien against the applicable Unit and all improvements thereon on which the Charges and late Charges are unpaid, or may pursue one or more of such remedies at the same time or successively, and attorneys' fees and costs actually incurred in preparing and filing the claim of lien and the complaint, if any, and prosecuting same, in such action shall be added to the amount of such Charges, late Charges and interest secured by the lien, and in the event a judgment is obtained, such judgment shall include all such sums as above provided and attorneys' fees actually incurred together with the costs of the action, through all applicable appellate levels. Failure of the Commercial Unit Owner (or any collecting entity) to send or deliver bills or notices of Charges shall not relieve Owners from their obligations hereunder. The Commercial Unit Owner shall have such other remedies for collection and enforcement of Charges as may be permitted by applicable law. All remedies are intended to be, and shall be, cumulative.

3.7 The lien of the Commercial Unit Owner for Charges shall be subordinate to real property tax liens and the lien of any first mortgage held by an Institutional Lender; provided, however, that any such Institutional Lender when in possession, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such Institutional Lender acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or Institutional Lender, shall hold title subject to the liability and lien of any Charge coming due after such foreclosure (or conveyance in lieu of foreclosure). Any unpaid Charge which cannot be collected as a lien against any Unit by reason of the provisions of this Article shall be deemed to be a part of the Shared Costs.

3.8 In the event (and only in the event) that the Commercial Unit Owner fails to maintain the Shared Components as required under this Declaration and provided in the Annual Budget as provided by the Settlement Agreement, the Association shall have the right to perform such duties; provided, however, that same may only occur after thirty (30) days' prior written notice to the Commercial Unit Owner and provided that the Commercial Unit Owner has not effected curative action within said thirty (30) day period (or if the curative action cannot reasonably be completed within said thirty (30) day period, provided only that the Commercial Unit Owner has not commenced curative actions within said thirty (30) day period and thereafter diligently pursued same to completion). To the extent that the Association must undertake maintenance responsibilities as a result of the Commercial Unit Owners' failure to perform same, then in such event, but only for such remedial actions as may be necessary, the Association shall be deemed vested with the Charge rights of the Commercial Unit Owner hereunder for the limited purpose of obtaining reimbursement from the Commercial Unit Owner for the costs of performing such remedial work.

3.9 The Commercial Unit Owner shall maintain financial books and records showing its actual receipts and expenditures with respect to the maintenance, operation, repair, replacement, alteration and insurance of the Shared Components, including the then current budget and any then proposed budget (the "Shared Components Records"). The Shared Components Records need not be audited or reviewed by a Certified Public Accountant. The Shared Components Records shall at all times, during reasonable business hours, be subject to the inspection of any Member of the Association.

3.10 Notwithstanding the duty of the Commercial Unit Owner to maintain and repair the Shared Components, the Commercial Unit Owner shall not be liable to any other Owners (nor their guests, tenants or invitees) for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Shared Components. Further, the Commercial Unit Owner shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Owners regardless of whether or not same shall have been approved by the Commercial Unit Owner pursuant to the provisions hereof. The Commercial Unit also shall not be liable to any Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Commercial Unit Owner did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) the Commercial Unit Owner could not obtain such insurance at reasonable costs or upon reasonable terms.

3.11 No alteration, addition or modification to a Unit or the Common Area and Facilities may in any manner affect the Commercial Unit or any portion of the Shared Components without the prior written consent of the Commercial Unit Owner (which consent may be withheld in its sole discretion).

3.12 No Owner may exempt himself from liability for his contribution towards the Shared Costs by waiver of the use or enjoyment of any of the Shared

Components or by abandonment of his Unit.

3.13 The provisions of this Article 3 shall not be amended, modified or in any manner impaired and/or diminished, directly or indirectly, without the prior written consent of the Commercial Unit Owner. In the event of any conflict between the provisions of this Article 3, and the provisions of any other Article of this Declaration, the provisions of this Article 3 shall prevail and govern.

3.14 The Commercial Unit Owner shall notify the Association of the portion of the Shared Costs attributable the Owners. The Association shall include such portion of the Shared Costs in its Annual Budget as determined by the provisions of the Settlement Agreement annual budget as a Charge from the Commercial Unit Owner as provided by and Article VI of this Declaration. Provided however, the Shared Costs shall be assessed only against the Resort Units and not against the Commercial Unit. Both the Commercial Unit Owner and the Association shall have lien rights to collect the Shared Costs provided, however, that the lien of the Commercial Unit Owner shall be superior to the lien of the Association.

3.15 To the extent not prohibited by law, the Commercial Unit Owner has the right to subdivide the Commercial Unit into smaller Commercial Units and to allocate the Shared Costs among such sub-Commercial Units, without the consent of the Association, any Owners or any mortgagees. There will be a single bill from the Commercial Unit Owner to the Association for all of the Shared Costs, and it will be the responsibility of the Commercial Unit Owner or its designee to allocate the Shared Costs among the various owners of the sub-Commercial Units.

5. The following Sections of Article VI of the Declaration are hereby amended as follows:

ARTICLE VI

Common Expenses and Costs and Expenses Relating to Limited Common Area and Facilities

To the extent consistent with this Declaration and the Act, all provisions of the Bylaws relating to Common Expenses and the rights and remedies of the Association in connection therewith are hereby incorporated into this Declaration by reference. If there is a conflict between the Bylaws and this Declaration relating to Common Expense, the terms and provisions of this Declaration will control.

Common Expenses mean and include all sums designated in this Declaration or in the Bylaws as Common Expenses and shall also include Charges and Shared Costs, all sums incurred by or on behalf of the Association in the conduct and management of the affairs of the Association pursuant to this Declaration and the Bylaws.

6.1 The interest of any Owner in the reserves of the Association may not

(except upon the termination of the common interest community established by this Declaration) be withdrawn or assigned separately, but shall be deemed to be transferred automatically with each transfer of the Unit, whether or not mentioned or described expressly in the transfer document. The Association shall establish an adequate reserve, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the Common Area and Facilities and the Shared Components and other facilities as provided by the Budget Methodology Agreement and the Settlement Agreement. The reserve may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance.

6.2 Except as otherwise provided in this Declaration or the Bylaws, each Owner shall be liable for and pay a share of the Common Expenses, in proportion to the Allocated Interest appurtenant to his Unit. Assessments of Common Expenses shall be payable in monthly installments on the first day of each month for whole Owners, and annually for Owners of Timeshare Interests, or at such other times as shall be determined by the Board of Directors. Any portion of an Owner's assessments used or to be used by the Association for capital improvements or any other capital expenditure shall not be treated as income to the Association but shall be treated as a capital contribution by the Owners to the Association and shall be credited by the Association upon its books as paid in surplus. Regular assessments against all Units shall commence on the date of the first conveyance of a Unit, or a timeshare interest therein.

6.3 The Association will pay or cause to be paid, on behalf of the Owners, all Common Expenses as approved in the Annual Budget. Each Owner, as principal, shall be liable for and pay his share, determined as provided in this Declaration and the Bylaws, of all Common Expenses; and the Association shall be responsible, as agent for each Owner, only to transmit the payments made by the Owner to third persons to whom such payments must be made by the Owner. The Association may require the Manager to assist in its duties hereunder. The Association or the Manager collecting the Common Expenses shall not be liable for payment of such Common Expenses as principal but only as the agent of all Owners to transmit said payments to third persons to whom such payments must be made by the Owners.

6.4 Subject to the Act:

6.4.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the Owners, the management, maintenance, care, preservation and protection of the Project, enhancing the quality of life in the Project and the value of the Project including, without limitation, the improvement and maintenance of the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and Facilities, or in furtherance of any other duty or power of the Association.

6.4.1a Budget Methodology Agreement. As part of the Final Judgment in the certain litigation styled *Lodge at Westgate Park City Resort and Spa*

Condominium Association, Inc. v. Westgate Resorts, Ltd., et al, Case No. 130500585 in the Third Judicial District Court for Summit County, Utah (the Lawsuit), the Court enforced the Budget Methodology Agreement as a binding agreement that superseded the Declaration, Bylaws and Shared Use Agreement to the extent that a conflict exists between them. Pursuant to the Settlement Agreement, the Annual Budget shall be determined by the Budget Methodology Agreement as provided in the Settlement Agreement.

6.4.2 Regular Assessments. The Board is expressly authorized to adopt and amend budgets from time to time. Not later than November 1 of each year, thirty (30) days prior to the beginning of each fiscal year, the Developer shall provide to the Board its proposed budget, prepared in accordance with the preceding Section 6.4.1a. The Board will have twenty (20) days after delivery of the Developer's proposed budget in which to approve or reject the budget provided by the Developer. If the Board rejects the Developer's proposed budget, the Board shall notify the Developer of the reasons for its rejection and the Board and the Developer shall work in good faith to resolve their differences. Failure to respond, in writing, within said twenty (20) day period shall be deemed to be the Board's approval of the Developer's proposed budget. the Board shall adopt a pro forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. The Board shall send a written summary of the budget to all Owners within thirty (30) days after the adoption of the proposed budget. The Board shall at that time determine the amount of the regular Assessment to be paid by each Owner. Each Owner shall thereafter pay to the Association his regular Assessment in equal monthly installments on the first day of each month. In the event the Board shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it shall then immediately determine the approximate amount of such inadequacy and prepare a supplemental estimate of the Common Expenses and determine the revised amount of the regular Assessment against each Owner, and the date or dates when due. The Owners shall have no right to ratify any budget, or amendment thereof, adopted by the Board. Any controversy or any disputes regarding the annual budget, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, before a single arbitrator. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. In any event, any demand for arbitration regarding the annual budget must be filed before the beginning of the fiscal year for the budget in dispute. The arbitrator shall resolve any budget disputes based upon the terms of the Settlement Agreement, the agreed upon budget procedures set forth therein and the exhibits thereto. The Arbitrator's decision shall be binding only for the particular annual budget at issue and shall not apply to any future budgets.

5. Capitalized words and phrases shall have the meaning set forth in the Declaration, unless otherwise defined herein.

6. Except as herein modified, the Declaration shall remain unmodified and in full force and effect. To the extent of any conflict, the terms of this Amendment shall control and govern.

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT ("Agreement") executed as of the 27th day of October, 2020 by and between, THE LODGE AT WESTGATE PARK CITY RESORT & SPA OWNERS' ASSOCIATION, INC. (the "Association") and WESTGATE RESORTS, LTD., a Florida limited partnership (hereinafter "Westgate") (the Association and Westgate are referred to collectively herein as "Parties").

RECITALS:

A. The Lodge at Westgate Park City Resort and Spa (the "Project" or "Building 19") is a mixed-use, condominium resort located in Park City, Utah comprised of 201 condominium units (each a "Unit"). Westgate is the developer of the Project. The Association is the condominium association for the Project.

B. The Declaration of Condominium creating the Project was filed on June 29, 2007 at Book 1874, Page 0479 as part of the public records of Summit County, Utah (the "Declaration"). Under the Declaration, Westgate is the owner of the "Commercial Unit."

C. The Project shares certain amenities (the "Shared Amenities" with an adjacent timeshare association (the "Timeshare Association") pursuant to that certain Shared Use Agreement dated August 6, 2007 and recorded at Book 1886, Page 0091 as part of the public records of Summit County, Utah (the "Shared Use Agreement"). Under the Shared Use Agreement, the Association and the Timeshare Association split the cost of the Shared Amenities with the Association paying sixty-three percent (63%) of the costs and the Timeshare Association paying thirty-seven percent (37%) of the costs.

D. In 2013, turnover occurred at the Project and Unit owners assumed seats on the board of the Association. The Association is governed by those certain Bylaws of the Lodge at Westgate Park City Resort & Spa Condominium Association, Inc. (the "Bylaws").

E. Various disputes arose among the Parties related to the annual budget for the Project which resulted in that certain litigation styled *Lodge at Westgate Park City Resort and Spa Condominium Association, Inc. v. Westgate Resorts, Ltd., et al*, Case No. 130500585 (the "Lawsuit").

F. The Lawsuit dealt with claims related to the structure of the Project, ownership over the Commercial Unit, and the enforceability of a document known as the 2009 budget methodology agreement (the "2009 Budget Methodology"), among other things. As part of the final judgment in the Lawsuit, the Court enforced the 2009 Budget Methodology as a binding agreement that superseded the Declaration, Bylaws and Shared Use Agreement to the extent that a conflict exists between them (the "Final Judgment").

G. Both parties filed an appeal of the Final Judgment which resulted in the affirmation of the District Court's Final Judgment (the "Appeal"). The Appeal affirmed the enforceability of the 2009 Budget Methodology, and the ruling that the amenity use fee set forth on Exhibit "H" to the 2009 Budget Methodology (the "Amenity Use Fee") is not capped. The Parties are in

disagreement as to the Parties' responsibilities in carrying out the Final Judgment, including the practical meaning of the 2009 Budget Methodology, the Association's liability for Amenity Use Fees and Westgate's obligations related to the plat.

H. Subsequent to the Appeal, Westgate made monetary demands for the Amenity Use Fee for 2019 and prior years and the Association has made demands for Westgate to replat the Project, among other things.

I. After various discussions, the Parties desire: (i) to amend the Declaration to include the 2009 Budget Methodology; (ii) to clarify the Association's responsibility for the Amenity Use Fee; (iii) to clarify Westgate's obligation to replat Building 19; (iv) to require that the Association budget for the entire cost of the amenities located within Building 19 at the Project; (v) to change the Association's responsibility for Amenity Use Fees under the Shared Use Agreement; (vi) to provide for the ability of the Association to charge an owner usage fee on all Units not owned by Westgate; and (vii) to amend Article 3.1 of the Declaration to permit Unit owners to use the Commercial Unit for third party vendors to provide services to their Units and to establish standards and restrictions under which third party vendors shall be allowed to enter the Commercial Unit.

J. In lieu of further litigation, the Parties desire to enter into this Agreement, which is intended to be a full and complete settlement of all claims between the Parties, including but not limited to, those claims asserted in the Lawsuit, the Appeal and arising out of the 2009 Budget Methodology.

NOW, THEREFORE, for and in consideration of the mutual covenants set forth herein, together with other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Westgate and the Association agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein.
2. Amenity Use Fee. The Association shall pay Westgate for the Amenity Use Fee as follows.
 - a. The Amenity Use Fee for 2019 and Prior Years. The Association shall pay Eight Hundred Thousand and 00/100 Dollars (\$800,000.00) to Westgate in full satisfaction and settlement for any claimed shortfall in the Amenity Use Fees for 2019 and all prior years (the "Settlement Payment"). The Settlement Payment shall be made in two installments, with \$400,000 to be paid within 30 days after the approval of this agreement as provided in paragraph 13 below and \$400,000 to be paid by year end 2021. Westgate shall not be responsible for any portion of the Settlement Payment as a Unit owner at the Project, except to the extent of regular assessments made by the Association prior to the effective date of this Settlement Agreement.
 - b. The Amenity Use Fee for 2020. The Amenity Use Fee for 2020 will be \$500,455, in consideration of the Association writing off its claim against Westgate for underpaid assessments for 2019 and Prior years.

c. The 2021 Base Amenity Budget. The 2021 Amenity Use Fee Budget (“the 2021 Base Amenity Budget”), attached hereto marked Exhibit “A,” will establish all of the budget categories and costs included in the Amenity Use Fee. The Amenity Use Fee for future years will be increased annually over the 2021 Base Amenity Budget in the amount of 55% of Westgate’s cost increases in the 2021 Base Budget categories capped by the annual PayScale increases for labor costs and up to 5% for material costs, subject to the carve outs all as set forth in detail in paragraph 3 below.

d. The 2021 Amenity Use Fee. Due to uncertainties resulting from the COVID-19 pandemic and the resulting decrease in occupancy at the Project experienced in 2020, the parties anticipate that occupancy levels may continue to be affected in 2021. Consequently, the Association’s 2021 Amenity Use Fee will be no more than \$901,238 and will be reduced and paid based on actual occupancy in 2021 compared to occupancy during the period from March 1, 2019 to February 28, 2020, according to the occupancy percentage reductions as shown in the 2021 Base Amenity Budget. Occupancy adjustments for 2021 shall be reviewed by the parties at mid-year and year end to balance the Amenity Use Fee to correspond with the percentage of actual occupancy. There shall be a cap on the occupancy reduction of 30% for everything except transportation which shall be capped at 20% as set forth in the 2021 Base Amenity Budget. The parties shall follow the 2021 Base Amenity Budget to determine the agreed upon decreases based upon occupancy. For clarification purposes, occupancy reduction does not correlate with cost reduction, meaning a 20% reduction in occupancy does not provide a 20% reduction in cost. Occupancy will be calculated by a fraction, the numerator of which is the total number of nights that residential units in Building 19 are actually occupied and the denominator of which is 70,146 nights as provided in Exhibit “B” attached hereto; provided, however, that the Skier Services category of the Base Amenity Budget will be calculated using the percentage occupancy for the first three months of the calendar year. In the event that actual occupancy in 2021 drops below 30%, the parties shall meet in good faith to negotiate a revised Amenity Budget. In the event the parties fail to agree to a revised Amenity Budget, the parties shall follow the procedures as set forth in section 11 of this Agreement.

e. The 2022 and 2023 Amenity Use Fee. Although budget increases will be calculated annually, the parties agree that the Association’s Amenity Use Fee for 2022 and 2023 will be capped as follows: \$925,000 for the year 2022; and \$950,000 for the year 2023.

f. Amenity Use Fee for 2024 and Subsequent Years. For the year 2024 and all subsequent years, the attached 2021 Base Amenity Budget shall be the base year budget for determining any increases in the Amenity Use Fee. Annual increases in the Amenity Use Fee shall be as set forth below in paragraph 3.

3. The 2009 Budget Methodology. The Parties shall amend the governing documents in accordance with paragraph 7 below to incorporate the 2009 Budget Methodology and implement the agreed changes to the Shared Use Agreement. The amendment to the Declaration shall

include a copy of the 2021 Base Amenity Budget, together with a copy of the 2009 Budget Methodology (Trial Exhibit 147), attached hereto marked Exhibit "C.". The 2009 Budget Methodology as affirmed by the Appeal shall apply to all future budgets with the following exceptions and/or clarifications, which shall also be stated in the amendments to the governing documents:

- a. Taxes. Westgate shall not be required to file an amended plat for the Project to eliminate any double taxation as required by Exhibit F of the 2009 Budget Methodology and the Final Judgment. The governing documents will be amended to provide that Westgate shall be solely responsible for all taxes assessed upon the Commercial Unit.
- b. Amenity Use Fee. The 2009 Budget Methodology dictates the year over year increases in each budget category with the exception of the Amenity Use Fee. The Amenity Use Fee for 2021 shall be no more than \$901,238 as indicated by the 2021 Base Amenity Budget, which shall be inclusive of a 10% management fee payable to Westgate. The Amenity Use Fee will be increased over the 2021 Base Amenity Budget in the amount of 55% of Westgate's cost increases in the 2021 Base Amenity Budget categories, subject to the following limitations and carve outs. Annual increases in the 2021 Base Amenity Budget categories for the Amenity Use Fee over the 2021 Base Amenity Budget and then from year over year, shall be commercially reasonable based on the actual increase in the cost of labor and materials in said categories and will be limited as follows: (i) labor increases shall be limited to the actual percentage increase from the prior year as determined by the statistics issued by PayScale at PayScale.com for competitive properties as summarized on Exhibit "D" attached hereto; (ii) material cost increases shall be limited to no more than five percent (5%) from the prior year, unless there are unforeseen costs outside the reasonable control of the Parties including, but not limited to, technology changes, mechanical issues, labor strikes, wars, insurrections, hostilities, acts of terrorism, or acts of God, in which case there shall be no limitation on the increase in costs affected by such unforeseen circumstances; and (iii) employee headcount increases or any reduction in services will require mutual approval from the Association and Westgate acting in a good faith, commercially reasonable manner. In the event operations of the Project are substantially impacted by unforeseen circumstances outside the reasonable control of the parties such as labor strikes, wars, insurrections, hostilities, acts of terrorism, acts of God, pandemic (including the continuation of the COVID-19 if actual occupancy is below 30% calculated as set forth in paragraph 2.d. above) or acts or omissions of any governmental authority (collectively called Force Majeure), the parties shall meet in good faith to negotiate a revised Amenity Budget. In the event the parties fail to agree to a revised Amenity Budget, the parties shall follow the procedures as set forth in section 11 of this Agreement. The Parties agree to act in good faith to resolve any disagreements regarding proposed increases, to cooperate to minimize costs and to submit any disputes to binding arbitration under the procedure set forth in section 11 of this Agreement. Upon request of the Association, Westgate will solicit competitive bids from at least two independent contractors or suppliers for any specific services or supplies if the Association questions the proposed costs and the Parties will agree to use the contractor or supplier providing the lowest responsible bid.

- c. Services Included in the Amenity Use Fee. The Amenity Use Fee shall be used to pay and shall be in satisfaction of the Association's share of the Amenity Use Fee under the Shared Use Agreement. The Shared Amenities shall include all those listed in Exhibit H to the 2009 Budget Methodology Agreement including the Parking Garage, the Lobby, Library/Lounge, Indoor/Outdoor Pool, Outdoor Hot tubs (2); Tennis Court, Basketball Court, Playground, Outdoor grill Area, Skier Services and Ski Lockers (including skier valet), Common Walkways, Landscaping, Concierge Services, Bell Services, Transportation Services, Security and Internet. The parties may mutually agree to add, subtract or alter the Shared Amenities, in which case the parties shall adjust the Amenity Use Fee accordingly to address any resulting increase or decrease in expenses. The Association shall pay for the entire cost of all pools and amenities located in Building 19, including the Adult Pool and hot tub and the Outdoor Pool with hot tub, and these costs shall not be part of the Amenity Use Fee.
- d. Service Levels. Service levels provided by Westgate shall remain the same as provided in 2019, which will be reflected in the 2021 Base Amenity Budget. However, (i) Westgate may adjust the hours of services and number of shuttles available to reduce transportation costs; and (ii) Westgate may adjust the number of hours of operation for concierge and skier services based upon occupancy levels and staffing needs. All changes in service levels shall be reviewed annually and jointly approved by the Association acting in a good faith, commercially reasonable manner, and Westgate prior to implementation. In the event of any reduction in service levels, the Association will receive the benefit of any proportionate cost savings.
- e. Reserves. The Association's responsibility for reserves is established by the reserves study referenced in Exhibit K to the 2009 Budget Methodology and on file with the Association, including the life, cost and percentage of each item to be shared with the Timeshare HOA. The Association shall not have the obligation to fund any reserves other than those specifically identified in said reserves study. Reserve funds will not be used for routine maintenance or moved to the Operations Account. Use of the reserve funds requires the unanimous signoff from Westgate and the Association's Board. Replacement of items identified in the reserves study will be addressed as provided in said study. The creation of reserves for any items not identified in the reserves study must be mutually agreed upon by the Association and Westgate to be funded in a separate account.
- f. Parking Garage. Under the 2009 Budget Methodology, the Association is responsible for the costs of repair and maintenance of the Building 19 parking garage and reserves have been established for that purpose. Beginning in 2023 the Association agrees to pay \$50,000 annually from its Operating Budget for "Maintenance/Ground – Salaries" to Westgate as its share of the cost of the repair and maintenance of the Bear/Elk parking garage, subject to the Future Increase Clause in the 2009 Budget Methodology.
- g. Commercial Unit Designated Cost. The Commercial Unit Designated Cost shall be calculated as provided in Exhibit L to the 2009 Budget Methodology, as 10.3% of the

following budget categories: Reserves, Utilities, Insurance plus \$0.40 per square foot of 15,205 square feet for CVMA (formerly RVMA) fee.

h. Association's Operating Budget. The Association's Operating Budget for 2020 is attached hereto market Exhibit "E" with explanatory notes indicating the application of the 2009 Budget Methodology Agreement. Additional manpower and supplies expenses have been added to the Association's Operating Budget since 2009 based on the need for additional services or a headcount increase mutually agreed upon by the Association and Westgate as they will be in the future.

4. Third Party Vendors. The Parties shall amend the Declaration in accordance with paragraph 7 below to provide that third party vendors, as invitees of unit owners, shall have a right of access to the units through the Commercial Unit subject to the following policies and procedures: all third party vendors providing services to units in Building 19 must check in at the front desk, show proper ID, show proof of \$1 million liability insurance, and check out and return keys when leaving; all cleaning of Units shall be performed by Westgate or an approved third party vendor; at any given time, Westgate and the Association shall jointly designate at least two (2) housekeeping companies that shall be an approved vendor for the Project; and to qualify as an approved vendor to clean units, companies must also agree to have employees attend Westgate orientations at no cost, wear proper uniforms approved by Westgate and the Association, and will provide background checks for employees working at the Project. Any third-party vendors performing major renovations or repairs to mechanical systems, plumbing or electrical systems at the Project must be pre-approved by Westgate.

5. Owner Usage Fee. The Parties shall amend the Bylaws in accordance with paragraph 7 below to provide for the Association's implementation of an owner usage fee starting in 2020 which shall be assessed to Unit owners for each night the owner's Unit is occupied (the "Owner Usage Fee") and billed on a quarterly basis. Westgate shall provide the Association with a nightly occupancy report within fifteen (15) days after the end of each quarter so that the Association may determine the amount of the Owner Usage Fee. The Owner Usage Fee shall not be assessed against any Units owned by Westgate, but Westgate shall be billed and shall pay to the Association Westgate's allocated percentage of the total amount budgeted by the Association for revenue expected from the Owner Usage Fee, which allocated percentage shall be based on the total number of Westgate Units plus 16 timeshare units (currently 33.25%). In the event the Owner Usage Fee does not cover the difference between the Owner Usage Fees actually collected and the amount budgeted by the Association for revenue expected from the Owner Usage Fees, the Association shall be responsible for any shortfall and shall not assess Westgate as a Unit owner to cover the shortfall.

6. Shared Use Agreement. The Parties shall amend the Shared Use Agreement in accordance with paragraph 7 below to reflect the Amenity Fee obligations and to reflect the amended arbitration provision set forth in paragraph 11.

7. Amendments to Governing Documents. In order to fully effectuate the terms of this Agreement, the Parties recognize that the governing documents, including specifically the Declaration, the Shared Use Agreement, and the Bylaws shall be amended. The proposed

amendments are attached hereto as composite Exhibit "F". Notwithstanding anything contained herein to the contrary, neither the Association nor Westgate shall without the consent of the other seek to amend the governing documents in any manner inconsistent with the terms and provisions of this Agreement. The Parties shall work together in good faith to amend the governing documents to implement the terms of this settlement Agreement and shall encourage the Unit owners to support any such amendments. If there are any conflicts between the terms stated herein and the terms of the governing documents, the terms of this Agreement shall control.

Subject: Adjustments to the budget

Kevin,

On September 24, 2009, Jim Preston, Kristin Caprio, you and myself sat down and agreed to the remaining outstanding items on the Finance Committee wish list so everyone can move forward. Kristin indicated she would make the changes the following Monday (September 28, 2009). To this date we have not seen anything. On October 29, 2009, you asked me to re-send you the information that we agreed to. I have left you several voice mails and e-mails regarding this topic and we were able to connect this past Monday on November 16, 2009. You indicated that you agreed to all of the items but just needed to find time to get it done. During the November 17, 2009 Finance Committee call you indicated that it would take another month to get it done.

I know everybody is busy, so I thought instead of being a pest, I would be helpful.....

I have made the changes to the budget that we all agreed would be done. THE CHANGES ARE ATTACHED AND ARE HIGHLIGHTED IN YELLOW. All changes added are just notes that clarifies understanding.

Please review the changes and send back a note to the finance committee that you are in alignment and we will be good to go. We will then have a final copy of the Budget and Exhibits that confirms all the good work that the finance committee and Westgate have achieved by working together over the past six months.

We all appreciate your help

Maria

Compensation Market Review

Updated: October 2, 2020

Data Sources

The market rates will be based on a blended average of the jobs matched using the below three market data sources:

- PayScale Crowdsourced Data
- PayScale Company Sourced Data
- Mercer Benchmark Database

If any of these data sources becomes unavailable or if Westgate Resorts changes compensation providers in the future, the data source(s) will be replaced with similar data sources.

Competitive Set

- Skiing Facility – Selected as a filtering for competitive set data

Location

PayScale looks at the local market data first. If there is not enough data for the job, they look at the metro market. If there is not enough data, then they look at the state level data followed by national level data. Market data included in priority order based on sample size:

- Local market – Park City, UT
- Metro – Salt Lake City, UT
- State – Utah
- National – U.S.

Competitive Positioning

- 75th percentile

Positions Reviewed

- General Maintenance
- Concierge Bell Services Manager

- Concierge

Annual Distribution of Compensation Data

- For the purpose of reaching a settlement agreement, Westgate and the Board will use the current blended data for the exhibit within the settlement agreement. Following the release of the 2020 Mercer report and the July 2020 PayScale report, Westgate will update the compensation data with the intent to use this data as the baseline for future years. This data should be available no later than November of 2020. Since the budget for 2021 is already established, this data will not impact 2021 budget, rather it will be used for 2022 and future budgets.
- The General Manager of Westgate Park City will serve as the point of contact to provide this data annually. This information will be used to support the development of the annual budget and will be provided by November 1 (30 days prior to the budget release). If the board would like to request this data at any other time, it must be done via email with a 30 days' notice.
- Upon request from the board, Westgate Park City will have a representative from PayScale validate the accuracy of the data.
- If Westgate changes compensation survey providers or the survey provider is no longer available, Westgate and the board will work in good faith to establish a method of measurement and baseline for future years, attempting to keep as consistent to this methodology as possible.
- The PayScale market base salary is the 75% percentile compensation data. The hourly rate will be multiplied by 2080 hours worked to provide an annual salary number.
- Westgate Park City will provide from PayScale the full job descriptions no later than November 1, each calendar year from all 8 positions listed on page one of this summary.

Bad Debt is budgeted each year based on the expected delinquencies from owners. The Budgeted amount for 2020 is \$125,500.

K. RESORT VALLEY MANAGEMENT FEE

This association manages the Canyons Geographical Area and provides a variety of services to owners. Name changed in 2019 to CVMA. HOA pays current year assessment for 244,590 square feet. The 2020 Budget is \$97,836.

L. RESERVES

The 2020 Budgeted amount of \$375,000 is to fund the items and areas of responsibility identified in the Reserve Study originally completed in 2009 and updated since. The amount has been the same since 2009. It is updated every three years and reviewed by the HOA to determine if it is sufficient to pay for the anticipated cash flow need to fund the projected expenditures. The Reserve Study identifies the items to be paid from the Reserve Account as well as the life, cost, and % of each item to be paid by the HOA. Reserve funds will not be used for routine maintenance or moved to the Operations Account. Use of the reserve funds requires a unanimous signoff from Westgate and the Association's Board.

M. COMMERCIAL UNIT DESIGNATED COSTS

The Commercial Unit Owner pays 10.3% of the total of the budget for Reserves, Utilities, and Insurance. It also pays for 15,205 square feet of the CVMA Fee at the current assessment of \$.40/square foot. In the 2020 Budget the total is \$118,213.

ARTICLE III

The Commercial Unit

3.1 A non-exclusive easement is hereby granted in favor of each Owner and resident, their guests and invitees, for each member of the Association (and its and their guests, tenants and invitees) shall exist for (i) pedestrian traffic over, through and across such portions of the Commercial Unit as are designated by the Commercial Unit Owner and intended to provide direct pedestrian access to and from the applicable Resort Unit and the public right-of-way adjacent to the Project, and (ii) use and enjoyment of the Shared Components, subject to regulation as may be established from time to time by the Commercial Unit Owner. Third party vendors, as invitees of the Owners, shall have a right of access to the Units through the Commercial Unit subject to the following policies and procedures: all third party vendors providing services to Units in Building 19 must check in at the front desk, show proper identification, show proof of \$1 million liability insurance, and check out and return keys when leaving; all cleaning of Units shall be performed by the Commercial Unit Owner or an approved third party vendor; at any given time, the Commercial Unit Owner and the Association shall jointly designate at least two (2) housekeeping companies that shall be an approved vendor for the Project; and to qualify as an approved vendor to clean Units, companies must also agree to attend Westgate orientations at no cost, wear proper uniforms, and provide background checks for employees working at the Project. Any third party vendors performing major

renovations or repairs to mechanical systems, plumbing or electrical systems at the Project must be pre-approved by the Commercial Unit Owner. Notwithstanding the foregoing, the aforesaid easement over the Commercial Unit is limited and solely for use of the named beneficiaries' including third party vendors as invitees of Owners as provided above, obtaining access to and from their Unit and shall not be used for the provision of any services, including, without limitation, any other hotel related services including, but not limited to, solicitation and/or provision of housekeeping, personal services (i.e. massage, personal training, dry cleaning, etc.) and/or food and beverage service, it being understood and agreed by all Owners that any such services may only be provided by the Owner(s) of the Commercial Unit.

3.2 The Commercial Unit Owner(s), from time to time, shall be responsible for the repair, replacement, improvement, maintenance, management, operation and insurance of the Commercial Unit, which shall be performed in a commercially reasonable manner in the determination of the Owner(s) of the Commercial Unit (which determination shall be binding). In consideration of the reservation and grant of easement over the Commercial Unit, as provided above, each Resort Unit Owner shall be obligated for payment of the expenses incurred by the Commercial Unit Owner(s) in connection with such maintenance, repair, replacement, improvement, management, operation and insurance, as more particularly provided below by the Budget established as provided by the terms of the Settlement Agreement.

3.3 Each Resort Unit Owner, by acceptance of a deed or other conveyance of the applicable Unit, and whether or not expressly stated, shall be deemed to agree that 100% 95.5% of the Shared Costs, as hereinafter defined, less the Commercial Unit Designated Cost, as hereinafter defined (with the Owner of the Commercial Unit being responsible for the Commercial Unit Designated Cost remaining 4.5% of the Shared Costs) shall be paid for in part through Charges (either general or special) imposed against the Resort Units in accordance with the terms hereof. For purposes, hereof, the "Shared Costs" shall be deemed to be the aggregate of the following: (i) the costs incurred by the Commercial Unit Owner in (or reasonably allocated to) the repair, replacement, improvement, maintenance, management, operation, real-estate taxes, ad valorem tax obligations and insurance of the Shared Components, including, but not limited to, a management fee, not to exceed fifteen ten (10%) percent of the Shared Costs, (ii) reasonable reserves for the Shared Components, if established by the Commercial Unit Owner and (iii) any Common Expenses and Special Assessments, including, but not limited to, insurance premiums, levied against the Commercial Unit by the Association, minus the Commercial Unit Designated Cost which is 10.3% of the following budget categories: Reserves, Utilities, Insurance and the annual CVMA (formerly RVMA) assessment, (currently \$0.40 per square foot of 15,205 square feet), all as established in the Annual Budget as provided by the terms of the Settlement Agreement as set forth in Article VI of this Declaration; provided, however, that the Commercial Unit Owner shall be solely responsible for and shall pay all taxes assessed upon the Commercial Unit. In addition, each Resort Unit Owner shall pay one hundred (100%) percent of the Commercial Services Fee. The Commercial Services Fee shall be payable in consideration of the Commercial Unit Owner's agreement to provide access to

those hotel services that may generally be available from time to time (including access to such items as concierge, front desk, central telephone, etc.) as established in the Annual Budget as provided by the terms of the Settlement Agreement. No Owner may waive or otherwise escape liability for Charges for the Shared Costs by non-use (whether voluntary or involuntary) of the Commercial Unit or abandonment of the right to use same. Notwithstanding anything herein contained to the contrary, the Commercial Unit Owner shall be excused and relieved from any and all maintenance, repair and/or replacement obligations with respect to the Commercial Unit to the extent that the funds necessary to perform same provided by the Annual Budget as established pursuant to the terms of the Settlement Agreement, to the extent the obligation of the Resort Unit Owners are not available through the Charges imposed and actually collected. The Commercial Unit Owner shall have no obligation to fund and/or advance any deficit or shortfall in funds which were the obligation of the Resort Unit Owners under the terms of the Settlement Agreement in order to properly perform the maintenance, repair and/or replacement obligations described herein.

3.4 An easement is hereby reserved and created in favor of the Commercial Unit Owner, and its designees over the Project for the purpose of entering onto the Project for the performance of the maintenance, repair and replacement obligations herein described.

3.5 Charges to Unit Owners; Lien

3.5.1 Developer, for all Units now or hereafter located within the Project, hereby covenants and agrees, and each Owner of any Resort Unit, by acceptance of a deed therefor or other conveyance thereof, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Commercial Unit Owner annual Charges for the operation and insurance of, and for payment of its proportionate share of the Shared Costs, the establishment of reasonable reserves for the replacement of the Shared Components and the furnishings and finishings thereof, capital improvement Charges, special Charges and all other Charges hereinafter referred to or lawfully imposed by the Commercial Unit Owner in connection with the repair, replacement, improvement, maintenance, management, operation, and insurance of the Shared Components, all such Charges to be fixed, established and collected from time to time as established in the Annual Budget pursuant to the terms of the Settlement Agreement and Article VI of this Declaration, herein-provided. The annual Charge, capital improvement Charge and special Charge, established by the Annual Budget, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a Charge on the Resort Units and shall be a continuing lien upon the Resort Units against which each such Charge is made and upon all improvements thereon from time to time existing. Each such Charge, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who is the Owner of such Resort Units at the time when the Charge fell due and all subsequent Owners of that Unit until paid, except as provided in paragraph 3.7 below.

Underlined text indicates additions;
~~Struck-through~~ text indicates deletions.

Reference herein to Charges shall be understood to include reference to any and all of said Charges whether or not specifically mentioned. Each Unit, except for the Commercial Unit, shall be assessed a "proportionate share" of the Shared Costs established by the Annual Budget pursuant to the terms of the Settlement Agreement and Article VI of this Declaration. The proportionate share for each Resort Unit shall be as follows: 100% ~~95.5%~~ of all Shared Costs, less the Commercial Unit Designated Cost, shall be assessed against all Units other than the Commercial Unit (and paid solely by the Owners of Units other than the Commercial Unit Owner), with each such Unit obligated for a fraction of such Shared Costs, the numerator of which is the percentage share allocated to the applicable Unit, as provided herein, and the denominator of which is the aggregate of all percentage shares allocated to all Resort Units, as provided herein. The Shared Costs assessable against Resort Unit Owners shall be assessed to the Association and collected by the Association as a Common Expense.

3.5.2 In addition to the regular and capital improvement Charges which are or may be levied hereunder, the Commercial Unit Owner shall have the right to collect reasonable reserves for the replacement of the Shared Components and the furnishings and finishings thereof and to levy as special Charges against an Owner(s) to the exclusion of other Owners for the repair or replacement of damage to any portion of the Commercial Unit (including, without limitation, improvements, furnishings and finishings therein) caused by the misuse, negligence or other action or inaction of an Owner or his guests, tenants or invitees. Any such special Charge shall be subject to all of the applicable provisions of this Article including, without limitation, lien filing and foreclosure procedures and late Charges and interest. Any special Charge levied hereunder shall be due within a reasonable time the time specified by the Commercial Unit Owner in the action imposing such Charge. The annual regular Charges provided for in this Article shall commence on the first day of the month next following the recordation of this Declaration and shall be applicable through December 31 of such year. Each subsequent annual Charge shall be imposed for the year beginning January 1 and ending December 31. The annual Charges shall be payable in advance in monthly installments, or in annual, semi- or quarter-annual installments if so determined by the Commercial Unit Owner (absent which determination they shall be payable monthly). The Charge amount (and applicable installments) may be changed at any time by the Commercial Unit Owner from that originally stipulated or from any other Charge that is in the future adopted by the Commercial Unit Owner only so long as any such Charges are consistent with the terms of the Settlement Agreement. The original Charge for any year shall be levied for the calendar year (to be reconsidered and amended, if necessary, at any appropriate time during the year), but the amount of any revised Charge to be levied during any period shorter than a full calendar year shall be in proportion to the number of months (or other appropriate installments) remaining in such calendar year. The Commercial Unit Owner shall fix the date of commencement and the amount of the Charge against the Resort Units for each Charge period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Resort Units and Charges applicable thereto which shall be kept in the office of the Commercial Unit Owner and shall be open to inspection by any Owner. Written notice of the Charge shall thereupon be sent to every Owner subject thereto twenty (20) days prior to payment of the first installment thereof, except as to special Charges. In the event no

such notice of the Charges for a new Charge period is given, the amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for herein.

3.6 If the Charges (or installments) provided for herein are not paid on the date(s) when due (being the date(s) specified herein or pursuant hereto), then such Charges (or installments) shall become delinquent and shall, together with late Charges, interest and the cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Unit and all improvements thereon which shall bind such Unit in the hands of the then Owner, and such Owner's heirs, personal representatives, successors and assigns. Except as provided in paragraph 3.7 to the contrary, the personal obligation of an Owner to pay such Charge shall pass to such Owner's successors in title and recourse may be had against either or both. If any installment of a Charge is not paid within fifteen (15) days after the due date, at the option of the Commercial Unit Owner, a late Charge not greater than the maximum amount permitted by law may be imposed (provided that only one late Charge may be imposed on any one unpaid installment and if such installment is not paid thereafter, it and the late Charge shall accrue interest as provided herein but shall not be subject to additional late Charges; provided further, however, that each other installment thereafter coming due shall be subject to one late Charge each as aforesaid) and the Commercial Unit Owner may bring an action at law against the Owner(s) personally obligated to pay the same, may record a claim of lien (as evidence of its lien rights as hereinabove provided for) against the Unit on which the Charges and late Charges are unpaid and all improvements thereon, may foreclose the lien against the applicable Unit and all improvements thereon on which the Charges and late Charges are unpaid, or may pursue one or more of such remedies at the same time or successively, and attorneys' fees and costs actually incurred in preparing and filing the claim of lien and the complaint, if any, and prosecuting same, in such action shall be added to the amount of such Charges, late Charges and interest secured by the lien, and in the event a judgment is obtained, such judgment shall include all such sums as above provided and attorneys' fees actually incurred together with the costs of the action, through all applicable appellate levels. Failure of the Commercial Unit Owner (or any collecting entity) to send or deliver bills or notices of Charges shall not relieve Owners from their obligations hereunder. The Commercial Unit Owner shall have such other remedies for collection and enforcement of Charges as may be permitted by applicable law. All remedies are intended to be, and shall be, cumulative.

3.7 The lien of the Commercial Unit Owner for Charges shall be subordinate to real property tax liens and the lien of any first mortgage held by an Institutional Lender; provided, however, that any such Institutional Lender when in possession, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such Institutional Lender acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or Institutional Lender, shall hold title subject to the liability and lien of any Charge coming due after such foreclosure (or conveyance in lieu of foreclosure). Any unpaid Charge which cannot be collected as a lien against any Unit by reason of the provisions of this Article shall be deemed to be a part of the Shared Costs.

3.8 In the event (and only in the event) that the Commercial Unit Owner fails

to maintain the Shared Components as required under this Declaration and provided in the Annual Budget as provided by the Settlement Agreement, the Association shall have the right to perform such duties; provided, however, that same may only occur after thirty (30) days' prior written notice to the Commercial Unit Owner and provided that the Commercial Unit Owner has not effected curative action within said thirty (30) day period (or if the curative action cannot reasonably be completed within said thirty (30) day period, provided only that the Commercial Unit Owner has not commenced curative actions within said thirty (30) day period and thereafter diligently pursued same to completion). To the extent that the Association must undertake maintenance responsibilities as a result of the Commercial Unit Owners' failure to perform same, then in such event, but only for such remedial actions as may be necessary, the Association shall be deemed vested with the Charge rights of the Commercial Unit Owner hereunder for the limited purpose of obtaining reimbursement from the Commercial Unit Owner for the costs of performing such remedial work.

3.9 The Commercial Unit Owner shall maintain financial books and records showing its actual receipts and expenditures with respect to the maintenance, operation, repair, replacement, alteration and insurance of the Shared Components, including the then current budget and any then proposed budget (the "Shared Components Records"). The Shared Components Records need not be audited or reviewed by a Certified Public Accountant. The Shared Components Records shall at all times, during reasonable business hours, be subject to the inspection of any Member of the Association.

3.10 Notwithstanding the duty of the Commercial Unit Owner to maintain and repair the Shared Components, the Commercial Unit Owner shall not be liable to any other Owners (nor their guests, tenants or invitees) for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Shared Components. Further, the Commercial Unit Owner shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Owners regardless of whether or not same shall have been approved by the Commercial Unit Owner pursuant to the provisions hereof. The Commercial Unit also shall not be liable to any Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Commercial Unit Owner did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) the Commercial Unit Owner could not obtain such insurance at reasonable costs or upon reasonable terms.

3.11 No alteration, addition or modification to a Unit or the Common Area and Facilities may in any manner affect the Commercial Unit or any portion of the Shared Components without the prior written consent of the Commercial Unit Owner (which consent may be withheld in its sole discretion).

3.12 No Owner may exempt himself from liability for his contribution towards the Shared Costs by waiver of the use or enjoyment of any of the Shared Components or by abandonment of his Unit.

Underlined text indicates additions;
~~Struck-through~~ text indicates deletions.

3.13 The provisions of this Article 3 shall not be amended, modified or in any manner impaired and/or diminished, directly or indirectly, without the prior written consent of the Commercial Unit Owner. In the event of any conflict between the provisions of this Article 3, and the provisions of any other Article of this Declaration, the provisions of this Article 3 shall prevail and govern.

3.14 The Commercial Unit Owner shall notify the Association of the portion of the Shared Costs attributable the Owners. The Association shall include such portion of the Shared Costs in its Annual Budget as determined by the provisions of the Settlement Agreement annual budget as a Charge from the Commercial Unit Owner as provided by and Article VI of this Declaration. Provided however, the Shared Costs shall be assessed only against the Resort Units and not against the Commercial Unit. Both the Commercial Unit Owner and the Association shall have lien rights to collect the Shared Costs provided, however, that the lien of the Commercial Unit Owner shall be superior to the lien of the Association.

3.15 To the extent not prohibited by law, the Commercial Unit Owner has the right to subdivide the Commercial Unit into smaller Commercial Units and to allocate the Shared Costs among such sub-Commercial Units, without the consent of the Association, any Owners or any mortgagees. There will be a single bill from the Commercial Unit Owner to the Association for all of the Shared Costs, and it will be the responsibility of the Commercial Unit Owner or its designee to allocate the Shared Costs among the various owners of the sub-Commercial Units.

5. The following Sections of Article VI of the Declaration are hereby amended as follows:

ARTICLE VI

Common Expenses and Costs and Expenses Relating to Limited Common Area and Facilities

To the extent consistent with this Declaration and the Act, all provisions of the Bylaws relating to Common Expenses and the rights and remedies of the Association in connection therewith are hereby incorporated into this Declaration by reference. If there is a conflict between the Bylaws and this Declaration relating to Common Expense, the terms and provisions of this Declaration will control.

Common Expenses mean and include all sums designated in this Declaration or in the Bylaws as Common Expenses and shall also include Charges and Shared Costs, all sums incurred by or on behalf of the Association in the conduct and management of the affairs of the Association pursuant to this Declaration and the Bylaws.

6.1 The interest of any Owner in the reserves of the Association may not (except upon the termination of the common interest community established by this

Declaration) be withdrawn or assigned separately, but shall be deemed to be transferred automatically with each transfer of the Unit, whether or not mentioned or described expressly in the transfer document. The Association shall establish an adequate reserve, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the Common Area and Facilities and the Shared Components and other facilities as provided by the Budget Methodology Agreement and the Settlement Agreement. The reserve may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance.

6.2 Except as otherwise provided in this Declaration or the Bylaws, each Owner shall be liable for and pay a share of the Common Expenses, in proportion to the Allocated Interest appurtenant to his Unit. Assessments of Common Expenses shall be payable in monthly installments on the first day of each month for whole Owners, and annually for Owners of Timeshare Interests, or at such other times as shall be determined by the Board of Directors. Any portion of an Owner's assessments used or to be used by the Association for capital improvements or any other capital expenditure shall not be treated as income to the Association but shall be treated as a capital contribution by the Owners to the Association and shall be credited by the Association upon its books as paid in surplus. Regular assessments against all Units shall commence on the date of the first conveyance of a Unit, or a timeshare interest therein.

6.3 The Association will pay or cause to be paid, on behalf of the Owners, all Common Expenses as approved in the Annual Budget. Each Owner, as principal, shall be liable for and pay his share, determined as provided in this Declaration and the Bylaws, of all Common Expenses; and the Association shall be responsible, as agent for each Owner, only to transmit the payments made by the Owner to third persons to whom such payments must be made by the Owner. The Association may require the Manager to assist in its duties hereunder. The Association or the Manager collecting the Common Expenses shall not be liable for payment of such Common Expenses as principal but only as the agent of all Owners to transmit said payments to third persons to whom such payments must be made by the Owners.

6.4 Subject to the Act:

6.4.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the Owners, the management, maintenance, care, preservation and protection of the Project, enhancing the quality of life in the Project and the value of the Project including, without limitation, the improvement and maintenance of the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and Facilities, or in furtherance of any other duty or power of the Association.

6.4.1a Budget Methodology Agreement. As part of the Final Judgment in the certain litigation styled *Lodge at Westgate Park City Resort and Spa Condominium Association, Inc. v. Westgate Resorts, Ltd., et al.* Case No.

130500585 in the Third Judicial District Court for Summit County, Utah (the Lawsuit), the Court enforced the Budget Methodology Agreement as a binding agreement that superseded the Declaration, Bylaws and Shared Use Agreement to the extent that a conflict exists between them. Pursuant to the Settlement Agreement, the Annual Budget shall be determined by the Budget Methodology Agreement as provided in the Settlement Agreement.

6.4.2 Regular Assessments. The Board is expressly authorized to adopt and amend budgets from time to time. Not later than November 1 of each year, thirty (30) days prior to the beginning of each fiscal year, the Developer shall provide to the Board its proposed budget, prepared in accordance with the preceding Section 6.4.1a. The Board will have twenty (20) days after delivery of the Developer's proposed budget in which to approve or reject the budget provided by the Developer. If the Board rejects the Developer's proposed budget, the Board shall notify the Developer of the reasons for its rejection and the Board and the Developer shall work in good faith to resolve their differences. Failure to respond, in writing, within said twenty (20) day period shall be deemed to be the Board's approval of the Developer's proposed budget. the Board shall adopt a pro-forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. The Board shall send a written summary of the budget to all Owners within thirty (30) days after the adoption of the proposed budget. The Board shall at that time determine the amount of the regular Assessment to be paid by each Owner. Each Owner shall thereafter pay to the Association his regular Assessment in equal monthly installments on the first day of each month. In the event the Board shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it shall then immediately determine the approximate amount of such inadequacy and prepare a supplemental estimate of the Common Expenses and determine the revised amount of the regular Assessment against each Owner, and the date or dates when due. The Owners shall have no right to ratify any budget, or amendment thereof, adopted by the Board. Any controversy or any disputes regarding the annual budget, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, before a single arbitrator. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. In any event, any demand for arbitration regarding the annual budget must be filed before the beginning of the fiscal year for the budget in dispute. The arbitrator shall resolve any budget disputes based upon the terms of the Settlement Agreement, the agreed upon budget procedures set forth therein and the exhibits thereto. The Arbitrator's decision shall be binding only for the particular annual budget at issue and shall not apply to any future budgets.

5. Capitalized words and phrases shall have the meaning set forth in the Declaration, unless otherwise defined herein.

6. Except as herein modified, the Declaration shall remain unmodified and in full force and effect. To the extent of any conflict, the terms of this Amendment shall control and govern.

SECOND AMENDMENT TO SHARED USE AGREEMENT

This Second Amendment to Shared Use Agreement is made this _____ day of _____, 2020, by and between THE LODGE AT WESTGATE PARK CITY RESORT & SPA CONDOMINIUM ASSOCIATION, INC., a Utah non-profit corporation (hereinafter referred to as the "Condominium Association"), WESTGATE PARK CITY RESORT & SPA OWNERS ASSOCIATION, INC., a Utah non-profit corporation (hereinafter referred to as the "Timeshare Association"), and WESTGATE RESORTS, LTD., a Florida limited partnership (hereinafter referred to as "Developer"). The Condominium Association and the Timeshare Association shall be referred to collectively as the "Associations."

WITNESSETH:

WHEREAS, Developer and the Associations are a party to that certain Shared Use Agreement recorded August 29, 2007 as Entry No. 824052, in Book 1886, at Page 91 of the Official Records of Summit County, Utah, which Shared Use Agreement affects the real property described on Exhibit "A" attached hereto and incorporated herein, as more particularly set forth therein.

WHEREAS, Developer and the Associations desire to amend the Shared Use Agreement as set forth below.

NOW, THEREFORE, the Shared Use Agreement is amended as follows:

1. The above recitals are true and correct and form a material part of this Amendment.
2. Section 7 of the Shared Use Agreement is amended as follows:

a. All costs and expenses incidental to the maintenance, operation, repair and replacement of the Shared Amenities shall be assessed against each Association allocated with the Timeshare Project paying 45% of the total of such costs and the Condominium Project paying 55% of the total of such costs, subject to the following: The Condominium Association's obligation is limited to the payment of an "Amenity Use Fee." The Condominium Association's Amenity Use Fee for 2020 shall be \$500,455, which is inclusive of a 10% management fee as indicated by that certain Settlement Agreement dated [INSERT] by and between the Condominium Association and the Developer (the "Settlement Agreement") and all attachments including a "2021 Base Amenity Budget," a copy of which Settlement Agreement is attached hereto marked Exhibit "1" and incorporated herein by this reference. The Condominium Association's Amenity Use Fee for 2021, assuming historical occupancy levels, will be no more than \$901,238, as indicated by the 2021 Base Amenity Budget, inclusive of a 10% management fee payable to Westgate. Due to uncertainties resulting from the COVID-19 pandemic, the Condominium Association's Amenity Use Fee will be reduced and paid based on actual occupancy in 2021 compared to occupancy during the period from March 1, 2019 to February 28, 2020 according to the terms set forth in paragraph 2.d. of the Settlement Agreement. Annual increases in the Condominium's Amenity Use Fee

over the 2021 Base Amenity Budget will be limited to no more than the amount of 55% of the Developer's cost increases in the 2021 Base Amenity Budget categories, subject to the following limitations and carve outs. Annual increases in the 2021 Base Budget categories for the Condominium Association's Amenity Use Fee over the 2021 Base Budget and then from year to year, shall be commercially reasonable based on the actual increase in the cost of labor and materials in said categories and will be limited as follows: (i) labor increases shall be limited to the actual percentage increase from the prior year as determined by the statistics issued by PayScale for competitive properties as summarized on Exhibit "D" to the Settlement Agreement; (ii) material cost increases shall be limited to no more than five percent (5%) from the prior year, unless there are unforeseen costs outside the reasonable control of the parties including, but not limited to, technology changes, mechanical issues, labor strikes, wars, insurrections, hostilities, acts of terrorism, or acts of God, in which case there shall be no limitation on the increase in costs affected by such unforeseen circumstances; and (iii) employee headcount increases or any reduction in services will require mutual approval from the Condominium Association and the Developer. The parties agree to act in good faith to resolve any disagreements regarding proposed increases, to cooperate to minimize costs. Upon request of the Condominium Association, the Developer will solicit competitive bids from at least two independent contractors or suppliers for any specific services or supplies if the Condominium Association questions the proposed costs and the parties will agree to use the contractor or supplier providing the lowest responsible bid. Notwithstanding the foregoing, the Condominium Association's Amenity Use Fee for 2022 will be no more than \$925,000 and 2023 will be no more than \$950,000.

In the event operations of the Westgate Park City Project are substantially impacted by unforeseen circumstances outside the reasonable control of the parties such as labor strikes, wars, insurrections, hostilities, acts of terrorism, acts of God, pandemic (including the continuation of the COVID-19 if actual occupancy is below 30% calculated as set forth in paragraph 2.d. of the Settlement Agreement) or acts or omissions of any governmental authority (collectively called Force Majeure), the parties shall meet in good faith to negotiate a revised Amenity Use Fee budget. In the event the parties fail to agree to a revised Amenity Use Fee budget, the parties shall follow the procedures as set forth in section 7.e. of this Agreement. The Parties agree to act in good faith to resolve any disagreements regarding proposed increases, to cooperate to minimize costs and to submit any disputes to binding arbitration under the procedure set forth in section 7.e. of this Agreement. Upon request of the Condominium Association, the Developer will solicit competitive bids from at least two independent contractors or suppliers for any specific services or supplies if the Condominium Association questions the proposed costs and the Parties will agree to use the contractor or supplier providing the lowest responsible bid.

in proportion to which the square footage of all living units contained within the Timeshare Project and the Condominium Project bears to the total square footage of all living units in both the Timeshare Project and the Condominium Project. The Associations shall assess their respective unit owners, including the Developer, for their respective share of such expenses in accordance with the provisions set forth in the Timeshare Declaration and Condominium Declaration for allocating and making assessments of common expenses. With respect to the Timeshare Association, such such costs shall include, but not necessarily be limited to, insurance, taxes, labor, administrative personnel, reasonable reserves and a Developer administrative fee equal to 15% of the total of such costs.

The Amenity Use Fee shall be used to pay and shall be in satisfaction of the Condominium Association's share of obligations under the Shared Use Agreement. The Shared Amenities shall include all those listed in Exhibit H to the 2009 Budget Methodology as set forth in paragraph 3.c. of the Settlement Agreement including the Parking Garage, the Lobby, Library/Lounge, Indoor/Outdoor Pool, Outdoor Hot tubs (2);

Tennis Court, Basketball Court, Playground, Outdoor grill Area, Skier Services and Ski Lockers (including skier valet), Common Walkways, Landscaping, Concierge Services, Bell Services, Transportation Services, Security and Internet. Service levels provided by the Developer shall remain the same as provided in 2019, which is reflected in the 2021 Base Amenity Budget. However, the Developer (i) may adjust the hours of services and number of shuttles available to reduce transportation costs; and (ii) may adjust the number of hours of operation for concierge and skier services based upon occupancy levels and staffing needs. All changes in service levels shall be reviewed annually and jointly approved by the Condominium Association acting in a good faith, commercially reasonable manner, and the Developer prior to implementation. In the event of any reduction in service levels, the Condominium Association will receive the benefit of any proportionate cost savings. The Condominium Association shall pay for the entire cost of all pools and amenities located in Building 19 and these costs shall not be part of the Amenity Use Fee.

b. In the event that Developer defaults in its obligation to maintain the Shared Amenities as required hereunder and if such default is not cured after sixty (60) days written notice to Developer by any Association or Authorized User of such default, then the Associations (on behalf of themselves or any aggrieved Authorized User) may, but are not obligated to, perform any such required maintenance, including any reconstruction or repair deemed necessary by the Associations. In the event of any self-help by the Associations in accordance herewith, the Associations shall bill the Developer the Developer's proportionate share under the Timeshare Declaration and Condominium Declaration, both as the owner of any Timeshare Weeks, Condominium Units, or the Commercial Units. The Developer shall be obligated to pay such sum within thirty (30) days of the receipt of the invoice on same. In addition to the foregoing, the Associations, jointly and severally, shall be entitled to pursue any and all legal remedies they may have against Developer in connection with Developer's failure to maintain the Shared Amenities. Easements over and through all portions of the Master Parcel are reserved to the Associations for the purpose of enforcing the Associations' right of self-help under this Section 7.b., and the Associations may only enter any portion thereof to remove or remedy any defaults by the Developer. If the Associations, after notice to Developer of any default in accordance herewith and Developer's continued failure to cure the same, do in fact exercise their right to cure such defaults, the Developer's proportionate share as set forth above shall become a charge and continuing lien against the Developer's interest in the Developer Controlled Property as well as an individual and personal obligation of the Developer; provided, however, that nothing in this Section shall be construed to require Associations to take any action to enforce their rights under this Section 7.b.

c. Notwithstanding anything contained herein to the contrary, the obligation of the Associations for the costs and expenses set forth herein shall apply irrespective of the fact that some or all of these systems and equipment referenced herein, including electrical, mechanical, water, plumbing, sewage and other systems shall not be contained within the boundaries of the Condominium Project or the Timeshare Project. The Developer reserves the right to separately meter any or all utilities in order to carry out the purposes and intentions hereof.

d. For all years subsequent to the first fiscal year of the Associations (the first fiscal year being the period commencing with the recording of this Agreement through December 31st of that year, with the understanding that the first fiscal year may be a partial year, or such other fiscal years may be adopted by the Associations as the first fiscal year), the Developer shall provide to the Associations, by November 1 of each year within thirty (30) days following the end of any such fiscal year, an estimated operating budget for the Shared Amenities for the Timeshare Association and an estimated budget for the Amenity Use Fee for the Condominium Association, for the expenses described above for the ensuing year of the Associations, together with a statement of expenditures for all such expenses incurred by the

Developer in the maintenance of such areas for the preceding fiscal year of the Associations. The Associations shall have twenty ten (2010) days from the delivery of said notice by the Developer in which to approve or reject the budget provided by the Developer; or, in the alternative, to suggest an alternative budget. If an Association rejects the Developer's proposed budget, the Association shall notify the Developer of the reasons for its rejection and the parties shall work in good faith to resolve their differences. Failure of the Associations to respond, in writing, within said twenty ten (2010) day period shall be deemed to be an approval by the Associations of the proposed budget, assessment. In the event the budget as proposed by the Developer is not approved by either Association as set forth herein, the Associations shall continue to pay the assessments applicable for the previous year. The Developer shall in its sole discretion be entitled to increase the Timeshare Association's total assessment and the Condominium Association's Amenity Use Fee by a sum not to exceed fifteen five (15%) percent of the previous years' assessments and Amenity Use Fee until such budget has been approved by agreement of the parties or determined by arbitration as provided below. as provided herein, by the Associations in order to cover any projected deficits.

e. Any controversy or claim under this Agreement or any disputes regarding the annual budget, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, before a single arbitrator. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. In any event, any demand for arbitration regarding the annual budget must be filed before the beginning of the fiscal year for the budget in dispute. The arbitrator shall resolve any budget disputes based upon the terms of this Agreement, the agreed upon budget procedures set forth herein, and the exhibits hereto. The Arbitrator's decision shall be binding only for the particular annual budget at issue and shall not apply to any future budgets. In the event an Association does not approve the budget, the matter shall be submitted for binding arbitration in accordance with the rules of the American Arbitration Association. Each party shall select one (1) arbitrator, and these two (2) arbitrators shall select a third arbitrator. The arbitrators must adopt either the budget proposed by the Developer or the budget proposed by the objecting Association in its entirety and shall have no discretion to alter either budget nor make any compromise in its decision, unless agreed to by both parties. The same procedure shall apply with respect to objections by an the Timeshare Association to a special assessment as provided below. The arbitration provisions contained herein shall be strictly limited to the items set forth herein and shall not apply to any other provisions of this Easement Agreement. In the event that only one Association objects to the budget or the special assessment, the non-objecting Association shall also be a party to the arbitration.

f. In the event the Developer shall, at any time (except during the first fiscal year of the Associations) determine that the estimated amount assessed to the Timeshare Associations for use of the Easements and for Shared Amenities is insufficient to pay the actual maintenance cost thereof (including reserves), the Developer shall immediately notify the Timeshare Associations of the deficit and request the Timeshare Associations to approve a special assessment in order to pay the deficit. The Timeshare Associations shall approve or reject the special assessment within fifteen (15) days of delivery of notice thereof by the Developer. Failure of the Timeshare Associations to respond in writing within the fifteen (15) day period shall be deemed to be an approval of the Timeshare Associations of the assessment. The special assessment shall be payable by the Timeshare Associations within thirty (30) days of approval, as provided for herein.

g. All payments (except special assessments to the Timeshare Association, which are due as provided for in the notice of special assessment) required to be made hereunder by the Associations to the Developer, shall be payable by the Associations on a monthly basis, all payments due in advance on the first day of each month.

h. Notwithstanding anything contained herein to the contrary, the Developer shall not be required to subsidize any deficits caused by an insufficiency in the budget, including but not limited to a failure by the Associations to approve any operating budget proposed by the Developer or to approve any special assessment proposed by the Developer. In this regard it is understood that the Developer, its successors and assigns shall not be liable to the Associations nor any member of the Associations for a lack of adequate service or for failure to properly maintain the Shared Amenities in the event the Associations fail to approve the budget proposed by the Developer or any special assessment; provided, however, that (i) the Condominium Association's obligation with respect to the Shared Amenities is limited to the Amenity Use Fee as provided in Section 7a. above, and (ii) the Developer's obligations to provide services to and maintain the Shared Amenities for the use of the Condominium Association and its members shall not be reduced except to the extent the Condominium Association fails to pay the Amenity Use Fee or agrees to a reduction in services.

i. In-addition to the budget referenced herein, Developer may at its option provide to the Associations a separate budget for the costs and expenses set forth herein or may provide for such items of expense to be directly billed to the Associations if, as, and when necessary.

4. Capitalized words and phrases shall have the meaning set forth in the Shared Use Agreement, unless otherwise defined herein.

5. Except as herein modified, the Shared Use Agreement shall remain unmodified and in full force and effect. To the extent of any conflict, the terms of this Amendment shall control and govern.
