All of Lots 15 to 24, inclusive, Block 1, Cone & Roberts Addition, all of Lots 15 to 21, inclusive, Block 4, Cone & Roberts Addition, and Lots 36 and 37, Block 16, Oakley.

now stands of record in the name of Federal Homes, Inc., a Utah corporation, Articles of which have been filed in Salt Lake County in accordance with the laws of the State of Utah, of which Alan W. Brockbank is President.

WHEREAS, the owner of the above described tract of land wishes to improve the property, and

WHEREAS, the owner is desirous of creating restrictions and covenants respecting the above described property, which restrictions and covenants are the same as those of Rose Park, a subdivision which surrounds the above described property.

NOW, THEREFORE, in consideration of the premises, and as a part of the general plan for the improvement of said property, the owner does hereby declare the property hereinabove described subject to the restrictions herein recited, which restrictions shall operate as a blanket encumbrance upon the said property, and shall be deemed to be incorporated by reference in all conveyances of said property, or any part thereof, and all conveyances of said property, or any part thereof, shall be subject to said restrictions, which are and shall operate as covenants running with the land for the benefit of and giving the right of enforcement to the undersigned, its successors and assigns and grantees, who are or become owners of any of said lots.

The restrictions are as follows:

- A. All the above described lots shall be known and described as residential lots.
- B. No structures shall be erected, altered, placed, or permitted to remain on said residential building plot other than one detached single-family dwelling, or one detached two-family dwelling not to exceed two stories in height and a private garage for not more than two (2) cars, and other structures as provided

in paragraph N.

C. No building, outhouse, garage, fence, wall, retaining wall, or other structure of any kind shall be erected, constructed, placed or maintained on said real property, or any part thereof, nor shall there be any changes made to the exterior by way of alteration, addition, repairing, remodeling or adding, unless prior to the commencement of any construction, excavation, or other work, two complete plans and specifications therefor, including front, side and rear elevations, and floor plans for each floor and basement, color scheme thereof, and two plot plans indicating and fixing the exact location of such structure, or each altered structure on the lot with reference to the street and side lines thereof shall have been first submitted in writing for approval, and approved in writing by a committee, which committee is provided for in Paragraph G.

D. In the event the proposed improvement be only for repainting or redecorating the exterior of such structure without remodeling or changing it, or making additions thereto, it shall be necessary to file in duplicate the color scheme of such proposed work and have the same approved in writing prior to the commencement of such work.

E. The committee shall endorse the plans and specifications, etc. on all work performed, whether for decoration or alteration, and shall return one set of approved plans and specifications to the owner, and retain one set in a file for a permanent record.

F. When the construction of any building on any lot is once begun, work thereon must be prosecuted diligently and it must be completed within a reasonable time. No building shall be occupied during construction, or until made to comply with all requirements of this Declaration.

G. The building and architectural committee shall be composed of Edward J. Holmes, Howard J. Layton and Alan E. Brockbank, or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member, or members, shall have full authority to approve or disapprove such

design and location, or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building, or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required, and this Covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this Covenant. The powers and duties of such committee, and of its designated representative, shall cease on and after January 1st, 1976. Thereafter the approval described in this Covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of these lots, and duly recorded, appointing a representative, or representatives, who shall thereafter exercise the same powers previously exercised by said committee. It is the intent of these Deed Restrictions to define the name "committee" wherever it appears in the Deed Restrictions, to mean the "building and architectural committee" referred to in this paragraph.

H. No building shall be located nearer to the front lot line or nearer to the side street line than the building setback lines shown on the recorded plat. In any event, no building shall be located on any residential building plot nearer than twenty-five feet to the front lot line, nor nearer than fifteen feet to any side street line. No building, except a detached garage, or other outbuilding located fifty feet, or more, from the front lot line, shall be located nearer than 8.0 feet to any side lot line.

I. No residential structure shall be erected or placed on any building plot, which plot has an area of less than 5000 square feet or a width of less than 50 feet at the front building setback line.

neighborhood.

K. No trailer, basement, tent, shack, garage, barn or other outbuilding erected in the tract shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence. Nor shall any house be moved upon any lot, or any part of a lot, unless permission is given by committee mentioned above in Paragraph G.

L. No dwelling, outhouse, or garage on any lot shall be painted any color other than the original color of the residence located thereon, unless and until written approval shall have been secured from the committee.

M. No animals, bird or fowl, including but not limited to horses, hogs, cattle, cows, goats, sheep, rabbits, hares, dogs, cats, pigeons, pheasants, game birds, game fowl, or poultry (except as in Paragraph N hereof permitted) shall be kept or maintained on any part of said property.

N. Dogs and cats may be kept upon any lot in reasonable numbers as pets for the pleasure and use of the occupants of said lot, but not for any commercial use or purpose. The committee shall have the right to determine what is a reasonable number of such animals. Rabbits and poultry may not be kept upon any lot for any purpose, unless and until authorized in writing by the committee, and in granting any such authorization the committee shall have the right to limit the number and prescribe the conditions under which any such rabbits and poultry may be kept. In no event shall any roosters, or other noisy fowl, be kept for any purpose on any lot.

O. No dwelling shall be permitted on any lot with a ground floor area of the main structure, exclusive of one story open porches and garages, which shall be less than 600 square feet in the case of a one-story structure, nor less than 500 square feet in the case of a one and one-half or two story structure.

These covenants are to run with the land, and shall be binding on all parties and all persons claiming under them until January 1, 1978, at which time said Covenants shall be automatically extended for successive periods of ten years, unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person, or persons, owning any real property situated in said development to prosecute any proceedings at law or in equity against the person, or persons violating or attempting to violate any such Covenant, and either to prevent him, or them, from so doing, or to recover damages or other dues for such violation.

Invalidation of any one of these Covenants by judgment or court order, shall in no wise affect any of the other provisions which shall remain in full force and effect.

The restrictions herein contained shall be known to be in addition to and not in conflict with the zoning ordinance now in force as enacted by Salt Lake City, Utah.
