PLATS A, D & E

KNOW ALL MEN BY THESE PRESENTS:

That COLES DEVELOPMENT COMPANY is the owner of the following described property, located in Springville, Utah, Utah County, State of Utah:

SEE THE ATTACHED EXHIBIT "A", WHICH IS MADE A PART HEREOF BY THIS REFERENCE.

It is the owner's desire to restrict the use to which the above described real property is put, and for this purpose executes these covenants and building restrictions.

That the real property covered by said COVENANTS has been platted and is designed and known at COUNTRY SPRINGS DEVELOPMENT, that a plat thereof was accepted by SPRINGVILLE CITY COUNCIL and the Mayor of Springville City, and has been recorded in the office of the County Recorder of Utah County.

NOW THEREFORE, all of the lots shown on the subdivision plat(s) of the COUNTRY SPRINGS DEVELOPMENT are held and shall be conveyed subject to the restrictions and covenants herein-after set forth, and all persons and corporations who hereafter own or have any interest in any lot in said subdivision shall take and hold same subject to this agreement and covenants with the other owner(s), their heirs and successors and assigns to conform to and observe the same.

1). DWELLING QUALITY AND SIZE:

a). All of the lots shown on said subdivision plat(s) shall be used only for residential purposes. No dwelling shall be erected, altered, placed or permitted to remain on any lot other than a single family dwelling. No COMMERCIAL business usages shall be allowed. (Commercial usage is defined as business that require commercial truck deliverage or that required or shows substantial increase in automobile traffic or increase of parking around the residence).

b). For a single story dwelling, the finished area above grade will be not less than 1,600 sq.ft., exclusive of open porches and garages.

c). For a two (2) story dwelling, the finished area above grade will be not less than 1000 sq.ft. on the main level and 900 sq.ft. on the upper level, depending on design.

d). No typical 4 level splits or split entrys (bi-levels) will be permitted in this subdivision, unless, approved by the Architectural Control Committee.

e). OTHER STYLES OF HOMES: No modular homes, no round homes, no octagon homes, no prefab homes, or prebuilt homes, no all wood homes, no all aluminum homes, no bi-level homes, nor log homes, mobile homes, steel homes and no concrete homes

(2)

or any other type of home of this nature shall be built or erected in this subdivision. Also, no solar homes can be built unless approved by the ACC.

ENT 1173 BK 3069 PG 423

2). SPECIFICATIONS:

To maintain a degree of protection to the investment which homeowners in this development may make, homes of above to superior design and quality are requisite, and must be approved by the ACC. in advance of the commencement of construction.

a). The following building location restrictions shall apply:  
All properties to comply with Springville City building regulations and codes, with all houses and/or garages set backs according to Springville City Codes. (see Springville City for detail information.)

b). NO junk vehicles will be allowed on any property, for temporary or permanent use, or storage.

c). No structure of a temporary character, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot, at any time, as a residence, either temporary or permanent.

d). All fences must be approved by Springville City. NO CHAIN LINK FENCES WILL BE ALLOWED, other than for short dog runs.

e). Swamp Coolers will be allowed, however, all coolers must be placed on the back side of the roof so little or no part of the cooler can be seen from the front street location.

f). No radio or short wave antenna's will be allowed. All T.V. antenna's must be placed on the back side of the roof, or in the attic, so little or no part can be seen from the front street location.

g). Lots #13 & 14, as indicated on the preliminary plat, must install a wood fence down the concrete sidewalk that exists between the two lots. This fence must be installed as the occupancy is granted.

h). All satellite antenna systems (disk's) can not be placed or installed in the front or side yards.

i). All items that are put in for the common benefit of the all lot owners, will be maintained by the lot owner of who that benefit sits. That lot owner can not alter or change in anyway that item (nearly brick entrance ways etc.)  
If that lot owner does not or can not maintain the entrance way(s), then all lot lot and homes owners can maintain the entrance way and the cost will be shared equally by those in the subdivision. Anyone failing to pay his or her fair share, the body of the lot owners can cause a lien to be brought on his or her property or home, until his or her share is paid in full. Said lien can carry an interest rate not to exceed 10%

It is understood that the entrance ways will be deeded over to the lot owner to maintain these items in a reasonable manner so as to maintain the appearance of the subdivision. Any damages to said entrance way(s) must be repaired within a reasonable length of time.

j). All lots shall be required to have a front yard light, with an automatic eye so as to control the on and off with the rising and setting of the sun. The light posts must be installed at the time occupancy is granted.

k). All lots shall have a mail box that is approved by the Architectural Control Committee and the Post Office of Springville. See the Architectural Control Committee for a approval of both. (the mail box and the yard light are required to be built and installed by the builder of the home.).

l). All roofs must be a minimum of a 20 year guarantee asphalt roof or equivalent.

m). All lots must be built on within 5 years from the date of purchase.

n). All houses must have approximately 50% brick if using aluminum siding as the balance of the finish. The brick, if used in conjunction with stucco, can be a lesser per-centge depending on the design. All stucco must have a synthetic stucco finish, with pop outs around all windows.

o). All house plans must be approved and have signature of the ARCHITECTURAL CONTROL COMMITTEE before the house can start construction. It is the responsibility of the lot owner to make sure 1 COMPLETE set of plans have been submitted and approved by the committee before starting construction. The COMMITTEE will return the completed set of plans to the home owner. This set is the set that the general contractor must use in building the house.

It is the responsibility of the lot owner to make sure that the contractor receives a copy of the restrictive covenants and building restrictions, and that he sign them, showing that he has read them and will abide by them. Likewise, it is the responsibility of the contractor to make sure that these covenants and restrictions are passed onto the new buyer of any home built on speculation or resale etc.

It is the responsibility of each homeowner to make sure any person(s) buying their home, receives a copy of these covenants.

p). Front yards and side yards must be landscaped within 15 months from the time construction begins on the home.

The rear yard landscaping must be completed within 24 months from the time construction begins on the home.

In all cases, the ARCHITECTURAL CONTROL COMMITTEE will make the final decisions, as to materials used in building the house, and in overseeing the regulations within these COVENANTS AND RESTRICTIONS.

3). ENFORCEMENT RIGHTS:

If the parties hereto, or any of them, or their heirs or assigns shall violate or attempt to violate any of these COVENANTS AND BUILDING RESTRICTIONS, herein, it shall be lawful for any person or persons owning any real property in this subdivision, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such COVENANTS AND BUILDING RESTRICTIONS, and with to prevent him or them from so doing or to recover damages, attorney fee's, court costs or other costs for such violation.

4). ARCHITECTURAL CONTROL COMMITTEE:

The initial Committee is comprised of O. KENT COLES, THE DEVELOPER.

a). When all the lots within the development have been sold by the developer, structure of the COMMITTEE will change to include not less than three (3) nor more than five (5) duly elected property owners and representatives of the development and the DEVELOPER will no longer be included.

b). Members of the COMMITTEE shall be elected to a one year term at the annual meeting of the property owners in COUNTRY SPRINGS DEVELOPMENT, on a one vote/recorded lot basis. At all times there will be at least 3 members on the committee. The President, the President Elect and a Vice President. The President will serve for one year and then remain as a consultant. The President Elect will then become President for one year and then remain on for one year as a consultant, the first consultant then is no longer included, and so on. Each time one is released another member is noted into the presidency.

Vacancies on the COMMITTEE, during the term, shall be filled by a majority vote of the remaining COMMITTEE members. Any and all members of the COMMITTEE may be removed and replaced upon a 2/3rds vote of the property owners.

Any requests for deviation from the above COVENANTS AND BUILDING RESTRICTIONS must be presented to the COMMITTEE for consideration and approval.

5). NOTIFICATIONS:

a). It should be noted that COUNTRY SPRINGS DEVELOPMENT is located in a Flood "B" Zone, and that some flood insurance may be required by your lender.

b). On lot #17, Preliminary Plat, there will be an irrigation box for the purpose of the land belonging to Mrs. Hattie Ostler. The owner (Ostler) will be granted rights to this irrigation box by virtue of an 8' easement along the south boundary of COUNTRY SPRINGS LAND. The owner of said lot shall be required to put his fence (when and if installed), on the north side of said irrigation box so Mrs. Ostler can have access to the box from her property on the south of lot #17.

c). On lot #20, Preliminary Plat, there is an existing irrigation box in the south east corner of lot #20. The owner of said lot shall be required to fence (when and if installed), on the north side of said irrigation box, so Mrs. Ostler and other water users will have access to this control box. Access will be provided by an 8' easement along the south boundary of COUNTRY SPRINGS LAND. The water users will access this control irrigation box from the west and south of the south boundary of COUNTRY SPRINGS LAND.

d). For lots # 14,15,16,17,18,19 & 20, it should be noted that an irrigation ditch runs underground on south boundary of these lots. One cleanout, control irrigation box is provided the water users and access is provided by an 8 foot easement.

e). For lots # 1,2,3,4,5,6,7,8,9, &10 there is a 45 foot easement from the center of Hobble Creek river. Nothing of a permanent nature should be built within this easement.

f). It should be noted, that a 5 foot wide walk way has been deeded over to the City of Springville, for the purpose of foot traffic to outside areas.

g). Lots owners on lots 13 & 14 are required to fence the 5 foot walk way between these lots, with a high quality wood fence, 6 feet high. Chain link fence will not be allowed.

h). There is a drainage easement between lots 2 & 3 for the purpose of draining surface water to Hobble Creek.

i). It is required that each and every lot owner read and understand these COVENANTS AND BUILDING RESTRICTIONS of COUNTRY SPRINGS DEVELOPMENT and that they sign a copy of this document specifying that they have read it and accept it in its entirety and will abide by same.

mail box.

j). All landscaping, including grass, trees, shrubs, must be  
completed within 24 months from first the ground is broken for the  
home site. Front yard landscaping must be in place within 15 months  
from the first ground is broken for the home site.

k). Lots 2,3,4,5,6,7,8,9, & 10 have a 45 foot easement from the  
center line of the creek, then towards the home site. (see plat).

(3)

1). It should be noted that home size and requirements are different for the homes located in Plat "B" and "C".

SPECIFICATIONS:

ENT 1173 BK 3069 PG 430

To maintain a degree of protection in the investment, which homeowners, in this area may make, homes of superior design are requisite, and must be approved by teh A.C.C., in advance of the commencement of construction. Designs shall be limited to those prepared by Architects licensed to practice in any U.S. jurisdiction or by designers of outstanding ability.

a). One set of complete plans and specifications together with a site plan, shall be submitted to the A.C.C. for approval. All plans must have the approval of the A.C.C. signature and date before proceeding with construcition.

b). The Committee (A.C.C.) shall approve or disapprove the plans and specifications and details within 7 days from receipt. The plan submitted shall be returned to the lot owner, along with any comments the committee may deem to make, and this set of plans shall become the builders set of plans whereby the home is built.

c). The Committee shall not be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

d). Easements for installation and maintenance of utilities are reserved as noted on the recorded plats. Within these easements no structure or other materials shall be placed or permitted to remain which may damageor interfere with the installation and maintenance of utilities and easement rights. The easement areas of each lot and improvements in it shall be maintained continuously by the owner of the lot, except fr those improvements, if any, for which a public authority or utility company is responsible.

d). All lot setbacks, side yard and back yard set backs shall conform to the City of Springville.

3). MAINTENANCE:

a). A NOTICE OF CONTINUING LIEN will be placed upon the entire subdivision called COUNTRY SPRINGS and it shall be binding on all lots and lot owners within this project. (lots 1-43 OF COUNTRY SPRINGS) The purpose for the continuing lien is to insure that the payment of the monthly maintenance fees (if any), the assesments, penalties, interest and administrative assesments on any or all of said items are paid. Also, to insure that all items specified in the RESTRICTIVE COVENANTS, that requie the lot/home owner to comply with (i.e. brick mail boxes and yard lights, landscaping) are installed according to the covenants hereto.

A certificate of good standing must be obtained from the COUNTRY SPRINGS HOME OWNERS ASSOCIATION, indicating that all outstanding assesments and obligations have been paid in full and/or installed, prior to the closing of any loans.

The cost of obtaining a "CERTIFICATE OF GOOD STANDING" may be \$10.00 per certificate.

b). No lot shall be used or maintained as a dumping ground for rubbish or debris. Trash, garbage or other waste shall not be kept except in a sanitary container(s). All containers used for the storage or disposal of such materials shall be kept clean and sanitary.

c). Unless otherwise approved in writing by the A.C.C., construction of the primary dwelling must be completed, construction materials and equipment removed and the ground graded, within 15 months from the time ground is broken for the structure.

d). All lots, whether improved or unimproved, must be kept free of rubbish, weeds, trash and all debris of any kind and must be maintained in such a manner as to not detract from the subdivision, as a whole. Sidewalks, parkways, curb and gutters must be kept clean, unobstructed and in good repair.

e). NO CONTRACTOR OR LOT OWNER shall use someone else's lot to hold top soil or any gravels or building materials, without the express written consent of that lot owner.

f). Any item put in for the common benefit of all lot owners will be maintained by all parties and all expenses and repairs and costs of operations will be paid equally by those lot owners in this subdivision. Anyone failing to pay his or her share, the body of the lot owners can cause a lien to be brought on his or her property until the amount is paid in full. Said lien can carry an interest rate not to exceed 18% annual rate. The body of the lot owners shall be known as "COUNTRY SPRINGS HOMEOWNERS ASSOCIATION". All parties who will be affected by additional common benefits or assets must approve said improvements and costs.

g). It is understood that the ENTRANCE WAYS, brick, rock, rod iron, signs etc., are the common ownership of the COUNTRY SPRINGS HOMEOWNERS ASSOCIATION, and they must be maintained by the lot owners, by someone appointed to act in their behalf. The lot owners, whereby the entrance way sits, can not alter, in any way, the structure. The body of the lot owners will elect a person or persons to take charge of the association for one year. The association will set a annual fee for maintainance and the first years annual fee will be collected at the closing of the lot transaction.

4). RESTRICTIVE USE:

a). No noxious or offensive activity shall be carried on and upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

b). No structure of a temporary character, trailer, basement, tent, shack, barn or other out buildings shall be sued on any lot, at any time, as a residence either temporary or permanently.

c). No animals, livestock or poultry of any kind shall be raised or kept on any lot, except for dogs, cats and other domesticated household pets may be kept provided that they are not kept or maintained for commercial purposes or in any quantity, and provided further that all pets kept outside must be restrained in a humane and sanitary manner. Kennels, runs and leash areas must be kept clean and sanitary and may not be locate closer than 20 feet from any neighboring dwelling. No pets may be kept in unreasonable numbers, and the A.C.C. may establish rules and restrictions concerning breeds, types and numbers of dogs, cats and all animals. No pit bulls (dogs) nor mini-pigs etc., shall be allowed in the subdivision.

d). No automobiles, trucks, camperss trailers, boats, equipment, recreational vehicles, motor homes or other similar vehicles shall be parked or stored on a public street or right of way for more than 72 consecutive hours. The intent of this provision is to keep the roadways open to daily traffic, and to avoid unsafe and unsightly conditions of vehicles parked onthe street for long periods of time. The A.C.C. may enforce this provision by first giving notice to the owner of the violation, or when the owner is not readily available, by giving notice in the form of a written request placed on the vehicle in question and subsequently by causing the vehicle(s) or equipment parked on the street in violation of this provision, be towed away, at the owners expens. None of the above reference vehicles or equipment may be kept or stored on any lot unless in a garage or parking stall (pad), however, commercial business equipment etc., are not allowed in this subdivision, only for the building of the homes etc.

e). No lot line fence over 6 feet will be allowed. NO CHAIN LINK FENCES WILL BE ALLOWED.

f). Swamp Coolers are allowed, however, all coolers must be placed on the back side of the roof so NO part of the cooler can be seen from the front street location.

g). No radio or short wave antenna's will be allowed. All T.V. antennas must be placed on the back side of the roof, or in the attic, so no part can be seen from the front street location. All satelite antenna systems can not be placed in the front yard, side yard or roof. They must be sight obscured.

h). NO COMMERCIAL BUSINESSES or activitiy of a permanent nature may be conducted within the subdivision, without the express written consent of the A.C.C.. The standard by which the Committee shall judge in connection with such request, shall be based on business traffic avoidance within the subdivision, the avoidance of equipment traffic and storage of equipment on the owners ot, and the unobtrusive nature of the requested activity, viz, the other property owners. In all cases, NO COMMERCIAL SIGNS WILL BE ALLOWED.

i). No more than one (1) family unit will be maintaied on each lot within the subdivision. Not withstanding the foregoing. It is contemplated that live-in help and immediate family members, their spouses and children would be permitted to occupy the premises with the lot owner.

(6)

5). ENFORCEMENT RIGHTS:

ENT 1173 BK 3069 PG 433

If the parties hereto, or any of them, or their heirs or assigns shall violate or attempt to violate any of the Covenants herein, it shall be lawful for any person owning any real property in the subdivision to prosecute any one by proceedings at law or in equity against the person or persons violating or attempting to violate any such Covenant, and with to prevent him or them from so doing or to recover damages, attorney fees, costs of the court or other dues for such violation.
