The Property is hereby made subject to, and shall be governed by the Declaration, and the covenants, conditions and restrictions set forth herein.

### III. COVENANTS, CONDITIONS, AND RESTRICTIONS

The foregoing submission is made upon, under and subject to the following covenants, conditions, and restrictions:

1. Description of Improvements. The significant improvements contained in the Project include residential Lots, Dwellings, and Common Area. The Project will also contain other improvements of a less significant nature. The location and configuration of the improvements referred to in the foregoing sentences are depicted on the Plat Maps for the entire development.

2. Description and Legal Status of the Property. The Plat Map shows the type and location of each Lot and its Lot Number, which are reserved for the exclusive use of a Lot or Lot Owners, and the Common Areas and Facilities in the vicinity. The Common Area shall be deeded to and owned by the Association. All Lots shall be capable of being independently owned, encumbered, and conveyed, and shall have separate tax identification or parcel numbers.

3. Membership in the Association, Classes of Membership and Voting Allocations. Membership in the Association is mandatory and may not be partitioned from the ownership of a Lot. Each Lot Owner by virtue of his accepting a deed or other document of conveyance to a Lot is deemed to be a member of the Association. The Association shall have two classes of membership – Class A and Class B – described more particularly as follows:

(a) Class A. Class A Members shall be all Owners with the exception of the Class B Members, if any. Class A Members shall be entitled to vote on all issues before the Association, subject to the following:

(1) One Vote. Each Lot shall have one (1) vote;

(2) Subject To Assessment. No vote shall be cast or counted for any Lot not subject to assessment;

(3) Multiple Owners. When more than one (1) person or entity holds such interest in a Lot, the vote for such Lot shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Lot shall be suspended in the event more than one (1) person or entity seeks to exercise it.

(4) Leased Lot. Any Owner of a Lot which has been leased may, in the lease or other written instrument, assign the voting right appurtenant to that Lot to the lessee, provided that a copy of such instrument is furnished to the Secretary at least three (3) days prior to any meeting.

(b) Class B. Class B Members shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Lots, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member shall originally be entitled to five (5) votes per Lot owned. The Class B membership and the Class B Control Period shall terminate, and Class B membership shall convert to Class A membership upon the happening of the earlier of the following (the “Event” or “Events”):

- (1) Lots Sold. Four (4) months after the last Lot owned by the Declarant has been sold and closed; or
- (2) Seven Years. Seven (7) years from the effective date of this Declaration; or
- (3) Election. When, in its sole discretion, Declarant so determines.

From and after the happening of these events, whichever occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one vote for each Lot owned. After the occurrence of such event, the Declarant shall call a meeting, in the manner described in the Bylaws of the Association for special meetings, to advise the membership of the termination of Class B status and, if it has not already occurred, to schedule transition of the operation and management of the entire Project to the Association.

4. Status and Registration of Association.

(a) The Association shall be in the form of a corporation. The governing board may unilaterally re-file the articles of incorporation of the Association if its status has been suspended or dissolved, and it may adopt the prior bylaws.

(b) The Association shall register with the Utah Department of Commerce and pay the Registration Fee<sup>1</sup> as required by statute.

5. Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering a Lot shall describe the interest or estate involved substantially as follows:

All of [Lot No. \_\_\_\_\_] contained within Solstice at Waters Edge [Phase No. \_\_\_\_\_ (if applicable) ], as the same is identified in the Plat Map recorded in Utah County, Utah as Entry No. \_\_\_\_\_ in Book \_\_\_\_\_ at Page \_\_\_\_\_ of the official records of the County Recorder of Utah County, Utah (as said Plat Map may have heretofore been amended or supplemented) and in the Declaration of Covenants, Conditions, and Restrictions of Solstice at Waters Edge recorded in Utah County, Utah as Entry No. \_\_\_\_\_ in Book \_\_\_\_\_ at Page \_\_\_\_\_ of the official records of the County Recorder of Utah County, Utah (as said Declaration may have heretofore been supplemented).

Regardless of whether or not the description employed in any such instrument is in the above-specified form, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot. Membership in the Association shall not be separated from the Lot to which they appertain; and, even though not specifically mentioned in the instrument of transfer, such mandatory membership in the Association and such right of non-exclusive use shall automatically accompany the transfer of the Lot to which they relate.

6. Rights of Owners. Except as may be specifically set forth in the Project Documents, neither the Board nor the Members may adopt any Rules and Regulations in violation of the following provisions, though where not specifically provided for otherwise the following provisions may be altered by an amendment to this Declaration if permitted by law:

(a) Similar Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Flags, Signs, Religious and Holiday Displays. The Association may not prohibit the display of a U.S. flag inside a Lot or Dwelling, if the care of the flag and display is consistent with federal law. The Association may control and restrict the display of a flag in the Common Area. The rights of Owners and occupants to display religious and holiday signs, symbols, and decorations on their Lots of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions regulating displays which are visible from outside the Lot.

(c) Household Composition. No rule shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that the Declaration limits residency in a Dwelling to a Single Family and the Association shall have the power to limit the total number of occupants permitted in each Dwelling on the basis of the size and facilities of the Dwelling and its fair share use of the Common Area.

(d) Activities Within Lots. No rule shall interfere with the activities carried on within the confines of Lots, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible from outside the Lot, or that create any unreasonable sound or annoyance.

(e) Allocation of Burdens and Benefits. No rule shall alter the basis for allocation of financial burdens among various Lots or rights to use the Common Area to the detriment of any Owner over that Owner's objection expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the use of the Common Area and Facilities, from adopting generally applicable rules for use of Common Area and Facilities, or from denying use privileges to those who abuse the Common Area, violate Project Documents, or fail to pay assessments. This provision does not affect the right to increase the amount of Assessments.

(f) Alienation. Subject to the restrictions found in Section 7 herein, no rule shall prohibit the leasing or transferring of any Dwelling, or require consent of the Association or Board for leasing or transferring of any Lot.

(g) Reasonable Rights to Develop. No rule, amendment to this Declaration, or action by the Association or Board shall unreasonably impede Declarant's right to develop in accordance with the Master Plans, including, but not limited to, the rights of the Declarant as set forth herein.

(h) Abridging Existing Rights. Any rule which would require Owners to dispose of personal property being kept on the Property shall apply prospectively only and shall not require the removal of any property which was being kept on the Property prior to the adoption of such and which was in compliance with all Rules and Regulations in force at such time unless otherwise required to be removed by law. The limitations in this subsection shall apply to Rules and Regulations only; they shall not apply to amendments to this Declaration.

(i) Nature and Restrictions on Ownership and Use in General. Each Owner shall have and enjoy the privileges of fee simple ownership of his Lot. There shall be no requirements concerning who may own a Lot, it being intended that they may and shall be owned as any other property rights by any Person. The Project shall be used only for residential purposes, except as expressly set forth below, and the Common Areas and Facilities shall only be used in a manner consistent with the residential nature of the Project.

(j) Mandatory Association. Each purchaser of a Lot by virtue of his acceptance of a deed or other document of conveyance shall automatically become a Member of the Association.

(k) Easements and Rights of Way. Declarant hereby reserves to itself and grants:

(1) Common Easement. A perpetual right-of-way and non-exclusive easement over, across, and through the Project for use in common by the Declarant and Owners, subject to all of the terms, covenants, conditions and restrictions set forth herein.

(2) Private Easement. A perpetual private non-exclusive easement for the exclusive use and benefit of the Declarant and Owners.

(3) Declarant's Easement. An exclusive easement to the Declarant, for itself and its affiliates and assignees, to make such use of the Project as may be necessary or convenient to perform the duties and functions hereunder, including, by way of illustration but not limitation, the construction of the improvements, Lots, and Homes in the Project.

(4) Construction Easements. A temporary construction easement to the Declarant, for itself and its affiliates and assignees, over, under, across, and through the Project for the purpose of doing all things that are reasonably necessary as a part of constructing any new improvements for the Project including all physical improvements as well as all Lots and Homes. The Owners do hereby acknowledge and agree that there will be construction activities, traffic,

noises, odors, and vibrations which may temporarily disrupt their quiet enjoyment of their Lots and Homes until all improvements are complete, and such Owners do hereby waive any right to object to such construction activity; provided, however, Declarant shall endeavor to use reasonable efforts to minimize the adverse impact of such construction activities on the Owners, Lots, and Homes. Declarant's construction activities pursuant to the easement granted hereunder shall not be deemed to be a violation of the Use Restrictions.

(5) Locations of Facilities Easements. A non-exclusive easement to the Declarant, for itself and its affiliates and assignees, to construct, operate, maintain, repair, and replace all types of telecommunication facilities, including but not limited to, roof antennas, within suitable locations for such facilities (the "Locations of Facilities") within the Project. Declarant further reserves a right of access to the Locations of Facilities over, across, under, and through the Project in order to access the Locations of Facilities to exercise the rights established herein. Declarant reserves the perpetual right to transfer by easement, license agreement, or other conveyance the rights reserved hereunder to one or more telecommunication facilities providers. Declarant may exercise all of such rights unilaterally and without the consent of any Owner.

(6) Non-Exclusive Utility Easement. A non-exclusive easement to the Declarant, and its affiliates and assignees, over, across, through, and under the Property for ingress to, egress from, and installation, replacement, repair, and maintenance of all utility and service lines and systems, including, without limitation, water, sewer, gas, telephone, electricity, and cable communication that service the Property or any portion thereof as well as any such lines and systems which service property owned by the Declarant.

The following acts may constitute a nuisance: (a) causing damage to the property of anyone other than the pet owner; (b) causing unreasonable fouling of the air by odors; (c) causing unsanitary conditions; (d) defecating on any common area when the feces are not immediately cleaned up by the responsible party; (e) barking, howling, whining or making other disturbing noises in an excessive, continuous or untimely fashion; (f) molesting or harassing passersby by lunging at them or chasing passing vehicles; (g) attacking or threatening to attack people or other domestic animals; (h) otherwise acting so as to bother, annoy or disturb other reasonable residents or interfering with their right to the peaceful and quiet enjoyment of their property; (i) the mere number of pets maintained creates an offensive or dangerous condition to the health, welfare or safety of other residents; or (j) a violation of the Town pet ordinance. Pets in the Common Area must be in a cage or on a leash and under the control of a responsible person. Pets may not be tied, tethered or left unattended in the Common Area. (22) Insurance. Nothing shall be done or kept in, on or about any Lot or in the Common Areas and Facilities which may result in the cancellation of the insurance on the Property or an increase in the rate of the insurance on the Property, over what the Board, but for such activity, would pay.

(23) Laws. Nothing shall be done or kept in, on or about any Lot or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

(24) Damage or Waste. No damage shall be caused to, or waste of, the Common Area and Facilities by any Owner or Resident, or their family members, guests or invitees; and each Owner and Resident shall indemnify and hold the Board and the other Owners in the Project harmless against all loss resulting from any such damage or waste caused by that Owner or Resident, or their family members, guests or invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee of any other Owner.

7. Lease Restrictions and Limitation of Lot Ownership. No owner shall be permitted to lease his Dwelling for short term, transient, hotel, vacation, seasonal or corporate purposes, which for purposes of this Section shall be deemed to be any rental with an initial term of less than six (6) months. Daily or weekly rentals, and rentals for less than thirty (30) days, are prohibited. No Owner may lease individual rooms to separate persons or less than his entire Dwelling, including, by way of illustration but not limitation, to domestic help or a caretaker, without written notice to and the written consent of the Board. The Association or the Board may require that Owners use lease forms approved by the Board (or include specific terms in their leases), and may impose a review or administration fee on the lease or transfer of any Lot or Dwelling. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Dwelling.

8. Liability of Owners and Residents For Damages. Each Owner or Resident shall be liable to the Association, or other Owners or Residents for damages to person or property in the Community caused by his negligence.

9. Encroachments. If any portion of Common Area or a Lot encroaches or comes to encroach upon other Common Area or a Lot as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachment is created hereby and shall exist so long as such encroachment exists.

10. Governing Board. The Association shall be managed by a Board comprised of three (3) Lot Owners who shall be duly qualified and elected, except that during the Period of Declarant Control the Board need not be comprised of Lot Owners.

11. Status and General Authority of Board. During the Period of Declarant Control, the Declarant reserves the right to appoint the members of the Board. Any instrument executed by the Board that recites facts which, if true, would establish the Board's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish

said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated below, constitute a legal entity capable of dealing in its name. The Board shall have, and is hereby granted, the following authority and powers:

(a) Access. The Board or Manager shall have the right to have access to each Lot, Building and the Common Areas and Facilities, including the main gas and sewer line or lines located within the Buildings for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Lot or Lots, provided that a reasonable effort is made to provide notice to the occupant of the Lot prior to entry. For purposes of this subsection the term "emergency" means an event or occurrence which threatens to cause substantial and imminent damage to person or property.

(b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.

(i) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open

or closed to Owners or Residents not on the Board, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Board meetings.

(j) Delegation of Authority. The power and authority, but not the obligation, to delegate its responsibilities over the management and control of the Common Areas and regulation of the Project to a professional Manager, reserving the right, power and authority, however, to control and oversee the administration thereof.

12. Delegation of Management Responsibilities. The Board may, but is not obligated to, delegate some of its management responsibilities to a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an employee or an independent contractor. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than sixty (60) days, and no such contract or agreement shall be for a term greater than one (1) year. The Board may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities.

13. Owners Meetings. The Association shall meet at least annually at a time and place set by the Board.

14. Lists of Lot Owners, Eligible Mortgagees, and Eligible Insurers or Guarantors. The Board shall maintain up-to-date records showing: (a) the name of each person who is an Owner, the address of such person, and the Lot which is owned by him; (b) the name and address of each Resident; (c) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity, and the Lot which is encumbered by the Mortgage held by such person or entity; and (d) the name of each person or entity who is an Eligible Insurer or Guarantor, the address of such person or entity, and the Lot which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Lot, either the transferor or transferee shall furnish the Board with written evidence verifying that the transfer has occurred, that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Utah County, Utah, and that the transferee has received a copy of the Declaration and Bylaws then in force. The Board may for all purposes act and rely on the information concerning Lot ownership in its records or, at its option, the records of the county recorder. The address of any Owner shall be deemed to be the address of the Lot owned by such person unless the Board is otherwise advised in writing.

15. Assumption of Risk. The Association may, but shall not be obligated to, sponsor certain activities or provide facilities designed to promote the health, safety, and welfare of Owners and Residents; there are Common Areas and Facilities in the Project; in, near, or about the Project there are utility lines or utility substations; there are also improvements of a less significant nature. Notwithstanding anything contained herein or in any of the Project Documents, neither the Association, Board, Members of the Board, Officers of the Association, Manager, nor the Declarant shall be liable or legally responsible for, or in any manner a guarantor or insurer of the health, safety or welfare of any Owner or Resident of any Lot or his family members, tenants, guests, or invitees while at the Project, or for any property of any such Persons. Each such Person by accepting a deed or other document of conveyance to a Lot or coming onto the Property hereby assumes all risks associated with the use and enjoyment of the Project, including negligent acts. No provision of the Project Documents shall be interpreted as creating a duty of the Association, Board, Members of the Board, Officers of the Association, Manager, or the Declarant to protect or further the health, safety, or welfare of any Person(s), even if the funds of the Association are used for any such purpose. Each Owner by virtue of his acceptance of title to his Lot and each other Person having an interest in or lien upon, or making any use of, any portion of the Project (by virtue of accepting such interest or lien or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands, and causes of action against the Association, Board, Members of the Board, Officers of the Association, Manager, and the Declarant, and their employees, agents, contractors, subcontractors, successors, and assigns from or connected with the foregoing items.

16. Capital Improvements. All expenses for Capital Improvements shall be governed by and subject to the following conditions, limitations and restrictions:

(a) Board Discretion/Expenditure Limit. Any Capital Improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Board alone (the "Capital Improvement Ceiling").

(b) Expenditure Limit With Consent of Owners. Any Capital Improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the Eligible Votes of the Members.

(c) Improvements Changing the Nature of the Project. Any Capital Improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the Eligible Votes of the Members.

17. Recycling Programs. The Board may establish a recycling program and recycling center within the Project, and in such event all Residents of Lots shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is designed to accommodate. The Association may, but shall have no obligation to, purchase recyclable materials in order to encourage participation, and any income received by the Association as a result of such recycling efforts shall be used to reduce Common Expenses.

18. Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include snow removal and landscape maintenance, and similar services and facilities. The Board shall be permitted to modify or cancel existing services or facilities, if any, or to provide additional services and facilities. Nothing contained herein shall be relied upon as a representation as to what services and facilities, if any, will be provided by the Association.

19. View Impairment. Neither the Declarant nor the Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Building will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping except as set forth herein. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

20. Architectural Review. Declarant reserves to itself and is hereby granted the sole right and exclusive authority to resolve all architectural issues in this Project in order to insure the harmony of design and quality of construction and materials. All architectural designs, plans, fencing, specifications and construction materials must be reviewed and approved by the Declarant in writing. Architectural designs, plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the Declarant or Board of Directors, after the end of the period of Declarant Control, for review and approval. Information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction should be submitted if applicable. Designs submitted for approval shall be limited to those prepared by architects or by qualified residential designers of outstanding ability whose previous work may be reviewed as a part of the approval process.

(a) Review Considerations Generally. In reviewing each submission, the Declarant may consider the proposed design, harmony of external design with existing structures and the common scheme, the location in relation to surrounding structures, topography, finish grade and elevation, among other things.

(b) Aesthetics. Decisions of the Declarant or Board of Directors may be based on purely aesthetic considerations. Each Owner, by virtue of his acceptance of a deed to a Lot or other document of conveyance, acknowledges that opinions on aesthetic matters are subjective and may vary as Declarant members change over time.

(c) Minimum Requirements For A Home. No Home shall be constructed or altered unless it meets the following minimum requirements:

- 1) All Homes shall be single-family dwellings with a two-car garage.

- 10) No fence or similar structure shall be placed in any front yard. No fence or similar structure shall be placed in any side or rear yard in excess of six (6) feet. Vinyl fencing is allowed without additional approval required. Chain link fencing is strictly prohibited. If there is a dispute as to what constitutes the front, side or rear yards, or whether a variance has been granted, the decision of the Declarant shall be final, binding and conclusive.

(d) Landscaping. All Lot landscaping, grading, and drainage is subject to the following covenants, conditions, restrictions and easements, and shall be completed strictly in accordance with the Landscaping Guidelines adopted by the Declarant or Board of Directors and so as to comply with and not impair all applicable ordinances and flood control requirements. All rear Lot landscaping must be completed within one (1) year of the date of closing. The Owner is responsible for the initial planting of trees. Trees, lawns, shrubs, or other plantings placed on a Lot shall be properly nurtured, maintained and replaced by the Owner. Any weeds or diseased or dead lawn, trees, ground cover, bushes or shrubs shall be removed and replaced. The landscaping of a Lot may not adversely affect the value or use of any other property or detract from the original design scheme and appearance of the Project.

(e) Accessory Buildings. Accessory Buildings are considered “conditional uses,” which require the approval of the Town and the Declarant or Board of Directors. Each application to construct or install an Accessory Building will be evaluated separately by the Declarant or Board of Directors and approved or disapproved on a case-by-case basis, subject to the following guidelines:

- 1) Any detached Accessory Building must conform in design and construction materials with the primary residential Home.

2) The maximum height of an Accessory Building shall be eight (8) feet, (although the Declarant or Board of Directors may grant an exception if, in its sole opinion, such is in the best interest of the Project);

No exterior changes whatsoever shall be commenced, erected, maintained, made, or done without the prior express written approval of the Board of Directors. The Board of Directors, or committee established by the Board of Directors for that purpose, may designate the design, style, model and manufacturer of any exterior improvement or alteration that is acceptable to the Board of Directors. Such designations shall be for the purpose of achieving uniformity of appearance and preservation and enhancement of property values.

21. The Maintenance Responsibility of the Association. The Association shall maintain, replace, and keep in a state of good repair the following items (collectively "Area of Common Responsibility):

Each Owner or Resident shall keep his patio, balcony, deck, driveway, parking and storage spaces broom clean and free of debris.

23. Garbage Removal and Snow Removal. Garbage pick-up and removal shall be arranged by each Owner through the Town of Vineyard. The Association shall arrange for snow removal from all private streets that lie within the Association's Area of Common Responsibility.

Each Owner or Resident is solely responsible for snow and ice removal from his Lot.

24. Standard of Care – Generally. The Property shall be maintained in a usable, clean, functional, safe, healthy, sanitary, attractive, and good condition, consistent with the Community Wide Standard. If a dispute arises between a Lot Owner and the Board as to the condition of a Lot, the decision of the Board shall be final and conclusive.

25. Standard of Care – Landscaping. All landscaping in Common Areas shall be maintained and cared for in a manner consistent with the Community Wide Standard and the quality of design and construction originally established by Declarant. Specific guidelines and restrictions on landscaping may be established by the Board from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be properly pruned and trimmed. In short, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Lot, or to detract from the uniform design and appearance of the Project.

26. Neglect. If the Board determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or that the need for maintenance, repair, or replacement of the Common Area is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense, subject to the following:

(a) Notice of Intent to Repair. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide necessary maintenance, repair, or replacement at Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Board. The Owner shall have ten (10) days after receipt of notice within which to complete the maintenance, replacement or repair, or if the maintenance, replacement or repair is not capable of completion within such time period, to commence the maintenance, replacement or repair within ten (10) days.

(b) Emergency Situation. If the Board determines that an emergency exists, then notice and the opportunity to cure the default is not necessary.

(c) Optional Repairs. The Association may, but is not obligated to, provide any such maintenance, repair, or replacement in the manner described above.

(d) Costs and Expenses. Costs incurred by the Association in the performance of an item included in the Area of Personal Responsibility shall be added to and become a part of the Assessment to which such Owner and Lot is subject, and shall be secured by a lien against his Lot regardless of whether a notice of lien is filed

27. Changes to Areas of Personal or Common Responsibility. The Board may, in its sole

discretion, add items to or subtract items from the Areas of Personal or Common Responsibility upon at least thirty (30) days prior written notice to the Lot Owners.

28. Alterations to the Common Area. Anything to the contrary notwithstanding and until the termination of the Period of Declarant's Control, the Declarant may make changes to the Common Area without the consent of either the Association or the Board. No Owner or Resident may at any time modify the drainage patterns or systems, landscaping, or make any structural alterations, modifications, changes or improvements to the Building or Common Area or Facilities, including but not limited to the construction or installation of any additions, and the extension or enclosure of any existing structures (e.g., fencing, decks, patios, walkways or sheds, etc.) not shown on the approved plans and specifications, without the prior written consent of the Board.

29. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

(a) Declarant. During the Period of Declarant Control, the following shall apply: (1) The Declarant, builder, contractor, investor, or other person or entity who purchases a Lot for the purpose of constructing improvements thereon for resale to an Owner, shall pay no assessment unless a Dwelling Unit constructed on a Lot is occupied for a residence on a permanent or part-time basis, provided that Declarant or its assigns shall have the obligation to subsidize the Association until control of the Association passes to the Owners; (2) Subsidization shall be defined as the payment of the reasonable cash needs of the Association for ordinary and necessary maintenance expenses and a reasonable contribution to reserves; (3) In no event, however, shall the subsidy exceed the monthly or annual assessments; (4) This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these; and (5) The Declarant shall not be subject to Special or Individual Assessments.

(b) Purpose of Common Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Board.

(c) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Board shall prepare and deliver to the Owners a proposed Budget:

(1) Itemization. The Budget shall set forth an itemization of the anticipated Common Expenses (including that portion earmarked for the reserve account) for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. The Budget shall be based upon advance estimates of cash requirements by the Board to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Board is required

or permitted to maintain, street lighting and maintenance of the streets and maintenance of the Common Areas, and replacement of those elements of the Common Areas, that must be replaced on a periodic basis, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, Capital Improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

(3) The Owners may call a special meeting within forty-five (45) days of the meeting providing the proposed Budget to vote to disapprove the Budget, although to set it aside and to reject a proposed Budget requires the affirmative written consent of at least a majority of total ownership. If the new budget is disapproved, then the prior year's budget continues.

(d) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among, and the common expenses shall be charged to, the Lot Owners equally and uniformly.

(e) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the Eligible Votes of the Members. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Board fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

(f) Payment of Assessments. The Board has the sole authority and discretion to determine how and when the Assessments are paid.

(g) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges, including; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Lot pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Lot; (2) the owner of record in the offices of the County Recorder of Utah County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

(h) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Board may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the Eligible Votes of the Members of the Association, not greater than fifteen (15%) percent of the Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

(i) Re-assessment. If a Lot fails to pay its Assessment, the Board of Directors may re-assess that sum among all of the Owners on a proportionate basis.

(j) Reserve Account(s). The Association shall prepare or have prepared a Reserve Analysis or Study as required by statute. The Board shall establish and maintain a Reserve Account or Accounts in accordance with Utah law. The Reserve Account or accounts shall be funded out of regular Assessments, Special Assessments (if necessary) and the contributions from the Working Capital Fund. The Board shall dedicate a portion of the monthly Assessment for the Reserve Account or accounts. The Board shall update its Reserve Study as required by statute. The Board shall present the Reserve Study (and updates) and the status of the Reserve Accounts at the Annual Meeting of Owners each year, and make copies available to all Owners upon request.

(k) Statement of Assessments Due. Upon written request, the Board shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$35.00 for the issuance of such certificate.

(l) Providing Payoff Information.

(1) The Association may charge a fee for providing Association payoff information needed in connection with the closing of a Dwelling Unit Owner's financing, refinancing, or sale of the Owner's Unit (the "Payoff Fee").

(2) The Association may not require that the Payoff Fee be paid before closing and the Payoff Fee may not exceed the statutory limit.

(3) If the Association fails to provide the payoff information requested within five (5) business days after the closing agent requests the information may not enforce a lien against that Dwelling Unit for money due to the association at closing; provided, however, a request shall not be considered effective unless the request is conveyed in writing to the designated contact person for the Association on record with the State of Utah and contains: (a) the name, telephone number, and address of the person making the request; and (b) the facsimile number or email address for delivery of the payoff information; and (c) is accompanied by a written consent for the release of the payoff information: (i) identifying the person requesting the information as a person to whom the payoff information may be released; and (ii) signed and dated by an Owner of the Dwelling Unit for which the payoff information is requested.

(n) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which, insofar as it adversely affects the Association's lien securing unpaid Assessments, each Owner, by accepting a deed or other document of conveyance to a Lot, hereby subordinates and waives.

30. Annual Assessments. Annual Assessments shall be used to satisfy Common

Expenses of the Association, as provided herein and in the Bylaws. The Annual Assessment shall be payable in twelve (12) equal monthly installments due on the first day of each month. The Annual Assessment shall be based upon the Budget prepared by the Board. The Board shall authorize and levy the amount of the Annual Assessment upon each Lot, as provided herein, by a majority vote of the Board.

31. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

(a) Board Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100ths Dollars (\$500.00) (the "Special Assessment Limit") per Lot in any one fiscal year, the Board may impose the special assessment without any additional approval.

(b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the Eligible Votes of the Members of the Association. The Board in its discretion may allow any special assessment to be paid in installments.

32. Individual Assessments. Individual Assessments shall be levied by the Board against a Lot and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Board in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Lot Owner is responsible; (c) any other charge, fee, fine, dues, expense, or cost designated as an Individual Assessment in the Project Documents or by the Board; and (d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

33. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10<sup>th</sup> day of the month in which they were due.

(a) Delinquent Accounts. Any Assessment not paid when due shall be deemed delinquent.

(b) Late Fees and Default Interest. A late fee in an amount set by the Board shall be assessed on all tardy payments. Simple interest at a rate set by the Board shall accrue on all outstanding balances.

(c) Lien. If any Lot Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses, when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Board or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Lot in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

(d) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Board, institute suit to collect the amounts due and/or to foreclose the lien.

(e) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

(f) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Lot.

(g) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

(h) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(i) Trust Deed for Assessments. By acceptance of a deed for a Lot, each Owner as Trustor conveys and warrants to Trustee in trust for the Association, as Beneficiary, with power of sale, the Owner's Lot and appurtenant Common Area, and all improvements thereon for the purpose of securing payment of all Assessments (including basis of collection) provided for in this Declaration. For purposes of this Section and Utah Code Ann. §§57-1-19, *et seq.*, as amended from time to time, the Trustee shall mean the attorney for the Association, and the Association may provide notice and disclosure of the Trustee by recording an "Appointment of Trustee" on the records of the local County Recorder. Each Owner hereby also grants to the Association and Trustee all powers and rights of non-judicial trust deed foreclosure provided for in Utah Code Ann. §§57-1-19, *et seq.*

(1) A Lot may be auctioned publically and sold through either a non-judicial foreclosure (like a bank foreclosing a deed of trust) or through judicial foreclosure. A court order of sale is required for a judicial foreclosure which includes a 6-month redemption period.

(2) For purposes of a non-judicial foreclosure, when a person accepts a deed or other document of conveyance to a Lot, it is considered the same, like a bank and a deed of trust, as conveying the Lot in trust to as trustee<sup>2</sup> appointed by the Association to secure payment of all assessments and costs of collection.

(3) The Association must appoint a qualified trustee, by signing and recording in the office of the county recorder a written substitution of trustee form in order to foreclose upon a Lot non-judicially.<sup>3</sup>

(4) At least thirty (30) days prior to starting its non-judicial foreclosure, the Association must send written notice to the Owner informing him or her of the Association's intent to foreclose non-judicially and the Owner's right to demand judicial foreclosure. The notice must be in the form provided by the statute and sent by certified mail.<sup>4</sup> The Owner may object to the non-judicial foreclosure by sending a written demand for judicial foreclosure. The Owner's objection and written demand must be sent within fifteen (15) days. The Owner's objection and written demand must also be sent by certified mail.

(5) The Association may not use a non-judicial foreclosure to enforce a lien if the Owner mails the Association a written demand for judicial foreclosure: (a) by U.S. mail, certified with a return receipt requested; (b) to the address stated in the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure under Subsection (4); and (c) within fifteen (15) days after the date of the postmark on the envelope of the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure.

<sup>2</sup> Bank, Title Company or Utah attorney

<sup>3</sup> No redemption period. A notice of default is prepared and recorded. The Owner has 90 days to cure the default or the Dwelling Unit may be sold by the Trustee. The notice of sale usually takes 30+ days. A non-judicial foreclosure takes approximately 120 days.

<sup>4</sup> NOTICE OF NONJUDICIAL FORECLOSURE AND RIGHT TO DEMAND JUDICIAL FORECLOSURE

The Solstice at Waters Edge Homeowners Association, the association for the project in which your dwelling unit is located, intends to foreclose upon your dwelling unit and allocated interest in the common areas and facilities using a procedure that will not require it to file a lawsuit or involve a court. This procedure is being followed in order to enforce the association's lien against your dwelling unit and to collect the amount of an unpaid assessment against your dwelling unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. Alternatively, you have the right to demand that a foreclosure of your property be conducted in a lawsuit with the oversight of a judge. If you make this demand and the association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that "I demand a judicial foreclosure proceeding upon my dwelling unit", or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within fifteen (15) days after the date of the postmark on the envelope in which this notice was mailed to you. The address to which you must mail your demand is 273 N East Capitol St. SLC, UT 84103.

(6) The Association must follow the provisions of the law applicable to the non-judicial foreclosure of deeds of trust.

34. Working Capital Fund. A Working Capital Fund shall be established by the Declarant. Each Lot's initial share of the Working Capital Fund shall be collected and transferred to the Board at the time of closing of the sale of each such Lot by Declarant and shall be equal to One Hundred Dollars (\$100.00) (the "Working Capital Payment"). Notwithstanding the foregoing, the contribution to the Working Capital Fund for each unsold Lot shall be paid to the Board at the time a certificate of permanent occupancy is issued and such Lot is first occupied for residential purposes. With respect to each Lot for which the Declarant pays the contribution to the Working Capital Fund, the Declarant may, at its election, be reimbursed for such contribution by the buyer of such Lot at the time of closing. Thereafter, each time a Lot is sold and conveyed, the Board shall collect a Working Capital Payment at the time of the closing of the transaction. The purpose of the Working Capital Fund is to function as an impact or transfer fee, to insure that the Board will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the Working Capital Fund are not to be considered as advance payments or regular monthly payments of Common Expenses.

35. Reinvestment Fee. The Association may change a reinvestment fee in accordance with statute.

36. Future Rent Payments. If the Owner of a Lot who is leasing the Lot fails to pay an Assessment for more than sixty (60) days after the Assessment is due, the Board, upon compliance with this Section, may demand that the tenant pay to the Association all future rent payments due to the Owner, beginning with the next monthly or other periodic payment, until the amount due to the Association is paid. The Manager or Board shall give the Owner written notice of its intent to demand full payment from the tenant under this Section. The notice shall (i) provide notice to the tenant that full payment of the remaining rent payments will begin with the next monthly or other periodic payment unless the Assessment is received within the time period provided in the Declaration, Bylaws, or Association Rules and Regulations; (ii) state the amount of the Assessment due, including any interest or late payment fee; (iii) state that any costs of collection, not to exceed the statutory limit, and other Assessments that become due may be added to the total amount due; and (iv) provide the requirements and rights described in this Section. If the Owner fails to pay the Assessment due by the date specified in the notice, the Manager or Board may deliver written notice to the tenant that demands future payments due to the Owner be paid to the Association pursuant to this Section. The Manager or Board shall mail a copy of the notice to the Owner. The notice provided to the tenant under this Section shall state: (i) that due to the Owner's failure to pay the Assessment within the time period allowed, the Owner has been notified of the intent of the Board to collect all rent payments due to the Owner; (ii) that until notification by the Association that the Assessment due, including any interest, collection cost, or late payment fee, has been paid, the tenant shall pay to the Association all future rent payments due to the Owner; and (iii) that payment by the tenant to the Association in compliance with this Section will not constitute a default under the terms of the lease agreement. If a tenant makes payments in compliance with this Section, the Owner may

not initiate an action against the tenant. All funds paid to the Association pursuant to this Section shall be (i) deposited in a separate account; and (ii) disbursed to the Association until the Assessment due, together with any cost of administration which may not exceed the statutory limit if paid in full.

Any remaining balance shall be paid to the Owner within five (5) business days after payment in full to the Association. Within five (5) business days after payment in full of the Assessment, including any interest or late payment fee, the Manager or Board shall mail a copy of such notification to the Owner.

37. Liability of Board. The Association shall indemnify every officer and member of the Board against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Board in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he may be a party by reason of being or having been an officer or member of the Board. The officers and members of the Board shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Board may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Board free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Board, or former officer or member of the Board, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

38. Insurance. The Manager, Board or Association shall obtain insurance against loss or damage by fire and other hazards for the full cost of replacement for: (a) all Common Areas and Facilities; and (b) all Buildings that contain more than one Dwelling Unit, including any improvement which is a permanent part of a Building. The insurance coverage shall be written on the property in the name of the Manager, Board or Association, as trustee for each of the Dwelling Unit Owners in the percentages established in this Declaration. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right of each Dwelling Unit Owner to insure his own Dwelling Unit for his benefit. The Manager, Board or Association shall satisfy at least the following minimum requirements:

(a) Property Insurance. Blanket property insurance using the standard "Special" or "All Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard casualty policy. This additional coverage may be added by the Board as it deems necessary in its best judgment and in its sole discretion.

(b) Flood Insurance. If any part of the Project's improvements are in a Special Flood Hazard Area – which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) – the Association shall obtain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should

cover any common element buildings and any other common property. The Lot Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(c) Liability Insurance. A public liability policy covering the Common Area, sewer laterals, including the backup of sewer laterals, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

(d) Directors and Officers Insurance. A director's and officer's liability or errors and omissions policy, if reasonably available, with at least One Million (\$1,000,000) Dollars in coverage.

(e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Board to cover all non-compensated officers as well as all employees for theft of Association funds.

(f) Earthquake Insurance shall not be required unless requested by at least seventy- five percent (75%) of the Eligible Votes of the Members of the Association.

(g) Right to Adjust Claims. The Board may adjust claims and is hereby granted the right to refuse to submit the claim of a Lot Owner or Resident if: (a) the submittal threatens to cancel the Association's insurance coverage or to substantially increase its premiums, (b) the claim occurred on the Lot of the claimant or the claim was caused by an item under claimant's control, the negligence of the claimant or his failure to perform a maintenance duty required hereby, and (d) it is probable that the claim is covered by the claimant's insurance. The Board may require that the claim be submitted first to the insurance carrier of the claimant and it be formally and unconditionally rejected or denied by his insurer in writing.

(h) Owner's Insurance. Each Owner shall purchase and maintain adequate liability and property insurance, and such other insurance as his independent insurance agent or broker shall recommend.

(i) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Board or Owners, to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Board or Association may deem appropriate from time to time.

39. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

(a) Definitions. Each of the following terms shall have the meaning indicated:

(1) “Substantial Destruction” shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of Restoration over the funds available is twenty five percent (25%) percent or more of the estimated Restored Value of the Project.

(2) “Partial Destruction” shall mean any other damage or destruction to the Project or any part thereof which does not constitute Substantial Destruction.

(3) “Substantial Condemnation” shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of Restoration over the funds available is twenty five (25%) percent or more of the estimated Restored Value of the Project.

(4) “Partial Condemnation” shall mean any other taking by eminent domain or grant or conveyance in lieu thereof which does not constitute Substantial Condemnation.

(5) “Substantial Obsolescence” shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of Restoration over the funds available is twenty five percent (25%) percent or more of the estimated Restored Value of the Project.

(6) “Partial Obsolescence” shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) “Restored Value” shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) “Estimated Cost of Restoration” shall mean the estimated costs of restoring the Project to its former condition.

(9) “Available Funds” shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Board or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Lot in which they are interested.

(b) Determination by Board. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Board shall make a determination as to whether the excess of Estimated Cost of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Board shall, from time to time,

review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Board may retain and rely upon one or more qualified appraisers or other professionals.

(c) Restoration of the Project. Restoration of the Project shall be undertaken by the Board promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven (67%) percent of the Project's Eligible Votes of the Members and is further consented to by at least fifty-one (51%) percent of the Eligible Mortgagees.

(d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Board has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

(e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Board or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective membership interests in the Association. Payment to any Owner whose Lot is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

(f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Board may elect to make a Special Assessment in accordance with this Declaration to pay for the deficiency.

(g) Sale of Project. Unless Restoration is accomplished as set forth above, the Project may be sold in accordance with the Utah Revised Nonprofit Corporation Act, as the same may be amended from time to time, in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, ownership under this Declaration and the Plat Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Board equally to the Owners. Payment to any Owner whose Lot is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

(h) Authority of Board to Represent Owners in Condemnation or to Restore or Sell. The Board, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

(i) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

(j) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

(k) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Lot Owners who represent at least sixty-seven (67%) percent of the Eligible Votes of the Members of the Association and by at least fifty-one (51%) percent of the Eligible Mortgagees.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by at least sixty-seven (67%) percent of the Eligible Mortgagees. However, implied approval may be assumed when an Eligible Mortgagee fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

40. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Lots which collectively hold the required percentages, subject to the following conditions:

(a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained;

(b) Change In Ownership. Any change in Ownership of a Lot which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

(c) Compliance with Statutes. Any such consent in lieu must also comply with the requirements of the Utah Revised Nonprofit Corporation Act, as amended from time to time.

41. Mortgagee Protection. Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value, including by way of illustration but not limitation the security interest in a Lot and its appurtenant interest in the Association, the Common Area and Facilities. Mortgagees are excluded from any leasing or rental restrictions when obtaining or after obtaining a Lot in foreclosure. The lien or claim against a Lot for unpaid Assessments levied by the Board or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Assessments become due. In addition:

(a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Lot for

such unpaid Assessments shall not be affected by any sale or transfer of such Lot, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Lot or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Lot from liability for the lien of any Assessments becoming due thereafter.

(b) Books and Records Available for Inspection. The Board or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, Bylaws, and administrative Rules and Regulations concerning the Project, as well as the books, records, and financial statements of the Board and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

(c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

(d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Board shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than two (2) years.

(e) Eligible Mortgagee Designation. Upon written request to the Board or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Lot Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Lot on which there is a Mortgage held, insured, or guaranteed by such Eligible Mortgagee, Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Lot subject to a Mortgage held, insured or guaranteed by such Eligible Mortgagee, Insurer or Guarantor, which delinquency remains uncured for a period of sixty (60) days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Board or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

42. Amendment. Anything to the contrary notwithstanding, while the Declarant is in control of the Association and prior to the termination of the Period of Declarant's Control, the Declarant may amend the Declaration or Plat Map without any additional consent or approval required. After transition, the affirmative vote of at least sixty-seven percent (67%) of the Eligible Votes of the Members of the Association shall be required and shall be sufficient to amend the Declaration. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Board. In such instrument the Board shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained. The foregoing right of amendment shall, however, be subject to the following:

(a) Consent of Eligible Mortgagee. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required for any amendment which would terminate the legal status of the Project; and the consent of at least fifty-one (51%) percent of the Eligible Mortgagees shall be required to:

- (1) redefine any Lot boundaries;
- (2) convert Lots into Common Areas or vice versa;
- (3) reduce the hazard or fidelity insurance requirements;
- (4) impose prohibitions on the leasing of Lots;
- (5) authorize a decision by the Association of fifty (50) or more Lots to establish self-management if professional management had been required previously by the Project Documents or by an Eligible Mortgage holder;
- (6) restore or repair the Project (after damage or partial condemnation) in a manner other than that specified in the Project Documents; or
- (7) authorize any proposed amendment to provisions that expressly benefit mortgage holders, insurers or guarantors.

At least sixty (60) days prior written notice of any proposed amendment shall be given to each and every Mortgagee. If proper notice is given to a Mortgagee or other creditor, then a legal presumption is created that the Mortgagee and/or creditor consented, absent the delivery of a written

objection. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

43. Declarant's Sales Program. Anything to the contrary notwithstanding, for so long as Declarant continues to own any of the Lots, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Assessments, except as herein otherwise provided, as to each Lot owned by Declarant in accordance with the Declaration. Until the Declarant has sold all of its Lots or seven years from the date of recording of this Declaration, whichever first occurs (the "Sale's Events Period"), neither the Owners, the Association nor the Board shall interfere with the completion of improvements and sale of all remaining Lots, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots owned by Declarant:

(a) Sales Office and Model Dwellings. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Dwellings at any one time. Such office and/or models may be one or more of the Lots owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

(b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

(c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project.

(d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Until 120 days after the expiration of the Sale's Events Period, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

44. Limitation on Improvements by Association. Until the expiration of the Sale's Events Period, neither the Association nor the Board shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

45. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

(a) Lots. Each Lot which an Owner has contracted to purchase and the Building within which such Lot is contained or is to be contained, and the appurtenant Common Area, shall be substantially constructed and ready for use or occupancy (as the case may be); and

(b) Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, other Common Area improvements shown on the Plat Map, and utility lines and conduits adjacent to the Lot or Building in which a Lot is located, and necessary for its use.

46. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots or Buildings in the Project, title to which is vested in Declarant, shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

47. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right (as a Class B Member) to select the Members of the Board and may elect to transfer the management of the Project to a Board elected by the Owners. Upon the termination of the Period of Declarant's Control, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date"). Thereupon, the Owners shall call a meeting to elect the Members of the Board to take office as of the Transfer Date. 5 The business judgment rule is a presumption of the law that the governing board is acting in best interest of the association and, as a result, the decisions it makes are protected from judicial review in the event there is a loss or the decision turns out to be wrong, so long as the board did not violate its fiduciary duty to act in good faith and not commit a fraud, self-deal or have a conflict of interest, essentially, not to be guilty of intentional misconduct.

6 Imminent and substantial harm to person or property.

(h) The rules may regulate the maintenance and use of the Common Area and Facilities, late fees, accruing interest, indemnity, etc.

(i) No rule may be in conflict, inconsistent or incongruent with the Declaration and Bylaws. If any provision of this subsection is held to be illegal, invalid, or unenforceable under any present or future law, then that provision will be fully severable. This subsection will be construed and enforced as if the illegal, invalid, or unenforceable provision had never comprised a part hereof, and the remaining provisions of this subsection will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this subsection. Furthermore, in lieu of each such illegal, invalid, or unenforceable provision, there will be added automatically, as a part of this subsection, a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

52. Enforcement and Right to Recover Attorneys Fees. Should the Association or Board be required to take action to enforce the Declaration, Bylaws or any administrative Rules and Regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue.
