RE: Elk Springs at Silver Creek Village Center Subdivision Address Corrections

With the recording of the Elk Springs at Silver Creek Village Center Subdivision plat (Entry #1172565 recorded on 9/7/2021), there was some confusion about which street each lot should use for its situs address. Now that homes are being constructed, the front doors are facing a different street than the street on which they have addresses. This memorandum will correct the addresses of the lots with their front doors facing a different street than the original assigned address.

Please find attached a table of the affected lots with their original addresses and their corrected addresses.

Thanks, if you have any questions, please call me at ext 3145.
