ARTICLE III BUILDINGS, UNITS, AND COMMON ELEMENTS

3.01 Buildings.

(a) The Improvements included in the Condominium Project are now or will be located on or within the Real Property. The significant Improvements contained in the Condominium Project include: (i) One (1) Building, generally consisting of three (3) levels currently existing upon the Real Property; (ii) not less than Fourteen (14) Units (which may be Convertible Space as provided in Section 15.05) and not greater than twenty six (26) Units after the addition of all of the Additional Land; and (iii) parking levels, storage areas, asphalt or concrete driveways, and the Common Elements, including Limited Common Elements (including but not limited to Storage Spaces, Parking Stalls, and Sign Spaces). The location and configuration of the Improvements referred to in the foregoing sentence are depicted on the Plat. The Condominium Project also contains other improvements of a less significant nature which are not depicted on the Plat. The Plat shows the number of stories within the Buildings, the number of Units which are contained, or are to be contained, in the Buildings and included in the Condominium Project and the Additional Land.

(b) The principal materials used or to be used in the construction of the Buildings are as follows: all load bearing and non-load bearing walls are wood frame, steel, and/ or concrete; the floor are comprised of steel and concrete slabs; the roof is of a low slope with a membrane surface; interior walls are surfaced with sheetrock or gypsum board; and exterior walls are surfaced with stucco. The Buildings shall be maintained in accordance with the Design Guidelines, as they may exist from time to time.

3.02 Units.

(a) Declarant hereby initially creates fourteen (14) Units, provided however, that the total number of Units within the Condominium Project shall not exceed a total of twenty six (26) Units. The Plat shows the Unit Number of each Unit (including but not limited to Convertible Units), its location, dimensions from which its Area may be determined, and the General Common Elements and Limited Common Elements to which it has access. Each Unit shall be capable of being separately owned, encumbered and conveyed. Each Unit Owner of a Unit shall be entitled to the exclusive ownership and possession of such Unit Owner's Unit, subject to the terms and conditions of this Declaration, and each Unit may be transferred without any right of first refusal or similar restriction.

(b) No Unit Owner may alter its Unit, subdivide its Unit or relocate the boundaries between a Unit and an adjacent Unit, except as expressly provided by this Declaration (including but not limited to Section 15.04 with respect to Convertible Space) and the Act. All Units shall be maintained in accordance with the Design Guidelines as they may exist from time to time. Unit owners may construct tenant improvements inside their unit upon approval of Declarant prior to construction. All contractors working in the building must get pre approval from Declarant at Declarant's sole discretion. Upon approval said contractor will pay a construction

management fee to Declarant of 2% of total construction costs. Declarant retains the right to remove any contractor that has not been approved or to cancel an approval for any reason.

(c) Except as expressly provided to the contrary in this Declaration, including, but not limited to Sections 10.12 and 10.18, the Interest in General Common Elements and the right to use Limited Common Elements appurtenant to the Unit may not be partitioned or separated from the Unit or any part thereof; provided that this subparagraph shall not prejudice or otherwise affect the rights set forth in Article XIII and Article XIV of this Declaration in the event of casualty or condemnation.

(d) Until such time as Units designated on the Plat solely by a numeric designation (i.e., Unit 1 or Unit 2), are each converted in accordance with the provisions of Section 15.04 (which conversion may occur one commonly owned Unit at a time), each of such Units are intended to be owned, as tenants in common, by the Owners of adjacent Units who obtain their common access through each such convertible Unit. Until all of the Owners of each such Unit agree to the contrary, such commonly owned Unit shall be used solely as a means of access to and from the adjacent Units and each such commonly owned Unit shall be maintained for such use until it is converted, if at all. The costs of owning and maintaining each such commonly owned Unit shall be shared by the Owners thereof in proportion to their respective Ownership Interests therein.

(e) Notwithstanding anything to the contrary contained in paragraphs 3.02(b) and 3.02(c) above or elsewhere in this Declaration:

- (i) nothing shall prevent or limit Declarant's exercise or enjoyment of any Special Declarant Right;
- (ii) subject to the provisions of Section 10.04, a Unit Owner may grant its rights to use any General Common Element or any Limited Common Element appurtenant to the Unit Owner's Unit to the Unit Owner's Authorized Users;
- (iii) the initial completion of a Unit, including all components of the finish work, shall be completed by the Declarant or its designee; and
- (iv) after the initial construction by the Declarant, the Unit Owner of a Unit may construct partitions within its Unit only with the prior written consent of the Board of Directors provided that any such construction shall not result in the removal or modification of the Common Elements or Limited Common Elements; further provided, however, the Unit Owner of a Unit may not assign all or any portion of the voting rights allocated to its Unit to any lessee to whom the Unit Owner leases its Unit.

3.03 Interests in General Common Elements.

(a) The Interests in General Common Elements shall be allocated among the Units as set forth in this Section 3.03. The Interest in General Common Elements appurtenant to a Unit shall be expressed as a percentage and calculated in accordance with the following formula:

$$\text{Interest in General Common Elements} = \frac{(\text{Par Value of the Unit})}{(\text{Total Condominium Project Par Value})}$$

In determining the Interests in General Common Elements, Declarant may have made minor adjustments in some or all of the Interests in General Common Elements which result from a strict application of the formula described in the immediately foregoing sentence for the purpose, but only for the purpose, of assuring that the total Interests in General Common Elements equals 100.00%. The Interests in General Common Elements which are appurtenant to the Units and which are set forth on Exhibit C have been computed in the aforesaid manner. Exhibit C shall be modified from time to time as Units are converted in accordance with the requirements of Section 15.04.

(b) The Interest in General Common Elements appurtenant to each of the Units of the Condominium Project are set forth on Exhibit C attached hereto and made a part hereof. Exhibit C shall be modified from time to time as Units are converted in accordance with the requirements of Section 15.04.

(c) The Interest in General Common Elements shall have a permanent character and shall not be altered without the express consent of all Unit Owners expressed in an amendment to this Declaration adopted as provided in Section 18.03 hereof or in accordance with the requirements of Section 15.04. If any Units are added to or withdrawn from the Condominium Project, or if the Area of one or more Units is increased or decreased, the Interest in General Common Elements for all Units within the Condominium Project after such addition or withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 3.03(a) above. The Par Value assigned to a Unit shall not be considered to reflect or control the sales price or fair market value of any Unit, and no opinion, appraisal, or fair market transaction may affect the Par Value of any Unit, or such Unit's Interest in General Common Elements, voting rights in the Association, liability for Common Expenses, or the right to any common profits, assigned on the basis thereof.

(d) Except as expressly provided to the contrary elsewhere in this Declaration, an Interest in General Common Elements may not be partitioned from the Unit to which it is appurtenant, and any purported conveyance, encumbrance or

transfer of an Interest in General Common Elements made without the Unit to which the Interest in General Common Elements is appurtenant shall be void. The immediately foregoing sentence shall not prejudice or otherwise affect the rights set forth in Articles XIII and XIV of this Declaration in the event of casualty or condemnation. There shall not be any restriction upon a Unit Owner's right of ingress to and egress from such Unit Owner's Unit, which right shall be perpetual and appurtenant to such Unit.

3.04 Limited Common Elements.

Except as expressly provided to the contrary in this Declaration including Sections 10.18, 10.19 and 15.04, the allocation of the Limited Common Elements to the Units as shown on the Plat may not be altered without the consent of all Unit Owners whose Units would be affected by such reallocation. The Limited Common Elements of the Condominium Project and the Units to which they are appurtenant are generally described as follows: (i) in some instances, one or more Parking Stalls, all as assigned to each respective Unit as more particularly shown on the Plat or as subsequently assigned by Declarant to Units as evidenced by one or more Supplements to this Declaration based upon needs and preferences of Unit Owners; (ii) in some instances one or more Storage Spaces, all as assigned by Declarant to Units as evidenced by this Declaration and/or one or more Supplements to this Declaration; and (iii) in some instances one or more Sign Spaces, all as assigned by Declarant to Units as evidenced by this Declaration and/or one or more Supplements to this Declaration. Nothing herein shall suggest that each Unit is entitled to an assignment of a Parking Stall or Sign Space unless the same are specifically purchased from the Declarant. The Unit Owner shall not permit any screws, bolts, or other items to be used upon the Limited Common Elements of any other locations which would penetrate the Common Elements; provided, however, a Unit Owner shall be permitted to install shelving within Storage Spaces as approved by the Association or in accordance with Rules and Regulations. The Unit Owner of a Unit shall keep the Limited Common Elements designated for use in connection with his Unit, in a good, clean, sanitary and attractive condition; provided, however, that the Association shall keep those components for which it is responsible in a good state of repair. In the event that a Unit Owner fails to keep the Limited Common Elements appurtenant to his Unit in a good, clean, sanitary, and attractive condition, or in the event that the Unit Owner improperly uses or damages the Common Elements adjacent to a Limited Common Element, the Association may cause the Limited Common Element to be properly maintained and the Common Elements to be restored to their proper condition, at the expense of the Unit Owner, in accordance with the procedures set forth in Section 7.07.

3.05 Separate Taxation of Condominium Units.

Pursuant to the Act, each Condominium Unit constitutes a separate parcel of real estate and will be separately assessed and taxed.

3.06 Description of Condominium Units.

Any deed, lease, mortgage, deed of trust, or other instrument conveying,

encumbering or otherwise affecting a Condominium Unit shall describe the interest or estate substantially as follows:

Unit ____, contained within **The Summit at Canyon Park Condominiums Project** as the same is identified in the Condominium Plat recorded in Utah County, Utah, on ____, as Entry No. ____ (as said Condominium Plat may have heretofore been amended or supplemented) and in the Declaration of Condominium for **The Summit at Canyon Park Condominiums**, recorded in Utah County, Utah on ____, as Entry No. ____, in Book No. ____ at Page ____ (as said Declaration may have heretofore been amended or supplemented), TOGETHER WITH the undivided ownership interest in said Condominium Project's Common Elements that is appurtenant to said Unit as more particularly described in said Declaration.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall insure to the benefit of any party who acquires any interest in a Condominium Unit. Neither the Interest in General Common Elements, nor the right of exclusive use of the Limited Common Elements, shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such Interest in the General Common Elements and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

3.07 Interpretation.

In interpreting this Declaration, the Plat or any deed or other instrument affecting the Building (or a portion thereof) or a Unit, the boundaries of the Building (or portions thereof) or Unit constructed or reconstructed in substantial accordance with the Plat shall be conclusively presumed to be the actual boundaries rather than the description expressed in the Plat, regardless of settling or lateral movement of the Building, including the components thereof, and regardless of minor variance between boundaries shown on the Plat and those of the Building, the Real Property, and/or the Unit.

ARTICLE IV THE ASSOCIATION

4.01 Formation of the Association.

On or before the date on which Declarant conveys the first Unit to a Purchaser, Declarant shall form the Association.

The Articles create the Association. The Bylaws provide for the regulation and management of the Association, and the Rules and Regulations provide for the regulation and management of the Condominium Project.

(b) If there is any conflict or inconsistency between the terms and conditions of this Declaration and the terms and conditions of the Articles, the Bylaws or the Rules and Regulations, the terms and conditions of this Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles and the terms conditions of the Bylaws or the Rules and Regulations, the terms and conditions of the Articles shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of the Rules and Regulations, the terms and conditions of the Bylaws shall control.

4.04 Books and Records.

The Board of Directors or the Manager shall keep copies of the Association Documents and detailed, accurate records in chronological order, of Utility Assessments and receipts and expenditures affecting all such other Assessments and the Common Elements, specifying and itemizing the Common Expenses and any other expenses

incurred. Upon request, the Association shall allow Unit Owners, Mortgagees, prospective purchasers and prospective Mortgagees, and their respective agents to inspect current copies of the Association Documents and the books, records, budgets and financial statements (including a copy of the most recent annual audited financial statements, if the same has been prepared) of the Association during normal business hours and under other reasonable circumstances. The Association may charge a reasonable fee for copying such materials. The Association is not required to produce copies of bank statements or allow access to the bank accounts of the Association.

The Association shall be required to prepare and furnish within one hundred twenty (120) days after the end of each fiscal year of the Association, a financial statement of the Association for the immediately preceding fiscal year. Such statements need not be audited unless the Board of Directors elects to obtain audited statements. Copies of such financial statements shall be made available to the holder, insurer or guarantor of any first mortgage secured by a Unit as they shall request the same.

4.05 Rules and Regulations.

The Association may make reasonable Rules and Regulations, including but not limited to Design Guidelines, governing the use, repair and maintenance of the Units and of the Common Elements, which Rules and Regulations shall be consistent with the rights and duties established in this Declaration. Such Rules and Regulations may include, without limitation: (i) a requirement that interior window coverings, including the interior surfaces of any window or door glass used in Units shall present a uniform appearance of type and color from the exterior of any Unit or all Units, and that the Association shall have the right to inspect and reinspect and approve all proposed interior window coverings to insure compliance with such Rules and Regulations before installation thereof in a Unit; (ii) a requirement that windows not be tinted or the degree of tinting permitted; (iii) that materials, facilities, apparatus and components used in the repair and maintenance of a Unit be of the same type, quality, grade, and appearance as those originally installed in a Unit, including but not limited to the requirement that floor coverings of specific types be replaced with the same type of coverings (i.e., carpet for carpet, tile for tile, etc.); (iv) that glass specifications originally installed as part of a Unit be maintained (i.e., special requirements for south and west facing windows); (v) that no walls of any type located within a Unit be moved without prior Association approval; and (vi) that Limited Common Elements conform to standardized regulations regarding appearance, maintenance and modifications thereof. Notwithstanding the foregoing, until the earlier of the expiration of ten (10) years from the date on which this Declaration is filed for Record in the Utah County Records, or all Units to be located upon the Property have been sold to third parties, Declarant shall have the unilateral right to amend or modify the Design Guidelines or to reject any additional Design Guidelines proposed by the Association.

ARTICLE V VOTING

5.01 Voting.

(a) At any meeting of the Association, the Interest in General Common Elements appurtenant to a Unit may be voted in connection with issues presented to the Unit Owners for vote.

(b) The votes allocated to the Units of the Condominium Project shall be equal to ten (10) multiplied by the Interests in General Common Elements as set forth on Exhibit C attached hereto and made a part hereof. Consequently, the total number of votes allocated to all Units shall be one thousand (1,000).

(c) If any Units are added to or withdrawn from the Condominium Project, or the Area of one or more Units is increased or decreased, the total number of votes allocated to all Memberships and the allocation thereof after such addition, withdrawal, increase or decrease shall be adjusted so that such votes at all times remain equal to the Interest in General Common Elements appurtenant to such Unit.

(d) Each Unit shall be entitled to the number of votes allocated to it in accordance with paragraphs 5.01(a), (b) and (c) above, regardless of the number of Unit Owners of the Unit. If the Unit Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Unit Owner casts a vote representing a particular Unit, it will thereafter be presumed for all purposes that the Unit Owner was acting with the authority and consent of all other Unit Owners with whom such Unit Owner shares the Unit, unless objection thereto is made by a Unit Owner of that Unit to the Person presiding over the meeting at the time the vote is cast. If more than the number of allocated votes are cast for any particular Unit, none of such votes shall be counted and all of such votes shall be deemed null and void other than to determine whether a quorum exists.

(e) In any case in which the Act or this Declaration requires the vote of a stated percentage of the Unit Owners or approval of an act or transaction, such requirement shall be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the stated percentage of required votes. Such written consents shall be subject to the following conditions:

(i) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Unit Owner.

(ii) Any change in ownership of a Condominium Unit which occurs after consent has been obtained by the Unit Owner having an interest therein shall not be considered or taken into account for any purpose.

(iii) Unless consent of all Unit Owners having an interest in the same Condominium Unit is secured, the consent of none of such Unit Owners shall be effective.

ARTICLE VI BOARD OF DIRECTORS

6.01 Number and Election of Directors.

The Board of Directors shall consist of three (3) Directors. The initial Directors shall hold office until the election or appointment of their successors at the first annual meeting. Thereafter, subject to the terms and conditions of Sections 6.03 and 6.04 below, each Director will hold office for a term as follows: two (2) Directors shall be elected for a term of one year and one (1) Director shall be elected for a term of two years, and at each annual meeting thereafter the Unit Owners shall elect the number of Directors whose terms are to expire, for a term of two years each.

6.02 Powers of the Board of Directors.

(a) Except as provided in this Declaration, the Articles and the Bylaws, the Board of Directors may act on behalf of the Association in all instances.

(b) The Board of Directors shall be required to retain by written contract, a professional manager (the "Manager") who shall be responsible for the routine operation of the Condominium Project, unless Unit Owners holding two thirds (2/3) or more of all votes allocated to Units agree to the contrary. Each Manager (or its principal broker) shall be a licensed real estate broker or property manager in the State of Utah.

(c) The Board of Directors may not act on behalf of the Association to:

- (i) amend this Declaration;
- (ii) terminate the Association, this Declaration or the Condominium;
- (iii) elect Directors to the Board of Directors; or
- (iv) determine the qualifications, powers and duties, or terms of office, of Directors.

6.03 Declarant Control Period.

(a) Subject to the terms and conditions of paragraphs 6.03(b) and (c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document, Declarant shall have the exclusive right to appoint and remove all Directors and Officers during the Declarant Control Period. The

phrase "Declarant Control Period" means the period commencing on the date on which this Declaration is Recorded, and ending on the first to occur of the following:

(i) the expiration of seven (7) years from the date that this Declaration (exclusive of amendments or supplements) is recorded in the official records of the County Recorder of Utah County, State of Utah, or such shorter period as the Declarant may determine in its sole discretion; or

(ii) a date not later than one hundred twenty (120) days after the date upon which Units representing one hundred percent (100%) of the total Interests (including those Units which may be added with the Additional Land) in the General Common Elements have been conveyed to Purchasers.

(b) Declarant may voluntarily surrender its right to appoint and remove Officers and Directors prior to the expiration of the Declarant Control Period, but, in that event, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Board of Directors, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(c) During the thirty (30)-day period immediately preceding the date on which the Declarant Control Period expires, the Unit Owners shall elect a Board of Directors of three (3) Directors as set forth in Section 6.01 above consisting of Unit Owners or designated representatives of Unit Owners. Any Unit Owner may designate for election multiple representatives to serve, and such representatives may serve, simultaneously on the Board of Directors if so elected. Such Directors shall take office upon election.

(d) No management contract, lease of areas or facilities, or any other contract or lease designed to benefit the Declarant which was executed by or on behalf of the Association or the Unit Owners as a group shall be binding after the expiration of the Declarant Control Period unless renewed or ratified by the consent of a Majority of the votes allocated to the Units as provided in Section 5.01(b).

(e) The Declarant need not designate a Manager, as provided in Section 6.02 (b), during the Declarant Control Period.

6.04 Removal of Directors.

(a) Directors appointed by Declarant may be removed, with or without cause, solely by Declarant.

(b) Each Director, other than a Director appointed by Declarant, may be removed, with or without cause, by a sixty-seven percent (67%) or greater vote of the votes allocated to the Units as provided in Section 5.01(b).

6.05 Replacement of Directors.

(a) Vacancies on the Board of Directors created by the removal, resignation or death of a Director appointed by Declarant shall be filled by a Director appointed by Declarant.

(b) A vacancy on the Board of Directors created by the removal, resignation or death of a Director appointed or elected by the Unit Owners shall be filled by a Director elected by the Unit Owners.

(c) Any Director elected or appointed pursuant to this Section 6.05 shall hold office for the remainder of the unexpired term of the Director that Director replaced.

6.06 Liability of Directors.

No Director or officer of the Association shall be liable to the Unit Owners for any mistake in judgment, for negligence, or on other grounds, except for such Director's or officer's own individual gross negligence and willful misconduct or bad faith. The Unit Owners and Association shall indemnify and hold harmless each Director and officer from and against all liability to third parties arising out of any contract made by the Board of Directors on behalf of the Association or Unit Owners, unless such contract was made in bad faith or contrary to the provisions of the Act or this Declaration. The liability of a Unit Owner arising out of the foregoing indemnification shall be limited to the total liability concerned multiplied by such Unit Owner's Interest in General Common Elements. The Association shall be authorized to obtain liability insurance for the acts and/or omissions of such Directors and/or officers.

ARTICLE VII ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS

7.01 Obligations for Assessments.

(a) Each Unit Owner, by accepting a deed to a Unit (regardless of whether it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all:

- (i) General Assessments;
- (ii) Special Assessments;
- (iii) Utility Assessments;
- (iv) Default Assessments; and
- (v) other charges,

that the Association is required or permitted to levy or impose on such Unit Owner or such Unit Owner's Unit pursuant to this Declaration or any other Association

Document.

(b) Notwithstanding the definition of the term "Unit Owner":

(i) a Person who acquires a Unit in a trustee or foreclosure sale shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Unit Owner of that Unit on or after the date of the trustee or foreclosure sale; and

(ii) a Person who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Unit Owner of that Unit on or after the date on which the Unit Owner of the Unit executes the deed-in-lieu of foreclosure.

(c) No Unit Owner shall be exempt from liability for any Assessment or other charges by waiving the use or enjoyment of any Common Element or by abandoning a Unit against which such Assessments or other charges are made.

(d) Each Unit Owner shall be personally liable for all Assessments and other charges levied on such Unit Owner or such Unit Owner's Unit during the period of such Unit Owner's ownership of the Unit. If there is more than one Unit Owner of a Unit, each Unit Owner shall be jointly and severally liable with the other Unit Owners of the Unit for all Assessments and other charges levied on the Unit or any Unit Owner of the Unit. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor without prejudice to the grantee's rights to recover from the grantor the amount of the Assessment paid by the grantee.

(e) Each Assessment or other charge, together with interest and penalties thereon and, whether or not an action is commenced to collect the same, all costs and expenses incurred by the Association to collect such Assessment or other amount, including all fees and disbursements of attorneys, accountants, appraisers, receivers and other professionals engaged by the Association in connection therewith, shall constitute an Assessment Lien and may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

(f) In addition to any other remedy provided in this Declaration, when an Assessment has not been paid when due, the Association shall have the right, after giving notice to a Unit Owner and an opportunity to be heard in accordance with the requirements of the Act and the further provisions herein, to terminate the Unit Owner's right to receive utility services that are paid for by the Association as part of the Common Expenses. Upon payment of the Assessment due, including any interest, late payment fees and/or collection costs, the Association shall immediately take action to reinstate the terminated utility services to the Unit. Prior to terminating any utility services, the Association shall give written notice to the delinquent Unit

Owner in the manner provided in this Declaration, which notice shall include the following: (i) notice that utility services will be terminated if payment of the past-due Assessment is not received within the time provided in the Declaration, Bylaws, or Rules and Regulations, which time shall be stated and shall be at least forty-eight (48) hours from the date of the notice; (ii) notice of the amount of the Assessment which is due, including any interest or late payment fees; and (iii) notice of the Unit Owner's right to request a hearing. The Unit Owner may request an informal hearing to dispute the Assessment by submitting a written request to the Association within fourteen (14) days from the date the notice required above is received by the Unit Owner. Such hearing shall be conducted in accordance with the standards adopted by the Association as set forth in Section 17.04, as may be supplemented by Rules and Regulations. If such hearing is timely requested by the Unit Owner, the Association until may not terminate the utility services after such hearing has been conducted and a final decision has been entered by the Association.

(g) In addition to any other remedy provided in this Declaration, when an Assessment has not been paid for a period more than sixty (60) days from when it was due and a Unit has been leased (as such term is defined by the Act), the Association shall have the right to demand that the Unit Owner's tenant for such Unit pay to the Association future lease payments until the Association is paid; provided, however, that such demand shall not be made upon a tenant until the requirements of the Act are complied with, including but not limited to first giving written notice (with the required content) to an Unit Owner and subsequently giving written notice (with the required content) to a tenant of a Unit in the manner provided by this Declaration and in accordance with the requirements of the Act, and further provided, that any such funds collected by the Association from a tenant be deposited into a separate account to be disbursed to the Association, with costs of administration, or to be paid to the Unit Owner as required by the Act. Any time frames which are to be established for notice and/or performance by the Unit Owner shall be established by the Association and set forth in the Rules and Regulations.

7.02 Share of Common Expenses.

(a) Except as otherwise set forth in this Declaration, the Association's Common Expenses shall be allocated among the Units in accordance with the Interest in General Common Elements appurtenant to such Units (the "Share of Common Expenses").

(b) Until the Association levies an Assessment, Declarant shall pay all Common Expenses. No assessments shall be levied until the first day of the month following the sale and closing of a Unit to a person not the Declarant.

(c) Upon the purchase of a Unit, whether the first purchase from the Declarant or a subsequent purchase from a Unit Owner, each Purchaser shall be required to pay to the Association as provided in Section 7.12, an amount equal to one fourth of the projected General Assessment in the first full calendar year after recordation of this Declaration (The Startup Fee)(i.e. three monthly installments if

the General Assessment is to be paid in twelve installments), the payment is to be deposited into a reserve fund to be maintained by the Association pursuant to Section 7.12. Once a projected General Assessment has been determined as set forth herein, such projected General Assessment shall be used when computing the reserve deposit to be made by all Unit Owners.

(d) A Person who acquires a Unit in a trustee or foreclosure sale or who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable only for those assessments which accrue after the date of such sale or deed as provided in Section 7.01 (b) above, and provided the lien of a Mortgagee has priority over the Assessment Lien of the Association as provided in Sections 7.09 (b) and/or 7.09 (c), in the event of a trustee or foreclosure sale, the Assessment Lien of the Association shall be extinguished and shall no longer be a lien upon the applicable Unit; nevertheless a deed-in-lieu shall not extinguish the Assessment Lien without the written consent of the Association.

7.03 Budgets.

(a) Prior to the first levy of a General Assessment, and thereafter on or before November 1 of each calendar year, the Board of Directors shall adopt a proposed annual budget for the Association for the following calendar year that sets forth:

(i) the Board of Directors' estimates of Common Expenses for the next calendar year, taking into account any default or surplus realized for the current calendar year and any amounts as may be necessary to fund the reserve provided for in Section 7.12 of this Declaration;

(ii) the amount of funds for such Common Expenses that the Board of Directors proposes to raise through General Assessments; and

(iii) the amount of funds for such Common Expenses that the Board of Directors proposes to raise through Special Assessments.

(b) Within five (5) days after adopting a proposed annual budget, the Board of Directors shall deliver a summary of the proposed annual budget to the Unit Owners. Such notice shall also specify the date for a meeting of the Unit Owners to consider ratification of the proposed annual budget, the date of such meeting to occur on the second Tuesday of November of each year, or in the event that the Board of Directors elects to set a different date for ratification of the proposed annual budget, a date not less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed annual budget to the Unit Owners. Unless the proposed budget is ratified at the meeting of the Unit Owners by a vote of at least fifty-one percent (51%) of the votes allocated to all Units, the proposed budget shall be deemed rejected. If the proposed annual budget is rejected, the annual budget last ratified by the Unit Owners shall be deemed renewed for the next calendar year and shall remain in full force and effect until such time as the Unit Owners ratify a subsequent annual budget proposed by the Board of Directors. Notwithstanding the

foregoing, the total amount of annual General Assessments shall not exceed the previous year's annual General Assessments by more than 25% without the affirmative vote of Unit Owners holding sixty- seven percent (67%) of the Interests in General Common Elements and the affirmative vote of Eligible Mortgages holding First Mortgages upon Units holding at least fifty-one (51%) of the Interests in General Common Elements.

(c) If the Board of Directors deems it necessary or advisable to amend an annual budget that has been ratified by the Unit Owners under paragraph 7.03(b) above, the Board of Directors may adopt a proposed amendment to the annual budget, deliver a summary of the proposed amendment to all Unit Owners and set a date for a meeting of the Unit Owners to consider ratification of the proposed amendment. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed amendment. Unless the proposed amendment is ratified at the meeting of the Unit Owners by a vote of at least fifty-one percent (51%) of the votes allocated to all Units, the proposed amendment shall be deemed rejected.

(d) Unit Owners acknowledge that in the event that annual budgets and/or amendments thereto are not approved as provided in this Section 7.03, the Board of Directors may be required to reduce services to the Condominium Project.

7.04 General Assessments.

(a) After the Board of Directors has adopted an annual budget pursuant to paragraph 7.03(b) above, the Association shall levy an assessment for Common Expenses (a "General Assessment") on each Unit. The amount of the General Assessment levied against a Unit shall equal the product obtained by multiplying:

(i) the amount set forth in the annual budget adopted by the Board of Directors as the amount of Common Expenses to be raised by General Assessments, by

(ii) that Unit's Interest in General Common Elements.

(b) The Unit Owners shall pay the General Assessments levied against their respective Units in such periodic installments as may be required by the Association.

(c) If the Board of Directors adopts an amendment to the General Assessment portion of an annual budget pursuant to paragraph 7.03(c) above, the amount of the General Assessment levied against each Unit shall be adjusted accordingly, as shall the amount of each Unit Owner's periodic installments.

(d) If the Board of Directors fails to adopt an annual budget for any calendar year prior to January 1 of that calendar year, the Unit Owners shall continue to pay periodic installments of the General Assessment to the Association at the rate payable during the prior calendar year until such time as the Board of Directors adopts a new

annual budget for the then current calendar year. Once the Board of Directors adopts a new annual budget, the Association shall levy against each Unit the General Assessment for the then current calendar year and each Unit Owner's periodic installments shall be adjusted as necessary to pay the new General Assessment in equal periodic installments over the remainder of such calendar year, giving the Unit Owners credit, in such manner as the Board of Directors deems necessary or appropriate, for any installments that the Unit Owners have previously paid to the Association during such calendar year.

(e) The failure of the Association to levy a General Assessment for any calendar year shall not be deemed a waiver, modification or release of a Unit Owner's liability for the Share of Common Expenses allocated to such Unit Owner's Unit.

7.05 Special Assessments.

(a) The Assessments that the Association may levy pursuant to this Section 7.05 are referred to in this Declaration as "Special Assessments."

(b) Notwithstanding anything to the contrary contained in Section 7.04 above, if the Association determines that an Assessment is required to immediately fund any Common Expense attributable to the Common Elements, the Association shall amend the budget in accordance with Section 7.03 and thereafter levy an Assessment for such Common Expense against the Units in proportion to the Interests in General Common Elements.

(c) Each Special Assessment levied against any Unit shall be shown on an annual budget, or an amendment to an annual budget, adopted by the Board of Directors pursuant to Section 7.03 above and shall be paid as and when required by the Association.

7.06 Utility Assessments.

(a) The Assessments made pursuant to this Section 7.06 are referred to in this Declaration as "Utility Assessments."

(b) In the event that the Association provides or causes others to provide utility services to an individual Unit which are separately metered (as opposed to the Unit Owner obtaining such utility service directly from the provider), the Association shall be deemed to have made a levy for the amount charged for such services, as the same is determined periodically, but not more frequently than monthly. Immediately subsequent to the determination of the amount of utility services provided, the Association or its Manager shall cause a statement of the amount(s) due for such services to be provided to each Unit Owner receiving service. The amount set forth in such statement is immediately due and payable by the Unit Owner to the Association. Nothing herein shall preclude the Association from combining the statement for Utility Assessments with any other Assessment or charge to a Unit Owner.

(c) The Unit Owner shall pay the Utility Assessment levied against their respective Unit monthly as statements are received.

(d) Utility Assessments need not be shown on an annual budget, or on an amendment to an annual budget adopted by the Board of Directors pursuant to Section 7.03 above.

(e) With respect to any Utility Assessment, or portion thereof, levied other than a late charge, the Unit Owner of the Unit against which the Association has levied a Utility Assessment may request an opportunity to contest the amount of a Utility Assessment, provided such request is made in writing to the Association within thirty (30) days of the date of the statement. Upon notice and hearing, the Board, or a committee designated for such purpose, shall affirm or modify the Utility Assessment levied.

7.07 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by:

(i) the negligence or misconduct of a Unit Owner or a Unit Owner's Authorized User; or

(ii) a violation of any covenant or condition of an Association Document by a Unit Owner or a Unit Owner's Authorized User (a "Violation") or

(iii) failure to maintain Limited Common Areas (including but not limited to Limited Common Sign Spaces, Limited Common Storage Spaces and/or Limited Common Parking Stalls), the Association may levy an Assessment for such Common Expense against such Unit Owner's Unit or a fine, penalty fee or other charge for each Violation. Any such Assessment levied by the Association and each fine, penalty, fee or other charge imposed upon a Unit Owner for the Unit Owner's Violation are each referred to herein as a "Default Assessment".

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Board of Directors pursuant to Section 7.03 above.

(c) With respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Unit Owner of the Unit against which the Association seeks to levy the Default Assessment shall be provided notice as provide in this Declaration and an opportunity to be heard in accordance with the procedures set forth in the Rules and Regulations. Unit Owners of Units against which Default Assessments have been levied shall pay such Default Assessments as and when required by the

Association.

7.08 Assignment of Assessments.

The Association shall have the unrestricted right to assign its right to receive Assessments and other future income, either as security for obligations of the Association or otherwise, on the condition that any such assignment is approved by a Majority of the votes allocated to Units.

7.09 Assessment Lien.

(a) The Association shall have a lien on each Unit for any Assessment levied against that Unit and for any fines, late charges, penalties, interest and attorneys' fees, disbursements and costs of collection imposed against the Unit Owner of such Unit under any Association Document (the "Assessment Lien"). The Assessment Lien shall secure all of the foregoing obligations of a Unit Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien shall secure each installment from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations. Fines, late charges and/or penalties may be established from time to time by the Board of Directors, subject to the requirements of Section 7.01 (f) and (g) as applicable.

(b) An Assessment Lien shall constitute a lien upon the Unit Owner's Unit and, upon the Recording of a notice of lien by the Board of Directors or the Manager, it is a lien prior to all other liens and encumbrances on a Unit, recorded and unrecorded except:

(i) encumbrances on the interest of a Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances; and

(ii) liens for real estate taxes and special assessment liens on the Unit in favor of any governmental assessing unit or special improvement district; and

(c) Notwithstanding the terms and conditions of subparagraph 7.09(b) above, an Assessment Lien shall not be prior to a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent.

(d) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within six (6) years after the full amount of the Assessment secured thereby becomes due. Suit to recover a money judgment for unpaid Assessments is maintainable without foreclosing or waiving the lien securing it.

(e) This Section 7.09 does not prohibit actions or suits to recover sums secured by an Assessment Lien or the Association from taking a deed in lieu of

foreclosure.

(f) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Unit Owner to collect all sums alleged to be owed by the Unit Owner prior to or during the pendency of the action, including, but not limited to, all costs and expenses of such proceedings, reasonable attorneys' fees, and a reasonable rental for the Unit. A court may order the receiver to pay any sums held by the receiver to the Association during the pending action to the extent of the Association's Assessments.

(g) An Assessment Lien may be foreclosed in like manner as a deed of trust or mortgage on real estate or in any other manner permitted by law. Periodic Assessments shall be payable during the period of foreclosure of an Assessment Lien.

7.10 Waiver of Homestead Exemptions.

To the fullest extent permitted by law, by acceptance of the deed or other instrument of conveyance of a Unit, each Unit Owner irrevocably waives the homestead exemption provided by the Utah Exemptions Act, Utah Code Ann. § 78-23-1 through § 78-23-15 as amended from time to time, as the same may apply to the Assessment Lien.

7.11 Estoppel Certificates; Notices to Mortgagees.

(a) The Association shall furnish to a Unit Owner or to a Mortgagee or its designee upon written request, delivered personally, e-mail, or by certified mail, first-class postage prepaid, return receipt requested, to the Association's registered agent, and payment of a reasonable fee not to exceed the amount provided for in the Act, a statement setting forth the amount of unpaid Assessments currently levied against such Unit Owner's Unit. The statement shall be furnished within ten (10) calendar days after receipt of the request and is binding on the Association, the Board of Directors and every Unit Owner in favor of all Persons who rely upon such statement in good faith. If no statement is furnished to the Unit Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert the priority of its Assessment Lien upon the Unit for unpaid Assessments which were due as of the date of the request.

(b) If a First Mortgagee delivers to the Association a written request for notice of unpaid Assessments levied against a Unit subject to a First Mortgage held by that First Mortgagee, the Association shall report to the First Mortgagee any unpaid Assessments levied against such Unit that remain unpaid for more than sixty (60) days after the same shall have become due. The First Mortgagee may pay any such unpaid Assessment, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

7.12 Reserve Fund.

(a) The Association shall maintain an adequate reserve fund for Common Expenses. Except as provided in Section 7.02 (c), and commencing not earlier than the calendar year after expiration of the Declarant Control Period, the Board of Directors may make assessments for such reserve fund as they deem proper for general working capital, for a general operating reserve, and for a reserve fund for replacements and major maintenance or capital replacement, and will be funded and maintained from General Assessments. As provided in Section 7.02 (c), at the closing of the sale of a Unit by Declarant to a Purchaser or a subsequent purchase from a Unit Owner, the Purchaser shall pay to the Association an amount equal to the Association's estimate of one fourth (1/4) of the projected General Assessment for the first full calendar year after recordation of this Declaration (i.e., the equivalent of three months installments if installments are made monthly), to be deposited into the reserve fund; provided, however that at such time as the Declarant Control Period terminates, the Declarant shall become obligated to pay to the Association at the time of sale of each Unit or the expiration of one (1) year from the time the Declarant Control Period terminates, the required deposit for each unsold Unit which is part of the Condominium Project; further provided, that the Declarant is entitled to seek reimbursement of such deposit for each Unit from a Buyer of each Unit, as each such Unit is sold and closed. Funds not expended from the Working Capital Fund prior to the expiration of four (4) years from the first sale of a Unit, shall be transferred to the reserve fund. Thereafter, the Association may increase the reserve fund or replace funds withdrawn from the reserve fund with funds collected through General Assessments. The Declarant shall have no right to use any of the Working Capital Fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

(b) Payments by Purchasers to the Association under paragraph 7.12(a) above shall not be credited against, or relieve Purchasers from, their obligation to pay other Assessments levied against Units by the Association.

(c) Upon the sale of a Unit from one Unit Owner to another, the Association shall not be obligated to return to the transferor any funds held in reserve.

ARTICLE VIII UTILITY AND OTHER SERVICES

8.01 Water, Sewer, Electric and Trash Removal Services.

(a) Electric and natural gas services shall be provided by the Association and billed as part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Unit Owners in accordance with their Interest in General Common Elements.

(b) All other utility services, if any, furnished to the Condominium Project

which are separately metered and billed to an individual Unit by the utility company, the Association, or other party furnishing such services shall be paid for by the Unit Owner of the Unit to which such utility is metered. Any such utility services provided by the Association to a Unit shall create an obligation to pay a Utility Assessment as provided in Section 7.06 above. All other water, sewer, electric, heating and cooling, storm water and trash removal services, which are not separately metered, shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Unit Owners in accordance with their Interest in General Common Elements.

(c) Each Unit Owner shall ensure that its Unit is sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project.

(d) With approval of the Association, a Condominium Unit Owner has the option of opting out of the larger building's heating, ventilating, and air conditioning (HVAC) system, except for common areas, if an HVAC system that separately and specifically serves their Unit is installed, as long as the individual HVAC system does not interfere with the other building systems. With approval of the Association components of the Unit specific system can be installed on the roof if needed, but cannot detract from the appearance of the building as seen from ground level or out the building's windows, and cannot reduce the effectiveness of the roof. Any cost to modify the larger building's systems required to ensure larger buildings efficient operation after installation of a Unit specific HVAC system and any disturbance to other Units shall be born of the Unit Owner. The Unit Owner of the Unit where the separate HVAC system is installed would be solely responsible for the entire cost of installing the Unit specific HVAC system, any changes required to the larger building's systems, and any operational and maintenance cost of the Unit specific system. Once operational the Unit Owner would not be responsible for their Unit's share of the larger building HVAC operation and maintenance cost as determined in Section 8.01. An assessment of the utilities (gas and electric) used by the Unit specific HVAC system could be assessed to determine the Unit's Owner's responsibility towards the operating expenses with approval of the Association. This does not exempt the Unit Owner's responsibilities towards the operating expenses of the common areas.

8.02 Cable Television, Communications and Satellite Dishes.

(a) The Association may, at its election, arrange for one or more cable providers to provide services (TV, internet or other communications) to Unit Owners within the Condominium Project. Nevertheless, each Unit Owner of a Unit shall be responsible for obtaining cable such services for its Unit and shall pay all costs, expenses, fees, rates and other installation and connection charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) If the Association elects to provide an area for the placement of miniature

satellite dishes, a Unit Owner of a Unit shall have the right to install a miniature satellite dish (not exceeding 24 inches in diameter) upon the designated area for the sole benefit of a Unit Owner; further provided that placement of a dish may be conditional upon the payment of a periodic fee to the Association to defer the cost of administering such a program. Such installation and maintenance shall be made in accordance with the Rules and Regulations and at the sole cost and expense of the Unit Owner. Any maintenance of the satellite dish or of the Common Elements occasioned by the installation and maintenance of such satellite dish shall be the sole financial responsibility of the Unit Owner(s) and the Association is authorized to assess the cost of the same against the Unit Owner(s) as a Default Assessment pursuant to the provisions of Section 7.07. Notwithstanding the foregoing, the Association shall have no obligation to provide a location for installation of a satellite dish.

(c) All cable television and/or communication services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the cable company or other party furnishing such services shall be paid for by the Unit Owner of the Unit to which such services are metered. Any such cable services provided by the Association to a Unit shall create a Utility Assessment as provided in Section 7.06 above. All other cable television services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Unit Owners in accordance with their proportionate Share of Common Expenses.

8.03 Telephone.

(a) Each Unit Owner shall be responsible for obtaining telephone services for its Unit and the Limited Common Elements designed to serve only its Unit and shall pay all costs, expenses, fees, rates and other charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) The Association shall determine what, if any, telephone services are necessary for the General Common Elements that serve all of the Units and shall be responsible for obtaining those services. The Common Expenses incurred by the Association for those services shall be allocated among the Units in accordance with their proportionate Shares of Common Expenses.

8.04 Other Utilities.

If the Association incurs Common Expenses for any utility service not described above, or if the manner of providing or metering any utility service described above changes from the manner in which such service is provided or metered as of the date of this Declaration, the Association may allocate the Common Expenses incurred for such new utility service or changed utility service in any reasonable and equitable manner consistent with the Act. Any utility service provided to a Unit shall create a Utility Assessment as provided in Section 7.06 above.

ARTICLE IX MAINTENANCE OF COMMON ELEMENTS AND UNITS

9.01 Maintenance of Common Elements.

Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain the General Common Elements and the other Association property in good order and condition and shall otherwise manage and operate the General Common Elements as it deems necessary or appropriate. The Board of Directors shall have the irrevocable right to have access to each Unit and appurtenant Limited Common Elements from time to time during reasonable hours as may be necessary for the inspection, maintenance, repair or replacement of the General Common Elements or for making emergency repairs necessary to prevent damage to the General Common Elements or to another Unit or Units. In addition, the Association shall ensure that all interior General Common Elements are sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project. Without the limiting the foregoing, the Association may:

- (a) construct, modify, add to, repair, replace or renovate any improvements that are located on or constitute a part of any General Common Element, provided, however that any such General Common Element shall be replaced with a like-kind improvement, including material, design and color, unless Unit Owners holding not less than seventy-five percent (75%) of the Interests in General Common Elements approve a different material, design or color;
- (b) plant and replace trees, shrubs and other vegetation on any General Common Element;
- (c) place, maintain and replace signs upon any General Common Element;
- (d) adopt and enforce Rules and Regulations regulating the use of General Common Elements; and
- (e) take any other actions as the Association deems necessary or advisable to protect, maintain, operate, manage or regulate the use of the General Common Elements.

9.02 Maintenance of Units and Limited Common Elements.

Each Unit Owner, at such Unit Owner's sole cost and expense, shall maintain in good order and repair its respective Unit and all structural elements, utility facilities, lines, ducts, light bulbs, and other such apparatus (including all fixtures located therein) serving solely such Unit so as not to detract from the appearance of the Condominium Project and so as not to affect adversely the value or use of any other Unit or other portions of the Condominium Project. In further explanation of the foregoing, each Unit Owner shall keep the interior of his Unit, including without limitation, interior walls, doors, windows,

ceilings, floors, and permanent fixtures and appurtenances thereto, in a clean and sanitary condition and in good state of repair. In the event that any element, facility, apparatus and/or component of any Unit is in need of replacement, such component shall be replaced with the same type, style, grade and quality of element, facility, apparatus and/or component as originally existed, except as may be permitted to the contrary by the Association, including Rules and Regulations which may address such issues. All light bulbs and light fixtures within a Unit shall be at least as energy efficient as Light Emitting Diode (LED) lights, if less efficient light fixtures are used, the Unit Owner will pay into the Common Expenses the extra electrical cost for the less efficient lights as determined by the Association. In the event that any such Unit shall develop an unclean or unsanitary condition or fall into a state of disrepair, and in the event that the Unit Owner of such Unit shall fail to correct such condition or state of disrepair promptly following written notice from the Association and only upon the approval of the Board of Directors, the Association shall have the right, at the expense of the Unit Owner and without liability to the Unit Owner for trespass or otherwise, to enter said Unit and correct or eliminate said unsanitary or unclean condition or state of disrepair; provided, however, that the Association shall in no event have the obligation to correct or eliminate any such condition or state of disrepair. In addition to the foregoing, each Unit Owner shall separately maintain, clean, repair and generally keep in good order and operating condition the Limited Common Elements serving solely such Unit Owner's Unit, unless the Association has elected to maintain the same. Any costs and/or expenses incurred by the Association, as provided in this Section, may become the basis for a Default Assessment as provided in Section 7.07.

9.03 Mechanic's Liens and Indemnification.

No labor performed or materials furnished and incorporated into a Unit with the consent or at the request of a Unit Owner or an agent, contractor or subcontractor of a Unit Owner shall be the basis either for filing a lien against the Unit of any other Unit Owner not expressly requesting or consenting to the same, or against the Common Elements. Notwithstanding the foregoing, labor performed or materials furnished for the Common Elements, if authorized by the Unit Owners, the Manager, or the Board of Directors in accordance with this Declaration, the Bylaws, the Rules and Regulations, or the Act, shall be deemed to be performed or furnished with the express consent of each Unit Owner and shall be the basis for filing a lien pursuant to applicable law. Payment for any such lien shall be made as provided in the Act. Each Unit Owner shall indemnify and hold harmless each of the other Unit Owners and any Mortgagee from and against all liability arising from any claim or lien against the Unit of any other Unit Owner or against the Common Elements for construction performed or for labor, materials, services or supplies incorporated in the Unit Owner's Unit at the Unit Owner's request.

ARTICLE X COVENANTS, CONDITIONS AND RESTRICTIONS

10.01 Applicability of Covenants, Conditions and Restrictions.

Except as otherwise provided in this Declaration, the covenants, conditions and

restrictions set forth in this Article X shall apply to all Units and Common Elements.

10.02 Association Documents.

Each Unit Owner shall strictly comply with, and shall require its Authorized Users to comply with, all provisions of the Association Documents that apply to such Unit Owner or such Unit Owner's Unit.

10.03 Notice of Conveyance, Assignment or Encumbrance.

(a) Promptly after a conveyance of a fee simple interest in a Unit or portion thereof, the grantee shall furnish a copy of the conveyance deed to the Association.

(b) Promptly after an encumbrance of a fee simple interest in a Unit or portion thereof, the Unit Owner shall furnish the Association with a copy of the Mortgage creating the encumbrance.

(c) Promptly after the lease of a Unit, the Unit Owner thereof shall furnish a copy of the lease to the Association.

10.04 Use of Common Elements.

All Unit Owners and their Authorized Users may use the General Common Elements and the Limited Common Elements designed to serve their Units for the purposes for which such Common Elements are intended, subject however, to the terms, conditions, and limitations set forth in Rules and Regulations. Notwithstanding the preceding sentence, neither a Unit Owner nor an Authorized User may use any Common Element in any manner that unreasonably interferes with, hinders or encroaches upon the rights of other Unit Owners in and to the Common Elements. Without limiting the generality of the foregoing, no Unit Owner shall cause, or permit its Authorized Users to cause waste to any Common Element. In the event a Unit Owner enters into a lease or rental agreement for his Unit, for the period of such lease or rental agreement, the Unit Owner's use of such Common Elements shall be restricted to those reasonably necessary for a landlord of such Unit, except as provided to the contrary in Section 10.12.

10.05 Alterations.

(a) Except as otherwise expressly provided in this Declaration, a Unit Owner of a Unit may not make (i) any improvement or alteration to a Common Element, or (ii) any improvement or alteration to its Unit that is contrary to the requirements of the Rules and Regulations, that results in the substitution of different types of materials, facilities, apparatus and components from those originally installed, or affects any Common Element or any other Unit, without the prior written consent of the Association. No Unit Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Condominium Project without obtaining the written consent of each Unit Owner. No Unit Owner shall do any work or make any alterations or changes which would reduce the value of the

Condominium Project or impair any easement or hereditament, without in every case first obtaining the prior written consent of the Association.

(b) Excepting the initial conversion of the Building to condominiums by the Declarant, no new Improvement shall be constructed on the Real Property and no construction, alteration, installation or other work affecting the exterior surface of any existing Improvement shall be made. The addition of covered parking structures by the Declarant is allowed in designated limited common areas.

(c) Without limiting the generality of paragraphs 10.05(a) through (b) above, and subject to the provisions of Section 8.02, a Unit Owner of a Unit may not, without the prior written consent of the Association, install or erect any improvement, mechanical system or fixture (including but not limited to a satellite dish except as provided in Section 8.02) that either:

(i) protrudes beyond the boundaries of the Unit Owner's Unit; or

(ii) is located wholly outside the Unit Owner's Unit (even if located within a Limited Common Element that is assigned to solely the Unit Owner's Unit); or

(iii) constitutes the modification, construction, or installation of improvements upon or comprising a part of a Limited Common Element, including but not limited to the installation of racks, closets, shelves, or other improvements to a Limited Common Element (i.e., installation of shelves or a closet upon a deck).

(d) Nothing herein shall preclude the Declarant from completing the initial construction and finishing of each Unit within the Condominium Project.

10.06 Nuisances, Hazardous Activities and Unsightliness.

(a) No Person shall conduct any activity on the Real Property which creates a nuisance.

(b) No Person shall conduct any activity on the Real Property which is or might be hazardous to any Person or property.

(c) No unsightliness shall be permitted at the Real Property.

(d) Subject to the exemption for the Declarant as set forth in Section 15.01, normal construction activities conducted in accordance with Rules and Regulations shall not be considered to violate the terms and conditions of this Section 10.07. **BY ACCEPTING A DEED TO A UNIT, A UNIT OWNER ACKNOWLEDGES THAT THE CONDOMINIUM PROJECT IS A PART OF A PROJECT UNDER CONSTRUCTION AND THAT NOISES, LIGHTS AND ODORS COMMON TO COMMERCIAL ACTIVITIES (INCLUDING, BUT NOT**

LIMITED TO, OTHER BUSINESS ESTABLISHMENTS), AS WELL AS CONSTRUCTION ACTIVITIES, MAY EXIST ON OR NEAR THE REAL PROPERTY, AT ANY TIME AND FROM TIME TO TIME.

10.07 Limited Common Sign Spaces.

The Declarant, exercised in its sole discretion and pursuant to its sales program, has assigned or may in the future create one or more monuments signs and may assign to a Unit in exchange for consideration paid to the Declarant and not the Association one or more Sign Spaces located thereon as set forth on Exhibit C, as may be amended from time to time, all of which spaces shall be deemed Limited Common Elements, provided, however, such designation may be made by the Declarant recording one or more supplements to this Declaration designating such assignments or reassignments. The Declarant is under no obligation to assign any Sign Space to any Unit and will do so only if the Sign Space is purchased. Notwithstanding the designation of a Sign Space as appurtenances to a specific Unit, a Unit Owner is permitted to have a Sign Space reassigned to another Unit within the Condominium Project solely upon satisfaction of the following conditions: (a) a written request is made to the Board of Directors by the "Transferring Owner" prior to reassignment to the Transferee Owner; (b) the reassignment of a Sign Space shall be made only to the Association, for the benefit of the Transferring Owner until it is reassigned to a Unit, or to a Unit located within the Project and upon such reassignment the Sign Space shall become appurtenant to such Unit; (c) at the time of reassignment of such Sign Space, the Unit from which the severance is to occur is not encumbered by a Mortgage in favor of a lender or by a lien filed on behalf of the Association, or in the alternative all Mortgagees, lien holders and/or holders of an interest in and to the Unit of the Transferring Owner consent in writing to the reassignment of the Sign Space and the resulting release of their Mortgage and/or lien as to such appurtenance; (d) and the costs to be incurred by the Association, including the recording of applicable documents necessary to evidence the reassignment are paid in advance by the Transferring Owner or the Transferee Owner, as they shall agree. Upon satisfaction of the foregoing conditions, the Association shall record an amendment to the Declaration to evidence the reassignment of the applicable Sign Space. Any consideration exchanged between the Transferring Owner and the Transferee Owner shall be a matter of contract between them.

The Unit Owner of the Unit to which any Sign Space is assigned shall maintain and repair such Sign Space and may use the same in accordance with Rules and Regulations adopted by the Association. The Association shall have no responsibility for the security of or damage to any such Sign Space or the monument supporting the same. All Unit Owners who have been assigned any Sign Space shall be obligated to maintain the common monument structure in proportion to the area of their respective Sign Space when compared to the area of all Sign Space located upon any monument. Failure to properly maintain the Sign Space or the monument holding the same by the Unit Owners having an interest therein may result in the levy of a Default Assessment.

All signage at the condominiums must comply with the Orem City Sign Code and permit requirements.

10.08 Other Signs and Banners.

(a) Other than the monument signs authorized in Section 10.07 of this Declaration, no signs or banners whatsoever shall be erected or maintained on the Real Property which may be viewed within or by those passing the Condominium Project, including but not limited to any sign or banner which may be located within a Unit, on any interior or exterior door, the glass of any window or door or on or within any vehicle or other item of personal property located within the Condominium Project, except signs required by legal proceedings and those permitted or approved at the sole discretion of the Declarant.

(b) Without limiting the generality of paragraph 10.08(a) above, no "For Sale" or "For Rent" signs shall be displayed on the exterior or interior of a Unit, and no sign or banner may be displayed or hung from any patio or balcony by any means or method.

(c) In accordance with Rules and Regulations adopted by the Board of Directors, the Association may, but has no obligation to provide a procedure for the uniform posting of signs of Units "For Sale" or "For Rent" at a specific location within an office or Common Element designated for such purpose by the Board of Directors.

(d) The Association shall provide and maintain within each Building, and if it elects, in one or more locations exterior to each Building, directional signs listing each Unit by Unit designation and its occupant. The Association's obligation as set forth in this subsection (d) shall not be construed to include any obligation with respect to the monument sign provided for in Section 10.07.

(e) The violation of these provisions may result in the assessment of a Default Assessment.

10.09 Compliance with Law.

Nothing shall be done or kept at the Real Property or any Unit located thereat in violation of any law, ordinance, rule, regulation or other requirement of any governmental or quasi-governmental authority.

10.10 Compliance with Insurance.

Except as may be approved in writing by the Association, nothing shall be done or kept at the Real Property or any Unit located thereat that may result in the cancellation of any insurance maintained by the Association or may result in an increase in the rates of any such insurance.

10.11 Subdivision, Rezoning and Timesharing.

(a) Except as may be provided for Convertible Units in Section 15.04, no Unit may be subdivided, unless the subdivision has been approved by one hundred percent (100%) of the votes allocated to all Units at a duly convened meeting of the Association, and has received all applicable governmental and quasi-government approvals.

(b) No application for rezoning any portion of the Real Property, and no applications for variances or use permits, shall be filed with any governmental or quasi-governmental authority, unless the proposed rezoning has been approved by one hundred percent (100%) of the votes allocated to all Units at a duly convened meeting of the Association (or pursuant to written consents in lieu of such a meeting) and the uses that would be permitted under the rezoning comply with this Declaration, and the other Association Documents.

(c) No Unit Owner shall offer or sell any interest in any Unit under a "timesharing" or "interval ownership" plan or similar plan.

(d) The covenants, conditions and restrictions set forth in paragraphs 10.11(a) and (b) above shall not apply to Declarant's development of the Real Property or to Declarant's exercise of any Special Declarant Right.

10.12 Vehicles and Parking.

(a) No motor vehicle classed by manufacturer rating as exceeding one ton and no mobile home, trailer, detached camper or camper shell, boat or other similar equipment or vehicle may be kept or parked at the Condominium Project, except such delivery and service trucks as are temporarily parked in locations designated by the Association for such purposes.

(b) No motor vehicle shall be constructed, repaired, serviced, or washed at the Condominium Project, except for repairs performed on a short-term emergency basis where such repairs are necessary to affect the removal of a disabled vehicle.

10.13 Deliveries, Trash Removal and Other Services; Move In and Out Procedures.

(a) By acceptance of a deed to a Unit, a Unit Owner agrees that all deliveries and all trash removal services, and other such services to that Unit Owner or its Unit shall be effected at a location or locations designated by the Association from time to time for such purposes. Unless otherwise directed by the Association, Unit Owners of all Units and their Authorized Users shall place all trash and other waste from the Units in receptacles or chutes which are located in the Condominium Project or adjacent thereto and designated for that purpose.

(b) Unit Owners shall not, and shall not permit their Authorized Users to litter. No burning of trash, garbage or other waste materials will be permitted at the Real Property.

(c) The Board of Directors shall establish and enforce as part of the Rules and Regulations, procedures for moving furniture and personal belongings of Unit Owners to and from Units, which procedures may limit the days and time of such moving.

10.14 Exterior Storage.

No Unit Owner shall store any materials or items on or in any Common Element, other than those Common Elements, if any, designed for that purpose, such as storage lockers, and then only in strict accordance with the terms and conditions of the Association Documents.

10.15 Animals.

No animals, livestock or poultry of any kind shall be raised, bred, or kept in or on the Property or in any Unit, except nothing herein shall preclude the use of working animals trained and used for the handicapped.

10.16 Burning Devices.

No fuel burning devices, such as charcoal grills, wood burning stoves, fireplaces or liquid burning devices shall be used, kept or stored on the Real Property or any Unit. Under no circumstances are any fuel burning devices (cooking or otherwise) of any kind to be used on exterior balconies, decks, patios or similar locations within the Condominium Project.

10.17 Disclosures Regarding Rentals.

Pursuant to reasonable Rules and Regulations established by the Board of Directors, the Association may regulate or limit rentals of Condominium Units. The Association may also require that all lease agreements be on forms approved by the Association, or in the alternative be reviewed and approved by the Association or the Association's management company. Such Rules and Regulations may require that any tenants be screened for any lawful reason and approved by the Association or the management company prior to renting the Condominium Unit; provided, however, that approval of the Association or the management company shall not be unreasonably withheld. Prior to renting any Condominium Unit, the Unit Owner and the tenant shall execute a written lease agreement which shall include the following provisions:

(a) The tenant shall agree to comply with all of the terms and conditions of the Declaration, Bylaws and Rules and Regulations;

(b) The tenant shall agree not to allow or commit any nuisance, waste, unlawful or illegal act upon the Project;

(c) The lease shall be on terms and for a period authorized by applicable

governmental laws, ordinances and statutes; and

(d) The Unit Owner and the tenant shall acknowledge that the Association is an intended third party beneficiary of the lease agreement, that the Association shall have the right to enforce compliance with the Declaration and Bylaws and to abate any nuisance, waste, unlawful or illegal activity upon the premises; and that the Association shall be entitled to exercise all of the Unit Owner's rights and remedies under the lease agreement to do so.

Prior to a tenant's occupancy of a Unit, the Unit Owner must provide to the Association the name, address and telephone number of the tenant and a copy of the written lease agreement. The Association shall have the right and the obligation to enforce compliance with the Declaration and Bylaws against any Unit Owner and/or occupant of any Condominium Unit, and shall have all rights and remedies available under state or local law, in addition to its rights and remedies as a third party beneficiary under any lease agreement, to enforce such compliance.

Upon a tenant's occupancy of a Unit, the Unit Owners of such Unit shall thereafter have only limited rights in the use of the Common Elements, such use limited to those uses reasonably necessary for a landlord to enforce the provisions of such lease. In the event that a Unit Owner withholds a Parking Stall (as defined in Section 10.19) from the terms of the Lease, the Unit Owner thereof shall have the continuing right to use such Parking Stall, provided, however that such Parking Stall may not be leased to any other party not an Owner or occupant of the Condominium Project.

Notwithstanding the foregoing, none of the Rules and Regulations adopted by the Association regarding the rental of Units shall be applicable to a Mortgagee holding title to a Unit, but only to such Unit and such Mortgagee for the period that it holds title to such Unit, who acquires such Unit by foreclosure or by a deed in lieu of foreclosure.

10.18 Limited Common Storage Spaces.

The Declarant, exercised in its sole discretion and pursuant to its sales program may in the future assign to a Unit one or more Storage Spaces, all of which spaces shall be deemed Limited Common Elements, provided, however, such designation may be made, by the Declarant recording one or more supplements to this Declaration designating such assignments or reassignments. The Declarant is under no obligation to assign any Storage Space to any Unit. Notwithstanding the designation of a Storage Space as an appurtenance to a specific Unit, a Unit Owner is permitted to have a Storage Space reassigned to another Unit within the Condominium Project solely upon satisfaction of the following conditions: (a) a written request is made to the Board of Directors by the "Transferring Owner" prior to reassignment to the Transferee Owner; (b) the reassignment of a Storage Space shall be made only to the Association, for the benefit of the Transferring Owner until it is reassigned to a Unit, or to a Unit located within the Project and upon such reassignment the Storage Space shall become appurtenant to such Unit; (c) at the time of reassignment of such Storage Space, the Unit from which the severance is to occur is not encumbered by a Mortgage in favor of a lender or by a lien filed on behalf of the Association, or in the

alternative all Mortgagees, lien holders and/or holders of an interest in and to the Unit of the Transferring Owner consent in writing to the reassignment of the Storage Space and the resulting release of their Mortgage and/or lien as to such appurtenance; (d) and the costs to be incurred by the Association, including the recording of applicable documents necessary to evidence the reassignment are paid in advance by the Transferring Owner or the Transferee Owner, as they shall agree. Upon satisfaction of the foregoing conditions, the Association shall record an amendment to the Declaration to evidence the reassignment of the applicable Storage Space. Any consideration exchanged between the Transferring Owner and the Transferee Owner shall be a matter of contract between them.

The Unit Owner of the Unit to which a Storage Space is assigned shall maintain and repair such Storage Space and any cabinets or other improvements located therein and may use the same in accordance with Rules and Regulations adopted by the Association. A Storage Space may not be occupied and used for general office purposes and all other uses shall not be contrary to applicable governmental ordinance, rules and regulations. The Association shall have no responsibility for the security of any such Storage Space. Failure to properly maintain a Storage Space may result in the levy of a Default Assessment.

10.19 Parking Areas, Limited Common Parking Stalls and Facilities.

(a) Each parking space and Parking Stall may be used and occupied for parking purposes only. Each Unit Owner acknowledges that the total number of parking spaces and Parking Stalls located within the Condominium Project are limited and that the total number thereof was established by applicable governmental ordinances and/or regulations. Consequently, parking availability is intended to be allocated uniformly among the Units based upon the relative size of each Unit when compared to the total size of all Units within the Condominium Project as shown in Exhibit D; provided, however that such policy does not entitle any Unit Owner the use of a Parking Stall without payment for the same as provided in Section 10.19 below. Consequently, the Association may include within its Rules and Regulations, specific limitations upon the total number of parking spaces and Parking Stalls that are available to any specific Unit, Unit Owner and/or its Authorized Users (including but not limited to tenants). Such Rules and Regulations may include but are not limited to the right of the Association to remove automobiles and other vehicles which are parked contrary to such Rules and Regulations and to impose one or more Default Assessments to cover the cost of removal such automobiles and to otherwise implement and enforce the Rules and Regulations. Each Unit Owner consents and agrees to indemnify and hold the Association and the Declarant, and their respective employees, agents, successors and assigns harmless from any and all claims, losses, demands, damages and liabilities (including attorneys' fees and costs) asserted or arising as a result of the limited parking availability, with respect to or in connection with the removal of automobiles or other vehicles, and the implementation and enforcement of Rules and Regulations in connection with parking as provided in this Section 10.19.

(b) Unit Owners shall not use, and shall not permit their Authorized Users to use, any Parking Stall, waiting area, stairway, elevator, patio, walkway, hallway,

storage area, restroom or other portion of the Condominium Project which is designated on the Plat as Limited Common Elements, unless the same are appurtenant to the Unit of such Unit Owner, or the same is leased as authorized in this Declaration.

(c) The Declarant may assign in the future to one or more Units and for consideration paid to the Declarant and not the Association one or more separately designated and numbered Parking Stalls (with or without canopies or carports as the Declarant shall elect) which shall be designated as Limited Common Elements, and when assigned shall be set forth on Exhibit C attached hereto or an amendment thereto, provided however, that Declarant may defer such assignment to a later date which shall be effective upon the recording of a supplement to this Declaration. If Declarant elects to assign Parking Stalls, the Declarant shall have no obligation to assign any Parking Stalls to any Unit and will do so only in exchange for consideration paid to the Declarant. Notwithstanding the designation of a Parking Stall as appurtenant to a specific Unit, a Unit Owner is permitted to have a Parking Stall reassigned to another Unit within the Condominium Project solely upon satisfaction of the following conditions: (i) a written request is made to the Board of Directors by the "Transferring Owner" prior to reassignment to the Transferee Owner; (ii) the reassignment of a Parking Stall shall be made only to the Association, for the benefit of the Transferring Owner until it is reassigned to a Unit, or to a Unit located within the Project and upon such reassignment the Parking Stall shall become appurtenant to such Unit; (iii) at the time of reassignment of such Parking Stall, the Unit from which the severance is to occur is not encumbered by a Mortgage in favor of a lender or by a lien filed on behalf of the Association, or in the alternative all Mortgagees, lien holders and/or holders of an interest in and to the Unit of the Transferring Owner consent in writing to the reassignment of the Parking Stall and the resulting release of their Mortgage and/or lien as to such appurtenance; and (iv) the costs to be incurred by the Association, including the recording of applicable documents necessary to evidence the reassignment are paid in advance by the Transferring Owner or the Transferee Owner, as they shall agree. The Association may also permit the "trading" and reassignment of Parking Stalls provided all of the conditions specified in (i) through (iv) are satisfied as to each of the Units affected by such trade. Upon satisfaction of the foregoing conditions, the Association shall record an amendment to the Declaration to evidence the reassignment of the applicable Parking Stall or Parking Stalls. Any consideration exchanged between the Transferring Owner and the Transferee Owner shall be a matter of contract between them.

(d) Notwithstanding anything to the contrary contained in this Declaration, a Unit Owner of a Parking Stall may not make improvements or alterations to its Parking Stall; provided, nothing herein shall reduce a Unit Owner's obligation for repair and maintenance as provided in Section 10.19 (i).

(e) Notwithstanding anything to the contrary in this Article X, only the Association may:

(i) perform such activities in relationship to the Parking Stalls as are lawfully permitted and are common to or necessary for the conduct of commercial parking operations, including, without limitation, any lights, sounds and odors which typically result from such activities, provided, however, that all of such activities shall be in furtherance of the business character of the Condominium Project; and

(ii) apply for and obtain special use permits and licenses which are necessary or appropriate for the conduct of commercial parking activities in the Parking Stalls in accordance with this Declaration and the other Association Documents, on the condition that such permits and licenses are consistent with the existing zoning and actual uses of the Parking Stalls at the time the permit or license is applied for.

(f) The Association may reserve to itself, for the benefit of Unit Owners and/or staff of the Association, one or more parking spaces and/or Parking Stalls which may be designated for handicap purposes and/or staff parking. The Association may make any of such designated parking spaces and/or Parking Stalls available to Unit Owners needing handicap parking in accordance with procedures adopted by the Association, including but not limited to agreements which require a temporary exchange by a Unit Owner of such Unit Owner's assigned Parking Stall for a Parking Stall designated for handicap parking. Notwithstanding the foregoing provisions and the provisions of subparagraph (d) above, the Association may also (i) prohibit or restrict the transfer of Parking Stalls if such Parking Stalls are designated for handicap purposes, or (ii) force a Unit Owner who is not or is no longer handicapped or does not maintain a handicapped person within such Unit Owner's Unit, to trade a Parking Stall designated as handicap parking for a Parking Stall located elsewhere. Evidence of handicap status shall be by providing evidence to the Association of distinguishing license plate or placard issued by the Utah Department of Motor Vehicles. Trading and reassignment of Parking Stalls shall be accomplished in accordance with the provisions of subparagraph (c) (ii) through (iv) above.

(g) Parking Stalls appurtenant to a Unit shall be deemed included within the lease of the Unit to those individuals who lease such Unit; provided, however, that a Unit Owner may exclude from the lease of a Unit, any Parking Stall, reserving the use thereof to such Unit Owner only. A Unit Owner may not lease any Parking Stall except to other Unit Owners or Authorized Users of the Condominium Project.

(h) The use of parking spaces and Parking Stalls, including the number available for use by any particular Unit or Unit Owner at any one time, whether assigned or unassigned, shall be subject to Rules and Regulations (including but not limited to the implementation of fines) that the Association may adopt from time to time. In furtherance of such power, the Association (or its agents) may require Unit Owners or their Authorized Users to provide from time to time a list of license plate numbers of all automobiles owned or used by Unit Owners and its Authorized Users, including but not limited to their respective employees and agents.

(i) The Unit Owner of the Unit to which a Parking Stall is assigned shall maintain and repair such Parking Stall or other improvements located thereon and may use the same in accordance with Rules and Regulations adopted by the Association. A Parking Stall may not be occupied and used for general office purposes and all other uses shall not be contrary to applicable governmental ordinance, rules and regulations. The Association shall have no responsibility for the security of any such Parking Stall or parking space. Failure to properly maintain a Parking Stall may result in the levy of a Default Assessment.

10.20 Units.

(a) Except as otherwise expressly permitted by this Declaration, a Unit Owner of a Unit may use such Unit only as a commercial office space and other uses permitted by applicable zoning ordinance, for itself and its Authorized Users. Any lease of a Unit or any portion thereof shall be in writing and shall be subject to this Declaration and the Bylaws.

(b) Notwithstanding anything to the contrary contained in this Declaration, a Unit Owner of a Unit may make improvements or alterations to its Unit, without the consent of any Unit Owner or the Association, on the conditions that:

(i) the improvement or alteration does not impair or cause damage to any other Unit or any Common or Limited Common Element;

(ii) the Unit Owner of the Unit promptly cleans all General Common Elements affected and repairs any damage to any General Common Element caused thereby at its cost and expense;

(iii) the improvement or alteration complies with all applicable requirements of this Declaration, the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction and does not block, enclose or restrict the access to common elements such as roof access and unit easements.

If any such improvement constitutes or requires the erection or modification of partitions within any Unit, such improvements require the approval of the Board of Directors as specified in Section 3.02 (e) (iii). If any such improvement or alteration will impair any other Unit or any Common or Limited Common Element, the Unit Owner of the Unit shall not make the improvement or alteration without the prior written consent of the Majority of the Unit Owners of the Units.

10.21 Keys.

The Association shall have the right to establish Rules and Regulations regarding the use of keys, key systems and other entry systems for any Building and the Units located therein, including but not limited to the requirement that all Units located within the Project

or any Building located therein use a master key lock system. The parties acknowledge that the use of such systems are necessary to permit lockup of Buildings while allowing access to those who are entitled to access to Buildings during times in which such Buildings would not otherwise be open for the public. Each Owner of a Unit covenants and agrees that it will comply with the Rules and Regulations regarding Keys and similar security devices and shall provide to the Association at all times a copy of one key that allows access to such Owner's Unit and a copy of a key for each locked area within such Owner's Unit.

10.22 Declarant's Exemption.

Nothing contained in this Declaration or in any other Association Document shall be construed to prevent:

- (a) Declarant's exercise and enjoyment of any Special Declarant Right or any other rights of Declarant under this Declaration or any other Association Document; or
- (b) the conduct by Declarant or its employees or agents of any activity, including, without limitation, the erection or maintenance of temporary structures, improvements or signs, necessary or convenient to the development, construction, marketing or sale of Units or other property within or adjacent to the Condominium Project.

ARTICLE XI EASEMENTS AND RESERVATIONS

11.01 Declarant's Easements Over Common Elements.

- (a) In accordance with the Act, Declarant hereby reserves for itself, its successors and assigns a general, transferable easement over, across, through and under the Common Elements to:
 - (i) discharge Declarant's obligations under this Declaration;
 - (ii) exercise any of Declarant's rights under this Declaration; and
 - (iii) make improvements on the Real Property or any other real estate owned by Declarant, for the purpose of doing all things reasonably necessary and proper in connection with the foregoing.
- (b) Declarant hereby reserves for itself, its successors and assigns, the right to:
 - (i) establish from time to time utility and other easements, permits or licenses over, across, through and under the Common Elements for the benefit of the Condominium Project, or any property owned by Declarant; and

(ii) create other reservations, exceptions and exclusions for the best interest of the Declarant and other Persons, on the conditions that (A) the parties benefited by the easement, license, permit, reservation, exception or exclusion must use reasonable efforts to locate any such easement, license, permit reservation, exception or exclusion to minimize interference with the use of the Real Property by the Unit Owners to the extent practicable; and (B) if the parties benefited by the easement, license, permit, reservation, exception or exclusion construct or install any improvements on the Real Property pursuant to the same, the benefitted parties shall promptly repair any damage caused to the Real Property thereby at their sole cost and expense.

11.02 Utility Easement.

(a) Subject to the terms and conditions of this Declaration and all other Association Documents, Declarant hereby creates a general easement over, across, through and under the Real Property for ingress to, egress from, and installation, replacement, repair and maintenance of, all utility and service lines and systems, including, without limitation, water, sewer, heating and cooling systems, telephone, electricity and cable communication that service the Real Property or any portion thereof. The Association may, but is not obligated to, authorize the release of portions of the general easement created pursuant to this Section 11.02 upon the request of any Unit Owner showing good cause therefor.

(b) Pursuant to this easement, and only with the prior written consent of the Association, a utility or service company may install and maintain facilities and equipment on the Real Property and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of Improvements to provide service to the Units or the Common Elements. Notwithstanding anything to the contrary contained in this Section 11.02, no sewers, electrical lines, water lines or other utilities or service lines may be installed or relocated on any portion of the Real Property, except in accordance with terms and conditions of Section 10.05. Any utility or service company using this general easement shall use its best efforts to install, repair, replace and maintain its lines and systems without disturbing the uses of Unit Owners, the Association, Declarant and other utility and service companies.

(c) If any utility or service company furnishing utilities or services to the Real Property or any portion thereof as permitted under paragraph 11.02(a) above requests a specific easement by separate recordable document, the Association shall have the right and authority, but not the obligation, to grant such easement over, across, through and under any portion of the Real Property.

11.03 Association's Easement.

(a) The Association shall have a general easement over, across, through and under each Unit and each Common Element to:

(i) exercise any right held by the Association under this Declaration or

any other Association Document; and

(ii) perform any obligation imposed upon the Association by this Declaration or any other Association Document.

(b) Notwithstanding the foregoing, the Association shall not enter any Unit without reasonable prior notice to the Unit Owner thereof, except in cases of emergency.

11.04 Easements to Parking Stall Owners.

The Unit Owners and those Authorized Users which are authorized by the Rules and Regulations to have access to areas where the Parking Stalls are located shall have the rights and privileges available to the Association for, vehicular and pedestrian ingress and egress, without charge, over and across the drive isles but not any restricted areas.

11.05 Entry in Aid of Other Rights.

There shall be an easement in favor of each Unit Owner to enter in and upon the Common Elements and Units with workers, materials and tools to the extent, at the time, and for the periods reasonably necessary to enable a Unit Owner to access Limited Common Elements appurtenant to such Unit Owner's Unit or Units isolated from public access or via Common Elements and to otherwise perform all of the construction, maintenance, inspection, repair, and replacement required of such Unit Owner hereunder or necessary to the operation of the said Unit Owner's Unit. Notwithstanding the foregoing and except when access is required on an emergency basis, any access may be limited to such reasonable times as the Unit Owner of an affected Unit or the Board of Directors may designate.

11.06 Easements for Encroachments.

In the event that any portion of the General Common Elements, a Limited Common Element, or Unit and whether constructed or reconstructed so as to substantially duplicate a Unit originally constructed by Declarant encroaches or comes to encroach on the General Common Elements, a Limited Common Element, or another Unit as a result of construction, reconstruction, repair, shifting, settlement, or movement of any portion of the foregoing, an easement is created hereby and shall exist so long as such encroachment exists, but such easement shall not relieve a Unit Owner of liability in the case of willful misconduct.

11.07 Emergency Access Easement.

Declarant hereby grants a general easement to all police, sheriff, fire protection, ambulance and all other similar emergency agencies or Persons to enter upon the Real Property in the proper performance of their duties.

ARTICLE XII INSURANCE

12.01 General Liability Insurance.

The Association shall obtain and maintain one or more policies of comprehensive general liability insurance insuring the Unit Owners, the Association, the Board of Directors, the Manager, and their respective agents against general liability and claims arising in connection with the ownership, existence, use, operation, maintenance, or management of the Common Elements, in an amount per occurrence that is not less than \$2,000,000 for bodily injury, including deaths of persons and property damage, or such greater amount as the Board of Directors deems appropriate. Coverage shall include, without limitation, legal liability of the insured(s) for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, legal liability arising out of lawsuits related to employment contracts of the Association, and such other risks as are customarily covered with respect to condominium projects similar in construction, location and use, including but not limited to host liquor liability, employers liability insurance, contractual and all-written contract insurance, and comprehensive automobile liability insurance. Such insurance shall cover claims of one or more insured parties against other insured parties.

12.02 Property Insurance.

The Association shall obtain and maintain a multi-peril policy or policies of fire and other hazard insurance covering the entire Condominium Project (both Units and Common Elements), with extended coverage and all other coverages in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use, including a "Special Condominium Endorsement," the standard "All Risk" endorsement, on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost) of the Condominium Project, subject to reasonable deductibles and exclusive of land, excavations, foundations and similar items normally excluded from property insurance policies, together with common personal property, equipment and supplies. The policy shall contain each of the following features, to the extent that such features are, in the reasonable discretion of the Board of Directors, available at reasonable cost:

- (a) an agreed-amount endorsement or its equivalent;
- (b) an increased-cost-of-construction endorsement or a contingent-liability-from-operation-of building-laws endorsement or their equivalent;
- (c) an extended-coverage endorsement;
- (d) vandalism and malicious mischief coverage;

(e) a special-form endorsement; and

(f) a determinable-cash-adjustment clause or a similar clause to permit cash settlement covering full value of the Common Elements in case of partial destruction and a decision not to rebuild.

12.03 Fidelity Insurance or Bond.

The Association shall purchase for the benefit of and on behalf of the Association, in such amounts and in such forms as it deems appropriate, fidelity insurance or a bond to cover against dishonesty of members of the Board of Directors, Officers and employees of the Association and all others persons handling, or responsible for funds of or administered by the Association, destruction or disappearance of money or securities, and forgery. If funds are administered by a management agent and in the event the Association elects to require the management agent to maintain fidelity bond coverage, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. Such fidelity bonds shall name the Association as an obligee and shall not be less than the greater of (i) three (3) months assessments on all Units plus reserve funds, or (ii) the estimated maximum amount of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions, and shall not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days' prior written notice to the Association.

12.04 Liability Insurance for Directors and Officers.

The Association may, if it elects, purchase liability insurance for Directors and officers to cover errors and omissions of Directors and officers of the Association, and any obligation for indemnification as contained in Section 6.06.

12.05 Additional Provisions to be Contained in Insurance Policies.

Any insurance policies obtained and maintained by the Association pursuant to Sections 12.01, 12.02, 12.03, and 12.04 above shall name as insureds the Association and the Unit Owners (including Declarant, so long as Declarant is the Unit Owner of any Unit) and provide that:

(a) Each policy of insurance obtained by the Association shall be issued to and for the benefit of The Summit Condominium Association, Inc. for the benefit of its owners (or its authorized representative or trustee under the terms of an insurance trust agreement) and shall provide: a standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the Project is loca-

ted; a waiver (if available) of the insurer's subrogation rights with respect to the Association, the Board of Trustees (and each of them), Officers of the Association, the Manager, the Unit Owners, Mortgagees, and their respective servants, agents and Authorized Users; that it cannot be canceled, suspended or invalidated due to the conduct of any member, officer, or employee of the Association or of the Manager without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Unit Owners; and that a mortgagee clause endorsement which must provide that the insurance carrier shall notify in writing any and all insureds, including the servicers on behalf of Mortgagees thereof at least thirty (30) days in advance of the effective date of any substantial modification or cancellation of the policy.

(b) All insurance policies shall be written by a company holding a "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance Reports - International Edition, an "A" or better rating in Demotech's Hazard Insurance Financial Stability Ratings, a "BBBq" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's Insurer Solvency Review, or a "BBB" or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service. Each insurer must be specifically licensed to transact business within the State of Utah. Policies are unacceptable where (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Borrower or a Mortgagee; or (ii) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent a Mortgagee or the borrower from collecting insurance proceeds.

(c) All policies of property insurance must provide that notwithstanding any provision affording the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association (or any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the insurance may be a party, or any requirement of law.

(d) no act or omission by any Unit Owner, unless acting within the scope of such Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and

(e) if, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

12.06 Trustee.

Any loss covered by the property insurance policy described in Section 12.02 above

must be adjusted with the Association or its authorized insurance trustee, and the insurance proceeds for that loss shall be payable to the Association or any insurance trustee designated for that purpose, and not to any Unit Owners or Mortgagees. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Unit Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 13.02 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Unit Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Condominium Project has been repaired or restored or the Condominium Project is terminated.

12.07 Unit Owner Maintained Insurance.

Each Unit Owner shall have the right to separately insure its personal property against loss by fire or other casualty. In addition, any Improvements made by a Unit Owner within its Unit may be separately insured by the Unit Owner, but the insurance is to be limited to the type and nature of coverage commonly known as "tenant's improvements." All such insurance that is individually carried is primary for losses which emanate within the Unit for items which are the Unit Owner's responsibility to maintain, repair and/or replace and must contain a waiver of subrogation rights by the insurer as to other Unit Owners, the Association, Manager, Declarant, and Mortgagees. Each Unit Owner shall acquire for that Unit Owner's own protection, such insurance on the Unit Owner's contents as the Unit Owner deems appropriate. **THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY REGARDING INSURANCE ON THE PERSONAL PROPERTY OR TENANT'S IMPROVEMENTS OF UNIT OWNERS.**

12.08 Board of Directors' Authority to Revise Insurance Coverage.

(a) The Association and its Directors and Officers shall have no liability to any Unit Owner or Mortgagee if, after a good faith effort, (i) the Association is unable to obtain any insurance required hereunder because the insurance is no longer available; or (ii) if available, the insurance can be obtained only at a cost that the Board of Directors, in its sole discretion, determines is unreasonable under the circumstances.

(b) The Board of Directors is authorized to negotiate and agree on the value and extent of any loss under any policy carried by the Association, including, but not limited to, the right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

(c) Each Unit Owner, by acceptance of a deed to a Unit irrevocably appoints the Association as that Unit Owner's attorney in fact for purposes of procuring, negotiating, accepting, compromising, releasing, settling, distributing, and taking other related actions in connection with any insurance policy maintained by the Association and any losses or claims related thereto and agrees to be bound by the actions so taken as if the Unit Owner had personally taken the action.

12.09 Periodic Insurance Review.

The Board of Directors periodically (and not less than once every three (3) years) shall review the Association's insurance policies and make such adjustments to the policies' terms and conditions as the Board of Directors considers to be in the best interests of the Association. The review shall include an appraisal by a qualified appraiser of the current replacement costs of all covered property under the Association's policy unless the Board of Directors is satisfied that the current dollar limit of the property policy, coupled with the amount of actual reserves on hand, is equal to or greater than the current replacement costs.

ARTICLE XIII CASUALTY

13.01 Total or Partial Destruction of the Condominium Project.

If there is a total or partial destruction of the Condominium Project, including any Buildings, the Condominium Project shall be promptly rebuilt or repaired in accordance with the Act, unless:

(a) the Unit Owners elect to sell the Project in accordance with the requirements of the Act; and

(b) the Association obtains the consent of Eligible Mortgagees (as defined in Section 16.02) upon Units to which at least fifty-one percent (51%) or more of the votes of Units subject to First Mortgages held by such Eligible Mortgagees (based on the Interest in General Common Elements attributable to each Unit covered by a First Mortgage held by an Eligible Mortgagee).

13.02 Excess Insurance Proceeds.
