All policies of insurance shall, if possible, provide further that the insurance under any such policy as to the interest of all other insured Owners not guilty of any such act or omission, shall not be invalidated or suspended and shall remain in full force and effect.

(f) Public liability and property damage insurance shall name the Association as the insured, as trustee for the Owners and for Declarant while an Owner, and shall protect each Owner and the Declarant against liability for acts of the Management Committee in connection with the ownership, operation, maintenance or other use of the Property. Such policies of insurance shall provide that all insures (including the Declarant, Owners, and Management Committee, and officers of the Association) shall be considered as separately insured and coverage shall be afforded each such insured in the same manner as though separate policies had been issued to each such insured and the insurance afforded any person or organization as insured under this policy shall not in any way be prejudiced by the inclusion therein of more than one person and/or organization as insured, but the inclusion of more than one insured under the policy shall not operate to increase the limits of the company's total liability under the policy.

(g) Insurance coverage on the furnishings initially placed in the Unit by Declarant, except to the extent that the Management Committee pursuant to subparagraph (d) hereof elects to arrange for casualty insurance, and, regardless of the Management Committee's election, insurance coverage on items of personal property placed in a Unit

by an Owner, and casualty and public liability insurance coverage within each individual Unit shall be the responsibility of the respective Owners.

(h) The Management Committee shall receive the proceeds of any casualty insurance payment received under policies obtained and maintained. To the extent that reconstruction is required, the proceeds shall be used for such purpose.

(i) Notwithstanding the provisions of subparagraphs (a) (1) and (2) above, each Owner may obtain insurance at his/her own expense providing coverage upon a Unit, personal property, personal liability, and covering such other risks as may be deemed appropriate, but each such policy shall provide that it does not diminish the coverage for liability arising under insurance policies which cover the Management Committee, the other Owners, and the servants, agents, guests of any of them, if such insurance can be obtained in the normal practice without additional premium charge.

10. Casualty Damage or Destruction

(a) All of the Owners irrevocably constitute and appoint the Management Committee their true and lawful agent in their name, place and stead for the purpose of dealing with the Property upon its damage or destruction. Acceptance of a deed from the Declarant or from any Owner shall constitute appointment of the Management Committee as an attorney in fact for the limited purposes as herein provided.

(b) As attorney in fact, the Management Committee shall have full and complete authorization, right and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of a Unit Owner which may be necessary or appropriate to exercise the powers herein granted. Repair and reconstruction of the improvements as used in the succeeding subparagraphs means restoring the Property to improvements as used in the succeeding subparagraphs means restoring the Property to substantially the same condition in which it existed prior to damage, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

(c) In the event any Mortgagee should not agree to rebuild, the Management Committee shall have the option to purchase such mortgage on behalf of the Association by payment in full of the amount secured thereby. The Management Committee may obtain the funds for such purpose by special assessments under paragraph 8 of this Declaration.

(d) As soon as practicable after receiving estimates, the Management Committee shall diligently pursue completion of the repair or reconstruction of the part of the Property damaged or destroyed, but only if the Property is damaged or destroyed to the extent of 75% or less than the value thereof. In the event the Property is destroyed or damaged to the extent of more than 75% of the value thereof, the Unit Owners shall, at a meeting held within 100 days after such damage or destruction duly called by the Management Committee for the purpose, determine whether or not said premises should be rebuilt, repaired or disposed of. Unless Owners representing at least 75% of the undivided interest in the Common Areas agree to the withdrawal of the Property from the provisions of the Act and this Declaration and to its subsequent disposal, the Property shall be repaired, rebuilt or restored to substantially the same condition it was in immediately prior to destruction or damage. The Management Committee may take all necessary or appropriate action to effect repair or reconstruction, as attorney in fact for

the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be substantially in accordance with the original plans and specifications of the Property or may be in accordance with any other plans and specifications the Owners may approve, provided that in such latter event the number of cubic feet and the number of square feet for such Unit shall be the same as such Units were originally constructed as prior to damage or destruction. The same easements for encroachments as declared in Section 4(i) shall apply under the provisions of this section.

(e) The proceeds of any insurance collected shall be available to the Management Committee for the purpose of repair or reconstruction. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Management Committee may levy in advance a special assessment sufficient to provide funds to pay the estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in this Declaration. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

(f) The insurance proceeds held by the Management Committee and the amounts received from assessments provided for in paragraph 10(e) constitute a fund for the payment of cost of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for cost or repair reconstruction shall be made from insurance proceeds. If there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Unit Owners who made any special assessments from the Management Committee made under paragraph 10(e) of this Declaration.

(g) If 75% of the unit Owners and all holders of first mortgages on Units agree not to rebuild, as provided herein, the proceeds of insurance shall be distributed in accordance with the provisions of Section 57-8-31 of the Act. In addition, in such event, the Property may be removed from the provisions of the Act as prescribed therein. Withdrawal shall be in accordance with the Act.

11. Duty of Owner to Pay Taxes on Unit Owned.

Under the Act each Unit and its appurtenant percentage of interest in the Common Areas in the Property is subject to separate assessment and taxing authority and the special district(s) for all types of taxes and assessments authorized by law, and that as result thereof no taxes will be assessed or levied against the Property as such. Accordingly, each Unit Owner will pay and discharge any and all taxes and assessments which may be assessed on that Unit.

12. Computation of Percentage Interest in Common Areas.

The percentage of undivided ownership interest in the Common Areas which is appurtenant to a Unit shall be equal to the ratio of square footage of such Unit to the aggregate square footage of all Units included in the Property. The square footage of each Unit is shown on the Map and in the attached Exhibit "A".

13. Amendment of this Declaration.

(a) The Unit Owners at any time have the right to amend this Declaration and/or the Map upon the approval of Unit Owners representing not less than 67% of the undivided interest in the Common Areas.

(b) Notwithstanding anything to the contrary contained in this Declaration, until all but two (2) Units of the Property have been sold, Declarant shall have, and is hereby vested with, the right to unilaterally amend this Declaration or the Map, so long as the amendment involved is consistent with law and does not attempt to divest any property rights of any Owner or any first Mortgagee.

(c) For two (2) years following the recordation of this Declaration, the Declarant reserves the right to change the interior design and interior arrangement of any Unit and to alter the boundaries between Units, so long as the Declarant owns the Units so altered. Any such changes shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in this Declaration. Such change may decrease the number of Units and alter the boundaries between Units decreased. In any amendment related thereto the Declarant shall reapportion the percentage of ownership in the Common Areas which are allocated to the altered Units, on the basis of the change in floor space which results from the boundary alteration.

14. Service of Process.

Until changed by amendment to this Declaration, the name of the person to receive service of process and the place of his business is:

William G. West
451 East 1000 South, Suite A
Pleasant Grove, UT 84062

15. Mortgagees.

Notwithstanding all other provisions hereof:

(a) The liens created hereunder upon any Unit shall be subject to and subordinate to, and shall not affect the rights of the holder of the indebtedness secured by any recorded first mortgage (meaning a mortgage or a trust deed with first priority over other mortgages) where such interest was made in good faith and for value, provided that after the foreclosure of any such mortgage there may be a lien on the interest of the purchaser at such foreclosure sale to secure all assessments made pursuant to this Declaration after the date of such foreclosure sale, which lien shall have the same effect and be enforced in the manner of provided herein. All other mortgages shall have such rights and priorities as established by law.

(b) No amendment to this paragraph shall affect the rights of the holder of any such mortgage who does not join in the execution thereof.

16. Indemnification of Management Committee.

Each member of the Management Committee shall be entitled to be indemnified and held harmless by the Unit Owners against all costs, expenses, and liabilities whatsoever, including attorney's fees, reasonably incurred by him in connection with any

proceeding to which he may become involved by reason of being or having been a member of the Committee.

17. Severability.

If any provision, paragraph, sentence, clause, phrase, or word of this Declaration should under any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of this Declaration, and the application of any such provision, paragraph, sentence, clause, phrase, or word in any other circumstances shall not be affected thereby.

18. Topical Headings and Conflict.

The headings appearing at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to describe, interpret, define or otherwise affect the content, meaning or intent of this Declaration of any paragraph or provision hereof. In case any provisions hereof shall conflict with Utah law, Utah law shall be deemed to control.

19. Effective Date.

This Declaration shall take effect upon recording in the office of the County Recorder of Utah County, Utah.

PURSUANT TO THE PROVISIONS OF SECTION 57-8-15 OF THE ACT, THE PROVISIONS SET FORTH IN SECTION 20 ARE AND SHALL BE THE BY-LAWS OF THE ASSOCIATION.

20. Bylaws

a. Membership. Each Owner shall be entitled and required to be a Member (hereafter such Owners may be referred to either as "Unit Owners" "Owner" or "Member") of the Association; Membership shall begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Unit held by more than one person, the Membership appurtenant to that Unit shall be shared by all such persons in the same proportionate interest and by the same type of tenancy in which title to the Unit is held. An Owner shall be entitled to one Membership for each Unit owned by such Owner. Each Membership shall be appurtenant to the Unit to which it relates and shall be transferred automatically by conveyance of that Unit. Ownership of a Unit within the Project cannot be separated from Membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance, or other disposition of a Unit shall be construed to be a devise, encumbrance conveyance, or other disposition respectively of the Owner's Membership in the Association and rights appurtenant thereto. No person or entity other than an Owner may be a Member of the Association, and Membership in the Association may not be transferred except in connection with the transfer of the Unit.

b. Votes. Each Unit in the Project shall have the same number of votes in the Association as the percentage interest which such Unit has in the Common Areas.

c. Multiple Owners of a Unit. In the event there is more than one Owner of a Unit, the vote relating to such Unit shall be exercised as such Owners may determine between or among themselves, but in no event shall more votes be cast with respect to a Unit than the amount determined under (b) above. A vote cast at any Association meeting or by written consent by any such Owners, whether in person or by proxy, shall be conclusively presumed to be the entire vote attributable to the Unit concerned unless an objection is made at the meeting or in writing by another Owner of the same Unit, in which event no vote will be counted with respect to such Unit except to determine the presence or absence of a quorum.

d. Board of Directors. The Board of Directors (hereafter it may be referred to as the "Board") shall be deemed to be the Management Committee for purposes of the Act and shall be composed of at least three (3) Directors and no more than nine (9) Directors. The term for each Director shall be one (1) year. Directors shall serve until their successors are elected. Only Unit Owners and officers, directors, agents, and employees of Owners who are other than individuals shall be eligible to be Directors. The Directors of the Association shall be elected by a majority vote of the Members. In the event of a vacancy, the remaining Directors shall elect a replacement to sit on the Board until the sooner of the expiration of the term for which the Director being replaced was elected or the next annual meeting of the Members.

e. Status and General Authority of Board of Directors. Except as herein otherwise provided, the Project shall be managed, operated and maintained by the Board as agent for the Association of Unit Owners. The Board shall have, and is hereby granted, the following authority and powers:

(1) The authority without the consent of the Owners or of any other person(s), except Mortgagees, if required by the terms of their Mortgage, to grant or create on such terms as it deems advisable, utility and similar easements over, under, across and through the Common Areas.

(2) The authority to execute and record, on behalf of all Owners, any amendments to the Declaration or the Plat which has been approved by the vote or consent necessary to authorize such amendment as hereinafter set forth.

(3) The power to sue and be sued.

(4) The authority to enter into contracts relating to the Common Areas and other matters over which it has jurisdiction, so long as any vote or consent of the Owners, as set forth herein, which is necessitated by the subject matter of the agreement has been obtained.

(5) The power and authority to convey or transfer any interest in real property, so long as the vote or consent, as set forth herein, which is necessary under the circumstances have been obtained.

(6) The power and authority to purchase, or otherwise acquire, and accept title to, any interest in real property so long as such action has been authorized by any vote or consent, as set forth herein, which is necessary under the circumstances.

(7) The power and authority to add any interest in real property obtained pursuant to paragraph 6 to the Project, so long as such action has been authorized by the necessary vote or consent as set forth herein.

(8) The power and authority to and the obligation to enforce compliance with this Declaration and the by-laws against any Owner or any occupant of a Unit and in order to carry out the same shall have all of the rights and remedies available for such enforcement in accordance with the laws of the State of Utah and the City and County of Utah.

(9) The authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Board in carrying out its function or to insure that the Project is maintained and used in a manner consistent with the interests of the Owners.

(10) The power and authority to perform any other acts and to enter into any other transactions, subject to the rights of the Association, which may be reasonably necessary for the Board to perform its functions as agent for the Owners. Any instrument executed by the Board relating to the Common Areas of the Project that recites facts which, if true, would establish the Board's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

f. Duties of Board. It shall be the duty of the Board to:

(1). Cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting when such statement is requested in writing by thirty-five (35%) of the Members who are entitled to vote;

(2) Supervise all officers, agents and employees of this Association, and to see that their duties are properly performed;

(3) As more fully provided in the Declaration, to fix the amount of the annual assessments against each Unit, and send written notice of each assessment to every Owner as more fully set forth hereafter.

(4) Issue, or cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment;

(5) Procure and maintain adequate liability and hazard insurance on property owned by the Association, and adequate officers and Directors indemnity insurance, and all other insurance required by the Declaration;

(6) Cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate;

(7) Cause the Common Areas and the Buildings to be maintained as provided in this Declaration;

(8) Permit Mortgagees of Units in the Project to pay taxes or other charges which are in default and which may or have become a charge against the Common Areas of the Association, and such Mortgagees may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such property, and such Mortgagees, upon making such payments, shall be owed immediate reimbursement therefore from the Association;

(9) Assess and collect all assessments referred to or authorized in the Declaration.

g. Meetings and Manner of Action. The Directors shall hold such meetings as they shall deem necessary. The act of the majority of the Directors shall be the act of the Committee, unless the vote of a greater number is required by the Declaration, the Act, the Articles of Incorporation or these By-Laws.

h. Action Taken Without a Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent or approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

i. Compensation. No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

j. Right of Delegation to Manager. The Board may carry out any of its functions which are capable of delegation through a manager. The Manager so engaged shall be responsible for managing the Common Areas and shall, to the extent permitted by law and the terms of the agreement with the Board, be authorized to perform any of the functions or acts required or permitted to be performed by the Board itself.

k. Payment of Services, etc. The Board may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Management Committee shall determine to be necessary or desirable for the proper operation of its function in the Project, whether such Committee or by any person or entity with whom it contracts. The Board may

obtain and pay for the operation of the Project or the enforcement of this Declaration. It is recognized that the Board may arrange with other persons to furnish snow removal, ground maintenance and other common services to the Project whether such personnel are furnished or employed directly by the Board.

l. Personal Property Ownership and Use. The Board may acquire and hold for the use and the benefit of all of the Owners tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same proportion as their respective interests in the Common Areas. A transfer of a Unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Such interest shall not be transferable except with the transfer of a Unit, and such beneficial interest may in no event be reserved, by the transferor of a Unit.

m. Rules and Regulations. The Board may make reasonable rules and regulations governing the operation and use of the Common Areas and other matters over which it has jurisdiction, which rules and regulations shall be consistent with the rights and duties established in this Declaration and By-laws. The Board may suspend any Owner's voting rights at the meeting of Owners during any period or such periods during which such Owner fails to comply with such rules and regulations, or with any other obligations of such Owners under this Declaration. The Board may also take judicial action against any Owner to enforce compliance with such rules and regulations or other obligation or to obtain damages for noncompliance, all to the extent provided by law.

n. Additional Board Rights. The Board may exercise any other right or privilege given to it expressly by this Declaration or by law and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

o. Indemnification of Board. Each member of the Board shall be indemnified and held harmless by the Association and the Owners from and against any and all claims, judgments and liabilities to which such persons shall become subject by reason of having been a member of the Board, or by reason of any action alleged to have been taken or omitted to have been taken as a member of such Board, and shall reimburse each such person for all legal and other expenses reasonably incurred in connection with any such claim or liability, including power to defend such person from all suits or claims; provided, however, that no such person shall be indemnified against, or be reimbursed for, any expense incurred in connection with any claim or liability arising out of his or her own fraudulent or criminal misconduct.

p. Annual Meeting. The annual meeting of the Association shall be held on the first Tuesday of _____ of each year commencing in the year 2009. If the day fixed for the annual meeting shall be a legal holiday, the meeting shall be held on the next succeeding business day. At such annual meetings there shall be elected Directors of the Association, as needed, pursuant to the provisions of this Declaration, if not appointed by

Declarant, and financial reports and budgets shall be presented, as well as other business of the Association properly placed before the Association.

q. Special Meetings. Special meetings of the Association may be called by the President, or by not less than thirty-five percent (35%) of the Owners.

r. Place of Meeting. The Board may designate any place, within the State of Utah, as the place of meeting for any annual meeting or for any special meeting. A waiver of notice signed by all Members may designate any place, within the State of Utah, as the place for the holding of such meeting. If no designation is made, or if a special meeting is otherwise called, the place of meeting shall be at the principal office of the Association in the State of Utah.

s. Notice of Meeting. Written or printed notice stating the place, day and hour of the meeting, and in the case of a special meeting, the purposes for which the meeting is called shall be delivered not less than ten (10) days nor more than sixty (60) days before the date of the meeting, either personally or by mail, to each Member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Member at his, her or its address as it appears on the records of the Association, with postage thereon prepaid.

t. Quorum. The presence, in person or by proxy, of the Members who are entitled to cast a majority of the votes of the Association shall constitute a quorum. If less than the required quorum of the Members are represented at a meeting, the chairman of the meeting or a majority of the Members so represented may adjourn the meeting from time to time without further notice. The quorum for an adjourned meeting shall be one-half of the required Members for the meeting as originally noticed. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. The Members at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

u. Voting. If a quorum is present, the affirmative vote of a majority of the votes, present at the meeting or represented by proxy, shall be the act of the Association, unless the vote of a greater number is required by the Act, the Articles of Incorporation, these By-Laws or the Declaration in which case it shall require the affirmative vote of such greater number.

v. Proxies. At all meetings of Members, a Member may vote by proxy executed in writing by the Member or by his duly authorized attorney-in-fact. Such proxy shall be filed with the secretary of the Association at least three (3) days before the date of the meeting. No proxy shall be valid after eleven (11) months from the date of its execution, unless otherwise permitted in the act and so provided in the proxy.

w. Consent Equivalent to Vote. In those cases in which the Act or this Declaration require the vote Owners or the vote of a stated percentage of the Project's undivided percentage of the Common Areas for the authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who hold at least the necessary vote or percentage of undivided percentage of the Common Areas.

x. Officers. The officers of the Association may include a president, a vice president, a treasurer, and a secretary, and such assistant treasurers, assistant secretaries, or other officers as may be elected or appointed by the Board. Any two or more offices may be held by the same person.

y. Election and Term of Office. The officers of the corporation, if any, shall be elected annually by the Board at a meeting of the Board held after each annual meeting of the Association. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Vacancies may be filled or new offices filled by the Board. Each officer shall hold office until his or her successor shall have been duly elected and shall have qualified or until his or her death or until he or she shall resign or shall have been removed in the manner hereinafter provided.

z. Removal. Any officer or agent elected or appointed by the Board may be removed by the Board whenever in its judgment the best interests of the Association would be served thereby.

aa. President. The president shall be the chief executive officer of the Association. He or she shall preside at all meetings of the Association and of the Board. He or she shall have such duties and powers generally vested in similar Associations and such other powers and duties as may be prescribed by the Board.

bb. Vice President. In the absence of the president or in the event of his or her inability or refusal to act, the vice president shall perform the duties of the President, and when so acting, shall have all the powers of, and be subject to all the restrictions upon the president. The vice president shall perform such other duties as from time to time may be assigned to him by the President or by the Board.

cc. Treasurer. The treasurer shall have charge and custody of and be responsible for all funds and securities of the Association; receive and give receipts for moneys due and payable to the Association from any source whatsoever, and deposit all such moneys in the name of the Association in such banks, trust companies or other depositories as shall be selected by the Board and in general perform all the duties incident to the office of treasurer and such other duties as from time to time may be assigned to him or her by the president or by the Board.
